## . The Retirement of Mr Cornwell

Very soon after the Easter Centenary celebrations the school bade farewell to Mr Cornwell as Rector. Despite his years and the burdens of office, he was still showing plenty of vitality. There was no more than a hint of grey about the familiar, colourful complexion, the step could still be jaunty, and the greeting breezy or stern, to fit the occasion. He went off into retirement as one determined to enjoy it.

His eighteen years as Rector were the culmination of both a career and a unique association with the school. He first entered Southland Boys' High School in 1933 as a 3rd former. As some of his later colleagues might put it, he showed promise and made good use of his opportunities. He made his mark in the classroom and on the athletic track, and developed his talent for public speaking and debating. He moved to Auckland for a final year at Auckland Grammar School and then on to university to gain a B.A. degree.

The Second World War interrupted his studies and provided him with fresh horizons. He served five years in the N.Z. Army, four of them on active service overseas in the Western Desert, Tunisia and Italy. He had a spell in England at a commissioning course at the Royal Military College, Sandhurst. On return to N.Z. at the end of the war he took his M.A. with Honours and began his teaching career at Mt Albert Grammar School. Six years later he moved to the new Papakura High School as Head of the English Department, and then on to the neighbouring new co-educational school, Manurewa, as Deputy Principal. With this experience behind him he returned to Southland Boys' High School as Rector in 1963 for the second half of his teaching career.

Having experienced the growth of new schools in the north, he was faced with the problems of rapid expansion in his old school. He saw two new teaching blocks and a new gymnasium added to the school. The second of the teaching blocks was fittingly completed this year and named the Cornwell Block. Its workshop facilities reflected his desire to see the school diversify its course for the benefit of a wider intake of boys.

Growth of numbers went hand in hand with other problems. The local effects of a nationwide shortage of teachers plagued Mr Cornwell throughout his time as Rector. The recruitment and retention of adequate staff was a perennial headache that diverted energy and attention from other tasks. It made it difficult for him to exercise the vision which he could have been expected to bring to the job. In some years it was a major exercise just to keep the school operating. Ironically these staffing difficulties appeared to be at an end just when he retired.

His dilemma is clearly illustrated in two of his first acts as Rector - the curtailment of school singing and the abolition of cadets, both activities which he strongly supported, but which were in difficulties with expanded numbers and staff shortages. The revitalising of singing is proving a slow process, but cadets has been largely replaced by the Adventure Camp programme. This latter was one of Mr Cornwell's most abiding interests, in and out of the school. He was a key figure in the early years of the Southland Youth Adventure Trust when Borland Lodge was acquired and established. It gave him much pleasure when the Old Boys decided to build a lodge for the school centennial.

Mr Cornwell's approach to his job was essentially simple. His commitment was total. Nothing that he could do to advance the interests of the school was left undone. His was a visible presence when school was in session, gown flowing through the corridors, or clad in overcoat and white silk scarf with umbrella when outside in the elements. On Saturdays he was invariably to be found on the sidelines watching all sporting grades and codes, exhorting and encouraging. While he took pride in the successes of the top teams, he saw the strength of sport in the high level of participation by ordinary, less skilful boys in lower teams that had few competition successes but gave some satisfaction to the players.

He did not keep his restless energy and knowledge to himself. He had very definite ideas on a wide range of school operations and frequently communicated these to teaching and office staff, groundsmen and maintenance men, boys and parents. There were few people associated with the school who were not affected in some positive way by his urgings, and the present appearance of the school owes much to his active interest in planting trees and shrubs and the layout of grounds. While his arguments did not always command agreement, they did compel respect. Assemblies gave further scope for this habit and also for his firm conviction that boys should not go through the school unacquainted with Christian teaching.

He believed in being very much in touch with the mood of the people of Invercargill, with the object of seeing that the school was in tune with that mood. His time as Rector covered the period when the town co-educational schools came to maturity and dominated, numerically, the secondary education scene. He maintained that there would always be an important place for the single sex school and was determined to maintain it. The Old Boys' and Parent-Teacher Associations received his strong, continuous support. Rotary and Lodge took up a large slice of his spare time. Especially in the later years when family responsibilities lessened as children left home, he kept a punishing schedule of evening meetings and gatherings.

The school thanks him for all he has done over a long and difficult period. It thinks he has left us in very good heart to face the next series of challenges. It wishes him and Mrs Cornwell many happy and hard earned years of retirement in Nelson. There he may certainly be expected to enjoy the weather, and also the fishing, his favourite recreation, which is not unconnected with a popular perception of him among the boys here. He first entered the school two years after the fiftieth jubilee. As Rector he presided over the 85th and centennial celebrations, we hope to welcome him back as a visitor for the next such gathering.

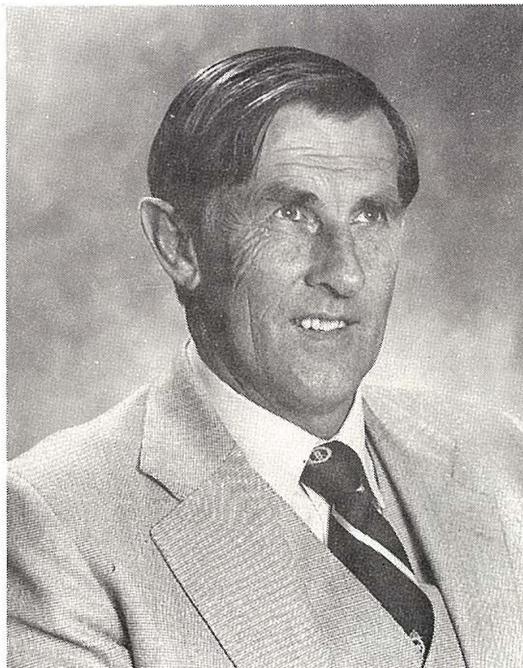

## **Mr J. C. Alabaster, Rector, May 1981**

The school, in its centennial year, was very pleased to receive the news of the appointment of another Old Boy and former Staff member to the position of Rector.

After five years as principal of Kingswell High School, Mr Alabaster was no stranger to the demands required in the top position of the school. His previous knowledge of the school, gained as a staff member, Head of Department and Deputy Principal enabled him to move into top gear and quickly assess the needs of the school as he saw it.

Mr Alabaster has many skills which will be brought to bear to ensure the smooth running of the school. His skill as a teacher of mathematics will not be lost. His skill as an administrator will be invaluable. His broad view of the role of education has already made its mark on the proposed changes in school routine for 1982. His concern for the well-being of the staff was immediately seen in his goal to upgrade the staffroom and kitchen soon after his appointment. His compassion for the under-privileged of the community has also already been evidenced.

The school can indeed look forward to a period of exciting development under Mr Alabaster's guidance and leadership. We wish him a satisfying term of office and hope that his plans for the school are accomplished.

## Staff Notes

The most notable event of the year must be the new surroundings the staff now enjoy in the Staff room. During the August holidays a major refurbishing took place and the final result is a very pleasing one indeed. The once familiar faded red-leather chair has forever departed the scene. Our thanks to Mr Alabaster for the efforts he made to upgrade our facilities. We understand he almost lost the battle!

Some new and familiar faces were welcomed back to the school in February. After some three years many on leave Mrs Cave turned from domestic chores to scientific ones. Obviously she found the former more to her liking as she bid us a final farewell at the end of that first term. Sorry, Pat, to lose you - thanks for your contribution to the school over a number of years.

Another loss was the departure of Mrs Evans after four terms at the school. We thank her for her sterling work with photography for the magazine and wish her well at Kingswell.

The technical department welcomed two new faces this year. Mr Rodgers as HOD and Mr Storey, as the metalwork instructor. We welcome Mr Rodgers from Hargest (what - another one!) and Mr Storey came to us from England via the Outpost. We hope you both enjoy your time at this school.

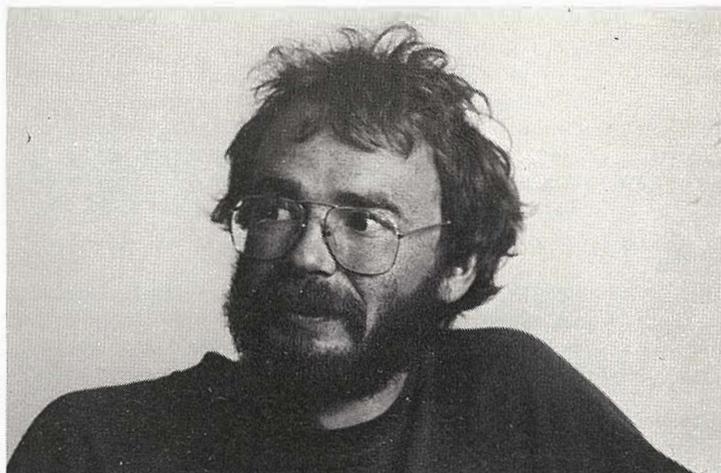

Mrs J. Brown and Mrs L. Clay helped us at the beginning of Term II until a successor for Mrs Cave was found. We thank them for valued assistance. Then Mrs G. Hughes arrived to grace the science department. Her vitality and enthusiasm were immediately apparent. We hope she will be with us for sometime. Mr Sarson returned to Art Duties after sometime away in England and prior to that at Kingswell. We look forward to a continuation of his artistic enthusiasm evident around the school during his previous appointment. He succeeded Mr Stevens who left us to return home to Britain. His Welsh background made him an obvious target of the rugby fraternity, his dissertations on the sport being sorely missed. The departure of the Rector, Mr Cornwell, at the end of Term I is mentioned elsewhere as is the appointment of his successor Mr Alabaster.

Two other ladies were appointed during the year as ancillary staff. Mrs Breuss became the new laboratory assistant, succeeding Mrs Milligan who left to spend the year at the Outpost. Mrs Petrie arrived to give additional clerical assistance to the staff, especially in the completion of registers. We are very pleased to welcome them and their charm to the staff.

During the year we have been indebted to people who have helped in a relieving capacity. We would especially like to thank Mrs Wilson, Mrs Pryde, Mrs Fotheringham, Mrs Treweek, Mrs Fletcher, Mrs Scott, Mr Waddick, Mr & Mrs Ward, Mrs Pierce, all of whom have helped on various occasions.

A final note of welcome and farewell to our French assistant M.Faurey from Montpellier.

The language students have indeed been fortunate to have a "live" Frenchman for the second year in succession. Au revoir, Michel, Bon Voyage; et Merci.

## TERM I

### FEBRUARY

- Tues 3 Back to school for 3rd, 4th and 7th forms  
Wed 4 5th and 6th forms decide to return after an extra day's holiday.  
Thurs 5 8 weeks of careful cultivation by Graham Brinsley is "cut short" as he is advised to "remove the hair from his upper lip".  
Fri 6 Waitangi Day. After 3 days of hard work the school takes a well earned break.  
Mon 9 David Beale is named Head Prefect.  
Tues 10 House Captains named.  
Thurs 12 Sports Standards Meeting postponed for usual climatic reasons.  
Fri 13 Sports Standard.  
Mon 16 Mr McIntosh relates to 7s English, his experiences with the heavy breathers in the back row at "Goodbye Pork Pie".  
Tues 17 Staff vs 1st XI Cricket. David Beale out for a duck.  
Beale . . . "Ducks, they're seagulls". Speaking of ducks in 7s Maths Mr Dear attempted conversation with an inattentive paradise duck, but to no avail. (It must have been the accent) Clyma.  
Wed 18 In 7 Physics Mr Gordon declares himself ignorant. C. Turrel named Head Librarian.  
Thur 19 Sports Championships. Much concentration lost through delays by rain and a Girls' High contingent.  
Fri 20 Six new Prefects named with Monteath as Dep.  
Mon 23 Interschool with Shirley. In Cricket, Shirley managed to hold out for a draw. Welsh ate a plateful of icecream for every run he made!!  
-24 Thur 26 David Beale pulled up by Rector for riding his bike out of school.  
"Come here, young fellow . . ."

### MARCH

- Mon 2 3rd and 4th form Mug Shots. Rector away to camp.  
Tue 10 University Liaison officer interrogated by Prendergast after talking to 7th form.  
Wed 11 Last 10 Prefects named; and were shown off with a trip down to Girls' High sports (greeted with awes and whistles).  
Thur 12 First Senior Dance of Year. From Coldstream - "Nothing to write home about".  
Mon 16 OBHS interschool. 1st XI only victors.  
Sat 21 Southland Secondary Schools sports. School performs "admirably".  
Tue 24 -25 King's Interschool with wins all round.  
Thur 26 1st XV squad named in preparation for the Easter tournament.  
Informal visit from Merv Wellington.  
Fri 27 Certain Sounds perform in school. Rector comments on cars doing wheelies down Herbert Street after icecream eating in the gym.  
Mon 30 Workday. Blomfield wonders why he is the only one at school.  
About \$10,000 raised - great effort by the chaps.

### APRIL

- Sat 4 Admirable performance by the school especially in the younger age groups at SI athletics.  
Wed 8 Softball "interschool" with SGHS.  
Thur 9 School marred by the loss of a keen 7th former. Clyma defects to Woolies.  
Fourth form dance - a night where much was learnt by staff and by pupils.  
Sat 11 1st XV start competition with a 13-14 loss to the eventual competition winners - Pirates Gold.

- Tue 14 In Assembly; presentation to the school of a Portrait of Brian McKechnie - Double All Black.
- Wed 15 Special Centennial Assembly; School touched by speech of 97-yr-old, old boy, Mr "Addie" Adamson, and visit of oldest staff member Mr Laurie Cameron. Easter - Successful Centennial Celebrations.
- Mon 27 Christian Option Programme all week.
- Thur 30 3rd Form Dance - Mighty Midgets really get down to it. Disappointing music.

#### MAY

- Fri 1 Brian McKechnie presents All Black Jersey to the School, with a brief speech.
- Fri 8 The end of an era, as David Beale reflects back to many "dim views" and "strong exceptions" as he presents a 3 piece stereo to Mr Cornwell on his retirement. Slump in sales of half bricks noted.

#### TERM II

##### MAY

- Mon 25 Back to school for the winter term under new regime. Mr Dear tangles with a live mouse from the prefects' room.
- Wed 27 Issuing of NZAS mouthguards to rugby players, only; to the annoyance of many hockey followers.

#### JUNE

- Mon 1 After a strenuous week back at the grindstone, school takes another well-earned break for Queen's 55th birthday.
- Wed 10 Interschool with Otago.
- Fri 12 Final bell keenly awaited, as there is a mass exodus of the 7th form to Dunedin . . . anon Carisbrook.
- Wed 24 Interschool with Waitaki. Mr Williams actually smiled twice. "Picture Party" in the evening. "Cartoon amongst other things were sorely missed".

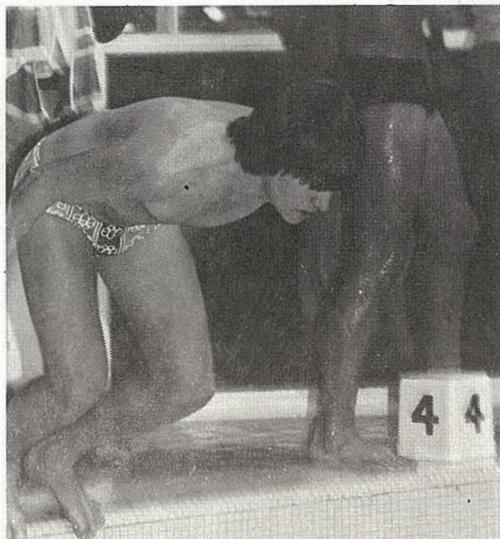

#### JULY

- Mon 6 1981 dancing classes resume, with a poor attendance.
- Thur 9 Mr Honders, alias the Incredible Hulk, pushes pane of glass from a window.
- Mon 19 Mass invasion from our sister school's 5th year contingent. "Souness and R. Wilson had a field day".
- Wed 22 Blizzard in the Art Room as the winter backdrop for the School Ball is started. A traditional interschool with King's. A creditable performance from the 2nd XV claiming the scalp of King's first. Southland Times, reports "elusive" running from Baxter.
- Thur 23 Introduction of the new roll system. Shock waves around the regular absentees. Otago University Liaison Officer talks to 7th form as Prendergast is more subdued.

- Wed 29 The School's Royalists came to school yawning, after a late night.  
 Thur 30 School Ball a successful, enjoyable evening, highlighted by a fire eating act.

AUGUST

- Tue 4 Timaru Interschool; 1st XV, have victory.  
 Thur 6 7th Form visit to Otago University. A revived tradition that went smoothly.  
 Tues 11 Issue of reports. "Many historic documents".  
 Thur 13 Senior meet-the-teacher evening.  
 Fri 14 Senior exams begin.  
 Tue 18 Swimming Sports, for the first time in many years with the absence of "The Boss".  
 Thur 20 Round the park races in which Colin Heads led Coldstream by example, and literally "gave his guts".  
 Fri 21 Prayers for snow, at the end of an eventful week and an eventful term, in which many changes were seen, most of which were approved of by the school.

**The Elusive Coup**

TERM III

SEPTEMBER

- Mon 14 School returns with the by now traditional fleet of plaster casts and is introduced to Matti Tuomi from Finland, Rotary Exchange Scholar.  
 In the coup of the new century, Mrs Petrie when checking the roll uncovers Joshua Coup to the bewilderment of Mr Waterson and the delight of 5A.  
 Tue 15 First round of House Sport.  
 Thur 17 Second round of House Sport rounding off the year's competition with a well deserved win to Grant.  
 Mon 21 Presentation of CBA Maths Awards.  
 Tue 22 Successful opening night of Godspell.  
 Cook - "My father, once I was found but now I'm lost".  
 Wed 23 Staff vs XI Soccer. A strong reversal of trends to 1st XI 6-1.  
 Mon 28 An indifferent appreciation of the senior school to a concert by the Olivers. Distribution of Centennial badges begins.  
 Wed 30 Three sixth form prefects announced to the school. Herbison, Hamilton, Snegirev.

OCTOBER

- Thur 1 Second Fourth Form dance. Music and atmosphere best for a while. Class photographs taken.  
 Mon 5 The end of a "silly era" as Brinsley departs in usual fashion much to the annoyance of Mr Riley, subject of a Brinsley caricature.

Fri 24 "Sigh" of relief as Souness departs for "Spirit of Adventure".  
 School quits itself well in a newly undertaken sport, waterpolo against Marist girls.  
 Tue 13 Volleyball victory to SBHS over our sister school.  
 Thur 15 Fourth form trips to Borland resume. Third form dance.  
 Mon 20 Mr Baldwin's love affair with 7 Geography ends  
 Sat 24 First XI celebrates its return to senior cricket, after a 15 year absence with a well earned win, after a nail-biting finish.  
 Mon 26 Labour Day - The final break for the year.  
 Tue 27 The phrase "I'll start next week" is still being heard.  
 Thur 29 The final senior dance of the year. The band "Kanz" was well received.  
 Fri 30 Bruce Welsh is named Captain and Paul Henderson a player in the New Zealand Secondary Schoolboys Rugby Team. A reflection of Mr Williams dedication.

#### NOVEMBER

Mon 2 Norman Jones and Rex Austin take time out to educate and entertain a small crowd in the hall.  
 Wed 4 Dougal Soper has the Opposition's say to a similar sized crowd. The water fighting season gets well underway.  
 Thur 5 Coxhead is pulled up by a traffic officer, for "hurrying" to English at 63 kph on his "pushbike" down Kelvin Street.  
 Fri 6 7th form Biology trip to Tiwai and with the Sewage treatment plant still in mind boys gaze at senior reports.  
 Tue 10 7th Form eases up as Scholarship pupils are released from classes.  
 Tue 17 Senior Prize Giving and Breakup. "One of the Best for many years"  
       "Entertaining and to the point". Keith Duncan - Dux and Antony Too-Proxime Accessit.

#### The Rector's Farewell Remarks:

"Finally I express to those members of the school for whom this is their last prize-giving our best wishes for your future.  
 "May you know the difference between right and wrong and given the choice between them may you have the courage to choose the right. May you face up to the successes and failures that life will bring without giving either undue weight.

"May you live your life with belief in yourself but thought for others. We wish you well and will be pleased to see you and hear of you in the years that lie ahead."

Wed 18 Accrediting announced - rejoicing, weeping and gnashing of teeth, ties shorn and a case of a black eye.  
 Thur 19 Seniors released for external exams.  
 Fri -20 Juniors tied up with internal exams.  
 Mon 23 Darryl B. de Mille-Shields begins epic film with a cast of thousands.

#### DECEMBER

Thur 3 A. Deaker obtains car licence.  
 Fri 4 Text books return and all seniors finally depart.  
 Sun 6 Deaker prangs car.  
 Sun 6 Annual interschool with St Andrew's in Christchurch.  
   -9 1st XI Cricket - draw. Although unable to take the last wicket, the 1sts achieved a moral victory.  
       Junior team - played two one-day games. Lost one, won one.  
 Mon 7 4C2 v 3A2 in Aussie rules. "Armo refs a ripper" in this New Zealand premiere.  
 Wed 9 At last Junior sports. "Everyone had a ball of a time".  
 Thur 10 Junior Prize Giving.

## Valedictory Speech by Head Prefect

It is customary at this time of year for those of us who are leaving, to look back and reflect.

Much has happened during our year, the transition from the seventies and into the eighties has seen change in more ways than one. Probably the greatest change I have experienced has been one of attitudes.

Of the 200 odd pupils who enrolled with me in 1977, nearly a quarter are still here, and this obviously effects the character of the school. A sign of the time perhaps.

Over the years I have developed a far greater appreciation for teachers whom I have had, getting to understand their point of view and what they are trying to achieve, joining the staff in the whole learning process and finally discovering the value of what they say.

The 100th year of the school was celebrated in fine fashion at Easter, the First Fifteen won!

Generally though the Old Boys who came from all over the country and the world for the celebrations seemed to have a really enjoyable time, recalling old memories and enjoying the finer things in life with old friends. I only hope the 125th is as good.

The change of Rector this year was another significant phase to go through. With the announcement that Mr Alabaster was to be rector, there was great enthusiasm from cricketing circles in anticipation of having one of the greats in New Zealand cricket at the helm.

In the event, there were no dramatic changes, but there is little doubt that Mr Alabaster's quiet influence is having its mark in a number of ways, and I think I can say without doubt the best years of the school are ahead.

The saying "you get out of something what you put into it", couldn't be more true, than with school. Both academically and in a sporting sense. In playing cricket, rugby, soccer, basketball, athletics, being involved in debating and drama, the student will find he has gained far more out of it than merely the pleasure of winning or losing.

Those of us who are leaving would like to thank the school for what it has meant to us.

It's worth staying on until the end, as this final year has been best of all.

D.B.

And Yet.

And yet, what have we got  
The pictures say we attended  
And the scrolled piece of paper bears testimony  
To the fact we achieved  
But what? A first in English!  
Or a Blue for Rugby  
Can we claim it significant  
For the years of work  
And anguish and toil and frustration  
And joy of friendship  
And pain parting  
Can a photo, a book or a piece of paper  
Make up for the time?  
Make up for the memories  
And when the last report  
Of the last term of the last year  
Is read, and commented upon  
And when the last period of Maths ends  
With the ringing of the bell  
That signifies the end  
Of a period of a life  
That will never return  
No matter how much we wish.  
No longer will be heard  
Saturday night exploits  
Faithfully recorded on Monday mornings.  
No longer shared  
The joy of winning  
And pain of losing  
On fields where men are made.  
Five years at school  
One sometimes hears  
"Do you remember in the third form when . . ."  
It seems so long ago  
And it was  
Five years at school  
Has meant a closeness to the end  
Never previously considered.

## 7th Form Field Trip

As in accordance with previous years, 7th Form Geographers and Biologists had a field trip, this time being at Borland Lodge. Visions of leisure, relaxation and sight-seeing overawed the possible work that had to be done. Loaded with food, enthusiasm and miscomprehension, the merry band set out, (accompanied with some fourth formers) completely unaware of their fate. The band's first shock came in the recognition of the teachers; disciplinarian - Mr James; Biologists - Mr Rankin and Mr Huntley; Geologist - Mr Hamill; Geomorphologist - Mr Baldwin; and Physed instructor Mr Woodward. However, after reassuring themselves that the teachers were only there to look after the fourth formers, the chaps were much happier. After trying to lose us in the Clifden Caves, the teachers were seen huddled in close conversation, while the 7th formers, unaware of any plot against them, enjoyed the bus ride.

We arrived at the Lodge and quickly disappeared into huts for four days of rest. However after ten minutes the hated bell rang, awakening many from sleep, and summoning us to the dining room. Here we learnt many disturbing facts:- we would actually be expected to clean up and cook meals, "What were the Fourth formers brought for anyway?" and we were to be handed out our work that night, the statement "Look I didn't come here to work, you know" had no effect upon the power corrupted teachers. The 7th formers escaped to their huts to mentally prepare themselves for work (for some the first done all year). That night the dreaded worksheets were received and bewildered Biologists queried "What's a recumbent fold" as did mystified Geographers "Sir what's an ecological niche". Alas the teachers had gone, leaving the stupified students to the perils of knowledge.

The work involved numerous field studies, which included a trip up the Borland road to Borland Saddle, investigating glacial landforms, doing an altidunal zonation study and once on Borland Saddle doing a cross section of vegetation types and measuring the variables involved in the vegetation type.

Once back at lodge we were shocked to see the amount of interpretation to be done and any short cut was quickly dashed by the merciless teachers. We also underwent a rigorous 20 mile walk under the guise of studying landforms in the Waiau Valley. However, despite the incredible workload the boys did enjoy themselves, once or twice. As the deadline for work was shortening, many deemed a full night's work necessary.

At last the day of departure came, overjoyed 7th formers were seen (for the first time) anxious to get back to school "For a good holiday". The voyage home was uneventful. The field trip was overall a success, ignoring the long dusty walk, slipping down tussock slopes, standing in freezing water and the enormous workload. Thanks go to the teachers, who, although found wanting, enjoyed themselves as did the pupils.

## Smac Maths

At forms 3 and 4 level competitions are held in poster design, models, verse, projects and mathematical design. Interest in these sections has fallen off over recent years and SBHS won no prizes in 1981. The team competitions continue to create much excitement and this year we did exceptionally well to win both the form 4 and form 5 events. At form 4 level the team of Michael Drayton, Jeffrey Moreton, Jeffrey Thompson and Roy Ward had a convincing win by 30 points. In the form 5 competition the team of Paul Campbell, Shane Hopgood, Darrell Sutton and Darren White had a narrow victory over a team from James Hargest High School.

Congratulations to all winners and competitors; next year it is to be hoped that more boys will enter all sections of the competition and that we can increase our "bounty" of prizes.

## **Christian Fellowship**

A quiet year but a significant one in terms of personal growth of the members and the interested pupils that visited.

It was decided by the organising committee to provide a varied programme which would encourage fellowship and spiritual growth. Wednesday lunchtimes for half an hour were spent in sharing and Bible discussion while Thursday lunchtimes were spent in such things as: Volleyball at the Gym, visiting speakers, discussion, visits to and from other ISCF groups of other schools.

Two of the visiting speakers that challenged our attitudes to 3rd World countries and missions were Bruce McConchie of TEAR Fund and Paul Sommerville of Missionary Aviation Fellowship.

Although not organised by ISCF yet sponsored by Scripture Union, the Christian Option Programme, presented by Mr Brighton and Miss Martin was held in the second last week of Term I. The aims: to stimulate thought and present an alternative and Christian perspective on some areas of the curriculum, were largely accomplished judging by the lively discussions and questions.

Perhaps the highlight of the year was a barbecue and combined ISCF games night held out at Wyndham on November 6th. ISCF members from most schools in Invercargill as well as Gore and Wyndham competed in a Top Town competition, consumed copious sausages, and communicated their faith in God through testimonies and song. Special thanks to Ken Frost and Paul Campbell for organising and running it.

We are grateful for the participation of each member and look forward to the challenge next year.

## **Computing**

For most of the year, the computer has been in use from 8.30 a.m. to 4.30 p.m. Most fourth formers should have had hands on experience through their maths classes.

A computer club met Friday lunchtimes, where boys exchanged ideas, and learnt more advanced programming.

Some quite sophisticated programs, written in the BASIC language, have been written by boys of all forms while some boys are dabbling in the harder machine language.

At the end of the second term, the school bought a printer for the computer. This proved a great help in debugging programs, and some third formers were introduced to the computer by writing programs instructing the printer to draw simple pictures.

The computer was used in a few classes as a teaching aid: Physics, Maths and French in particular. As we write and obtain more software, this will develop further.

The New Zealand Aluminium Smelters Ltd Award in Computer Programming was won by Roy W. Ward, 4A1.

## **Radio Club 2L4CT**

The club of just a few members this year, met each Tuesday after school. Working mainly in the 20 metre band, we made many contacts all over the world; as well as within New Zealand. Australia, USA, Canada, Yugoslavia, Czechoslovakia, Hungary, Rumania, and USSR.

During the month before Easter, the club and Old Boys' that are Radio Hams, ran a competition to commemorate the School's Centenary. Any radio operator making sufficient contracts with Old Boys', boys and the club station, won the Southland Boys' High School Centenary Award. Considerable interest was generated and 37 stations won the award.

Just recently Michael Drayton 4A, passed the exam for Amateur Radio Operator's Certificate Grade 3. His call sign is ZL4ATHZ.

## **"Secondary Thoughts"**

The school newspaper was formed in March 1981 and has published seven issues since then.

Our prime aim was to cover school events as soon after they happened as possible, and to give the boys of the school a voice so they could contribute ideas and articles. Since then we have improved printing techniques and increased our staff and office space.

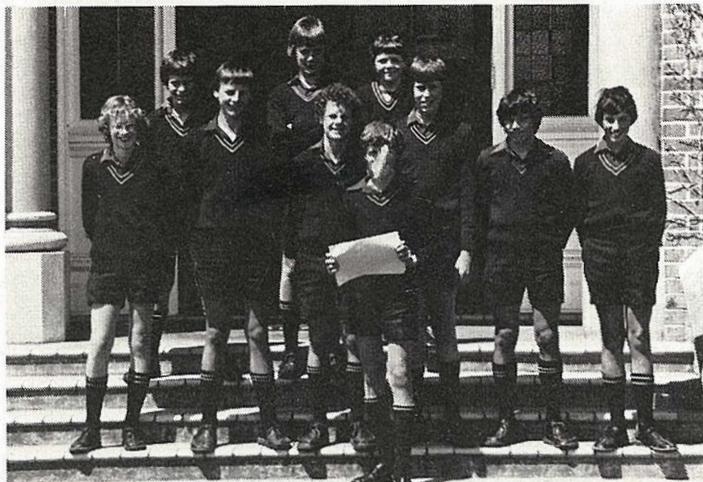

In 1981 we had a staff of 4th and 3rd formers, and we expect that there will be some staff vacancies in 1982.

The paper consists of about eight pages and costs ten cents at the moment. Many people have helped us get established but special mention must go to Miss Boyd and Mr Lawrence for their help and guidance.

In 1982 we hope to continue the newspaper in the same way as last year with a few minor changes to make the paper more open to contributions from the School.

Thank you for your patronage over the past year and remember our motto . . .

First thoughts, after thoughts,  
but read it first in  
Secondary Thoughts!

## Australian Mathematics Competition

Nearly 200,000 students from the South Pacific took part in this competition which aims to foster an interest in mathematics at all levels from form 2 to form 7. There were 26 entries from this school of whom 13 attained credits, 7 distinctions and 1 a prize. Credits are awarded for those attaining between 50 and 80%, distinctions for between 81 and 95% and prizes for those over 95%.

## The Spirit of Adventure

Mr L. J. Fisher, Auckland industrialist, conceived the "Spirit of Adventure" scheme as a chance to give the young people throughout New Zealand an opportunity to experience sailing, the pleasures of the Hauraki Gulf and coastal waters, and the interest of meeting contemporaries from all parts of New Zealand. In handling the ship and her boats and in working aloft on the yards, trainees find their self-confidence and initiative can develop. In living on a messdeck in close quarters with their messmates, thought for the convenience of others comes more readily.

The "Spirit of Adventure" was designed by Mr J. B. Brooke and built by Messrs Voss and Brijs Ltd, Auckland. She was launched on 8 December 1973. Mr Fisher then handed her over free of charge to the Trust Board which administers her.

The "Spirit of Adventure", a 105 foot steel schooner provided me with the greatest experience that anyone could possibly have. I was part of an efficient team of sailors which was made up of a Captain, Engineer, 1st Mate, 2nd Mate, Auxiliary Officer, Cook and 25 trainees.

Voyage 186 slipped berth from Marsden Wharf at 16.30 hours under power and sail for Motuike, where we were to anchor for the night. That night we started a series of involved lectures which dealt with aspects of safety abroad "Spirit" and at sea.

The day for all trainees started with a swim at 0615 hours, which was followed by a hot breakfast. After breakfast the "Spirit" was cleaned from top to bottom and the Colours raised. We then manned our sail stations, weighed the anchor and set sail. Each of the four sail stations were the responsibility of a watch which generally contained six trainees and a Watch Officer.

During the voyage everybody got the opportunity to learn all aspects of sailing and seamanship. Such things included navigation, helmsmanship, weighing and anchoring, ropework, keeping the log and the sails. Throughout the voyage there was an inter-watch competition which involved such things as rowing, knot tying, small yacht racing, a quiz and ten written questions.

Our voyage for the final two days took us to Whangarei where we met the replica of the "Bounty" and we escorted her back to Auckland which was to be one of the highlights of the voyage. All Saturday morning we had boats of all shapes and sizes coming out to meet us and when we finally got into Auckland Harbour we had hundreds of

boats all round us. We then set sail for Mayor Island, which is off the Bay of Plenty, but wind conditions did not allow us to do this, so we then had to detour to Great Barrier Island. On the tenth day the trainees took over the "Spirit" and we had to put all previously gained knowledge together to enable us to sail her from the Coromandel to Waiheke, which we did with great success.

During the voyage we had two nights of night sailing and this was where each watch had to man the "Spirit" for a three hour period. This was generally good sailing especially when we had a sail change to make. One night our watch had to go up on the yards to raise the course and this was an exhilarating experience.

Finally I would like to thank the school for allowing me to represent them on such an adventure and I highly recommend this voyage to anyone who gets the opportunity to apply, whether they are experienced in sailing or not.

## Cobham Outward Bound

During the August holidays I was privileged to be selected to attend Course (203), at Lord Cobham's Outward Bound School, situated at Anakiwa in the Marlborough Sounds. It was only through the generosity of the Old Boys' Association that I was able to achieve this.

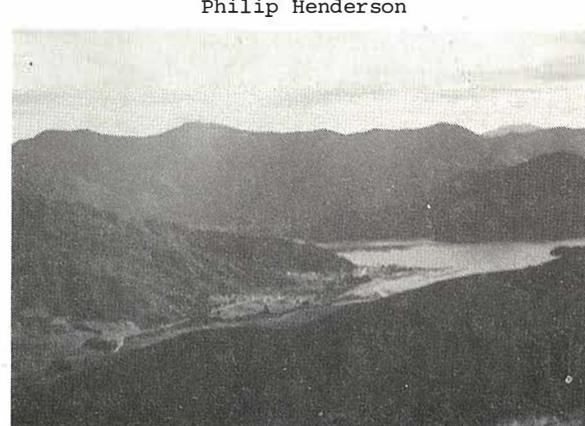

When I arrived at Anakiwa I was placed in a group with eleven other males. We soon discovered that the only way to achieve anything successfully was to work as a group. And during the twenty-three day course we also learnt that tolerance, discussing our fears, helping each other and the odd smile helped all concerned.

Over the period of the course we were placed in many different and enjoyable situations. These were designed to build up the group into a unit, and to test a person's durability (as you were always under constant mental and physical stress). But these experiences aren't designed to break or defeat you, quite the opposite. They're designed to help a person build up their character and strengths. Outward Bound also teaches you how to confront your fears, not overcoming these completely, but to conquer them and putting these fears aside whilst still respecting the elements.

During the course we undertook kayaking, tramping, rock climbing, sailing, public service, solo, and many physical fitness courses. The physical fitness holds an important position on the school's agenda. Many of our tasks were foreign to most, but once initial fears were conquered, we came to enjoy these.

The course was one of the most enjoyable and unforgettable experiences I have ever known, and I wish to sincerely thank the members of the Old Boys' Association for presenting me with this chance.

## Music Report

The enthusiasm of several performers enabled the Music Department to accept invitations to entertain at community functions and organisations throughout the year.

Centennial Celebrations: A large choir helped lead the singing at the official opening of the Centennial Celebrations. They also enjoyed the experience of making a tape at NZBC Studios for use as a background to interviews prior to the celebrations.

Wales Chamber Music Contest: The Wales Contest at the Museum encouraged the School Choir of 15 boys. Peter McDonald played 1st violin in a composite Southland String Group who won their section at the contest.

Junior Music & Speech Competitions: Results for Junior School Music Competitions were:- Best Singer, Michael Lowry; Best Pianist, Alister Gray; Best Instrumentalist, Ian Logie; Best in Speech Section, Phillip Caffyn.

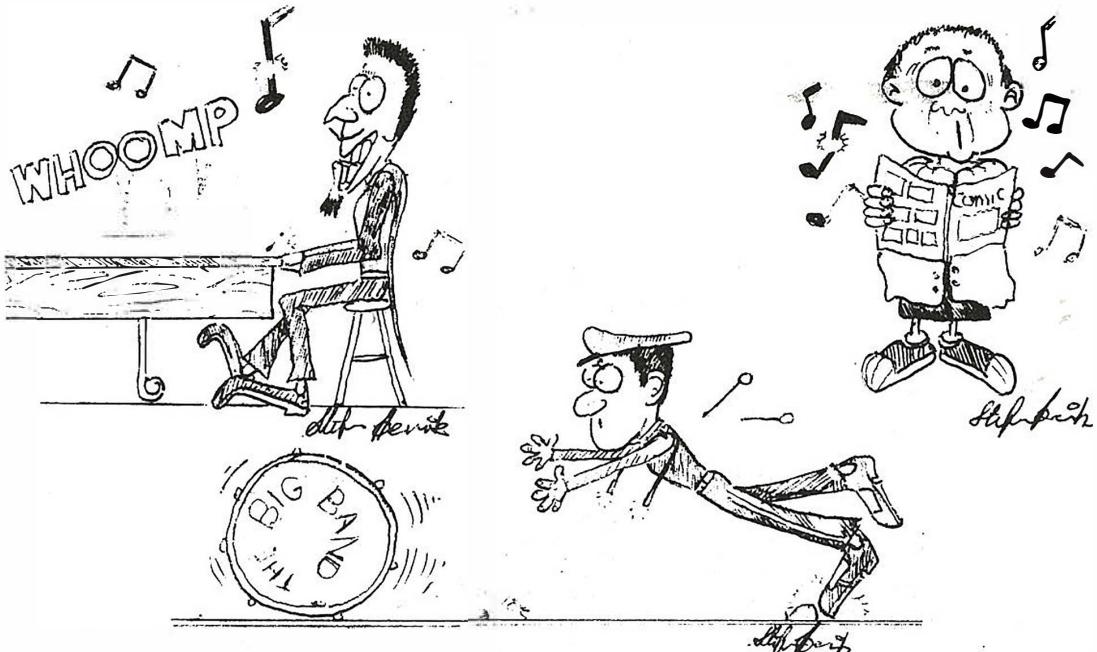

Visitors: We enjoyed a visit from N.Z. Brass Quintet and Andrea and Robert Oliver gave a recital of Medieval Music to the Senior School.

Hire Service: The Instrumental Hire Service has proved very popular this year, with waiting lists for clarinets and flutes.

The New Piano: A new Yamaha piano has been added to the list of musical equipment. It has been a welcome contribution to the musical life of the school. The staff have enjoyed "playing it in" as much as the students.

Itinerant Teachers: We are grateful to our Itinerant Teachers who week by week help shape the musical abilities of nearly 40 boys. Mr Vincent Aspey, Mr Murray Johnston, Miss Margaret Cook and we welcome Mr Alistair Monteath who has also reformed our band. Mr Monteath is an Old Boy of our school. May we wish you well in your new career.

Boys Who Performed!!: The boys who belonged to our Concert Party this year were: M. Lowrey, Dean and Grant Gerken, P. Ramsay, Ian Logie, C. Tansley, K. Mathieson, G. Ross, J. McLennan, J. Tuckey, D. McDonald, A. McDonald, P. Dawson, A. Chambers, A. Gray, M. Glynn, J. Barraclough, N. Heywood, T. Giller, M. Cook, M. Drayton, B. McKenzie, D. Bremer, R. Bremer, D. Rankin, T. Buist, P. McDonald, J. Baillie.

## **"Godspell"**

Early in the third term the combined efforts of S.B.H.S. and S.G.H.S. music department presented a most successful production of "Godspell".

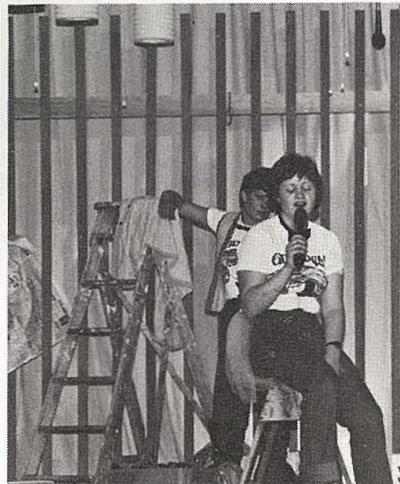

Mr and Mrs Ian Scott headed the hard working team which made this a most memorable performance.

The youthful members brought sincerity and enthusiasm which many in the large audiences found most moving.

Martin Cook led the cast with constant dedication to his role. Notable performances were also given by Nickie Haywood, Geofrey Wright and Adrian McDonald. The back stage crew were more than equal to their important contribution of lighting, and sound-mixer Stephen Sinclair, Graeme Brash and Clinton Gallie.

Miss L. Boyd was stage manager and Miss M. Black accompanied on piano. Mr D. Rogers and Mr Scott devised some very effective stage decor.

The hours of work, most times carried out in freezing cold conditions, were all well worthwhile. Thank you to all concerned.

## Social Committee Report

While reflecting on this year's social activities of the school I feel satisfied with the work that has been put in and the results achieved. The close working relationship founded with Girls' High proved invaluable; with very few discrepancies arising all year.

The newly formed social committee launched straight into the "Sports Dance" on March 12th at Girls' High. Overall it was generally disappointing from music angle with Justice (the band for the night) not living up to expectations.

April the 9th. The first junior dance of the year. The fourth forms really enjoyed themselves and seemed to grab hold of the idea rather enthusiastically as various Girls' High PTA members and parents led quite an eventful night breaking up budding young relationships.

Three weeks later at Boys' High the third form (entertained by "Quazar Disco") were introduced to their first school dance. Plates were brought by almost 200 people providing a huge supper for all. As well as a good morning tea. The best dance yet.

With the Ball getting closer the Ice Breaker Dance was held on the 25th June. Music was supplied by the "4ZA Disco".

A smaller turn-out from the Senior School, but with some very artistic dancing and highlighted by a 1st XV haka made this dance highly successful. Girls' High, Boys' High relationships confirmed.

Immediately following the Ice Breaker the yearly upsurge in Ball Room dancing was helped along by Mr and Mrs Pethig with lessons held in the hall twice weekly.

I thank Mr and Mrs Pethig very much for the time and effort put in during this time.

After two days of continuous effort the Ball turned out a great success. Held on 30th July this was the highlight of the social year. The Melody Makers provided the music for the night, and had the reformed senior school moving gracefully around the hall.

Special thanks must go to Mrs Gumbly who provided a "banquet" rather than a supper, and all the people involved in the organisation and running of the Ball.

With three dances left in the third term the year was finally coming to an end. Again the third and fourth forms supported these dances well. The last Senior dance of the year was definitely the best dance of the year and possibly the last five years. Held at Boys' High, the seniors really got behind this dance.

Although having to overcome some troubles with their PA system "Kanz" provided a night of good, straight-down-the-line rock music. Almost everyone involved themselves in the fancy dress theme and prizes were given out late in the evening.

Now that the year is over I feel it has been very successful. Small problems were easily overcome with the help and co-operation of both prefects and our opposites at Girls' High.

Our thanks must go to Mr Alabaster and Mrs Clarkson for their co-operation, Mr Bonney for his patience and help when it came to cleaning up, the Girls' High Social Committee and Prefects for their ideas and help, and finally to the students who came along and supported us. Good luck for next year.

Social Committee this year was - Chris Wilson, David Beale, Robert McDonald, Murray Brown, Gregory Pierce, Gregory Buist.

## Library Report

1981 has been another successful year for our Library. During the year we obtained several hundred new books and acquired some new paintings for display. Notable among the painting additions were two by Graham Brinsley, a pupil who left during the year.

Once again this year our Library Master, Mr Lauren, and Library Assistant, Mrs Anderton, have given their all for the smooth running of the Library. The librarians, under head librarian, Callum Turrell, have succeeded in producing a consistent effort which has not only benefited the Library but all who use it.

Our prize possession, a complete 1875 edition of Encyclopaedia Britannica which was donated by an old boy, was on display for the centenary celebrations at Easter. Many old boys who attended the celebrations were able to inspect this and also search out books which had given them enjoyment when they were at school.

### 1ST XV

Captain: B. A. Welsh

Coach: Mr C. Williams

The return of nine caps from last year's team created a foundation for a promising team.

Training started very early in the year to prepare for the Easter Tournament. Throughout the trials and hectic practices, the fitness of all trialists was obvious and it was evident that within SBHS we had many talented rugby players.

The first game of the season saw school go down to Pirates by one point. The team's morale was not affected by this loss and we went on to win the next 19 games. The competition final was much publicised and Pirates took out the game which was played at Rugby Park as a curtain raiser to the Southland-Canterbury clash. School was beaten by a better team to finish the season runners-up in the Under 20 competition.

Personally I have been proud to have captained this 1st XV and would like to thank Mr Clive Williams for his time and coaching and the moulding of another fine 1st XV. The type of play which Mr Williams advocates could do much to lift the standard of Southland rugby.

Our thanks to Mr Jim Baker for fitness programmes and to our loyal supporters with a very special thank you to Dr Des Prendergast for his attention to on-field injuries.

Congratulations to those players who gained higher representative honours.

PEN PORTRAITS

- Malcolm Dewe - fullback - A devastating tackler. Stable under the high ball and added thrust to the backline which he entered at top pace. Kicked some incredible goals. Deservedly achieved high representative honours.
- Geoff Finnerty - wing - Youngest member of the team at 15. Showed potential as a fast running, try scoring wing. Has a great future.
- Ricky Panting - wing - A regular stand-in in the three quarters berth. A good turn of speed. Very hard to bring down.
- Jamie Dewar - wing - Called into the team as a replacement, Jamie gave his all in the games he played and had the distinction of scoring 4 tries in one match.
- Wayne Christie - wing - A fast wing three quarter. Wayne's ball skills improved greatly throughout the season.
- Paul Prendergast - centre - Tackling was a distinctive aspect of Paul's play, often spoiling the opposition's backline movements. A fast mover with the ball and scored many good tries.
- Fili Tago - centre - Yet to fulfil his true capabilities. A very powerful runner and crash tackler.
- David Monteath - 2nd five - David made some fine breaks linking up with the three quarters. A tenacious follower of the ball in attacking situations, covering and defensive work first rate.
- Murray Brown - 1st five (vice captain) - A backline tactician. Dictated many plays with a very powerful boot. Covering and defensive play was of high order and ball handling skills were first rate.
- Milton Haig - halfback - The vital pivot of the whole team. Quick thinker around the base of the scrum with his tactical kicking. As a passer of the ball he had no peer in any of the team's games.
- Murray Soper - No. 8 - The most outstanding feature of Murray's play was his covering and the setting up of second phase ball. A good goal kicker.
- Paul Henderson - flanker - A very strong tackler killing back movements. Speed to looseball and the setting up of ball were two important features of his game. A very good lineout jumper. These qualities deservedly gave him representative honours.
- David Beale - flanker - David was light but very quick to looseball creating a good base for second phase play. A good tackler.
- Robert McDonald - flanker - Again a very fast flanker beating his opponents to looseball. Setting up good ruck ball.
- Duncan Wait - lock - Kingpin in the lineout, Duncan outplayed all opposition and supplied an endless stream of good ball. A rugged competitor.
- David Grandeik - lock - David adapted to the locking berth well. An honest and mobile toiler. A good tight forward.
- Tony Raumati - prop - A very strong prop. A hard aggressive player tighthead who excelled in the tight. A good mauler.
- David Henderson - hooker - A very good hooker and extremely fast who baffled referees. Front of lineout and round the field play were his outstanding features.
- Neil McGrannachan - prop - Had limited chances throughout the season but when he played he showed fire and enthusiasm.

### CENTENNIAL QUADRANGULAR TOURNAMENT

Perhaps the highlight of the rugby season was the quadrangular tournament played as part of the SBHS Centennial celebrations at Easter. As well as Timaru and Otago we were delighted to have New Plymouth Boys' High School take part in the tournament. Amongst the spectators, the presence of so many SBHS old boys, many of whom were ex 1st XV players created an atmosphere which inspired the team.

Otago Game - Rugby Park  
Won 22-3 halftime 4-3

The conditions for our first game against Otago were bitter with frequent hailstorms and a cold wind. The first 20 minutes of the game saw both teams evenly poised but a try in the 23rd minute made the score at halftime 4-3 to school. The second half saw us playing with the wind. School pressure soon began to tell and the 31st minute saw a good try scored. School dominated most facets of the game with plenty of lineout ball and good driving play. The scoring of 2 more tries really topped off the win of 22-3.

Scorers were: Tries to Milton Haig, Murray Brown, Murray Soper, Wayne Christie and Malcolm Dewe 3 conversions.

New Plymouth Boys' High School  
Won 10-0 halftime 0-0

The ground at Surrey Park was hard and fast. Pleasant conditions for a terrific game of rugby. New Plymouth battled gamely and for a period in the second half looked to be getting the better of Southland. Some splendid pressure takes in the lineouts and one magnificent scrum on its own line lifted the Southland performance and the results were soon evident on the scoreboard 10-0 to Southland.

Scorers were: Try to David Monteath, Murray Soper, 2 penalties.

Results of other tournament games were New Plymouth defeated Timaru 15 to 4 and Otago defeated Timaru 28 to 12.

On behalf of all players who took part in the tournament I would like to thank the Old Boys' Club for their organisation and hosting after the games. The momentos presented to visiting players and the trophy presented to School are fitting reminders of a great Easter.

### INTERSCHOOLS

v Otago Boys' High School  
Won 16-3 halftime 6-3

Conditions were cool but the ground underfoot was good for running rugby. In the first half the teams were evenly matched with the score 6-3 at halftime. School came back with some fine line movements and forward drives in the second half and were rewarded with 2 tries. Although the tight phases of the game were even, School managed to make the most of the ball it won and deservedly beat OBHS for the second time this year.

Scorers were: Tries to David Beale, Murray Brown and Malcolm Dewe 2 penalties and two conversions.

v Waitaki Boys' High School  
Won 25-9 halftime 3-6

Conditions were cool but the School ground was in good condition. In the first half we could not capitalise on the ball gained and were 6-3 down at halftime. The second half saw a more unified approach and a complete change of tactics. This resulted in a complete dominance in most aspects of play. The final result a win to School by 25-9 gave great satisfaction after the unlucky loss of 1980.

Scorers were: Tries to Paul Henderson (2), David Monteath (1), Murray Soper, two penalties and two conversions, Malcolm Dewe, one penalty.

v Timaru Boys' High School  
Won 16-13

School played Timaru at Morrison Park in Spring's warm conditions on a firm ground. The team started off with extreme pressure on the opposition thus dominating all phases of play and two tries were scored in quick succession one of which was converted. However, complacency and a lapse in concentration saw School make mistakes which Timaru capitalised on. The second half was again a hard battle. However two late tries seemed to boost morale so as to end the game 16-13 to School.

Scorers were: Tries by Murray Brown (1), Geoff Finnerty (1), Paul Prendergast (1), Bruce Welsh (1).

### 2ND XV RUGBY

Captain: G. W. Drummond

Coach: I. M. Baldwin

The team this year had much success coming second in the competition. The team's two strengths were: the ability of the forwards (always smaller than the opposition) to feed good ball to strong-running backs, and the team's discipline on the field.

The team had a high allround level of skills and once built into a team proved formidable with only one loss and a draw out of 20 games. For the first time in ten years, the team had wins over all the other schools' first fifteens (Marist, Cargill, Kingswell, Hargest) playing in the grade.

The highlights this year were the interschools. The games against Otago BHS and Waitaki BHS, of which we won both, were played at school. In the 20-12 defeat of Otago and the 17-0 defeat of Waitaki, school showed great discipline to overcome some well-drilled opposition. Due to the large winning margins put up in recent years by our first fifteen against King's BHS it was decided that the 2nd XV should travel to Dunedin to play them this year. After a tough game the school deservedly came out the winners by 8-3 by simply not allowing King's any opportunities to score.

The team would like to take this opportunity to thank Mr Baldwin for his encouragement and the time and effort he put into the side.

The team: Keith Duncan, Bret Hamilton (VC), David McKenzie, Warren Grant, Philip Henderson, Tim Smellie, Rata Smith, Philip Barker, Brian Burgess, Chris McAulay, Jason Brown, Luke Haywood, Lee Murray, Greg Drummond (Capt.), Gregor Weir, Bradley Boult, Mark Tressler, Wayne Baxter.

### UNDER 18/B RUGBY

Captain: Piki Brown

Coach: Mr D. L. Shields

This team was made up of inexperienced players who with the help of Mr Shields proved to be sturdy opponents. The mobility and size of our forward pack managed to be a major upset to any challenger. Credit is due to Ewen Matheson, Richard Stonehouse and Kim Hall whose abilities at mauling, breaking away and lineout jumping respectively, caused many a look of awe and respect.

The backline had trouble with linking when on the attack but the confidence shown by Mr Shields, and skill of Clive McArthur at 2nd five soon had sharp ball-handlers covering ground.

Sincere thanks to Phillip Henderson and the 2nd XV, T. Hitchcock and also to Greg Pierce.

The team: Forwards - P. G. Brown (C), C. R. Dykes, K. R. Hall, D. G. Rankin, M. A. Blomfield, K. D. Frost, G. E. Matheson, R. P. M. Stonehouse, J. E. Fry, B. J. Seeto, K. W. Thomson, J. M. Brown. ### UNDER 16 OPEN "A"

Captain: B. Murray

Coach: Mr Adams

The team went through an unbeaten season scoring a total of 524 points for and with 23 points scored against. Some notable victories were 75-0 against Kingswell, 60-0 against Cargill and 82-0 against Tokanui. The competition we felt was rather weak, the strongest opposition being the School "B" team who in two of our three encounters produced very close games.

Congratulations to M. Wyeth, R. Murray and A. Rance who made the Southland Under 16 Representatives.

The team wishes to express their thanks to Mr Adams for his expert and dedicated coaching through the season.

Started the season with a large squad of players but it was soon whittled down to a nucleus of 20 players. Some notable wins. Kingswell 40-0, 32-0, Cargill 34-4 and a shock loss to Tokanui at Tokanui 10-6.

Most points scorer was M. Southby with 45 points, and outstanding players were B. Young, D. Jones, D. Nind, P. Reynolds.

The team would like to thank Mr Armstrong for loyal coaching and encouragement.

We played all through the season with a great team spirit and our final team placing can be attributed to that. As a team we had some unlucky losses. In one week we lost to our "A's" 3-0 and to Cargill 4-3. Our best games were probably beating our "A" team 6-0 and scoring the most points against Kingswell (the overall winners) in a good game. We lost by 20-14.

Captain: Allan Barr

Coach: Mr Dixon

Points for - 242 Against - 20 Played 10 Won 8 Drawn 2

This was another fine year for this grade, and the third consecutive year in which it has won the competition. The team seemed to lift itself for major games mainly through the fine leadership of Captain Allan Barr, and the invaluable coaching from Mr Dixon. An example of this was, the second game against James Hargest after being held to a 0-0 draw in the first game, the team played with determination to beat them 34-0. This game was to determine the competition winner.

The team had sound forwards who gave the backs plenty to work with. Gerald Spain was always dangerous on the wing and bagged 12 tries for the season. John McKenzie was again sound at fullback. Chris Adam and Aaron James linked well in the five-eighths and consistently received good ball from half-back Hunter Murray. Nathan Sargeant was a fast centre who set up good ball to his wings. In the loose, the team had Todd McLeay, Simon Osborne and Shaun Nicol who set up good ball for the forwards. Peter Giles and Philip Simpson locked together until Giles was injured for the season. The front row of Barr, Shane Grey and Mark Hamilton worked hard all season, Grey took many tight-backs.

All games were played in a fine spirit and the team would like to thank Mr Dixon for his time in coaching.

The team: John McKenzie, Gerald Spain, Nathan Sargeant, Simon Osborne, Aaron James, Chris Adam, Hunter Murray, Todd McLeay (VC), Philip Simpson, Shaun Nicol, Mark Raynes, David Coveney, Shane Grey, John Tuffley, Allan Barr (C), Wayne Ellis, Peter Giller, Mark Hamilton.

### 1ST XI SOCCER

Captain: M. Cook

Coach: Mr P. Goodwill

The first eleven had a mixed season this year as far as results go. In the local competition the team played good football consistently and often received high praise for the degree of skill shown during matches. The worst result of the competition was 6-0 against Enwood, the eventual winners of the competition and a team almost entirely composed of Old Boys' of the school.

The team's best result of the season was a score of 11-1 against Marist B, a game in which David White saved three direct penalties.

The top scorer of the season was Jeremy Noble with a total of twenty-five goals. The team played 28 games during the season and was pushed into fifth place in the competition only because of the problems faced during the holiday periods of May and August. The team had to play games during both these periods and lost valuable points because of players having to work or go away during the holidays.

During the season spectators and competitors praised the team highly, many remarking that they should try a season in the Senior competition. A suggestion which is being seriously considered. Out of a squad of 15 there are ten who will still be at

school next year and therefore form the basis of the squad in '82. The average age of the team this year was 15½. With the squad comprised of six Fifth Formers, seven Sixth Formers and only two Seventh Formers, the prospects for next season look very bright. The attacking power of Jeremy Noble and fast running of Philip Welsh will be missed, but with players like Terry Stuart, Dean Miller and the White Brothers, Philip and Jeremy, should not be irreplaceable. This season was one in which the basis of a strong squad of footballers was formed and this squad should be capable of at least surviving in Senior Competition in 1982. A grade which would provide the players with valuable experience to help get better results against our interschool rivals.

Representative honours: Out of this year's squad the following boys played for Southland. David White, Darren White, Roderick Smith, Terry Stuart, Dean Miller at U/16 level. Martyn Cook, Darryl Hawkes, Roderick Smith, David White at U/18 level.

No. of games played 28; No. of games won 15; No. of games lost 9;  
No. of games drawn 3.

#### INTERSCHOOL RESULTS

v Otago Boys' High School - Score 0-7 10/6/81

A game in which Southland Boys' was beaten by a stronger and far superior team. We did show that we could play football a couple of times, but these occasions never amounted to anything.

v Linwood High School - Score 3-10 24/6/81

Once again we were outclassed but were able to show more of what we could do than we did in the previous match.

v King's High School - Score 3-6 (White, Lang, Stuart) 22/7/81

Were able to play football against King's but two controversial decisions by the referee, both late in the second half and both resulting in goals, let a win slip through our fingers.

v Timaru Boys' High School - Score 6-1 (Welsh 1, Noble 2, Smith (Penalty),  
Miller, Cook) 4/8/81

Our one and only chance to show what we could really do and we went on determined to win well. After a slow start in which a defensive error caused a goal we started to punish them.

"Southland had full control after 40 minutes and Timaru did not make full use of the ball in muddy conditions at school park". A quote from the Timaru Herald.

#### 2ND XI SOCCER

Captain: David Neiman

Coach: R. Woodward

The second XI soccer team started the season well, after suffering a heavy loss in the first game due to the fact of having a shortage of players. To cover this shortage we drew up several' players from the Under 16 grade.

We finished a creditable 6th in the competition despite the fact that we were often playing against older and more experienced players. A great boost to the team's morale was when we played Gore High School First XI, at Gore High School, and came back from being 3 nil down to win 4-3.

I would like to thank the team for their participation and co-operation and I am sure that they all enjoyed their games as much as I did. On behalf of the team I would also like to thank those that encouraged us along throughout the season, and especially our coach Mr Woodward.

The team was: David Neiman, Phillip Macdonald, Stephen Smith, Gary Ward, David Pay, Graham Dollman, Simon Humphries, William Gaudin, Duncan McLauchlan, Campbell Savage, Bernard Morris, Phillip Dickie, Grant Cuff, Greg Scobie.

### 3RD XI SOCCER

Captain: Russell Taylor

Coach: Mr Storey

The team did not have a very successful season, winning only three games and suffering some heavy defeats. However, by the end of the season the team had shown a great improvement in their game. This was shown in the last three games. The team won two of those games, and lost the third narrowly by 1-0. Although losing most matches, the team showed enjoyment on the field. Top goal scorers were Shayne Hall and Fergus Welsh.

Thanks to Alan Thompson, Bruce Sutherland, Chris Goodwill, Chris Munnings and Lars Jensen for helping out when team was short.

Thanks also to our coach, Mr Storey, for giving up his time on Saturdays to come and support the team.

The team: Russell Taylor (Capt), Alistair Forsythe, Ralph Gilmour, Shayne Hall, Nicky Haywood, Jens Jensen, Fergus Welsh, Gavin Jacobson, Grant Coburn, Ronald Bannister, Paul Cook, Graham Brinsley, Donald Simms, David Kellock and Chris Hall.

### UNDER 16 "A" SOCCER

Captain: Gary Ward

Coach: Mr Honders

The team did not have a very successful season but improved as the season went on. We should do better next season. We won 5 lost 5 drew 1. The team would like to thank all those concerned with the team including our supporters.

The team: Phillip Dickie, Gareth Williams, Lars Jenson, Brent Heydon, Greg Scobie, Brett Guild, Grant Cuff (VC), David Frost, John Duston, Philip Braxton, Jamie Wilson, Michael Tapper.

### UNDER 14 "A" SOCCER

Captain: B. Brown

On the whole the team played very well, considering they had only been together before in practice. The team made good progress through the season, mostly being only by small margins. Towards the end they managed to get an occasional win and draw.

Stewart McDonald and Nicky Alterio combined well in the front line. The defence was helped by the big boot of Paul Lock.

We were coached and supported by Campbell Savage, Roderick Smith and Martyn Cook.

The team: B. Brown (Capt), N. Alterio, A. Winder, S. Murray, S. McDonald, S. Ryan, A. Henderson, I. Codd, P. Lock, J. Groube, A. Yeo, R. Wilkinson, N. Remnant.

Front Row: G. Jackson, C. Head, B. Herbison (Captain), C. Herbison, M. Lowry

Absent: N. Russel, C. Brown, T. Frampton, B. Casey

### 1ST XI HOCKEY

Captain: B. Herbison

Coach: Mr N. Riley

Retaining only a few of last year's members, the team began as a very young team, but through continual training and effort, it finally proved to be well on a par with other years' teams, as can be seen by the tournament results. Being dropped down to Senior Reserve this year in the city competition, the team never really realised its full potential but with continuous team work had some close games.

### INTERSCHOOL RECORD

v Otago Boys' High School - won 2 - 1

With both sides having young teams, neither had any real advantage over the other. With OBHS scoring an early goal, SBHS fought back to equalise the score just before half time and later went on to force a penalty stroke, resulting in the first win in five years against OBHS.

v King's High School - lost 3 - 1

Played under muddy conditions, King's High played a competent game to beat SBHS who never really "clicked" throughout the game.

v Gore High School - lost 3 - 2

Played in raining conditions SBHS easily dominating the first half with a 2 - 0 lead but lacked the final aggression, Gore scored two late goals to win.

v Waitaki Boys' High School - lost 5 - 0

SBHS played a good game but lacked the well trimmed skill of the Waitaki team. Our defence was the team's strong point.

#### TOURNAMENT

In the first week of the August vacation the team was involved in a Secondary Schools' Tournament held here in Invercargill. SBHS with their constructive playing forwards and reliable defence, creditably achieved third place, despite the young age and size of the team compared with older and larger teams, as there were eight players from the junior school in the tournament team. This tournament was the highlight of the season, as it was about the first time the team actually looked really good. J. Riley and B. Herbison being selected for the tournament team.

Results were: v Timaru BHS - lost 4 - 0 (tournament winners)

v Kingswell HS - won 2 - 0

v Taieri HS - draw 2 - 2

v Otago BHS - won 2 - 0

v King's HS - draw 1 - 1

Thanks must go to Mr James for making the tournament possible and also to P. Dempster and R. Harty for being part of the tournament team.

The team this year has only achieved such good results through constant attendance at training sessions. It also found difficulties with numerous combinations. On defence M. De Reeper with G. Jackson, N. Russel and the later addition of C. Brown formed a very capable defence in linking with C. Head and B. Herbison. The forward line was inexperienced but with practice, executed some very fine field goals. R. Lange, R. de Silva, M. Lowry, C. Herbison, W. Frost and J. Riley formed the forwards with also T. Frampton and B. Casey who participated for part of the year. The skill formed in the team can be seen as almost everyone represented Southland either in the Under 15 or Southland Colts.

As with any team, the coach provides the essential element to success and as such we must thank Mr Riley for his constant support and dedication.

## 2ND XI HOCKEY

Captain: Jeffrey Thompson

The team improved on last year's performance considerably. Although the team played very well as a unit the number of wins did not show this. One of the attributes of the team's performance was the coaching from Mr James, another was the indoor hockey which was played through the summer season. This improved our stick and ball control and because of this some players will prove to be invaluable to the first eleven next year. As a result the standard of hockey in SBHS is very satisfying.

The team: Jeffrey Thompson, Alister Skene, Chad Brown, Peter Dempster, Philip Jenkins, Darren Richardson, Richard Harty, Peter Ballantyne, James Lines, Michael Lowry, Brett Hopgood, Riki Saunders, Geoffrey Cheyne, Wayne Allan, Adam Jenson, Darren Bootsma, Alister Savage and Keith Wright.

## **Basketball**

### 1ST V BASKETBALL

Captain: Stephen Sinclair

Coach: Mr P. Huntley

With only three new members to the squad, the team was set for the most successful season in a number of years.

The first interschool against OBHS, played at Surrey Park, showed a few bursts of sensational play, but not the necessary consistency to pull back the score. The game finished in favour of OBHS - 59 - 48.

Being perhaps the last chance to win an interschool, as King's HS would have the edge on us, our second match was against Waitaki BHS. Played at Surrey Park, in front of a capacity crowd the team hit form and played some brilliant offensive basketball. Leading 38 - 19 at half time, we were set for an exciting second half. Pushing the lead to 25 points we ran into foul trouble late in the second half and had to be content with a 81 - 70 win.

The final interschool against KHS saw a fine effort from the team in adverse playing conditions to clock up 65 points against the well drilled Dunedin team, final score 93 - 65 to KHS.

The 1st V played in the local men's A grade team, having several wins and at times rattling the more experienced adversaries.

This was our last chance to get to the nationals and followed a hard training period. We had the advantage of playing in front of a home crowd.

v OBHS - Brilliant playing brought our first win against OBHS for 8 years. Exciting finish in our favour 48 - 46.

v Gore HS - A much needed "easy" game gave us a comfortable 78 - 46 win.

v Logan Park - This game decided if we went to the nationals. Plagued by injuries we fought a see-sawing battle to lose by a "referee's" failure to call a shooting-foul - 46 - 47.

v OBHS - With team spirit lacking we entered this match the underdogs to lose 56 - 43.

### SOUTHLAND HIGH SCHOOL'S TOURNAMENT

v JHHS - An easy game winning 63 - 18.

v Kingswell HS - Poor shooting

v Cargill HS - Faced with the final we could not sink the baskets against a fanatical Cargill team to lose 46 - 37.

Six members made the Southland U20 men's team and three made the Southland Senior men's team.

We must all thank Mr P. Huntley who spent much of his time coaching and training us for a successful year and also for the assistance of Mr Roger Price for the extra coaching.

The team was:

- S. Sinclair - Captain and main ball carrier. A good shot from outside the key.  
C. Wilson - Chris worked hard on attack and defence - and his "safe hands" made him a valued team member.  
G. Pierce - An aggressive player, responding well under pressure. With a good long shot and rebounding ability, Greg was a useful team member.  
R. Jackson - Ross's height made him indispensable for both offensive and defensive play.  
M. Lamb - Plays well all the time, in a steady and reliable fashion.  
G. Brash - A solid back up player and reliable team member.  
M. Stokes - Michael developed good rebounding skills this year making a valued defensive player.  
M. Snegirev - New to the team, Meto will be of great value next year.  
G. Buist - An outstanding rebounder, and very fast around the court.  
A. Humphries- Joined us from Christchurch half way through the season - Andrew is a reliable team member.

### 2ND V BASKETBALL

Captain: Bruce Sutherland

Coach: Mr Baker

This year we once again played in the Friday Night competition but after our first game, we realised we were in a grade below our standard and consequently won all our games by a large margin. By having two players overage we were disqualified all our points and placed nowhere in the competition, but despite this, we enjoyed all the games and the younger members of the team gained valuable experience.

We would like to thank our coach Mr Baker for giving up his time to coach us.

The team: Stephen Jackson, Simon Millar, Andrew Chambers, Geoffrey Hinton, Paul Rewiri, David Lowe, Michael Johnson.

### SENIOR A BASKETBALL TEAM REPORT

Captain: R. A. Moate

A highly successful basketball season. Throughout the whole competition the senior A basketball team was undefeated. Some of the game results were as high as 62 - 8. The team's success was due to its team spirit and superior skill.

The team: Richard Moate (Capt), Lawton Too, Kim Hall, Alan Greig, Peter Fowle, Paul Cummings and Grant Murphy.

Grant Murphy was the highest point scorer in the team.

### 4TH GRADE BASKETBALL

Captain: A. Seeto

Coach: D. Lowe

Four teams competed in the fourth form Centennial Hall competition. The "A" team played well to win all their games, some by more than 40 points while the other three teams competed well and had a fair success rate. The "A" team played an annual match against Otago Boys'. After a lacklustre performance in the first half Southland Boys' were behind 19 - 10 but they came out after the halftime break and played much more aggressive basketball to convincingly beat them 33 - 30. This capped off an unbeaten season for the "A" team.

The team: Anthony Seeto (Capt), Paul Dickson, Lewis Sargeant, Tim Harwood, Duane Hibbs, Bruce Smith, Chris Eckhold and John Price.

Coaches: D. Lowe and R. Jackson.

### B GRADE VOLLEYBALL

Captain: P. Dickie

Coach: Mr Lawrence

The all star Volleyball team had an excellent season, winning the competition with only one loss to mar a spotless record. One should note that none of the members of the team had any previous experience at playing volleyball and if it was not for the frequent practices and the time put in by a dedicated coach, Mr N. C. Lawrence, the team's success would have been limited.

The winning combination was:

Ken "Sure Serve" Shirley, Juan "Digger" Nathan, Stephen "Crusher" Collie, Stefan "Rammer" Robertson, John "Bruiser" Gibson, Michael "Thumbs" Stokes, Sam "Spike" Tiata, Peter "Demolition" Dickie, Kieran "Lethal" Lawrence.

### VOLLEYBALL C TEAM

Captain: B. Mudie

Coach: Mr Lawrence

For all of the C team this was the first time any of us had played volleyball at competition level. Taking into consideration that the team was very young and inexperienced we played commendably at all times, and managed a well earned 4th place.

Special thanks to Mr N. Lawrence for coaching us. Without him it would have been a waste of time and effort.

Team members: W. Grindell, N. Harrison, E. Too, P. Van der Linde, S. Ross, G. Thompson, B. Mudie.

## Skiing

### THE SOUTHLAND DISTRICTS SECONDARY SCHOOL RACES

#### SOUTHLAND BOYS' "A" TEAM

The races this year were held on Coronet Peak. The date was Sunday 9th of August. Saturday was a nice day and the skiing conditions were patchy in some places but most of the mountain was covered nicely with good packed snow. Towards the end of the day the cloud lowered and you couldn't see more than five metres in front of you. The outlook for Sunday did not look good at all.

It snowed that night and the road was covered with snow and ice, chains were necessary. We had to meet outside the commonroom at half past nine to get our numbers and to get organised. But unfortunately, due to poor weather conditions, it was cancelled until twelve o'clock. At about half past ten the fog lifted and it looked as if it was going to hold. We were skiing in eight inches of virgin powder snow. We went down at twelve o'clock and were told the race was on the far side of the Rockey Gully T-bar. We skied over and viewed the course, it was a giant slalom and was well set.

There were about ten schools entered all together and the starting order was one person from each school, so we were about ten apart.

The teams consisted of three people, our team was: Tim Frampton, Andrew McCrostie and Mark Wikstrom.

Andrew was the first runner and he went through in about 38 seconds. Tim was about sixth and his time was around 32 seconds, I was about tenth runner and my time was 36 seconds.

On our second run the fog came down and you couldn't even see the second gate. The times for this run were as follows, Andrew 39, Tim 37.3 and myself 38.

A lot of people fell over but our team managed not to.

The team that came first was Otago Boys' because they had two New Zealand representatives in their team, second team was Wakatipu High with the South Island champ getting one of the fastest course times. Third was our "A" team. Fourth was our "B" team.

## Badminton

Team Captain: A. Too

This year, we had a strong interschool team consisting of: D. Pascal, A. Thompson, L. Murray, J. Tepana, G. Sutherland, D. Marshall and J. Tuckey.

We easily defeated Waitaki Boys' High 8 - 0 at home and beat King's High 5 - 3. Because of injured players, we could not have a strong team to play against other schools in Southland, but we still won the Southland Secondary School Competition.

We went on to Timaru to complete the South Island competition. In this trip, we had a strong team consisting of A. Thompson, D. Pascal, A. Too, J. Tepana and D. Marshall. During this tournament, A. Thompson took the position as the team captain. We had an easy win against the teams from Otago, Westland, North Otago and South Canterbury. Unfortunately, we lost to Canterbury and lost the chance to play against other North Island teams in the New Zealand finals.

My thanks to all the team members for giving their best in every game, especially A. Thompson for his management during the tournament at Timaru. My thanks also go to Mr Dear and Mr Hamill for their management, organisation and support.

## **Debating**

1981 was a year of mixed fortunes for the SBHS Senior "A" and "B" teams. For the second consecutive year SBHS achieved the debating equivalent of the Grand Slam i.e. won all three traditional interschools.

In the Senior "A" team's first outing in the national Jaycee competition we (David Beale, David Monteath, Jeremy Noble speaking in that order) had an easy win 248 - 179 over an inexperienced Aparima College team.

Then we travelled to Queenstown where we came up against Wakatipu High School on the topic that we would rather travel in a buggy than a jet. The team put in an excellent performance but were dealt a savage and cruel blow by the local adjudicator who gave our Second speaker 2 out of 30 for Constructive Argument and Coverage. We feel that there should have been another numeral added on to the 2 to make it twenty something. With these extra 18 points we would have had a clear victory but we lost by 9 points. Such is life and we overcame our disappointment to defeat both Waitaki Boys' and Otago Boys'.

We let the Senior "B" team (consisting of Meto Snegirev, Nicholas Haywood and John Gibson) contest the debate with King's High. Against all expectations and to their credit they defeated King's by 24 points.

In the Southland area Jaycee competition the "B" team lost in the first round to St Catherine's College and thus were knocked out of the competition.

The Senior "A" team would like to thank Mr McIntosh for the countless hours he spent working with the teams to ensure a high standard of debating. Appreciation must also be expressed to him for giving us a great opportunity to gain confidence in public speaking. Nobody likes standing in front of a large crowd but debating gives one enough confidence to be able to face a crowd without embarrassment.

### JUNIOR DEBATING

This year's Junior A Debating team consisted of Antony Deaker, Andrew Robertson and Michael Drayton. The Competition this year was run on a knock-out basis. In round one, we argued the affirmative side against Cargill A "That Women are more practical than Men". We convincingly defeated Cargill and felt sure we would do well.

Our next debate was against Hargest A, a team we knew were good. We changed the order of speaking, Andrew became leader, Antony became second speaker and I spoke third. We argued the negative side "That the legal driving age should be raised to eighteen years".

We all knew that the result would be close but we, all our supporters and some others, were very surprised and angry that Hargest came out with a comfortable win.

We wish to thank Mr Collins for his advice and support. The Junior B team met with a similar fate in the first round where they debated the negative side against Hargest B "That Women are more practical than Men". The B team was Rex Capil first speaker, John Monteath second speaker and Todd McLeay third speaker with Mr Roche as Coach.

Michael Drayton.

## Camp Diary

### Tuesday 27th October

We arrived at the Lodge at twelve forty after a stop at the Limestone Caves.

After lunch we put on loads of protective clothing and took extra clothing and set off under the hot sun for Mr Smith's pond.

Upon arrival we performed some survival exercises and did some canoeing. My group succeeded in making a "wind tunnel" shelter and a very good fire. However, it wasn't very hot and we dared not light it.

That night at the lodge I was kept awake by hooligans and "musical" frogs. My highlight was the caves. I managed to pull a few tendons negotiating large pools of water. Others skilfully fell in.

### Wednesday 28th October

Today one half of the class canoed; one walked.

It was hot in the canoes, and believe me, hard paddling is a real muscle builder for the unfit.

After we had all set up camp at Rodger's inlet and had a nice tea, we did as we pleased. Most of us just made revolting cups of tea, and dried our socks. Andrew Robertson's "team" did most of the stirring.

At nine thirty we were told to go to bed. It was wise to sleep with clothes on. Some got ready for bed, but very few actually went to bed. My group went to bed, but there was no chance of any sleep for ages.

By eleven o'clock many were on the prowl, and every tent had been pulled down at least once. A few stirrers were sentenced by Mr Sarson to sleep outside.

By the way, have you ever used a tiny smelly ---- in the middle of the bush with everyone running around like madmen throwing sticks and taking photos of you? You don't get round to doing much!

### Thursday 29th October

Today my half of the class returned on foot.

For breakfast my group had some tasty steak, but some horrible, thick, lumpy porridge of which most was deposited under a rock.

Walking back we soon came to the dreaded stretches of unending bog patches. The mud was deep and sticky. It was okay if you could walk round it, or stand on logs and roots, but one would eventually lose one's footing or balance and sink into the mud.

After lunch the track improved immensely, but this did not alleviate our being hot and tired.

However we came to a clearing. "I think we're there!" - Nothing. Roy's optimism was most annoying.

Back at the Lodge there was the usual havoc. The more energy conscious sat in cabins reading magazines.

Surprisingly, at bedtime, some still had the energy to make themselves most objectionable. However I cannot recall anything after midnight. Guess why?

### Friday 30th October

Today we were all expecting a slack time. But we were lumbered with the orienteering course.

In the morning we trudged around the countryside in pairs using maps.

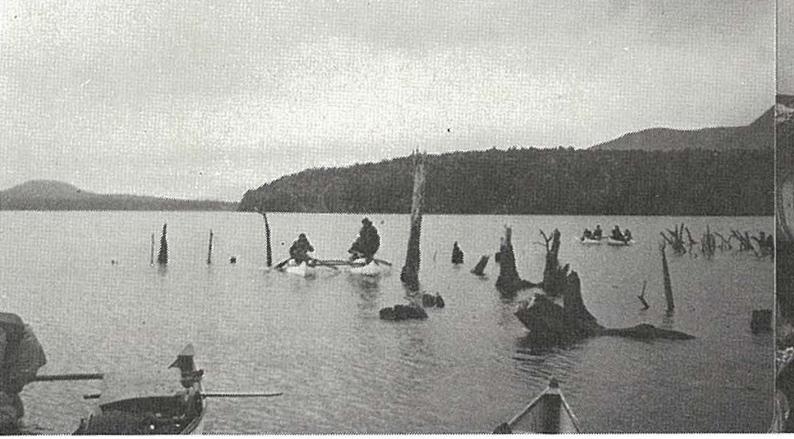

In the afternoon's expedition, Roy Ward kept indicating when it was time for the next person to carry the pack. Graeme Ross was our compass man, and Todd McLeay stirred, gave Roy a hard time, and raved about his sex life. Philip was quiet and I carried the pack to save time and arguments.

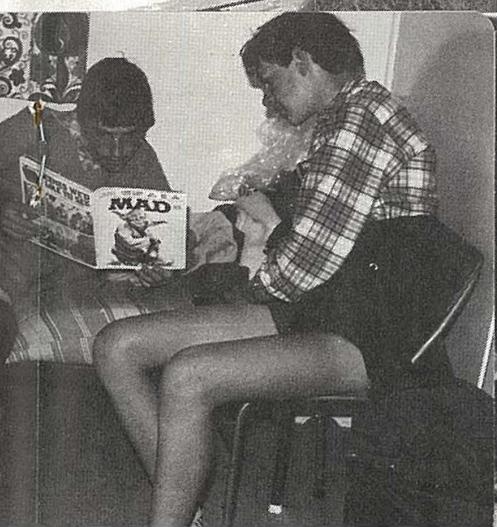

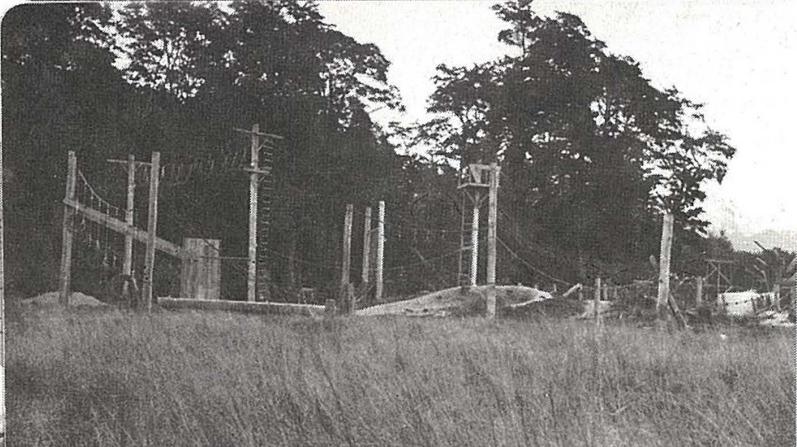

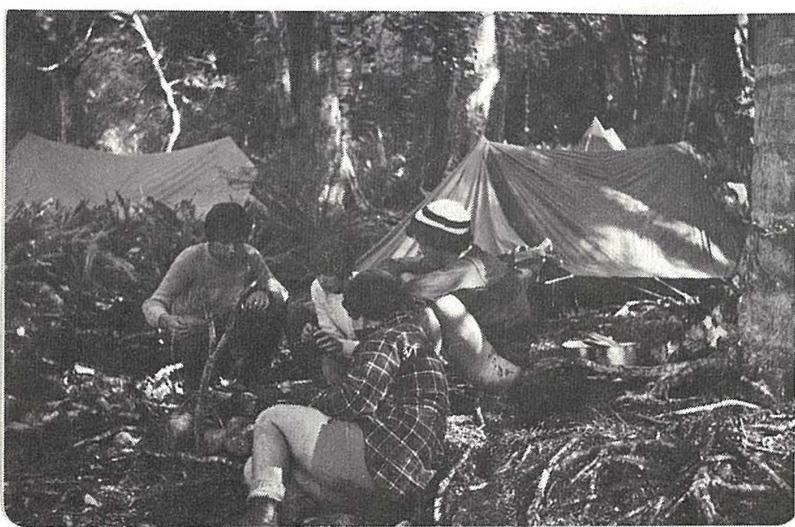

We lost our bearing and continued through unnerving bush lawyer and bog. We almost had to crawl in the mud to avoid being ripped too badly.

We eventually found a rather good track and followed it back to camp.

Just after we got back, a bus-load of girls arrived and assembled on the confidence course. A few of us played it real cool to the accompaniment of tape recorders.

That night some morons held an all-night party. This involved being noisy, playing

loud music and obscene tape recordings, and throwing cold water at sleeping people. Two idiots even climbed a pylon at four a.m.

Saturday 31st October

This morning I awoke to the utterances of Michael Tapper's tape recorder. Andrew Robertson has a really vivid imagination.

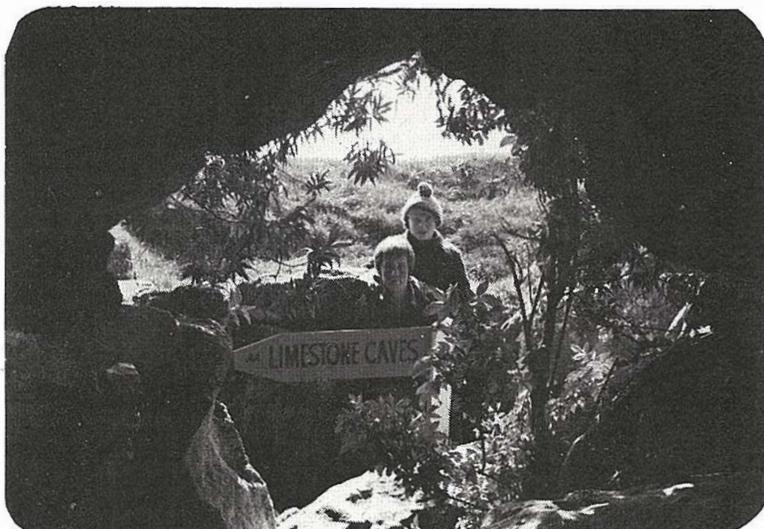

Before breakfast we did our river crossing which proved to be a good deep breathing exercise.

I was on dishes - Ugh! However I managed to escape to pack my bags!

When clean-up duties were over, most of the class played touch rugby. Others did nothing. A few were unfortunate enough to find extra chores.

We left at one, having thoroughly enjoyed our camp and become much fitter.

## 1ST XI CRICKET

Captain: David Beale

Coach: Mr R. Boyd

This year's 1st XI had what must be a record season in both the local Senior Reserve Competition and in Interschool games. For the second year running the team won the local competition quite convincingly only losing 1 match. Experience was perhaps one of the team's main attributes with practically the same team returning from last season. In the high pressure situations the team was more able to cope and perform. This year's side had much depth in both the batting and bowling departments and this balance in the side was a main factor in the team's success.

In the interschool matches, for the first time for a long while, School won all three traditional interschool games against St Andrews, Otago BHS and King's. Added to this was the fact that this was the first time ever OBHS have been beaten by us on their home ground, quite a feat in itself. A fourth interschool was played against Shirley BHS and this game was drawn but could have quite easily gone School's way.

Top wicket taker for the season was Gregory Pierce with 68 wickets, a fine effort. Highest batting aggregate was David Beale with 485 runs.

All in all a most successful season and all looks good for the future of SBHS cricket. Special thanks to Mr Boyd for the time given up in looking after the team throughout the season. He has built up an impressive record in his three years as coach and with the knowledge that he won't be taking the side next season, his successor will have a hard job to match his record.

The team:

- D. Beale - Captain - A reliable top order batsman who confirmed his potential after showing the experience of being in the 1st XI for his 4th season. Success of the side can be attributed to his captaining ability. Obviously has a good future in the sport.
- B. Welsh - Bruce's batting was again of the highest standing, highlighted by his two 60's against Shirley BHS. An invaluable member of the team who should go a long way in cricket.
- R. Jackson - Always saw the side off to a good start. Ross along with Alan Thompson developed into a solid opening partnership.
- A. Thompson - A valued member of the side due to his all round ability shows the potential of achieving some big scores with the bat next season. Alan's slow bowling came in very handy and this too should develop next season.
- M. Brown - An all rounder with loads of ability. Murray's ability with both bat and ball saw the side out of many difficult situations. Fielded brilliantly.
- M. Soper - Murray used the new ball well throughout the season always taking vital wickets. Always able to knock the top of the opposition's batting. Never really got going with the bat.
- G. Pierce - The side's success story. Grey bowled magnificently all season taking 68 wickets. His ability to move the ball both ways off the pitch and in the air was used to great effect. His batting proved invaluable at times, still potential there to score a lot of runs.
- J. Noble - A new recruit to the team, Jeremy stepped into the side as a top order batsmen and did so admirably. His ability to occupy the crease for long periods was his main forte. Keen in the field.
- M. Haig - Milton's natural ability should take him a long way, an attacking batsman who should score well next season. Occasional wicketkeeper although very valuable in the out field.
- D. Monteath - The side's wicketkeeper, who did a fine job throughout the season. David let his batting slip slightly but this should be rectified next season.
- P. McDonald - Another "new boy" Philip will be a valuable member of next year's side through his all round ability with both bat and ball.

- S. Jackson - The side's youngest member who with limited opportunities performed well. Has a sound batting technique which will be of value next season.
- D. Hawkes - Another of the sides new recruits, Darryl's ability to swing the ball by vast amounts was his main attribute, although throughout the season he had trouble with his line and length.

#### INTERSCHOOLS

v St Andrew's at SBHS 9-10/12/80

School won the toss and elected to field on a very green track. The decision paid off as St Andrew's were dismissed for 151, Murray Soper and Murray Brown being chiefly responsible for this. School replied with 193 again with Soper and Brown being the main contributors achieving 53 and 57 respectively.

The second innings saw St Andrew's bundled out for 63 leaving School only 21 to run which was achieved for the loss of 4 wickets.

Scores: St Andrew's 1st innings: 151 - M. Soper 4.52, M. Brown 4.31  
 2nd innings: 63 - M. Soper 4.35, G. Pierce 3.6  
 SBHS 1st innings: 193 - M. Soper 53, M. Brown 57, D. Beale 22  
 2nd innings: 24 for 4 - D. Beale 14

Result: Win to SBHS by 6 wickets

v Otago Boys' High School at Dunedin 17-18/3/81

OBHS won the toss and elected to field. School were quickly dismissed for 117, M. Brown and Alan Thompson being the only ones to show any resistance. School then took advantage of the bowling track dismissing OBHS for 89. Greg Pierce bowling brilliantly taking 8-25 a great performance. School again batted poorly being bundled out for 119, this left Otago 147 win, a seemingly easy task. However once again Greg Pierce took control on the very responsive track this time taking 6 for 53. This was the first time School has ever beaten OBHS in Dunedin.

Scores: SBHS 1st innings: 117 A. Thompson 24, M. Brown 29  
 2nd innings: R. Jackson 23, M. Soper 20 N.O.  
 OBHS 1st innings: 89 G. Pierce 8 for 25  
 2nd innings: 132 G. Pierce 6 for 53, M. Brown 3 for 16

Result: Win to SBHS by 15 runs

v Shirley Boys' High School at SBHS 23-24/2/81

School was put into bat on a green track which gave the bowlers plenty of encouragement. School struggled to 176 before being all out. Bruce Welsh scoring a fine 60. Shirley declared their first innings closed at 176 for 9, Murray Soper taking an amazing 8 for 63, great bowling. School replied with 156, again Bruce Welsh scoring well with 64. This left Shirley 156 to win, a fairly easy task, especially at 106 for 4. However from then on the tables were turned as Shirley were struggling at stumps being 128 for 9, School nearly pulling off the win.

Scores: SBHS 1st innings: 176 R. Jackson 27, B. Welsh 60, G. Pierce 39  
 2nd innings: 156 A. Thompson 24, B. Welsh 64  
 Shirley 1st innings: 176 for 9 dec M. Soper 8 for 63  
 2nd innings: 132 for 9 dec M. Soper 5 for 55, G. Pierce 4 for 42

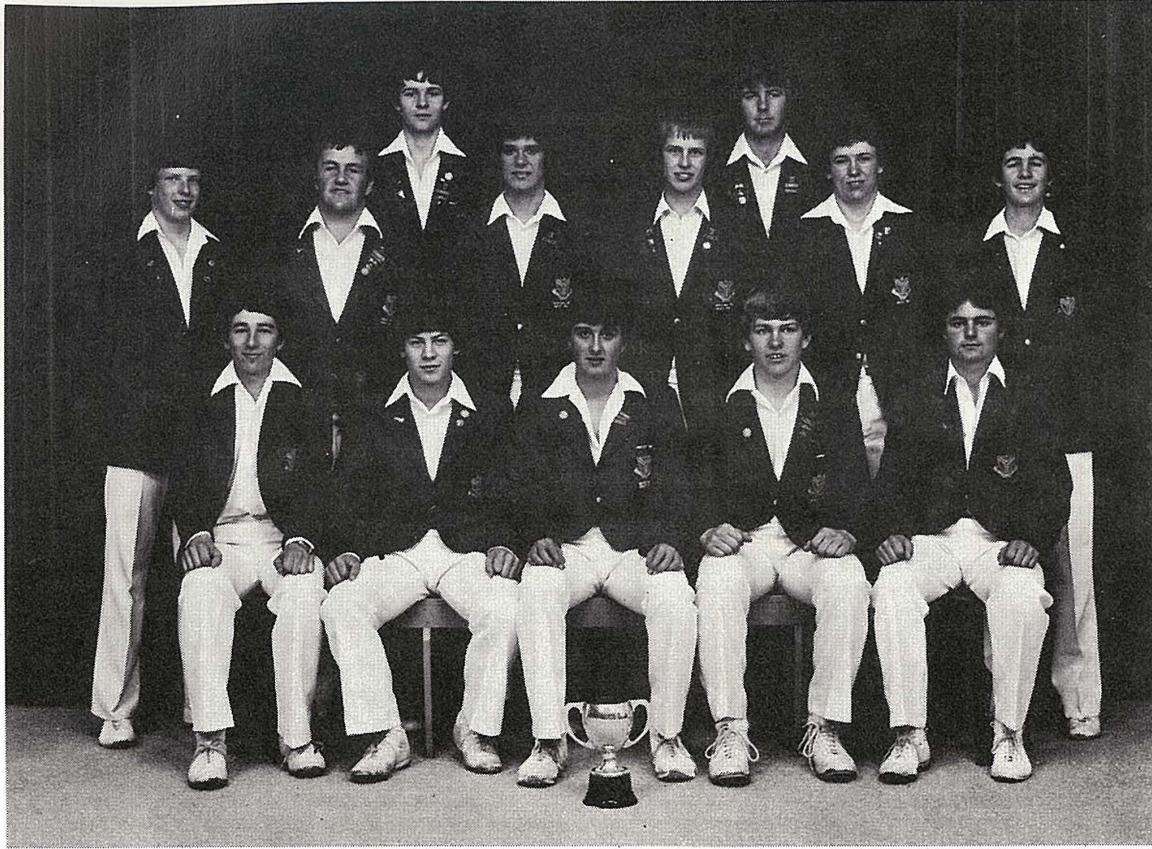

Result: Draw

v King's High School at SBHS 24-25/3/81

School batted first scoring an impressive 201. It then dismissed King's for 50 with the wickets evenly shared. Following on, King's made 187, a contrast to their first effort. This left School 37 to win which was achieved for the loss of 2 wickets.

Scores: SBHS 1st innings: 201 D. Beale 34, P. McDonald 28, M. Haig 28,  
 S. Jackson, 25 NO, R. Jackson 24  
 2nd innings: 38 for 2 A. Thompson 12 NO  
 King's 1st innings: 50 M. Soper 4 for 16, G. Pierce 3 for 16  
 M. Brown 3 for 8  
 2nd innings: 187 M. Brown 5 for 21, A. Thompson 2 for 23

Result: Win to SBHS by 8 wickets.

**2ND XI CRICKET**

Coach: Mr Dickson

Captain: M. Patton

The team had a moderately successful season, finishing in the middle of the competition. The team had no real stars, with consistency and team effort being its main attributes. Ability was shown with the bat by Jeff Tait, Geoff Rudduck and Michael Patton on several occasions, with good support from Campbell Savage and Richard Dore. Bowling was the team's strength and we were lucky to have two good opening bowlers in Michael Hogue and Geoffrey Hinton, who were ably backed up by good bowling from Chris McAulay and the two left-armers Michael Southby and Brent Haywood. Fielding was strong too, with Brett Hamilton, Ravi de Silva and John Monteath being particularly sharp.

The team would like to thank Mr Dickson and Mr Armstrong for their support throughout the season.

Team members: M. Patton, G. Rudduck, J. Tait, C. Savage, J. Monteath, G. Hinton, C. McAulay, M. Southby, R. Dore, B. Haywood, R. de Silva, B. Hamilton, M. Hogue.

## Tennis

### INTERSCHOOL TENNIS TEAM

Captain: Jeffery McAlister

The second interschool fixture against King's High School at Invercargill was a different team than against OBHS, being Jeffery McAlister (Captain), Luke Heywood, James Anderson, Craig Billows, John McKenzie, David Frost and Grant Hamilton (reserve).

The team started strongly with the juniors John McKenzie and David Frost performing extremely well all round. The interschool was played in ideal conditions and good sportsmanship, with the interschool being very close at times.

Luke Heywood and James Anderson played some consistant tennis in the seniors, the final score going in favour of Southland Boys' High School 10 rubbers to 7 rubbers.

### OTAGO BOYS' INTERSCHOOL TENNIS

Captain: Jeffery McAlister

The first interschool fixture for the year was against Otago Boys' High School in Dunedin. Otago Boys' is our main adversary with some top Otago players in their team.

Our team included Jeffery McAlister, Kel McBeth, James Anderson, Craig Billows, Grant Hamilton and Luke Heywood. For the first time we included two Juniors, John McKenzie and David Frost in order to give our Junior players experience for the next season.

The team as a whole performed very tenaciously and improved upon our previous loss by only losing 17-4.

Special thanks to Mr Neville Hoskin for providing his time and his expertise for the team.

INTERSCHOOL ATHLETICS

The School's athletes kept the school's colours to the fore in this centenary year with some solid performances especially in the Under 14 and Junior grades. Two athletes who showed outstanding promise for the future were Alan Bunce in the U/14 middle distance events, and Blair Ward in the Junior sprinting events.

The disappointing feature of this year's athletics season in the School was the apathy displayed by a large section of the senior school and the inability of many to display a desire to achieve the standard of fitness required to succeed in athletics competition.

## Harriers

Won 3 Lost 1

Otago BHS at Invercargill - The juniors recorded an easy win whilst the seniors were beaten by two outstanding Otago runners which meant an overall loss.

Juniors: 1st A. Bunce, 3rd L. Sargeant, 4th P. Winder, Won 25 - 30.

Seniors: 2nd C. Goodwill, 6th N. Britton, 8th T. Giller, Lost 35 - 20.

King's HS at Dunedin - A well deserved win to the School, with a much weakened team due to illness and injury. C. Goodwill first for the Seniors.

Waitaki BHS at Invercargill - A flat course was to see the school gain an easy win.

1st A. Bunce, 3rd N. Britton, 4th C. Goodwill, 5th D. Spencer, 8th T. Giller, 11th P. Winder, Won 21 - 34.

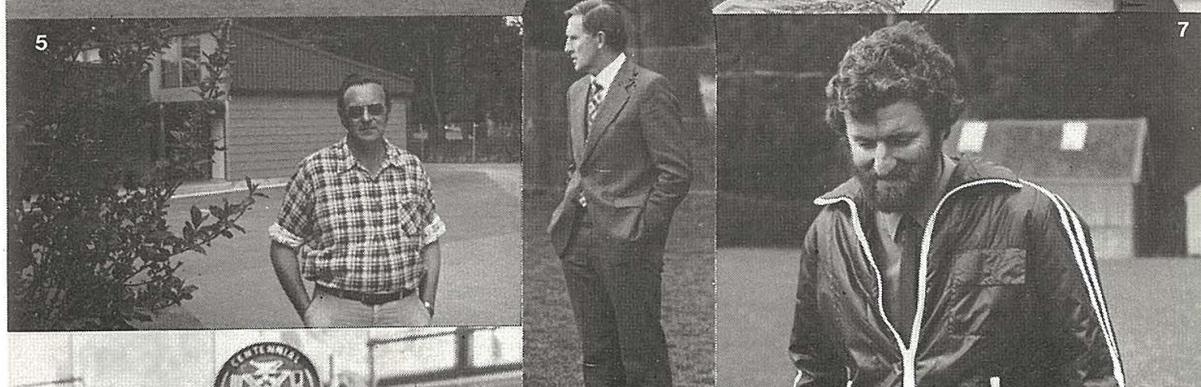

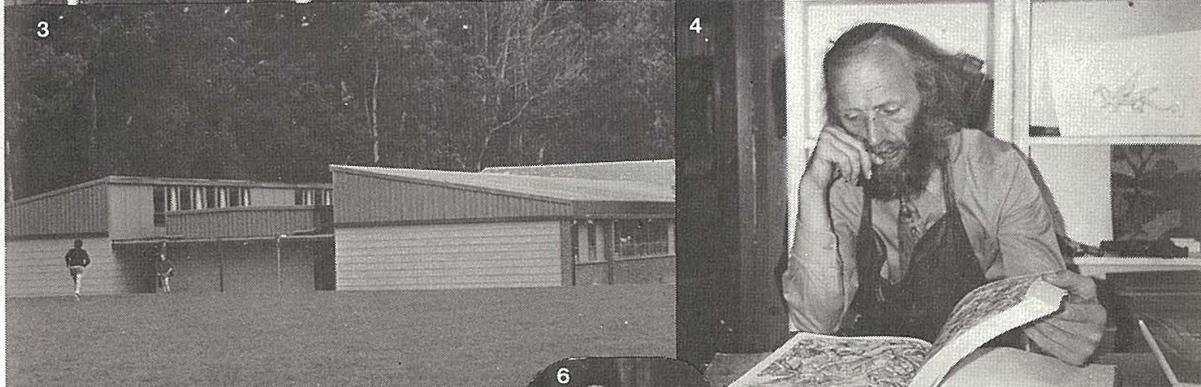

Gore HS at Gore - School recorded an untroubled win over Gore.

Juniors: 1st A. Bunce, 2nd L. Sargeant, 4th P. Winder.

Seniors: 2nd C. Goodwill, 3rd N. Britton, 4th D. Spencer.

## CLUB RUNS

Juniors: A. Bunce has shown fine form and recorded excellent times, and along with considerable support from L. Sargeant and P. Winder, the juniors formed themselves into a team which became harder to beat throughout the season due mainly to their ability to run consistently.

- (1) Roche approaches the Coach.  
(2) Mr Pethig. - scene somewhere in Cornwell.  
(3) A scene East of Cornwell.  
(4) Mr Sarson swots his favourite theme: Birds  
(5) Wally stands his ground.  
(6) "Take your hands out of your pockets."  
(7) Mr McIntosh enjoys a joke with himself, you understand.  
(8) The Battle of the Century.

### HARRIERS - 1981

**Back Row:** Mr M. Lauren, David J. Hood, Alister S. Gray, Stephen M. Erdman, Paul R. Winder

**Middle Row:** Paul A. O'Brien, Lewis N. Sargeant, Clinton K. Gallie, Timothy J. G. Hitchcock, Phillip Caffyn, Alan A. Bunce

**Front Row:** Dean R. Riddle, Roy W. Ward, Douglas G. Spencer, Chris J. Goodwill, Neville J. Britton, Ross W. Blanch, Rhys E. Mudie, Stephen R. Bayley

Seniors: C. Goodwill and N. Britton pushed one another throughout the season to their mutual benefit. They gained major individual placings in several events, but the assistance of T. Giller, R. Souness, C. Gallie and T. Hitchcock made up a good team throughout the season although sometimes overly handicapped out of good placings.

A good season overall with the foundation for a strong team next year.

Our thanks to Mr Lauren for his time and efforts throughout the season.

### GENERAL:

The highlight of our year was, of course, the Centennial Celebrations held during the Easter weekend. The tremendous preparatory work put into the Centennial by so many was fully appreciated by the hundreds of Old Boys who attended. Many of whom had travelled hundreds of miles to be with class and team mates of the past.

Experiences were relived, often perhaps more enriched by the reminiscing, friendships rekindled - an atmosphere of comradeship prevailed throughout the weekend, one which will be long remembered.

### OUR SPORTING CLUBS:

Cricket - The Club enjoyed a moderately successful season with both Senior and Senior Reserve sides ending in the top half of the competition.

With the Senior side still in the rebuilding stage its solid nucleus of young players should provide a bright future.

A welcome addition to the Club this year has been the formation of a women's team who played in the Second Grade "B" competition.

Soccer - Five teams were again fielded in the Senior competitions with increasing numbers of junior teams offering a range of football from the serious to the more social kick around.

The first team has completed its second year in the Southern League competition and while results have not always been in our favour the standard of football has definitely improved.

Squash - This season the club fielded six teams in the Wednesday Inter-club competition. The best effort was recorded in the Mens "C" grade by our No. 1 team being placed third.

Membership has remained steady in spite of reductions of other clubs.

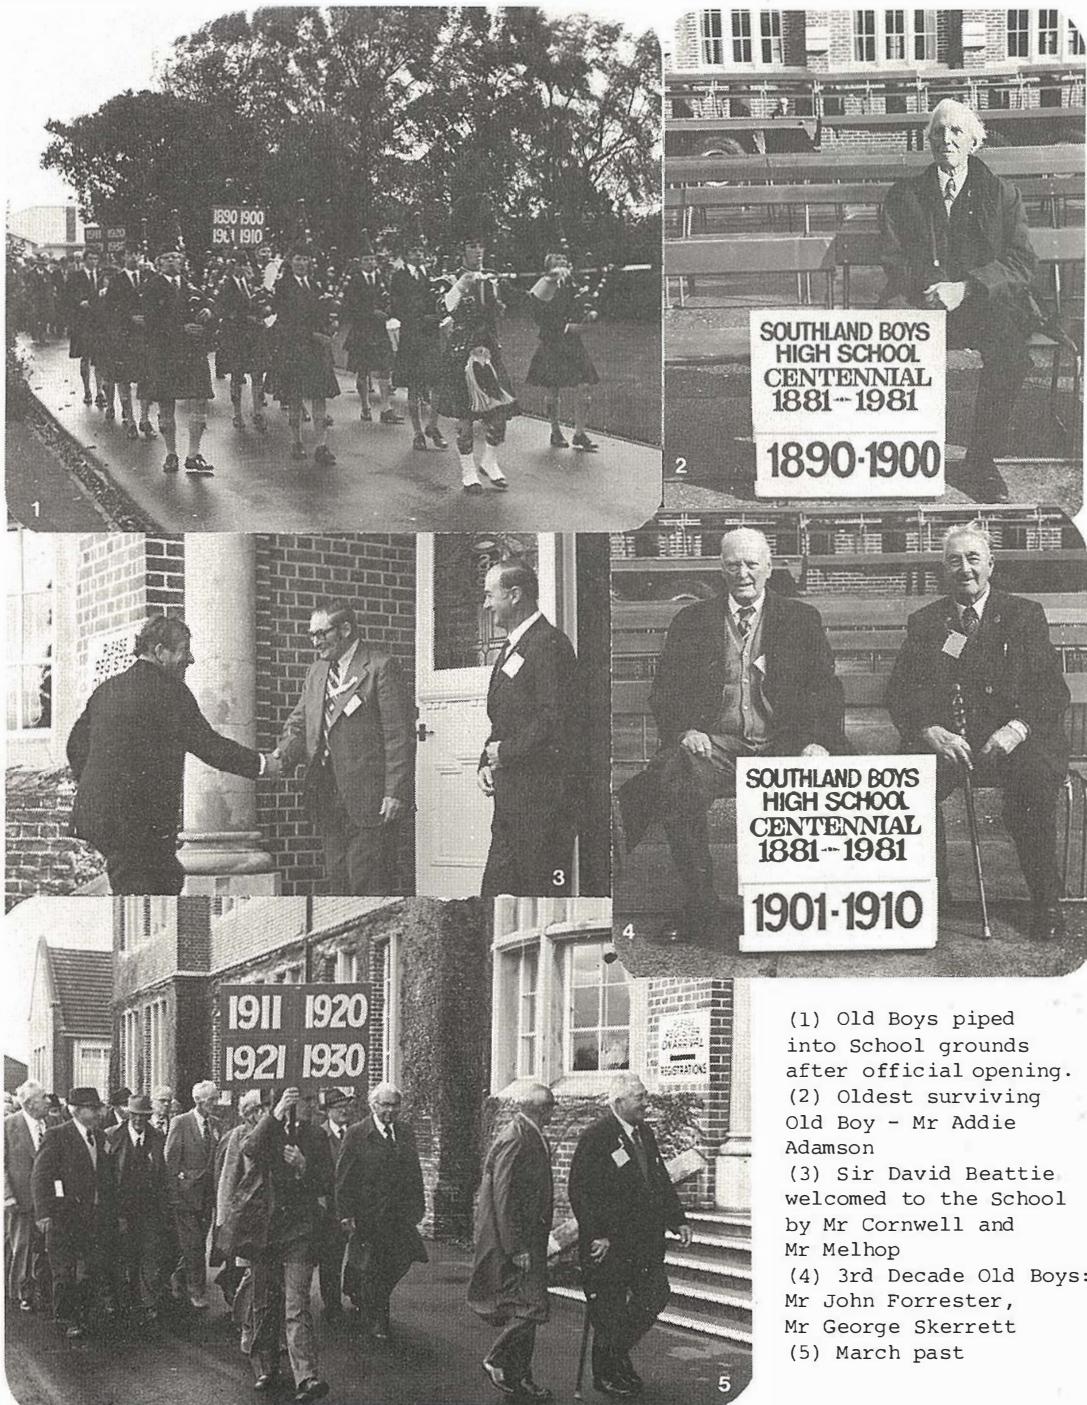

Rugby - The Club was able to field six teams this year which turned out to be one of the most successful for many seasons. The Senior XV finished 5th overall in the local competition and ran out worthy winners of the Section B cup.

The Senior Reserve side showed much improvement to finish 4th. However the highlight of the season was the performance of the U.23 team in winning their competition.

Enthusiasm and club spirit was a credit to players and coaches alike.

We are always happy to welcome new members to our Association and Sporting Clubs. Any Old Boys interested in joining any of the activities should communicate with any member of the Association Executive, or with the Association Secretary, P.O. Box 296, Invercargill.
