EDITORIAL

BACK TO BASICS

1978 was the year N.Z's traditionalists called for a "back to basics" movement nationwide. They were referring of course to our educational system and our educational standards in secondary schools. Mr Muldoon himself claimed he was alarmed at the lack of reading and writing ability in school leavers and he feels our curriculum should be geared to produce students who can spell and, perhaps, fill in their tax forms correctly.

"Not for school, but for life we are learning" is a sentiment expressed by most around our country and of course for living you must be able to fill in tax forms and voting slips. But the "three r's" must be taught in the primary schools. They must be well taught and the onus is on the primary teacher to do so, so as not to place the burden on to secondary schools who are concerned with advanced, diverse, yes, secondary, education. It is surprising that to be accepted to teach primary children you do not need university entrance or any university qualifications. In the most important field of education, that of teaching the child fundamentals, it seems all you need is enthusiasm. This lack of adequate teaching by some primary teachers is the reason for remedial reading in secondary schools. Those who can't read and write are a minority but it will increase if our demand for teachers requires those unsuited to be trained.

Without the need to teach reading and writing, merely to consolidate and build on the students fundamental knowledge, the secondary school can concentrate on science subjects or the arts. Study is no longer just for your life time employment but also for furthering knowledge and, enjoyment. The musician may enjoy maths or the chemist may enjoy history. The secondary school is designed to equip people for their employment and to give a wide degree of variety to the school students learning.

Any progressing society, as ours is, must have a firm grounding in human relationships and behaviour and our education must incorporate these fundamentals as well as reading, 'riting and 'rithmetic.

It is unfair therefore, to assume that our education must be concerned merely with basics. Basics should be behind the secondary student. Even the word secondary suggests that here you branch out, learn about societies, human relationships and social behaviour. Instead of doing someone else's job, secondary schools, should be enlarging their curriculum for philosophy and human sciences to aid the young student's progression into a society depended on strong human relationships and exemplary social behaviour.

A stable society is a successful society, and, surely, that is what our education is all about.

School Diary

TERM ONE

Staff Notes

The following joined the school this year. Mr Stevens from U.K., Mr Riley from Christchurch, Mr Woodward, Mr Smith from U.K. and Mr Collins from Christchurch.

As relievers during the year we were pleased to have Mrs Zohrab, who returns to Thailand and Mr Jackson who returns to college.

Several staff members left during the year and their contribution will be missed. Ms B. Cavanagh left in term one, Mr Maslin who went to Temuka in term two and Mr Lamont who joined the staff of Marist. After twelve years of service to the school Mr T. Duerden retired. He will be missed for his attention to detail, his work with ZL4CT and his real concern for the classes in his care.

Others to leave at the end of the year were Mr Sapsford and Mr Thomson who are going overseas, Mr Paulsen who is transferring to the Community College, Mr Clarke who is going back to Winton, and Mr Shirley who is going into business in Dunedin. The school is grateful to all these teachers for their work. They will be missed by the rest of the staff.

Mrs Cave left at the end of term two on maternity leave. We congratulate her on the birth of a son. We welcomed Mrs M. McKenzie and Mrs Young to the office and regretted the departure of Mrs D. Steele.

Obituary

RODNEY ALLAN LAWRENCE The school was saddened to learn of the tragic death of Rodney Lawrence as a result of an accident during Labour weekend.

Rodney was a member of 6B1 this year having attended the school from 1975. During his time at school Rodney played rugby and cricket for the school as well as having an interest in the Electronics Club.

Rodney will be missed by those friends he made during his time at Southland Boys. The school extends its very sincere sympathy to Mr and Mrs Lawrence and their family.

CRISPIN MILLAR On July 7 of this year, the School was grieved upon hearing news of Crispin Millar's death in a motorcycle accident.

Crispin, who was in the seventh form this year, played an active role in school life during his five years as a pupil here. While being keen on most forms of sport, both as participant and supporter; his teachers would no doubt agree that Crispin's greatest contribution to the school came on the academic level. A capable student, he illustrated his dedication to school work by being among the few who were to gain a pass, by sitting, in the University Entrance Examinations.

Crispin's friendly and understanding nature won him innumerable friends; many of whom were to come from all parts of Southland to attend his funeral. The staff and pupils of the School would, therefore, like to offer their condolences to Crispin's family and to assure them that Crispin will be missed but not forgotten.

MISCELLANEOUS SPORTS:	R. Wells was selected for the N.Z. Skiing Team N.Z. Under 21 Champion - Offer to tour FIS international circuits. P. Culling finished a creditable 38th in the recent Winstone Marathon.
MUSIC:	Angus France attended Secondary Schools National Orchestral Course in Christchurch in May and the Auckland Secondary Schools National Orchestral Course in August. Angus was accepted for Cambridge Music School. Christopher Wilson was a member of the Secondary Schools National Orchestral Course in May as well as the National Junior Symphony Orchestral Course at Napier in August.

DEBATING TEAM

Back Row: Mr A. M. McIntosh

Front Row: T. G. Burnard, P. J. Brown, M. E. Crowther

Debating Club

Cum Verbis Pugnamus

This year's debating team was a combination of experience and enthusiasm. It continued the fine tradition of S.B.H.S. debating in competing and winning the Southland section of the N.A.C. Debating trophy. In doing so, they convincingly trounced Marist, Hargest, S.G.H.S. and Aparima. Unfortunately, the effects of travelling to Dunedin to contest the Otago-Southland final against O.B.H.S. were not overcome and the team went down in a spirited encounter.

The team had more success in the Jaycee Shield for Southland by beating St Caths on the topic that Automation in Industry is a threat to the industrial worker. Taking the affirmative side, S.B.H.S. quickly showed their ability against a less experienced St Caths team, and won with comparative ease.

The season has seen consistently fine performances by Trevor Burnard at 3rd speaker, whose rebuttal is always the bogey of other teams and Mark Crowther whose gut-fighting tactics often demoralized the opposition. Peter Brown the team leader, always provided a solid grounding on which to base the team's argument and with Mr McIntosh, their fountain of knowledge, the team inevitably acquitted themselves well.

Our thanks go to the time put into our debates by Mr McIntosh, and, as in any team, our success was dependent on our coach. We wish next year's team all the best and hope they enjoy a year as enjoyable and successful as ours.

Music Report

There were two exciting highlights of the musical year at S.B.H.S.

One - the S.B.H.S. Lunch Time Concert held during the Invercargill Arts Festival at Southland Women's Club. The concert was very well received by the capacity audience. Congratulations to all boys who so willingly gave of their time and talents to make the concert such a success. The second highlight was earlier in the year when Christopher Wilson and Angus France along with Sandra McLennan from S.G.H.S. won the A Section of the Bank of New South Wales Contest for Chamber Music Groups. They played the second movement of the Bach double violin concerto in D minor and received very favourable comments from the adjudicator.

During the year the school provided many musical concerts for local organizations, five boys travelling as far as Tuatapere to perform several items at a Sunday afternoon's Concert organized by the Waiau Community Arts Society.

Students also provided the music and items for the High Schools Board Centennial Dinner.

The arrival at the school of Mr E. Moore as Itinerant Teacher of Brass Instruments has caused great interest in the subject with the result dulcet and not so dulcet tones of Brass float out of the Grant Block all day Friday. Thursday is the day for violins and woodwind under the careful guidance of Mr V. Aspey and Mr M. Johnson.

On Tuesdays at Lunch Time numbers of boys have availed themselves of the opportunity of tuition from Senior Guitar Players, Tim Mason and Nicholas Tansley.

The Junior School thoroughly enjoyed Mr Gary Brain's visit to the School. Mr Brain is Principal Percussionist with the N.Z. Symphony Orchestra, and he brought an amazing collection of drums and percussion instruments which he introduced with vitality and enthusiasm.

A secondary Schools Music Festival was held on 27 April; about 60 boys attending from S.B.H.S. This festival is a most worthwhile venture for the Music Students throughout Southland. It fosters good relationships between various schools, creates a healthy musical climate to compare the potential talent within the Community, and encourages each student in his particular endeavours.

Some of the places we have performed; twice to the Forth Street Lodge, Mr John Husband's Art Exhibition at the Museum, twice to Anderson Park, the Scottish "Ceilidh", Waiau Festival at Tuatapere, Southland Women's Club, Gladstone Women's Club, Kelvin Hotel, League of Mothers' at U.F.S. Hall, Southland Secondary Schools Music Festival, Museum, Scottish Hall for Wales Chamber Music Contest, Blind Centre.

Cobham Outward Bound

Earlier this year, during May, because of the kind sponsorship of our Old Boys' Association, I was fortunate in having the opportunity to participate in a Cobham Outward Bound course.

The aim of this course is not a test of fitness but rather it is directed for participants to learn more about themselves. On arriving I was placed in a watch with thirteen other individuals of ranging ages, abilities and interests. For the duration, we were continually packed together and placed in situations designed to push us to the limit, teaching us the importance of a group and tolerance needed within one.

The twenty three days comprised of tramping, sailing, kyaking solo and service.

The most beneficial to my watch being our climax Third expedition, sailing. To the dismay of all, the school's yacht the Endeavour, sunk when the sea conditions suddenly changed, the waves steepening, swamping the cutter. We found we were alone, members of our group, whom before seemed no hopers, suddenly showed qualities for which we now have great respect. We realized we were all necessary to form a team. Afterwards we were very sad that the school's prized possession was completely torn to pieces and destroyed, the only flotsam found was a few splinters of planks and an oar.

I wish to take this opportunity to thank the Old Boys' Association and strongly encourage anyone getting the chance to partake in this experience, to surely do so.

The Spirit of Adventure

S.T.S. 'Spirit of Adventure' (Sail Training Ship) is a 105ft steel hulled schooner given free of charge to the youth of New Zealand in 1973 by an Auckland Industrialist, Mr L. J. Fischer. Worth about half a million dollars, it is administered by a Trust Board and sailed by a five man permanent crew. The cruise which I attended took on 27 trainees from secondary schools throughout the country and spanned a ten day period at a cost of \$145 (air travel inclusive) to every trainee.

Over the ten days the ship sailed around the Hauraki Gulf including stops at Motuihe Island, the Coromandel Peninsula, Great Barrier Island and Kawau Island. During this time the skills of small boat handling, power boating, navigation and basic training were covered and everybody was given some training in all these fields.

We were divided into three watches of seven trainees and the day started every morning at 6.30 a.m. with P/T, scrubbing decks, a swim and an hour cleaning the ship throughout. Every night when at anchor one watch was responsible for the safety of the ship and the people on board. We spent only one night sailing, travelling 112

miles to make 30 miles and taking 32 hours in doing so. This was a real test in which everyone had to work as a team in order to achieve anything and in which any mistake could cost up to half an hour sailing time.

It was emphasised before the voyage that the amount we put into everything we did would determine the amount we would get out of it, and it was obvious that by the end of the voyage those that had put little into it had got very little out.

I must emphasise that it was not a holiday but it was a very enjoyable and unforgettable experience, one which I would encourage anyone to take and I must sincerely thank the school for giving me the opportunity to take the voyage.

Social Committee Report

From the outset of the school year, the social committee was quickly organised and ready to fulfil its task. The earliest social event of the year was the Senior Sports Dance which exceeded all expectations, and from this point on it was clear that the social year would be "Fruitful".

Attendance from within the Seniors to their social events was particularly good and the Junior students attended their dances with noticeable enthusiasm. The most noticeable characteristic throughout the 1978 year was the greater infiltration of the Discos which were more prevalent because of a growing "Disco Fever".

The School Formal this year, held at Girls' High took the title "The Signs of the Zodiac" and the S.G.H.S. Hall was suitably attired for the occasion. A good evening was enjoyed by all. Our thanks go to Mrs France, Miss Black and Mr Pethig for their time and efforts in Dancing classes which are becoming increasingly more important to finalize Partners and Awkward Feet.

Before the year was spent, there was to be several more social events which all went off without major hitches. For guidance throughout the year we thank Mr Cornwell.

We would like to thank also our sister school for 'services' rendered and our patrons from S.B.H.S. Special thanks go to all staff who have helped throughout the year and all others who have made the social year the success it has been.

1978 Social Committee: M. E. Crowther, P. J. Brown, C. Compton, P. Culling.

Coldstream Report

Once again an enjoyable year was had by all at Coldstream Hostel in 1978. Although an active year it was free from 'trouble' and passed without major calamity. More improvements were made to the Hostel itself, with all the dorms being painted and the kitchen and prep rooms also experiencing a lick of the brush.

On the sporting side four boys played for the 1st XV and two for the 2nd XV Rugby teams. Although our star studded team failed to win the interhouse rugby, we were definitely the most attractive team in the field of play, continually trying to run the ball. In the summer athletic sports, the house performed creditably with our 'performances' and spirit unequalled. Again a hostel softball team under the able guidance of Mr John Milne was entered in the sixth grade competition and after five wins from five games look set to take first place honours.

In conjunction with Enwood Girls' Hostel, three dances were held throughout the year. The highlight however of our social calendar was the first Coldstream Hostel Formal Ball which was held on April 28. To the music of 'Something Different' we waltzed from 8 to 12 p.m. A night to be remembered and undoubtedly enjoyed by all.

It was a year of first's at Coldstream with several boarders performing notable achievements. This year saw the Hostel experience increased involvement with four school prefects coming from Hostel ranks. The team was headed by Peter Brown as Head Prefect, Callum McKenzie was selected for and attended a 'Spirit of Adventure' cruise in October. The list of notable achievers however must be headed by Chris Compton who was made 'proxime accessit' (runner up to Dux) at the close of the 1978 school year. Our congratulations to these boarders and to the others whose achievements are too numerous to mention.

Our sincere thanks go to Mr and Mrs Magrath, the staff and house-masters, Messrs Milne, Lind, Anthony and Jackson for their undivided attention towards the welfare of their charges.

Radio Transmitting Club, ZL4CT

This club went into recess at the end of Term 2, due to the departure of Mr T.W.M. Duerden from the school. Over the last thirteen years, Mr Duerden had brought this transmitting station into high repute amongst radio hams. During this time, an average of three or four boys each year earned their amateur radio operators licence. Amateur radio stations have been contacted in all parts of the world, using mainly the simple antenna strung above the front lawn of the school.

A small cove of enthusiastic boys remains within the school, awaiting the appointment of a new trustee for ZL4CT.

Our congratulations to Ken Sutton on obtaining his amateur radio operators licence.

Southland Mathematical Association Competition

This annual event was held at Southland Girls' High School on October 9 and 10.

A third form team of Stephen Smith, Roderick Smith, Cambell Savage and Philip McDonald won the team competition run on the well attended first night. This is a test that requires an ability to think quickly, puzzle widely under competition pressure with the physical conditions crowded, hot and noisy.

There was a total of over 1000 entries for the other sections; most schools in Southland competing. These entries were displayed in the hall and provided pleasure to adults and children during the two days of the competition. Further school prize winners in these sections were Ralph Christophers, Richard Stonehouse, Stephen Sinclair and Grant Ramsay.

Electronic Club

Thirty boys from Forms 3 to 6 were members of the two electronics clubs. Half of them met Tuesday after school; the other half met Thursday lunchtime.

Different circuits were constructed, including oscillators, amplifiers, and radio receivers. The boys learnt the function of resistors, thermistors, diodes, capacitors, and transistors.

A high level of success was achieved with the various circuits. All members were very enthusiastic: many taking their work home to experiment with and improve.

Computer Club

About a dozen boys belonged to two clubs, both meeting Friday lunchtimes. One club for junior boys used the Portran computer language; the programmes being processed by Databank in Dunedin via the Bank of New Zealand. This club was run by Brian Simmons of form 7A.

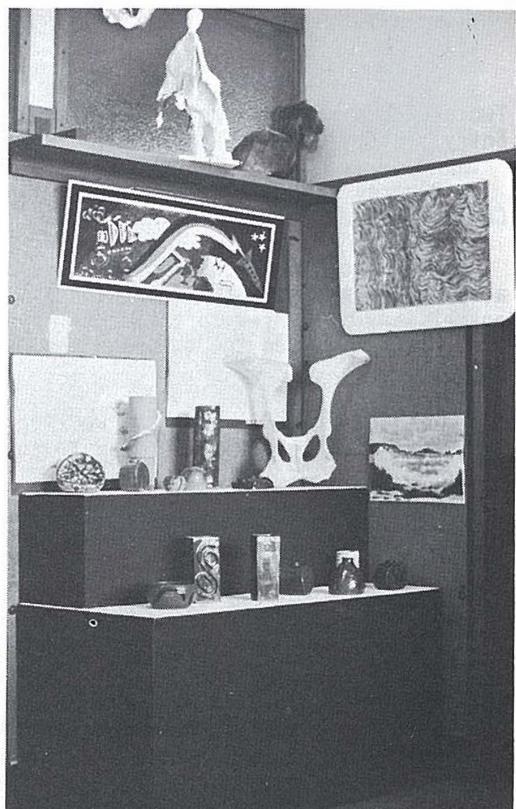

The other club for senior and more advanced junior boys used PL-I; a high level computer language. These programmes were processed by N.Z. Aluminium Smelters.

Imaginative programmes were written by boys in both groups.

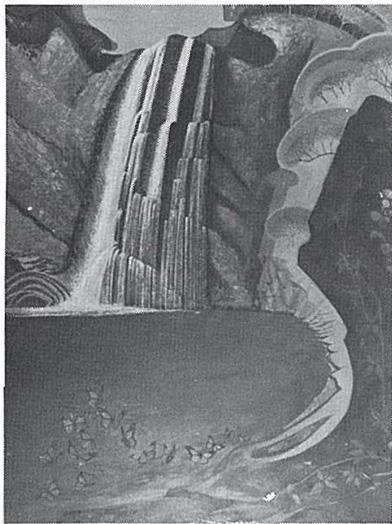

Our thanks from both the Electronics and Computer Clubs to Mr Evans for both his continual guidance and keen interest.

Art Notes

This year's art activities have followed a similar format to previous programmes. Two students have attempted The Fine Art Preliminary and ten students University Entry History of Art.

Several students were successful in having their entries displayed in the Young Contemporaries Exhibition. Martin Muller having no less than four works exhibited.

The school has acquired two more original paintings during the year. A fine acrylic masterpiece of "Keri Keri Falls" by Clifford, and an interesting modern enamel work presented to the school by Stephen Swann who has been studying Fine Art Preliminary between the thousand and one Art chores he has been asked to do for the school.

The pottery kiln has been working overtime and hopefully we will have some fine ceramic work displayed next year to compliment the wood carvings produced during Mr Sarson's reign.

To sum up 1978, has been a quiet but productive year. 1979, should be interesting with the introduction of the new University Entry Practical Course.

Inter-School Christian Fellowship

A change of room this year, with the Music room now being the new venue for our weekly discussions and worship. The ready availability of music has helped tremendously in the task of creating an informal atmosphere in which everyone can take part.

Many more names are on the roll this year and we hope that they will continue to give their support. We are, however, always seeking new members, so feel free to drop in, just to see what it's like.

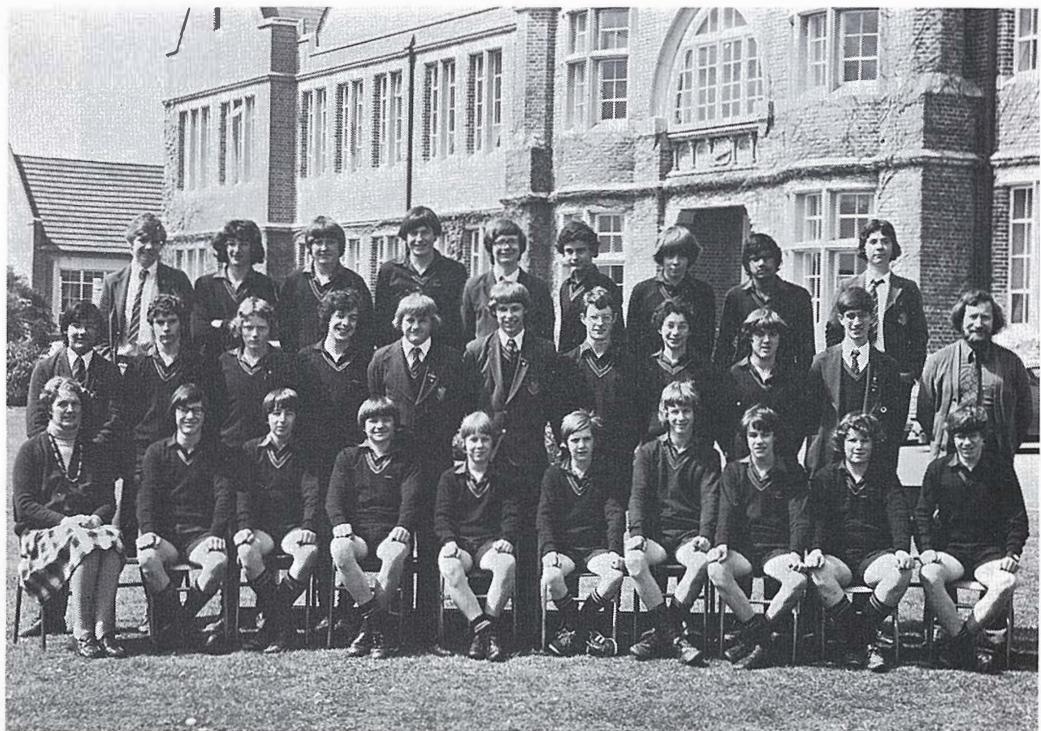

We thank Mr Fyffe for his guidance and leadership in our discussions; and also to Mr Riley for this, and for letting us exploit his musical talent as our pianist. Thanks to Mrs France for the use of her room.

Library Report

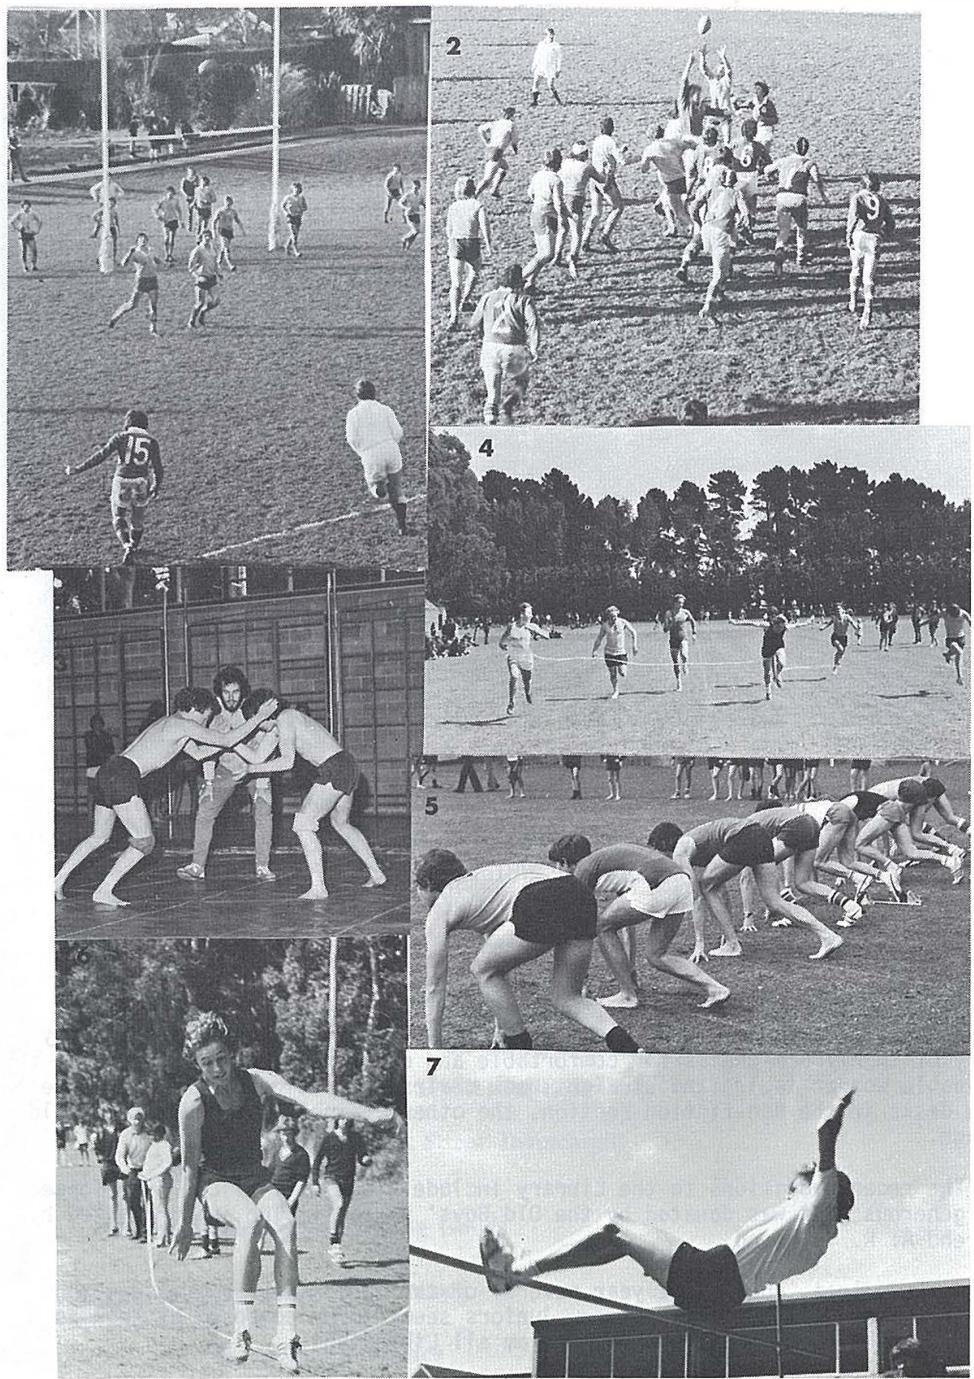

This year, thanks to the school on Workday, the Library has benefited by the luxury of thirty arm-chairs for comfortable and quiet reading. These replace the formidable wooden tables and straight back chairs, a portion of which compose the study desks in the Non-fiction section, the others being in well deserved cold storage.

The recent additions to the Library include a set of Biblical Encyclopaedias. This generous gift was donated by the Old Boys' Football Club and presented by the Reverend A. R. Townsend.

We have lost, during the year several of the Senior Librarians, due to study pressures, however the influx of new Juniors seems to be composed of keen and reliable workers. An overall good year's work from all Librarians.

We thank Mrs Anderton and Mr Lauren for their tireless efforts in keeping the Library functioning as well as it has.

The 1978 Accessions, list that 310 Non-fiction, 164 Fiction and 162 Paperback books, have been added to the Library.

1ST XV - 1978

"A TEAM EFFORT"

Team spirit, dedication to the cause, and many hours of patient coaching were the prevalent ingredients to the success of the 1978 1st XV winning the S.R.F.U. under 20 competition and retaining an untarnished record in the four interschool matches. From the beginning of the season the team looked poised to have a successful run, with the promise of real potential having nine caps returning from the previous year. A tight core of forwards M. Crowther, N. Cartwright, M. Kidd, M. Smellie and T. Mason at No. 8 which stood the team in good stead for the season providing a solid foundation and forward unit.

In the backs B. Pascoe at first five led by example throughout the season showing the experience of a good tactitian. Also back were L. Campbell, C. Hook and G. Soper, who all showed class as the season drew by.

Notably this year's 1st XV succeeded because of coaching and they realised the value of the "team effort". Forward mobility and speed around the paddock resulted in the winning of vital balls for an enterprising and pacy backline to work with.

It must be highlighted that the turning point of the season for this year's team was the second round game against Marist which saw the team down 27 - 13 with 10 minutes until full-time. This, as it turned out was the most "concerted", "fastest moving", "self-motivated" effort of the club competition, with three fine tries being run in. This tied the game at 27 - 27 with one conversion yet to come. This would be without a doubt the most difficult and pressurised kick of the season, so in the final seconds G. Soper kicked successfully enabling school to win 29 - 27. After this, the team never looked back.

INTERSCHOOL RECORD (4 OUT OF 4)

O.B.H.S. Won 13 - 3

With this being the first interschool fixture of the season away from home it was imperative that school settled down quickly to the task in hand. Played on a sticky ground in good conditions school soon took control in the forwards with a concentrated effort, hit O.B.H.S. very hard in the first ten minutes which paid dividends. Several fine back movements put unquestionable pressure on the O.B.H.S. 1st XV. It was inevitable that points would come. It was not long before P. Noble scored with a strong run. This was not converted. G. Soper managed to "pot" an indirect free kick. O.B.H.S. never out of the running kicked a penalty goal. However, late in the second half M. Kidd with a fine diving run put the issue beyond doubt and scored, which was converted.

WAITAKI Won 15 - 6

Conditions hot and ground very hard. This saw a very lively game in which play switched constantly from attack to defence. School soon established a territorial advantage. Noble with an intercept ran 60 metres to score unconverted by G. Soper. D. Gibson had a fine game at half-back, scoring a fine individual try around the blindside of the scrum. P. Noble scored another try in the second half after fine back play G. Soper kicked a penalty. Waitaki managed 6 points from 2 penalties. Final score 15 - 6. First win since 1960 on W.B.H.S. home ground.

KINGS HIGH Won 34 - 3

It was very prevalent the number of injuries which marred this game, injuries particularly in the Kings ranks. School enjoyed dominance in the majority of the facets of play and dictated the movement of the game. P. Noble scored 2 tries, G. Soper 1 try, D. Gibson 1 try, W. Dewar 1 try, M. Crowther 1 try. G. Soper and B. Pascoe kicked 10 points between them. Although the final score was 34 - 3 the half-time score was only 8 - 3 and it was not until late in the second half that Kings tended to fold up, perhaps due to pressure from school and a noticeable unfitness in the Kings squad.

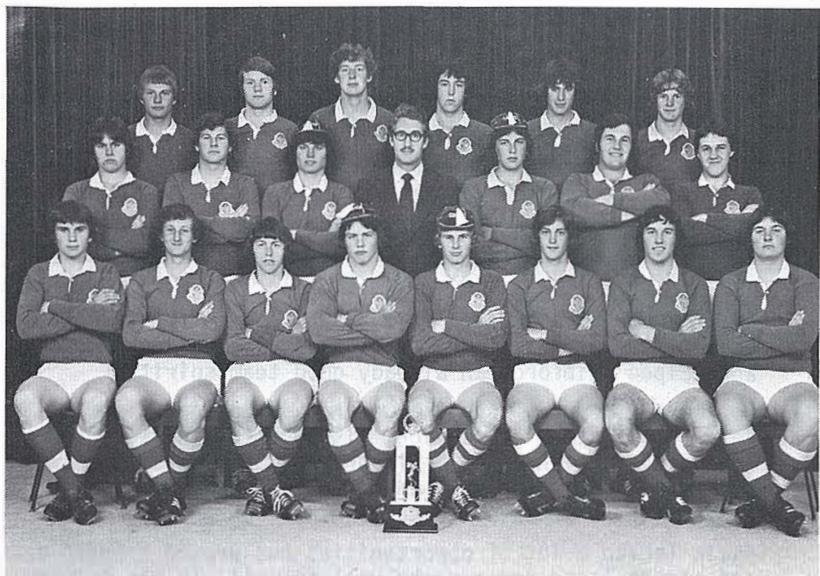

TIMARU Won 10 - 9

This undoubtedly would be the Highlight of the interschool games. With every week, came a bigger more elaborate picture of our invincible opponents from Timaru. With every week their record grew, a little bigger, with every week so too did our spirit buildup, and when the time to play came we had reached our peak. From the outset of the game we hit them relentlessly looking for a fault in their defence. Ironically however, they scored first with a penalty goal then a dropped goal and then a further penalty 9 - 0, nothing seemed to be going schools way. Soon after however, P. Noble scored a fine try after good clean ball by the forwards and speedy dispatch through the backs, and a fine individual run, which was converted by G. Soper 9 - 6. At the turn around and the heat was really on, more pressure by school and C. Hook received the ball at 2nd 5, found the gap and went in for the 2nd try, unconverted. The End was drawing nigh. Timaru not to be contented with a 10 - 9 loss fought back, but unfaltering defence and cool attitude held out a determined bid.

School could rightly claim that this was the top South Island 1st XV and thus they were the unofficial S.I. Champions.

TEAM MEMBERS

- | | |
|-------------|---|
| G. SOPER | A very versatile and capable full back. The natural flare and ability to turn a defensive situation into attack, this paid dividend throughout the season. Scored over 100 points. With further concentration his rugby will improve. |
| L. CAMPBELL | A player who developed in all facets of the game coupled with his natural ability. Regarded by the national coach "as a player with plenty of gas". Handling improved out of sight. |
| S. MOFFIT | Could run from any position in the field. Very strong and determined runner developing markedly during the season. |
| P. NOBLE | Power and determination made him a formidable opponent for any opposing wing, (and forward Pack). |
| B. SYCAMORE | Developed as an enterprising centre who often sparked needed life to the back line. A slight but deceptive runner. |
| C. COMPTON | Unfortunately lacked a great deal of opportunity at centre, but showed strength as a runner and superb defensive play. An excellent team member. |
| C. HOOK | A "Veteran" 2nd five whose experience, strength and ability to read the play found many gaps in the opposing defence, which resulted in many scoring opportunities. |
| B. PASCOE | 1 of the 9 hard earned caps of the team, whose ability to dictate play created unity and confidence within the team.. Vice Captain. |

B. R. Sycamore, C.W.R. Compton, G. E. Hubbard

2ND XV RUGBY

Back Row: C. J. Christie, D. B. Nind, C. P. Brown, P.E.S. Carlaw
Middle Row: P. J. Tait, P. C. Scott, D. G. Borne, R. J. Richmond, B. D. Fairweather,
L. J. Hamill (Coach)
Front Row: I. C. Withington, P. G. Chittock, M. P. Smellie, P. S. Culling,
M. A. Gilbertson, M. H. Hall, I. Grant

D. GIBSON	At halfback showed an ability to run (himself) and feed the backs quickly and cleanly. Fulfilled his job as the forward-back pivot admirably. Was a key factor in the team success.
T. MASON	A solid and "tight" loose forward who worked consistently through the season and demonstrated (Guts) in his play.
P. HENDERSON	A totally dedicated player who progressed in "leaps and bounds" with potential to do even better.
B. DEWAR	A fast loose forward who was always quick to the break down. Improved 10 fold in the season and will obviously develop further.
M. SMELLIE	"A Returned Serviceman". Little more can be said other than that his experience and knowledge of 3 years in the 1st's have stood him in good stead. A "solid" grafter who led the younger members of the team and helped reinforce an already good team spirit.
M. KIDD	Noticeably a small lock - however made up for this with tremendous determination and dedication, his mobility and speed outweighed any size deficiency he had. A player who was always there when the chips were down. Took good ball and developed constantly, as the season progressed. Thanks for accepting the Lock position.
T. WINSLOE	Again lacked a lot of opportunities but proved himself a very worthy and strong loose forward who will do well, in the future.
P. BROWN	A forward who was able to play most any forward position and equipped himself well. With greater opportunities he will do well. Good team member.
I. WELSH	A player who had untapped potential at the outset of the season, and a player who gained the experience and knowledge of the first fifteen which resulted in personal success and the all round benefit of the team. Size and fitness enabled him to mark (well) any opposing props.
N. CARTWRIGHT	A hard toiling prop forward who was not big in comparison to those he marked, but rugged and determined in all of his play. Gave his all, dedicated and mobile.
MARK CROWTHER (HOOKER AND CAPTAIN)	Superbly fit. A rugged competitor who led the team splendidly.
G. HUBBARD	A keen and willing prop, dedicated team member. Will get more opportunities.

2ND XV RUGBY

Captain: P. Culling

Coach: Mr L. A. Hamill

At the start of the season the 2nd XV team was formed and looked a promising side with a set of good forwards and a strong backline with pacy wingers. Unfortunately the strengths of the team were not played to and after five convincing wins the section was split up which resulted in the better drilled sides in the far stronger section A, picking our weaknesses and in many cases playing to them. The team picked itself up towards the end and finished the season with wins over Hargest and to the surprise of many, Bluff, but we could only manage 4th in the competition.

Many eyebrows were lifted too when the team returned from Waitaki victorious, and successfully posted 2 wins from the 2 interschools. These were great efforts as the team was off form and playing away at Waitaki and Otago but produced rugby at both in which both backs and forwards complemented each other to gain wins which were the highlight of the season.

The forwards were a relatively small pack and were hard to get motivated, but apart from a few lapses, played with determination and spurts of fire against the usually heavier and taller opposition. Mention here must be made of Ian Withington our hooker who always gave his best, a better team man would be hard to find. Our two locks gave good service and R. Richmond in particular never played a bad game. Peter Carlaw headed a lively loose trio and played well making the most of his scoring opportunities.

The backs had the individual players to make a penetrating unit against tough teams, although scoring good and sometimes brilliant tries failed to contain their opposition and never reached full strength. M. Gilbertson at half back gave valuable service to the back line and the tackling of I. Grant was always superb. The Wingers M. Hall and A. Hitchcock were never utilised and their strong running was only shown in glimpses.

Congratulations to M. Hall and P. Carlaw on their selection into a triumphant Southland U16 Representative team.

The team wishes to thank Mr Lex Hamill for his valuable time given up in coaching the team and for helping a young side through the season, and to P. Culling for his leadership on the field.

UNDER 17½A RUGBY

Captain: W. Keen Played 17, Won 7, Lost 8, Drew 2 Coach: Mr I. Baldwin

This year's team was a young side and full of potential. The team started extremely well losing only one game in the first round, however the tables were to turn against us in the second round and four consecutive losses did little to help morale. Injuries also took their toll, however we did manage a creditable win over the runners up, Invercargill and a draw with competition winners Cargill High School 1st XV. After the 2nd round, the competition was divided in two and being in the bottom section managed two wins and finished with a well deserved 3rd place in the six team competition.

Most importantly, team spirit was never lacking. This, coupled with the ability to strive under pressure were important factors in our success.

The forward pack although possibly the smallest in the competition proved fast in the loose and this was the key to our gaining much needed ball. Generally the forward pack worked well together with some unorthodox positioning of players, with P. Smith and B. McAlister always giving their best.

The backline showed a lot of skill in running the ball and defence was always sound. With strong running and sound defence C. Atkinson, G. Whita and R. Soper displayed their skills. M. Sycamore held the key to fine back play at first five with his tactical kicking and sound defensive play. His potential was fully realised when he was selected for the Southland Under 16 team.

The Team: R. Soper, S. Molloy, C. Homer, M. Sutton, G. Whita, C. Atkinson, M. Sycamore (vice captain), S. Farrant, M. Dobbin, P. Smith, C. McKenzie, B. McAlister, J. Moffitt, S. Parkinson, R. Lawrence, W. Kean (Captain), D. McKitterick, W. Gumbley.

UNDER 17½B RUGBY

Captain: G. Thomas

Coach: Mr Paulsen

Played 17, Won 5, Lost 11, Drew 1 Points: for 106, against 191

The beginning of the season saw the team rated as the underdogs, but this attitude was soon changed as the team showed the dedication and sportsmanship needed.

The team played good rugby and despite disappointing losses the spirit never dropped. The season was highlighted by closely fought games with the "A" team, and two wins over Hargest.

The team wishes to thank Mr Paulsen for his coaching and also braving the Southland climate throughout the season. Our thanks also to parents who gave helpful advice and continual support for our cause.

The Team: G. Potter, D. Bennett, S. Mee, M. Field, M. Shaw, P. Scobie, B. Pay, G. Warhurst, S. Swan, G. Thomas, T. Dimond, T. Snell

Backs: G. Duthie, C. Smith, N. Beer, S. Hamilton, D. Meeking, M. Cooper, D. Walker, M. Lindsay

6TH GRADE RUGBY

Captain: D. Rance

Coach: Mr Shields

Played 12 games, Won 12 games
Won competition with 24 match points

From the start of the season the team showed a combined effort with strong, mobile forwards quick to the break down, to set up the ball for the backs who were pacy and played well on the defensive. The team was plagued by injuries but every Saturday 15 players turned up and turned on solid performances to win the competition. Outstanding players - R. Blanche, M. Duff, R. Coutts, P. Henderson, D. Blue.

The team sincerely thanks Mr Shields for his expert coaching and his dedication to the team.

The Team: Forwards - M. Duff, B. Jackson, D. Rance, W. Duncan, J. Shepherd, R. Blanche, P. Henderson, R. McDonald, L. O'Brien, D. Beale

Backs - M. Haig, D. Blue, G. Drummond, G. Todd (left during year), R. Coutts (scored over 100 points), R. Smith, D. Monteath.

1ST ELEVEN SOCCER

Captain: P. R. Ferguson

Coach: Mr Vercauteren

The 1978 1st Eleven Soccer Team had varying degrees of success during the season. The team showed inconsistency which was a result of inexperience and this can only be cured with time. The nucleus of the team was there in Paul Ferguson, Ronald Hinton, Alan Fraser, Roger Jackson and Billy Anderson, but too often this was not enough to carry the team through. As in past teams a competent and experienced defence was established while further forward many players lacked the aggression and composure shown by Paul Ferguson in goals and Ronald Hinton at centre-back. In the interests of attack, Alan Fraser was pushed into midfield and he used his skill to set up and score some brilliant goals. The youth of the team showed possibilities of a successful Australian Tour next year. Murray Gray showed dedication throughout the season and was a great help to Alan Fraser in attack. David Thornley and Neville Fallow had difficulty controlling midfield but should develop into dominant and more physical players next year.

Once again Mr Vercauteren gave the team his total enthusiasm and dedication and can take credit for many of the team's performances.

INTERSCHOOLS

v Otago B.H.S. (away) won 2 - 1

This was the best performance of the season by a team which played with determination and unity. Otago, fielding the same team as last year, was loaded with confidence. This was shattered in the opening minutes by Murray Gray who connected with a cross from Alan Fraser and scored the opening goal. Later, Neville Fallow capitalised on a break in defence and scored the second. All was thought to be lost when Otago scored 30 seconds into the second half but glory went to the Southland defence with Roger Jackson and Ken Love especially standing out. The 1978 season will surely be remembered by this game.

v Linwood H.S. (away) lost 2 - 3

Once again the team rose to the occasion and a 2 - 2 draw was deserved against the Christchurch school champions. Losing 2 - 0 at halftime the team came back to 2 - 1 after Neville Fallow followed up on a defensive mistake and slotted the ball home. With 10 minutes to go, Paul Ferguson was brought up and scored immediately from an Alan Fraser corner. Disaster then struck when a supposed Linwood cross from 30 yards was sliced high into the back of the Southland net.

v Kings H.S. (home) lost 2 - 3

This was a game the team should have won but once it was 2 goals ahead through Neville Fallow, concentration was lost and King's had the ability to comeback. Although Southland created many chances, they were not used and the Kings defence held.

v Timaru B.H.S. (home) won 8 - 2

Timaru was completely outclassed by Southland but must be credited with its two goals which were scored from well controlled defensive breaks. At last the Southland attack had a chance to move the ball around and play football. Everyone had their opportunities but Alan Fraser and Murray Gray made the most impression with three goals each.

OTHER GAME

The team lost to Christchurch B.H.S. in the semi-final of the N.Z. Secondary Schools knockout tournament. The two teams met under exactly the same circumstances last year and Southland lost 3 - 1 with Christchurch scoring all their goals in 5 minutes. The team momentarily cracked up after an obviously wrong penalty decision. The same referee was used this year and another controversial decision was made which may have lost Southland the game for yet another time. The team showed ability to fight on but was not rewarded.

1ST XI HOCKEY TEAM REPORT

Captain: H. Riley

Coach: Mr R. James

The team this year saw four new players in its ranks and because of last year's match results it did not gain a place in the Senior Competition. It was however placed in the Senior Reserve Competition where it soon showed its ability by winning all of its games by creditable margins. It was later placed in the Senior Men's Competition where it often performed above itself and worried the senior teams.

The interschool matches were, however, a very poor indication of the teams true abilities.

THE INTERSCHOOL RECORD

v Waitaki Boys' High School - lost 6 - 1

The team played a well drilled Waitaki team on excellent ground conditions but because of the increased speed of play and a very skilful opposition S.B.H.S. did not settle down until the second half. In the second half the team fought back brilliantly, scoring 3 goals, two of which, however, were disallowed.

v Otago Boys' High School - lost 3 - 0

Otago Boys' played a competent game to beat S.B.H.S. who never really "clicked" throughout the game.

v Kings' High School - lost 1 - 0

This was a game that the team should have easily won. It did in fact play very well but the forwards lacked that final aggression to put the ball in the net. There were however many close scoring encounters which showed some degree of skill.

v Gore High School - drew 3 - 3

This was a game with the team really playing well as a unit and because of its closeness, it proved to be most enjoyable.

THE TEAM

The team was a well unified body of players and each member soon knew each others potential. The goalie, P. Cook and fullback A. Herbison were both chosen for the Southland Colts Hockey team. The forward line: N. James, E. McLean, H. Riley and P. Ophius with practice became confident and aggressive, and many goals were scored by the two inside forwards. The defence occasionally lacked skill in the halves but these improved steadily throughout the season, they were: G. Nixon, B. Simmons, M. Chambers. The full backs and the goalie were confident and like the halves, dependable; they were: A. Herbison, R. Hamilton and P. Cook.

Many thanks should be given to Mr James for his patient coaching and regular attendance at our matches; this was a great boost to the team's morale.

1ST ELEVEN HOCKEY

Back Row: P. J. Cook, R. G. James (Coach), E. J. McLean

Middle Row: A. T. Jasperse, C. J. Riley, A. E. Herbison, M. N. Chambers

Front Row: G. H. Nixon, R. N. James, H. A. Riley (Capt), R. G. Hamilton, B. R. Simmons

2ND XI HOCKEY

It was not the most successful season as far as winning was concerned, however, the team consistently improved during the term and should be well prepared for next season. Good sportsmanship made the games enjoyable and well worth playing.

We thank Mr Riley for his successful efforts in improving the team.

2nd IX Players:

K. Sutton (captain)	R. Fraser (vice captain)	J. Gee
R. Gaines	J. Valentine	D. Rankin
H. McLauchlan	P. Ridder	W. Ridder
K. Hodges	B. Van Voornveld	

SUMMER HOCKEY

Although this is only the second year that S.B.H.S. has entered a team into the local Indoor competition, a lot of interest has been shown by members of the school. Because of the differing nature of the game, benefit is gained, not only by hockey players but also by many other winter sport players who want to stay fit.

The school could only enter one team this year, as the playing facilities at the Drill Hall are limited with over 40 teams entered from all parts of Southland. With some excellent coaching from Geoff Burns, an Old Boy and Southland Hockey Representative, the school team has had considerable success, resulting in the team going up a grade.

The team is: K. Sutton, P. Ridder, J. Valentine, T. Jasperse, A. Herbison, M. McKellar, R. Fraser, J. Gee, B. Simmons, P. Cook, N. James, A. Hitchcock, R. Hamilton, B. Van Voornveld, M. Chambers.

Basketball

1ST V BASKETBALL

With little in the way of experienced players returning from previous years the team was understandably weak, and hence having to field a substandard team. Abandoned by school coaches, it was up to team members to organise themselves into some sort of rank order and the team was forced to play minus a coach and registration for the first few competition games.

With the help of Mr Tiplady and Mr Thompson, a team was picked and a coach found. Almost instantly from the guidance of Mr Hoskin, the team spirit and general standard lifted.

The team does however have talent which is gradually being exposed. Despite limited success this year, every member of the team has matured and has gained much needed experience. High hopes are held for this coming season with seven players returning. Added interest and determination has been evoked due to the advent of an Australian trip.

INTERSCHOOL RECORD

v Otago Boys' High School - lost 124 - 19

Our first real game together as a team. The first half was a disaster with Otago Boys profiting from our mistakes to run up a massive score. The second half was better for us and we managed to score the few points we did get. It was bad luck that our inexperienced team had to meet Otago Boys in our first interschool as they were very experienced as a team and ranked fifth in New Zealand.

v Waitaki Boys High School - lost 72 - 61

A much better game for us. We were only two points behind at half time. Though a concerted effort was made, and a lot of yelling from the bench, we failed to overcome Waitaki Boys' slim margin.

v Kings' High School - lost 83 - 60

Our best game. At the start of the match little hope was held for a victory and we hoped to hold off another massive score. We surprised ourselves and really excelled as a team. Kings' High were a fine team and we were very pleased with our score. In this game there was some outstanding playing by members of both teams.

UNDER 16 BASKETBALL TEAM

Captain: Glenn Fyall

Overall the season was quite successful, winning the local Friday night competition at Surrey Park and coming fifth in the annual under 16 tournament in Dunedin.

The team narrowly lost two key games which set us back from gaining a higher placing.

We thoroughly enjoyed the season and the team would like to thank Mr Jeff Long for the time and effort he put into coaching. I'm sure this contributed to our successful results.

Players: Murray Brown, Chris Carlaw, Graham Dainty, Glen Fyall, Ross Jackson, Reece Murphy, Ricky Panting, Michael Pearson, Greg Pierce, Stephen Sinclair, Craig Urquhart, Chris Wilson, Coach, Mr Jeff Long.

Badminton

Captain: A. Turrell

This year proved to be a difficult one for the school team. Retaining only two of last year's members the interschool team gained great benefit from the arrival of two new badminton players in the school. P. Gulasekharan and R. Gulasekharan provided the school team with tremendous support in the unique doubles combination and singles play.

This year, visiting Waitaki Boys' High we had a surprise 6 - 0 win, but perhaps the best trial of the year was against our old adversaries Kings' High whom we defeated 7 - 1.

This year "stepping up" seemed to be the motto and for the first time we entered a school team in the local C grade competitions. Here we were supported by another fine bunch of players, L. Falconer especially who with a little application will prove a great wealth to next year's team. Starting out slowly the team rose to 8th position but fell back in the latter part of the season to finish 11th out of a total of 16 teams.

My congratulations to P. and R. Gulasekharan for top placings in almost all the Southland prize lists.

As captain of the team I would like to thank all the players and the girls of S.G.H.S. for their able and regular support. Also our greatest thanks to Mr Dear for his strong support and able coaching.

D. GRADE BADMINTON REPORT

The D grade badminton team comprised of eight players - 4 from S.B.H.S. and 4 from S.G.H.S. making up 8 singles, 2 mens doubles, 2 ladies doubles, and 4 mixed doubles. The Boys' High side comprised of Ray Shave (Captain), M. O'Driscoll, S. Bartlett and A. Huffadine. With P. Morris, R. Bartlett, J. Devery and R. Beale as reserves, whom I must thank, for without whose support we would have had to default several times.

The standard of D grade was high but I feel the team stood up to this well, finishing 13th out of 18 teams.

The girls continued to improve throughout the season and I thank those concerned for many a good game.

Overall, a good badminton season with a good team spirit and last but not least I would like to thank our skilful and dedicated coach and water-boy, Mr R. Dear.

1ST XI CRICKET

This year's 1st XI had a mixed season winning most of its end of year matches. The team had a reasonably strong batting line up with lower order batsmen often having to be relied upon to pull the team out of many a crisis.

The team:

M. KIDD (CAPTAIN)	Opening batsman (later changed to 2nd drop), also a very capable right arm off spinner. His captaincy was of a high standard especially in the latter half of the year.
G. HUBBARD	Talented opening batsman, often being unlucky between the wickets.
C. HOOK	Wicket keeper, with remarkable agility. A fiery middle order batsman.
R. BEALE	No. 3 batsman who later changed to opener, combining well with G. Hubbard to form many a partnership. His medium pace bowling was of great assistance to the side.
P. TAIT	No. 3 batsman, capable of scoring many runs, his best performance being a fine 65 against O.B.H.S. He has the ability to take the stumps if required.
D. BEALE	Entered the side at the beginning of the season. He is a player of great potential being able to bat and bowl competently.
G. DUTHIE	Middle order batsman. Lacked confidence at the beginning of the season but improved at its conclusion.
G. SOPER	"All rounder" special talent lies with the ball, bowling right arm off spinners scoring 81 at St Andrews, G. Soper saved the school from total disgrace.
I. WELSH	Opening bowler, who bowls with extreme speed, usually capturing the oppositions first few wickets.
M. BURNARD	Leg Spinner. Entered the team at the commencement of the '78 season. Has great ability.
D. BORNE	Opening bowler. Has the skill to move the ball quickly through the air.
M. RIDDEN	Left the team at the start of the '78 season. Batsman bowler.

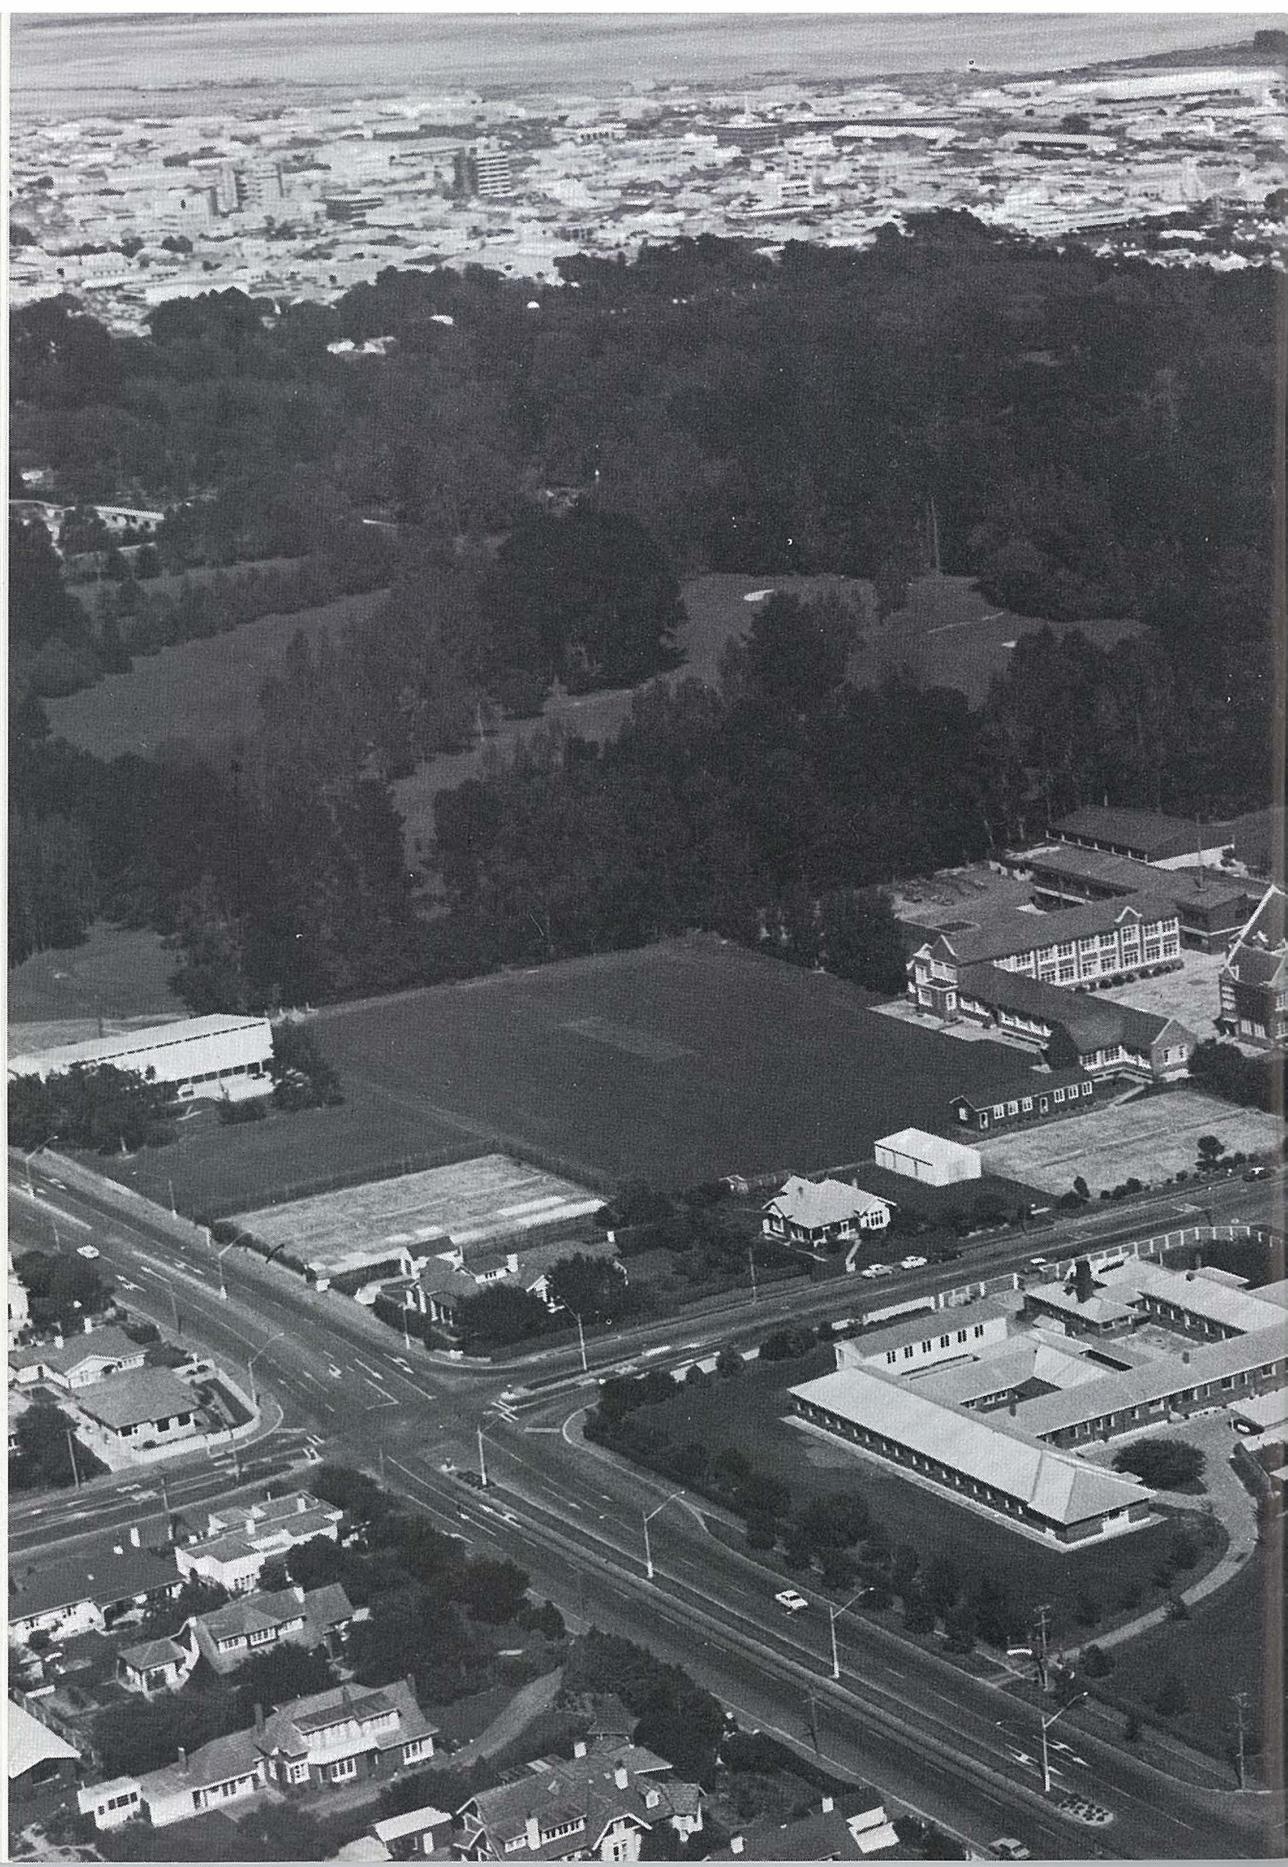

INTERSCHOOLS - Played 3 Won 1 Lost 2

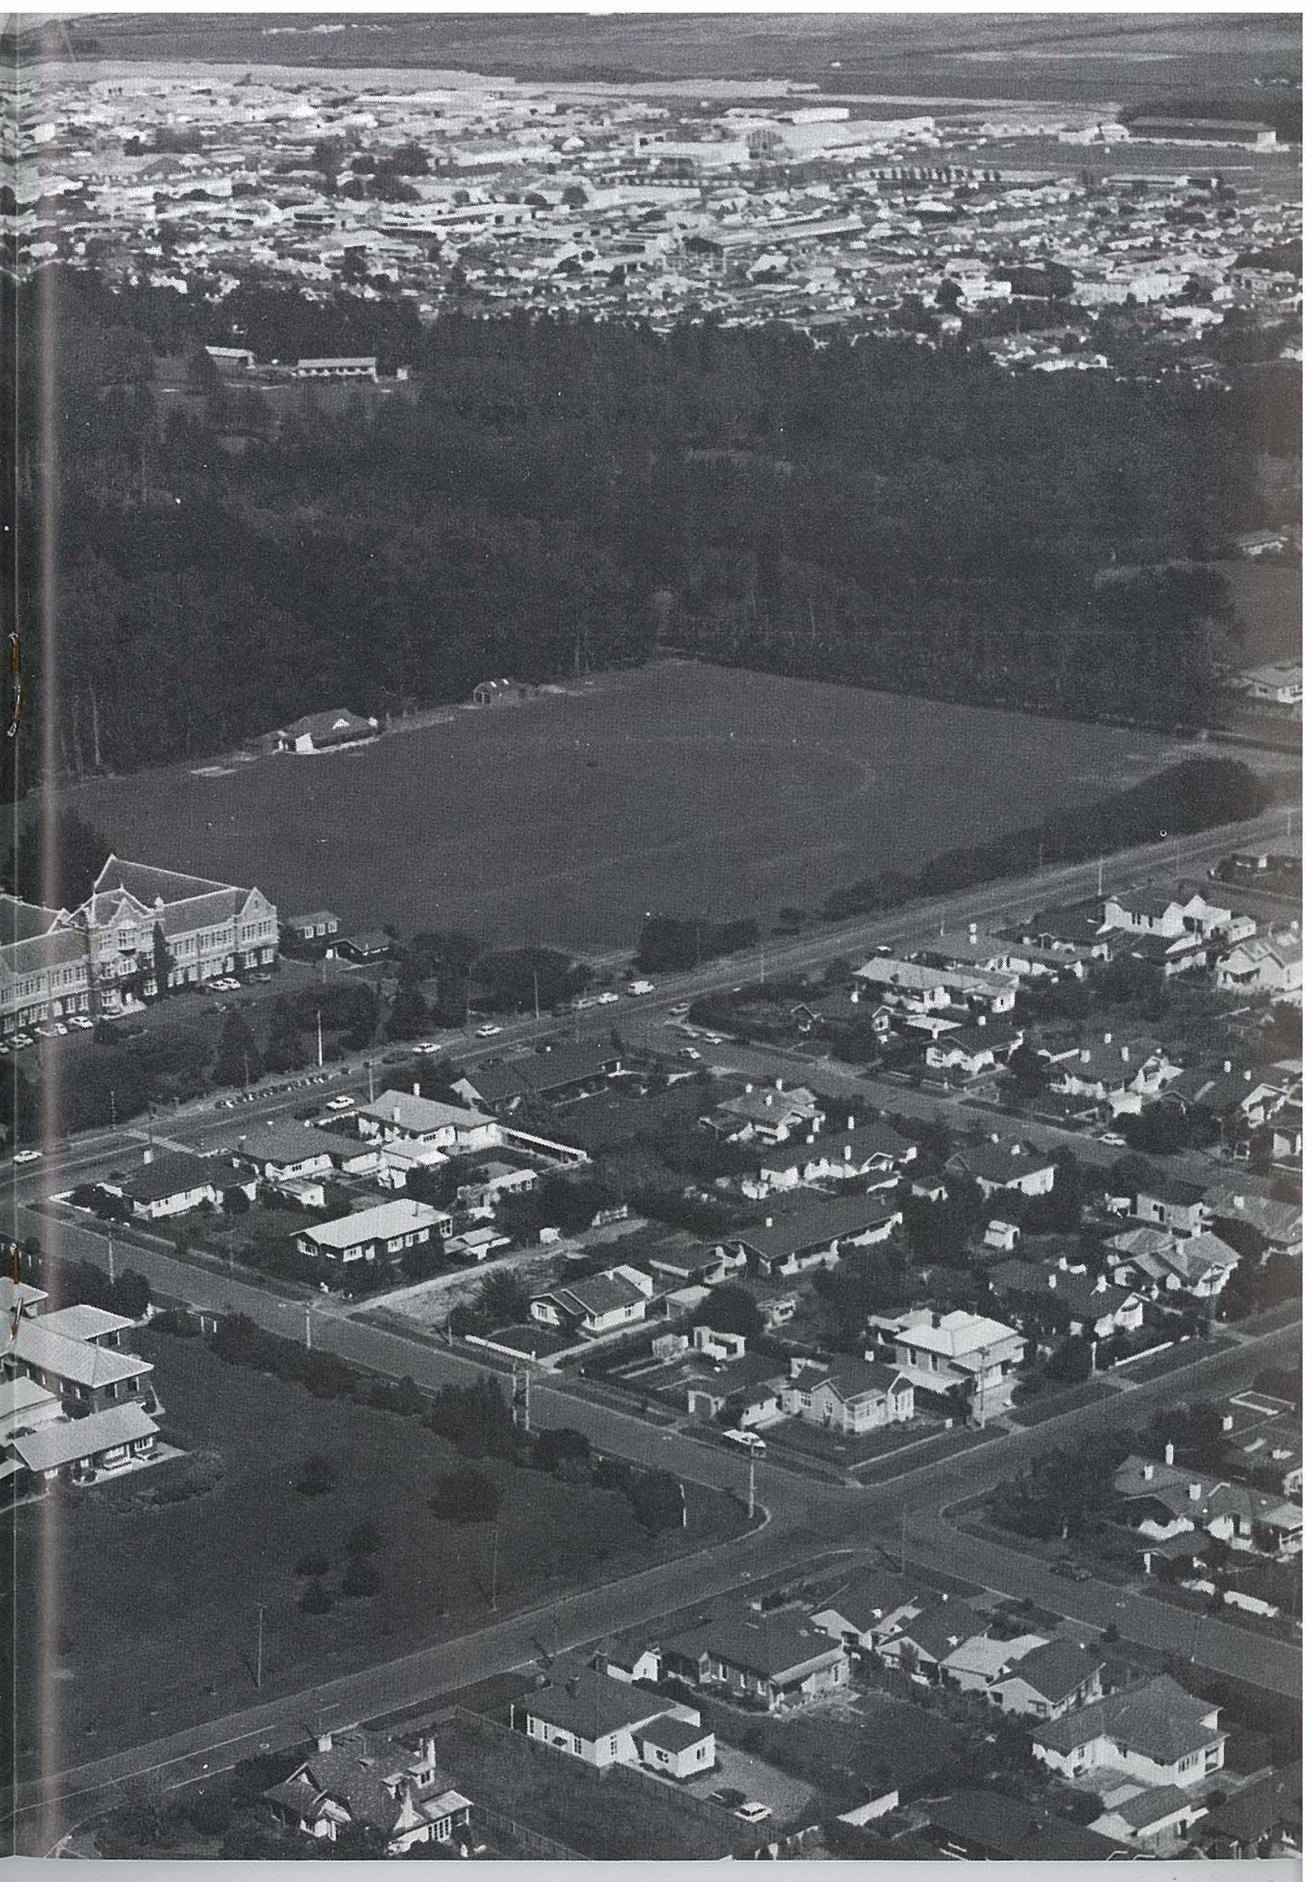

S.B.H.S. v St Andrews at Christchurch 5 - 6 December 1977

Having won the toss S.B.H.S. put St Andrews in to bat and by lunch they were 3 for 140. Later that afternoon they declared at 7 for 233. At stumps the first day S.B.H.S. were 8 for 117. At the resumption of play the next morning S.B.H.S. moved to 153.

With a marked increase in fielding standards the S.B.H.S. team faced a determined St Andrews side. However, they collapsed and declared at 8 for 106 leaving S.B.H.S. 176 runs to make in 3 hours.

At one stage S.B.H.S. faced defeat being 3 for 12 but due to a fine innings of 81 by G. Soper, the school went through to 154 - 17 runs short of victory.

S.B.H.S. v Kings' High School at Dunedin 20/21 February

With the toss won S.B.H.S. elected to bat. By lunch the school was 4 for 150 and they declared at 7 for 233, notable performances coming from Hubbard, Beale, Tait, Hook and Soper.

Kings were unable to face up to the excellent bowling from I. Welsh and at stumps were 8 for 89. Forced to follow on with a deficit of 131 runs, Kings again collapsed to be all out for 151.

The 21 runs remaining for the school to score were achieved with the loss of 1 wicket, the school winning by 9 wickets.

2ND XI CRICKET

Captain: T. Burnard

The Second XI had a good season ending up second in its section of the Second Grade. With a core of established players, performances improved throughout the season. The two openers J. Christie and N. England gave the team a solid start and batting was generally consistent with B. Welsh excelling especially in the three games for which he had an average of over 50. Bowling was the strength of the team with T. Burnard, A. Turrell, D. Kincs and C. Smith all turning in good performances.

The team was keen and enthusiastic with attendance at games and practices exemplary even during the difficult period of the holidays.

Team: T. Burnard, J. Christie, N. England, W. Anderson, A. Buist, C. Smith, J. Goodsir, M. Sycamore, J. Bulman, A. Turrell, D. Kincs, B. Welsh.

CLUB RUNS

Junior Colts: M. Journeaux and R. Osmond continued their fine form of last season producing some fine performances and recording some good wins. C. Gallie, C. Hubber, W. Morris and G. White helped make up a good team with the prospect of a strong senior team next year.

Senior Colts: Barry Smith and Grant Ludeman had a very successful season sometimes at the expense of one another. They gained major individual placings in several events but the assistance of S. Hall, I. Coldicott, P. Ireland, and S. McCoy made up a strong team throughout the season although sometimes handicapped out of good placings. It was a good season all round and finished with a good win in the Southland Road Championships teams race. Smith and Ludeman deserved their place in the Southland team for the cross country champs.

Our thanks to Mr Lauren for the time put in by him throughout the season.

The Southlandian Old Boys Notes

Currently the Old Boys' Association has approximately four hundred local members and there are active branches in Wellington and Christchurch. Shortly branches will be established in Auckland and Dunedin. The Association is confident that with the approach of the Centennial celebrations in 1981 there will be renewed interest in membership.

It is pleasing to announce that Dr Neil Prentice and Mr Owen Pierce, Chartered Accountant, have respectively agreed to chair both a Centennial Celebrations Organisation Committee and a Fund Raising Committee to raise the target \$150,000, being the cost of the Centennial Lodge project. Fund raising will commence in March 1979 in Invercargill and shortly afterwards in other centres.

The Association is at present compiling an up-to-date list of all Old Boys of the school, and any old boys who have cause to believe the Association does not have their current address are advised to contact the Secretary, Box 296, Invercargill or telephone 89.149, especially if they wish to receive mailings regarding the Centennial celebrations.

This year the Association was pleased to be able to send Simon Ward, a Sixth Form pupil, to Anikawa. Despite rising costs the Association is again sponsoring a pupil in 1979.

During the year the Association in its various committees has been very active regarding planning for the lodge and the Centenary and it is pleasing to note that this has resulted in increased and closer contact with the Principal, School Staff and pupils.

All boys leaving the school this year are cordially invited to become members of the Association with a view to attending the Centenary and also enjoying the fellowship provided by the Association.

Russell Read,
President.
