From The Rector's Annual Report

On 17 December, 1980 the school begins its second hundred years, and I refer specifically to four characteristic features of the education offered by Southland Boys' High School over its first hundred years:

scholarship;
its liberal outlook;
physical activities;
social responsibility.

Scholarship

Our tradition of scholarship has developed from the qualities students have brought to their studies, and we have always been fortunate in having staff who have been able to pass on their enthusiasm and dedication to students, as well as to teach them.

For the last 15 years the school has sent annually 30-38% of its Form 3 intake on to university and tertiary education. It is no mean feat for a small school to average one university scholarship award annually for close on 100 years, and our Old Boys have an outstanding record of successes at university and beyond. Today's senior school is organised to encourage and develop habits of scholarship - whether in special Form 7 classes, or in art or music groups, or in research and individual projects in technical drawing, history, geography, and biology.

Our liberal outlook

There is a strong tradition of progressive education running through our first hundred years. In an era when education meant Latin and Greek, our second headmaster, whose interests were predominantly scientific, established a laboratory in 1889; in the 1930s my generation received an education that was new in most schools twenty years later. The practical application of "Not for school, but for life" has changed substantially over a century to meet the needs of the times; and today we find that, for years, we have aimed at developing the skills listed in the new philosophy of the "marketable skills" which will be required in education for the '80s.

It is almost four years since we purchased our own CCTV or video equipment.

This year we purchased a sophisticated Apple II Plus 48K micro-computer and video display unit. Already over half the school have had "hands-on" experience. We know even now that in little more than five years machines such as these will be an integral part of teaching generally. By the early 1990s it seems certain that, with personal micro-computers available to all, students will be able to sit, even at home, with their own units linked to a central data bank.

Physical activities

From its beginnings Southland Boys' High School has adopted the Greek ideal of "a sound mind in a sound body", and the importance of physical activities has always been emphasised. Rector Toby Pearce had these grounds developed, and the sports pavilion built, many years before this school was built. The old gymnasium was built only a year or so after the Pearce Block was occupied.

This year I want to commend the performance of school teams. The falling roll has weakened the base for building teams; yet no teams have dropped down a grade, and all have performed courageously. Our First Rugby, Soccer, Basketball, Hockey, Badminton and Cricket teams are the only school teams playing in their grades. Two basketball teams, the Second hockey XI, two junior soccer teams and 2 junior rugby teams and the First cricket XI won their grade championships, and the First XV, a junior rugby team, and junior basketball team were runners-up.

Outdoor education has been long established in the school - you will find an account in "The Southlandian" of 1928 of a school camp at Lake Monowai with a tramp in to Green Lake. Since 1965 we have been involved in large scale activities involving at least 350 boys annually, and today many of the camps cover school and examination syllabuses, as well as being part of our physical education programme.

The Old Boys' Associations's Centennial Lodge project is imaginative, is in the best tradition of the first hundred years, and will benefit, in our second hundred

years, not only every boy going through Southland Boys' High School, but also many other young Southlanders.

Social responsibility

Southland Boys' High School was established to serve the Southland community, and its responsibility has become greater as its students have been drawn from wider cross-sections of society. From time to time events bring home to us how well we have met the needs of our community. We were most encouraged to realise how greatly people sympathised with us when the Pearce Block was almost lost in the fire at Easter this year. We already realise that the Centennial next year will demonstrate the regard that Southland and Old Boys have for the way the school has met its responsibilities over a century.

Staff Notes

As is usual at the beginning of each school year, several new faces appeared on the scenes. They included Mrs Evans to teach Maths; Miss Boyd, English and History; Mrs D. Randall, Remedial Reading; Mr Reid, PE; and Mr Armstrong, who came across the Tasman to teach Maths. Mr Lawrence arrived in March to add to the English and Languages departments and at the beginning of Term 2 we welcomed Mr Dickson, an addition to the Social Studies and Geography staff. The new Guidance Counsellor, Mr Downey, also arrived at this time from Methven. In the office Mrs M. Randall replaced Mrs Gimblett. We hope all these people have enjoyed their experience to date at the school.

We bade Mr Lea farewell during the first term. He left for an overseas trip and well earned retirement with his favourite hobbies of gardening and bee-keeping. We wish him well in this more relaxing atmosphere. Mr Levick also departed for alpine adventures in remote parts of the world. With the arrival of Mr Lawrence, Mrs Read also left us. Just prior to the end of the second term, Mrs Fletcher left to add to her family. Mrs Morrison continued her work until Mr James arrived back from overseas. During Mrs France's absence in June, July, Mrs Shirley took the music classes. We thank all these people for their valuable contribution to the school.

At the end of the year we say goodbye to Mr Bemrose who is also to enjoy the pleasures of retirement. We thank him for his work in the technical department which stretches back over a number of years. Mr Smith also leaves us, making his return to Britain by more conventional means than when he arrived two years ago. Both of these gentlemen will be sorely missed by the school. We wish them both well for the future.

Yannick was not all that well-known throughout the school but he was well-liked by all the senior boys who took French, appreciated by the Soccer team he coached and he organised two dynamic but controversial staff soccer matches. He was part of the New Zealand-French teacher exchange and he was employed to improve pupils' conversational French. He taught at Tauranga for a year and then he came to Invercargill for 1980. Five Invercargill schools had the privilege of his tutoring.

He came from Vendee in Brittany where his parents had a small farm. Before coming to New Zealand Yannick had taught in Wales (Welsh rugby is far more skillful than ours in his eyes). Yannick was a very keen sportsman who even tried his hand at the most English of games, cricket. "A very funny game" he said. In December, Yannick flew over to India from where he was to bike back to France on his ten-speed.

Yannick was much appreciated for his ability to communicate with us and we presented him with a small gift at the end of the year. His successor, Michel Faury from the South of France, will, I'm sure, be another great success.

Merci Yannick

Spectacular Fire At S.B.H.S.

Detectives and fire safety officers are treating as suspicious a fire which seriously damaged a portion of Southland Boys' High School on Saturday night.

Fire Cause Not Established

Police have drawn a blank in their investigations into the fire which swept through the western part of the main Southland Boys' High School block on Saturday night.

On Saturday April 5 at approximately 8pm, flames were seen breaking through the roof of Southland Boys' High School's Pearce Block in the West Wing. On arrival of the Fire Brigade minutes later, the fire had a firm control of the building. Although the fire was confined to the roof, extensive damage occurred in Rooms 10, 11 and 12, as the ceiling collapsed because of the weight of water being poured from above. There was severe water damage in the offices below and in the Rector's office. Rooms 13, 5 and the canteen also suffered water damage.

A fire wall and the closed door of an attic room prevented the fire spreading to the other half of the top floor.

No School On Wednesday

There will be no classes at fire-damaged Southland Boys' High School Wednesday, but teachers have been asked to return that day at the normal time. Pupils have been asked to remain on Thursday morning.

Slate Tiles For Roof

Authentic slate tiles may be obtained to replace parts damaged by fire on April 5.

School
About half of the 70 firemen
at the scene of a fire at
Southland Boys' High School
on Saturday night were in-
volved in salvaging the depart-
ment, Mr L Baldwin (left),

part of the bu-

Half of the firemen on duty at the fire salvaged what they could from the flames, aided by Messrs Bonney, Baldwin, Hamill and I Adcock (a passer-by).

At 9.25pm the fire was brought under control and only cleaning up remained. Civil Defence Light Rescue was called in to provide interior lighting which made cleaning up easier.

Two firemen kept watch over the school all night with three Civil Defence Officers.

Early Sunday morning a portion of the fire broke out again but was quickly put out by firemen and Civil Defence Officers.

At 8.00am on Sunday morning Mr Christensen (the ex Chief Fire Officer to the Invercargill Fire Brigade) returned to the school to check for cracks in the brick wall where the fire had been fiercest. None were found (fortunately as high winds might have brought the wall down).

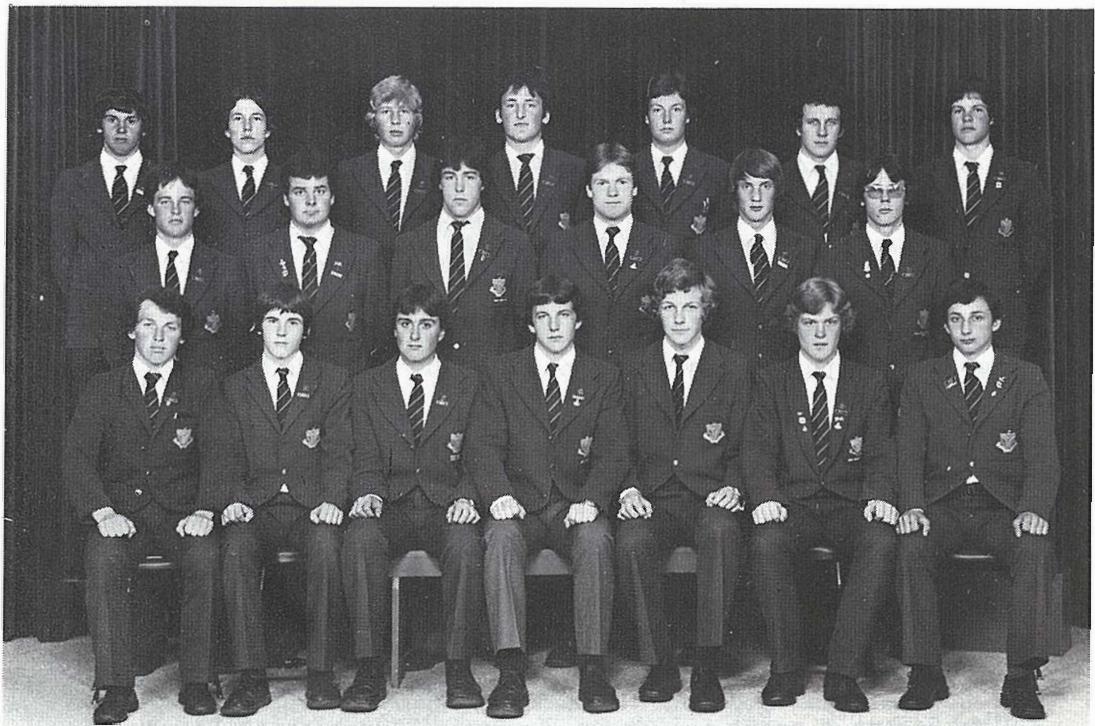

The last appliances, fire and CD personnel left at 9.30am after a total of 13½ hrs at SBHS. Police were called in to keep the concerned citizens of Southland away from the building area.

Mr Cornwell had his first look at the remains of the Pearce Block, West Wing at 5.00pm on Sunday, after hurrying back from Wanaka.

Cleaning up started on Monday with staff, PTA cleaning ladies and three Prefects hard at work getting the school ready for the anxiously waiting pupils to get back to work on Thursday.

An estimated \$80,000 to \$150,000 worth of damage was done to the school. The fire started in the ceiling above room 10 in the corner next to the stairs leading to the old library, Police have ruled out arson and there was not enough evidence to show an electrical fault, so it will probably never be known how the fire started.

A special thanks goes to the Invercargill Fire Service who with their quick and accurate defence against further damage, saved the school from burning; and also to those who helped in salvage during the fire and cleaning up after the fire.

Spirit of Adventure

Peter C. Henderson 7B

During the second term I was fortunate enough to gain selection and represent the school on the "Spirit of Adventure". I flew out of Invercargill on the 3rd June and after some radar trouble at Wellington airport and fog at Auckland I finally arrived at Marsden Wharf, two and a half hours late. The ship was a great sight - all 105 feet of it. Its gross weight is 125 tons; beam 21'6" with a mast height of 89 feet. Quite a sizeable ship but in rough seas it looks and feels a lot smaller. The crew is made up of a Master, Engineer, Chief Officer, 2nd Officer, Auxiliary Officer, Cook and 27 trainees.

After we were outfitted we looked over the ship what was to be our home for the next ten days. We slipped berth that evening at 1630 hours and moved under power to Motuihe Island and dropped anchor at 1750 hours. We then had instruction in bagging sails, distress signals, fire and man overboard, and finally got to bed at 2130 hours.

During the next few days we concentrated on navigation, and the use of navigational aids, small boat handling, radios, radar and sailing in general. We were divided into three watches and the mornings started off with a chilly 6 am swim. This was followed by breakfast, deck scrubbing, cleaning the ship and other routine chores. More instruction and then the thrill of setting sail and away. The ten day voyage took us to many islands in the Hauraki Gulf including Kawau where Governor Gray's house is. Our all-night sail was a stormy one and the ship was leaning up to 45° at times. It was exhilarating up on deck but not so healthy down below. Being out on the bowsprit was a great experience and we were able to watch the phosphorous glow of the porpoises as they kept ahead of the ship.

Sailing stations were changed every three days and by the end of the trip every trainee had some experience on all aspects of seamanship and on the last day we had to prove ourselves by sailing the "Spirit" into Auckland Harbour on our own.

Altogether it was a very memorable experience, not only from the sailing aspect but also the comradeship. Living and working together in close quarters teaches one to be considerate to and tolerant of others under many conditions. I would like to thank the School for giving me the opportunity to be a part of this adventure.

Outward Bound

During the May holidays I was fortunate enough to be chosen to attend course 187 of the Cobham Outward Bound School at Anakiwa in the Marlborough Sounds.

The course involved many varied and interesting aspects, including rock climbing, tramping, sailing, public service, solo, and many miles of running. All of these activities require great endurance and continually being placed in situations of stress, both physical and mental. In many cases mental endurance controlled physical limits, a point quickly learnt. The aim of the course was therefore to make a person perceive his limitation and gain a glimmer of his full capabilities.

As well as the aspects of endurance and limits, the course is strongly centred around team co-operation, and being able to work to help others. Upon starting the course we were split into groups of fourteen for the whole twenty-three day course. At first it was almost a case of each man for himself, which was strongly evident in that as a group, nothing could be done successfully.

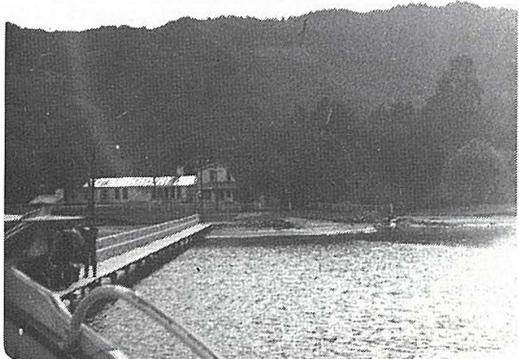

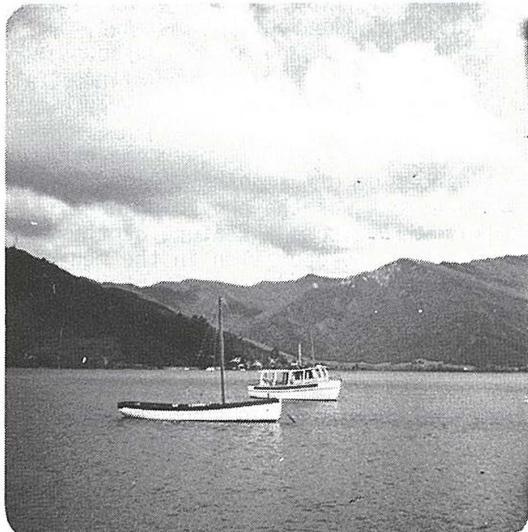

The only way to get anything done was with continual group effort; it being essential to give help when you could, and maybe more importantly accepting it as the situation demanded.

The course tests each person for adaptability, reaction to stress and most importantly team spirit. From this stems a better insight into oneself, understanding of others, and appreciation of many things taken for granted. It is for this reason I strongly recommend anyone who has the opportunity, to go to Outward Bound, as it is something of great value and benefit for a time long after having attended a course.

I would once again like to express my sincere gratitude to the Old Boys'

Association for giving me the opportunity to attend a most memorable course, and for an experience never to be forgotten.

Dean Stephens.

Fourth Form Ad Camp

Six out of the seven fourth forms went to Borland Lodge whilst the other class went on a tented camp to Lake Mavora.

The Borland trips were undertaken during the second term and good calm weather was enjoyed by all groups.

Each group covered the usual outdoor skills, i.e. map and compass work, river crossing, basic rock climbing, camping and for the first time Canadian canoeing. In view of the fact that the school had spent \$2000 on Canadian canoes we decided that the programme ought to be biased towards canoeing.

We decided to be adventurous and undertook a six mile voyage up Lake Monowai to Rodger Inlet. The class was organised so that half of them canoed to Rodger Inlet whilst the other half walked and on the return trip the positions were reversed. It appears that most of the boys enjoyed themselves especially once the canoeists had learned to keep the canoes on a straight course.

The camp at Mavora followed a similar programme.

Social Committee Report

This year's Social Committee underwent its tasks admirably in close liaison with its opposite numbers at Girls' High. As is traditional with starting off the social year, the Sports Dance was held with Bandit providing the music. With an excellent turn out from the senior school, things looked good for the coming year. The third and fourth formers however were fully catered for, and throughout the year they experienced four dances between them. Music was usually provided by the "Quazur" disco, owned and operated by Henry Dowler and Stephen Sinclair and thanks must go to them for their hard work over the year.

As is customary before the formal, the ice-breaker was held, and all bashful tendencies aside, many a bold move was made that night in securing a partner for the approaching formal. Dancing classes were supported extremely well as techniques obviously left a lot to be desired. The Social Committee would like to take this opportunity to sincerely thank Mr and Mrs Pethig for their sterling work over this

period. Due to the hard work of the SBHS Art department, the Girls' High Hall was transformed into a real "Olympia" atmosphere the theme of this year's formal, with pillars and other appropriate decorations totally disguising the Hall. With the formal night finally upon us, Girls' High Hall was invaded by well dressed young ladies and gentlemen to enjoy the results of much hard work from the Social Committee, Prefects and all others who put in time and effort to make the formal the resounding success it was. The "Rodenburgs" provided the music and again the art of ballroom dancing was revived. To all those concerned with the formal and indeed for help throughout the whole of the year, we say thanks.

The Social Committee has achieved much over the year, having to overcome many problems, but still gaining much from seeing the dances go off smoothly. Probably one of the notable features of this year's committee work was the providing of a supper at the third form dance and it is hoped this will become a feature of these dances. Thanks to Mr Cornwell and Mrs Clarkson for their co-operation in the run of things and to all those staff who helped in the supervision of dances. Thanks also to the Girls' High Social Committee and Prefects, who with many reciprocal visits were able to organise these social activities throughout the year.

Lastly we would like to thank all those pupils of both schools for their support and attendance.

We wish next year's social committee the best of luck in their undertaking.

Social Committee this year: Peter Henderson, Warren Gumbley, Derek Mark, Andrew Read, Gregor McKenzie, David Beale.

Coldstream Hostel

1980 was undoubtedly a successful year for Coldstream Hostel with the hostel at maximum operating capacity, and Mr and Mrs Magrath continuing their efficient management. Initial staffing problems were overcome with the arrival of three young supervisors - Miss Rogerson, Miss Cotter and Mr Wybrow. Their youth, enthusiasm and ability to communicate with the boys has been a real asset to hostel life. This year also saw few seniors returning and has lead to a younger group of prefects and a greater responsibility being placed on the senior boys.

House athletic sports saw Coldstream establish a solid points lead on Standards Day, due to the purchasing of a trophy to be presented to the highest points scored on Standards Sports Day, by Mr and Mrs Magrath. The keen contesting of the trophy was responsible for the success of Coldstream in the athletic sports, although few boys were placed on Finals Day. As is traditional, winter sports saw a spirited effort by Coldstream, resulting in the inclusion of nine boys in the SBHS 2nd XV and three boys in the JHHS 1st XV, and keen rivalry in the town Under 18 rugby competition. Mention should also be made of the four boys who were included in the Southland Under 16 team. The winter houses sports rugby was dominated by Coldstream as the junior team decisively won their section and the senior team was placed a creditable second in the senior section.

The undisputed highlight of the social year was the continuation of the Coldstream Hostel Ball. This year's Ball was a tribute to the organisation of the prefects and the Magraths. Due to larger numbers involved, the Ball was held outside the hostel and representatives from SBHS and the Hostel Parents' Committee were also invited.

However 1980 concluded on a sad note as Mr and Mrs Magrath were farewelled by the parents and boys at the annual Hostel Tea before the senior prize-giving. Since the Magraths obtained the position in 1977, the hostel has become a "home away from home" for the boarders, and an economically viable establishment. We wish the Magraths all the best in the future and can undoubtedly see Coldstream's loss as Dunstan's gain.

I.S.C.F.

Numbers have been added to the group this year with attendance averaging about a dozen, but spiritual growth has more than compensated for numerical growth.

The emphasis has been on fellowship and prayer. A sleep-in, an early morning swim and breakfast, and a combined ISCF rally one Friday night have all enriched the fellowship and friendship in the group. Tuesday lunchtimes have been set aside as a time for sharing and prayer for people in the School. This aspect in particular has been rewarding.

Other highlights were a visit by "The Certain Sounds" and other guest speakers notably Ben Siaki, a Pacific Islander who is a missionary in the Philippines.

We give thanks for a quiet but encouraging year and expect further growth next. Our thanks again to Mrs France for the use of her room.

Mathematics Competitions

Of 29 entries from SBHS in the Australian & Pacific Mathematics competition eight obtained distinctions and 13 merit awards.

This competition is the largest of its type in the world and attracted 155,000 entries, over 6000 from New Zealand Students enter at three levels depending on their age.

The eight distinctions were attained by:-

Juniors: Michael Drayton, Roy Ward, Anthony Seeto, Antony Deaker.

Intermediates: David Clarke, Paul Campbell, John Tuckey

Seniors: John Gee

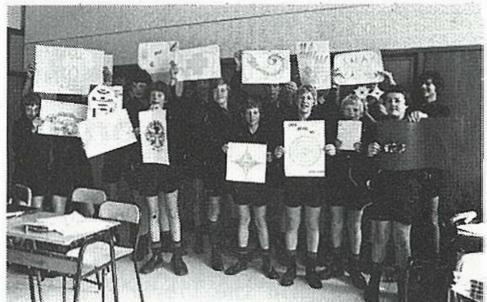

John Tuckey, Shaun Scott, Stephen Smith, Geoffrey Wright were the winning team in the Southland Mathematical Association's fifth form mathematics competition; this is the premier event in Southland for the subject. There were 17 teams competing from schools throughout the province and the competition was held at St Peter's College, Gore.

Library Report

1980 has seen the completion of yet another successful year with the addition of many new paperback and hardback books to all sections of the library.

Renovation, and installation of new curtains have led to a most favourable atmosphere within the library, as well as having a practical use in protecting books from the damaging effects of the sun.

All credit must go to Mrs Anderton and Mr Lauren for their continued attention and service in maintaining the library in an orderly and efficient manner.

I wish to thank the librarians for their consistent help, and on whom the day to day existence of the library relies. Despite the odd lapse, their attendance has involved much of their own time, for which the library is grateful.

Finally, we can only hope that the library will continue to function as efficiently in the future as it has over the last few years.

1980 Report from Music Room

The Major Production "The Boy Friend" proved a very satisfying and enjoyable experience for the boys and girls of Southland Boys' High School and Southland Girls' High School who were involved. The production played to capacity audiences at Southland Girls' High School Auditorium and was enthusiastically received.

Derek Rankin, Robert Vassie, Warwick Duncan, John Baillie, Thomas Giller, Nickie Russell, Martyn Cook gave very creditable performances and were very ably supported by Miss M. Black as pianist, and John Greening as drummer. The Show was an excellent example of the rewards of hard work.

While Mrs France was overseas Mrs Nancy Shirley of Hamilton taught in the School. Our thanks and best wishes are extended to Mrs Shirley for her help and enthusiasm in the Department. Her dog was a great source of interest amongst the boys. The dog would sit in the car during lesson time, then thoroughly enjoy a scamper through Queen's Park at lunchtime.

The visit of several visiting artists have been appreciated and enjoyed. Gary Brain and his wife, Malcolm McNeil and his Jazz men to mention but two.

The Southland Boys' High School band has been extended to include woodwind instruments this year, and a highlight of the year was making a tape of Irish Music to be used as background music and sound effects for the Play Factory's play "Da".

Our congratulations to Craig Rodmell, who has passed a LTCL pianoforte practical examination and to Steven Hayes who won a South Island Country and Western Championships with his violin playing.

A Junior 3rd Form Talent Quest resulted in:-

Best Singer:	Michael Wong
Best Pianist:	Scott O'Donnell
Best Recitation:	Phillip Caffyn

Best Character Recitation: Michael Broughton

1981 promises to be a very busy and interesting year and we look forward to it with keen anticipation.

THE BOYFRIEND

"The Boyfriend", the combined Southland Boys' and Girls' High Schools' production for 1980, climaxed after fifteen weeks of constant practices and rehearsals. Three capacity houses acclaimed this most ambitious and popular musical one of the best plays performed by the combined schools.

Sandy Wilson's three act musical comedy, a light-hearted satire, recaptured the manner and movement of the Charleston Era. All three acts centred around Madame Dubonnet's Finishing School in Nice, in 1926. Dance, song and romance all combined to captivate the audience.

Ian Scott produced with flare and evoked from the cast exactly the right touch. Under Doris Scott's conductorship, the tuneful, up-beat music from piano, bass and drums, flowed along happily.

What seemed at first, insurmountable singing problems, were gradually overcome with frequent visitations to the music room. The ability of the male members of the cast to hit the right note at the right time, came with relentless practice and the encouragement and patient optimism of both Miss Black and Mrs France.

Lasting friendships were made from the close associations created from the three practices a week and each member of the cast benefited immeasurably from the experience.

The cast of "The Boyfriend" included: Polly Browne, Mary Lang; Tony, Derek Rankin; Madame Dubonnet, Shelly Streicher; Bobby van Husen, Robert Vassie; Lady Brockhurst, Daphne Taylor; Lord Brockhurst, Thomas Giller; Hortense, Virginia Munro; Maisie, Barbara Muir; Dulcie, Megan Miller; Fay, Alison Gentle; Nancy, Jan Stirling; Speciality Dancers: Pipe, Jan Stirling; Lolita, Martyn Cook; Girls: Nicola Stewart, Alison Stewart, Catherine Somerville, Shelly Bell, Pam Skeggs; Boys: Ian Duncan, John Baillie, Nicholas Russel.

Electronics Club

About 20 boys in the second term built a couple of circuits using a integrated circuit as one component. These were completed with a high rate of success, and some boys carried on with other projects of their own.

Radio Club ZL4CT

This was most active in the second term when we had a regular schedule with ZL4BH, East Otago High School Radio Club, on Wednesday lunchtimes. Peter Dickie, 5B2, gained his Grade 3 Amateur Radio Operators' Certificate. His callsign is ZL4TBZ.

Computer Club

This commenced in the third term and settled down to about 15 3rd and 4th form boys, meeting once a week. They learnt how to operate and program the school's Apple 2 computer and their knowledge advanced well in this short time.

The School Computer

The Apple 2 Europlus computer arrived near the end of Term 2. It has the maximum 48k memory (10k of this is ROM). It has a disk drive to enable us to store programs and information on magnetic diskettes. During the August holidays, the 22 inch Pye Vidmatic colour TV with video input, arrived. We can thus make complete use of the colour facility of the computer.

It was taken to the school P.T.A. Fair to help raise money by charging for computer games. Since the computer has been installed in the Old Library, each day it has been switched on at 8.30 a.m. and remained in continuous use until it is switched off at about 4.30 p.m. It has been used extensively by boys of all forms and the staff.

Debating Club

Cum verbis pugnamus

The school's ninety-ninth year turned out to be a very successful year for debating and hopefully the centenary year will be just as profitable if not better.

With three experienced members Derek Mark, Mark Ferns and Gregor McKenzie the senior team performed well in all its debates. This team was entered into the New Zealand Jaycee debating contest and in their first debate they confronted Hargest on the topic "that knowledge has made man happy" with little more knowledge but a lot more happiness, SBHS came away victorious.

In the third round of this competition, round one was a bye, we met our sister school. The topic was "that New Zealand is a classless society". Unfortunately the judge thought that the ladies had more class than SBHS and sadly SBHS was defeated.

This brutal shock however was quickly overcome and the team travelled to Otago to defeat OBHS (notably the only travellers to do so) in the annual interschool. The senior team followed this trend and ended up by winning all three interschools: OBHS, Waitaki and Kings. This achievement had not been gained by a SBHS team for quite a considerable number of years.

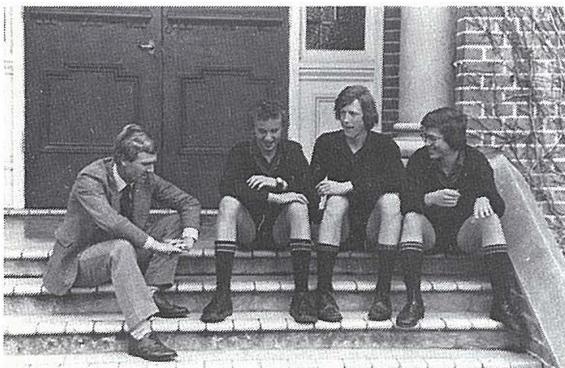

This season has seen consistently fine efforts by Gregor at third speaker. He gave the affirmative a dose of McKenzies Medicine at every opportunity. Mark a newcomer to the team this year adapted well and went through the season gaining more proficiency with each debate. Derek, as team leader, always provided solid grounding on which to base the team's argument.

The Senior "B" team: D. Beale, D. Monteath and J. Noble also performed well this year making the final of the regional Jaycee contest. Unfortunately they were beaten by SGHS in a close debate.

But what will it profit us as a debating team if we do not have a coach; we will lose the qualities of our greatness, discipline, reliance, industry, thrift, faith; in short our character. We feel that Mr McIntosh as coach has been more than a foundation of knowledge; he has in fact given the team its success.

The senior team wishes good luck to the "B" team for next year's competition and wants to encourage all the junior teams for the future. Make the centenary year the best yet!

Junior Debating

JUNIOR DEBATING TEAM

Mr D. Collins, J. Baillie, A. Chambers,
I. Duncan.

In its second year of entering the local Jaycees Junior Debating Competition this year's Boys' High Team was considerably more successful than last year's team. For 1980 the team with John Baillie as 1st Speaker, Andrew Chambers as second speaker, Ian Duncan third, Mark Preston-Thomas (reserve) and Mr Collins (coach), the team were pleased to make the final of the Competition in the State Insurance Theatre.

First round saw the team eliminate Marist B, our side arguing "That Captain Cook Should Have Turned Back". Following this was our second win against Kingswell with the merits of cats and dogs as pets being discussed. With Mr Collins at Borland, Mr McIntosh gave the team some last minute assistance.

After this, a vigorous and forceful Girls' High team provided strong opposition, but not strong enough according to adjudicator Mr Maloney, when the merits of registering bicycles and licensing cyclists in N.Z. were being discussed.

Obviously this was a satisfying win as it meant participation in the final. However on that occasion the team found the fluency of the Marist A team formidable and the latter won the shield finishing a rewarding competition. The team had been able to learn valuable skills as it progressed through the competition.

UNIVERSITY NZAS SCHOLARSHIPS

Applications are invited for the New Zealand Aluminium Smelters Limited tertiary education scholarships for 1982.

Scholarships are worth \$500 - \$1000 a year for the duration of the course.

Three to six scholarships may be awarded each year.

A SCHOLARSHIP HOLDER IS REQUIRED TO UNDERTAKE A FULL-TIME COURSE WHICH HAS AN APPLICATION TO THE OPERATIONS OF THE COMPANY.

THERE IS NO BOND

SCHOLARSHIP HOLDERS HAVE PRIORITY FOR CHRISTMAS HOLIDAY EMPLOYMENT.

Further details and application forms are available from the school Careers Adviser, or the Community Relations Officer, New Zealand Aluminium Smelters Limited, Private Bag, Invercargill.

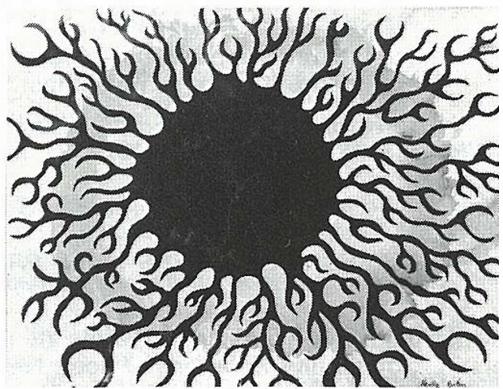

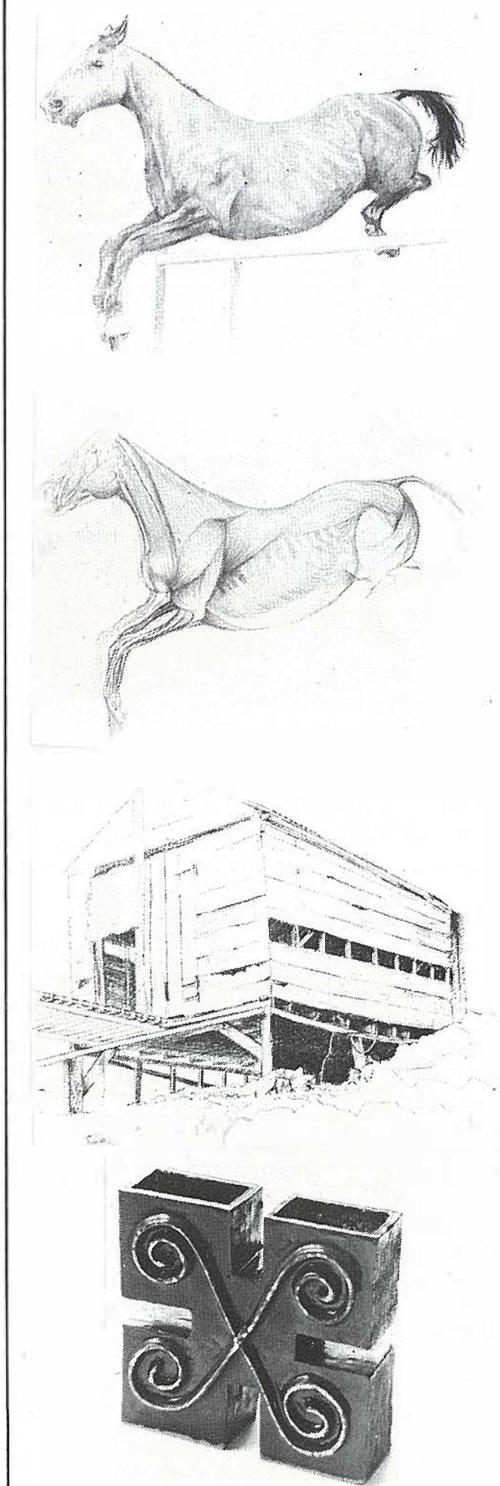

Applications close on December 31, 1981

ART

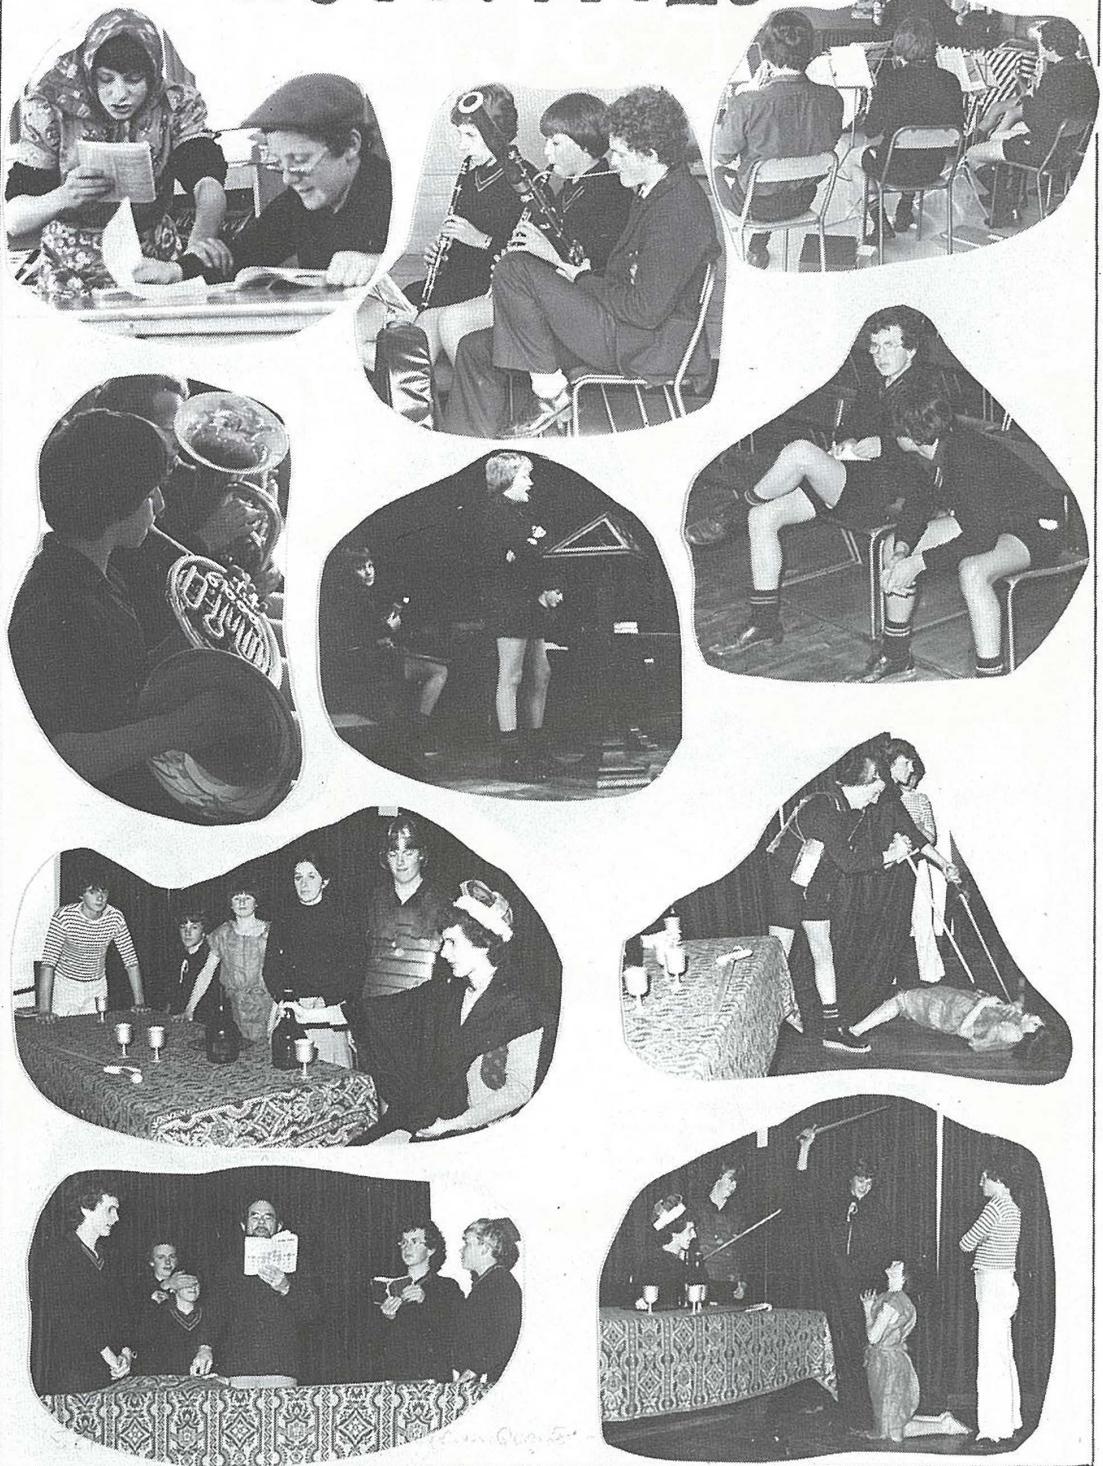

We began 1980 with a nucleus of talented senior students. Unfortunately as the year progressed several of them decided to try their luck in the 'big wide world'. However, their absence has in no way deterred the remaining sixth and fifth form boys who have worked well throughout the year.

The year has not been a good one for Art display around the school. The presence of builders and painters has prevented any attempt at organised display. The situation will be back to normal by the end of the year.

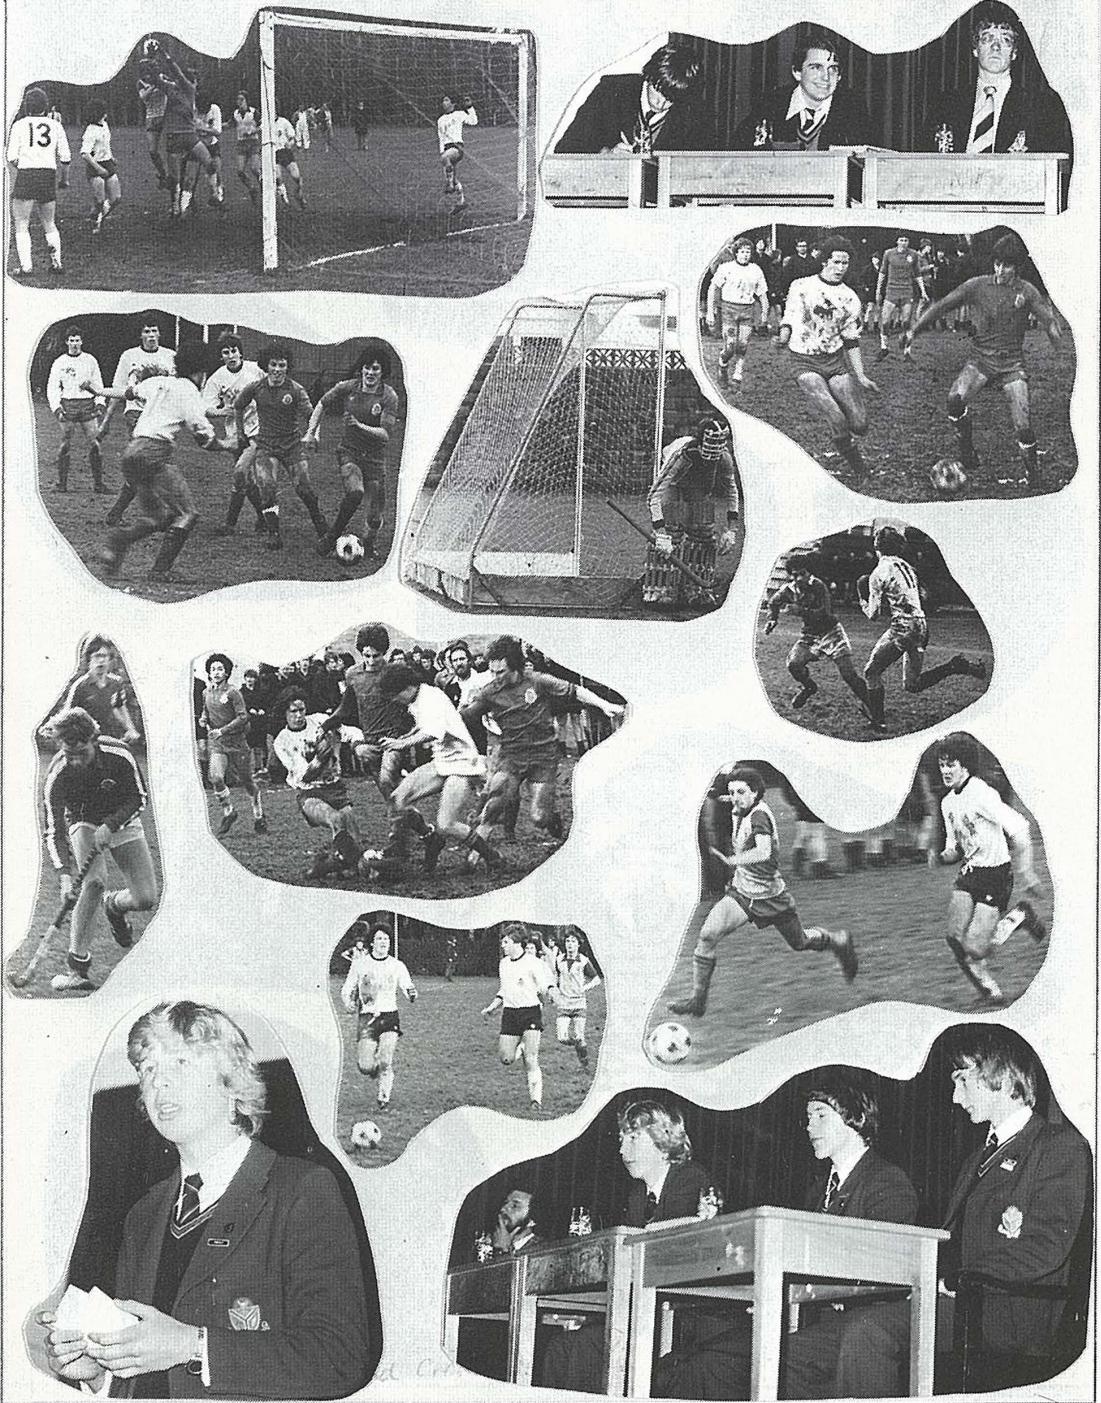

"The Young Contemporaries" came around all too quickly for some students, but the majority of senior boys exhibited work. Two boys were particularly successful: Stephen Collie of the fifth form received an award for pottery, and Graham Brinsley of the sixth form deservedly won the 'Young Contemporary of the Year' award with a fine oil painting. These successes have been a tremendous encouragement to the young artists making their impatient way through the ranks. With their apparent flare and imagination we look forward to a successful and colourful centennial year.

For 579 Against 157

This season's 1st XV knew from the outset it would have a hard battle in its interschools and the under 20 competition. This was because of an unusually high turnover of players, leaving only five caps and because of the youth of the trialists.

Yet as the blue jersey has done before, under Mr Clive Williams, this year's team enhanced further the school's high standing in rugby representation and tradition. Though this year's team did not accomplish the feats of some of its predecessors it was in fact fruitful for all members.

The second place in the competition and two interschool wins is not a fair indication of the accumulative talent and spirit of all members.

As Bluff were the eventual competition winners, the highlight of the season therefore must be the 8 - 7 win against them on No. 1. This ground has a historical tradition in regard to wins. The spirited fight back was attributed to defending this tradition.

Personally I have been proud to have led this 1st XV and wish to thank Mr Clive Williams for his patience, time and coaching skills, the team for its support and tenacity, and also our supporters who were always behind us winning or losing.

Congratulations also to those players from the school who went on to take higher honours in the rugby world. The depth shown augurs well for the future of Southland Boys' High School rugby.

INTERSCHOOLS

EASTER TOURNAMENT

Played as a part of Timaru Boys' High School Centennial:
4th April v Otago Boys' High School - won 39-9. Played first big game as a team in fine conditions. School played a spirited game, with a number of potential stars showing. The forwards showed a dominance which was to be prevalent throughout the season.

2 tries J. Tipuna, N. Dewar 1 try B. D. Fairweather

5th April v Christchurch Boys' High School - lost 19-11. This game was a game dominated by school forwards and Christchurch backs. A hard physical game throughout but even with a sustained second half effort by Southland a win was not to be.

TRADITIONAL INTERSCHOOLS

11th June v Otago Boys' High School lost 11-7

This was a complete reversal of predictions from the Easter Tournament game. With a muddy field and strange refereeing decisions an unhappy game was played. Yet again Philip Noble confirmed his standing as a class back, with a fifty metre solo try.

P. Noble - 1 try, M. Sycamore - drop goal.

25th June v Waitaki Boys' High School lost 22-17

Even though the team played as a more complete unit and played exciting rugby the game was lost by a last minute "try". Down at half time they came back and played some of their best rugby. Even though the forwards were outweighed they stuck to their task. Duncan Waite, in particular, lost nothing in the tussle with his NZ Schoolboy opponent.

P. Henderson - 2 tries

23rd July v King's High School won 62-0

The school was treated to a fast open game in good conditions. The game showed a rampant 1st XV after blood following the earlier interschool losses. Neil Dewar in particular treated the crowd to four good running tries and at last the loose forwards showed a return to form.

N. Dewar - 4 tries, M. Brown - 2 tries, B. Fairweather - 1 try.

4th August v Timaru Boys' High School won 18-0

A fit, fresh school team took the field prepared to do or die. Timaru after early forward exchanges lacked the final killer instinct and thus could not withstand a

combined total effort. Constant pressure was applied off the back of all lineouts by flanker Paul Henderson which set the pattern for a convincing deserved win. In this game winger Sam Tiata hit the high point of his season scoring two tries.

Sam Tiata - 2 tries, P. J. Henderson - 1 try.

TEAM MEMBERS

Bruce Welsh - Loose-head prop	His power enabled him to outplay all opponents. Developed into a mobile prop in later games.
David McKitterick - Tight-head prop	An unsung hero of a strong front row. Exceptionally powerful.
Craig Todd - Hooker	With his first season of hooker under his belt. He has proved his selection and was never out-hooked. A particularly quick striker.
Duncan Waite - Lock	A big boy at 15 yet his age never detracted anything from his play. A useful lineout forward as shown by some performances.
Paul Henderson - Flanker	A late starter after a broken leg, yet proved his selection by some fine performances. Strong tackler.
Murray Soper (No. 8)	A valuable member of a good loose forward trio and his kicking ability saved many embarrassing moments.
Brent Fairweather - Flanker	The driving force of the loose forward trio, his running ball in hand proved him an aggressive forward. Took over leadership at important moments - ably.
Milton Haig - Halfback	A vital link with a quick clean pass. At important moments his kicking saved and gained good ground.
Murray Brown - 1st Five	Stepped into the first five position and assumed a controlling role. Has an untapped sporting ability.
Jimmy Tipuna - 2nd Five	"Check" played an "off-and-on" form during the season yet when needed proved a certain spark to the backline. On occasions played with real flair.
Sam Tiata - Wing	After a quiet beginning to the season, Sam proved to be an aggressive runner with the ball and a try scoring machine.
Neil Dewar - Wing	The smallest player on the paddock in most games yet with one of the biggest hearts of all. Developed into a left winger capable of a devastating swerve or tackle.
Mark Sycamore - Fullback	Mark proved his ability as a complete fullback in the true sense. Was one of the kingpins of the backline and matured in his position considerably throughout the season.
Jamie Dewar - Wing	An aggressive runner and will prove good value for future years.
Fili Tago - Centre	A loyal team member lacked a yard in pace yet proved his worth in his games.
Malcolm Dewe - Fullback - 2nd five	An exemplary tackler, at home on defence and has a potential to become a key member of next year's team.
Stephen Mee - Prop-hooker	Never let the side down at tighthead prop and played to the utmost of his ability.

Alister Turrell - Lock	Learnt a lot in his first season of rugby. A valued team member.
David Rance - Flanker	One of the good things in rugby, David at loose forward combined aggression with hard tackling. Always there in support whether in play or preparations for play.
Philip Noble - Centre, ViceCaptain	Undoubtedly the side's star attacking back, yet able always to pull off a devastating tackle. His play warranted higher selections honours and it will be a long time before Boys' High sees the likes of him again.
Peter Henderson - Captain	Had an outstanding season first as a lock, then No. 8. Fast and vigorous. Showed his versatility by winning selection in the NZ Secondary Schools team as a prop. Proved to be a mature captain.

REPRESENTATIVE HONOURS.

NZ Secondary Schools' Team (to Australia)	Peter Henderson

2ND XV RUGBY.

Captain: W. Gumbley

Coach: Mr I. M. Baldwin

Won 10 Lost 8

Points: For 276 Against 165

Following the tradition of this school's 2nd XVs, this year's team also was a young side, with nine of the squad under 16. The team was small, in fact the smallest in the under 18 competition, but made up for this with a tremendous spirit on and off the field. The small forwards although suffering a lot from injuries, usually dominated their larger opposition. The backs this year were exceptional, more than a match for any team we played, in both attack and defence, many of our wins can be attributed to the backliners' skill.

The team started off on a good note with a 41 point win against Pirates but in the next game we lapsed and lost to Marist College. Throughout the season our fortunes fluctuated but losses were usually only narrow and wins good. In the inter-schools we also had mixed luck, losing in a poor display against Otago Boys' 9-12. However, with great determination the team trounced Waitaki Boys' in a magnificent game, with both forwards and backs running the ball in a display of Rugby at its best. This game was equalled by the return match against Marist College. This effort by the team was heightened all the more by having lost badly to Collegiate the day before.

Real evidence of the team's strength is the number of its members selected for both the Southland and South Island teams.

Southland: D. Monteath, B. Hamilton, D. Henderson, B. Shepherd, T. Raumati, W. Christie.

South Island: D. Monteath, B. Shepherd.

Thanks must be expressed to Tony Bruce who Captained the team during W. Gumbley's lengthy absence through injury.

Every team member thanks Mr I. M. Baldwin for time generously given and much worthwhile coaching and bullying, when needed.

Team: B. Ballantyne, G. McKenzie, R. Panting, W. Christie, R. Smith, G. Drummond, D. Monteath, L. Heywood, R. McDonald, S. Hamilton, D. Beale, B. Hamilton, G. Hume, C. Heads, B. Shepherd, D. Grandiek, D. Henderson, T. Raumati, T. Bruce, W. Gumbley, P. Wilson.

UNDER 18/B RUGBY

The team, although plagued throughout the season with injuries, made for itself a creditable record. Although only five games out of fifteen were won the points for and against were marginal. Top point scorers were Henry Dowler with 50, Melvin Sutton 28, and Craig Billows with 26. Sutton suffered concussion several times and his was as especially creditable effort. As a whole the team was a closely knit unit which performed well under pressure. Thanks to Messrs Cooper and Murcott for time and effort put into coaching.

H. W. S. Dowler, Captain.

UNDER 16 "A" XV

Back Row: K. Honotapu, M. Tressler, M. H. Stevens (Coach), F. Tago, J. Brown

Absent: D. Spence, M. McDonald, D. Pollock

UNDER 16 "A" XV

Captain: G. Weir

Coach: Mr Stevens

The season began with three convincing wins which helped to mould a good team spirit. For the next five games the team continued to play open rugby scoring an average of five tries per match. We lost several players through injuries etc. and although the team continued to play with spirit and sportsmanship three games were then narrowly lost robbing us of the season's trophy.

Thanks to the team for their dedication to the game and to Mr Stevens for giving up his time to coach the team.

Games: Won 9, Lost 3, Drew 1

Points for 288, Against 89, Tries Scored 63.

UNDER 16 RESTRICTED B

Captain: Morris Tait Games Played: 10; Won 6 Lost 4 Coach: Mr Shields

After losing the first two games the team managed to fight back to win the next four. Then losing to Cargill and our "A's", we won the last two games giving six wins for the season and fourth place in the competition.

The outstanding players of the team were flanker Chris McAulay and Peter Willcocks, Tony Goodall, Norris Tait, Alister Rance and Paul Reynolds.

Special thanks to coach Mr Shields who held the team together throughout the season.

Team: N. Tait (Captain), Chris McAulay (Vice Captain), T. Goodall, P. Willcocks, P. Reynolds, A. Rance, S. Millar, B. Heywood, P. Campell, M. Southby, B. Ward, S. Crosbie, I. Lines, B. Pope, D. Murdoch, B. Surgenor, G. Allison, I. Duncan.

UNDER 15 "A" RUGBY

Captain: J. Culling 1st in Competition Coach: Mr R. A. Rankin

The team played 10 games, 9 wins, 1 loss for 214 points and 35 against.

From the start of the season, the team showed great promise with strong mobile forwards supported by possibly the best set of backs in the competition. The backs showed great flair and pace, and developed a good flick pass which set up many tries for the wingers. Through such effective play the team notched up a creditable record for the season of which all the team may be proud.

Some notable victories were: Kingswell 32-4; Marist 32-0; SBHS "C" 32-0.

The team would like to thank Mr Rankin for dedicated coaching and all the loyal supporters.

The team: M. Dawson, R. Fraser, G. King, C. Thomson, R. Casey, J. Tait, B. Murray, P. Winder, J. Heywood (left during year), J. Culling, M. Forbes, K. Jensen, J. Grandiek, S. Casey, B. Dewe, P. Henderson.

UNDER 15 OPEN "B" RUGBY

Captain: S. Humphries Coach: Mr Richardson

Won 4, Lost 6 - Points for: 146 Points against: 134

This year's Under 15 team was a very inexperienced team but on the day one of tremendous spirit and a lot of potential. However its inexperience showed through when losing games it should not have.

One player to stand out during the season was Michael Hogue who played consistent rugby in all of the games and accumulated 86 points for the season.

Special thanks to Mr Richardson for coaching and supporting our team during the season.

Team: Backs - D. Bragg, T. Smail, P. Lyall, J. Grant, J. Moreton, P. Barr, M. Hogue, S. Jackson, S. Humphries; Forwards - R. Capil, M. McKenzie, R. O'Brien, S. Fletcher, D. Anderson, A. Deaker, P. Smith, A. Howie.

6TH GRADE "A" RUGBY

Captain: C. Savage

Coach: Mr Dixon

The team didn't enjoy a thoroughly successful season, although it had its moments. The most notable of which, was beating the school "B" team in a closely fought encounter at school.

The outstanding players of the team were Raymond Young in the forwards and Ross Murray in the backs.

The team would like to thank Mr Dixon and Mr Murchison for their coaching.

Team members: Backs - A. Thompson, N. Walker, T. Baglin, M. Brown, M. Wyeth, T. Mountney, S. McKenzie, R. Murray, C. Savage; Forwards - B. Young, J. Metherall, Q. Tatana, P. Eastwood, R. Young, R. Dore, M. Wrigley (Vice Capt.), A. McDonald, J. Hitchcock, M. Goomes.

1ST XI SOCCER

Back Row: A. Read, D. White, G. Bloomfield

Middle Row: Mr P. Goodwill (Coach), R. Smith, D. Whitty, M. Carroll, M. Patton,
P. Welsh

Front Row: M. Cook, D. Hawkes, N. Cook (Captain), J. Noble, L. Too

1ST XI SOCCER

Captain: Nicholas Cook

Coach: Mr Goodwill

The first soccer XI started this season with a very young side, only having two players back from last year, Nicholas Cook and Andrew Read, and a new coach, Mr Goodwill. Because of this we decided it would be better to drop down a grade in the local competition from Senior to Senior Reserve where the team performed creditably. Over the season the side developed into quite a good team but the youthfulness of the team showed out on occasions against more experienced teams.

This year, unlike previous seasons, we had more attackers than defenders with M. Schwass and J. Noble being our top goal scorers. These two were well supported by A. Read, M. Cook and P. Walsh. In the halves we were well served by G. Blomfield, D. Hawkes, R. Stonehouse and L. Too, who played aggressively against sometimes much

superior opposition. In the backs we had N. Cook, D. Whitty, M. Carroll, and for half of the season, R. Smith. The backs played with great determination and some good goals started from their efforts. In goal we began with M. Patton who pulled off some brilliant saves. Later in the season we moved him up to strengthen our defence and brought D. White into goal where he played soundly. In years to come he will be a great asset to the team in goal.

In the local competition we won 9 games, drew 3, lost 6 and finished fourth out of ten teams.

The team would like to thank Mr Goodwill for the work he has put into the team over the season. It is much appreciated.

INTER-SCHOOLS

v Otago Boys' High School (Dunedin) lost 0-7

As the result indicates, we were overwhelmed by a much superior team. At halftime the score was 0-4. In the second half the team settled down and was unlucky when a goal by M. Cook was disallowed. Apart from the result the game was quite enjoyable.

v Linwood High School (Christchurch) lost 0-4

In this game the result isn't really a true indication of the game as it was fairly even with the difference being some good saves by their goal-keeper. The half-time score was 0-3.

v King's High School (School) lost 1-4

In this game we took an early lead with a goal from the spot by M. Carroll. Soon after this King's clicked and got three quick goals. They went into the second half winning 3-1. After that we gained more control of the game but were unable to finish off.

v Timaru Boys' High School (School) won 2-1

In very heavy conditions we took the lead again from the spot taken by M. Carroll. Although we had control of the game we were restricted a great deal by the conditions. At halftime the score was 1-0. Early in the second half they equalised and it wasn't until late in the game that we scored again with a goal by M. Cook.

2ND XI SOCCER

Captain: Martin D. Coxhead

Coach: Mr Woodward

Won 3 - Two against Old Boys 5-0, 2-0. One against Murihiku 2-0. An important game as they were third in the League and we were last.

Drew 2.

Lost the rest by large scores, 5-1, 6-0.

Team: Martin Coxhead (Captain), David Neiman, Michael Blomfield, Jeff Lang, Gary Lang, Doug Hall, Shane Hall, Simon Redia, Barry McKenzie, Graham Brinsley, Tony Lawson, Andrew Evans, Neil Carpenter, Jens Jensen.

UNDER 14 "A" SOCCER

Captain: Lars Jensen

Coach: Mr Rapin

Games were played against Hargest, Thistle B team (SBHS), Marist, Queen's Park and Kingswell. Playing each team twice of two rounds. We drew twice against Marist and Queen's Park. The three top goal scorers were G. Cuff 18, D. Frost 21 and G. Scobie 21.

Everyone played in a sportsman-like fashion and played a role in the combined team work and effort leading us to win the trophy and we could all relax.

Thanks to our coach Mr Rapin who put up with us throughout the season and coached us to victory.

Team: Lars Jensen (Captain), Brent Heydon (Vic Captain), David Frost, Greg Scobie, Grant Cuff, Philip Dickie, Donald Jones, Gareth Williams, Mark Rainbow, Paul Edwards, Michael Tapper, Brent Guild, Andrew Hillis.

UNDER 14 "B" SOCCER

Captain: Grant O'Callaghan

Coach: Mr Honders

This was a difficult season with few successes but it was nevertheless enjoyable. Our thanks to Mr Honders for his time and coaching.

Team: G. O'Callaghan (Captain), A. O'Connor, J. Tinker, D. McQuarrie, J. Wilson, K. Payne, S. Snoep, D. Lawson, A. Reid, J. Duston (Vice-Captain), P. Braxton, T. Perkins, D. Wallace. P. Caffyn.

1ST XI HOCKEY

Captain: J. Gee

Coach: Mr Riley

Despite eight members of last year's team returning this year, the team's full potential was never realised. The city competition was plagued by bad weather with breaks of up to a month between games and this prevented the team from playing as a unit. The other major factor in a lack-lustre season was the unwillingness of players to build up their skills and fitness through practice. Although we "clicked" briefly and individuals played fine games there were not many full games played well together. The results of the city competition were as expected. We won 5 and lost 3. The highlight of the competition was beating our arch rivals, Collegiate B. Dunrobin as usual packed and barged their way to their wins, aided in one game by poor refereeing.

INTERSCHOOL RECORD

v Otago Boys' High School - lost 3-0

Played on a bumpy field with long grass. A disappointing game. Although possession was fairly even SBHS just couldn't score goals.

v Waitaki Boys' High School - lost 7-0

On a good ground Waitaki were too strong. Although the halftime score was only 1 nil Waitaki showed their superior skill in the second half.

v King's High School - won 1-0

SBHS played well to scrape through to a win in a grim match. Played in slippery conditions play see-sawed up and down the field. Several times goals by King's were prevented only by lucky saves in the goal mouth by halfbacks.

The team: On defence B. Herbison was consistently good and together with W. Ridder, P. Ridder, T. Jasperse, J. Valentine and D. Rankin formed a capable defence. D. Dunlevy always looked dangerous while he had the ball under control and played a fine season's hockey. J. Gee, B. Casey, T. Frampton, P. Canahan and R de Silva formed the rest of the forwards. Despite opportunities to score goals the forward line at times seemed unable to during the season.

J. Gee and D. Dunlevy represented Southland in an under 21 tournament. J. Gee, D. Dunlevy, B. Herbison and B. Casey played in a Southland under 21 v Otago representative game.

Our thanks to Mr Riley for getting involved with the team and putting in his time and effort.

2ND XI HOCKEY

Captain: R. Lange

Coach: Mr Riley, Mr Reid

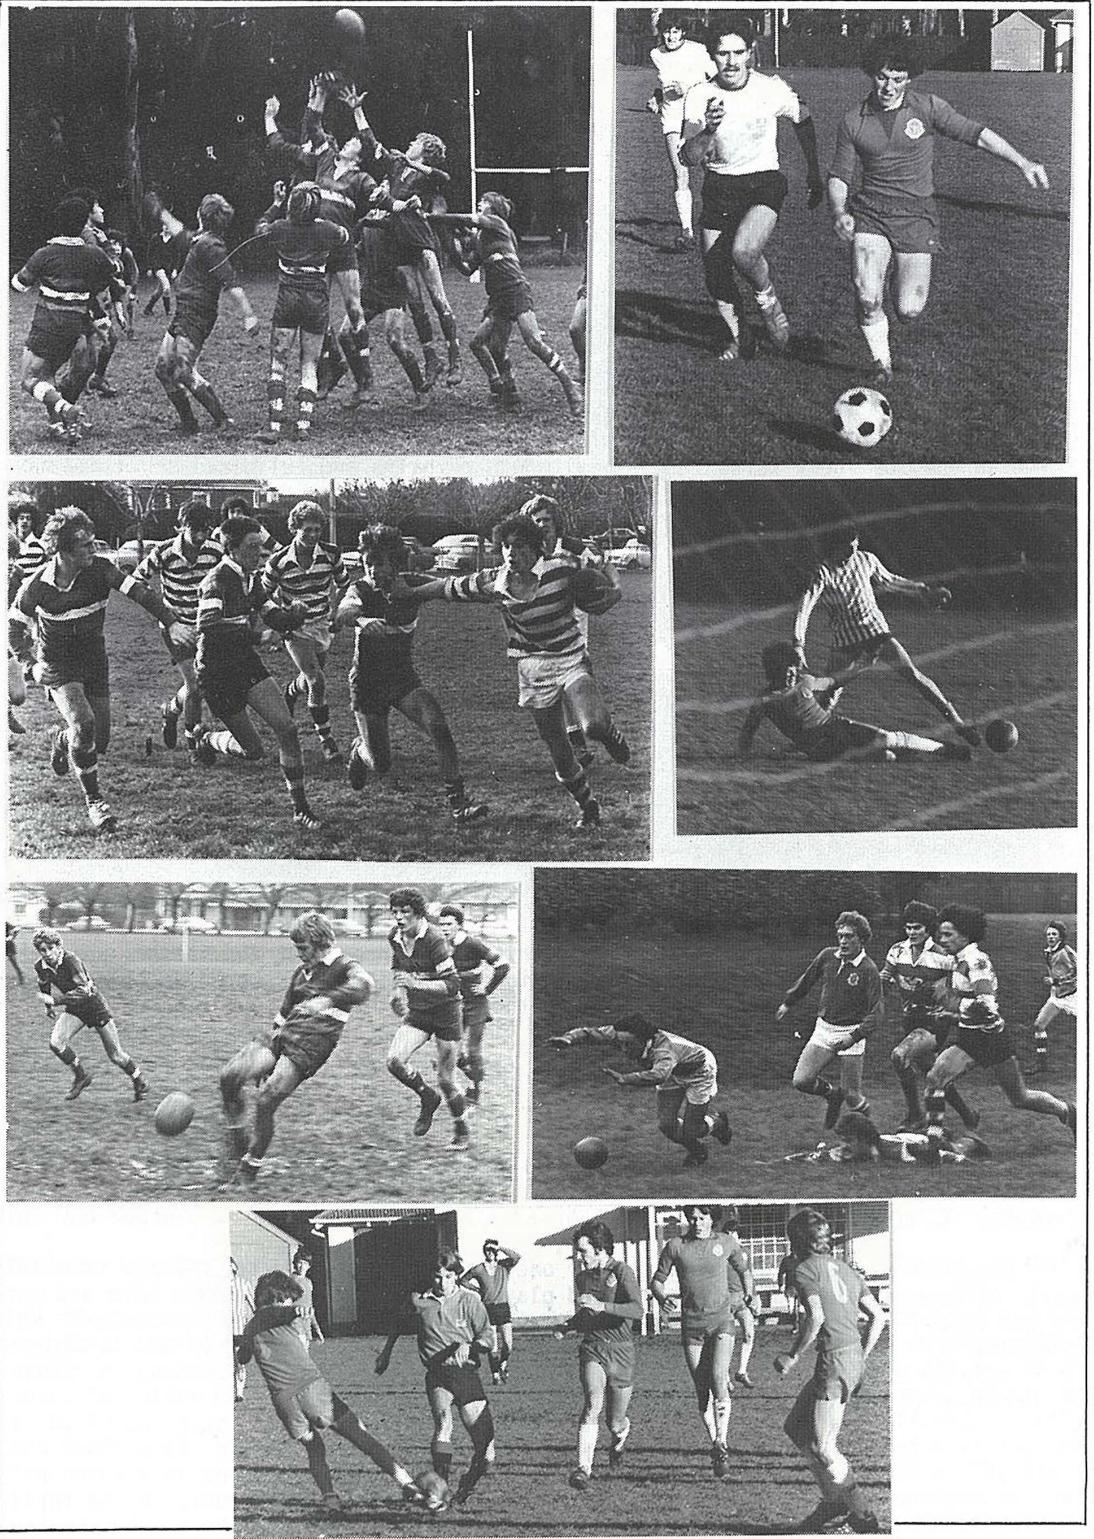

The team played with an aggressive spirit right throughout the season, resulting in a win in our grade of the local competition. Some fine goals were executed by the team. Although the team was short numbered throughout the year, our sincere thanks to Mr Riley and Mr Reid, for sacrificing their time for us. The team comprised of - R. Lange (Captain), N. Russell (Vice Captain), W. Frost, C. Broomhall, F. McNaughton, S. Scott, J. Cole, K. Lawry, P. Ballantyne.

3RD XI HOCKEY

Captain: C. Herbison

Coach: Mr Reid

Despite losing all games except for one win and a draw the team played extremely well. Although having some inexperienced players their skills developed more and more as the season went on. This was mostly due to the regular training our coach, Mr Reid, provided. The team members were: G. Jackson, J. Riley, R. Harty, J. Lines, J. Cheyne, S. Clark, P. Dempster, J. Thomson, D. Richardson, M. de Reeper, A. Skeen, C. Herbison (Captain).

Badminton

C GRADE

Captain: R. Bartlett

Coach: Mr Dear

This year's team consisted of: R. Bartlett, A. Turrell, A. Too, A. Huffadine and C. Clyma. We had a very strong squad of boys and the girls from SGHS also gave their best. The team played well consistently throughout the season, and finished a very creditable second equal in the competition from fourteen teams.

Our thanks go to Mr Dear for his continued support and also to Mr Hamill who combined well with Mr Dear to give us some tough doubles practice, even though they continually lost.

As usual, we again had a strong interschool team, consisting of: R. Bartlett, L. Murray, A. Too and A. Thompson. We had an easy away win at Waitaki Boys' High 12-0, and an even easier win at home against King's High 15-0. It has been many years now since we lost an interschool fixture, and this shows the strength and depth of badminton in our school.

This interschool team with the inclusion of A. Turrell also won the Southland Secondary School competition, and went on to win the South Island Championships in Timaru. During this tournament we beat teams from: Otago, Westland, Canterbury, North Otago and South Canterbury. The team was then strengthened further by the addition of M. Brown, but at the New Zealand finals in Wellington we found the competition a bit tough and finished fourth. With four of these six members returning next year, the school is again destined to have a strong team.

D. GRADE

Team A - Captain: J. Davies

This team had varying degrees of success during the season. At times our play was inconsistant, which was a result of the lack of competitive experience and this can only be cured with time.

The team comprised of: J. Davies, L. Hall, B. Jackson, R. Wilson, A. Smith and G. Jackson, and at the conclusion of the competition we finished seventh out of a total of fourteen teams.

The boys did match up with SGHS to present a fully mixed team and I do thank the girls for their support and spirit in our matches. As Captain, I would like to thank all team members for their regular support and I'm sure everyone enjoyed their first season's competition.

Team B - Captain: J. Tuckey

The team was made up of: J. Tuckey, S. Marshall, G. Duston, P. McDonald, D. Whitty, P. Bone and M. Burke. This year there was some tough competition in the D grade, but we managed to bounce back from some severe defeats to finish in the lower half of the competition. My thanks to all team members and to our dedicated coach Mr Dear.

1ST V BASKETBALL

Captain: S. Sinclair

Coach: Mr P. Huntley

The team was the least experienced seen for a number of years with only one member returning from the previous year. We recruited the assistance of a former Canterbury representative, Neil McCormack to help with coaching and after three weeks practice a basketball team was emerging. The team entered the Men's A Grade competition which played on Saturdays. At times spurts of brilliance showed within the team, and this was notably seen when we overwhelmed "Cubs" by eight points. We notched up three wins against teams which had at times extreme height advantage.

INTERSCHOOLS

v OBHS, lost - At the Dunedin Stadium, we entered the court the underdogs, but through controlled plays were up by two points at half-time 21-19. OBHS came back with a brutal 1-3-1 attack and we went down by nine points 45-34.

v Waitaki, lost - Played in the Waitaki Boys' Gymnasium we had a retarded defence in the first half, being down 44-22. The second half provided some very exciting play. In fact we won the half 23-17, with the final score being 61-47 to Waitaki.

v KHS - Previously going down to King's at the South Island Regional Tournament this game was played in front of a large crowd at Surrey Park Stadium. We played a fast attacking game with a carefully controlled 3-2 press and were down by 5 points at half-time. King's used their obvious height advantage to finally win by 11 points 47-36.

REGIONAL TOURNAMENT

Played at Dunedin Stadium

v OBHS - lost 51-46; v KHS - lost 89-34; v Waitaki - lost

We also entered a High School's Tournament in Southland. Winning our first game against Kingswell 34-33. We played Cargill High School in the second round, through an unfair draw and were beaten 48-46 with only seconds remaining on the clock. With nearly all the team returning next season we should have a formidable side.

Our thanks to Mr McCormack and Mr Huntley for putting so much time into the team.
The team was:

Stephen Sinclair - Captain and main ball carrier, Stephen controlled the speed of our game, and given time had a deadly accurate jump shot.

Morris Corkery - The oldest member of the team, and one of the fittest, Morris worked hard on defence and on attack. With a good long shot and rebounding ability, Morris was a useful team member.

Chris Wilson - One of the "old hands", Chris's ball handling skills and "safe hands" made him a most valued member of our attack.

Greg Pierce - Raw talent at the beginning of the year, Greg quickly developed ball handling skills which were to earn him a key place in the team.

Greg Buist - An outstanding rebounder, Greg's talents earned him a valuable place in the defensive play.

Michael Stokes - As our youngest player, Michael's 1st year with the team will stand him in good stead for the years to come.

Michael Lamb - A very steady player. Michael always reacted well under pressure.

David Lowe - The skills which earned David a place in this year's team will make him a valuable team member next year.

Ross Jackson - "Jackos" height made him a valuable part of both defensive and offensive play and a good shooting ability made him indispensable to the team.

2ND V BASKETBALL

Captain: R. Chambers

Vice-Captain: B. Sutherland

1980 was a fairly good season for the 2V, unfortunately we were unable to retain the Friday night SBA cup; losing in two very close games to a Cargill team, by one basket and one point respectively. Winning all other games by good margins.

Team members: G. Brash, G. Hinton, S. Boyd*, M. Snegirev, B. Seeto, R. Murphy*, S. Jackson, S. Millar. *left during season.

5TH FORM "C" BASKETBALL

B. Mahoney (Captain), S. Hall-Jones, K. Wilson, B. Smith, K. Hall, B. Carr,
D. Froude, J. Nathan.
Won 3 games, Lost 4 games.

4TH FORM "A" BASKETBALL

Played 7 First in Centenial Competition Won 7 Capt: S. Millar

We started the season unprepared and with new team members but won the first game with a good score which built up our team spirit. We had a good advantage with our height in our guards and centre so we were able to control most of the rebounding giving us a quick release. Our dribbling was sound but once or twice our passing let us down as did our shooting, but in most of the games we dominated possession of the ball. Our team worked in well together and had built up a good team morale by the end of the season. We had several team members in representative teams and promotions to better teams.

2nd five - S. Millar, S. Jackson, A. Chambers
Southland Reps: S. Millar, S. Jackson

The team would like to thank the coaching, help and support of Steven Sinclair, Mr Deacon and Maurice Corkery.

Team members: S. Jackson (Vice Capt.), A. Chambers, P. H. Hagan, S. Millar, P. McNaughton, A. Noble, D. Waldron, P. Campbell.

3RD FORM "B" BASKETBALL

Captain: Paul Dickson Won 3 Lost 3 Bye 1

Team: Paul Dickson, L. Sargeant, B. Smith, A. Snegirev, W. Dunlevey, A. Gilmour, A. Flahive, W. Minchin.

3RD FORM "C" BASKETBALL

Players: Duane Hibbs (Capt), Allan Kelly, Stephen Murch, Peter Patton, Tony Jamieson, Chris Eckhold, Timothy Harwood, Shane Tinnock.

Games played: Won 4 Drew 0

The team played well and enjoyed the competition regardless of winning or losing. We played very well for the first time as a team.

Volleyball

1980 was the first year Volleyball had been included in the winter sports' programme. Two teams were formed, a 7th form team which due to the startling maturity of its players entered in the men's grade, and a 6th form team which battled it out in the schools' grade. Both teams were coached by Mr N. C. Lawrence.

With no previous background in competition Volleyball the general lack of skill and team work showed up in the results of the first few games. However, the 6th form team were quick to catch on and after a brilliant effort in all games managed a commendable 3rd place in their grade.

The 7th form team came up against some very stiff opposition in the form of two excellent teams who had polished their skills to near perfection over a period of time. The team managed to beat the other teams in its grade on several occasions but often lost the important games and ended up in a valiant 5th equal position.

Still eager after the end of the competition, the 7th form team decided to take on the SGHS team. Ignoring various distractions the boys managed to keep their eyes on the ball and score an easy victory. The team now felt confident enough to play the teachers. Referee Mr Lawrence stopped the match after the teachers were ahead by one point in a tense tie breaker. The game ended to cries of "teacher brutality" and "biased ref" but both teachers and pupils enjoyed the game immensely.

The season saw the transformation of a small group of 6th and 7th form students, with little background in the sport, into two solid teams with good skill and team work. This is an indication of the tremendous will to learn shown by all team members.

Cricket

1ST XI CRICKET

Captain: David Beale

Coach: Mr Boyd

This was a record season for the team which convincingly won the Senior Reserve competition, the first time since 1975. In the Club competition the team excelled in all facets of the game and with some steady batting, good totals were compiled. This was backed up with a strong bowling attack which was never really matched during the season. Probably one of the biggest contributors to the team's success was its high standard of fielding, with some incredible catches and saves being made.

This fine form in club games failed to appear in Interschools, and in these matches, the school did not show its true ability and enjoyed only moderate success with a draw, win and a loss in the interschools played.

With virtually the same team returning for the coming season, the team can look forward to it with confidence and another record season. Thanks must go to Mr Boyd for the time he has given up in coaching and looking after the team, to him we say thanks.

The team:

- D. Beale: Capable batsman with very sound technique, he now gives the batting needed stability. Set the team a fine example in the field.
- R. Jackson: One of the many allrounders in the team, Ross opened the batting with moderate success however lacking opportunity with the ball. Ross's experience will be of value next season.
- D. Monteath: Shows a lot of potential as an opening batsman, knocking up some handy totals. Likes to get on with the game, but this often led to trouble. Should prosper next season.
- B. Welsh: The kingpin of the batting line-up, Bruce's batting was invaluable to the team, and throughout the season he played some fine innings including two centuries. A keen man in the field.

SOUTHLAND BOYS' HIGH SCHOOL

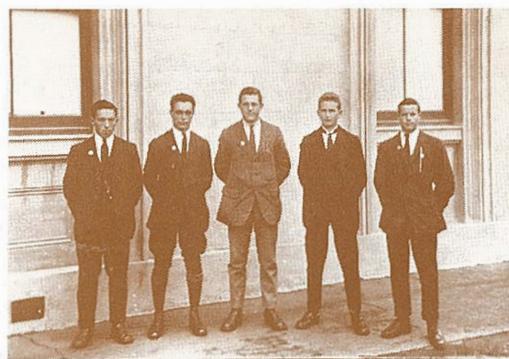

Originally Southland Boys' High School was a co-educational school on the corner of Forth and Conon Streets - a site now occupied by the Southland Community College. The building was shared with Southland Girls' High School, but classes were separate.

The Old School 1920

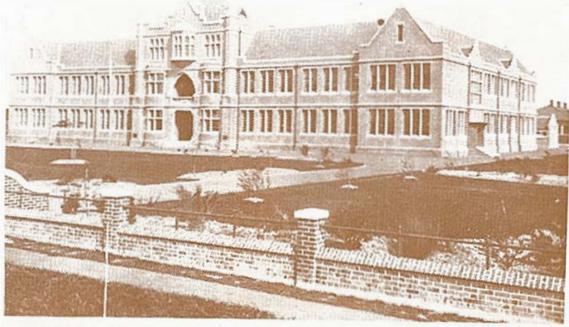

The Staff 1920

The early years (1881-1903) have been described elsewhere as "a grim struggle for existence". The school opened with sixty two pupils; twelve years later numbers were down to thirty six. Economic conditions were harsh; education was still a privilege.

Senior Pupils 1920

A new era began in 1903 with the Secondary Schools' Act which made higher education more readily available. The school became a separate entity and by the nineteen twenties the roll had reached three hundred. The seven rooms at Forth Street were inadequate and in 1926 the school was moved "lock, stock and barrel" to the present magnificent site in Herbert Street. To the original Pearce lock have been added three other blocks and a new gymnasium, and construction has just started on a new Technical block. It was the Pearce lock that was damaged by a serious fire

The New School 1926

at Easter of this year.

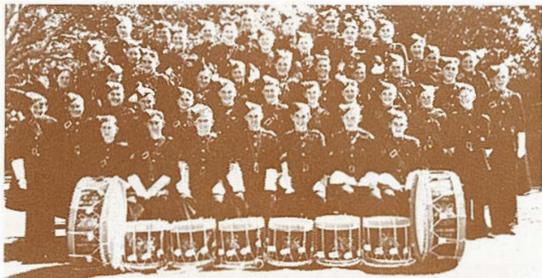

Southland Boys' has been and still is a relatively small school. Today the roll is just under eight hundred and the school is staffed by forty-four teachers. Yet the school's impact has been far reaching; the Honours Boards and the school records show the great contributions that the school has made to the academic, sporting and cultural life of New Zealand. The proud tradition still continues.

Many physical changes have been made at Herbert Street since 1926 but, to a considerable extent, the character of the school still reflects the motto chosen by G W Blanchflower (the first headmaster) in 1881:

"Non Scholae Sed Vitae Discimus"

(Not for School but for Life we are Learning)

The school is looking forward with anticipation to its Centennial celebrations in Easter of next year.

- Dux - R. de Silva.

- M. Soper: The all-rounder of the team Murray spearheaded the bowling attack and was rewarded with 68 wickets for the season. A middle order batsman who scored consistently, fielded brilliantly.
- M. Sycamore: A talented wicketkeeper, with some outstanding saves and catches being made through the season. His fiery batting netted him some handy scores.
- G. Pierce: A new recruit to the team, however a very experienced player. His all-round ability was invaluable to the team's success. Greg was able to bowl economically for long spells and at the same time pick up vital wickets. A handy middle order batsman who will be of great value next season.
- M. Brown: A steady performer who always gave his best in all facets of play. Never really got going with the bat, however both his bowling and fielding were of a high standard. Murray will again be of real value next season.
- N. Tait: A keen competitor, Norris was another who suffered from a lack of opportunity. However when demands were made of him he performed well.
- A. Turrell: Although only his first season for the firsts, Alistair's experience in the game gave his bowling an added edge and he shared the new ball only too ably.
- R. Bartlett: A keen team member who always gave his best. Raji should develop into a good cricketer due to his obvious natural ability.
- A. Thompson: A young player with loads of potential. A talented batsman although never really getting a chance to prove himself. Bowls handy off spinners, and again Allan will prove valuable in the coming season.

INTERSCHOOLS

v St Andrew's 3-4/12/80 Result: St Andrew's won by six wickets. St Andrew's were allowed to get away on us with some vital early catches going to ground, declaring at 239 for 8. School was unable to get going and was forced to follow on after a modest 130. Faring a little better in the second innings, school made 166, and left St Andrew's 58 to make in even time which they did on the last ball of the day for the loss of four wickets.

Scores: St Andrew's 239/8 declared (M. Soper 2-50, G. Soper 4-88) and 58-4
 (R. Beale 2-18)
 School 130 (G. Soper 29, R. Beale 25, M. Burnard 25) and 166 (D. Beale 27,
 B. Welsh 26, M. Brown 34)

v King's High School 3-4/3/80 Result: School won by 4 wickets. In a low scoring encounter on a sodden pitch, School bundled King's out for 80 thanks to some fine bowling from Greg Pierce with 4-11 off 18 overs. School fared little better managing only 76 with R. Jackson showing the only resistance with 28. After dismissing King's for 54 in the second innings, School scored 59 required for the loss of six wickets.

Scores: King's 80 (G. Pierce 4 for 17 off 18 overs, M. Soper 2-33), B. Welsh 2-6
 and 54 (G. Pierce 5 for 14 off 15 overs, M. Soper 2-15, B. Welsh 2-12)
 School 76 (R. Jackson 28) and 59/6

v Otago Boys' High School 10-11/3/80 Result: Draw
 On top for the majority of the game, School was unlucky not to have won the match. Dismissing Otago for 138, School replying with 154/5 declared. Otago were again dismissed cheaply due to a great spell from Murray Soper, capturing 4 for 33 off 21 overs. School required 103 in less than even time, a hard task and the game finished early with School 46 for 5.

Scores: OBHS 138 (G. Pierce 5-59, M. Soper 3-45) and 118 (M. Soper 4-33,
 G. Pierce 3-19, D. Beale 2-29)
 School 154/4 declared (D. Beale 43, M. Soper 28, M. Sycamore 33 N.O.)
 and 46 for 5

2ND XI CRICKET

Captain: T. Bruce

Coach: D. J. Murcott

The 2nd XI had to start from near scratch with new players emerging from lower grades. The team had a lot of talent both in the use of the bat and the ball. This was shown by Jimmy Carroll and Andrew Crimp being able to take valuable wickets when it was needed. Darryl Hawkes was also reliable, not only with the ball, but also the bat. Jerry Noble put in some high scores and was an asset with his wicket keeping ability. Other players to show ability with the bat were Tony Bruce an able Captain, Geoff Rudduck, Philip McDonald, Stephen Jackson and Michael Patton. Greg Buist too showed out as an all rounder.

The team would like to thank Mr Murcott for his help and for this we were able to make a clean sweep of the grade.

The Southland Boys' High School annual championship meeting was held on a dead track at the school grounds on Wednesday 27th February.

In spite of conditions, four track and one field records fell and over one hundred pupils completed the 3000m open, the final individual event of the day. Outstanding performances came from Terry Stewart who broke two records in collecting five titles in the U14 grade, and Philip Noble who won five titles and one second place in the senior championship.

Record breaking performances were:-

U14:

400m T. Stewart 58.1s (in heats) (O R 61.3s P. Culling 1975)
Javelin T. Stewart 32.70m (O R 31.14m J. Tepana 1979)
800m Walk J. Grant 4m 5.8s (O R 4m 28s J. McEwan 1970)

Junior:

400m J. Tepana 57.2 (in heats) (O R 57.4s S. McCoy 1977)

Senior:

800m Walk G. Henley 3m 34.8s (O R 3m 53s D. Moreton 1971)

Championship results were:-

U14:

T. Stewart 25 pts 1, W. Evans 15pts 2, J. Grant 10 $\frac{1}{2}$ pts 3

Junior:

J. Tepana 20pts 1, D. Paskell 15pts 2, D. Spencer 10pts 3

Intermediate:

Senior:

P. Noble 29pts 1, P. C. Henderson 15pts 2, P. J. Henderson 8pts 3= A. Van der Byl 8pts 3=

Grant House managed to head off Coldstream Hostel late in the day after that house had maintained the lead following the Standards Meeting which was held earlier in the month.

Final House placings were:-

Grant 845pts 1, Coldstream 825pts 2, Pearce 816pts 3, Uttley 768pts 4, Page 745pts 5, Deaker 608 pts 6.

Otago B.H.S. at Dunedin - Lost

The course proved to be just too much for both teams who were not used to the hills Otago had to offer.

Waitaki B.H.S. at Oamaru - Won 35-37

With only the fine performance of L. Sargeant in the top five placings of the Juniors, the Seniors had to turn on a fine run over the demanding Oamaru course to win.

Juniors - 2nd L. Sargeant

Seniors - 1st M. Journeaux 2nd C. Goodwill 3rd P. Henderson

King's H.S. at Invercargill - Won 19-38

A fine showing by the school as the Juniors took their honours by coming in 1st, 2nd, 3rd and 4th and winning 10-26. The seniors also showed the visitors how to run on the flat by taking 2nd, 3rd and 4th placings to win 9-12.

Juniors - 1= M. Russel, N. Britton 3rd L. Sargeant and 4th J. Tepana

Seniors - 2nd M. Journeaux 3rd P. Henderson and 4th E. Ireland

CLUB RUNS

We again had a strong Senior team this year and took the teams event in the Forest Hill Handicap, McIndoe Casket and Southland Cross Country. The major place-getters in the team were M. Journeaux, P. Henderson, R. Osmond, E. Ireland and C. Goodwill. Other members who took the minor placings but who we couldn't have done without were C. Hubber, C. Gallie, R. Souness and M. Ferns.

Our Junior team was led by L. Sargeant and N. Britton who with their constant fine form took placings in most events. The Juniors came second in the teams event at the Southland Cross Country to round off the season. Other members in this grade were P. O'Brien, G. McNamara and M. Russel to name but a few.

We could not have had the number of successes that we did have without the time and effort put in by Mr Lauren.

Parent-Teacher Association

The Parent-Teacher Association has had a busy year. As usual it hosted the four evenings when teachers and parents get together to discuss the progress of boys. It also held the annual careers' evening and a panel discussion evening on current youth problems.

With the centennial imminent, fund-raising was stepped up with several original and enjoyable projects ranging from a fair to house demolitions. Besides its regular commitments to prizes and improvements to school facilities and equipment, the association intends to mark the centennial with the erection of a sign and name at the school entrance, and to take steps towards the renovation of the pavilion.

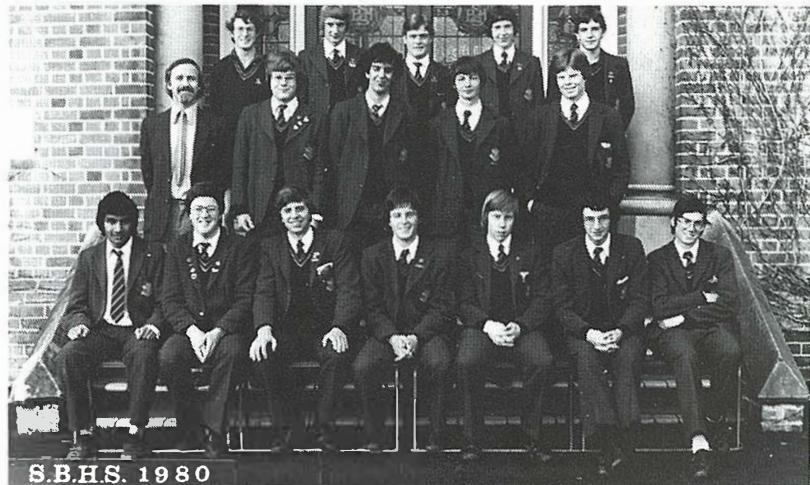

Offices elected at the Annual meeting were:

President:	Mr A. Matheson
Vice Presidents:	The Rector Mr J. Duncan
Secretary:	Mrs M. Cummings
Treasurer:	Mr B. Hinton

SOUTHLAND BOYS' HIGH SCHOOL OLD BOYS' ASSOCIATION

PATRON: L. M. Cornwell

PRESIDENT: G. D. Allan

IMMEDIATE PAST PRESIDENT: R. J. Read

VICE PRESIDENT: T. Tattersfield

EXECUTIVE:

H. J. Kitto M. W. Broomhall

L. Randall A. G. Robins

SECRETARY/TREASURER: K. Sandri

HON. AUDITOR: M. I. Rankin

CRICKET AND RUGBY REPRESENTATIVE: N. Spence

SOCCER REPRESENTATIVE: D. Patton

SQUASH REPRESENTATIVE: J. Boult

SCHOOL REPRESENTATIVE: R. A. Rankin

All Old Boys wishing to join the Association, or interested in its affairs should communicate with any member of the Executive, or with the Secretary, P. O. Box 296, Invercargill.

GENERAL:

During the year the major pre-occupation of the Association has been the forthcoming School Centenary. Fund-raising and Centennial Committees have been meeting regularly, planning and organising what promises to be a very enjoyable reunion.

One of the most pleasing aspects of the year's activities has been the very dramatic increase in our financial membership and the continued enthusiasm from branches of the Association further north.

OUR SPORTING CLUBS:

CRICKET: The Senior XI suffered a massive setback when five (all Southland representatives) of the previous year's team were unavailable. However, under the Captaincy of Neil Adam, they recovered well and finished in the middle of the combined Town/Eastern competition.

The Senior Reserve team was a stronger unit this season and achieved third place in the competition.

SOCCER: During the past two seasons five senior teams in the Southland Football Associations competitions and also eight schoolboy teams in Saturday morning competitions.

The winning of the local senior competition in 1979 enabled the Club to gain entry in the Southern League grade this year.

SQUASH: This being the first full season with two courts in operation has resulted in a steady increase in membership which is now closed at around 280. However with resignations and departures from Invercargill the waiting list is not too long. The increased membership has created a greater competitive spirit within the club and we look forward to a successful 1981 season.

RUGBY: This has been a year in which the club has made a lot of progress. Teams were entered in all grades from Senior down to Under 18, six teams in all, including a team in the "local grade".

The individual teams performance varied from grade to grade, but the undoubtedly highlight was the U23 winning their competition.

A number of our members were involved in a tour of South East Asia taking part in a number of matches. The highlight was participation in an International Clubs 10-a-side tournament in Kuala Lumpur.
