EDITORIAL

Once again external examinations draw all too close, and once again a luckless editor has to prepare an editorial for this magazine. After comments made earlier this year by the Rector there has been a considerable amount of soul searching and self examination in an effort to make this publication less boring to the eyes of authority. But just what should an editorial be about? Looking back over the past four years, every editorial has been highly critical and pessimistic about school life in general, so as a change it was decided by general quorum to be somewhat optimistic. However this is easier said than done, as there is more about school life to be critical at, than to be optimistic about.

In today's world more and more people are pushing for more and more to be taught in schools, especially in the way of liberal studies; everything from sex education to planning for retirement, but are we neglecting the basics? Sooner or later education must make a review of itself and see if it is performing its function properly to the requirements of a modern world. This is where Boys' High is at an advantage, as its basics are strong and resourceful, but it must soon make decisions on its direction of other forms of education.

On the appearance the school seems rather dead and apathetic, but this is not so, a kind of cultural and community spirit beats strong beneath the seething masses. It is pleasing to see a Music Department alive and expanding into all corners of the community, helping to fill the cultural vacuum. An Art Department which can still function effectively despite not being under permanent supervision, is also a delight. So long as there is life like this within the school, there is always hope for a successful school system despite the faults of the present system.

The Magazine Committee would very sincerely like to convey the schools congratulations to the S.I.H. Helpers who undertook such a massive programme and managed to carry it off so successfully. This is another indication of the good state of health of the community interest in the school.

Other commendable efforts on the school's behalf are the dances and formal organised by the joint social committees of Girls' High and Boys' High, a record second to none in any other Southland school. The school is very lucky to have such a dedicated group of individuals organising these successful social occasions for them.

Sport is also one of the school's strong points, and will continue to be so as long as players are prepared to turn out for games and practices in all weathers and playing to the best of their ability, no matter if they are winning or losing. Although this type of courage is displayed by all too few, it is to be praised along with the rest of the activities mentioned. These all help make S.B.H.S. alive and active, qualities which can only be improved by greater participation, preventing us slipping into apathy.

Now comes the most enjoyable part of an editorial, and that is to thank on behalf of the magazine committee all those people who in anyway whatsoever helped with the new improved publication, especially Mr McIntosh for his advice and Greg Wilson for the photographs, by making sure it is new and hopefully improved.

School Diary

First Term

FEBRUARY

- Tue 1st Senior pupils return to school after eight weeks holiday.
Wed 2nd Having decided that one day's "hard work" is more than enough, senior pupils leave for the day while junior pupils begin their studies.
'No man needs a holiday as much as he that has just had one' - Hubbard.
Thur 10th In 7A Maths Mr Dear exclaims "You're making an ASSympote of yourself Morison".
Fri 11th After almost two full weeks of study, 7A takes off into the hills for a four day "social" holiday up the Matukituki Valley. School rejoices in their absence.
Tue 15th For the fifth time the long awaited announcement of prefects is postponed.
3rd, 5th and 7th Forms have mug shots taken.
Wed 16th At last, 15 new prefects are announced at Senior Assembly. Redpath appointed Head Prefect. Inevitably, McGrannachan loses his coveted badge before the end of the day.
'The Greater the power, the more dangerous the abuse' - Burke.
Sun 20th 7 Geography and 4A2 head off to Borland Lodge for a week of "hard work"???
Thur 24th Athletic sports entries and Mr Furlong entered for the 3000m (isn't a furlong 200m?)

MARCH

- Wed 2nd Royalty arrives and the school takes the day off to see her.
'The maddening crowd's ignoble strife' - Gray.
Thur 3rd School Athletic Sports begins.
Fri 4th Sports continue. Highlight of the day is the visit of S.G.H.S. prefects, who compete in a wheel-barrow slalom.
Mon 7th Two student teachers arrive at school.
'He who can, does. He who cannot, teaches' - Shaw.
Tue 8th The 7th Form adopt the school cat - Swinburne decides to be a lion tamer.
King's High School visit S.B.H.S. Luckily for the 1st Eleven, Hoskin's prayer for rain is answered and the game is declared a draw. Commenting on the game, Mr Berridge said that the 2nd innings "was much better than the first". Well it had to be.
Wed 9th 1st Fifteen Rugby training and trials begin in view of the North Island tour.
Thur 10th First Senior Dance held.
Mon 14th The school mourns the death of former pupil and teacher Mark Alabaster. Six 7th Formers represent the school at the funeral in Dunedin.
Tue 15th In Dunedin the school competes against Otago Boys'. Tennis is thrashed 20 - 1, while the 1st Eleven leave O.B.H.S. only five runs to get in the second innings.
Fri 18th Mr Fitzgerald is seen at school with a large fishing spear - he says he might have the Rector on sometimes. 1976 Magazine is published. The Rector finds it boring.
Russ York brings other Rotary Exchange Students to school. The girls are invited to be "overstayers".
Wed 23rd When found to have no books, Lindsay says, "Sir, I can't do maths without a book". Mr Shirley replies "You can't do maths with one".
Sat 26th S.B.H.S. are the host school for the Otago/Southland Athletics Sports held at Surrey Park.
Tue 29th School work day held. The record earnings are to be used to buy a closed circuit TV system. Rumours of SIS involvement appear to be unfounded.
Thur 31st Boys' High battle with Girls' High in debating. The boys win on the subject of zero population growth, having successfully insulted the opposition in all their speeches.

APRIL

- Sat 2nd South Island Secondary School Athletic Sports held in Oamaru. Many pupils gain good placings.
Fri 8th Easter break begins.
Wed 13th Pianist Peter Cooper plays to appreciative 3rd Form.
Wed 13th Combined S.B.H.S. and S.G.H.S. annual music camp.
- 17th "The boys and girls go out to play".
Thur 14th Informing the staff of the location of the new toilet block, the Rector says "We shall have to put up with the inconvenience".
Thur 21st 4th Form dance is held. Dancing only seems to be the order of the night much to Dainty's disgust - "I'm not learning anything".
Fri 22nd Anzac Day service. Mr Waterston interrupts Mr Boyd in assembly to hammer in a nail for the wreath.
Tue 26th In Jaycee debating, the senior team convincingly beat Kingswell.
Fri 29th The swimming sports are held. Uttley wins House competition.

MAY

- Thur 5th Another senior school dance is held. With Brylcreem in abundance, the theme was "The Fifties".
Fri 6th Last day of term. Mr Berridge is given a farewell by the school after 17 years of generous service.
Wed 18th In their first game of the North Island tour the 1st Fifteen convincingly beat a combined High Schools' team in Napier by 19 - 6.
Thur 19th Against Hamilton B.H.S., S.B.H.S. draws in a disappointing game - 10 all.
Sat 21st Gore High beat the remains of our 1st Fifteen for the first time in 27 years.

Second Term

- MAY
Mon 23rd Second term begins.
'You can't expect a boy to be depraved until he's been to a good school'
- H. H. Munro
Mon 30th Senior debating beats Aparima College in a close encounter.

JUNE

- Thur 2nd S.B.H.S. and S.G.H.S. and referee clash at netball. Regrettably we lost 10 - 5.
Tue 7th O.B.H.S. visit here. Most teams successful.
Fri 10th Adopted Lion, John Bevan speaks to 1st and 2nd Fifteen.
Sat 11th S.B.H.S. play in the curtain raiser for the Lions match and deservedly win against Pirates.
Fri 17th In the Bank of NSW Chamber Music competition, S.B.H.S. with S.G.H.S. receive 1st and 2nd places.
Tue 21st 50 pupils from school attend the Symphony Orchestra lunchtime concert.
Wed 22nd Waitaki and Linwood visit. Fine day for the school with most teams winning.
1st Fifteen annihilates Waitaki 31 - 9 to the delight of all present and former pupils.
Thur 23rd Dancing classes begin. With a fine line up of girls many benefit from more than just dancing.
'Dancing? It's certainly a Barbarian exercise and of savage origin' - Burney.
Wed 29th The school are narrowly defeated by Hargest in the Jaycee Senior Debating final.
Thur 30th Another senior dance held, this time at S.G.H.S.

JULY

- Sat 2nd 1st Five trounce Hargest 86 - 53 in the Southern Zone Basketball tournament.
Tue 5th Annual Family Affair Concert held at school.

Tue 12th The senior school experiences a lecture on the evils of Starsky & Hutch and Sid Going tactics in Assembly.
 Wed 13th King's interschool in Dunedin. The 1st Fifteen suffers its first major defeat while Hockey its first major win.
 Thur 14th Girls' High come to school for lunch. Many excited third formers (and seventh formers)! Seniors meet the teachers evening is held.
 'Ye shall know the truth and the truth shall make you mad' - Huxley.
 Mon 18th In an English class, Mr McIntosh asks - "How would you define pornography"? An alert student - "Interesting".
 Thur 21st Boys' High challenge the girls at Hockey and gallantly win in the true spirit of male chauvinism, 3 - 1.
 Fri 22nd Senior school entertained by the film of "Romeo and Juliet". Ian Scott of 6A1 chosen to represent Southland in a Maths competition in Wellington.
 Thur 28th The event of the year, the school Formal dance is held, with the theme as the sea. The staff, and especially the Rector - "I could have danced all night" - appear to be in their element. 'The greater the fool, the better the dancer' - Theodore Hook.

AUGUST

Mon 1st A distinguished group of 6th Formers depart to savour the delights of Deep Cove.
 - 4th
 Wed 3rd 1st Fifteen and 1st Eleven travel to Timaru where both win.
 Wed 10th 1st Hockey and 2nd Soccer travel to Gore. Both are victorious.
 Wed 10th - 17th Interhouse sports. Page are the clear winners.
 Fri 12th Having had his hair cut, McGrannachan is advised by Mr Dear to pour whisky on it so it would grow half cut.
 'Then thou had an excellent head of hair' - Shakespeare.
 Thur 18th Round the Park races held. Continuing their lucky dash Page win overall. After the gruelling races the 2nd Eleven beat "All Stars" (alias staff) 5 - 0, again showing pupil superiority.
 Fri 19th The end of term.
 'The end of labour is to gain leisure' - Aristotle.
 Mon 22nd N.Z. Secondary schools Soccer Tournament is held in Invercargill. After some disappointing matches our 1st Eleven finish 3rd equal.

Staff Notes

The beginning of the new year in February saw a large number of new faces appearing in the school. Miss Cavanagh and Mr Anderson joined the depleted ranks of the English department. Mr Anderson is a very keen climber and is a member of the crack Mountain Search and Rescue team. A warm welcome also to Mr Clarke who has come to us from Central Southland via the Air Force; to Mr Furlong whose skiing escapade still sees him hobbling on crutches; to Mr Rankin - another old boy who finds S.B.H.S. irresistible; and to Mr Sapsford who, like Mr Rankin, has come to us direct from Teachers' College.

Ms Douglas temporarily joined the staff in the Maths department, only to depart a term later. Mr Mather also acted in a relieving capacity after a short spell at Ruapehu College. During the second term he secured promotion to Dunstan High School. We were also very pleased to have Mrs Randall with us to act as a part-timer in the English department.

At the end of the first term we were extremely unfortunate to lose the services of two well-respected teachers. The first Senior Master at the school, Mr Berridge, decided to call it a day. Mr Berridge left after a long and distinguished service to the school beginning in 1960. For many of these years he was head of the English department and from 1974 he was Senior Master. Mr Berridge took a keen interest in both sporting and cultural activities of the school, being a junior rugby coach and a mainstay of the badminton team while involving himself in Debating and Chess. As well he was involved for many years in running the school teacher. As many pupils and staff, past and present, will testify, Mr Berridge, as well as being an excellent teacher, had a genuine concern for people and his warm and generous personality will be fondly remembered by all who came into contact with him. Although we are sorry to lose his services, we wish him well in his retirement.

Mr Sarson also decided to seek promotion elsewhere at Kingswell. His contribution to the school was great indeed and the paintings, murals and prints around the walls of the school are visual evidence of the work he put into the Art department. Mr Sarson is going to be difficult to replace. Kingswell are indeed lucky to have a man of such talents.

Mrs McIntosh from the office staff left us at the end of term two. Her pleasant, cheery manner has already been missed. We hope she is happy on her farmlet in Christchurch.

Throughout the year there have been further arrivals to the staff both full-time and part-time. At the beginning of term two Mr Paulsen arrived from South Africa to take up a full-time position in the Commerce department. His experiences in coloured schools and elsewhere in South Africa are a constant source of interest to staff. Naturally Mr Paulsen is finding things rather different here but he is now firmly established in a permanent residence in Invercargill. We hope he enjoys teaching with us.

Mr Shields also arrived from Hargest to take up a position of responsibility in the English department. His ability as a coach was welcomed during the winter Sports Season.

Other arrivals in the part-time staff were Mr Reed who took over senior classes in the Art department in term two; Mrs Forrest who arrived in term three to help with junior Art classes; Mrs Taylor who took over some Social Studies classes from Mr Mather and Mr Whatari who has helped in the P.E. department particularly when staff have been away at Adventure Camps.

To all these people our sincere thanks for making the work of the permanent staff a little less taxing.

There is a new arrival in the office, Mrs Steel. We hope she enjoys her new surroundings. And lastly, but by no means least, a new groundsman Mr Kerr. We trust he is enjoying the task of keeping our many acres in a state of tidiness. We as a staff certainly appreciate his efforts.

Obituary

Mark Alabaster

In March the school was shocked to hear of the death of Mark Alabaster in a motorcycle accident. Mark had attended the school as a pupil between 1969 and 1973 and in that time he was involved in sports and drama activities while maintaining a good academic standard.

In 1976 Mark returned to the school joining the Maths department, relieving for two terms. Very quickly he showed a genuine ability as a teacher, and a concern for the well being of his pupils. This year he had returned to University to continue his studies.

Both staff and pupils of the school would like to offer their condolences to Mark's family.

Debating Club
Cum Verbis Pugamus

This year debating has continued as a major force within the school. With three experienced members, Ian Morison, Mark Crowther and Trevor Burnard, the senior team under the guidance of Mr McIntosh, performed well in all its debates.

Beginning the year with a debate against Girls' High on the subject of zero population growth, with strong support from the school, we had a good win.

Entering the Jaycee competition once more this year, we began well by convincingly beating Kingswell 266-208, negating "that the tobacco industry should be declared illegal". The less experienced Kingswell team presented a health department type display, which added little to their case.

In an extremely close debate we just managed to head off Aparima College, while explaining the benefits of abundant leisure. With an opposing audience, the score was 287-285.

Having reached the Southland Jaycee final, we negated against Hargest, "that modern education is fulfilling its duty to society". After an extremely close battle the three judges awarded (2-1) the win to Hargest who later reached 2nd place in the New Zealand competition.

With three main interschools, Boys' High began by beating Otago Boys'. Using Crowther's Law of Sexual Dominance and other facts, we had little trouble in proving "that New Zealand is becoming a matriacial society".

Debating about the effectiveness of secondary education, we were narrowly beaten by Waitaki Boys'. With a responsive school audience and only a week from the Jaycee final, we were disappointed not to win.

The final debate of the year was against King's High. Negating "that New Zealanders are humourless and dull", even our jocular opposition showed that we do have a sense of humour, despite the dull audience. We came away with a convincing though, on paper, a narrow win.

This year two junior teams, coached by Miss Cavanagh, performed well in the Jaycee competition, with one team reaching the semi-final.

With quite a successful season, the senior team would like to thank Mr McIntosh for his guidance and jokes. Our thanks also to others who have given ideas and information to the team.

Music Report

There seemed to be more musically active students in the Third Forms in 1977. Class concerts were held earlier in the year culminating in a Third Form Music Competition.

Results:	Best Singer	T. Lawson
	Best Pianist	M. J. Schwass
	Best Instrumentalist	G. Brinsley
	Best Group Trio	T. Lawson, F. Hunter, R. Manson
	Best All Over Group	"3B1" Choir (thanks to Mr Duerden's enthusiasm)

A higher standard of achievement was expected from 4th Formers for their Music Attainment Certificate Stage II. The Creative Activity brought forth some excellent work.

Their project was extended in as much as it had to be shared with a member of the Community.

In April we had a visit from English Pianist Peter Cooper whose music was much appreciated.

Later in the month Ian and Ken Morison, Peter Brown, Angus France, Tony Lawson, Wayne England, Clive McArthur entertained members of the League of Mothers at their meeting held in U.F.S. Hall. The president took time to explain the high Ideals and aims of the League to the boys.

Due to the untiring effort of Miss Black, our camp was held in April and was a great success.

After the holidays we were very busy practising for the Bank of New South Wales concert. Two combined Chamber Groups came 1st and 2nd in Section A of the contest.

Family Affair Concert was held on Tuesday 5th April 1977. This year more people attended than usual.

The standard of Music continues to progress. After mid term break a group of about 25 boys entertained at the Orphans Club. Many of their members are Old Boys of the School and during supper S.B.H.S. was the topic of conversation.

Nearly 50 boys from S.B.H.S. participated in the Secondary Schools' Music Festival held on 16th September. 400 Secondary School students from all over Southland met in the Scottish Hall at 10 a.m. to enjoy a very packed day of music, culminating in a tea-time Concert in Civic.

An item was provided for Southland Travel Club's Birthday Party.

On 6th October a Concert Party from S.B.H.S. travelled to Otautau at the invitation of the Otautau Community Arts Society. The boys provided a varied programme, which was enthusiastically received by an appreciative audience.

The following week 12th October we entertained at the afternoon meeting of the 'Hard of Hearing' Doon Street.

The 14th November was a special day for us, a visit to Peacehaven. This has become an annual event and one that both boys and audience enjoy.

The Orchestra enjoyed a pot luck tea before the final rehearsal of combined Orchestra. Mothers are to be congratulated and thanked for their 'specially delicious' contributions for tea.

So the year drew to a close, a visit to 'N.E.C.O.' Windsor Street Christmas Party, where the junior school provided entertainment, and two items for St Pauls Ladies A.P.W. meetings - completed our work for the year.

It has been very busy and we look forward to 1978.

The Queen and the Rebels

Bowing down sadly from a long and successful run of R.A.F. Lonsdale-produced smash hit plays, S.B.H.S. humbly handed over this year's drama production to the willing leadership of S.G.H.S. drama team headed by Mr Julian Mess. A slow start to rehearsals gathered momentum as people tried desperately to learn words and backstage, Mrs Stephanie Dear and builders made and painted the huge set.

The story of "The Queen and the Rebels" centred around a distant communist country where a revolution had just displaced the ruling hierarchy headed by the Queen. As the play opens, the new leaders are trying to find the Queen, who still commands great respect. The real Queen is a frightened and humble woman, and by error a prostitute, in the same group of travellers passing through a border town, is mistaken for her. The revolutionaries, after a mock trial, have her shot.

This play by Ugo Betti was a new step in school drama in that it was a serious play with a message, perhaps, some thought, too serious. If ill omens were pennies, the actors could have gone into overseas exchange. The day before the play opened, our producer fell ill, but, despite fears, opening night dawned with Mr Mess miraculously swept from his death bed to give encouragement.

Nichola Mortimer commanded in her role as Argia, opposed by the leader of the revolution Amos, played by Christopher Bell. Some long speeches demanded much from individuals. Peter Redpath was Raim, the two-faced interpreter, and General Bianté, leader of the armed forces, was played, until his painful demise in the IIIrd act, by Lyndsay McGrannachan.

A cast of thousands included Lynley Ball, the porter, Trevor Burnard, an engineer, Noel Townshend, a soldier, Helen Scoullar (the real Queen), and various peasants, guards and travellers to whom much is owed. Corporate thanks to Mr Mess, Miss E. Hall, Mr A. McIntosh (Liaison Officer) and all the backstage, lighting and makeup crews.

A difficult play was performed well, and all those who were part of it enjoyed the proceedings.

Outward Bound

Thanks to the Old Boys Association, this year I was able to attend course 151 during the month of May. The course attempts to stretch your physical and mental abilities to the limit, and probably the activity combining both the qualities, for me anyway, would have been the marathon.

The major activities on the course are tramping, sailing, canoeing solo and service. All these activities had a degree of bad luck, tramping - one guy had strained bones in his leg and had to be walked out via another route taking a day longer.

sailing - no wind all the time we were out

this meant rowing

canoeing - rivers low

solo - rained like the devil

service - had to run half the marathon course to get home.

Some of the minor activities included rock climbing, camman-do course, P.I., two mile run cross country.

I appreciate the opportunity which I was given by the Old Boys' Association because its teachings are too numerous to name. It's an experience of a life time.

The Spirit of Adventure

By Darryl Branthwaite 6b2

During the May holidays I was cruising around the Hauraki Gulf on the 'Spirit of Adventure'.

The 'Spirit' is a sail-training ship which is crewed by approximately 27 boys or girls from secondary schools all over New Zealand. On our voyage, which was number 79, we had 27 boys and seven permanent crew. The crew consisted of two captains - one acted as the No. 1 and the other as the captain of the voyage - one chief engineer, one cook, and three instructors. The cruise lasted ten days and in that time we learnt how to sail, navigate, keep a log, sail folding, basic rowing, take down the 15 minute weather report at 2.15 a.m. and keeping night watch.

A few of us had done a bit of skin diving before and we had, on board, two instructors who gave us some practical tuition, using the gear they had brought.

Our voyage around the Hauraki Gulf took us to Great Barrier Island, Pakatoa Island, Rangatoto Island and many more islands before returning to Auckland.

Before I went I was told to take plenty of film but I never seemed to have enough.

I would recommend this wonderful experience to anyone given the opportunity and who likes to obtain friendship from all over the country.

Because it was there!

Prefects Notes

('All power corrupts, and absolute power corrupts absolutely' - Lord Acton)

Dismayed as some may have been at the late announcement of this year's band of scholastic vigilantes, one couldn't say it lacked impact. For once brains were selected in favour of brawn.

Newcomers to the school could be forgiven for seeing double when the Morison twins, Ken and Ian, both received the word and started on immediate patrol. The life behind the badge held promise for some, but others became disillusioned. Fights to arrest, assemblies to uphold. Perhaps too there were those who wondered at the segregation that happened in the Seventh Form. Those who were prefects and those who were not. This seems a sore point in the prefect system, and one not resolved this year.

None of us relished our corporal and law-keeping duties, but realised that there were many malevolent miscreants who must face the music of authority and any enforcement was carried out by those prefects who were more castigatory by nature.

Frequent netball, hockey, and athletic olympics were held with S.G.H.S. prefects, and one certain golden-haired man from Makarewa's thoughts lay always in that southerly direction, as did many others.

This year's team was headed by Pete Redpath, the man of the moment, who did an admirable job in knocking the band into prefects, and whose cries of "She's all happening

in the hall team!" still ring in the ears of many prefects. Big John Dainty was relegated to Number Two, but this did not deter him from trying to open a burger bar in the prefects room. His height and humour made him an integral part of life in the prefects' abode. Chris Bell the people's prefect, spent much of his time dish-washing, and complaining about the lack of domestication of everyone else. This made him the 'Mother' of the band. Richard Lobb looked after the musical side of prefect life, by promoting 'Yes' at every opportunity, and urging anybody near the radio to 'turn up the bass'. Ken Morison spent much of the year opposing the leaders, assuring him a place in the bureaucracy. His cry of "Hey are you sure that's right" must be dreaded by many teachers. Ian Morison (or was it Ken) exhausted much time writing debates during Biology, much to Mrs Cave's annoyance. (Ian's persuasiveness can only be likened to that of an Insurance Salesman, and his image to that of John-Boy Walton). Dave Hepburn the image of Precious McKenzie, led an athletic existence, as was shown by his continual checking of his pulse, and constant discussion on John Walker's latest performance. Lindsay McGrannachan achieved much notoriety during the year, and his persistent discussion of 'The Beatles' could at times explain the rise in local ear-muff sales. Monty usually signified defeat by the familiar phrase of 'Ah well... Steve Sharp was greatly concerned about his social commitments, and any mention of certain female acquaintances always led to the quick reply of 'I think you'd better shut up'. Keith Fraser seems destined to work as production manager at Freshbake, and his frequent trips to the shop probably account for a large portion of Freshbake's profit this year. Roddy Sutherland suffered many injuries this year especially during the Rugby season, thus contributing to hospital statistics. Roddy spent much time resting-up after strenuous activity, which often caused him to awake uttering "What'd ya say". Chris McDonald was deeply concerned about the progress of certain Girls' High netball teams, and after such experience he should have little trouble in securing a position as a netball coach, even if gumboots do slow you up round the court. Mark Hook spent much time giving McGrannachan a hard time, but his athletic ability should not go unnoticed. Hence, although Hookie is considering a legal career, his style is becoming of a Japanese rickshaw owner. Grant Johnstone was a forceful character, and spent much time exercising his face, so as to perfect a fearsome glare. His quick transverse of a corridor with an "Excuse me" followed by a shove and a push often led to the apprehension of an erroneous delinquent . Peter (Pedro) Jillings was a jovial member of the crew, with a certain panache for interrogating offenders often with a glint in his eye reminiscent of a hit man for the Mafia. Wayne Swinburne's lack of height was occasionally attacked, but he quickly defended his 'looking small' by saying "At least I'm well built". Richard Hoskin spent much of the year listening to races or sniffing the air to detect what was cooking in the toaster. Richard's cricketing ability should carry him to Lords, if not as a player at least as the scoreboard operator. Last but not least the famous four elected as the rest began to pursue exams - Mark Crowther, Peter Brown, Chris Compton and Mark Scobie.

The prefects supervised a number of dances during the year including the formal, a task which they did not altogether hate.

And so as we leave this hall of academic aspirations, to those who remain, we say good luck and we who depart say goodbye with mixed feelings knowing that we tried to keep the grounds clean, the assemblies quiet and the pupils tee-shirt-less but perhaps somehow in vain.

Tramping Report

In an attempt to enter into the true spirit of the 7th Form, 7A, accompanied by Mr McIntosh and Mr Baker, set off for the outbacks of the West Matukituki River.

Our first night was spent near the Aspiring Hut. Whether it was intended or otherwise, Mount Aspiring and the beautiful scenery failed to inspire any budding scholars to produce great works of literature. The second day involved a short walk up the valley to Pearl Flat and for those who were keen there was a steep climb up to Liverpool Bivouac. Later

that day Mr McIntosh advised us that there was a party of girls down the river, but it was in vain that we searched.

Encouraged by the previous climb even fewer members of the group climbed 4,000' up French Ridge on Sunday. Our final day consisted of relaxing walk out to the bus, but still undeterred by blisters and aching muscles, five of the class climbed yet another 4,000' up Shark's Tooth in the short time before lunch.

It was a most enjoyable trip offering challenge for some and relaxation for others.

Biology Trip

During the 2nd term 6B Biology took a Biology trip to Deep Cove for four days. On the way we received an informative tour through the West Arm Power Station and once at the Deep Cove Hostel, we were entertained by Pete Braggins the Hostel manager with remarkable slides of the Antarctic and Deep Cove sea life.

Although Miss Black had determined that we were going to "do some work"!, she was thwarted by the sheer cunning of 6th Formers and we managed to enjoy the trip anyway. Two day trips, one to the hanging valley, the other through the Lydia Valley were most enjoyable and although a little strenuous they were well appreciated.

Our thanks go to Messrs McLean and Mouat who accompanied us on the trip. Without their dedicated assistance the porridge would never have gone down let alone come up. Thanks also to Mr Fitzgerald who provided us with the benefit of his wit for the four days. Our special thanks to Miss Black, invaluable in the kitchen and tireless in the field studies, she made the camp the success it was.

Social Committee Report

The Social Committee's objective for this year was to add to the enjoyment of school by providing light relief, namely school dances. These were held in conjunction with Southland Girls' High School, and we set out to try and include something for everyone.

With two of last year's members returning, Richard Mills and Peter Redpath, the committee was ably led and well organised right from the start. The first event of the social calendar was, in accordance with tradition, the Sports Dance, held on March 10th. Alan Mennie with his "Disco" set a cracking pace for the senior school, which was not to let up for the rest of the year. April 24th saw the 4th Form in for their share of the action, with the promising young group "Flyte" providing the music. The next senior dance, the last for term I, took place on May 5th, this time to the music of "TARBET".

Back to school for the 2nd term, and the seniors, with a view to the coming formal, held an "Icebreaker". Rumour has it that Brylcreem sales rocketed as the "wet head" had a temporary new lease of life. Once again "TARBET" supplied the music. Around this time, with a lot of help from Mrs France, Mr and Mrs Pethig, Miss Black and some Girls' High staff (not to mention pupils), dancing classes were organised to help the 4th and 5th year pupils, struggling with the intricacies of ballroom dancing, gain some degree of competence for the coming "Formal".

As the big night drew closer, preparations were well under way, the theme for the evening having been selected as "The Sea". With this theme in mind, decorations were made, collected, borrowed and modified in readiness. Finally the day came, and Prefects and Social Committee members from both Girls' and Boys' High descended on the hall. Out of a shambles of nets, buoys, driftwood, rocks and anchors there arose a veritable masterpiece of interior decoration. The Formal this year was a great success. We believe it was the best yet, and we challenge next year's committee to do better. "The Rodenburgs" delighted

us all with their music, and senior staff rejoiced at the temporary revival of a dying art form - ballroom dancing. We should like at this stage to sincerely thank, though they are too numerous to mention individually, all those who assisted with donations for this momentous occasion.

The 3rd Formers turned out in force on September 22nd to be entertained by "Flyte", making a most enjoyable evening for all concerned.

Another chance for the 4th Formers to renew old acquaintances and make new ones came on October 13th to the music of "Tarbet".

Finally to round it all off, one last senior dance was held on October 20th. For many, this was their last opportunity of attending a school dance as we had known them these five years past, and attendance showed that these had proved enjoyable. "Argus" a relatively new group to the school provided the music for the grand finale.

Looking back on the year, it has been a year of hard work, and not without its problems, but we got a lot of enjoyment from these dances. We hope you did too. We have many people to thank for their contribution to these dances. Firstly we thank Mr Cornwell, Mr Boyd, and Mrs Clarkson for their advice and assistance in organising and running dances; Mr Bonney, for his constant co-operation and helpful assistance; all those staff, who gave up their time to attend dances as supervisors; a special vote of thanks to all those behind the scenes, our lighting crew, Maurice Maxwell, Chris Mitchell and Stephen Lindsay, whom you will all agree did a great job; Dave Anderson, and Tim Manson for advertising; but most of all we thank all of you, the pupils of both Southland Boys' and Southland Girls' High Schools for your support and attendance.

Finally we would like to wish next year's social committee the best of luck in all that they undertake.

The social committee this year was: Peter Redpath Richard Mills Grant Johnstone
Noel Townshend Mark Crowther

Coldstream Report

1977 was a year of change for Coldstream Hostel. After seven years as Matron, Mrs King retired and her position was taken by ex policeman Richard McGrath and his wife. They were assisted in their duties by the housemasters, Messrs Lind, Sugden, Milne and Anthony. 83 boys were at the hostel this year, a little short of full capacity.

There were major improvements made to the hostel building itself with new roofing, windows and carpet. A colour T.V. and two new pool tables were purchased to boost the recreational assets of the hostel.

Sporting wise, the hostel achieved a notable win in the house athletics competition and 2nd equal placing in the rugby. Our final position in the house sports was 4th. Six senior boys were selected to play for the 1st and 2nd Fifteen's giving a clear indication of rugby strength in country areas. A hostel softball team contested the city competition with success and our thanks go to John Milne for time spent in coaching the team. On the lighter side, toheroa season saw a mass exodus to Oreti Beach and only a plea of ignorance saved some from the wrath of patrolling fisheries officers.

The hostel was saddened at the news of Mrs King's death soon after her retirement and her contribution to the running of the hostel will be remembered by us all.

Views on Life in New Zealand

Russ York - Rotary Exchange Student

After living a year in Invercargill and attending Southland Boys' High School, I have been asked to give some of my impressions of New Zealand and Southland.

Like every visitor, I was continually impressed by New Zealand's amazing variety of beautiful scenery. I also found beautiful people, who were friendly and hospitable and who lived their lives at a very relaxed pace.

School was one of the areas in which I encountered a number of surprises, the first of which was an all boys High School! As the uniform in American High Schools most often

consists of blue jeans, a T shirt and tennis shoes, the school uniforms were also quite a surprise, especially the junior uniforms; I was used to seeing a lot of legs at school, but at home they were all on girls! As time passed, I grew to appreciate the strong standards of S.B.H.S., with its sports programme and other activities, especially tramping trips. What I appreciated most about Southland Boys' was the friendliness and helpfulness of the students and faculty, who really made me feel at home. I would like to thank everyone involved, especially the 7th Form and my teachers, who were very patient. S.B.H.S. is one experience I will never forget.

The best aspect of my year in New Zealand was getting to know a different country, not from the outside, but from the inside, as part of a family. I was glad to learn that not all Kiwis wear black singlets and gumboots and tend sheep, and I hope I was able to show the people I came in contact with some of the same idea - that not all Americans are like Charlie's Angels or Starsky and Hutch, but are "real people" and "real people" are the same all over the world.

S.I.H. Report

Right from the very beginning of the year the workshop and our 7th Form group hit it off admirably and relations remained that way until our last session. The air of co-operation which existed between the members was conducive to speedy progress and it was always a thrill to see the marked physical improvements made by the members of the workshop.

Our thanks for the smooth running of the sessions must go to Mr Thompson, who conceived the project, and Mr McSkimming who fulfilled his job as supervisor admirably.

However most of our thanks must surely go to the workshop for their comradeship and co-operation without which the project would not have been such a resounding success.

We are sure that on the success of this year's project its continuation next year is ensured.

Radio Transmitting Club, ZL4CT

During the past year, ZL4CT has had SSB (voice) 250's with other radio amateurs in six continental areas of the world. Some notable qso's were with amateurs in the United States, Japan, Russia, Australia, Hawaii, Antarctica, Italy, Germany, England, New Caledonia and Paraquay.

The new multiband vertical antenna was installed early in March. The Old Boys Association is warmly thanked for their generous donation of a speech processor.

Three members of the Club are licensed "Hams", - Ian Scott (ZL4TAV), John Grandiek, (ZL4THG) and Ranil De Silva, (ZL4TGV). Ian passed the Morse examination held by the Post Office in October, and he is awaiting his new callsign. Two other members sat the theory examinations in September, and their results are awaited at the time of writing these notes.

The club meets on Thursday afternoons after School.

Computer Club

The Computer Club was created in the first term and continued to meet during Friday lunchtime each week. The club consists of boys from 3rd to 7th Forms.

They learn to write computer programs using the Portran language which was designed especially for education. This allows students to punch their own cards which are then handed into BNZ for dispatch to Databank in Dunedin. The processed programs are usually available the next day for a small fee to the boys.

They wrote programs to generate squares and other powers of numbers; to solve quadratic equations; to sort numbers; to sum series; and numerous other calculations.

The Club visited three firms. The Bank of New Zealand described to the boys how they make use of Databank's computer in Dunedin. The National Insurance Co. of New Zealand demonstrated their various forms of input, and their new microfilm filing system; completely renewed each month by their computer in Dunedin. The Club's first look at a computer was on their visit to N.Z. Aluminium Smelters. Two hours with the half million dollar computer was barely enough.

Crusaders

During the year Crusaders (Inter-School Christian Fellowship) was held each Tuesday in Room 20 at lunchtime. Although perhaps less active this year than in the past, the usual Bible studies or discussions, provided valuable assistance to those who attended. We have had a few guest speakers including the Rev. Goates from America, who toured New Zealand earlier this year. The group has provided fellowship for Christians within the school, and we hope that more will make use of it in the coming year.

Our sincere thanks go to Mr Fyffe and Mr Tiplady for their guidance and instruction during the year.

Art Notes

Mr M. Sarson left at the end of the first term to join the staff of the Kingswell High School.

Over the last five years he has been an inspiration to pupils in the various art classes. Many young successful artists of Southland received their basic training under Mr Sarson. He has been replaced by two part-time teachers Mrs P. Forrest and Mr W. J. Reed.

The following pupils were successful in having work hung in the "Young Contemporaries Exhibition":

David Anderson "Fallen Tree"
David Badcock "Salmo Trutta"
Allan Grant "Waterfall" abstract
Martin Muller High flyer "Homeward Bound"
Stephen Swann "On Target" End of season.

7.62mm Rifle Club

Team Members: S. Bunting, A. Forrest, S. Muir, M. Warhurst, N. McDonald, J. Compton.

The team has enjoyed a successful season with many successes in competitions.

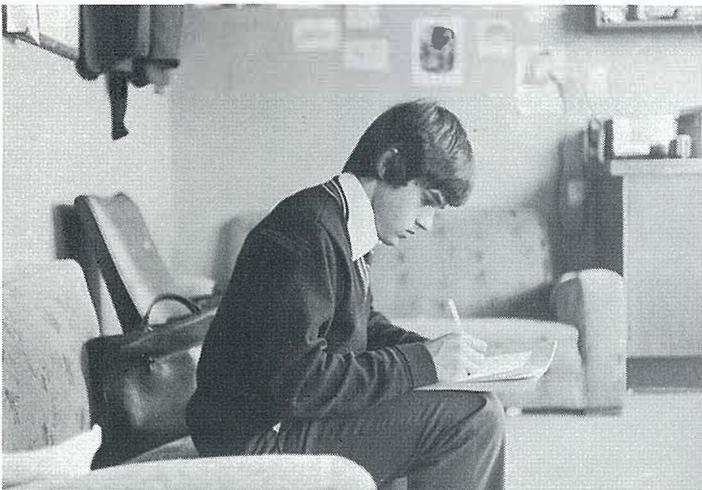

Outstanding shot at National Championships in Trentham was Stephen Muir who scored 102.9 out of 105 at ranges of 300, 500, 600 yards. These scores won him the "R. S. Nicholson Trophy" - awarded for top schoolboy shot. The team finished second in the National Championships after a strong fight with "Christ's College" with the team's score equalling the previous record.

Other trophies won were the Eastern Southland Championship Cup and Southland Championship Cup won by S. Bunting.

The team also competed in open B. Grade and won the Takitimu Shield. Our team member, S. Bunting shot for the Invercargill Club and won with them, the Ladies Challenge Shield, a historic shield which was donated by the ladies of Otago 110 years ago.

The team also competed against O.B.H.S. in a smallbore competition and beat them soundly by 60 points.

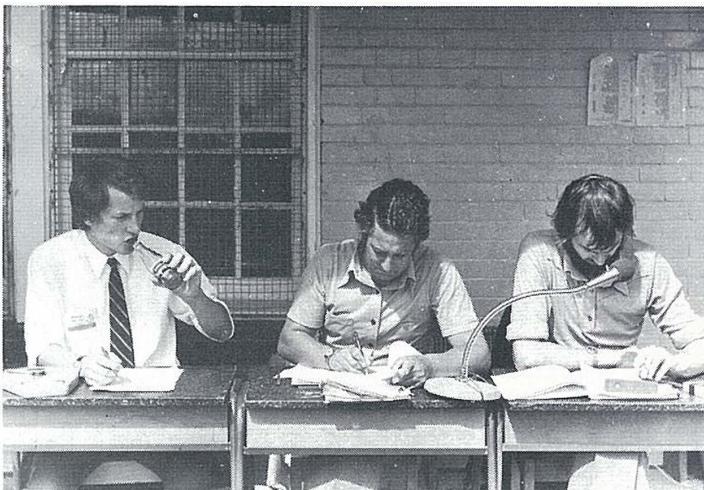

The team wishes to thank the Romley Brothers for advice and help, and Mr I. Baldwin, for managing the team and financial affairs.

Library Report

Despite the effects of a small element, the library has had yet another successful year. About 200 books were added this year to all sections of the library, and we would like to thank those pupils and staff who have donated books.

I am pleased to report that the recently added paperback section has been popular and the purchase of paperbacks has proved worthwhile.

1977 saw the appointment of a new Teacher-Librarian, Mr Lauren, who has devoted much time and effort to keeping the Library running efficiently. Thanks should also be given to Mrs Anderton, whose attention and service to the Library has proved invaluable.

Finally I would like to thank the Librarians, who, despite a few lapses, have worked well and kept the Library running as efficiently as it has in the past.

SOUTHLAND BOYS' HIGH RUNNING THE BALL?

With a team lacking the large forwards of previous seasons we had to revolutionise our style of play this season. Our coach Mr Williams, affectionately known as Clive when out of hearing range, who has been well known for his great forward packs can only be praised for the way he built this year's play around our running backs supported by mobile forwards. The emphasis therefore was on quick rucks and spin and this was no better demonstrated than by scoring 18 points against Pirates in the second half of the first game, and 31 points against Waitaki. One can only wonder how many cigarettes Mr Williams saved while on the side-line in these games.

But none of this was possible without the dedication of the team. Pre-season pessimists wrote us off but the superb fitness of the team and willingness to learn at practice defied these critics and self-satisfaction reigned amongst all members at the season's end. The dedication of another team, our supporters, also gave great motivation and the chants of school... school!! were always there when needed. But most important was the dedication and knowledge of Mr Williams and for this we thank him!

PEN PORTRAITS

Kevin Burns: 'Burnsey'	Fullback - tremendous hands and a powerful runner. Could always be relied on to clear the ball. Some accurate goal-kicking. Has a great future, 7 tries; 34 conversions; 31 pens: 189 points.
Roddy Sutherland: 'Roddy'	Left Wing - some brilliant and strong solo tries pulled us out of the bag several times. Peaked middle of season. Several injury problems. 17 tries; 64 points.
Mark Hook: 'Hooky'	Right Wing - the fastest man on the field who used his speed and changes of direction to score great tries. 23 tries; 92 points.
Grant Johnstone: 'Johnny'	Right Centre - vice captain. Ran strongly through midfield gaps and set his winger up well. A fortress on defensive play. Used his experience (3rd capped year) and brilliance to lead the backs well after a serious early season injury. 11 tries; 1 penalty; 1 conversion; 49 points.
Chris Hook: 'Chris'	Left Centre - combined with Grant well. Fiery on attack and in defence added to the mid-field impenetrability. 7 tries; 28 points.
Bruce Pascoe: 'Noose'	First Five - smallest back but overcame this with intelligent play. Passed the ball on well, setting the backs up nicely. 1 try; 4 points.
Peter Jillings: 'Pedro'	Half Back - played with plenty of fire and determination. Worked well with Bruce at 1st five. Important aspect of his role was driving the forwards. Provided a watertight link. 2 tries; 8 points.
Peter Redpath: 'Fairy'	Number 8 - Captain. Played both on the side and back of the scrum. Led the side well and inspired great team morale throughout the season. Special mention must be made of his outstanding playing ability which saw him make the Under 18 South Island side.
Tim Mason 'Tim'	Flanker - also played at No. 8. Showed great speed to the ball being our scavenger looseie. Sacrificed himself in setting up numerous valuable rucks. Has much to offer next year.

- Mark Kidd:
'Mash'
Flanker - a very solid player making his contribution to the loose trio as well as the tight phases of the game. Came a long way during the season and has plenty of experience now to offer next year's side. 1 try; 4 points.
- David Leckie:
'Gunner'
Lock - played with lots of aggression and drive. Took a lot of fine line-out ball at two and three. 2 tries; 8 points.
- Matthew Smellie:
'Stink'
Lock - was a dedicated worker amongst the forwards around whom a solid core was built. Jumped well at five in the lineout. Has much experience to offer next year.
- Stephen Lindsay:
'Kerm'
Loosehead Prop - was strong in his position matching anyone played. Gave all for his team and once playing aggressively used his weight to good effect.
- Mark Crowther:
'Crow'
Hooker - excelled in this, winning some good ball. Was fast around the paddock and his strength made him invaluable in mauls. Next year's team must benefit from his qualities. 1 try; 4 points.
- Neil Cartwright:
'Hoss'
Tighthead Prop - worked well in the tight and once provoked played with extreme fire. Was part of the solid forward core and he too will be of value next year.
- Lockie Campbell:
Three quarter - used his speed and elusive running to good effect in the games he played. Valuable component for next year. 7 tries; 28 points.
- Lyndsay McGrannachan: Showed great dedication to the team but would have liked to have had more games. Gave solid service as linesman. Only scoring chances came off the field.
- Grant Soper:
The junior member of the team who has gained the experience needed to become a fine first fifteen footballer. Looked after the teams equipment very efficiently.
- Paul Radka:
'Radish'
An all round player who played in diverse positions from full-back to lock. Gave great service to his team.
- Mark Scobie:
'Scobe'
A loose forward who developed well during the season. Good team attitude. Good prospect for next year.
- David Anderson:
When available he played with vigour.
- Club Season: With a new inexperienced team, the average age being 16, most cynics didn't give the team much chance of doing well in the local under 20 grade. But showing great first round form we went through to the half way mark without a loss and two points clear. But with most club sides in the city measuring their ability by how well they do against us and a draw which had us playing the three hardest games on consecutive Saturdays compounded by interschools we weren't to experience the same fortune in the second round. The season ended after 15 games with 12 wins and 3 losses; 392 points for and 123 against.

A feature of the season was some very close games. We snatched last minute first round victory against Invercargill and both games against Old Boys and Marist were very close. The key second round game against Pirates also could have gone our way with just an ounce of luck on any of several occasions. But in hindsight it is satisfying that we beat every team in the competition and I congratulate the team on coming runners-up.

INTER-SCHOOL SEASON

NORTH ISLAND TOUR

A squad of 25 campaigners headed off to Napier and Hamilton in the May holidays accompanied by a handful of parents, Mr Williams, Mr Boyd and Mr Baldwin whose sole function on the trip seemed to be taking photos of the Volcanic Plateau for his fifth form geography class.

On arriving in Napier we found that the Napier Boys' High team had fled to Australia and in an effort to find a replacement team Gisborne Boys' were approached. But they also feared the Southland campaigners and so an Invitation Fifteen was provided as opposition in Napier.

A busload of boys trying to make an impression on the North Island, we left Napier after two days and headed to Hamilton for three further days. With toothpaste grafitti decorating the windows and our chief songster Stephen Lindsay leading an enthusiastic chorus it was easily recognizable to anyone who dared look that we were from the deep south.

Vs COLENSO HIGH SCHOOL INVITATION FIFTEEN

On a hard ground our style of play had the advantage over the opposition. The forwards took complete control in the second half and the backs made several dangerous attacks. Unfortunately we suffered several serious injuries with Grant Johnstone and Bruce Pascoe both put out of the tour. For school K. Burns, G. Johnstone, M. Hook tries; K. Burns penalty and conversion: Invitation Fifteen 2 penalties.

Vs HAMILTON BOYS' HIGH SCHOOL AT HAMILTON: DREW 10-10

With an injury struck and rearranged team we were unable to finish off our moves. Defensive mistakes allowed Hamilton to capitalise and it was only through Mark Hook's brilliance that we equalised. For school C. Hook and M. Hook tries; K. Burns conversion.

B TRADITIONAL

Vs OTAGO BOYS' HIGH SCHOOL AT INVERCARGILL: WON 8-7

A very even game where our small forward pack had to fight for the entire game. Once again we relied on our 15 man game with both wingers scoring but it must be observed that Otago were unlucky to miss several penalty attempts. For school M. Hook and R. Sutherland tries.

Vs WAITAKI BOYS' HIGH SCHOOL AT INVERCARGILL: WON 31-9

Nothing could go wrong for us in this game with the forwards gaining fine ball and the backs using it to every advantage. The Waitaki team pressured very hard at times but couldn't withstand our attacks often beginning in our own twenty-fave. For school R. Sutherland 3 tries, M. Hook and K. Burns tries; K. Burns 1 conversion 3 penalties.

Vs KINGS HIGH SCHOOL AT DUNEDIN: LOST 13-30

King's began very strongly and scored quickly although often against the run of play. It was just one of those days and it wasn't until the last quarter that we showed our real character. We then produced the type of rugby that we had been playing all season, taking complete control and scoring 13 points - but we left it too late! For school M. Hook and P. Redpath tries; K. Burns penalty and conversion.

Vs TIMARU BOYS' HIGH SCHOOL AT TIMARU: WON 33-22

With Roddy Sutherland scoring a try in the first ten seconds the precedent was set for a very fast flowing and entertaining match. We scored several tries in succession but then the game evened out until again gaining dominance towards the end. The backs dazzled everybody on the fast surface while the forwards supplied plenty of ball after finishing hard to gain the upper hand. For school R. Sutherland and M. Hook 3 tries; D. Leckie 1 try; K. Burns 1 penalty and 1 conversion.

Record: Played 6, won 4, drew 1, lost 1, points for 114, against 93.

2ND FIFTEEN RUGBY

Captain: Morris Maxwell

Coach: Mr L. A. Hamill

This year's 2nd Fifteen was a young side and full of potential. This potential was realised in the 1st round of the competition with an unbeaten record but morale sank to a low ebb as we were defeated several times in the 2nd round. Highlights of the competition were wins over winners, Kingswell and runners up, Pirates.

For the first time in 25 years the team won both of the annual inter-school games, beating Otago Boys' 8 - 4 and Waitaki 11 - 0. The win over Otago Boys' was the first in eleven years. A final friendly game against Central Southland College saw the team click and it notched up a resounding 20 - 9 victory showing great skill and co-ordination in both forwards and backs.

The forwards ball winning abilities was aided by a solid pack which was never bettered throughout the season.

In set play the team won considerable good ball with Philip Shepherd and Ricki Clyma doing well in the lineouts and Peter Brown giving good service as hooker. The tight forwards worked well with Ian Welsh and Bernard Blackman always equal to their task.

The loose forwards played well in setting up good second phase play for the backline and always being fast to loose ball, they were an asset to the team.

The backs lacked consistency, but when they 'clicked' they proved formidable opponents to any team. Dave Gibson served the backline well as halfback, while the inside combinations of R. Hoskings, B. Sycamore and M. Maxwell always got the ball to the pacy outside backs P. Noble, S. Moffitt and W. Swinburne.

Our thanks go to Lex Hamill for the hours of coaching and advice and to Morris Maxwell for his fine leadership on the field.

3RD FIFTEEN RUGBY

Captain: R. Newton

Played 12, won 5, lost 7

Coach: S. J. Sapsford

This was the first year that the school entered two teams in the under 18 competition. Throughout the season the team play was of a high standard although it was decided to drop down to the under 17½ competition due to the lack of size in the team. In this competition the team showed its strength beating all opponents including the competitions winners Waikiwi.

The forwards were a small but mobile pack with I. Withington, A. Forrest and D. Nind always giving their best.

The backs were full of talent with hard running and strong fending being the key to scoring tries.

Backs who always gave their best were C. Compton, A. Grant and M. Hall.

The team would like to sincerely thank Mr Sapsford for his dedication, valuable coaching and time spent on the team. I am sure it was appreciated by all.

The team: A. Forrest (vice captain), I. Withington, R. Kyle, D. Nind, K. Bray, C. McDonald, R. Vincent, R. Mills, G. McDonald, M. Daly, R. Newton, C. Warnock, M. Hall, R. Osmond, C. Compton, A. Grant, A. Hall, C. McLellan.

UNDER 17½ RUGBY

Captain: M. Goodsir

Points for 145 Against 92

Coach: Mr Fitzgerald

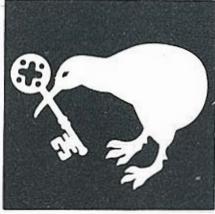

Due to a lack of team spirit in the beginning of the first round the team lost games that it should have won. Then after a few games the team began to play as a unit. The forward pack was generally out weighed by most teams but proved to be faster to the loose ball and were able to gain possessions for their backs.

On the whole the team's play was of a high standard and they managed to gain 3rd place in their competition.

The team would like to thank Mr Fitzgerald for his time spent in coaching us.

The team: Forwards - J. Christie, D. Bennett, R. Hamilton, W. Gumbly, G. Hubbard, C. Hamilton, G. Thomas, R. Richmond, F. Freemantle (vice captain), C. Miller, D. Bourne
Backs - G. Potter, C. Smith, I. Grant, I. Burnard, C. Brown, A. Hitchcock, M. Goodsir, P. Scott, D. Hall-Jones.

UNDER 16 RUGBY TEAM

The team did not have a very successful season because there was only three teams in the competition.

There wasn't very much enthusiasm which resulted in ten losses and four wins. The backs lacked ingenuity and cohesion in the first couple of games, but they improved towards the end of the season. The figures that stood out in the back line, with a lot of pace and some good tackling at times were Regan Soper, Greg Whitau and Phillip Chittock. Their inside backs showing potential as well.

The forwards showed a lot of determination and had the ability to win but the backs let them down at times. The loose forwards played a major part in most of the scoring opportunities. The outstanding forwards were Peter Carlaw, Brent McAlister and Brent Fairweather, with the rest of the forwards combining well.

Our thanks to coaches Mr Baldwin and Mr Clarke.

The team: Forwards - W. Keen (captain), P. Scobie (vice captain), B. Fairweather, B. Welsh, M. Field, W. Christianseen, B. Pay, P. Carlaw, B. McAlister, G. Potter
Backs - G. Duthie, G. Radka, J. Lay, G. Whitau, C. Homer, R. Lawrence.

6TH GRADE A RUGBY

Captain: T. Jenkins

Coach: Mr Shields

Games played 13, Won 10 - Lost 2 - Drew 1
Won the competition with 21 points

After a bad start to the season the players under the coaching of Mr Shields were able to develop into a cohesive network of strong mobile forwards and pacy backs. The understanding and teamwork of the players proved to be a winning combination.

Players to stand out were G. Ludeman, M. Soper, M. Gilbertson, L. M. Smellie. All players turned on solid performances and the win in the competition was a team effort and all players can take the credit.

The team would sincerely like to thank Mr Shields for his expert coaching and dedication towards the team. Appreciated by all.

Team: M. Sycamore, M. Sutton, N. Fallow, S. Murray, T. Jenkins, M. Smellie, P. Tait, C. Atkinson, M. Gilbertson, M. Soper, G. Ludeman, P. Smith, S. Hannon, M. Dobbin, J. Insall, P. Silke, J. Moffit, P. Kennedy.

Soccer

1ST ELEVEN SOCCER

Captain: P. Ferguson

Coach: Mr Vercauteren

The 1977 1st Eleven Soccer Team proved it had the potential of being the best Secondary School team in New Zealand. In two Campaigns to Christchurch the team substantiated the reputation it has held since the successful 1st Eleven of 1974. All but one of the inter-schools were won, with the team losing to Kings 0 - 1. The team was placed 3rd= with Waitaki in a Secondary Schools tournament which was held in Invercargill. It was only because of inconsistency that better results weren't attained. On some days the team was mediocre and on others unbeatable. The team was held together by a competent defence but its downfall lay in the attack, who were unable to score the necessary goals. In the defence, captain and goalkeeper Paul Ferguson organised well and had a consistent season. Ronald Hinton, playing at centre back, showed some aggressive play and along with Ferguson devoured most opposing attacks. At right back A. Fraser had a steady season making few mistakes and combined effectively with J. Kolk on attack. Playing in several positions throughout the season K. Snell did well as did the young players who had their first experience in the 1st Eleven. Vice-captain Robert Love gave the team some spirit with his enthusiasm and contributed well. R. Jackson, G. Yorkstone, J. Kolk and L. Barnett led the midfield and attack and showed ability to control and pass the ball creating numerous opportunities.

Once again Mr Vercauteren gave the team a professional outlook and the team would like to thank him for his enthusiasm and devotion.

THE SEASON CLUB RECORD

Played 15, won 8, lost 4, drew 3, goals for 32, goals average 2.1. G. Yorkstone (9) 3 penalties, J. Kolk 7.

It was in this local competition that the team really showed its inconsistency, although some good games were produced. The best game was in the second round against Old Boys. After losing 1 - 4 in the first game the team came back to draw 0 - 0 in the second with the defense holding out intense pressure in the second half. Dismal results were scored against lowly rated teams such as Kingswell and Marist.

TOURNAMENT RECORD

Played 5, won 3, lost 1, drew 1, goals for 11, goals against 2, J. Kolk, G. Yorkstone, A. Fraser, R. Love, K. Snell (2) each. Position 3rd =.

This was a disappointing tournament as only two goals were scored against the team and both from penalties. All the games were close with the deciding goal usually coming late in the second half. The game against Rosmini College of Auckland was the deciding game, one which the team could and should have won. As the game went on, the tension increased and temperaments began to show. It seemed that experience was lacking as the team could not keep up any momentum.

Congratulations to Rosmini who eventually won the tournament and thanks to the referees, billetters and all others concerned with the tournament.

ANNUAL INTER-SCHOOL FIXTURES

O.B.H.S. (played at School) won 3 - 1

Losing 0 - 1 at halftime, the team came back and dominated the second half, scoring three goals, G. Yorkstone with two and R. Love one. The school defense held a moderate Otago attitude giving few scoring opportunities. Both J. Kolk and L. Barnett had sound games up front.

Linwood High School (played at School) won 2 - 1

This game was also the 1st round of the New Zealand Secondary Schools knockout tournament. There was a lot of prestige placed on this game which was played in muddy conditions on the school ground. Goals were scored by L. Barnett and G. Yorkstone who capitalized on defensive errors. The last 45 minutes saw a determined Linwood attack struggle against the mud, and the school defence which was playing to its limit.

Kings High School (played at Dunedin) lost 0 - 1

This was a close and even game with Kings breaking the deadlock late in the second half. Both teams failed to make use of their opportunities with the woodwork being hit three times by school.

v Timaru (played at Timaru) won 5 - 0

Scorers: G. Yorkstone, A. Fraser, K. Snell (1 each), J. Kolk (2). This game created little interest with the school team being up 4 - 0 at halftime. The second half was highlighted with one goal and Timaru's only goal scoring opportunity hitting the crossbar and going over.

OTHER MATCHES

The highlight of the season was reaching the semi-final of the New Zealand Secondary Schools knockout tournament. After some tremendous games against Linwood 2 - 1 and St Bedes 1 - 0, in the early rounds, the team met Christchurch Boys' High School at Christchurch Boys' High School in Christchurch. The game was lost 1 - 3, but the score didn't tell the whole story. Christchurch scored its three goals within five minutes after an obviously wrong penalty decision was made by the referee. The team was disheartened, but made a strong comeback in the second half and was only rewarded by an excellent goal by G. Yorkstone.

The team was unbeaten in the Freeman Cup but couldn't manage a place at the top as it recorded two wins and four draws.

Congratulations to G. Yorkstone scoring 24 goals and J. Kolk 17. The team would like to thank all those concerned with the 1977 season, especially the Southland Referees who have been appreciated for their hard work and general good nature.

2ND ELEVEN SOCCER

After a bad start owing to lack of team members, the team under the guidance of Mr Love came back with some good wins. We would like to thank Mr Love for giving up his time to coach the team, which was very much appreciated.

This year the 2nd Eleven went up to Gore to play Gore High School. At halftime the score was 1 - 0 to Gore. After a gruelling and rugged second half we ran out the eventual winners 3 - 2.

In the competition we came fourth owing to a bad beginning.

Wins - 7, Losses - 4, Goals for - 32, Goals against - 26.

Team: A. McKenzie (captain), K. Love, (vice captain), T. Osmond, P. Morris, M. Blomfield, D. Hepburn, D. Kincs, C. Bell (goalkeeper), R. Seymour, N. England, N. Tansley, P. Skeggs, J. Naylen (goal keeper) - Mr A. Love (Coach).

3RD ELEVEN SOCCER

Captain: G. Morris

Coach: Mr W. Anderson

This season with the number of teams in the 2nd grade declining the remaining teams moved into the 3rd grade. This increased their chances of success while reducing ours.

As the season progressed, all players improved, but we didn't seem to match the ever present skill of our opponents. The team would agree that what we lacked in goals we more than made up for in team spirit and enjoyment. Our thanks to Mr Anderson for his help and encouragement during the season.

The Team: P. Winter, G. Morris (captain), M. Cross, M. Muller, I. Scott, B. Russell, P. Vear, R. Armitage, I. Taylor, S. Cairns, B. Snegirev, P. Shirley, M. O'Driscoll.

Hockey

1ST ELEVEN HOCKEY

Captain: K. Morison

Coach: Mr R. James

This year the 1st Eleven was again in the city's senior competition. Although it failed to gain a great deal of success in its grade, the team played well and often surprised the more experienced teams with its strong play especially in the defence.

Because of their evenness the inter-school games were well fought and very enjoyable.

Otago Boys', having lost in the previous year, came determined to win. This game resulted in a 3 - 1 win for them.

Against Waitaki Boys' the game was very even with the score being two all soon after half time. Both teams then struggled with our forwards playing well as a group. Waitaki, however, managed to win 3 - 2 with a goal shortly before full-time.

The team showed its true form with a decisive 4 - 0 win against Kings' High at Dunedin.

The first inter-school game was against Gore High at Gore. The score of 1 - 0 to us was a good indication of the close game. The team's goalie, P. Cook, played very creditably.

1ST ELEVEN HOCKEY

Back Row: Mr R.G. James, C.D. Bennett, M.N. Chambers, A.E. Herbison, S.R. Bunting, B.R. Simmons
Front Row: H.A. Riley, P.G. Ophuis, K.R. Morison (Captain), E.J. McLean, I.M. Morison

his skill being recognised by his selection for the Southland Colts' and Men's teams. He was assisted in the defence by the full backs A. Herbison and B. Simmons. The half backs, who proved their abilities in their positions, were S. Bunting, I. Morison and M. Chambers. The forwards improved greatly during the season and worked well together. They were K. Morison, E. MacLean, H. Riley, P. Ophius and C. Bennett.

Mr James must be thanked for his efforts and encouragement in coaching the 1st Eleven as well as the other two teams.

2ND ELEVEN HOCKEY

Captain: D. Skow

Coach: Mr R. James

The team started the season well not losing one game in the first round of the competition. The situation changed unfortunately however when the team was put up a grade and came against stiffer opposition. This was further aggravated when key members were promoted to the 1st Eleven. As a result the team's results for the rest of the season were less successful.

It is however to the team's credit that, despite discouraging losses, the team always turned out a full team for every game, this was something our more successful competitors often failed to do.

Thanks must go to Mr James who despite having to coach two other teams always found time to encourage and advise us.

The Team: D. Skow (Captain), D. Rowe, K. Sutton, N. James, S. Bartlett, G. Nixon, D. Rankin, R. Fraser, G. McPhail, M. McKellar, P. Rogers, P. Ridder.

1ST FIVE

Captain: John Dainty

Coach: Mr J. Long

This year's squad began the season with six of last year's team members returning, and had within its ranks a high level of individual potential, which unfortunately by the end of the season had not been developed.

The team this year competed in the open men's "A" grade competition, but lacked the general experience necessary for a successful season in this grade. Nevertheless the team, on occasions "clicked", and played some fine basketball to win some commendable games.

The major problem encountered in a lot of games through the season was a lack of a true desire to win. This lack of "drive" was perhaps best reflected by a general lack of consistent hard rebounding by a relatively tall team.

INTER-SCHOOLS

V Otago Boys' High - lost 83 - 40

The first real hard game of the season saw a disappointing result. From the beginning of the game the school team was hassled by a hard man-to-man defence from Otago. This resulted in hardships getting the ball up the court and a low number of shots put up, most under pressure.

The first three minutes of the second half saw J. Dainty fouled off and this didn't help the team settling down to the task at hand.

V Waitaki - won 96 - 84

As the score reflects, this was a fast moving, closely fought match. Played at Surrey Park, with a good crowd behind the school, the team "clicked" from the start to lead for the whole game. The school team had a consistently high shooting rate with high scores from all players, including 35 from J. Dainty, and 24 from K. Fraser.

V Kings' High - lost 79 - 48

This game played away from home was disappointing for most of the first half, the team lacked the necessary drive and determination, which saw Kings' leading by ten points at the half. The second half saw a gallant fight back, but not enough to secure a lead. Then several fast breaks from Kings' due to a slip in our defence saw the resulting score.

THE SOUTHERN ZONES SECONDARY SCHOOLS' QUALIFYING TOURNAMENT

The school began the tournament in grand style by thrashing Hargest by 30 points in a fast and exciting game. The second game against Waitaki was characterised by the lack of drive and resulted unfortunately in a loss in an important game.

The second day saw the team drawn to play Otago Boys'. This time the team went into the game determined and was always within ten points of taking the lead. J. Dainty left the court with five fouls in the second half, and Otago gained an unassailable lead and the game. The school however regained a lot of lost honour on their earlier encounter with Otago in the beginning of the season by a commendable game.

The final play-off for third place put the school against Waitaki again, and this game the school made sure of in an exciting finish to the tournament.

The Team:

M. Ridden 5' 6" Guard

Mark throughout the season showed keenness at all games and practices, his long shot on several occasions proved effective, gaining valuable points. With proper coaching Mark has the potential to be a fine ball-carrier.

P. Rogerson 5' 7" 'Guard

Despite Peter's small size, he showed good balance and style all season. He has a good future in basketball and will be the foundation of next year's team.

R. Hoskin 5' 8" Forward-guard

Richard was instrumental all season in the scoring of many baskets. Apart from his high percentage long-shot, he set up many plays, giving fine assists.

C. Mitchell 5' 10" Guard

Chris, the least experienced member of the team, was always keen to learn, and proved to be a hard working opportunist defender.

G. Barber 6' 6" Centre

Although Gavin took some fine rebounds through the season, he generally lacked the mental attitude necessary for a good rebounder. With good basic coaching however, Gavin has potential to be an asset to any team. He achieved the distinction of playing for the Southland under twenty local B team.

K. Fraser 6' 2" Forward-guard

Keith, by the end of the season had developed a good shot which on occasions proved a match-winner. Assuming in many games the position of guard he set up many good plays, expressing a good sense of the game, and should go a long way in the sport. He also played for the Southland Colts.

S. Sharp 6' 3" Forward

Steve proved to be a hardworking player going in hard on the offensive boards in some games. He also showed fine court sense being dangerous close to the basket.

J. Dainty 6' 5" Centre-forward (Captain)

The most experienced player of the team, John led by fine example. He proved very aggressive in most games, an aggression which often saw him leave the court with five fouls. Overall he had a commendable season, captaining the Southland Colts team, playing in the Southland Senior Rep. Team and touring New Zealand with the New Zealand Secondary Schoolboys' Team.

2ND FIVE

Captain: P. Blomfield

Coach: Mr J. Baker

The team started the season with a very capable and experienced squad but due to a lack of coaching and practice the team never fully exploited its full potential. Some key players who come to mind are - P. Blomfield and A. Lindsay, who both were selected for the Southland under 16 team. These two players were very good on the attack and also G. Maha, and D. Campbell were excellent under the basket for recovering rebounds. A. Cairns and S. Muir contributed a lot to the setting up and shooting of goals.

The team would like to thank Mr Baker for doing as much for the team as he could.

The Team: P. Blomfield, A. Lindsay, D. Campbell, S. Muir, G. Maha, M. Wilson, A. Cairns.

JUNIOR BASKETBALL - FORMS 3 AND 4

With four 3rd Form teams entered in the Centennial Hall Competition, the School was expected to do well. The Red team won the competition, narrowly from the Blue team. The two teams played each other twice the first result being a draw, the second a narrow win to the Red team.

The two teams were:

Red - M. Brown, R. Panting, G. Pierce, M. Stevenson, R. Barnes, P. Neville, R. Manson, P. Cummings.

Blue - R. Jackson, D. Findlay, D. Lowe, S. Sinclair, C. Wilson, G. Fyall, T. Goodall, R. McCulloch.

Six 4th Form teams were entered in the Centennial Hall competition. This was a hard grade this season, and school teams did well to finish runners-up in both section I and section II. Runner-up in section I was the Blue team consisting of - S. Springford, R. Chambers, C. Urquhart, C. Carlaw, I. Martyn, D. Maha, G. Dainty and A. Liddell.

Runner-up in section II was the White/Blue team, consisting of - A. Dawson, B. Gunther, S. Ford, N. McGrannachan, D. Moir and P. Fincher.

Thanks to W. Lobb, P. Rogerson, S. Sharp, J. Dainty and G. Barber who coached Junior teams right through the season.

SENIOR BASKETBALL - FORMS 5 AND 6

Three teams were entered in the Centennial Hall competition. Although the Blue team was only the 4th Five, it played well to win the competition, the ninth year in a row the school has won this grade.

The team was: P. Ball, G. Pascoe, L. Lloyd, K. Lamb, G. Harvey, P. Shuttleworth, B. Geary, V. Lee.

DUNEDIN TOURNAMENT TEAM

Mr Long took an Under 16 team to the August tournament. This is the first time the School has entered this grade for many years. The team of Alister Lindsay, Gregory Pierce, Ricky Panting, Simon Springford, Stephen Sinclair, David Lowe, Murray Brown, Craig Urquhart, and Reece Murphy played well against teams that generally consisted of more mature players to win two matches and lose three. Two of the games were lost by less than twelve points, finishing 5th out of nine teams, most of the team will be eligible to return next year and hope to improve on this placing.

Back Row: N.J. Bartlett, Mr R.A. Dear, R. Hamilton

Front Row: K.B. Huffadine, D.J. Hepburn, M.R. Matheson (Captain)

Captain: M. Mathieson

This year proved a difficult one for the school badminton team. Losing the whole team from last year we had to start afresh. With some consistent playing from Roy Hamilton and Ken Huffadine, and some good support from Naren Bartlett who improved tremendously through the season, the school had a win over Waitaki Boys' High 4 - 2. With the exclusion of N. Bartlett through injury his place was filled admirably by David Hepburn. The biggest failure of the season was a whitewash by Kings' High 6 - 0, when playing away. Nobody could get into gear and it was a disappointing effort on our behalf.

This year was the first time the school has had a team entered in the local D grade competition. Here we had another bunch of fine players, A. Turrell especially, who with a little application will prove a great wealth to the strength of the team next year. We played consistently throughout the competition but losing two weeks in a row to relatively weaker teams we dropped from fourth down to a miserable eighth. The second loss was to Kingswell 9 - 7, when we lost the last two games of the night. But a come back in the latter part of season saw our rising to third place before the final night, when we lost to fall back to third equal. As captain of the team I would like to thank all players who filled in and played regularly throughout the season and our greatest thanks to Mr Dear who gave us strong support, coaching and even playing for us on the odd occasion.

Table Tennis

At the beginning of term two trials for the school's table tennis teams began. After extremely tough trials had taken place the schools top eight players were chosen for our two teams.

Team 1: D. Hall 3B, P. Ellis 4A, M. Ferns 4A, W. Sutherland 4B
Team 2: K. Love 6C, I. Reid 6B, A. McKenzie 6C, W. England 3B

Being held at the table tennis hall, competition was tough against neighbouring schools, and Southland Boys' had to sweat hard to hold their mark.

With the occasional brilliance of Raymond Shave 6A2, our No. 1 team ended 2nd in the competition, and our No. 2 team was placed 4th.

Cricket

1ST ELEVEN CRICKET

This year's 1st Eleven was a young team, with only two players returning from the previous seasons. The team played as well as could be expected, but will definitely improve in the coming season, having gained experience and confidence.

The team:

Richard Hoskin: Top order batsman who scored consistently, and held a relatively inexperienced side together with some good captaining from behind the wicket.

Kevin Burns: The work horse of the team with both bat and ball - scoring consistently with both. He is also an exceptionally good fieldman.

Mark Kidd: Opening bat and technically a good batsman, who saw the innings off to a steady start. His bowling also gained valuable wickets.

Ian Welsh: Fast right arm bowler, always being able to put pressure on the opposition, even after bowling for long spells, hence showing stamina.

Grant Hubbard: Always gave all his effort, when out in the middle. He scored runs in matches when they were needed, particularly in the fixture against Kings' High School.

Phillip Tait: A young batsman with obvious talent, who applied himself well in the inter-schools, scoring well against both O.B.H.S. and K.H.S.

Douglas Borne: Fast bowler. Although inexperienced, he will be an asset in the coming season.

Richard Beale: An all rounder who proved very capable with the bat when the pressure was on, although unfortunately he didn't get the opportunities with the ball.

Grant Soper: Right arm off spin bowler, who did a lot of very good bowling to pick up a lot of wickets. He is also a fine fieldsman.

Craig Smith: Medium pace bowler, who proved to be very consistent when asked to bowl, although not playing all games.

Chris Hook: Middle order batsman, who scored regularly throughout the season and also made a good job of keeping wickets when asked to.

1ST ELEVEN CRICKET

Back Row: M.F. Ridden, R.R. Beale, G.W. Soper, P.J. Tait

2nd Row: I.K. Welsh, D.D. Borne, M.R. Kidd, Mr I.M. Shirley

Front Row: C.J.J. Hook, G.E. Duthie, R.N. Hoskin (Captain), K.J. Burns (Vice Captain), G.E. Hubbard

Grant Duthie: Right arm batsman, who had chances to score, but unfortunately couldn't capitalise on them. Hopefully with more experience this season he will score well.

Mark Ridden: An all rounder, who improved as the season progressed. He scored a lot of runs and bowled consistently well.

INTER-SCHOOLS

King's High School (14.3.77)

King's batted first, and being 121 for 3 looked set for a big score, but some controlled and varied bowling finally dismissed them for 187, with Welsh and Burns each taking 3 wickets. School replied dismally, being all out for 87, with only Phillip Tait showing any resistance.

Being asked to bat again, School went on to score 178 with fine batting from Phillip Tait, Kevin Burns and Grant Hubbard. This left King's 170 runs to score with a whole afternoon's play left. Unfortunately rain interrupted play, and they didn't get the chance to bat again. Result - a draw.

King's - 1st innings 187 - I. Welsh 3 for 38, K. Burns 3 for 50, G. Soper 1 for 42, and M. Kidd 1 - 29. S.B.H.S. - 1st innings 87 - P. Tait 21, M. Ridden 10, (Extras 19). S.B.H.S. - 2nd innings 178 - K. Burns 51, P. Tait 47, G. Hubbard 30 and C. Hook 22.

Otago Boys' High School (14.3.77)

School batted first totalling 136 with Phillip Tait scoring freely until he was out for 32. Kevin Burns (29) and Richard Hoskin (23) also batted well. T. Dunn for O.B.H.S. bowled well taking 6 wickets for 41 runs.

Otago replied with a total of 198, giving them a lead of 52 runs.

The second innings started off badly for school, and the rot set in right through the batting order, with only Richard Beale showing any opposition in scoring a fine 24 NOT OUT. School was dismissed for 67, leaving Otago only 6 runs to score an outright victory, which they did, without loss.

S.B.H.S. - 1st innings 136 - P. Tait 32, K. Burns 29 and R. Hoskin 23. O.B.H.S. - 1st innings 198 - K. Burns 6 for 41, I. Welsh 2 for 54. S.B.H.S. - 2nd innings 67 - R. Beale 24 not out and M. Ridden 13. O.B.H.S. - 2nd innings - 10 without loss.

2ND ELEVEN CRICKET

Captain: T. Burnard

The team with only one member returning from last year took time to establish itself particularly in batting where several disastrous collapses occurred at the start of the season. However, steady bowling by T. Burnard, C. Smith and D. Borne and improved batting especially by the opening partnership of J. Christie and N. England enabled the team to achieve creditable results later in the season.

The team was keen and dedicated and with many returning next year the 2nd Eleven should become a good team.

The Team: T. Burnard (Captain), R. Newton, G. Wilson, D. Hall-Jones, A. Hitchcock, G. Pascoe, N. England, A. Turrell, J. Christie, D. Hayes, C. Smith, D. Borne.

Tennis

INTER-SCHOOL TENNIS TEAM

Captain: Morris Maxwell

This year's team was much younger and less experienced than in recent years, with only one member returning from the previous year's team. However the first inter-school against King's High School played at the school resulted in a good win to the school by 11 matches - 6 matches.

This was a good performance by the school team especially on the second day when we won 6 matches to King's 2. This fine performance by the school team was somewhat overshadowed by a 20 matches to 1 loss to Otago Boys' High.

However this Otago team was virtually unchanged from its strong 1976 team and had too much depth and experience for the young school team.

The team comprised of Maurice Maxwell (Captain), Kevin Snell, Mathew Smellie, Craig McLellan, and Wayne McGuiness, with Kevin Maxwell and Michael Taylor the juniors who played against Kings. Special mention must be made of the juniors who never dropped a set in their games against Kings.

The School Tennis Championships were this year played right at the end of the season, and as a result of the late completion of these champs, some of the favourites were knocked out very early in the piece. The Senior Championships were eventually won by Richard Hoskin who beat Kevin Snell in the final 6 - 0, 7 - 5.

The Junior Championships as expected resulted in a playoff between Michael Taylor and Kevin Maxwell. Taylor played better on the day and won in two straight sets 6 - 2, 6 - 4.

The Senior Doubles were won by Vincent and Huffadine 6 - 4, 6 - 4 over Smellie and Smellie with McAlister and Taylor winning the Junior Doubles.

JUNIOR TENNIS TEAMS - U 12 GRADE

Captain: K. Snell

The school entered six teams in this grade with all players turning up on Saturdays, unlike previous years.

The teams were:

No. 1 team:	K. Snell & A. Coates
No. 2 team:	L. Barnett & G. Yorkstone
No. 3 team:	T. Snell & L. Falconer
No. 4 team:	A. Barnes & G. Barber
No. 5 team:	W. England & H. Dowler
No. 6 team:	R. Christophers & M. Coshead

The teams placings at the end of the season were: No. 1 5th, No. 2 2nd, No. 3 7th, No. 4 8th, No. 5 11th, No. 6 13th, a good effort by all teams with the competition having 14 teams in it.

'B' GRADE - MIXED

Captain: J. Dainty

With R. Ameratunga, M. Fitzgerald, J. Hunt and W. Ball leaving school four new talented members had to be found and so it was that, P. Redpath, S. Sharp, J. Dainty and K. Snell teamed together with four girls from Girls' High to uphold a good record left by the previous team.

With the team being 1st= at the halfway mark of the season the new team played well and creditably but didn't have the experience and pace to stay up with the leaders.

With the team playing seven games, they produced four wins and three losses. Losing closely to overall winners Clifton 9 - 7 was the highlight of the games.

With this, the school team ended up in 6th= place out of a field of 13 teams.

A grand effort by the team, with the boys' doing their part well, but the girls being slightly outclassed by the rivals.

SOUTHLAND SECONDARY SCHOOLS TENNIS CHAMPIONSHIPS

Unfortunately, the Junior events were cancelled, due to very poor weather. The school had a strong team in Kevin Maxwell, Daryl Atkinson, Michael Smellie and Nicholas Tansley, and was expected to do very well. The Senior team, headed by Paul Dale and Rohan Ameratunga played creditably. Paul won the singles and Rohan easily won his way through to the semi-finals, only to be beaten by Paul. Together, they were runners-up in the doubles.

Rowing

Rowing reappeared this year after some absence from the Boys' High sporting scene. Our thanks going to the Waihopai Rowing Club for supplying the gear, which was put into usable form by the organisation of our coach Mr Mather.

The team this year was composed of pupils, previously associated with outside clubs, coming together to represent the school in the arrival South Island Secondary Schoolboys' rowing fixture held at Lake Waihola.

With only six of the eight boys having previous experience Mr Mather had the job of teaching two new-comers to the sport, but through trial and error they soon picked up the timing which is essential in rowing, with only three months in which to practise before the fixture at Waihola. Most mornings from 6 - 8 a.m. were spent rowing down the chilly Oreti and then returning to school.

The Team: P. Culling, M. Kidd, S. Moffit, B. Sycamore, D. Gibson, I. Grant, I. Withington, A. Weir, B. Hoffman (Coxswain).

The team finished 5th in the final of the eights which was raced in choppy conditions. The other two races were the fours in which the experience of other schools really showed out, especially from Christ's College with a team who had been together for three years.

Hopefully, rowing is here to stay and can become a regular sporting fixture in the school.

Athletics

Athletics in the school this year was perhaps not as strong as in previous years, but individual performances at meetings such as the Southland Secondary Schools, and Otago-Southland Secondary Schools were notable achievements.

The introduction of the South Island Athletics meeting two years ago has provided school athletes with an incentive, and a stepping stone to the Nationals. Performances at this meeting were highlighted by L. Campbell who was placed 1st in the 100m and 3rd in the 200m intermediate boys. B. Smith was 2nd in the int. 1500m and the senior boys relay team of G. Johnstone, J. Devery, A. France, M. Hook, were placed 2nd in the final in a time of 44.8 seconds. It was unfortunate that our two younger Javelin Otago/Southland titleholders, D. Borne (junior) and Murray Soper (U/14) were not catered for at this meeting.

The team would like to thank Mr Lauren and Mr Rankin for their valuable contribution to athletics in the school.

Harrier Team

Inter-schools - won 3 Lost 1

Waitaki B.H.S. at Invercargill: With Waitaki sending only a below strength junior team we had little trouble in recording an easy win - 1st S. McCoy, 2nd M. Journeaux, 3rd R. Osmond, 4th E. Ireland. Won 10 - 26.

Gore H.S. at Gore: School runners once again won by a wide margin with M. Morris turning in a mighty run only to be beaten by B. Smith on the line.
 Juniors - 2nd S. McCoy, 3rd M. Journeaux, 4th R. Osmond, 5th D. Ireland - Won 14 - 22
 Seniors - 1st B. Smith, 2nd M. Morris, 3rd I. Coldicott, 4th P. Hoffman - Won 10 - 26, Won overall 24 - 48.

Kings H.S. at Dunedin: School mastered a difficult course to record a well deserved win.

Juniors - 2nd S. McCoy, 3rd M. Journeaux, 4th R. Osmond - Won 9 - 12
 Seniors - 2nd B. Smith, 3rd I. Coldicott, 4th P. Hoffman - Won 9 - 13 - Won overall 18 - 25

Otago B.H.S. at Invercargill: With a weakened school team due to illness, we competed against a very talented O.B.H.S. team with B. Smith, M. Journeaux and S. McCoy being the only ones to show any form.
 Juniors - 2nd M. Journeaux, 3rd S. McCoy, 7th R. Osmond, 8th B. Mathews - Lost 20 - 16
 Seniors - 3rd B. Smith, 6th Burnard, 7th P. Hoffman - Lost 25 - 11 - Lost overall 25 - 11.

CLUB RUNS

Juniors Colts: M. Journeaux and R. Osmond turned in good consistant races as did S. McCoy later in the season. B. Mathews, D. Stephens, M. Ferns and W. Morris made up a strong junior team which has a good future ahead of it.

Senior Colts: Due to lack of numbers, the senior team was reduced in strength, but still turned in some good races with P. Hoffman running as extra man. We got off to a good start with an impressive win in the block relay, followed by a second in the teams race at Forest Hill. M. Morris took second place in the Lumsden handicap with B. Smith and I. Coldicott taking 2nd and 4th fastest times respectively. To cap off the season we won the Southland Road Championships with B. Smith 3rd and M. Morris 4th. They deserved their selection to run for Southland at the New Zealand Road Championships.

The Southlandian Old Boys Notes

The Old Boys Association currently has 365 local members and strong branches are established in northern city centres.

The committee's present concern is the building and associated fund raising of a lodge for presentation to the school at its 1981 centenary. After two years of investigation in close collaboration with the school, a lodge site has been selected in the Te Anau Downs area. The lodge will be sited in a clearing in forestry land and will be a purposeful and attractive gift to the school enabling all boys to benefit.

The Association has so far raised \$10,000 towards the project with a target of \$150,000. Hopefully present pupils and their parents will be able to materially assist the completion of this project in a number of ways.

This year the Association was once again pleased to be able to send a pupil, Mark Scobie, to Anikiwa. As well, donations were made to the music department, radio club and some remedial reading materials were purchased.

With regret I record the deaths of the following Old Boys: George Hayward, Deputy Principal of Aparima College; Mark Alabaster, past master of the school.

The Association congratulates Brian McKechnie on All Black selection. He has the honour of being the first Old Boy to achieve this distinction of representing New Zealand in both rugby and cricket.

Welcome to Dr Hugh Tapper who has returned from North America to take up practise in Invercargill and welcome also to Dr Barry Rutherford who has won distinction as a surgeon and will shortly make an extended visit to the city.

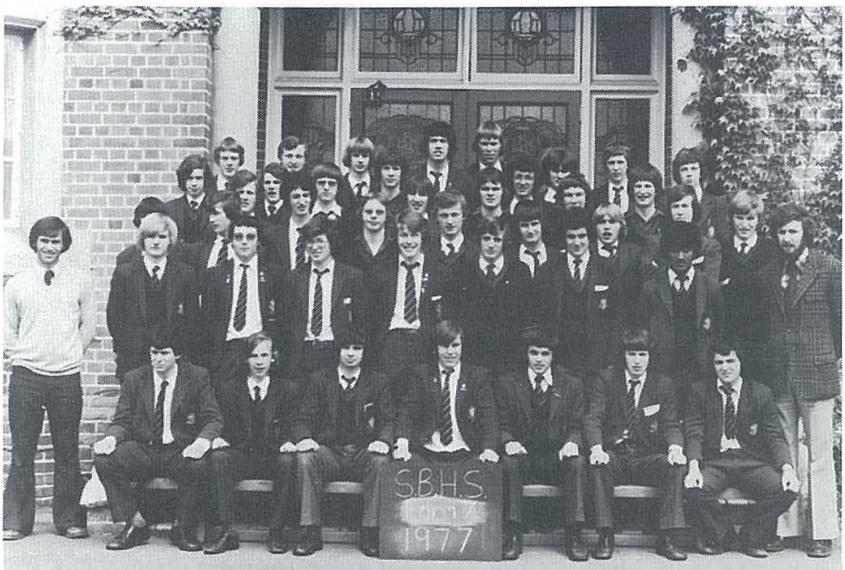

Russell Read,
President

Parent - Teacher Association

It is appropriate that the Southlandian should include mention of the P.T.A. In many ways we tend to think of a school as a building, but it also comprises of people, namely students, staff and parents and to be successful it requires some integration of these groups. The P.T.A. provides the opportunity for staff and parents to meet on common ground and discuss some of the problems confronting both groups. In these times of rising costs, the Educational System lacks many essentials and fund raising has become a necessary evil in all schools. By taking an interest in school activities through the P.T.A. parents will gain a better understanding of today's teaching methods and the necessity for extras not provided for in the Educational Vote.

Catering for school functions, operating the Opportunity Shop and assisting with the canteen are everyday examples of P.T.A. involvements and I would like to take this opportunity on behalf of the School of thanking parents, staff and students who have assisted in the running of these services.

O. K. Welsh,
President,
Parent Teachers' Association
