# Rectors' Reports - Mr. Alabaster

Dear Mr Editor

I am not sure whether to thank you or not for the opportunity to contribute to the Southlandian of the 1988 school year but perhaps as I was a member of the school in the physical sense for a good portion of the year and will always be in association with it even from afar, it is appropriate that I avail myself of the chance given.

For your new Rector and thus in a sense new school, it is a time to look forward while bearing in mind the tradition established by those of another day, but for me, with a very close association with Southland Boys' High School dating back to 1944, my thoughts tend to lie in the past.

This year for the third time I left Southland Boys' High School and for the third time had the opportunity to reflect on its place and influence in my life. I left in 1948 at the end of five years as a pupil. I left again in 1975 after twentyone years as a teacher and I finally left in August 1988 after almost eight years as Rector.

Although the reflections have varied somewhat depending on my age, maturity and role in the school, they have shared a very large common element - the people of the school.

I miss the physical school, - its attractive mature, solid brick structure epitomising the essential virtues of honesty, integrity and hard work that are the basis of the education it offers and its spacious, inviting, green surrounds that remind that education as a preparation for life is not confined to classrooms - but most of all I miss its people. I miss the staff with whom I have been associated but more often than anything else I miss the pupils and the opportunity to help in guiding them towards good citizenship.

For this one last time then I direct my words to those pupils of the school with whom I have shared school times.

The things you take from Southland Boys' which are of importance to you and may help you through life, are not your ability to solve quadratic equations or your membership of the first rugby fifteen but rather, the habit of doing your best for no more satisfaction than a job well done, taking pride in yourself and your achievements and being modest about them without being self-effacing, the habit of being respectful and courteous to others that they may be encouraged to respect you and a readiness to move on to the next phase of your education at whatever tertiary institution is appropriate.

The future for you and your country is going to depend very much on what you do as you move away from school. New Zealand if it is to survive in the way we would wish in the technical era it is entering must have a well educated, well trained work force particularly equipped in scientific and technical fields. As never before people with education in the sciences (physics in particular) and mathematics will be vital to the well being of New Zealand as a whole. Be part of that future.

Whatever lies before you, be grateful for the opportunity you received at school. Use it as a foundation on which to build your life. Like me look back with pleasure on your association with the people of Southland Boys' High School.

Yours sincerely

J Alabaster

## Mr. Currie

I am very grateful to Jack Alabaster for his advice and assistance following my appointment as Rector. As always, his care and concern for the boys and staff shone through, and I will do my utmost to continue the proud tradition of service to S.B.H.S.

From the outset, I have been very impressed with the teachers, boys and parents. We must continue to attract quality people to the school to help maintain the high academic, cultural and sporting standards which have established S.B.H.S. as a leader in N.Z. education.

Already, there are encouraging signs for 1989. We will be fully staffed. The Pearce Block redevelopment will commence. The outdoor education programme will be enlarged. Curriculum changes will free up the junior school's options and provide new initiatives for the seniors. Many senior boys are very interested in a proposed week-long stay at Lincoln College during Term 1 and a music tour to Hobart is being planned for Term 2.

The introduction of this year's combined S.B.H.S./S.G.H.S. junior drama production has provided the impetus for increased links between the two schools.

These are all changes which we can control and the changes proposed in "Tomorrow's Schools" will allow further opportunities for us all to share in developing the enormous potential of Southland Boys' High School.

## Obituary - Alan Deacon

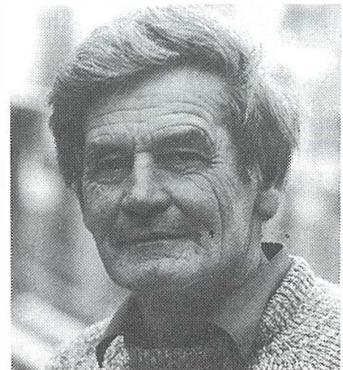

(Taken from the eulogy delivered by Jack Alabaster at Alan's funeral)

Ladies and Gentlemen we are gathered to give expression to the grief each of us feels at the death of our friend Alan Deacon. It is appropriate that together we remember some of those qualities that we like in him.

I have known him and been associated with him for most of the last twenty years because of our close connection with SBHS - not just that we were fellow staff members for much of that time but because we both found that establishment to be something special in our lives. We appreciated the values it tries to represent and mature in each of its pupils.

I shall remember sharing that with Alan.

In his work he was involved with many facets of school life, outdoor education, sport, drama and other stage productions in particular but much else as well because he was always willing to help. And usually that help was offered, not asked for.

Perhaps his best contribution was made to those boys who were in some way in need of an extra bit of pastoral care.

Alan could usually find a hand for the lame, comfort for the distressed and above all else an ear for the wronged.

Times I can recall, when the school had done its best but failed to assist some lad not coping with life's difficulties and we were about to cut the painter, but Alan asked for one more week or one more try and sometimes that one move was effective.

He was keenly interested in Chris and Geoff, his own boys, and followed them in their interests and pursuits with dedication. Being there when needed is one of the attributes of a good parent and Alan was there in support of his sons. Would that more parents did just that.

If, somewhere, scales are kept with which to balance for each of us faults against achievement, whatever is in the faults side for Alan will be outweighed by far by just two of his attributes - his kindness and his support of the disadvantaged.

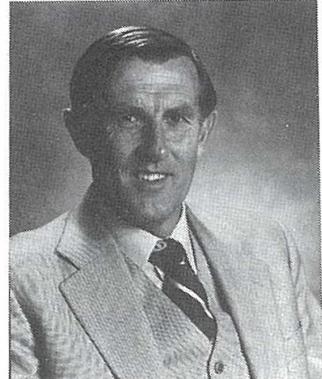

When our time comes, if such things can be said of us, our living, like Alan's, will have been worthwhile.

- o o o -

## Staff Notes

### JACK ALABASTER

The departure of Jack Alabaster from SBHS at the end of Term 2 marked the end of a very long association with the school. He attended Boys' High School as a pupil and after a short time in the primary service returned as a teacher. He became HOD Maths and Deputy Principal before leaving to become Principal of Kingswell High School. He returned again in 1981 as Rector. In this position he upheld and maintained the traditional values of the school. Changes he made were few but important ones. Hour periods were adopted and an electives period introduced. During his time as Rector the school elected its own Board of Governors - a major change from the multi-school board which existed previously, and the school development plan was launched.

In his capacity of Rector, Jack brought a lifetime of experience in education to the position. The school was fortunate in having a man at the helm who was so organised himself that the complex organisation of the school was completed with uncanny skill and aplomb.

His discipline in the classroom is legendary. The respect he demanded and got was carried over into his assemblies. No assembly or gathering at Prize Giving was quieter than when he was relating incidents of his cricketing past. These stories were always received with rapt attention.

Many individuals received personal help and advice from Jack. He showed a particular concern for the underprivileged, those from difficult backgrounds, and those who arrived at the school with a less than satisfactory report. He spent much time and effort dealing with their problems.

It was a surprise that Jack decided to take early retirement. We were sad to lose one we had come to look up to and regard as a gentleman. He always kept an open door for both Staff and boys.

We wish him and Shirley a rich retirement and good health to enjoy those days in Alexandra.

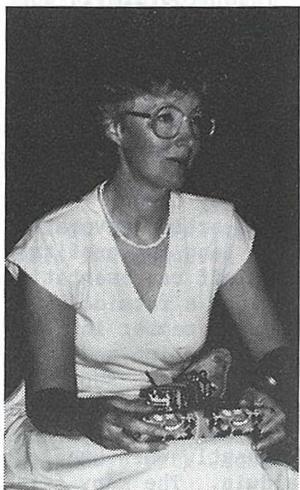

BOB WARD

Bob Ward joined the staff in 1986 and soon proved himself a competent and skilled teacher of Geography and Economics. A keen tramer, he was soon heavily involved in outdoor education trips. A successful rugby coach and keen athlete, Bob was also responsible for collating the prizes at the end of the year. His many talents were recognized this year when he was appointed Head of Geography and Economics at Cargill High School. Southland Boys' wishes him all the best in his new position.

JAN LYNESS

Mrs Lyness came to Boys' High in 1985 with a wide experience of teaching in both NZ and Canada. Her concern for the progress of her students, and her own professional approach and diligence were quickly in evidence. She will be remembered and appreciated by her students for the individual attention she gave, the high standards she set for herself and them, the extra lunchtime revision classes and the copious stencil notes. Mrs Lyness was involved in debating and volleyball, and her contribution as editor of this magazine was especially appreciated. Jan left mid-year to take a promotion at Aparima as HOD English. SBHS thanks her for her dedication and service, and wishes her well.

MR M.J.P.LAUREN (MIKE or BRUCE to his "mates")

A colourful era ended at S.B.H.S. with the departure of Michael Lauren to latitudes further north (St. Kevin's College at Oamaru).

Mike joined the staff at S.B.H.S. in 1969, direct from Christchurch Teachers' College. Almost immediately he became part of the life at the school.

His main teaching subjects were English and Mathematics - he was an able and versatile practitioner in both subjects. However his biggest impact was in the area of extra-curricular activities.

In summer Mike rapidly became Mr Athletics. He marked out the running track, took the entries, oversaw the sports day, picked the athletics squad, coached the relay teams and plotted the winning strategies for the various championship meetings. In winter he repeated the exercise as Mr Cross-Country.

Mike maintained this schedule of activity for twenty years - a truly remarkable achievement.

He was and still is a true all-rounder. Coach and manager (along with Barbara Anderton) of the staff quiz team; a brilliant billiards and snooker player; bridge player par excellence; a capable cricketer; a talented athlete; a punter of some note coupled with a profound knowledge of the thoroughbred breeding industry; an astute P.P.T.A. branch chairman; an able teacher librarian; founder of the Curtis betting syndicate; a canny golfer; and above all else, a loyal and colourful friend.

On inter-school trips (there were many of these) his unflappable nature and calm demeanour were always welcome both day and night.  
"Mike" will be missed - characters always are. They are a rare commodity in this age of Picot, self-managing schools and "paper shufflers". The staff of Southland Boys' wishes "Bruce" and Ronnie (and family) all the best in Oamaru.

#### IAN BALDWIN

The names SBHS and Ian Baldwin are synonymous. Within and outside the classroom Baldie's contribution to the school was immense - the skill, the time, the application and the dedication have rarely been matched.

Ian operated in an organised environment - he had little difficulty in marrying his various responsibilities. However he and those who worked closely with him enjoyed one major difficulty - his office was wherever one found him. The lack of departmental space has always plagued him.

- 1 HOD Geography: Coordinator of a small group of active and experienced teachers, Ian could justifiably claim responsibility for a very successful department. He never did.
- 2 HOD Transition Education: A pioneer within the school in this field. Ian's contribution is best known and appreciated by the pupils who passed through his care and tutelage.
- 3 SBHS's first staff representative on the Board of Governors - a fitting climax to Ian's SBHS career.
- 4 Rugby Coach - Baldie and the 2nd XV: for those who know, no more need be said.
- 5 An active advocate of Outdoor Education both within and outside the curriculum.
- 6 A long and profitable association with shooting.
- 7 Staff representative in association with the school canteen. He and Mrs Gumbley were a formidably successful team.
- 8 Team member in the real sense of the term. A strong believer in organisation, motivation and discipline, "the team" was always at the forefront of his planning. Supportive of the less able, the developer and the trier - intolerant of fools, the lazy and the indolent.

Frequently when staff leave a school they quickly fade into history - not so Ian Baldwin. The many friendships remain, and maybe one day SBHS and Ian Baldwin will work in partnership again.

Alan Deacon, Mike Lauren and Ian Baldwin occupying their usual staffroom corner during the last week of the 1988 school year.

STEVEN ROUT 7 Years

Steven left us for Christchurch in search of a position in teaching there. We will remember him for his finely tuned administrative skills observed in the text book room, as temporary HOD Maths and organiser of a Maths Day for the whole school. We thank him for his contribution here and other areas of the school.

BRIAN SHERBORNE 3 Years (nearly)

Brian came to us from Murchison to run the PE department. As an old boy he was back in familiar surroundings. His great sense of humour and zest for life will be recalled by us all. His prowess in many sports was again evident as was his ability to motivate the staff into having more social functions. Good luck Brian, at Kapiti College.

IAN WELSH 2 Years

Another Old Boy. Ian came to teaching after a spell in the "other world". Pupils knew what to expect if they took Ian on! He showed much promise as a teacher and we were sorry he decided to move to a position in the Catchment Board. We wish him well there.

GARY DRAYTON 1 Year

We were grateful for Gary's help for a year while Russell Dear was on leave. Gary himself would admit he liked some classes and hated others. Life at the Polytech was a little better than Secondary School! Thanks for your valuable contribution in this year.

SHIRLEY ALABASTER Part Time

When a rector retires so must his wife! Thanks Shirley for your valuable work especially in the remedial area of the Maths Department. Your willingness to assist with general class teaching was also appreciated. ~Happy retirement days with Jack.

STEPHANIE DEAR Part Time

And thanks to Steph for assisting in the Art Department when assistance was desperately required. It was a difficult job well done.

MARGARET FRYE Office Staff

Margaret was the teachers' aide for some time and was well known by most staff, if only because she was always to be found in the staff workroom. We appreciated her efficiency and prompt delivery of work. She will be invaluable in her new position at the YMCA.

#### MISS LAUREL BOYD

The head of Junior English, Miss Boyd, is this year on leave from SBHS in order to continue her studies in Auckland. Miss Boyd has taught at this school for a number of years and has built up a worthy reputation for dedicated teaching and approachability. Hundreds of students are indebted to her for the way she has breathed life into novels, plays and poems, the way she has marched them resolutely towards academic goals, their protests turning to thanks later on. And some recall with ease the extra time she spent on those students who had fallen behind in their work.

Laurel has given much to the school in other areas. Her own active interest in tennis carried over into tennis organisation here, and she has worked to establish good standards. In school debating and public speaking she has been prominent as well. As a member of the staff social committee she worked hard to provide ways to interact on a purely social level. Indeed, her own announcements and speeches often provided unexpected and unscheduled merriment.

We look forward to her return in 1990.

“

# SCHOOL DIARY

## TERM 1

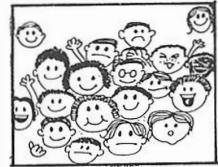

### FEBRUARY

- 2      3rd, 4th and 7th forms back to school  
5th and 6th forms assemble in the Hall at 10.30  
'When we assemble and meet together.....'
- 6      Waitangi Day
- 12     Athletic Sports Standards  
'Whenever I feel like exercise, I lie down until the feeling passes.'
- 22 - 23    Interschool at Shirley Boys' High  
'I would expect our chaps to go out there and die.'  
Vernon Wright
- 25     Class and individual photographs  
'Sex again please. It's better than cheese!'

### MARCH

- 1 - 2    Summer sports with King's at Dunedin  
'All Kings is mostly rascallions'                          Mark Twain
- 5      Southland Secondary School Athletics at Surrey Park
- 7      Prefects announced at Assembly  
Bevan Ellis - Head Prefect  
Murray Harrington - Deputy Head Prefect
- 12     Otago-Southland Secondary School Athletics at Dunedin
- 14     Visit of Murray Halberg
- 14 - 15    Summer sports with Otago Boys' High on home ground  
'The Southland Boys' team-o  
Walked upon the green-o  
And there they met their enemy'  
(apologies to Charles Kingsley)
- 23     Blood Bank visit
- 26     South Island Secondary School Athletics at Dunedin  
'Without were fightings, within were fears'  
Bible
- 28     Work Day  
'Well to tell you the truth I never was in  
a place where they talked more about work  
and did less of it'    R Kipling

## APRIL

- 1 - 5      Easter holidays
- 12 - 26     1st XV trip to Taiwan  
'It could have been rugby, marbles or ping pong for all  
the rabble knew'  
Alan Shiells
- 22           Senior reports issued  
'And diff'reng judgements serve but declare  
That truth lies somewhere, if we knew but where'  
William Cowper
- 27           School Music Recital  
'He plays by ear but he's quite deft'

## MAY

- 6           End of Term  
'For now I am in a holiday humour'  
William Shakespeare

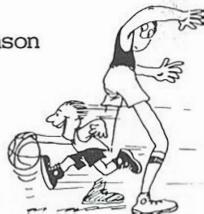

## TERM 2

- 30          Return to school after the holidays

## JUNE

- 6           Queen's Birthday holiday  
'We are always in a holiday humour'  
(apologies William S)
- 8           Winter Sport with Otago Boys' at Dunedin  
'The man who throws mud is losing ground'  
B J Collins
- 16          Form 5 Dance at Southland Girls'  
'The endearing elegance of female friendship'  
Samuel Johnson
- 21          Westpac Music Competition  
'It's an ill wind that blows a saxaphone'
- 22          Winter Sport with Waitaki Boys' at Oamaru  
'Forget the ball, let's get on with the game'
- 27          Southland Girls' and Boys' combined production 'Grease'  
'You ain't heard nothin' yet folks'  
A Jolson

## JULY

- 5 Careers evening
- 7 - 10 Mid Term Break
- 13 Senior Dance  
'She clapped him to her bosom like a belladonna plaster'  
Richard Gordon
- 14 Secondary School Music Festival  
'Music is the universal language of mankind'  
Longfellow  
Rallye à Vélo pour les classes de français
- 16 The first ski trip of the season to 'The Remarkables'  
'I went skiing and broke a leg -  
fortunately it wasn't mine'
- 20 Winter Sports with King's HS on home ground  
'A rough and tumble hoodlum amusement'
- 21 Speech Finalists' evening  
'A speech is like a wheel - the longer the spoke the  
greater the tire'
- 26 - 28 One Act Plays  
'The play was a success but the audience was a failure'  
William Collier

## AUGUST

- 1 Winter Sport with Timaru Boys' High  
'Players win games, but coaches get the credit'  
Napoleon
- 5 School Ball at SGHS  
'I could dance with you till the cows come home. Better  
still, I will dance with the cows and you come home'  
Groucho Marx
- 9 Music Concert
- 10 Blood Bank visit  
'For suckers only'  
Winter sport with Gore High School
- 11 - 16 Form 5 and 7 exams  
'Do not on any account attempt to write on both sides of  
the paper at once.'  
Sellar - Yeatman
- 17 - 18 House Sport  
'Outward be fair, however foul within' Churchill

- 19 Round the park races  
'Keep right on to the end of the road' H Lauder
- School farewell to Mr Jack Alabaster  
'I must follow them I am their leader' A B Law  
'I want to retire at 50. I want to play cricket in the Summer, golf all year, and sing in the choir'  
(apologies to Neil Kinnock MP)

## TERM 3 SEPTEMBER

- 13 Swimming Sports  
'It isn't important to come out on top; what matters is to come out alive' Bertholt Brecht
- 21 Otago Southland Secondary School Cross Country at Milton  
'Rely on a rabbit's foot if you must, but remember it didn't work for the rabbit' R E Shaw
- 22 4th Form Dance at SBHS  
'Dancing is a very crude attempt to get into the rhythm of life' G B Shaw
- 27 Southland Secondary Schools' Cross Country Championships at Te Anau
- 30 Music Group visit to Otago BHS  
'That which is not worth saying is sung' Beaumarchais

## OCTOBER

- 1 Otago-Southland Secondary Schools' Cross Country Championships at Dunedin
- 3 - 19 4th Formers at Borland Lodge  
'When you get to the end of your rope, tie a knot and hang on' F D Roosevelt
- 13 5th Form dance at SBHS  
'I just put my feet in the air and move them around'
- 17 - 21 6th Form Exams  
'In everything that relates to science I am a whole encyclopaedia behind the rest of the world.' Charles Lamb
- 26 Labour Day Holiday

## NOVEMBER

- 10 University Scholarship exams begin  
'Examinations - Nature's laxative'
- 17 Senior Prize Giving  
'The real object of giving prizes in schools is to encourage the students to give as little trouble as possible'  
G B Shaw
- 21 School Certificate and University Bursary exams begin  
'It was so quiet you could hear a pun drop'
- 23 Junior Music Concert  
'A woodwind that blows any good'
- 30 Farewell Function for 5th year students  
'Lord, dismiss us with Thy blessing.....'

## DECEMBER

- 3 - 4 New Zealand Secondary Schools' Athletic Championships at Christchurch  
'The muscles on his brawny arms stood out like chickens' insteps'  
old Urdu Proverb
- 6 Junior Musical Production - Bad Day at Black Frog Creek  
'Neither Bad nor Black, an' scarcely a Frog t'be seen'  
Anon
- 7 Sports Programme for Juniors  
'I have only come for a loaf and to see pretty things'  
R Kipling
- 8 Junior Prize Giving and end of term  
'Youth is wasted on the young and so are the holidays'

END OF SCHOOL YEAR

# Coldstream Hostel Report

The hostel saw another successful year under the management of Mr Neville Brinsdon, with assistance from the Matron, Mrs Eunice Lindsay. Other people who have devoted a lot of time to the running of the hostel include Caretaker Mr Stan Withington, Housemasters Aaron Hamilton and Warren Haugh and the seven prefects.

The year has been very busy with the upgrading, painting and varnishing of dorms. The purchasing of our new TV and weights proved very rewarding and they are widely used by all.

As in previous years, the hostel maintained a high level of achievement in the sporting field, gaining first place overall in the athletic sports. A top effort in the house rugby brought our seniors 1st equal place. The swimming sports, however, were a disappointment this year through the lack of participation.

Other sporting achievements included; 10 boys representing the Rugby 1st XV, five in the 2nd XV and two in the Basketball 1st V. These led to higher honours with 2 boys selected for the South Island U18 and 2 in the U16.

On the social side of things, we held one social in conjunction with Enwood Hostel and also a Hostel Ball. The ball proved to be an excellent night through the good organisation of the staff, cooks and seniors.

Finally I would like to take this opportunity to say on behalf of the senior boys who are leaving that the hostel is a great place to board, providing a combination of discipline and freedom.

Craig Hall.

## A WEEK OF LIFE AT COLDSTREAM HOSTEL

---

Coldstream Hostel is situated on the block in North Invercargill which is surrounded by Queens Drive, Herbert, Lewis and Lees Streets. About two-thirds of the area is grassed and in winter becomes the scene for the renowned hostel rugby. Rugby has a large bearing on hostel life; meals are arranged for late practices, punishment for juniors is to clean rugby boots, and if a person who boards at the hostel plays soccer he is more or less out-cast.

The hostel is managed by Mr Brinsdon who was a borstal warden for 17 years! He has been at the hostel for four years and the hostel is now administered and presented better than it ever. We now have additions such as new carpet, paper and paint, new T.V. and Video, weight training facilities and some new furniture.

Mr Brinsdon is backed up by Mrs Lindsay (Matron) who brings a motherly touch to the hostel and is also very capable of laying down the law when things get out of hand. The hostel also has two young housemasters, one a trainee accountant, the other first year policeman. As well there are six senior boys who are prefects and undertake duties such as supervising prep and putting juniors to bed.

On Monday the 30 full-time boarders rise as late as 7.50 for breakfast (8am) walking bleary-eyed, and dressed in a mixture of the nearest clothes available. The real 'squares' of the hostel rise well before breakfast. They are already showered and fully dressed in uniform.

After breakfast the part-time boarders arrive on various buses from all over Southland, carrying two or three bags and lugging squash racquets, rugby boots and various musical instruments. After a morning at school all boarders return to the hostel for lunch which is the main meal of the day. Today we are blessed with carrots, corn, white sauce, mashed spuds, sausages and gravy, and for dessert we have chocolate pudding with custard. After lunch seniors are bussed to Centrepoin Park to watch the annual rugby 1st XV interschool against Timaru Boys' High School in the pounding hail and rain. The home team come out winners by 47-0, a score worth celebrating.

Tuesday is a fairly normal sort of day which starts with 3 choices of cereal porridge and cold, soft toast. This menu remains the same every day. There are many 1st XV players walking around school with effects of the night before. For one reason or another no rugby teams have a practice, so most people are present for tea.

Wednesday - bacon and eggs for breakfast .... just kidding! No, today begins normally. Later on in the afternoon there is a fight between two seniors - a rare event. They both end up with swollen eyes but shake hands afterwards. After doing prep earlier than normal (6-7.45pm) the whole hostel moves to the T.V. room for the weekly video movie. This week it is "Hot Splash", a senseless movie about a gang of surfies in California.

Thursday brings an early start for the 7th formers going to the University open day in Dunedin, leaving at 6.20am. For the rest it is a hard slog through to lunch time (chicken stew, mixed vegetables, swede and mashed spuds.) Most boys have sport practices after school and leave the hostel shower room in a right mess afterwards with strapping tape, filthy boots, mud and sweat-soaked practice gear strewn everywhere. Not a nice sight for Mr Withington (the caretaker) in the morning.

On Friday there are quite a few boys not at school because of the flu'. There are also boys making late arrangements for the school ball tonight. Most of the 6th and 7th formers are going and it should be a good night out. Most, too, will stay out for the night because 2 - 3am is too late to keep the hostel open. Other full-timers usually go into town on a Friday night - 3rd formers excepted - or hire a movie. Boys can also be seen cleaning their rugby boots for tomorrow's games.

Saturday morning, and boys can sleep in until breakfast which is at 9am during the weekend. Many boys have sports in the morning so they are organised earlier than 9am. Others who are playing at 1.15pm sometimes have early lunch at 11.15am so that they have energy for their games. First and second fifteen team members are usually occupied until early evening. After this they may disperse to various localities in the district for continuation of the afternoon's activities. Juniors do not get leave after tea, 5th formers must return by 10pm, 6th formers by 10.45pm and sevenths are asked to use common sense which most do.

Sunday is a day for rest and relaxation. Breakfast is at 9am - no rugby, except for some boys in rep. teams. Boys are not obliged to go to church, although a new boy who was told church was compulsory dressed up in his best clothes and was all ready to go before being told any different. Prep is to be done from 10 - 11.30am and roast dinner on Sunday is at noon. Boys are free after lunch and are to be at the hostel by 5pm. No leave is granted after tea on Sunday although boys can go out for tea and be back by 8pm. Bed time is 9.30pm for everyone.

Hostel life is very rewarding in terms of learning to get along with others and complying with some rules - which do become relaxed as you get older. Friendships made at the hostel are like no others, as you get to know people really well after living with them for four or five years. All up, it is a lot of fun and I would much prefer it to private boarding.

Glen Wilcox

## Social Committee Report

1988 was once again a successful year as far as the social committee was concerned. We had approximately 8 dances, held in conjunction with our Girls' High colleagues and never before has been seen such enthusiastic groups.

Although in the third and fourth forms everybody was not dressed up those who were made a great job and as usual the seniors came to the party and were in theme without exception. It was worth the effort just to see the "prostitutes" and "pansies"!

The highlight of the year, for the seniors anyway, was of course the school ball. This year along with Girls' High the ball was held in an outside school venue, namely St Mary's Hall. With hours spent on the decorations at nights and a great deal of imagination the hall was transformed into Dracula's Castle, fully equipped with coffin, bats and dry ice. With the sprung dance floor and a lot more room to move a thoroughly enjoyable time was had by everybody.

On behalf of the social committee I would like to thank all the staff for their assistance and in particular Mr Alabaster and Mr Currie for their guidance.

Good luck for next year!

By Bevan Ellis.

# Library Report

The library has again had a very busy year. More use has been made of the resources in the library by different departments in the school and there have been occasions when space has been stretched to the limit. In addition there was an increase in the use of the library for other activities such as debating, meetings and musical evenings to name a few, and we hope that this continues in the future.

We have especially appreciated the hard work and dedication to their duties of our group of librarians who have done their work cheerfully and efficiently throughout the year. Those of our team who are returning to school in 1989 have already indicated their wish to continue working in the library and we are fortunate to have boys who are prepared to continue working as librarians through the years they are at school.

The end of the year will see a change in the library with the departure of Mr Lauren, our Teacher/Librarian who is leaving to go to Oamaru. During the 12 years he has been in charge there have been many changes made that have resulted in the school now having a library that is pleasing to look at, comfortable to be in and a place that we can be proud of. Mr Lauren will be greatly missed by all who have worked with him and we wish him well in his new position.

Fortunately positive progress can be reported on the new library complex and at least some of the present group of librarians will still be around when this comes to fruition.

# Music

1988 has been a very busy and successful year for the musical life of the school. The itinerant teaching time has been well used with the teachers being involved with the concert band, pipe band, vocal groups and two instrumental trios as well as their normal teaching programme. Without the services of these people it would be impossible to offer the boys the wide-ranging opportunities they presently have available to them.

## SCHOOL SONG

This has been revived this year, beginning with the first XV "choir" learning it as part of the requirements for their visit to Taiwan. These boys then assisted the whole school to learn the song and it was performed at the school Anzac service at both prizegivings, bringing back many memories for old boys in the audiences.

## CONCERT PARTY

A group of boys gave short concerts at three of the intermediate schools this year. A range of the musical fare was offered and very well received with our boys gaining valuable performing experience. The programme was repeated for a 3rd form audience at school during Music Week.

We also provided entertainment for the Anderson's Park Spring Festival on Sundays with both instrumentalists and vocalists taking part.

## WESTPAC COMPETITION

The Westpac Competition was held in June and our first trio was placed 2nd. Other groups which performed well were a second trio, a keyboard group, a trio of saxophone, piano and drums, and two groups in combination with SGHS - one woodwind and one brass.

## ANN AND ISEDOR SASLAV

The Concert Master of the N Z Symphony Orchestra and his wife who is a concert pianist gave a recital in July to 6th and 7th formers. This was very well received and their programme explored the range of music available from the different ages, as well as allowing time for some 'on-the-spot' improvisation using themes suggested from the audience. David Barson, a flautist, also performed with Mrs Saslav.

## PRIZEGIVING

Items provided for the senior prizegiving were the choir and flute solo from David Barson. The junior prizegiving once again heard the pipe band and a Christmas programme, and at the 5th year farewell a 7th form choir sang excerpts from Jesus Christ Superstar and Chess. The woodwind trio and the staff quartet also performed.

#### MUSICAL EVENINGS

These have become a feature of the musical life of the school and are always very well attended and enjoyable functions.

In 1988, 3 such evenings were held. The first was on the 27th April and was mainly presented by 4th formers and above. The items ranged from rock to classical with both instrumental and vocal items being presented.

The major concert for the year was held on the 8 August to farewell Mr and Mrs Alabaster and to recognise the contribution which Mr Alabaster had made to the development of music in the school. This was held in the School Hall and the pupils all rose to the occasion admirably. The items included 3 combined groups with SGHS, a small A Capella choir and the brass and woodwind groups. The pipe band and concert band played and both trios performed. The choir sang and both the 6th and 4th form bands added variety to the evening. Other items were 3 solos and a saxaphone trio with piano and drums. Ian Forrester and David Barson presented Mr Alabaster with an engraved silver tray with Ian making suitable reference to the changing circumstances of music within the school. It was a very happy evening with many parents and boys taking the opportunity to thank the Alabasters for their work.

The final musical evening for the year was held in November and was only for juniors - this time mainly 3rd formers. Almost 30 boys took part and provided a varied programme that indicated a pleasing level of attainment for all who took part.

We are grateful to the effort of the PTA in providing suppers for these evenings, allowing people the opportunity to meet and talk.

#### OTAGO BOYS' HIGH SCHOOL CULTURAL INTERCHANGE

Another dimension was added to the musical activities this year with a music visit to Otago Boys' High School in Dunedin. About 50 boys made the trip and we shared a concert with them before returning home. This proved to be a most worthwhile exercise and the exchange in 1989 is planned to include Otago Boys' and Girls' High Schools and Southland Boys' and Girls' High Schools with the venue to be the State Insurance Theatre in Invercargill. Massed items are planned in addition to individual ones.

#### EQUIPMENT

The equipment in the department was enhanced by a MacIntosh computer which is already proving a valuable tool for extending pupils creatively. The keyboard equipment has also been updated and instruments with more capabilities have replaced twelve of the old ones which were sold. These will further expand the creative and performing possibilities for the boys.

## Choir

The Choir continued to grow and develop in 1988 with very valuable support from the prefects. Three of the members, Ian Forrester, Daniel Martin and David Rooney were selected for the New Zealand Secondary Schools Choir and performed in Wellington in the August holidays.

The Choir's performances during the year included the Choir Festival, Secondary Schools' Music Festival, Otago Boys' High School, School Concerts and the Prize Giving.

A small choir was formed with Southland Girls' High School which showed promise for the future.

Front Row: Garry Popham, Craig Hall, Paul Fleet, Vaughan Stuckey, Craig Hall,  
Derek Eyles, Stephen McCallum, Daryl Low, David Rooney, Joseph Ruston  
Second Row: Lauchlin McNeill, Jamie Findley, Bevan Ellis, Ian Forrester,  
Warren Campbell, Michael Lindsay, Nathan McKenzie, Miss M Black  
Third Row: Craig Stevens, Stephen Jenkins, Murray Harrington, Simon McLeay,  
Brendon Wright  
Absent: Daniel Martin, Jonathan Baird

### IN CONCLUSION

So ended a very worthwhile year, with our emerging problems being lack of space for groups to practice and a lack of staffing to cater for all the boys interested in various activities. Hopefully, these will be short term problems. A developing feature is the leadership and ability shown by many of the boys, and for the first time ever, Music blues have been awarded.

# A free start to banking.

## BURSARY BACK-STOP

All the banking services you'll need when you're 'getting started'.

- Cheque account free of account-keeping charges for 12 months.
- AGetting Started loan option after just six months of regular saving in an Accelerated Savings Plan.
- A high interest, easy access Cashpoint Savings account.
- Free Cashpoint electronic banking card.
- Accelerated Savings Plan to help you reach your long term savings goal faster.
- Mastercard life insurance — first quarterly premium free.
- VISA card facility available.
- Free automatic payments.

If you're going on to tertiary studies, here's how Bursary Back-Stop will back you up.

- Free ISIC student travel card, plus two free renewals, for big travel discounts.
- \$500 interest-free bursary advance.
- Student loans at low interest.
- Personal effects insurance.
- Free cheque account.
- Free Cashpoint electronic banking card.
- High interest at call savings accounts.
- Free automatic payments.
- VISA card facility available.

## Pipe Band

1988 saw the Southland Boys' High Pipe Band once again depleted through the leaving of two valuable pipers, but during the year we did gain John McMurdo.

The band played at assembly, Vickery Court, Peacehaven, Walmsley House, Alabaster's Farewell, welcoming the 1st XV home from Taiwan, Rugby Park, the Junior Prizegiving and played for the Junior Production.

Our sincere thanks and appreciation must go to Miss Black for her constant support and enthusiasm, especially in getting practices started, and also to Mr Mowat and Andrew Cole for helping out in times of need. We look forward great things next year.

## SBHS Trio

This year, the Southland Boys' High School Trio No.1, James Donaldson, David Barson and David Powley, performed successfully at the Westpac Competitions, gaining 2nd place. The Trio also performed for the Mayor and other dignitaries at the 1990 Commission. Unfortunately the Trio will be unable to continue playing next year as two of its members will be leaving to study at University.

## SBHS Concert Band

The SBHS Band has had a very successful year. The conductor, Mr Thomas Brown, managed to coax new levels of commitment from the older players and to encourage the musical development of new members. Mr Brown endeavoured to challenge the musical abilities of the band's players, resulting in greater technical skill and a wider repertoire for all members. Because of Mr Brown's efforts, the band was able to present a varied and interesting programme during the Otago/Southland Boys' High musical exchange in Dunedin.

Second Row: Miss M Black, Nicholas Randall, James Donaldson, Andrew Syme  
Third Row: Craig Wright, Brendon Wright, David Barson

## Public Speaking Competition

Coach: Mrs Edwards

School achieved conspicuous success in outside Public Speaking Competitions in 1988. In the J.C. Competition "Youth Speaks for New Zealand", Nigel Hulls and Ian Forrester were 1st and 2nd in the Southland Region. Ian Forrester then progressed through 1st in Otago/Southland and 1st in the South Island to the National Finals in Wellington in October. He took part in the J.C. Young Achievers Weekend, including a meeting with the Governor General, Sir Paul Reeves, former All Black Captain, Jock Hobbs and the Mayor of Wellington. His speech considered domestic violence.

In the Royal Overseas League Competition Steven Frost and Craig Donaldson were 2nd and 4th respectively.

The Lions Young Speechmakers contestants Adam McLeay and Nathan McKenzie were the only two boys in a field of 14 entrants, so were somewhat overwhelmed. They competed with style and aplomb.

### NEW ZEALAND - AN OUTPOST OF AMERICA?

(This speech won the SBHS Senior Public Speaking Competition)

Oh say can you see by the dawn's early light ... - will this be the start of our national anthem in 10 years' time, 1998? A frightening thought, but what's even more frightening, more terrifying, is that Simon Raynes may still be at SBHS in his 16th year.

Ladies and Gentlemen tonight I wish to bring to your attention a matter I believe is of major importance to our country and our future as a nation. As New Zealanders we once took our cues from the British lifestyle. What was acceptable at home was acceptable here in the most loyal dominion. Our ancestors' morals and values were shaped by good old British tradition and generations of New Zealanders have upheld solid British attitudes and characteristics, but recently we as a people have been

turning more to the influence of America. There is an increasing change direction and it is not only in our youth - it is permeating our whole society.

Gentlemen, are we becoming just another outpost of the American Empire? New Zealand, as you well know, is still a young country - we have not had time to establish our own independent base. Our economic independence was difficult because of our size and blend of natural resources.

The Kiwi found another arena in which to be independent. Politically N.Z. may be tiny but in the sporting arena we have become a powerful nation. A force indeed to be reckoned with. This has been the case ever since the 1905 All Blacks first beat the proud heritage of NZ Rugby and of course we have excelled in other sports.

Although initially the British influence was dominant, in the period after World War II New Zealand became politically more independent. In the post war boom, NZ had the money to spend. Britain at that point was still reeling from the effects of war and was declining as a world power. America took the lead in politics and technical output and was able to supply all our needs as we flourished in the post war period. This meant that NZ was no longer dependent on Britain information-wise.

It is through information that our daily lives have been influenced and moulded. Much of our way of life has now become controlled by what we see on the screen. Television is a compelling force - it provides information but it also reinforces and moulds attitudes, values, behaviour and speech. Our television coverage is predominantly American. American sitcoms dominate our primetime viewing. American films and American music dominate our life. 88% of radio airplay is American music - even Crocodile Dundee and A Dog's Tale were produced and financed by Americans. There is no denying we are part of the 2nd American revolution.

America - Sweet land of liberty, stronghold of justice and independence. Land of the free, home of the brave... perhaps a little simplistic and a little over-patriotic but then Americans have every right to be proud of their nation. Industrially and agriculturally the United States is the largest producer in the world. Its population is 70x that of New Zealand. It is the world's 2nd largest colonising power. Its largest company, Exxon, has a sales income 5x the gross national product of New Zealand. The figures are very impressive and very real. What is also real is that we have become bound by its legal system. America here - America is now - America is smothering New Zealand - America controls and moulds every aspect of New Zealand society.

Can we exist as an independent nation? Mr Chairman, Ladies and Gentlemen I believe we can. I believe we must. To be independent we must think independently. We must learn to take a pride in being New Zealanders, to accept and acknowledge our cultural differences, to meet head-on the difficult question of racial and domestic violence. Instead of depending on the Government to solve our problems we must return to our original pioneering spirit. To the spirit of the Maori who ventured forth from Hawaii and the astonishing courage of the Victorian settlers who literally travelled from one end of the earth to the other to become New Zealanders.

Ah Akoa no nga Hapu Kotoa tatou e iwi Koahi. Although we are different tribes we are one people. We must remain steadfast against this incessant American influence. We must remain as one, united we stand.

Ladies and Gentlemen we take a pride in our image as an independent people - let's make it a proud reality - let's keep our independence.

Nathan McKenzie

# Debating

## SENIOR

Coach: Mrs Drayton

1988 was a good year for debating at SBHS. With most of the speakers debating for the first time things looked like an uphill struggle but as confidence grew so did the winning margins.

The first encounter was with Southland Girls High School. In their first debates Stephen Jenkins, Nathan McKenzie and Adam McLeay lost narrowly trying to negate the topic "That Tradition is the Enemy of Progress." It was a promising beginning to the season.

With renewed enthusiasm, the team of Craig Donaldson, Murray Harrington and Adam McLeay took on Otago Boys High School and after recalculating some miscalculated calculations it was found that we had won by 288/287 proving "That Censorship of Books and Films is Desirable." The same threesome then went on to defeat Waitaki Boys 300/297 negating the topic "That We Need Censorship."

With Adam holidaying at "Expo" the new look team of Donaldson, Harrington and Kubrycht recorded a 290/281 victory over Kings' High School, proving "That the Subject isn't Important."

Two weeks later we took on Timaru Boys' High School at home in front of a packed hall. We proved "That Present Day Entertainment is Harmful" by winning 269/246 and achieved our Grand Slam by winning all four interschools.

Craig Donaldson was the schools' best speaker against Otago Boys' High School and Waitaki Boys' High School while Murray Harrington was best speaker overall against both Kings and Timaru.

In June the interschool debating team travelled to Dunedin, accompanied by Mrs Drayton, Mrs Fletcher and an intrepid band of six supporters, in order to compete in the Otago University impromptu debating competition.

After victories over The Taieri High School and Otago Girls in the first two rounds, the school team was narrowly beaten by Columba College in the semi-final by a 3-2 split decision.

The competition had an interesting and enjoyable format and the speaking team Harrington, McLeay and one other would like to thank the teachers and supporters for their assistance.

Back Row: Nathan McKenzie, Ian Forrester, Paul Manson, Ewan Kubrycht, Mrs Drayton  
Front Row: Lauchlin McNeill, Murray Harrington, Craig Donaldson, Adam McLeay, Stephen Jenkins

School sides also competed in the local Jaycee Competition. Those who competed were: Craig Donaldson, Anthony Mason, Steven Frost, Paul Manson, Ian Forrest Murray Harrington, Adam McLeay, Nathan McKenzie, Ewan Kubrycht, Lauchlin McNeill.

The house debating competition was held again this year with Deaker and Utley reaching the final. The final was won by Utley.

On behalf of the 1988 debating fraternity I would like to thank Mrs Drayton for guidance, time and effort. Her help and knowledge were of benefit to us all.

#### JUNIOR

Coach L Boyd

For the first time since the introduction of the Awarua Jaycee Shield for Junior Debating a team from Southland Boys' High School was successful in winning the competition.

The competition involved four rounds of debating against Central Southland College, Aparima College, Southland Girls' High School and Verdon College.

The team consisted of Craig Williams, Hamish Murray and Oliver Murdoch who began debating in the third form at Southland Boys' High School. Craig Williams was adjudged best speaker.

The team also participated in a debate against Kingswell High School to publicise the Conservation Department Coast to Coast Awareness Campaign. Although Kingswell won the debate, Hamish Murray was best speaker and won a trip on a helicopter to Codfish Island for a day's work for the Conservation Department.

## **Maths Day**

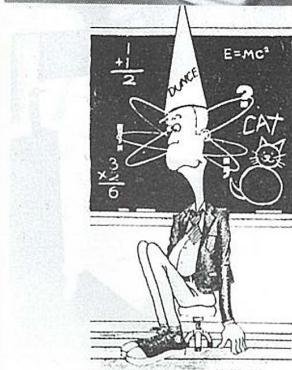

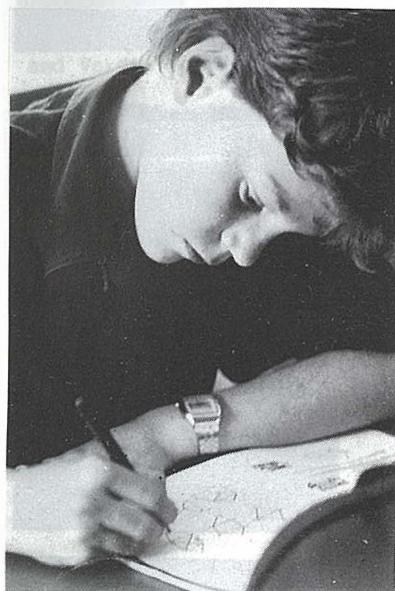

After a successful Maths Day last year it was decided to make this an annual event.

The day consisted of six 45 minute sessions during which the boys participated in a variety of activities. For the 3rd formers these included making Hexaflexagons, producing a height/weight scatter graph as well as Phys Ed and Science.

The form 4 boys activities included orienteering, music, art and a horse racing simulation.

During lunchtime a paper dart competition was held to find the dart that stayed in the air longest and travels the furtherest.

The highlight of the day was the free-hand circle drawing competition. A rather noisy but enjoyable affair, this was won by Deon Fahey of 3MF.

# Maths

## AUSTRALIAN MATHEMATICS COMPETITION

This competition consisted of a 75 minute paper which was sat by a number of our boys on August 1. To score well in this competition requires a high level of mathematical skill.

Of the 38 entrants 14 gained a Distinction Certificate and 16 a Credit Certificate.

Our best students at each form level were.

Form 3 Hamish Walker.  
Form 4 Richard Wallace.  
Form 5 Brian Kelly.  
Form 6 David Cassidy.  
Form 7 David Powley.

## BNZ SENIOR MATHEMATICS COMPETITION

A one hour paper was sat by some of our form 6 and 7 students. Out of a total of approximately 5000 entrants the top 20 are chosen to sit the final paper. Barry Milne of 7HH was one of these twenty and on September 30th he was flown to Christchurch to sit the final paper. Although not placed in the first three for the final, Barry's gaining a place in the top twenty is highly commendable.

# SMAC Maths

Brendon McDermott 3MF

On Tuesday 18 October the yearly SMAC Maths competition was held at James Hargest for 3rd and 4th formers from schools all around Southland. The 3rd form competition was held in two heats, each 30 minutes long. In the first heat 3LS had two teams entered for SBHS. The first team won 110 points and was placed first equal with one of the James Hargest teams. Then our team - Brendon McDermott, Tony Davis, Alex Robertson, Chris Taylor, Colin Sinclair, and Reece Arnott - was off to the hall. We were told of the other team's success and were eager to do better. Only four competed so Glen and Reece sat on the side. We were off! I glanced up at the board. We had fifty points and only two other teams were bettering our score. We had only one question to complete when the whistle blew. We looked up with a sigh of relief to see we had come third with 150 points. The two teams who beat us were James Hargest 1 and 2, who both completed all the questions and got 185 points.

We went up on stage afterwards to get our names recorded and our prizes of a gift token for \$15 to spend at Whitcoulls. The fourth form competition then started.

The competition is run with four people in a team. They are given two questions to work on at one time, with 5 points for every question answered correctly, and a 5 points penalty for a pass. There was a total of 33 questions and our team was happy to answer 31 of the hard and mind boggling questions.

## Bad Day At Black Frog Creek

On week 3 of Term 3 1988, a rumour raced around the school about a Junior Production in conjunction with Girls' High, our "Sister School". Soon after the rumour became reality as the notice about auditions went out. At Boys' High we had a meagre turnout of 30 or 40 boys but at Girls' High they were swamped with people. The main parts were:

Diamond Tooth Lil	-	Megan Nichol
Angel Delight	-	Deborah Webb
Hairy Hannah	-	Kelly Utteridge
Old Ma Treacle	-	Nicola Dickson
Big Brad	-	Matthew Heaton
Yippee Brown	-	Craig Williams
No Nose Calhoun	-	Gabe McGregor
Filthy Frank	-	Nicholas Fredric
Dumbo Dawson	-	Chris Johnstone
Stubble	-	Warren Hunter

We had 8 weeks of rehearsals, 2 hours on Tuesday, Thursday and Sunday. Eventually the show began to come together and lines were coming easily, but would Matt remember his cues?

And would Frank's reindeer ever come unstuck? Would Gabe remember his nose? Would Chris ever stop dropping stitches? Would Nicholas's voice ever drop below 11 decibels? Would Hamish Macpherson ever remember to turn the house lights off? Would it ever rain spotlights over Invercargill again? Finally, will the black frog ever get off stage?

Opening night went off very well, except for a few technical hitches and a couple of missed lines.

On the final night the show went on brilliantly. The audience was excellent and the atmosphere was ecstatic.

After the show there was an air of jubilation with everybody (especially Matthew Heaton) running around hugging everyone (including Mr Currie).

The show was a success and a worthwhile venture which hopefully will be repeated with the juniors next year.

Thanks to all involved, particularly Mr Lawrence, Miss Black and Mrs Welsh.

M C Heaton  
G I McGregor

# SENIOR MUSICAL

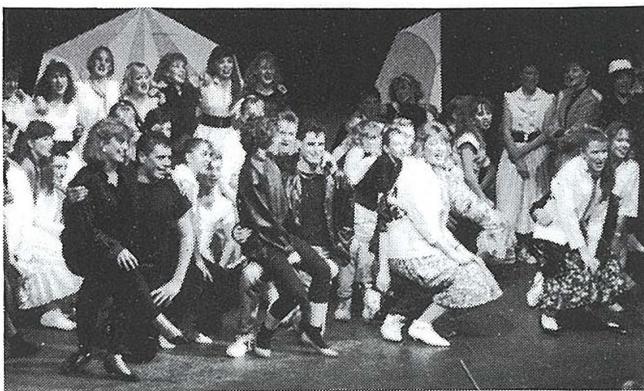

## Grease

96

On two dark nights in April they came, 200 of them, creeping from their homework and some even lured away from a senior social. The reason was not the filming of "Return of the Zombie School Pupils", but the auditions for "Grease", the 1988 Southland Girls' High/Southland Boys' High combined show, staged this year by Southland Girls.

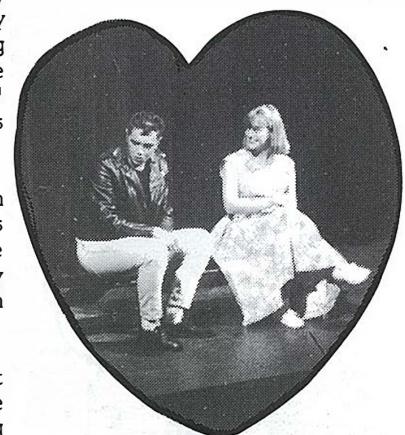

It has been said that teachers fled in terror when Miss Lynch first suggested "Grease" as the year's production, and no wonder. Any show of that size would be considered a challenge, and for a secondary school group to undertake the task was, although virtually unheard of, extremely admirable.

The hopefuls were whittled down to the final cast (approx 80) and everything was under way. Everyone survived the next three months of rehearsals, learning lines, and Mr Reeves crashing his car while ferrying people to rehearsal through the snow.

the cast, especially from the chorus, who had the difficult and tedious job of looking happy/excited/ interested even though they may have felt more like going to sleep.

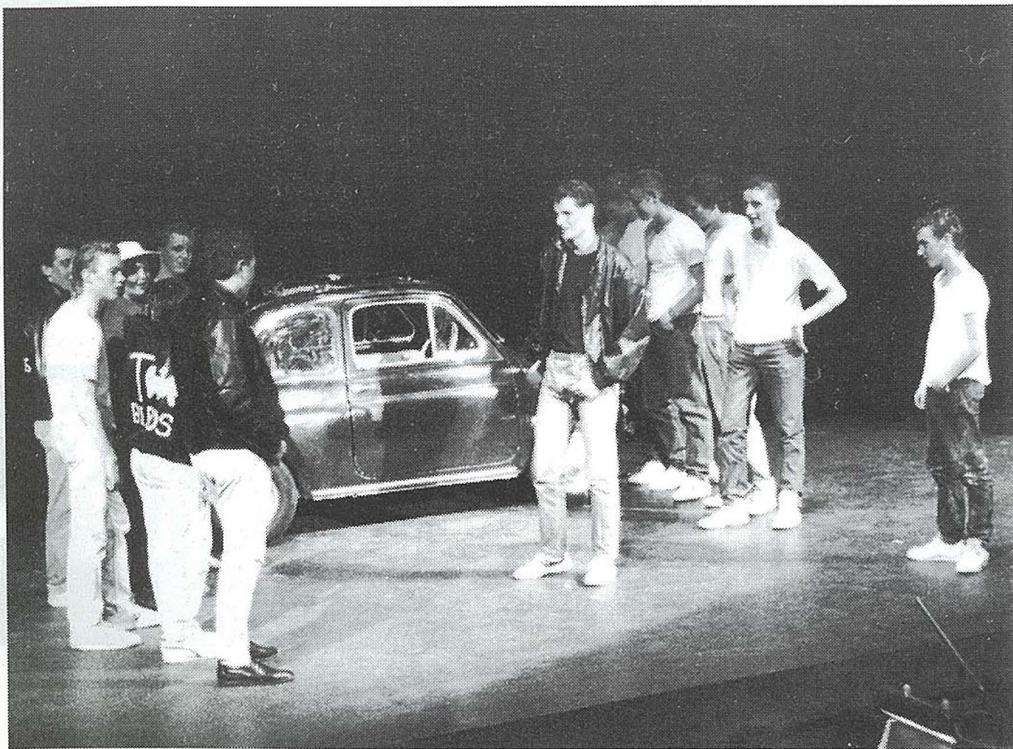

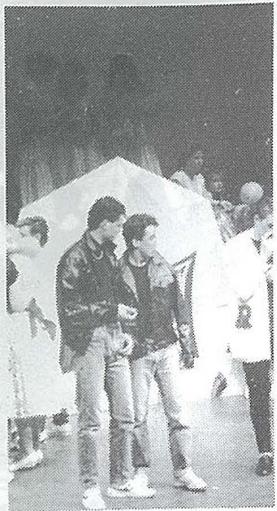

A marvellous show, with a lot of the credit going to the dedication of Miss Lynch, Mr Reeves, and Mr Anderson. However, we will never forget the "little people", the stage hands, the make-up team, the hairdressers, the ushers and the properties department. Nor will we forget the friendship that was GREASE, 1988.

Finally, after the show being sold out a week before opening night, and an extra performance scheduled, the stage was literally set.

The risk of undertaking such a large production could not have paid off any better. The show was a resounding success. Claire Henderson and Gary Dalhousie were superb in the lead roles of Sandy and Danny, and there was great support from the rest of

# Poetry Evening

A poetry evening was held in the school library on October 11 to help celebrate our Reading Week. It was attended by about thirty people, including a small contingent from Southland Girls' High School.

The majority of readers came from our seventh form students. They read a variety of poems - many original. It was a mixed evening - from thoughtful and sensitive portrayal of feelings to humour. Barry Milne's "Ode to a Cornflake" was enthusiastically received. It was an enthusiastic evening where students and staff shared in a warm and relaxed atmosphere.

## ODE TO A CORNFLAKE

---

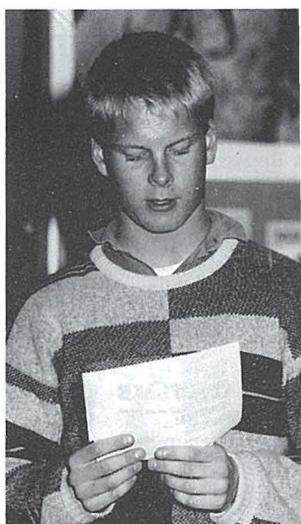

From first crunch you were crisp;  
The milk had not dampened your life to any  
great extent.  
You lay there still glossy

From the sugar that coated you  
Although you are but a victim of modern  
society,  
It has not affected your spirit.  
Your life is not long;  
From production line to oesophagus is your  
stint,  
But for one so unfortunate you seem so  
joyous;  
Ingestion seems not to worry you,  
O, flake textured of corn.  
Complicated you are not,  
But from simplicity you gain strength.  
Goodbye, my beloved - enzymes await you.  
Insignificant you may be  
Though you are a quality source of  
carbohydrate.  
Die! Munch, Munch, Munch, Munch, Munch,  
Munch!

Barry Milne 7HH

## I.S.C.F.

This year has seen a small group very committed to the I.S.C.F. It has been a busy but fun year with many activities with other schools. Perhaps the most interesting of these was the disco held at school in the second term. This was a tremendous success due to thorough organisation by social committee. However all of our activities and meetings would not have been the same without the kindness and dedication the group received from Mrs Edwards and Mr Paris. At the end of the year luncheon, courtesy of Mrs Edwards, we said farewell to the 7th formers who have all been such an asset to the group. With such a strong and committed group it is bound to grow in the next year.

Neil Lawrence 6LE.

## Cooking

Cooking in 1988 was started off in Term 1 by three men with entrails of steel: Brendon Wright, Nathan West and Stephen Jenkins. We were joined in Term 3 by an equally determined Loi Tran.

Nathan and Stephen succeeded in making a menu of Oyster Soup, Scones, Kebabs, Meatballs, Chinese Style veges, Bread Pudding and Savoury Mince look like various forms of vomit whereas Loi and Brendon were the model chefs, making everything to perfection.

One notable exception to this rule was Brendon's famous "Dog Biscuit Scones", which were almost as good as the world hammer throw record breaking scones of Stephen.

We learnt some basic rules of cooking; always let Loi and Brendon do the dishes and that Mr Bailey is afraid of garlic. We also discovered not to cook when Mr Paris is around.

Many thanks go of course to Mrs Gumbley for letting us defile the canteen and to Mrs Edwards for putting up with such a pack of culinary Barbarians, and teaching us the skills.

The main rule of University cooking that we did learn was to make sure you have a flatmate who can cook properly.

S Jenkins

## Radio Club

Club members this year were enthusiastic and most gained confidence in speaking over the radio. Operating for one hour each Tuesday afternoon between April and October, the number of contacts made in the following countries, were -

# Rotary Exchange Students

## Ricardo

"Alo! I'm a Rotary Exchange Student, all the way from Brazil. I've had the opportunity of spending one year at S.B.H.S. At this school, I've had a great time and many fun moments! The boys were very friendly to me, so I could adjust myself quickly and enjoy it all. Of course it was difficult to understand most of the classes, with all the natural barriers of the English Language, but I've had a nice year anyhow. S.B.H.S. is a formal place compared to the schools at home. For example, if a lady teacher is called Mary Smith, you would call her just Mary in Brazil.

The uniform here is very formal but kept me warm. Anyway, I had to wear longjohns under my trousers.

Invercargill is a nice, friendly and beautiful city! But the windy, wet and weather froze me! In Brazil, school starts 7 o'clock in the morning and finishes at 12.30, therefore the afternoons are free! New Zealand is a perfect country for me: beautiful, clean, friendly, happy, organized, rich..... Invercargill is bigger than my home town (Resende - Rio de Janeiro State) and I always felt living in a big exciting metropolis. In New Zealand I have seen lots of different sports that we don't have in Brazil. They are hockey, badminton, cricket, netball and rugby. Skiing was also new for me and one of the highlights of my year.

The food in New Zealand is delicious and quite different to Brazilian food. The biggest meal at home is lunch and here is tea. It's very incredible! Pavlovas and hokey pokey ice cream are my favourite desserts. "L & P" for the best drink!

New Zealanders are not so "Crazy" like Brazilians and you don't have the big dangerous festivals, like "Carnival", that happens during four fantastic days, every year. The people are very happy in New Zealand anyhow. After spending a wonderful year here, it'll be very hard to leave the Kiwi Land, that I love very much."

## Hans Petter

I'm a Rotary Exchange Student from Norway. I arrived in New Zealand on 12 August after a 40 hour plane trip. I will go back in July 1989. I came from an unusually warm summer (35 C the hottest day) to the winter here, so that was a big change. The normal summers at home don't usually get hotter than about 25 C the hottest day. In the winter we can get from 15 to -20 C (the coldest day in a normal winter at my place).

The temperatures vary very much from North to South, from coast to inland and from year to year. Because I live at the coast in the South, we have warmer winters than most other places in Norway. Two years ago it was so cold that we were told to stay inside because if we stayed outside for any length of time, our breath could freeze in our lungs. In the coldest valley it was -55 C, but because of the wind chill factor, it was about -117 C!

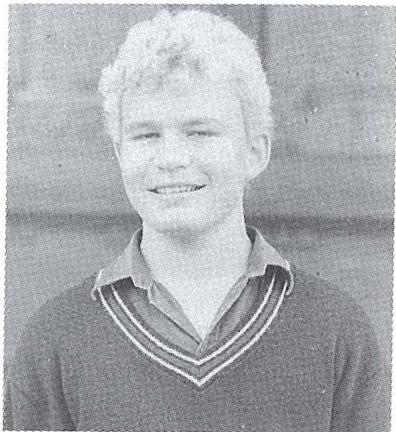

The place I come from is called Nesodden, with a population of 4,000 and is a few kilometres south of Oslo.

The biggest difference between schools in New Zealand and Norway is that we don't have single sex schools and we don't wear uniforms. We also call most of the teachers by their first name. We start school in August of the year we turn 7 years old. We learn English from the fourth year. After 9 years of school, we can leave the school but most people go 3 more years at Secondary school after that. Then every boy has to spend one year in the army.

I found it quite strange to go to a boys only school in the beginning but now I am used to it. Anyway it is a great experience.

When I leave New Zealand to go back to Norway, I will miss this school, the people and this city. I want to thank the boys and the teachers at this school for being so nice and friendly.

Hans Petter Schrader.

# Spirit of N.Z.

Up at six and in the ice cold water by three minutes past wasn't the best way to start my first morning on board the S.O.N.Z. but it's tradition and all 36 tradidn't want to break it. As the voyage progressed it was obvious that the morning dip was the best way of waking us up quickly and efficiently. A typical day would follow:

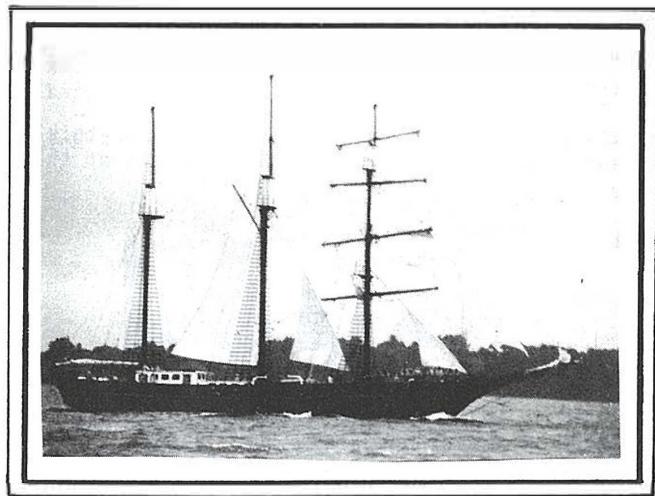

0600 Wake up. 5 minutes P.T. followed by brief swim. Start cleaning ship.  
0700 Breakfast  
0800 Colours (flagraising). Finish cleaning up the ship  
0900 Instruction. At Anchor - lessons in safety, first aid, distress signals  
1200 Lunch  
1300 Sailing  
1900 Dinner  
2030 Evening activity - usually lectures or videos  
2230 Lights out

As can be seen it was a long and tiring day, especially when sailing, when a lot of GRUNT work has to be done hauling down and setting sails.

My voyage was from Lyttleton (Christchurch) to Port Chalmers (Dunedin). The weather was mostly good and I even enjoyed the storms we had. I must admit that undoing gaskets on the Royal at the top of the mainmast at 3am in a 35 knot westerly was scary!

The cost of the voyage was \$594 and it was worth every bit of it! I would recommend a voyage on the Spirit of New Zealand or the Spirit of Adventure to anyone!

Nigel Hulls

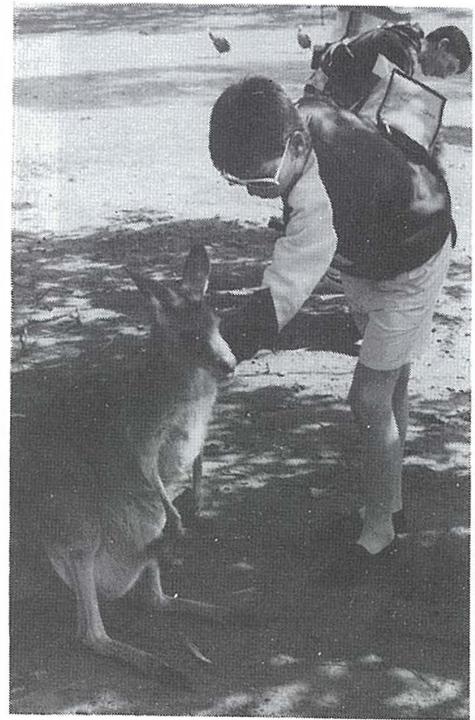

# Expo

The trip started in Invercargill with an 8 hour bus ride to Christchurch. From there a Boeing flew the 54 strong group to Sydney, where we stayed at the Uniting Church Conference Centre. The boys visited "Old Sydney Town" and toured Sydney as best they could. Five teachers and two students even took the opportunity to see "Les Miserables" - a definite highlight.

We left Sydney on Monday 29th to travel to Coffs Harbour where we spent a night. The next day the journey to Brisbane was completed. The distance travelled was equivalent to that of Invercargill to Auckland.

The first night we were there, we looked around town and saw the fireworks from the bridge. Wednesday was our first look at Expo. After the mad rush at the gate we had a ten minute walk through the USA, then visited the Aquacade - a sure favourite when a man dived off a 10 storeys high diving board into a 5 metre deep pool. What an experience! Next we saw the whole sight from the monorail. By the end of the day we had all sampled many different foods and drinks from many cultures.

We only went to Expo every second day so during our off days we visited "The Big Pineapple", The Gold Coast, Sea World and everyone's favourite, Surfers Paradise. Some of us attempted the waves but we didn't have much success.

Travelling through Expo was like walking through dozens of countries experiencing different cultures and traditions which were offered.

The Fun Park was also a hit among some of the students. Many brought day passes and rode the Titan and other exciting rides. It also proved to be a friendly meeting place for the Kiwis.

There was a concert every night on the riverstage, the most enjoyable being "Big Pig". This was followed by a \$25,000 fireworks and laser display.

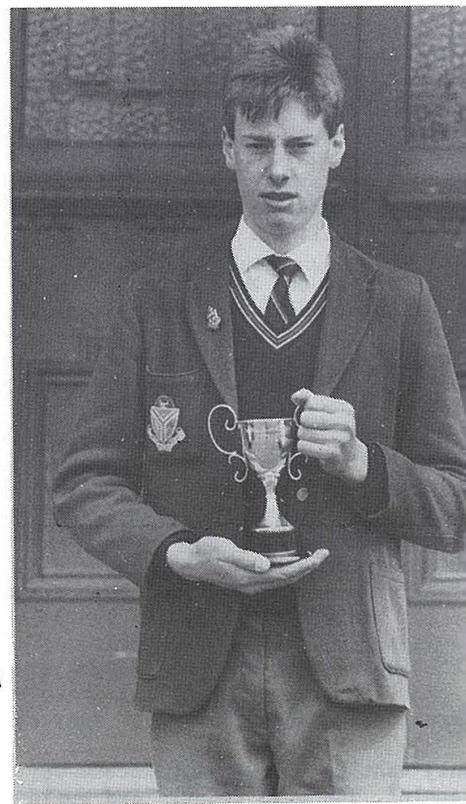

The atmosphere which surrounded Expo was electric and on behalf of the boys who went I would like to thank the school and the teachers for letting us share it.

D M Rooney

# Driving Competition

DRIVER  
OF  
THE  
YEAR

PAUL ROBINSON

The first round of this contest was held at the school to see who would represent Southland Boys' High School in Macaulay Ford's Secondary Schools Young Driver of Year. The aim of the contest - according to the Ministry of Transport - was to enhance the finer points of confined driving skills.

The theory part involved sitting five multi choice tests from the Road Code. The practical part we had to direct Ford Lazers around and through seemingly impossible obstacles placed around the school - with one guy trying to redesign Fives Courts. From this the first two place-getters went on to the final.

Twelve entrants representing all Invercargill's Secondary Schools took part in contest finals held at the Newfield Tavern. It was much the same as the first but a lot harder. It consisted of 100 written theory questions compiled by the MOT and course the same as Nissan's Young Driver. From this I won a cup for myself and for the school. Ian Gilchrist from Kingswell was placed second and Craig Wray Cargill third.

I would like to thank Mr Munro and the Invercargill MOT for organising it, Macaulay Ford for the prizes and the loan of the cars - but no thanks to Newfield Tavern closed the bar, Macaulay Ford for not giving me the car and the MOT for giving me a speeding ticket.

# Camps - Boyd Creek

Andrew McCulloch

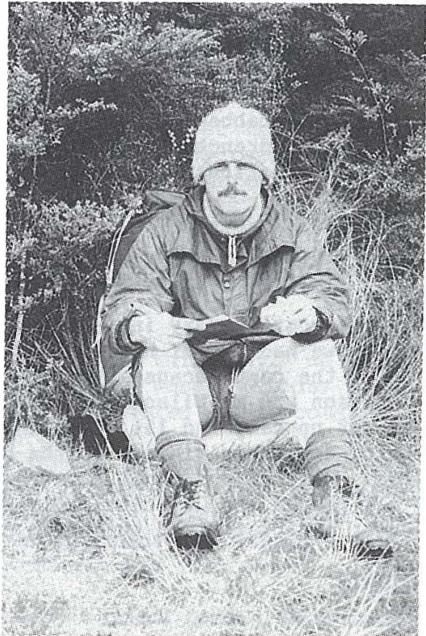

At the end of 1988 a group of keen, avid 6th form trampers took part in a camp at the school's lodge at Boyd Creek. This took place immediately after the exams and was expected to be a relaxing break. Ha! It was exactly the opposite.

We were broken in easily the first two nights, which we spent at the base camp. Warm sunny weather helped bring up several sweats over the orienteering and compass courses. Thankfully, a cool running waterfall could be used to relax under before dinner.

Night time activities varied. Besides eating, one of the most popular pastimes, activities such as eyebrow shaving were performed. Two of the students came out of the camp with odd looking eyebrows.

The luxuries of base camp were soon forgotten, however, on the third day. We tramped for 3-4 steep hours before making it to the bush line, which was a welcome relief. Moaning and sarcastic comments were abundant that night but worse was to come.

The next day brought some of us a 12 hour tramp, coming in nearly 4 hours after everyone else. We had been informed by "bush basher of the year" (Mr McGillivray) it would only take 7 hours. (It was a long seven hours.) That night, not just the students were moaning. Mr Skelt managed to come out with some tough, abusive, accurate comments after Sam and Troy virtually had to carry him into camp.

I think everyone enjoyed parts of the camp at least.

Looking back on it, I tend to remember the good parts rather than the bad. The good did outnumber the bad. It was a learning experience. I learnt "think twice before going tramping which sounds easy but isn't really".

A pleasant surprise the next day. The tramp was only 7 hours long. Some managed to get back in time to go tubing on the Eglinton River, but some of us preferred to lie in puddles of sweat on the walking track.

I would just like to point out to any future participants on Mr McGillivray's tramps - he walks FAST! Don't bother filling his pack with rocks, because "old mountain man McGillivray" won't even notice - we tried it!!

# Borland Lodge

- Escapades of 4NN

## SWEEP AWAY SIMON

We reached the swollen river. It was very swift. I started to cross by myself, a scout, to prove the best way across. It seemed there was no bottom. desperately grabbed onto a willow and with all my might hauled myself over to edge. I was drenched to the neck and shaken. I know for next time, to wait cross in formation with the others.

S Maddison

## RAINED IN

Camp was mostly very interesting, but the rain just didn't stop for 4 days. outcamp we had a four hour walk to Lake Monowai and Rogers Inlet. It was the wo part of the camp because the mud was up to our knees in some places. Mr Maddis Mr Neilson and Mr Wilson took their boats up. They were there to welcome us. soon set up camp and lit fires and warmed up. We spent our time fishing, cooki looking for Sam's glasses in the stream and rescuing cooked socks and shoes from fires! On the last night some people had very wet gear, even their sleeping ba So six people had a 'close' night in a three man tent. The 'walk out' was f though, except for the thrubbing noise of the Mr Neilson's boat engine.

M Windle

## PILLOWS GALORE

It was boring, sitting in the cabins for so long. We became frustrated so everyone unbeknown to the teachers, decided to have a pillow fight. There were pillows everywhere, tossed from one side of the cabin to the other. Open the door - what more pillows. Pillows from cabin to cabin! Until the kitchen door opened. (I charged Miss Boyd brandishing a wooden spoon in her right hand. (A Big Wooden Spoon!) I can still hear her voice. It pierced through my head and made my ears ring. Just then a pillow wrapped round my head.

Everyone was rounded up and growled at. We were made to run from the Lodge to corner about 2 kilometers down the road, then we had to run back. No one complained - such is life at camp! We still enjoyed it.

Prize Fighter

## POSSUM PIE

I had obtained a permit to hunt possums at Borland Lodge. On the first night Phillip Rae and I laid our traps but caught nothing. On the second night we again laid our traps. Phillip caught one while I caught three. I also laid my deer trap that night and narrowly missed catching a deer as its prints were near the trap. However a possum got caught first! On our outcamp we caught three more possums. A profitable time!

Murray the Hunter

## 6TH FORM TRAMP CAMP

At the end of 1988 a group of keen, avid 6th form trampers took part in a camp at the School's Lodge at Boyd Creek. This took place immediately after the exams and was expected to be a relaxing break. Ha! It was exactly the opposite.

We were broken in easily the first two nights, which we spent at the base camp. Warm sunny weather helped bring up several sweats over the orienteering and compass courses. Thankfully a cool running waterfall could be used to relax under before dinner.

Night-time activities varied. Besides eating, one of the most popular pastimes, activities such as eyebrow shaving were performed. Two of the students came out of the camp with odd looking eyebrows.

The luxuries of base camp were soon forgotten however on the third day. We tramped for 3 - 4 hours before making it to the bush line, which was a welcome relief. Moaning and sarcastic comments were abundant that night but worse was to come.

The next day brought some of us a 12 hour tramp, coming in nearly 4 hours after everyone else. We had been informed by "bush basher of the year" (Mr McGillivray) it would only take 7 hours. It was a long 7 hours. That night, not only were the students whining. Mr Skelt managed to come out with some abusive, though accurate comments after Sam and Troy virtually had to carry him into camp.

A pleasant surprise the next day - the tramp was only 7 hours long. Some managed to get back in time to go tubing on the Eglington River, but some of us preferred to lie in puddles of sweat on the walking track.

I would just like to point out to any future participants on Mr McGillivray's tramps - he walks FAST! And don't bother filling his bag with rocks, because "old mountain man McGillivray" won't even notice. We tried it!

I think everyone was happy to get on the bus home, but also I think everyone enjoyed parts of the camp at least. Looking back on it, I tend to remember the good parts rather than the bad. The good did outnumber the bad. It was a learning experience. I learnt "think twice before going tramping that sounds easy but isn't really".

# STANDARDS & CHAMPS

1988

### NZ SECONDARY SCHOOLS ATHLETICS CHAMPIONSHIPS

A small team of six athletics represented the school at this meeting at Christchurch in December. All members proved worthy representatives of the school.

Nathan Chilton progresed to the semi-finals of the senior boys 800m as did Murray Brice who also finished 9th in the javelin. Wayne Smith did well in his first race at the senior level by making the final of the 1500m.

Robert Mitchell showed plenty of grit in the senior boys' javelin by overcoming a bad throwing day with a third placed performance on his sixth and final throw. He also did well to finish eighth in the discus.

Jason McEwan survived an early tactical blunder with some courageous running to finish a close second in the junior boys' 3000m. Although exhausted from the effort he still managed a brave fourth in the 1500m barely 2 hours later.

Star performer was Nicholas Broughton who blitzed the junior boys' shot put finishing by over a metre. He then showed his potential by finishing a very close second (just over a metre less than the winner) in the discus. This again was an outstanding performance as he was competing in this event for the first time.

These performances represented the best effort so far from the school at this level.

Front Row: Aaron Brown, Daniel Wallace, Mark Fleet, Justin Murdoch, Geoffrey Dury, Peter Reid, Hamish Walker  
Second Row: Wayne Smith, Matthew Hazlett, Jason McEwan, Chris Deacon, Nathan Chilton, Jason Shaw, Craig Donaldson

# Cricket 1st XI

Front Row: Craig Stevens, Darren Lowe, Gary Popham, Corey Rawlings, Richard King  
Second Row: Murray Harrington, Robert Nichol, Nicholas Broughton, Reon Goodwillie  
Third Row: Craig McKinnon, Mr A Bailey  
Absent: Justin Henderson, Tony Stewart

The 1987/88 season saw a very capable and experienced 1st XI dominate the Senior Reserve Competition. The loss of the older players to varsity was expected to hit the team dearly in the run scoring department. However, the remaining and new players built on the previous performances to secure the winning of the Senior Reserve Competition in fine style.

This young team, with its depth of talent, will be an exciting prospect for the future.

Batting honours for the season went to Darren Lowe, and in the bowling department Corey Rawlings and Garry Popham shared the top wicket taking positions.

The team would like to thank Mr Bailey for the great team spirit he generated and the helpful advice he offered.

COREY RAWLINGS - Fiery opening bowler who bowled aggressively on all occasions. Picked up many wickets by being just too good for the opposition batsmen. Talented batsman who showed some of the team's higher order batsmen up by scoring the runs when required. Safe fieldsman with a very strong throw. Will be a big force in the team next season.

DARREN LOWE - The team's most talented batsman and wicket-keeper. Darren has a ton of ability with the bat and will score heavily next season with the correct mental approach. New to wicket-keeping but learning with every game. A player of the future with an abundance of talent.

ROBERT NICHOL - Tall opening batsman who struggled with form all season. Scored a fine 64 against Shirley Boys' in the annual interschool. This innings showed Robert's ability with the bat. He must learn to move his feet more. A player with ability who could develop into a high scoring batsman with the correct approach.

CRAIG MCKINNON - Hard hitting batsman who often allowed himself to get out when on top of the bowling. Craig has the ability but must learn to curb his aggressive approach to batting. Scored a fine 60 against Shirley Boys'. Also safe fieldsman who pulled off a number of brilliant catches this season.

RICHARD KING - Batsman with a lot of potential. Has the ability to develop into a most talented player, with the correct mental approach to the game. Can play all the shots in the book. Also team's spin bowler who with greater control will develop into a most attacking weapon. Achieved a fine double of 51 runs and 4-42 against Otago Boys'. A young player with a big future in the game with the right match approach.

NICHOLAS BROUGHTON - Big strong opening bowler who blasted many opposition batsmen out. Still developing his action and will mature into an extremely fast bowler. Bowled well in taking 5-39 against Kings. Also a more than useful batsman who scored runs all season with his big hitting approach. Topped the team with the highest number of "sixes" hit this season. Promising all rounder who has the ability to go far in the game.

JUSTIN HENDERSON - Young player with all round ability. Useful with both bat and ball. With more practice and determination he will develop into a sound cricketer with ability.

TONY STEWART - Player with a very determined approach who never gave up trying. Batted well lower down the order in a vital partnership against Kings High School. His efforts were an inspiration to the team.

### INTERSCHOOL RESULTS

vs Shirley BHS 22-23/2/88 Away

Southland batted first and thanks to a number of good partnerships and aggressive batting made 258 all out. (C McKinnon 60, C Stevens 58 and N Broughton 57 reply, Shirley declared at 209 for 8 with C Rawlings taking 3 for 40, Southland looking to build on the handy lead, chased fast runs in the second innings declared at 211 for 6. (R Nicol 64, D Lowe 40, N Broughton 38 n.o. and G Popham n.o.) This left Shirley with time in hand and a target of 262 to win. An extremely exciting finish one run was needed off the last ball of the match to N Broughton took a wicket with a bouncer on that last ball.

Result - Match Tied

vs Kings BHS 1-2/3/88 Away

Once again Southland batted first and struggled through to 189. Only C Stevens showed real purpose in his batting and top scored with a cracking 87. Kings replied with 171, N Broughton doing the damage with 5 for 39. C Rawlings, 3 for 30, bowled well. Southland declared at 146 for 9. (D Lowe 40 and C Rawlings 32) Whether to chase the target or not must have confused the Kings batsmen. A decision was left to the toss. Toilet stops perhaps? The match ended with Kings 137 for 6.

Result - Match Drawn

vs Otago BHS 14-15/3/88 Home

Otago was sent into bat, which seemed a bad mistake when the first wicket fell for 102. But thanks to some clever bowling from R King, 4 for 42, and G Popham, 44, Otago was dismissed for 226. With the pitch playing many tricks, the Southland batsmen struggled to a total of 118 hard-earned runs. (D Lowe 23, N Broughton 32) Forced to bat again, Southland managed 177 all out. (R King 51, G Popham 32 and C Rawlings 42) Needing only 70 to win with plenty of time available, Otago overcame some aggressive bowling to reach the target with the loss of two wickets.

Result - Outright win to Otago BHS by 8 wickets

### PEN PORTRAITS

GARY POPHAM - Captain. Thoughtful captain who led the team by example. Fast bowler who always got the wickets. More than useful batsman who saved his team on a number of occasions with vital scores. Gary's leadership and all round encouragement of younger players will be missed next season.

CRAIG STEVENS - Batsman who scored heavily throughout the season. Unlucky not to score an interschool century against Kings when dismissed for 87. Also a fine all rounder against Shirley Boys. Extremely safe fieldsman in all positions. Will be missed next season.

MURRAY HARRINGTON - Left arm medium fast bowler who picked up a large number of wickets during the season. Determined player who never let the team down. Bowling style reminiscent of "Murr" Chatfield. His encouragement and determination will be missed next season.

### COLTS CRICKET

The colts team got off to a poor start in their first inter-school against Shirley Boys'. Batting first Southland Boys' managed to get 120 runs with P Cass scoring 36, P Sangster 20 and G McEwan 15 putting some respectability on the score board. Shirley Boys' scored 206 for 7 declared with A Flint being the best of the Southland Boys' bowlers taking 3 for 32. In the second innings Southland Boys' scored 123 runs with W Roberts 42 and P Cass 31 top scoring. This left Shirley Boys' with 38 runs to win in the second innings. Southland Boys' in an outstanding effort in the field managed to get 5 wickets before Shirley scored the winning run. P Cass took 3 for 11 and A Flint took 1 for 18.

Our next game was against Kings High School where the team played very well to have Kings all out for 113, with A Flint and P Cass taking 3 wickets a piece. Southland Boys' batted well to score 142. P Cass 69, G McEwan 22 and P Sangster 16 were top scorers. Kings scored 152 in their second innings with A Flint and P Cass taking 9 wickets between them. This left Southland Boys' 123 to win. Immediately Southland Boys' were in trouble at 19 for 6 but D Burgess batted well for 41 to help draw the game.

Our last game was against Otago Boys' who batted first and scored 125 with M Ramsay taking 3 for 15 and A Flint taking 2 wickets. Southland Boys' batted well for 139 P Cass scoring 37, D Burgess 27. In the second innings Otago Boys' scored 209. B Munyard bowled very well and took 4 for 15 and D. Burgess took 5 wickets also. The game finished a draw with Southland Boys' on 96 for 6 with P Sangster scoring 20.

The team was P Sangster, W Roberts, D McStay, P Cass, M Ramsay, G McEwan, D Burgess, A Flint, L Booth, B McDermott, S Forgie, B Munyard, B Elder, H Walker.

The team would like to thank Mr Richardson for coaching us.

## 2nd XI

Coach: Mr Haworth

Captain: Chris Deacon

The 2nd XI of 1988 was one of the more successful in recent years. The team third - last in the Senior Reserve competition. If luck was on our side, we have finished closer to the middle of the table. The infamous Southland weather some dubious umpiring decisions contributed to a frustrating season.

In the encounter with the 1st XI, we only succumbed in the last few minutes, fa to a two wicket loss. However, if neutral umpires had stood in the game, outcome could have been different.

Despite these frustrations, the season was enjoyed by all. An excellent team was fostered by Mr Haworth, who also contributed his experience on the field play. Thank you for dedicating so much time for our enjoyment.

Keith Brown

Back Row:

Front Row:

Abs.

Mr P Haworth, Philip Cass, Kelvin Mason, Grant Maddison  
Darren Fleet, Keith Brown, Chris Deacon, David Tapp, Mark Purdie  
Landon Reiri, Gareth Hamilton, Craig McKinnon, Justin Henderson

# Cycling

The SBHS cycling team enjoyed an exceptionally good season throughout 1988. The year started off with a school team beating Shirley but losing to Kings narrowly. During these two interschool events the school's six top cyclists were at the NZ Champs so our "B" team performed creditably. Against Otago Boys and Timaru Boys the team managed two convincing wins.

During the August holidays we attended the NZ School Championships in Levin. Hoping to finish in the top 5, we were overshadowed by two Auckland Grammar teams to finish third, beating Rotorua by one second. Jason McEwan finished third in the Reserves Race.

The team is indebted to Mr Bisschops and our parents for all their help.

Those who rode in 1988:  
S. McLeay, J. Kissell,  
A. Kissell, M. Smith,  
T. Graves, K. Black,  
J. McEwan, L. Anderson,  
S. Gough, G. Sycamore.

# Rowing

1988 was a successful year for the Southland Boys' High rowers competing at the New Zealand Secondary Schools' Rowing Championships at Lake Ruataniwha, Twizel. The sculling team of Dion Forrest and Karl Kupe won gold medal in the Under 17 double sculls and bronze in the Under 19 double sculls. Forrest made the final of the Under 19 single sculls but was not placed.

The New Zealand Secondary Schools' Champs, better known in the rowing fraternity as the "Naadi Cup" is a tremendously exciting event with 1000 competitors from schools throughout New Zealand and as many parents and supporters.

S.B.H.S. rows from the Waihopai Club and without the coaching and use of the boats the school would be unable to offer rowing to those dedicated boys. The thanks John Frampton for all his support and coaching.

Dion Forrest won the Sutherland Cup for outstanding Southland School Rower presented by the Waihopai Rowing Club to finish off a successful rowing year.

# Surfing Competition

By Sam Minchin

On 10 September five boys from SBHS travelled to the St Clair beach at Dunedin for the Timaru to Bluff championships. We were the only participants from out of Dunedin. The winning team at the competition was to travel to Mt Maunganui to enter the national final.

The competition consisted of teams of three trying to earn as many points as possible. To win points you had to catch a wave, stand on your surfboard and attempt to do some tricks.

SBHS was represented by Peter Milne, Corey Ward and Steven Oliver in team 1 who scored 18 points.

David Lang, Sam Minchin and a boy from Kings' High School made up team 2 and scored 6 points.

Although the weekend was not a great surfing success, all of us who attended had a great time. It was a learning experience and next year when we return we plan not to be so far behind the winners. We'd like to thank Mrs McFadyen for going to the trouble of organising the team and being at the competition so we could benefit from her advice.

# Water Polo

Bevan Ellis

1988 saw mixed fortunes for SBHS at waterpolo. A huge amount of interest was shown this year but unfortunately could only be catered for by 3 teams.

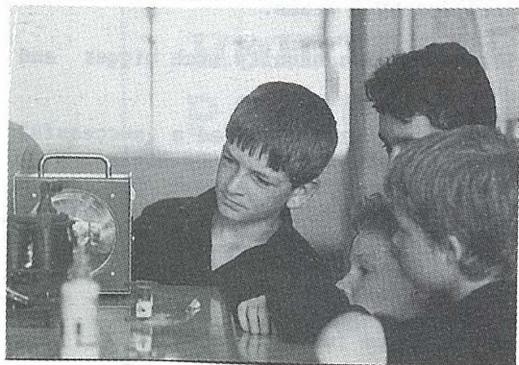

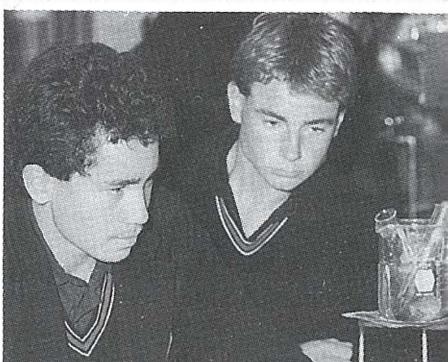

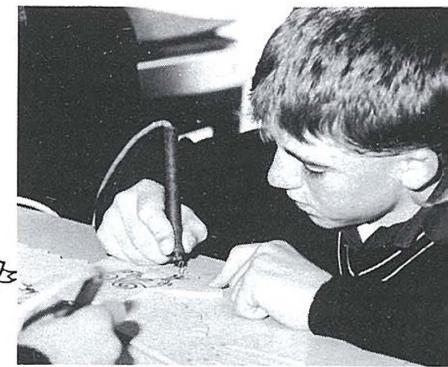

The two junior teams competed well with opposition that was usually much bigger and stronger than themselves.

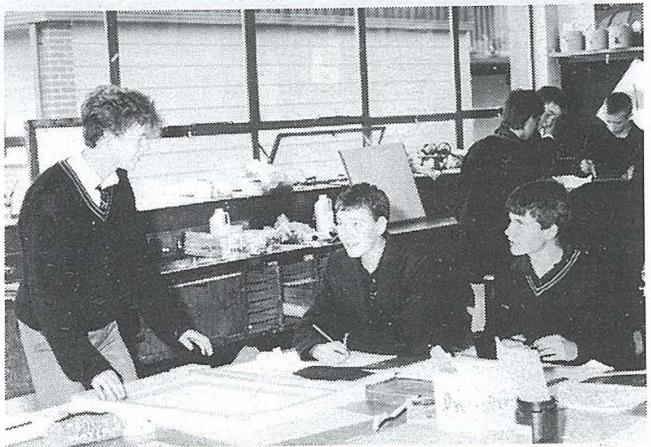

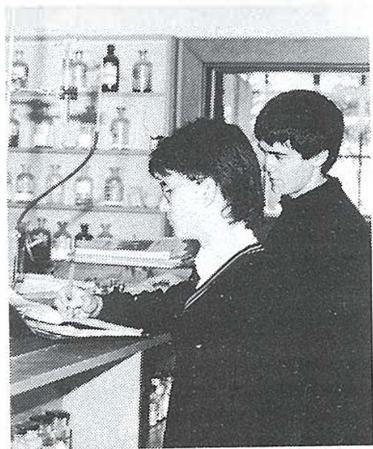

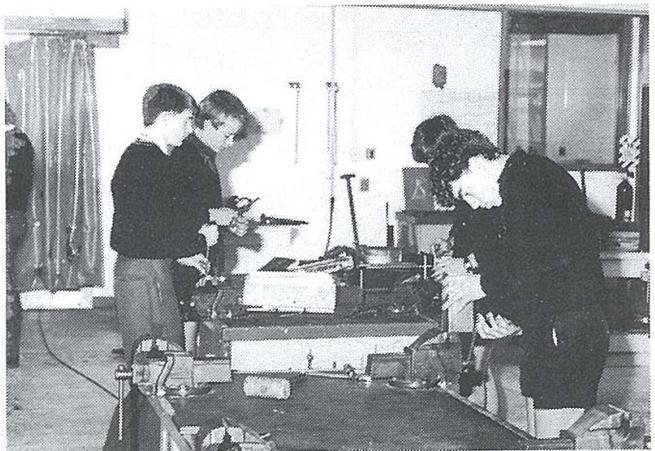

The senior team comprising 15 keen, fit, seventh formers also had a successful season. The morale of the team suffered a savage blow when we lost to Girls' High but we struggled on, winning a few and losing a fair few more. The team progressed well though, and by the end of the season most members could swim a length without stopping and string 2 or sometimes 3 passes together.

All the games were played in high spirits and were thoroughly enjoyed.

On behalf of the teams I would like to thank Mr Sherborne for all his help.

# At Work

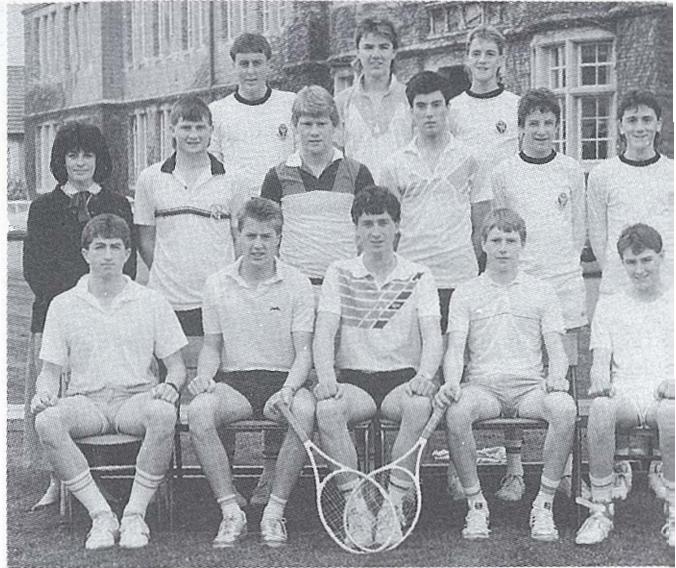

1. "A mistake? You mean we didn't have to climb this mountain?"
2. "Hi! You're not Barry Crump, are you? Got anything to wrap our laughing gear round?"
3. "This'll teach him to ask what he should do with his socks!"
4. "Make him drink it about 8. Should have a quiet night then!"
5. St Bernard and victim after daring mountain rescue.
6. "He's just heard he has to report on the trip at Assembly."
7. "We're not smiling. We're gritting our teeth. We're waiting for Barry Crump too!"
8. "It's tails, Scott. I get the extra rations."
9. The Krept in Factor - alien ascends to starship
10. Boys cluster round Boyes during ozone depletion experiment
11. "A teacher's joke. We've heard it before...but we laugh. It pays!"
12. "Get the cold chisel - I can't get it off the spoon"
13. "Dropped out, Jason? I don't know what dropped out! Hope my head doesn't fall off."
14. "Heh! Heh! I've told them there's a girl down there sunbathing"

# Tennis

Captain - Lance King

Coach Miss L Boyd

The interschool tennis team had another good year with all but one interschool being won. This year though it was the senior team which enjoyed a good run of wins beating Shirley Boys' and Kings' High convincingly. All credit though must go to Miss Boyd whose work has been an invaluable asset to the team.

v Kings' High 1/3/88 (away)

Juniors 11-1

Seniors 16-5

This was the first interschool of the year and both the seniors and juniors go to a good start. The juniors as in last year's match showed their dominance over the opponents and won in convincing style 11-1. The seniors, with a few experienced players, also played well to win 16-5.

v Otago Boys' High 14/3/88 (home) Juniors 6-6

Seniors 21-0

This is traditionally the hardest interschool of the year and unfortunately we did not fare well at all. The seniors, even with the "home town advantage" could manage a win despite some hard-fought games. Otago Boys' had the depth through their team with all but one in Otago representative teams. The juniors however, put in an excellent performance to draw 6-6. This was a commendable considering the lack of top tennis experience of some of the members.

v Shirley Boys' High 22/3/88 (away) Juniors 11-1

Seniors 17-4

A good score to end the season. The juniors again won with relative ease with fine tennis. The seniors also won well despite losing a few rubbers through a lack of experience in doubles play.

## PEN PORTRAITS - SENIOR TEAM

**LANCE KING** (captain) - Fifth year in the interschool tennis team for Lance. As captain he has led by example, with at times, gifted tennis. His maturity and experience have been of value by the team.

**DARYL GIMBLETT** - Fourth year in interschool team for Daryl. He plays a strong game with a power serve and baseline shots. Needs to look at volleying a little more. Will wait for the right opportunity to come along. Played in all three interschools and will be a valued member next year.

**PETER KING** - Fourth year in interschool team for Peter. Has the potential to be a far better player. Lacks confidence but when he starts to put his game together he will be a force to be reckoned with. A valued team member this year who will be invaluable next year. Played all three interschools.

MATTHEW EDWARDS - Second year playing interschool tennis. He has shown a marked improvement in his game. Needs to develop more consistency and he will develop into a good player. At times lacked experience but made up for it with determination. Played all three interschools.

BLAIR MADDISON - First year in senior team. A young player with a lot of potential. He possesses all the shots and a good head to develop into a fine player. Needs to develop a second serve and he will have many more good wins. Played one interschool. Will be a handy player for next year.

LYNDON STEVENS - Second year in senior interschool team. Lyndon is a sound and dependable lower order player. Not many opponents have been able to beat him and his fine play accounts for this. Needs to be a little more attacking minded and he will do well. Played in one interschool.

CALVIN STEVENS - Another young player with loads of ability. A good bottom order player who held up his end well. Will develop into a good player as he gains experience. Played one interschool.

STEPHEN FROST - A seventh former who came into the team this year. Gave nothing away to his opponents. Needs to play a more attacking game especially in doubles. Played two interschools.

DAVID POWLEY - Another seventh former who came into the team this year. Again needs to be more attacking in his play. Was only used for his doubles play. Played one interschool.

L.King, D.Gimblett, P.King, B Maddison all gained Southland representative honours.

#### PEN PORTRAITS - JUNIOR TEAM

BRENDON BRICE - Top young player who is a very gritty performer. He stood out for his fine play in both doubles and singles. With more experience and strength Brendon will be another top young prospect. Played all three interschools and will make his mark felt in the senior team next year.

HAMISH MCKENZIE - Another top young player who performed with distinction in all three interschools. Needs to develop a little more consistency and he will win many more games.

SIMON MADDISON - A young player with enormous potential. Has all the strokes and now only needs the experience and strength to complement them. Played in all three interschools.

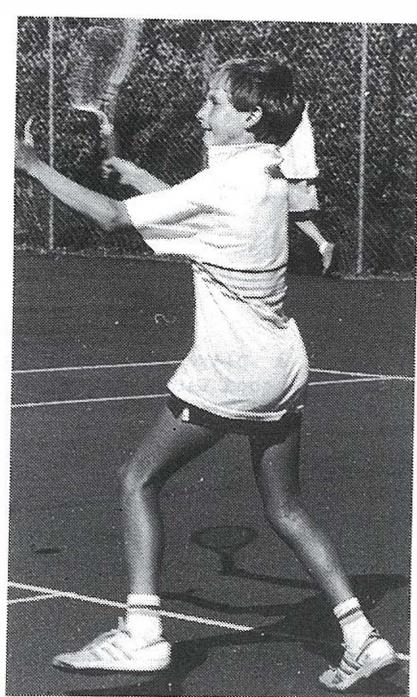

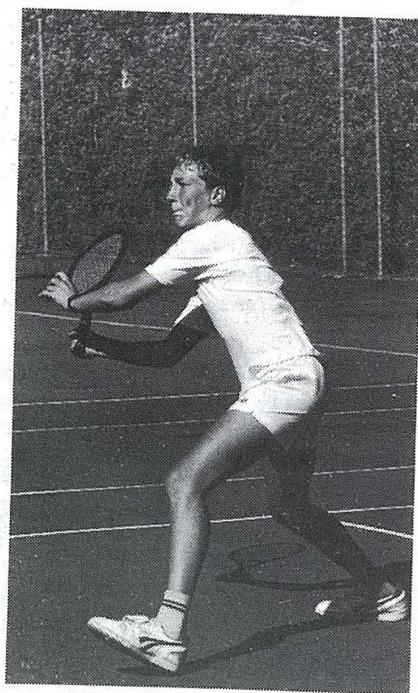

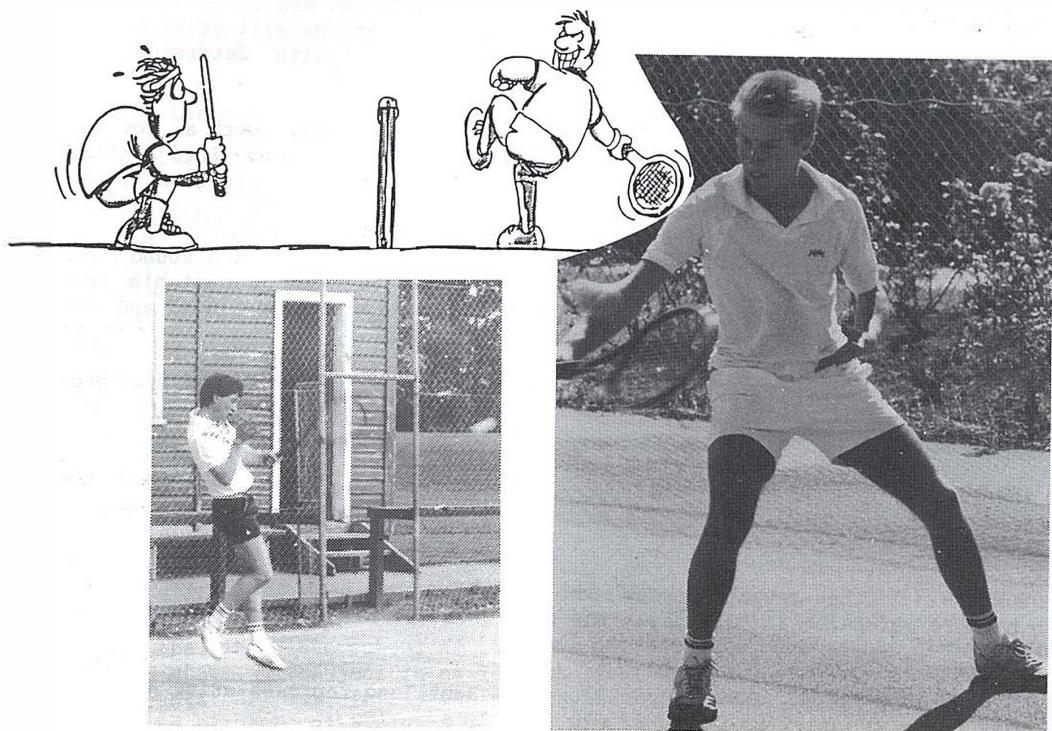

SHANE TURNER - A player who lacked experience but gave it his best at all times and recorded some good wins. He improved greatly and will always be a handy player. Played one interschool.

JASON HENDERSON - A new member who handled himself well against some tough opposition. Lacks experience and confidence but with time he will enjoy many more good wins. Played in two interschools.

B Brice, H McKenzie and S Maddison all made Southland Representative honours.

Lance King

# Badminton

This year saw about 40 boys involved at Surrey Park on Wednesday afternoons.

The school badminton team this year closely resembled those of previous years by once again proving very strong. The "A" team consisted of Brent Kingsland (captain), Nathan McKenzie, Daryl Marshall and Brent McKenzie.

This inter-school team was too strong for an Otago Boys' High and convincingly beat them 6 - 0.

The first major competition of the season was the local Secondary Schools Tournament where the school had 3 teams entered. In a close final with James Hargest the "A" team won 3 - 2. Good team spirit was a factor in this win. In winning this we secured ourselves a position in the South Island Regional Final at Timaru.

In losing 7 - 1 to Kings' High and only losing by one set (9 sets to 8 sets) against Timaru, we were placed third in the South Island. We felt a little unlucky as there were a couple of hard fought, three set matches which could have gone either way.

On behalf of the team I would like to thank Mr Wayne Kingsland for managing and driving the team to Timaru. My thanks must also go to Mr Sarson for his organisational skills.

There are many young up-and-coming players at SBHS and I'm sure they will continue to make Badminton strong in the school for years to come.

The team's achievements outside the school competition.

## Brent Kingsland -

- \* Member: "D" Grade winning team.

# Basketball

## 1st V

Captain: Lyndon Stevens

Coach: Mrs Sherborne

This year's team lacked the experience seen in previous years, and a great deal of work was required to teach tactics to the new players.

The true ability of the team was not seen until the later stages of the season, when performances had greatly improved.

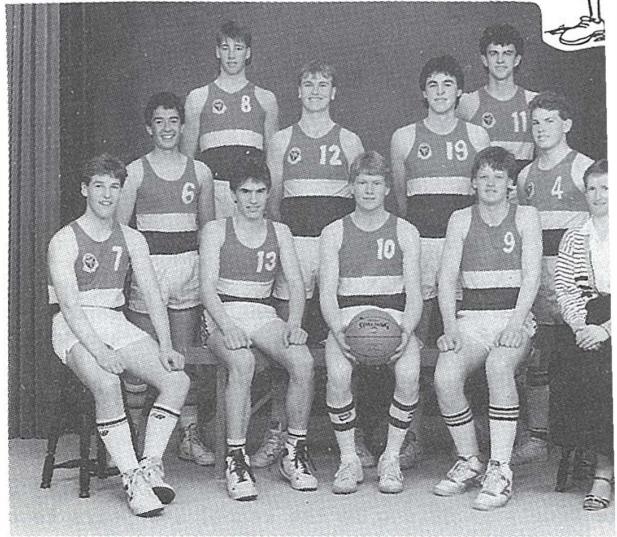

Our first game was against the talented Otago Boys' team which blitzed us with their fast, hustling play. Despite some fine shooting by Lyndon Stevens and some aggressive defensive play from Andrew and Warren Campbell, we lost 48 to 102.

Waitaki Boys were our 2nd interschool opponents, against whom we had a realistic chance of winning. With the help of some bustling play and strong defence by Ian Smith, we came within striking distance but literally ran out of time. score - lost 53-64.

Our last interschool of the year was against King's High School, a game we entered hoping to gain some pride. The team finally came together and played commendably. All aspects of our game had improved and we looked to have the game under control at half time. But the 2nd half proved to be a different ball game. Our defence started to lapse and Kings were able to build on their score and eventually came back on us with 10 minutes remaining on the clock. Michael Winiata, the youngest of the team, shone throughout the game and demonstrated his confident ball skills and shooting ability. The scoring tally was evenly spread throughout the team. We lost 58 - 62.

We finished the season with the team showing its true capabilities, coming 4th in the local competition.

The team sincerely thank our coach Mrs Sherborne. We appreciate the time and effort she put into helping us. We also extend our gratitude to Mr Sherborne, particularly for his help during the Otago Boys' interschool.

7 I Smith      6 D Martin      8 R Nicol  
13 M Winiata    12 A Campbell    10 L Stevens (Captain)  
19 T Giles      11 W Campbell    9 R McNeill  
4 M Stevens     Coach Mrs L Sherborne

### U16 BASKETBALL

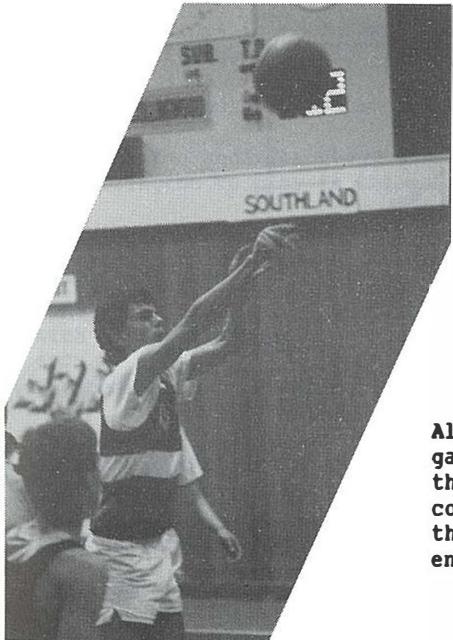

For the first time in many years the under 16 Basketball team succeeded in displacing Cargill as the winners of the Southland Basketball Association Junior Cup.

The team played well together achieving success by a combination of teamwork and sound defensive play. All games were closely contested particularly those against the top Cargill team who were only defeated in the closing minutes of the final by a well executed 3 point play made by Boyd Roff.

Back Row: Mr C McGillvray, B Tutty, R King, D Tapp, S Paaka, B Pankhurst  
Front Row: P McDonald, J Keast (VC), N Broughton (C), B Roff, B Brice

Many of the players show considerable ability which looks promising for the 1st V in years to come. Played 13 - Won 10 - Lost 3.

### UNDER 14 BASKETBALL

Team Members: Shane Ripley, Gary Joyce, Jeremy Dyer, Dallas Franklin, Paul Roderique, Rangi Ropata, Cameron Simpson, Jason Hasler, Clayton Jones, Justin Murdoch.  
Coach: Mr Rout.

At the beginning of the season the team members had a wide range of skills. With regular practices these skills improved and by the end of the season their defensive play in particular was much better.

Although the team only won about a quarter of its games each encounter was keenly fought. One of the problems our players had was a lack of height compared with some of the other teams. Despite this disadvantage all members played enthusiastically and enjoyed the season.

# Harriers

Front Row: Geoffrey Durry, Daniel Sim, Jason Hasler, Daniel Wallace, Tim Tayler, Peter Reid, Brent Smith, Clive Swale  
Second Row: Aaron Smith, Paul Hayes, Justin Murdoch, Jason McEwan, Lindsay Hide, Hamish Walker  
Third Row: Tristan Dawson, Matthew Heaton, Clark Sim, Nathan Chilton, Brett Conner, Robert Swale, Mr Lauren  
Fourth Row: Jason Shaw, Craig Donaldson, Andrew White, Wayne Smith

# Golf

Captain - G Popham

The Southland Boys' High School 1988 golf team enjoyed plenty of success through the later stages of the year, but met with defeat in the interschools at the beginning.

## Interschool results:

- v Kings - Lost 6 1/2 - 5 1/2
- v Shirley - Lost 7-1
- v Otago - Lost 9-6

However, with the Intercollegiate Provincial Tournament approaching, the team reached full strength and comfortably won the N.P.F. Southland Regional. The team had to play the Otago Regional winners to decide who would represent Otago/Southland region in the national finals.

Old foes, Otago Boys', were to be our opponents on neutral ground at the Cromwell Golf Club, played over 36 holes.

am. SBHS read -

G Popham - 82      S Jamison - 80      T Johnston - 80      N Fowle - 89

The worst score in each round was not counted. This gave SBHS a 2 stroke lead going into the afternoon round.

pm. SBHS scores read respectively 78, 77, 84, 83.

This was too good for Otago and it gave SBHS a win overall by 13 strokes and a trip to Wellington to play in the national finals at the Hutt Golf Club.

Arriving in Wellington on the 31 August, the team enjoyed its practice round that afternoon and the general consensus of the course was one of confusion over wind direction and speed of greens. The final was played the next day in showery and windy conditions over 36 holes. After the morning round the team was lying second with scores reading -

G Popham - 79      S Jamison - 79      T Johnston - 84      N Fowle - 87

The team was hoping for a good final result but didn't handle the tough conditions so well in the afternoon. The scores read respectively 81, 86, 87, and 88. We finished 5th overall. Gisborne Boys' High had come from behind to win the event and a trip to the U.K. Individual results saw G Popham 5th overall and S Jamison 7th equal overall. This concluded a very enjoyable trip for the team.

The team wishes to thank Mr James for his support and guidance throughout the year.

# Hockey 1st XI

Captain: Murray Harrington

Coach: Mr Sherborne

We began the season in the Senior Section of the local competition. Unfort we were relegated to Senior Reserve partway through the season. The lower s gave us little match practice and we often accounted for our opposition by mo ten goals. The lack of tough competition was evident in our Interschool which should have been better.

## INTERSCHOOL FIXTURES

vs Otago BHS - drew 2 - 2

A game which we should have won after leading 2 - 0. Goal scorers were B Wall G Coates

vs Waitaki BHS - drew 1 - 1

A very flowing and open game between two sides of similar ability. We decided unluckily not to score in the final minute. M Harrington scored the c

vs Kings HS - drew 2 - 2

As usual our most physical encounter. After a poor first half showing, we with purpose in the second half to even the score up to 2 - all. Goals to K Mills and M Harrington.

vs Gore High - lost 2 - 4

A poor performance which Gore, to their credit, took advantage of and achieved deserved victory. Both goals to M Harrington.

## TOURNAMENT

This year we again took part in the Challenge Shield Tournament. It was play the Sandy Point Grounds in the first week of the holidays.

After the first two days of section play we progressed through to the semi-after a stroke competition with Kingswell.

Our semi-final match against Gore ended disappointingly in a 4 - 0 loss.

We then played Logan Park for 3rd and 4th positions. In our final game fo season some attractive hockey was produced in appalling conditions and we won and thus achieved 3rd place in the tournament.

After the tournament four players were named in the Tournament Team.

They were - Murray Harrington  
Kylie Mills  
Simon Galt  
Chris Gormack

The team thanks Mr Sherborne for his time and guidance throughout the season a particular for the work he put into co-organising a successful tournament.

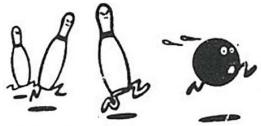

## TEAM PROFILES

- MURRAY HARRINGTON - (Captain) effective distributor of possession while also scoring numerous goals. Experienced player with over 130 games for the side.
- KYLIE MILLS - (Vice Captain) skillful player with the ability to read the game well. His solid play and effective tackling will be sorely missed.
- SIMON GALT - Very talented goalkeeper with much potential. Simon produced some exceptional saves during the season and saved many strokes.
- TROY McGREGOR - changed to the forwards during the season and enjoyed much success. His aggressive approach was rewarded with some spectacular goals.
- CHRIS GORMACK - skillful player with much potential. His play was rewarded with selection in the tournament team.
- TAI TRAN - fast, courageous and skillful player who will be a decided asset to sides in the future years.
- GREG COATES - strong player with powerful hit. Scored some good goals at crucial times.
- MICHAEL BAXTER - improved during the season as his confidence grew. Good tackler.
- BRENDON WALKER - often the youngest and smallest player on the field. Brendon outplayed many of his opponents. Brilliant back-stick goal against Tairei.
- SCOTT MILLAR - talented fullback who gained respect from all opposing forwards. His tackling and clearing were superb at all times.
- CRAIG CASEY - fast player who will enjoy further success if he improves his ball control.
- GRANT HARRISON - another player who always gave his all for the team. Asset to next year's side.

Front Row: Grant Harrison, Chris Gormack, Murray Harrington (Capt), Michael Scott  
Tai Tran  
Second Row: Troy McGregor, Greg Coates, Kylie Mills, Mr B Sherborne  
Third Row: Craig Casey, Simon Galt, Scott Millar  
Absent: Brendon Walker

# Ten Pin Bowling

1988 saw the start of a new sport for the school when the newly erected Superbowl asked the school if it was interested in entering a team in a Southland Secondary Schools League.

Our school entered two teams. The Senior team consisted of Jason Blair, Antony Roberts, Vance Pritchard, Jonathon Baird, Aaron Neilson and Daryn Dore.

The Junior team was Philip Cass (Captain), Shane Turner, Richard Molloy and Robert Mitchell.

The competition was round robin and involved two teams against each other every Monday. One point was awarded for each individual win and one for the overall win, making a possible total of three points.

The teams performed very well, and in the first practice week the Seniors scored 696 in a single game. Antony scored an impressive 205 and the lowest was 157, an encouraging start to the season.

A few weeks into the competition, when we were joint leaders with the number Kingswell team we played the other Boys' High team who had just been beaten 3 Kingswell. This turned out to be our closest series, and we won one game each the Senior team finally winning by only one pin.

Nearing the end of the league we met Kingswell One team. Our team played all over 150 and Antony broke 200 for the second time with 203. We took the win from Kingswell and could relax toward the end.

The season ended with the Senior team being placed first and the Junior team third. SBHS also featured predominantly in the bowling statistics. Antony: highest game, highest series, 3rd highest average and highest pinfall over average. Jason: 2nd highest game, 3rd highest series. Shane: 2nd highest average. Senior team also had the highest game, series and the Junior team had the highest game.

On the final afternoon an individual tournament was held in which Antony was successful.

# Swimming

1988 was again a very successful year for School Swimming and school swimmers.

At the recent Collegiate Schools' Relay Carnival, SBHS entered 3 teams in both the Freestyle and Medley Relays. This is the most teams for a number of years and all swimmers performed very well. The No. 1 Team of Craig Boylan, Glen Hamilton, Nathan McNamara and Justin Burgess won both Freestyle and Medley Relays very comfortably. The No. 2 Team was third in the Freestyle Relay.

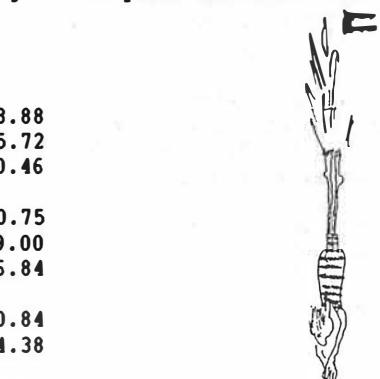

On the 9th April, the school sent a team of five swimmers, Craig Boylan, Glen Hamilton, Justin Burgess, Nathan McNamara and Bevan White to the South Island Secondary Schools' Swimming Championships at the QE II pool in Christchurch.

All swimmers performed very well with everyone making the finals. Glen Hamilton swam very well, gaining third in 50m Freestyle, second in 50m Butterfly and a good swim to win the 50m backstroke. Craig Boylan was second in the 50m 100m and 200m Breaststroke events against stiff competition.

The team would like to thank Mr Sherborne for organising the trip and Mr Paris for driving us to Christchurch.

## Results: South Island Secondary Schools

Craig Boylan	2nd 50 Breaststroke	Time 33.88
	2nd 100 Breaststroke	Time 1.15.72
	2nd 200 Breaststroke	Time 2.50.46
Glen Hamilton	1st 50 Backstroke	Time 30.75
	2nd 50 Butterfly	Time 29.00
	3rd 50 Freestyle	Time 26.84
Justin Burgess	3rd 100 Butterfly	Time 1.10.84
	6th 50 Backstroke	Time 34.38
Nathan McNamara	5th 100 Freestyle	Time 1.04.18
	4th 50 Freestyle	Time 28.29
	8th 50 Butterfly	Time 35.77
Bevan White	7th 100 Breaststroke	Time 1.29.89
	7th 50 Breaststroke	Time 41.30
Medley Relay	SBHS 4th	Time 2.08.49
Freestyle Relay	SBHS 5th	Time 1.51.70

# Rugby 1st XV

The 1st XV had another busy and successful season. The team was undefeated in traditional inter-schools (draws against Otago and Waitaki; wins against K Timaru). The team won the local Under 20 competition and also represented Schools at the National Secondary Schools Sevens Championship in Auckland.

## TAIWAN

However, the highlight of the season was undoubtedly the tour to Taiwan in April. The team was invited by the New Zealand Secondary Schools Rugby Council to represent New Zealand Schools at the prestigious Pan-Pacific Youth Rugby tournament which is hosted by the Taiwan Rugby Union and is held every two years.

This year's tournament (the 6th) was held in Keelung City, reputedly the wettest seaport in the world! It certainly confirmed that reputation during our week in Taiwan.

Twelve teams from nine countries took part in the tournament. The 1st XV played creditably and did much better than expected.

The opening match against a Japanese high school was disappointing - the result a 6-all draw. More commitment was evident in the second match against a Taiwan team. We won 13-0 and Pool A.

We reached the final by accounting for two representative teams from Australia Northern Territory Under 20 by 19-0 and Western Australia Under 20 by 6-4.

The final was played next day and was a one-sided affair. Our opponents from Tupou College from Samoa were too old and too big. They won 32-0; we had to dash the day before.

The trip was made possible by the efforts of many groups notably the parents who raised approximately \$25000 and the Old Boys Assn who made a generous donation towards the purchase of a set of all-weather track suits.

**REPRESENTATIVE HONOURS:**

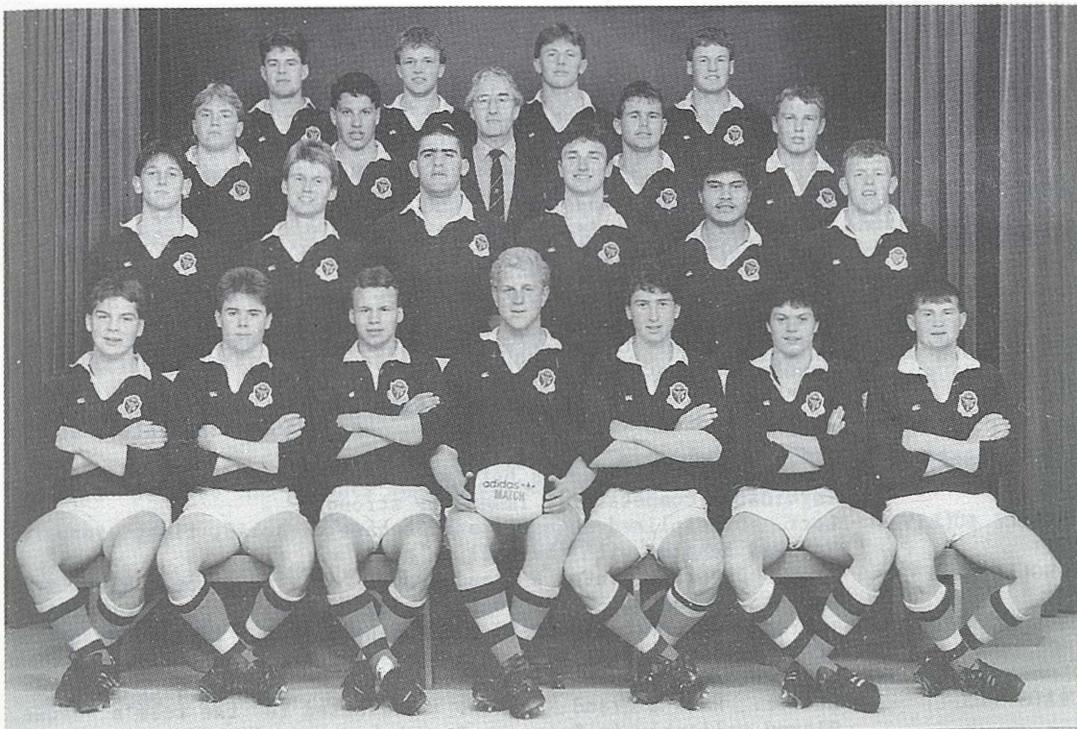

South Island Secondary Schools - Craig Hall

South Island U18 - Sam Hazlett, Craig Hall

Southland U18 - Sam Hazlett, Craig Hall, Bevan Ellis, Jim Turner, Patrick Sullivan, Paul Fleet, Lance King, Andrew Barker

South Island Under 16 - Nicholas Stratford, Sean Dermody

Southland Secondary Schools - Lance King, Chris Deacon, Andrew Barker, Paul Fleet, Daryl Gimblett, Robert Swale, Doug Reid, Craig Hall, Patrick Sullivan, Robert Mitchell, Jason Goodman, Bevan Ellis (Capt), Jim Turner

RUGBY 1st XV

Front Row: Paul Fleet, Grant Dermody, Robert Swale, Bevan Ellis (Captain)  
Lance King (Vice Captain), Jason Goodman, Daryl Gimblett

Second Row: Simon Raynes, Nathan Chilton, Sean Dermody, Jim Turner,  
Patrick Sullivan, Jamie Findlay

Third Row: Craig Hall, Jason Munro, Mr C Williams (Coach) Douglas Reid,  
Robert Mitchell

Fourth Row: Andrew Barker, Craig Smith, Nicholas Stratford, Chris Deacon

CRITIQUES:

- BEVAN ELLIS - (Capt) Lock. Outstanding leadership. Displayed a maturity rarely seen at this level. Played a major part in the success of the team.
- LANCE KING - (Vice-Capt) Full Back. Steady, reliable. Grand tackler throughout season despite injury.
- SIMON RAYNES - Wing. An outstanding performer. Scored some exciting tries. Much promise but now up to him to develop it.
- CHRIS DEACON - Wing. Had a good season. Fast and determined left wing. Future in the game.
- ANDREW BARKER - Centre. Fast off the mark, ability to penetrate backline.
- JULIAN MCCOLL - 2nd 5/8. A strong and steady mid-field player. On target to become a strong performer. Fitness levels need to improve if he is to develop in the game.
- JASON GOODMAN - Inside Back. Talented but erratic. Has a promising future. Must improve his dedication and accept advice.
- DARYL GIMBLETT - 1st 5/8. Developed ball skills and an outstanding goal kicking ability. Will be the team pivot next season.
- PAUL FLEET - Half-back. Strong. Distributed the ball well. Despite a shoulder injury, served the team well.
- GRANT DERMODY - Half-back. Limited opportunities but a more than useful player. Outstanding in the final against Woodlands (on the wing).
- ROBERT MITCHELL - No. 8. Strong on the drive. Needs to improve his fitness.
- JASON MUNRO - Flanker. A useful blindside flanker. Very strong. Developed confidence during the season.
- JAMIE FINDLAY - Flanker. Fast, vigorous and very competitive. Had a good season.
- CRAIG SMITH - Flanker. Limited opportunities but a useful openside flanker. Needs to improve his tackling.
- JIM TURNER - Flanker. Vigorous and competitive. Dominated the backline. Grand value in the team. Has a promising future.
- SEAN DERMODY - Lock. Lots of illnesses but with more work will develop into a formidable competitor. Immensely strong.
- PATRICK SULLIVAN - Lock. Disciplined himself and became a solid, tight header. Enjoyed running with the ball in hand.
- DOUGLAS REID - Prop. Developed into a grand prop. Able to compete with bigger opponents. Needs to keep playing because he is progressing well.
- NICHOLAS STRATFORD - Prop. A superb tighthead or loosehead prop. Developing other skills. Will be a great asset in the next 2 years.
- CRAIG HALL - Hooker. Had a grand season. Dedicated to the team's cause. Played valiantly in Taiwan. Superb hooker and able to compete at any level.
- SAM HAZLETT - Prop. Left school at the end of Term 1. Strong and uncompromising. Has a future in the game if he devotes himself to conditioning.
- NATHAN CHILTON - Wing. Confidence improved and played well in Taiwan. Substituted for a wingman with a broken collar bone and received limited opportunities after the first few games. A good team man.
- ROBERT SWALE - Flanker. On his day a devastating open-side flanker. Has a promising future if he improves his tackle count. Maintains high levels of fitness.

#### TRADITIONAL INTER-SCHOOL FIXTURES

vs Otago Boys' - Dunedin 12-all

A tightly fought match. School led for most of the game but Otago came back strongly late in the game to clinch a well-deserved draw. Strong scrummaging by the pack but disappointing in the lineouts. Possession was evenly contested. The school backs looked competent but seemed to take the wrong direction.

vs Waitaki Boys' - Oamaru 19-all

Almost the upset of the season. School seemed to take Waitaki Boys' much too casually. Waitaki Boys' raced to a 10-0 lead within the first 10 minutes - both tries were the result of mistakes in defence by SBHS. SBHS continued to play poorly and at half-time were behind by 13-6. After half-time, and despite a strong team talk, school conceded further points and Waitaki went to a 19-6 lead. With time up on the clock and a scrum on the school line the ball was transferred to the blindside to Raynes on the right wing. He tapdanced to our 22 and then stepped infield and as he was tackled, transferred to left wing Deacon who raced 50 metres to score. Gimblett added the extras and school snatched a thrilling draw.

vs Kings' High School - Invercargill 16-9

An even match which School won. A rather lack-lustre game. Although never troubled School found Kings' to be worthy opponents.

vs Timaru 48-0

Played at the Les George Oval, School turned in easily the best performance of the inter-school season. Timaru were taken apart in both the backs and forwards. Some wonderful team tries were created. Raynes was particularly outstanding on the right wing.

**NOTE:** In the grand final of the U20 competition School tore into Woodlands and won convincingly by 41-0. In an earlier encounter at Rugby Park Woodlands had defeated School by 11-10. In the 2nd game School had won by 28-4. The grand final was a fitting climax to a long but memorable season.

The team would like to thank Mr Williams for his contribution to the team's cause. Thanks also to the parents and supporters for their encouragement.

- o o o -

#### **2nd XV**

Coach - Mr I Baldwin

Captain - Chris Ramsay

Record: Played 21 Won 16 Lost 5

The 1988 season was extremely successful for the 2nd XV considering the fact that Mr Baldwin was not available for pre-season training and the first two competition games due to his trip to Taiwan. However we overcame this initial setback to win these games with very physical encounters.

The team was very young this year with only 6 players returning from previous seasons. The lack of experience did not hinder our performances early on and as the season progressed so did the ability of the team to play attractive flowing rugby. This was proven by the defeat of Verdon College and Boys' High ensnaring the Challenge Cup.

Front Row: Darren Fleet, Matthew Hazlett, Corey Rawlings, Chris Ramsay,  
 Jason Hall, Darren Lowe, Keith Brown  
 Second Row: Matthew Edwards, Dean Forrest, Reon Goodwillie, Andrew Campbell,  
 Nicholas Broughton, Glen Wilcox  
 Third Row: Peter King, Bruce McIntyre, Mr I Baldwin, Leonard Pulham, Clark Sim  
 Fourth Row: Murray Brice, Glen Roff

This season the 2nd XV played 4 interschools. Against Otago Boys', we went down 19 in a disappointing performance. Against Waitaki Boys' we won 9 - 3, mainly due to forward dominance. Kings High was played in atrocious conditions but we ran out winners 26 - 3. St. Peters was played as a curtain raiser for Southland at Wellington where a physically demanding performance was required in order to win. This was achieved and we won 13 - 9.

Nearing the end of competition games it was evident that the top 4 positions would be decided among the 4 High Schools - Southland Boys, James Hargest, Verdon and Cargill. The final placings were Verdon 1st, Cargill 2nd and SBHS 3rd. It was as good as we hoped but certainly not disappointing.

Special congratulations to D.Fleet, N.Broughton and P.King for gaining selection to the Southland U16.

Thanks Mr Baldwin for your time, effort and dedication and best of luck in the future.

By Chris Ramsay.

- o o o -

## **Under 16 Open Blue**

Captain: R Dickson

Coach: M J Dickson

The team played well from the start of the season. The forwards were usually dominant, particularly in set pieces and driving play. The backs showed pace and initiative on attack and this, coupled with the support play of the forwards, enabled us to produce many fine performances, against both school and club sides.

We finished second in the competition, one point behind a very strong, well performed Cargill H.S. side.

We would like to thank Mr Dickson for the time and effort he put into the team throughout the season.

Record: Played 15      Won 13      Lost 2

Points for 401      Points against 101

The Team: P Cass, B Corbett, A Dempsey, R Dickson, S Dunlop, R Faiva, M Lindsay, K Mason, J Moreton, P Nanai, B Pankurst, M Price, A Ronald, A Smith, J Soanes, K Taane, Q Taipari, D Tapp, A Watson, A Wilson.

- o O o -

## **Under 16 White**

Captain - Mark Purdue

Coach - Mr A Bailey

This team was made up mainly of newcomers to the great game of rugby. As the year progressed we learned a lot about tactics and the skills required to play the game. The more we played the greater the improvement shown in our play. We ended the season with a number of draws and close results which was a marked improvement from our early season games, where heavy losses were suffered. This improvement in all round play was due to the commitment of several players who showed out at practice and during the season's games.

These players included Aaron Brown, Jonathon Horrax, Paul Kitto, Neil McAra, Jason Hasler and Mark "George" Purdue.

One game that really stood out was our effort against James Hargest. With only thirteen players the team never gave up trying and only a mistake with two minutes to go allowed Hargest to score a converted try which enabled them to sneak a draw. If we had shown that same commitment all season the results would have been vastly different.

Our special thanks go to Mr Bailey for the experience and effort he put into the team during the season.

- o O o -

## **Under 16 Open Red**

**Captains - J Henderson  
V Yeo**

**Coaches - Mr I Welsh  
Mr B Welsh**

After an unstable start to the season, we sorted the team out and developed a strong and determined unit. We lost most of our games but we all enjoyed the effort. We practised hard each Wednesday and Thursday, having a few laughs in the process. It was always enjoyable to win and we had some unlucky games in which we could have won.

For the record we won 3, drew 0, lost a few.

The team would like to thank the Welsh brothers for their time and effort combining rugby, humour and fun into a very enjoyable season and we would also like to thank Mr Yeo for his support and help with the team every Saturday.

**The Team:** V Yeo, J Henderson, K Kupe, S Robinson, H Learmonth, P Coy, R K Wright, L Reiri, J Cowie, W Jones, S Harrington, S Colyer, B C Colyer, A Cundall, B Kane, N MacNamara, C Taylor, D Houston, M White, T McGregor.

- o o o -

## **Under 16 Restricted Blue**

**Coaches - Mr Ward  
Mr Murcott**

**Captain - J Burgess**

The team got off to a slow start but came together mid-season with some outstanding performances. Flyhalf Hamish McKenzie shone out in all facets of play, wing-threequarter Quinn Hicks displayed good allround skills. In the forward pack Jeffrey Busbridge proved himself a fine lineout jumper. He had good support back of the lineout from Sam Riley, who displayed fine attacking skills, and Elder, flanker, who tackled fearlessly all season.

The team finished second in the competition 2 points behind Verdon College, losing 1 game and winning all others.

Many thanks to our coaches, Mr Ward and Mr Murcott.

**The Team:** Justin Burgess (Captain), Braydon Cooper, Jody Young, Brendon Burrows, Blair 'Spock' Miller, Rhys 'Flakey' Williamson, Jeffrey Busbridge, Elder, Peter Reid, Sam Riley, David Nicol, Hamish McKenzie, Paul Lyndon Burgess, Quinn Hicks, Phillip Honeywell, Dion Williams.

- o o o -

## **Under 15 Open Blue**

**Coaches - Mr Munro  
Mr Mortimore**

**Manager - Mr Yeo**

After an initial heavy loss the team quickly developed into a very good team. Strength of the team was the speedy loose forwards and the very quick inside backs. Highlights of the season were the two wins over the other Boys' High teams grade 10 - 6 and 15 - 0.

Players to stand out:

In the Forwards: Alan Mortimore, Dale Booth, Maurice Windle, Grant Perrian, Shaun Yoe, and Jason Harper.

In the Backs: Geff Durry, Angus Low, Shaun Dawson, Michael Fairbairn, Jamie Rusk and Jason Ward.

Thanks must go to Mr Mortimore and Mr Munro who coached the side and a special vote of thanks must go to Mr Yoe who managed the team when the coaches were unavailable through refereeing duties.

- o o o -

## Under 15 Open Red

Captain - Fraser Hampton

Coach - Mr W Richardson

We began the season with a mixture of experience and inexperience because at least two of our team were playing their first season of rugby. We practised Wednesdays and Thursdays. Mr Richardson was patient and we all benefited greatly from it by advancing our rugby skills and learning to work together as a team.

Our forward pack did especially well. Even against the huge Kingswell and Cargill teams we managed to hold our ground. Throughout the season the locks learned to work together as a good combination.

The Team: F Hampton (Captain), D McStay, R Harvey, C Bulleid, M Anderson, G Sinclair, D Burgess, S Imlach, A Watkins, H McPherson, R Cook, P Lucy, D Wallace, M MacAskill, P Sangster, A McCurdy, D Wilson, M Fairweather, G Mitchell.

Our congratulations go to Glen Sinclair who made the Southland Under 14 team. We would like to thank Mr Richardson who gave up a lot of his own time for the team.

- o o o -

## Under 15 Restricted Blue

Coach - Mr Lyn Walker

It took a couple of games before we really began to know each other as players and work as a team. During this period we lost our first four games - but none by a margin of greater than three points. Our first win occurred in our fifth game with a 6-4 win over Cargill and from then on the team earned an impressive record.

Our coach, Mr Walker, tried to get us to play open, running rugby making good use of the backs but unfortunately poor turnouts at practices prevented us from reaching our full potential. A few turned out for virtually every practice including Michael Ramsay, Doug Sadler, Ness Taane, Brendon Hodgkinson, Lincoln Booth and Hamish Walker. This commitment by these particular players led to the selection of Michael Ramsay, Brendon Hodgkinson and Hamish Walker in the North Metropolitan U14 team, with Doug Sadler unfortunately just over the age limit, as was Lincoln Booth. Hodgkinson was also chosen for the Town rep. team that was defeated by a strong Country side in the Southland trial. Other than the representative players, Ness Taane, Doug Sadler, Terry Frisby and Lincoln Booth all made valuable contributions to the side.

Tryscorers were: Lincoln Booth 5; Doug Sadler 3; Ness Taane 2; Brendon Hodg and Lloyd Hook 1. Hamish Walker kicked 28 points.

Record:	Played 12	Won 4	Lost 7	Drew 1
	Points For 100	Points Against 85		

A total of 18 tries were scored with 8 being converted and 4 penalty goals ki the oppositions 17 tries, 7 conversions and 1 dropped goal. Our best win achieved over a strong Collegiate side 12-8, a thumping of Cargill 36-0 hard-fought victory against the top Star team by 10-6 in a combined effort w other S.B.H.S. team.

The Team:

Forwards: Blair Cuckow, Marc Geange, Terry Frisby, Clayton Jones, Ryan P Michael Ramsay, Doug Sadler, Ness Taane, Marc Williamson and Mark W Backs: Lincoln Booth, Vivian Fox, Kenny Frisby, Brendon Hodgkinson, Lloyd Matthew Moir, Clive Swale and Hamish Walker.

cked to  
s were  
and a  
ith the

erkins,  
ilson.  
Hook,

Front Row: Richard Peterson, Cameron Bain, Steven Frost, Craig Stevens, Blair Maddison, Grant Eade  
Second Row: Simon Tattersfield, Grant Maddison, Philip Pascoe, Vance Pritchard, Craig Donaldson, Craig Chalmers  
Third Row: Mr T Neilson, Jonathon Clifford, Gordon Lamont, Martin Kemp

With only three of last year's team returning, it was decided to enter the Senior Reserve Competition. The team had trouble in the beginning of the season establishing a full squad, as dedication was lacking in some. The team continued to develop throughout the season and competed well against the top teams of the competition. The team sadly missed Michael Sampson whose skill and distribution was well used. Michael left in July bound for America as an exchange student. With the majority of the squad returning the future looks sound.

I would like to thank Mr Neilson for his dedication in coaching throughout the year and Mr Paris for assisting on the trip. This made it all not only possible, but most enjoyable.

### TOURNAMENT

The tournament was held in Christchurch in the first week of the school holidays. Being a young and inexperienced team some players found it hard to adapt to the style and pace of football required. The team often struggled but still managed to show flare and skill at times, often beating the opposition but with luck usually against us we never quite managed to finish off. All players gained valuable experience and players like Blair Maddison, Martin Kemp, Grant Eade, Gordon Lamont, Richard Peterson, Philip Pascoe, Johnathon Clifford and Craig Chalmers will show this in next years team. The team played each game in good spirit and always managed to enjoy themselves both on and off the field.

## **INTER SCHOOL FIXTURES**

### **vs Otago BHS**

This was our only away game this year and it resulted in a loss of 6 - 2. We had trouble controlling the ball on the hard ground and were often beaten pace of the opposition. The team fought back well and never gave up. 1 goals were scored, one each to Craig Chalmers and Johnathon Clifford.

### **vs Kings HS**

Lost 4 - 1. Played at home on a well worn field with continual rain. Both found it hard to play their best game. We were down 3 - 0 at half time. more determined team effort in the second half saw us taking control of the the game but the finishing off was lacking. The score was not a true indica the game. Goal to G Eade.

### **vs Timaru BHS**

Lost 3 - 1. After three days of heavy rain leading up to the game, 70% of the was submerged in water with puddles over your bootlaces. Both teams flippers, struggled in the mudbath that arose two minutes into the game. The had to be played in the air as ground control was impossible. The team well and some skillful play emerged under the circumstances which resulted in Maddison scoring in the first five minutes. As the game moved into the second the hail took its toll and concentration lapsed. This resulted in two quick by the opposition, then most just wanted to leave the field for a shower.

Craig Stevens - Captain.

### **TEAM PROFILES**

Phillip Pascoe (Centre Back) A big player who used his size well. Very good back who had a powerful boot and used it well. Worked well under pressure.

Craig Donaldson (Sweeper) A valuable member of the team who regularly turned himself under pressure. Craig's ability to use both feet was often called upon to turn defence into attack. A skillful player who held this position well.

Richard Peterson (Right Back) Progressed throughout the season. Had opportunities but played well and gained valuable experience.

Grant Maddison (Left Back) A good defender who possessed a strong tackle. Good back who used his size and weight well.

Simon Tattersfield (Right Back) A versatile player who tackled well and aggression and loved to go forward.

Craig Chalmers (Striker/Half) An experienced player whose skill and distribution was excellent. Craig had a flare for scoring goals which he often created for himself. An asset next year.

Blair Maddison (Left Half) A skillful player who continued to develop throughout the season. Blair had a strong shot but did not always get the chance to score. He had the ability to beat his opponent and will be an asset in the future.

Cameron Bain (Defender) Played well from limited opportunity. A very consistant player.

Lindsay Hyde (Right Wing) A very determined player who always gave his best and encouraged others. Played some good games.

Vance Pritchard (Defender) A player who came into the squad late, gained valuable experience and used it well.

Martin Kemp (Goalkeeper) Took up the new position well, showed guts and determination was sometimes a bit erratic and often out did himself. Valuable player in years to come.

Grant Eade (Right Wing) A pacy striker who used his speed well, had a good shot and always enjoyed the competition.

Gordon Lamont (Left Wing) A young player who has the ability to take on his marker. Sometimes lacked the necessary experience but should develop into a good player for years to come.

Steven Frost (Mid Field) A versatile player who always displayed control. A reliable player who gained experience and offered advice.

Johnathon Clifford - Vice Captain (Mid Field/Striker) A very skillful player who showed control and composure. Had the ability to take on his opposition confidently and was a strong header of the ball. Always encouraged others and showed leadership ability.

Craig Stevens - Captain (Centre Half) A player with natural ability who has a good future in the game. Craig's experience and leadership was an asset to the younger players in the squad this year.

## Youth 'B'

Captain - Vance Pritchard

Coach - Mr Goodwill

The team this year was entered in the Youth Grade Competition. The team had good determination and aggression throughout the year and played well under pressure. We played 12 games, winning 6, loosing 6. We came 3rd in the competition.

Congratulations to Vance Pritchard, Lindsay Hyde, Cameron Bain, Richard Peterson, Phillip Pascoe, Martin Kemp who made it into the school tournament team to travel to Christchurch for the New Zealand Secondary Schools tournament.

The team was: V Pritchard (Captain), L Hyde, C Bain, D Johnston, A Joyce, R Welsh, P Pascoe, M Duncan, G Johnson, R Peterson, D Curry, M Kemp, N Stenhouse, S Anderson.

Our thanks to Mr Goodwill for giving up his time in coaching us throughout the season.

# Volleyball

## FIRST V1 VOLLEYBALL TEAM

We've had mixed success this year. We were placed third in the local competition, a great improvement over last years team. We played two interschool games. We learned a lot about tactics, shots, rules and regulations from the Kings' High School game. which we lost 4-1.

Against Gore High, we won with a 5-0 victory.

Other schools involved in Thursday interschool matches were Kingswell, Verdon and James Hargest.

## TEAM PROFILE

Nigel Hulls - Setter

Warren Amos - Strong Spiker and server

Aaron Campbell - a promising setter

Simon Galt - Strong server and backcourt player

Todd Giles - a late addition - has a powerful spike and serve

Mark Stevens - strong spiker and server. Good backcourt player.

Peter Blair - Accurate flat serve, hard spiker

Derek Rive - backcourt player

Aaron Shirley - Strong spiker - accurate server

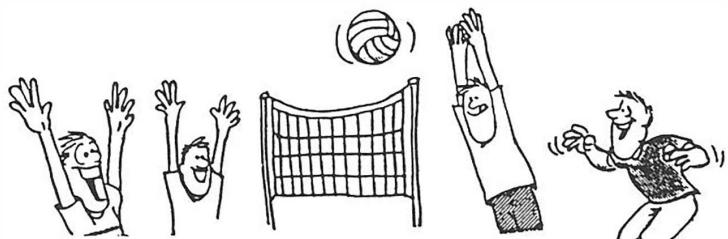

Jonathon Smith - good backcourt player

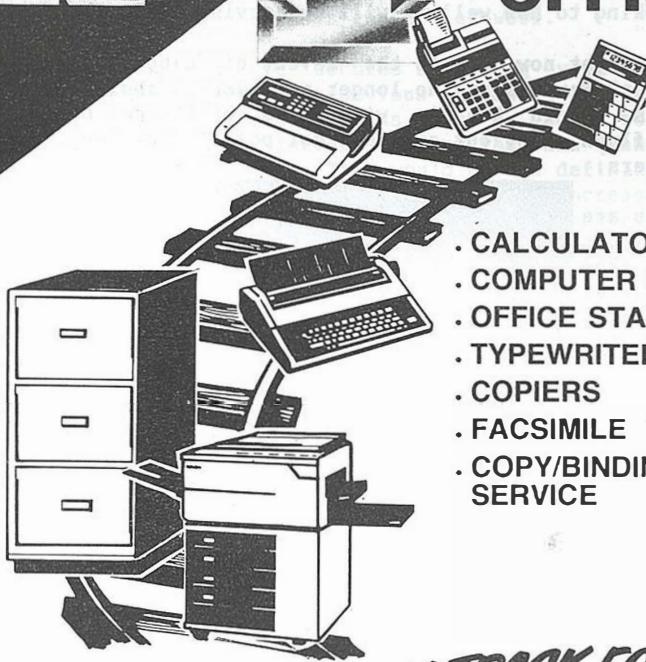

We have a South Island Tournament to look forward to in Dunedin next year. Ten of the existing team hope to participate.

Our thanks to Mr Lawrence for coaching us.

Nigel Hulls

# **Yuppy Din Dins**

This essay, by Christopher Atkinson, won the Enterprise New Zealand Trust/Trade Development Board national sixth form economics essay competition.

## **CASE FOR "YUPPY DIN DINS VERSUS LEG OF LAMB"**

---

New Zealand is a trading nation which should be looking towards the future than adhering to the past.

We should not be looking at how well the export of the basic side of beef has us in the past, but looking to how well it will be serving us in the future.

This is especially important now due to the advent of Labour's "Rogernomics" 1984. Under "Rogernomics" New Zealand no longer possesses a sheltered little Pacific economy, but is out in the big wide world of fierce competition. Zealand is no longer influenced by our own internal policies but by the policies of our major trading partners.

New market requirements are emerging in our major export markets resulting from changing lifestyles, tastes and fashions. Undoubtedly this trend has contributed to the 12 percent decrease in the total meat export receipts for the nine months to March of this year.

This figure, released from the Meat and Wool Board's Economic Service, corresponds with the same period last year. This decrease in returns is significant both because the export of our meat products makes up our largest single export category and because total agricultural and horticultural exports form more than 60 percent of all merchandise receipts.

This trend is emerging not because of New Zealand producing the wrong product, rather because we are selling the bulk of it in the wrong form.

Convenience foods are now the "fad" of the 1980s. With an increasing number of consumers owning microwave ovens and wishing to spend more time in front of television or occupied in other leisurely activities, the emphasis is now on keeping out of the kitchen for as long as possible. The increasing upper end of overseas market (ie the yuppie consumer) does not want to contend with a bone, alone have any knowledge that the foodstuff comes from a carcass.

From left:  
John Hammond, Chairman, Enterprise NZ Advisory Council  
Nyalle Paris, Teacher  
Christopher Atkinson  
Peter Shirtcliffe, Chairman, NZ Trade Development Board  
Stuart Young, Judge, Executive Chairman, Interlock Industr

Much of the beef export production now goes to the fast food industry in the USA and our lamb burgers are appearing to be very popular on the World Expo site in Brisbane.

But unfortunately, New Zealand is not adapting to these changing needs. In 1985, nearly 80 percent of our lamb was exported in frozen carcass form. New Zealand is a nation still dominated by a trading mentality which means that insufficient effort is put into marketing and product development. Our industries, especially the meat sector, should spend more time planning and acquiring knowledge of market requirements and these market requirements are predominantly for the processed consumer-ready goods and not the raw commodity.

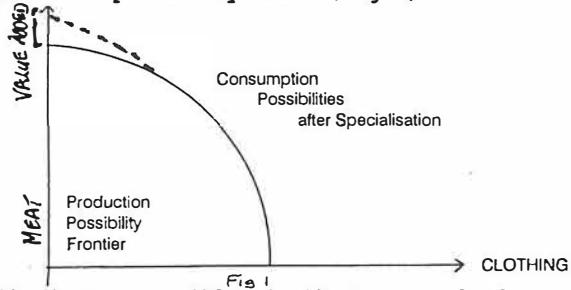

The raw commodity with value added before leaving New Zealand, is one route to more profitable exports. For instance, boned Alison Holst-style oven-ready joints would be more popular and earn more than one carcass; fancy cheeses should be exported rather than the basic 1kg, and carpets instead of wool.

Many economic advantages would be secured by adding value to our exports before shipment to our customers. The most obvious advantage is in the creation of many more jobs in the processing industries as value is added to the goods. Another advantage to New Zealand and our farmers is that the same quantity of product would be exported but at a higher value. This would have a definite effect on the trade balance as long as import prices did not experience an increase in value also. Thus an upward movement in the terms of trade would lend to a more favoured position in the balance of trade.

It would also mean that farmers would regain their confidence and enthusiasm in their industry with the increase in export prices. At the moment, wool and pelt returns are exceeding the carcass value for a lamb. As a consequence, farmers are withholding stock and not maintaining their flocks. The annual sheep kill has dwindled from 39.5 million in 1985 to 26 million this year. Challenge Meat's recent \$31 million loss has partly been attributed to reduced volumes of lamb available for slaughter.

Another advantage stemming from the increased earnings of value added goods would be domestic prosperity. This would lead to an increase in demand within the country for the same type of high quality products. The increased demand here and overseas would ensure that more labour is mobilized into these higher productivity agricultural industries. Foreign earnings would increase and new markets for our exports would be created.

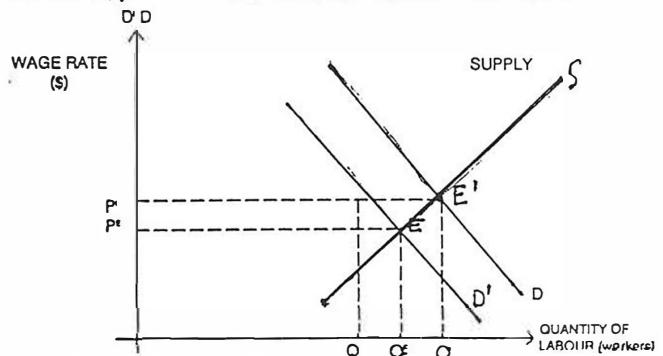

The increased amount of labour specializing in the primary industries would lead to the following production-possibility curve (Fig 1).

This export growth is now possible in the New Zealand economy since many of our industries have now acquired the knowledge and skills to compete on an equal basis internationally through the rationalization of the sheltered sectors of the economy.

Before New Zealand can produce such consumer-ready goods on a large scale, the country will first need to closely examine the forces that influence its labour force. An area that will need to be reorganized is the meat industry, where less sheep are being slaughtered on account of farmers supplying less due to the animal's low price.

So as the price of the product has decreased, the demand for labour in our works and other associated industries has decreased also (assuming product labour remains constant), thus the demand curve for labour shifts to (Fig2).

Even though the demand has decreased in New Zealand, the wage rate still remains at the intersection point of curves S and D. The consequence of supply outstripping demand (overmanning) measured by  $Q'Q$  while the wage rate still remains high has presumably led to the closures of such freezing works as Burnside and Invercargill. Workers are being paid more than the market rate by \$ ( $P' - PE$ ). Employers who maintain the crippling factor cost of labour in relation to the factor input of labour, have no choice but to lay off workers.

Some new industries are endeavouring to expand on their capacity but these are being thwarted by the trade unions. Recently on a TVNZ network news item, small meat works in Canterbury, which had successfully embarked on producing consumer-ready goods from the raw commodity, wished to introduce shiftwork.

This idea, designed to meet an increase in demand by employing more labour, however imprudently stopped by the trade unions. The unions provide many difficulties for those companies who choose to implement new ideas. Due to agreements and awards guaranteeing the employees large redundancy payments, the emergence and expansion of companies is discouraged in case the company should fail in its new venture.

For the majority of New Zealand's freezing works and associated primary products industries to remain open, it will be necessary to clean up this unhealthy environment and allow the wages of employees to be determined by market forces.

The growth of new industries resulting from the demand of new products and the closure of old industries calls for the occupational mobility of labour. It is felt that, at the moment, the trade unions are hampering to an extent both of these trends. The specialization of labour has also grown to idiotic proportions due to the trade union movement.

It has reached a stage where, perhaps, five men need to be called in under regulations to complete a job in two hours when one man could have finished (eg, repairing a generator) in half an hour.

sale, the internal economy. Today is the freezing ivity of the left

Such a high degree of specialization leaves workers without wide industrial training and therefore more susceptible to unemployment, especially in the present economic climate.

Both the trade unions and employers should be co-operating in order to create jobs. Problems of inefficiency need to be tackled before New Zealand can meet the new demands for processed value-needed goods in the future.

With the implementation of changes in the present day industries, New Zealand will increasingly be able to produce more value-added goods cheaply and efficiently.

This is not a definite advantage at the moment since our major trading partners such as Britain and USA still practise the policy of protecting their farmers from more efficient countries such as ourselves through subsidies, tariffs and import quotas; however, with the governments of these protected sectors realizing the huge costs in maintaining this support, new opportunities will arise for New Zealand exporters when these countries also decide to cut tariffs and subsidies.

New Zealand still hasn't adjusted to the changing demands of our overseas markets. Some companies still concentrate on producing a commodity to sell in the highest possible quantities. This isn't what the consumer wants and so the New Zealand export industries must extend their awareness past our shoreline and into the customer's home to be responsive to the needs there.

We need to expand the variety of our products in a wider and more diverse manner.

When or if we adapt to this demand depends on the ability of the export industry to follow market signals and be market-led not only now by the yuppies but in the future as well by the emerging "dinkys" (double income, no kids, yuppies!).

The success of our new forms of produce will depend on efficient transport, processing and marketing to produce a premium priced product. But one important fact still remains - the farming sector will still provide a dominant role in the structure of New Zealand's economy.

# Steel-Capped Boots

- M Harrington

"The country needs to get back on the right track. Too much waste in the place. Many men for too few jobs. Sorry but now we've been made a corporation we'll cut back. You finish on Friday."

"Bert, the news is not all bad," went on Spencer. "The union has struck a redundancy deal for you guys. Two months pay and a trailer of firewood each can keep your chain-saw as a bonus."

Bert shuffled his boots but made no other response.

"Well," said Spencer, rising from his chair. "All the best. Won't be long before something else turns up. Lots of jobs up the Auckland way they tell me."

Bert turned and walked out the door without a word or a backward glance.... on Friday. His steel-capped boots scuffed against the rocks. He looked up long tracks of pinus radiata that stretched up the valley and along the ridge to the foothills. They covered the landscape and reached the clouds rolling over the hills.

"Planted most of these our gang did. Three and a half years of tough slog," muttered as he cupped his hands and lit a smoke. "Reckon we'd move to the block and start all over again there. Bloody government. Sell off the mothers if the price was right."

Anger turned to despair. He wondered how he would provide for Molly and the boys. Have to give up the forestry house and the garden and the line of possessions and the boys will hate leaving their school-mates.... and Molly's aging. Okay for Spencer and his kind to talk of picking up a new job. I'm only trained as a bushman. Can't see much prospect in Auckland for a tree-felling bloke.

Bert stumbled off the gravelled track and moved off among the trees now reaching the sky and dressed for milling. He was unaware of his direction or destination. As the sunlight became more feeble and the forest of trees denser Bert's mind turned to blinding desperation.

"What chance now of a new washing machine for Molly, new valves for the Consett boiler, new boots for the rugby boots I promised Jacob," muttered Bert through tightly-clenched teeth.

The sun was gone when he reached the sky. He looked across the forest he had created through the sweat of his brow. The heavy branches groaned in the gathering breeze. The air was dry and brittle. In that moment a calmness crept over him. He made his decision.

Taking his crumpled Rothman's packet from his parka he placed the remaining cigarette in his mouth. He looked at the tinder-dry bracken that licked around his boots. With deliberate care he flicked his lighter into action. The flame was strong.

The light of the morning told a sorry story of destruction. Life from the ground and ridges had gone. The smell of burnt and smouldering trees lay like a blanket and blackness was everywhere.

It was several days before the searchers came across two steel-capped boots amid charred remains.

# Valedictory Speech

Mr Chairman, Mr Currie, Members of the Staff, Ladies and Gentlemen of the School.

Earlier this year I was waiting at the office to use the phone. Two third formers joined me in my wait. After a while one turned to me and asked me if I'd ever had a detention. I admitted a couple. Encouraged by this he asked me if I'd ever been caned. When I told him I had, he looked at his friend and then turned back to me and said "Oh, so you're NOT perfect then". Looking back on moments like that I realise the impact Southland Boys' High School has had and will always have on my life.

BEVAN ELLIS

It doesn't seem long ago that I was an insignificant third former who thought the Head Prefect was perfect, who dared knock on the Prefects' door only to be chased away by some huge man. Now just five years later the roles are reversed and I've been the role model for the juniors, and of course I've done some chasing.

All boys who spend time at Southland Boys' High School can identify with this change. It's not just the obvious physical changes that have taken place over those years, but the mental ones as well. Never again will there be an environment like this which will have such an influence on us in such a short time. Our knowledge, friends, attitudes and simply the way we think are a direct result of our time within these 107 year old buildings. It's the inheritance of this long tradition that sets us apart from all others.

I have developed an immense pride in our school as have most of us here tonight. We know, whether it be in academic, sporting or cultural circles, Southland Boys' High School will always emerge as one of the best. Often though, it's not really until the 7th Form that we realise how important that pride in the school is and how we are going to miss it, and the prestige that being here often brings.

Tonight of course, we are here to honour those who have gained success in these circles, but we must also publicly acknowledge those students who coached teams, taught the haka and the school song, helped the third formers with reading difficulties and helped with the school dances. Although these people don't have their achievements rewarded in a material way, they too are the people who have helped shape Southland Boys' High School into what it is today.

To me though, Southland Boys' High School isn't only a place where  $y = x$  or  $D = VxT$  but a place where all my friends are, where I've learnt my strengths and weaknesses, but above all where I've grown to know my own potential. Likewise my memories won't be of the sometimes long days in the classroom but of the afternoons at Colins, the aftermath functions, the trouble I should have been in, and the tips for the Melbourne Cup I received from teachers.

As we sit here, some of us for the 5th or even 6th year, together for the last time, it's impossible not to feel some sadness about the friendships that may end here, and just the departing from our school for the last time.

On behalf of all leavers but in particular the 7th Form, I thank Southland Boys' High School for what have been the greatest years of our lives and also thank the Staff for their invaluable guidance, friendship, and for all the time they have given both in and out of the classroom. We feel that we have been well prepared for life and we urge those returning to remember 'Non Scholae Sed Vitae Discimus'.

# Special Prizes - Senior School

SOUTHLAND SECONDARY SCHOOLS' ATHLETIC CHAMPIONSHIPS

Senior Relay (SBHS Baton)

Received by:

- SBHS
- Bevan Brown

# SBHS ROLL 1988

FORM 7BL - FORM TEACHER Miss L Boyd

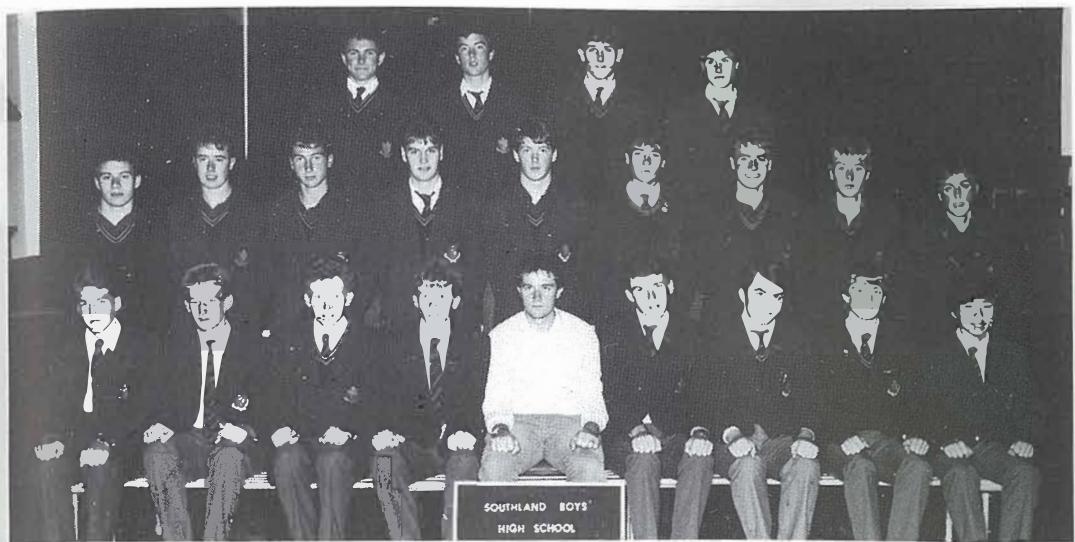

Front Row: Michael Samson, Garry Popham, Ewan Kubrycht, Miss Boyd, Simon Tattersfield

Roger Johnstone, Leslie Pullen

Second Row: Antony Roberts, Paul Fleet, Bevan Brown, Nathan West, Lyndon Stevens,

Matthew Adam, Lindsay Hyde

Third Row: Grant Dermody, Lin McCrea, Bevan Ellis, Jason Munro, Julian McColl

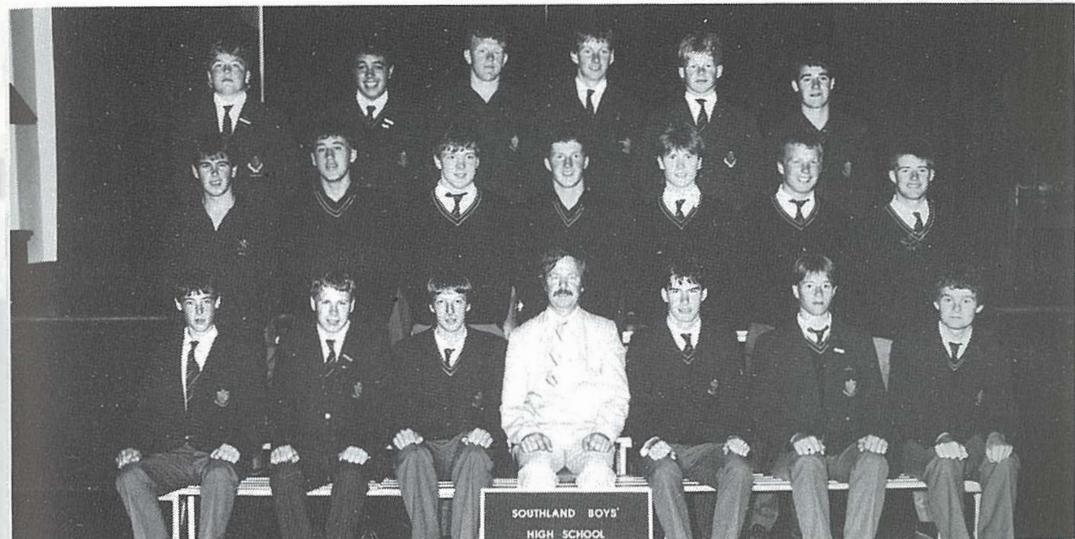

FORM 7HH - FORM TEACHER Mr P G Haworth

Front Row: Ian Smith, Paul Manson, James Donaldson, Craig Donaldson, Nathan McKenzie, Stephen Jenkins, Barry Milne, Loi Tran

Second Row: Donald Frobath, Janan Dunning, Lance King, Aaron Neilson, Thomas Broadhead, Richard Cameron, Murray Harrington, Matthew Edwards, Steven Frost

Third Row: Peter Walkinshaw, David Powley, Simon Raynes, Jason Blair

FORM 7MR - FORM TEACHER Mr K Miller

Front Row: Duane Skeoch, Gordon McMillan, Peter Bathurst, Daryn Dore, Craig Stevens, Brett Conner

Second Row: Grant Maddison, Chris Ramsay, Sam Hazlett, Chris Gallagher, Scott Fairweather, Robert Mitchell, Glen Roff

Third Row: Craig Hall, Gary Dalhousie, Jamie Findlay, Blair MacDonald, Glen Wilcox, Kyle Learmonth

FORM 7WR - FORM TEACHER Mr R Ward

Front Row: Andrew Barker, Vaughan Gander, Richmond Turner, Troy Marshall, Paul Lindsay, Mitchell Wilson

Second Row: Blair McKinnon, Jason Dickson, Vance Pritchard, James Turner, Nathan Chilton, Kylie Mills, Robert Swale

Third Row: Craig Smith, Bradley Wilson, Hamish Blick, Gray Sycamore, Warren Amos, Shane Gough

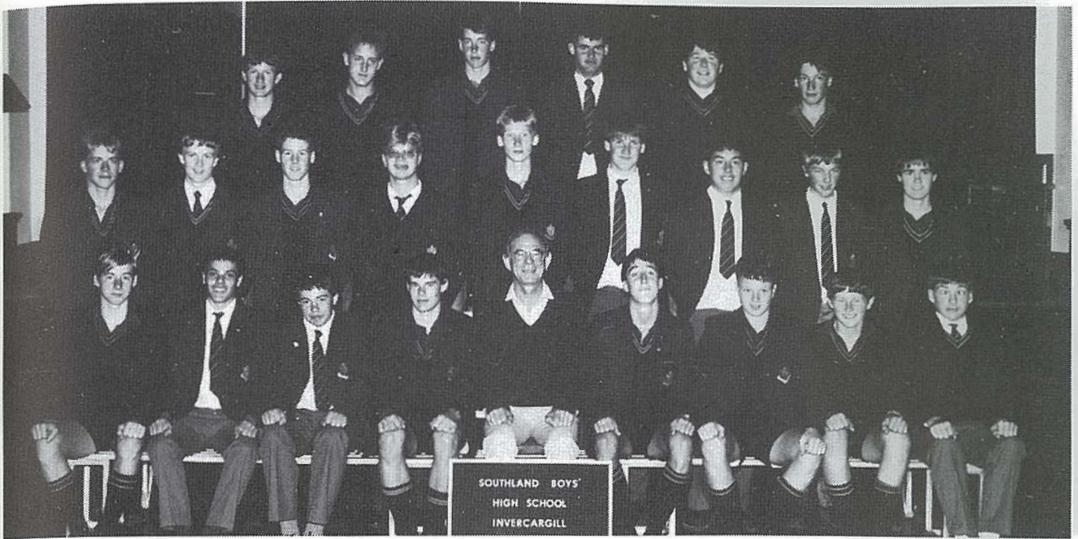

FORM 6DG - FORM TEACHER Mr G Drayton

Front Row: Aaron Rayner, Ryan Miller, Philip Diack, Wayne Sangster, Geoffrey Allan, Derek Eyles, Wayne Smith, Craig Sands

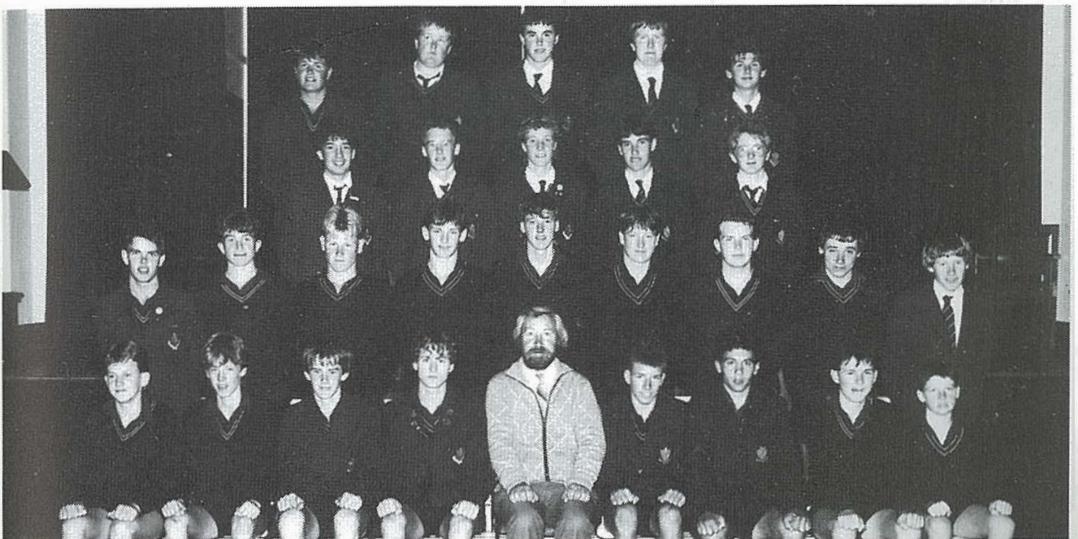

Second Row: Craig Smith, Lauchlin McNeill, Troy McGregor, Jason Weber, Simon Galt, Craig Sutherland, Jason Hall, Samuel Minchin, Tyler Dore

Third Row: Darren Lowe, Aaron Campbell, Glen Johnson, Andrew Boyes, Chris Lucy, Geoffrey Snoep, Bruce McCrone, Cameron Bain

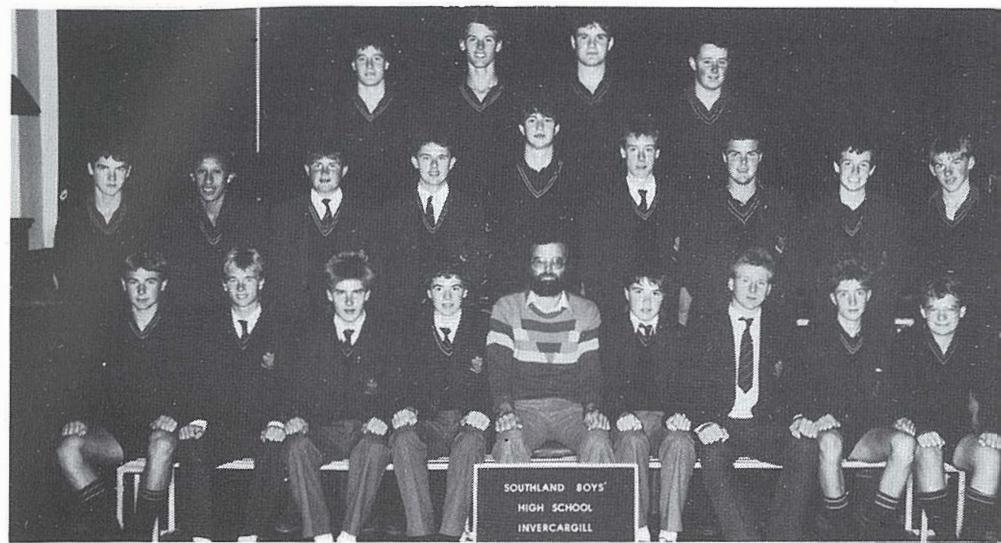

FORM 6LE - FORM TEACHER Mr N Lawrence

First Row: Neil Lawrence, Joseph Ruston, Dean Johnston, Nigel Batchem,  
Jonathon Baird, Keith Brown, Chris Atkinson, Corey Ladbrook  
Second Row: Peter Milne, Grant Howden, Nigel Hulls, Ricardo Uber, Tony Joyce,  
Michael Lindsay, Chris Taipari, David Cassidy, Andrew Smith  
Third Row: Crispin Henstock, Andrew McCulloch, Robert Nichol, Ian Forrester,  
Aaron Watson, Richard Welsh  
Absent: David Barson

FORM 6LN - FORM TEACHER Mr M Lauren

Front Row: Brendon Hawke, David Laing, Michael Eade, Robert McDougall, Stephen Oliver  
Patrick Kapo, Brendan Boyle, Hayden Anderson  
Second Row: David Rooney, Peter King, Corey Rawlings, Dion Forrest, Jeremy Burgess,  
Terry Bone, Mark Stevens, Stuart Escott, Aaron Harvey  
Third Row: Daniel Martin, Allan Willoughby, Ross Fallow, Vincent Yeo, Terry Best  
Fourth Row: Craig McKinnon, Scott Aronsen, Todd Giles, Phillip Pasco, Gareth Hamilton

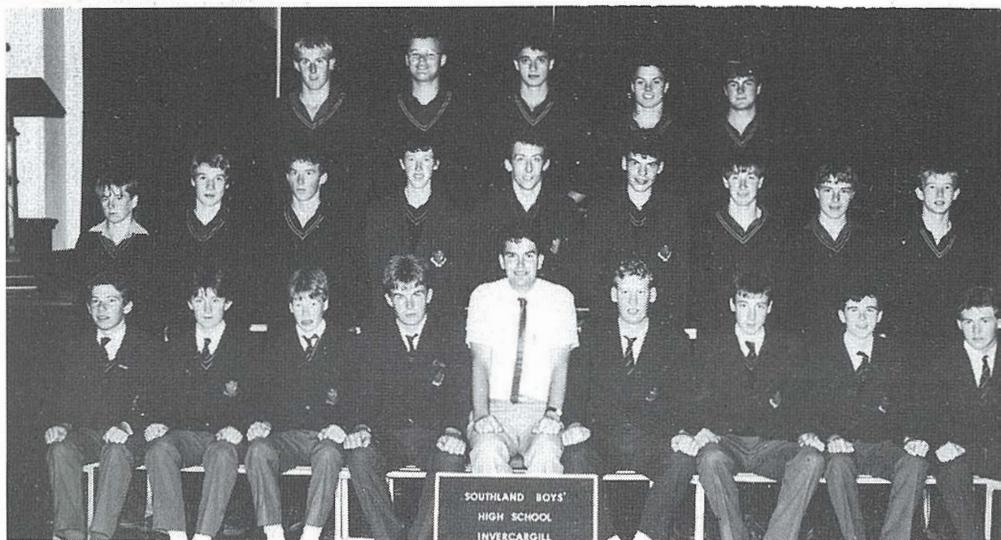

FORM 6MG - FORM TEACHER Mr C McGillivray

Front Row: Michael Hood, Tristan Dawson, Malcolm Price, Cyril Swale,  
Michael Baxter, Raymond Oosterbroek, Alan Griffiths,  
Grant Harrison

Second Row: Hamish Learmonth, Landon Reiri, Daryl Gimblett, Kane Hurley,  
Reuben Herrick, Paul Robinson, Mark Duncan, Mark Hope,  
Guy Murrell

Third Row: David Cowie, Brent Kingsland, Craig McColl, Martin Patterson

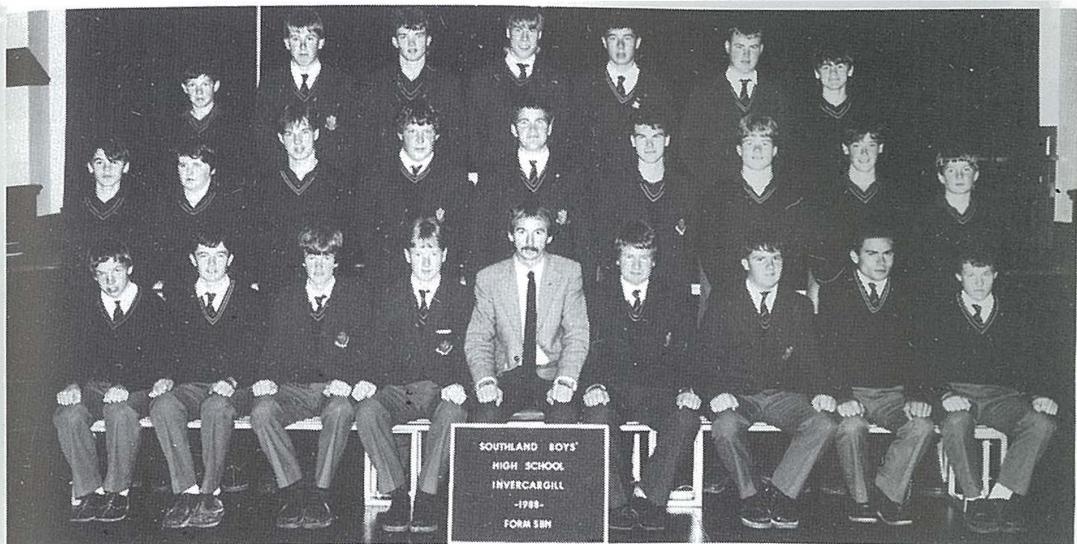

FORM 6PS - FORM TEACHER Mr N Paris

Front Row: Kyle Nelson, Kelly Chapman, Chris Lawrence, Jason Evans, Mr N Paris,  
Russel Jennings, Matthew Burke, Simon Paterson, David Bartley

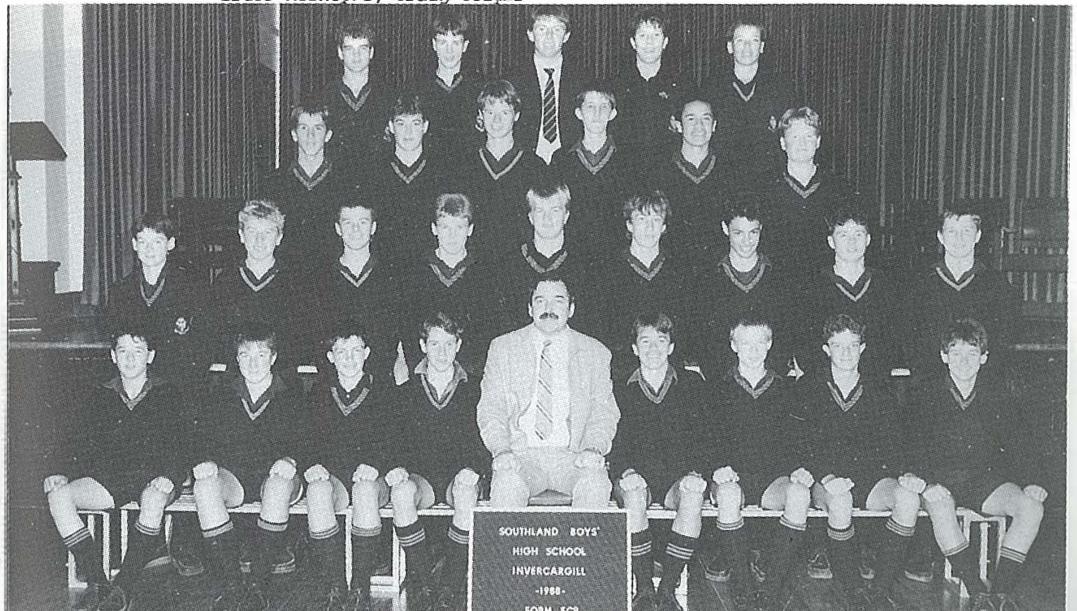

Second Row: Deon Hourston, Paul Lawrie, Glenn Hamilton, John Forsyth, Jason Tinnock  
Shane McStay, Andrew Whyte, Watson Mortimer, Warren Saunders

Back Row: Craig Boylan, Nathan White, Justin Young, Jack Goodman, Simon Jamieson

FORM 5BN - FORM TEACHER Mr I Baldwin

Front Row: Gregory Coffey, John Laverty, Nigel King, Adrian McAllister, Tane Braithwaite, Paul Peek, Clive Wilkes, Phillip Webb  
 Second Row: Brent Colyer, Brett Imlach, John MacDonald, Jason Gray, Rodger McCracken, Rodney White, Callum Russell, Justin Henderson, Jason Keen  
 Third Row: Alastair Everett, Mark Ellenden, Jason Shaw, Bruce Gawn, Karl Kupe, Bruce McIntyre, Craig Colyer

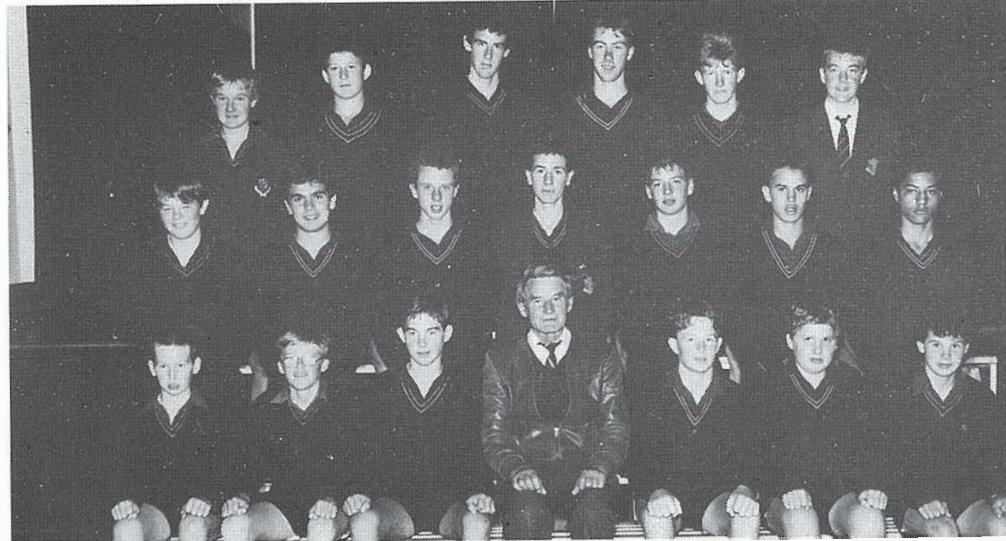

FORM 5CP - FORM TEACHER Mr D G Cooper

Front Row: Nathan Robinson, Mark Pudde, Gavin Wheeler, Dwayne Watkinson, Martin Duston, Wayne Muir, Alan Brinsdon, Brent Sutton  
 Second Row: Paul McDonald, David Rutherford, Brendan Tutty, Paul Hayes, Blair Evans, Ian Lawrence, Phillip Taare, Scott Blanch, Richard Molloy  
 Third Row: Owen Collinson, Daryl Marshall, John Hanlen, Steven Thompson, Stanley Reiri, David Walkinshaw  
 Fourth Row: Brendon Corbett, Gordon Lamont, Nicholas Stratford, Stuart Harrington, Matthew Butson

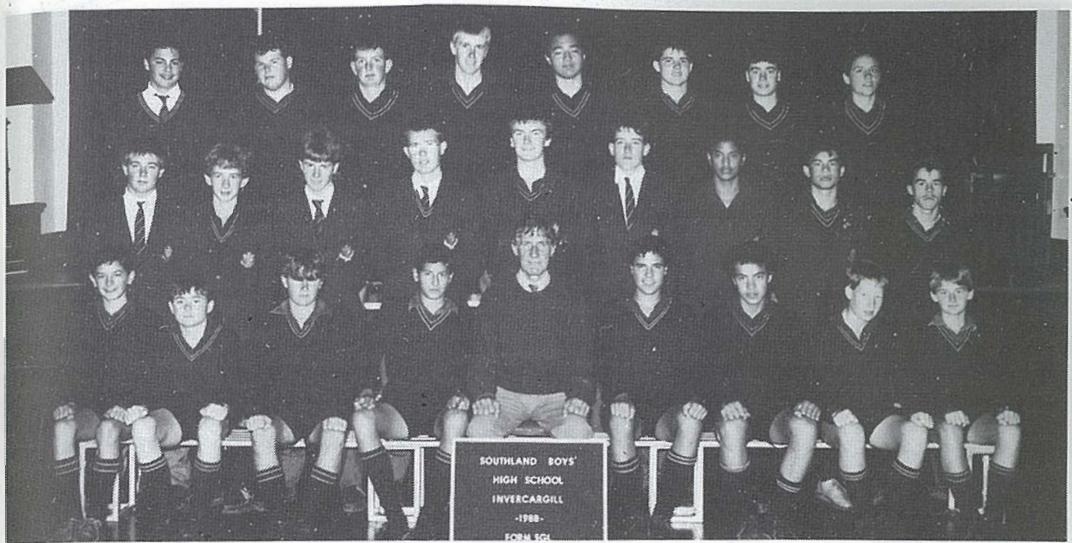

FORM 5CR - FORM TEACHER Mr R M Carr

Front Row: Terry Frisby, David McCarthy, Lyndon Burgess, Andrew Ronald, Damon Elder, Glenn Anderson, Darren Fleet, Nathan Smith  
Second Row: Kirk Milligan, Duncan Simpson, Clark Sim, Julian Kersey, Hamish McNaughton, Aaron Shirley, Simon Mutch, Craig Casey, Richard Peterson  
Third Row: Andrew Syme, Wayne Jones, Craig Wright, Peter Blair, Robert Oregan, Barry Folsom, Jonathan Smith, Logan Cahill

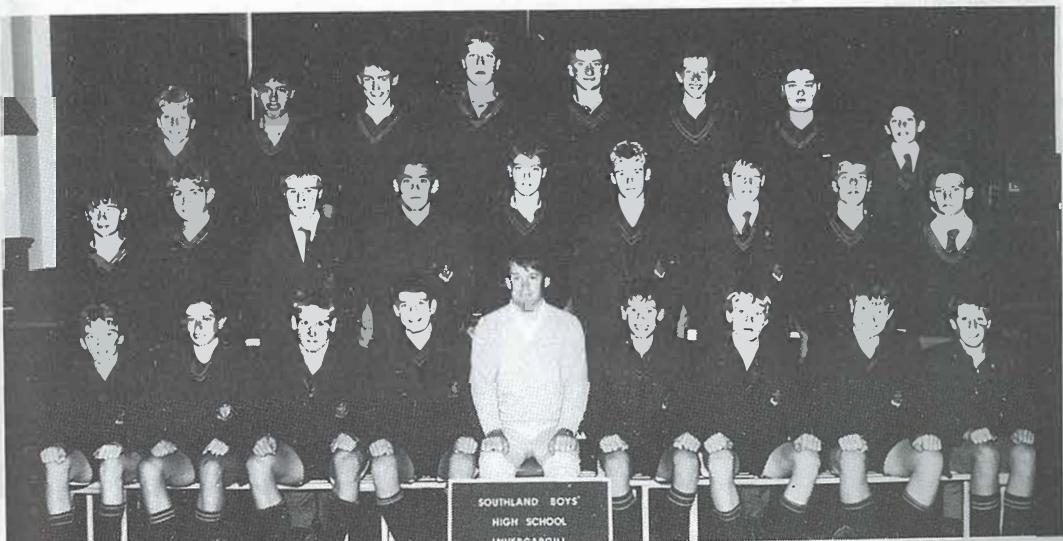

FORM 5DC - FORM TEACHER Mr A Deacon

Front Row: Dean Curry, Scott Smith, Barry Kells, Mr A Deacon, John Yates, Lyndon Carran, Jay Beckley  
Second Row: Michael Harvey, William Wilkes, Blair Miller, Robert Watson, Jason Jenner, Paul Spain, Thomas Kirk  
Third Row: Dwayne Chisholm, Karl Bretherton, Wilson Greig, John McMurdo, Michael Bevin, Richard Hall

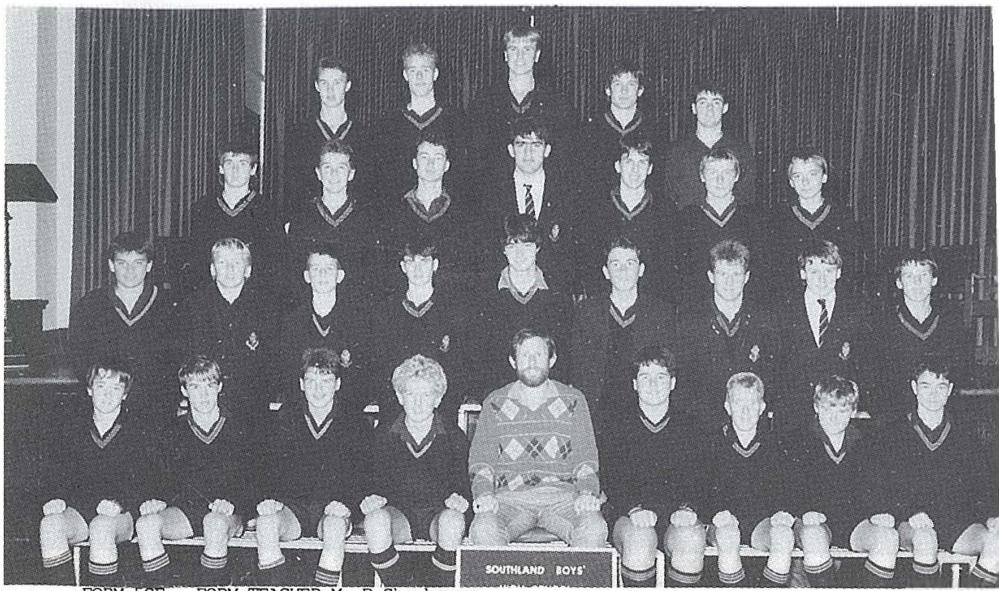

FORM 5GL - FORM TEACHER Mr J P R Goodwill

Front Row: Travis Pukehika, Shaun Cosgrove, Stanley McKay, Rene Biddle, Mr Goodwill, Craig Chalmers, Ned Ripley, Craig Thomson, Brad Gillan  
 Second Row: Roger Kempton, Hamish Murie, Philip Honeywill, Craig Erdman, Anthony Hunt, Brett Adamson, Elton Hakopa, Reon Faiva, Nathan Cross  
 Third Row: Peta Mareangareu, Kelvin Michel, Corey Young, Neil Gibson, Charles Paaka, Matthew Hazlett, Quin Walkington, Jayson Holz  
 Absent: Shane Black, Darrell Lawrie

FORM 5MO - FORM TEACHER Mr A Munro

Front Row: Paul Kitto, Todd Grave, Stefan Dunlop, Matthew Harrington, Richard King, Calvin Stevens, Justin Burgess, Darryl Sycamore  
 Second Row: Jeremy Smith, Timothy Johnson, Jonathon Tressler, Quinton Taipari, Kelvin Mason, Jeffrey Bushbridge, Robert McNeill, Simon Beck, Dion Williams  
 Third Row: Brent Hamilton, Te Iwiroa Smith, Derek Rive, Nicholas Broughton, David Tapp, Grant Baker, Chris Lineberry, Graham Cummings

FORM 5SE FORM TEACHER Mr B Sherborne

Front Row: Paul Cade, Wayne Ramsay, Jonathan Lock, Craig Hawkes, Mr Sherborne, Julian Topi, Brent McKenzie, Timothy McGimpsey, Nigel Brown

Second Row: Kelton Taane, Gordon Watson, Logan Anderson, Daryl White, Shane Ayto, Blair Maddison, Campbell Froude, Craig Taylor, Neil McAra

Third Row: Dean Steele, Jonathan Keast, Jason Skeoch, Sean Dermody, Kevin Lang, Matthew Richardson, Mark Lee

Fourth Row: Matthew Bowes, Shane Robertson, Andrew Campbell, Justin Sheddan, Brad Pankhurst

SOUTHLAND BOYS'

FORM 5TN FORM TEACHER Mr A M Thompson

Front Row: Zane McCrostie, Anton McStay, Douglas Andrews, Boyd Roff, Campbell Hay, Terry MacIntosh, Sean Colyer, Gareth Mitchell

Second Row: Rhys Williamson, Philip Partridge, Jason Soanes, Nigel Fowle, Travis Lamb, Aaron Wilson, Brian Kane, Brayden Cooper, David Nichol

Third Row: Morgan Buchanan, Murray Brice, Nathan Thompson, Jason Moreton, Quin Hicks, Martin Kemp

Fourth Row: Robert Dickson, Grant Eade, Anthony Cundall, Michael White, Chris Dalglisch

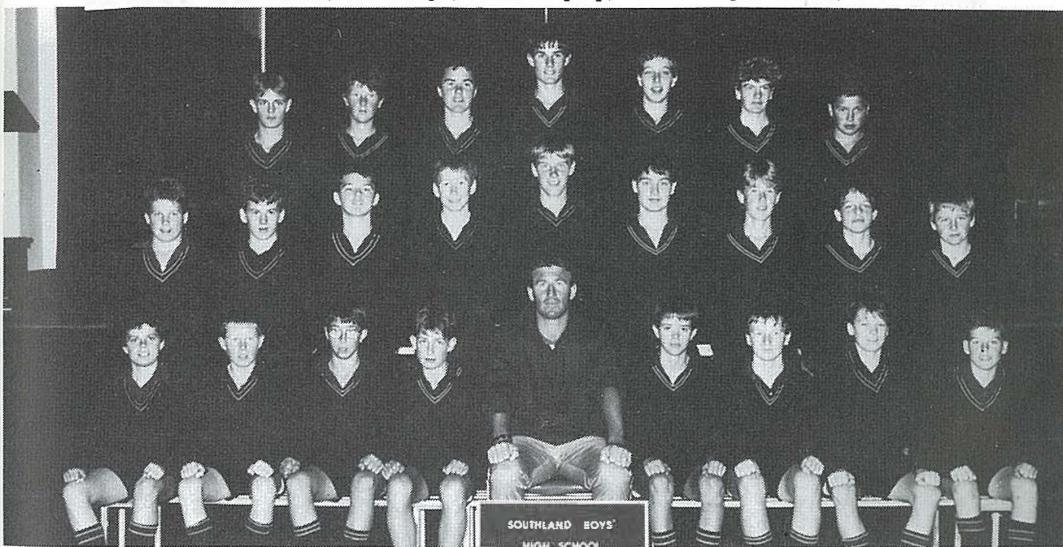

FORM 4BS - FORM TEACHER Mr S A Bisschops

Front Row: Dameon Hubbard, Marc Treymane, Bevan Cranstoun, Dean McStay, Mr Bisschops, Garth McLauchlan, Philip Lucy, Aaron Watkins, Tony Rayner

Second Row: Dywaine Hobbs, Paul Robertson, Samuel Mitchell, Joseph Goffe, Christopher Edwards, Daniel Oosterbroek, Shaun Yeo, Grant Perriam, Paul Sangster

Third Row: Brendon Brice, Daniel Wilson, Andrew McDowell, Brett Munyard, Warren Hunter, John Giesege

Fourth Row: Heath Brown, Mason Kapo, Aaron Dempsey, Daniel Cooper-McCann, Carl Taleni

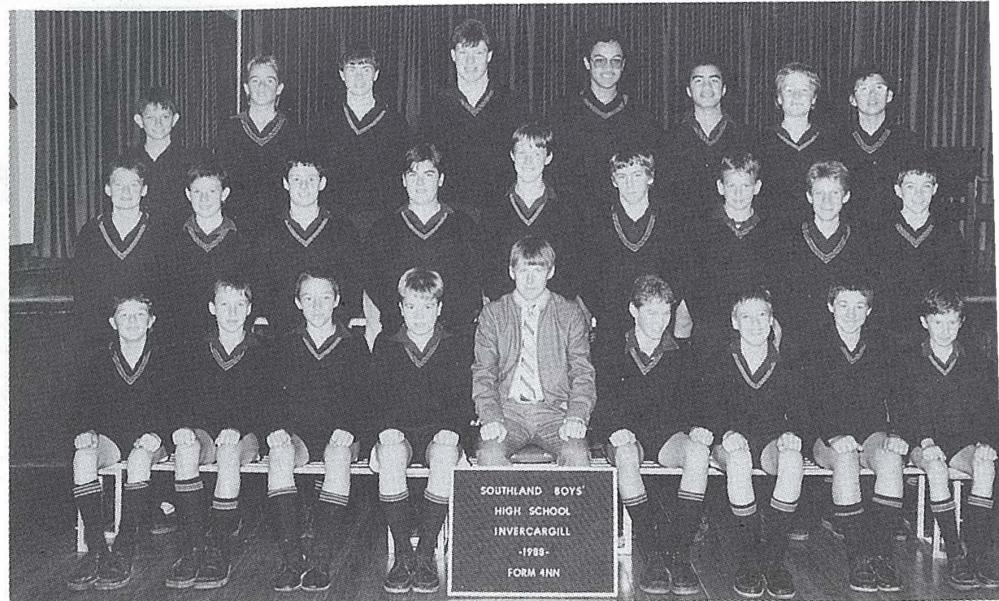

FORM 4BY - FORM TEACHER Mr A D Bailey

Front Row: Aaron McConville, Jon McLean, Robert Cook, Michael Griffiths, Mr A Bailey, Craig Ryan, Scott Miller, Mark Fairweather, Steven Ramsay

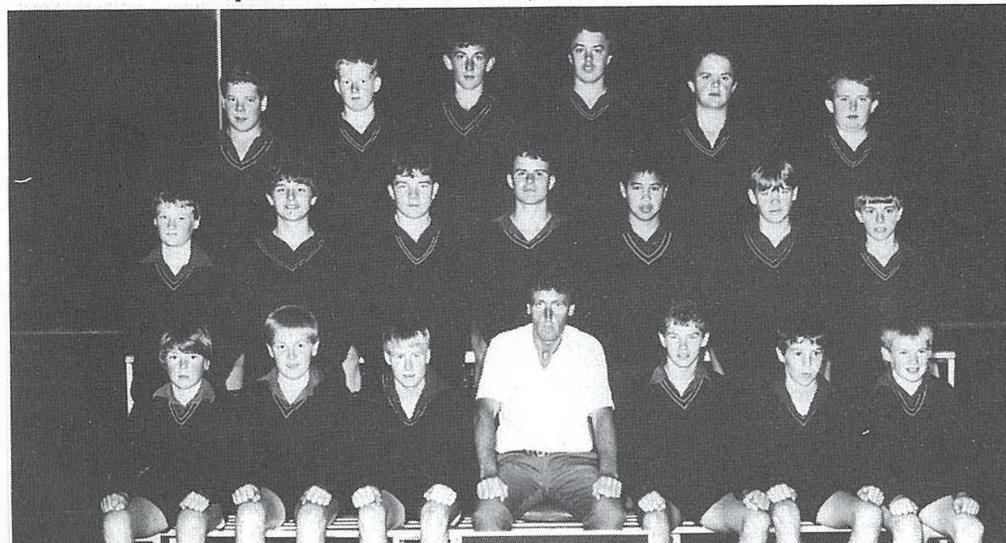

Second Row: Hamish McPherson, Angus Low, Kenneth Millwood, John Biggar, Philip Cass, Jonathan Cowie, Chris Cormack, Callum Turnbull, Tim Tayler

Third Row: Shaun Dawson, Leon Skeggs, Shane Turner, Matthew Heaton, Andrew Henderson, Jason Jones, Jody Young

FORM 4NN - FORM TEACHER Mr T Neilson

Front Row: Philip Rae, Shannon Hunter, Tony Jones, Christian McDougall, Mr Neilson, Aaron Smith, Murray Miller, Alan Mortimore, Nigel Bayne  
 Second Row: Edward Campbell, Brett Gray, Jason Hope, Kurt Black, Stephen Monaghan, Darren Wilson, Jason Marrable, Andrew Hedges, William Grey  
 Third Row: Murray Hunter, Simon Maddison, Aaran Leask, Roy Conner, Sam Paaka, Rylan Chambers, Robert Wilson, Kim Diack

FORM 4RN - FORM TEACHER Mr W G Richardson

Front Row: Troy Brown, Stewart Whyte, Scott Imlach, Mr Richardson, Brent Smith, Alistair Spain, Derrick Goodall  
 Second Row: Ritchie Dodd, Shaun Anderson, Michael Laverty, Matthew McNeilly, Travis Ropata, Christopher Bullied, Jamie Risk  
 Third Row: Jonathan MacAskill, Warren McNamara, Dale Booth, Andrew Stewart, Simon McColl, Shayne Wilson

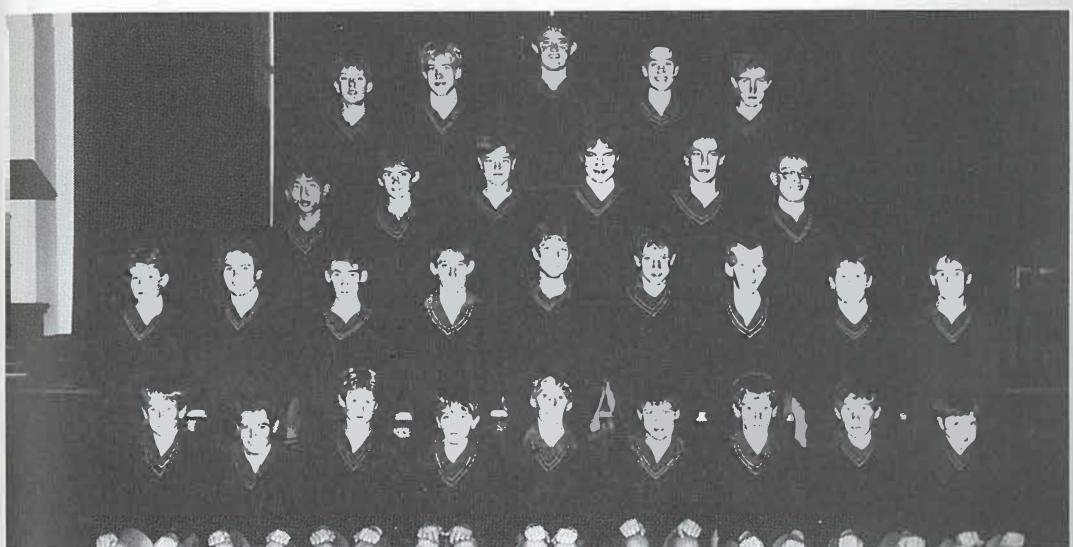

FORM 4TR - FORM TEACHER Mr N F Troon

Front Row: Neil Dowling, Shane Botting, Cameron Telfer, Sean Kent, Geoffrey Durry, Nigel Anderson

Second Row: Lincoln Booth, Aaron Conner, Peter Reid, Michael Winiata, Adrian Moore, Glen Wallace, Jason Ward

Third Row: Mason Middlemass, Corey Macaskill, Bradley Forbes, Andrew Wilson, Jason Henderson, Justin Brown

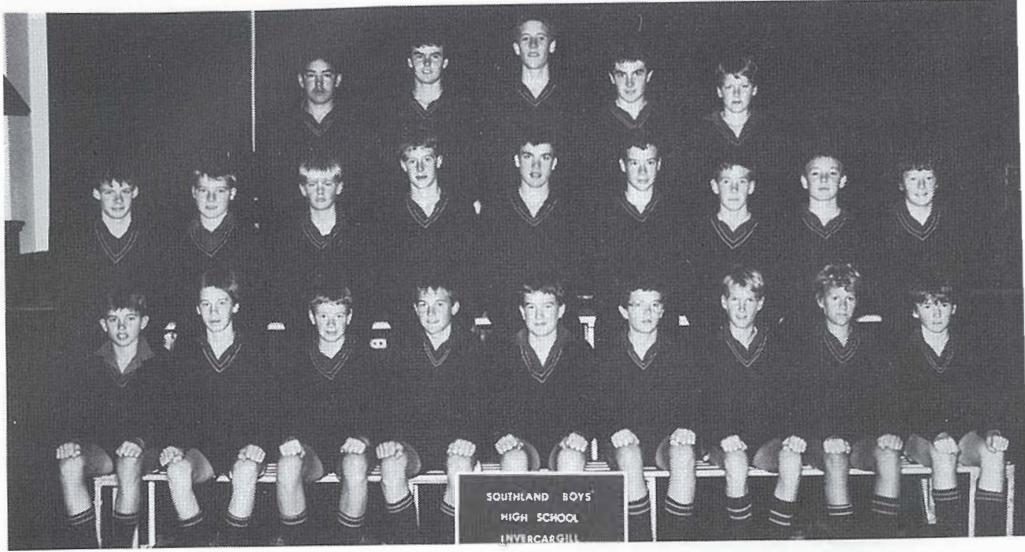

FORM 4WH - FORM TEACHER Mr I K Welsh

Front Row: Simon Forgie, Oliver Murdoch, Craig Best, Hamish Murray, Graeme Bathurst, Matthew Anderson, Wayne Roberts, Grant McEwan, Gregory Crisp

Second Row: Donald Ferns, Matthew Rutherford, Bevan Nicol, Michael Fairbairn, Paul Lelievre, Hamish McKenzie, Rhys Saunders, Sean Heywood, Gregory Diamond

Third Row: Tai Tran, Adam Erskine, John Powley, Fraser Kennedy, Gary Blick, Christopher Johnstone

Fourth Row: Richard Wallace, Andrew Harvey, Korey Wright, Gabe McGregor, Hamish George

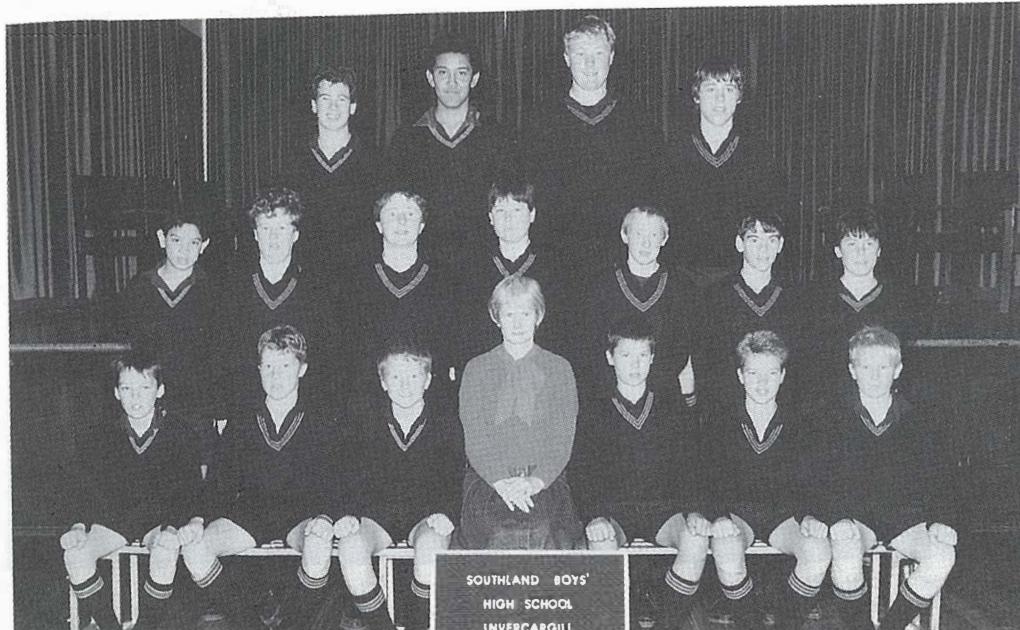

FORM 4WS - FORM TEACHER Mr C R Williams

Front Row: Lee Wilson, Reuben Boniface, Steven McCrone, Fraser Hampton, Richard Sutherland, Brandon Gold, Hamish Jackson, Marc Williamson, Stuart Newton

Second Row: Nathan Haywood, Paul Fleck, Jason Harper, Philip Harvey, Brendon Petre, Grant Marshall, Grant McCulloch, Gareth Jennings, Craig Williams

Third Row: Damon Thompson, Darren Fleck, Aaran Jameson, Ryan Marshall, Karl Buchanan

FORM 3CE - FORM TEACHER Mrs P Cave

Front Row: Delwyn Fisher, Stephen Dow, Chris Henderson, Aaron West, Brent McCallum, Grant Jones

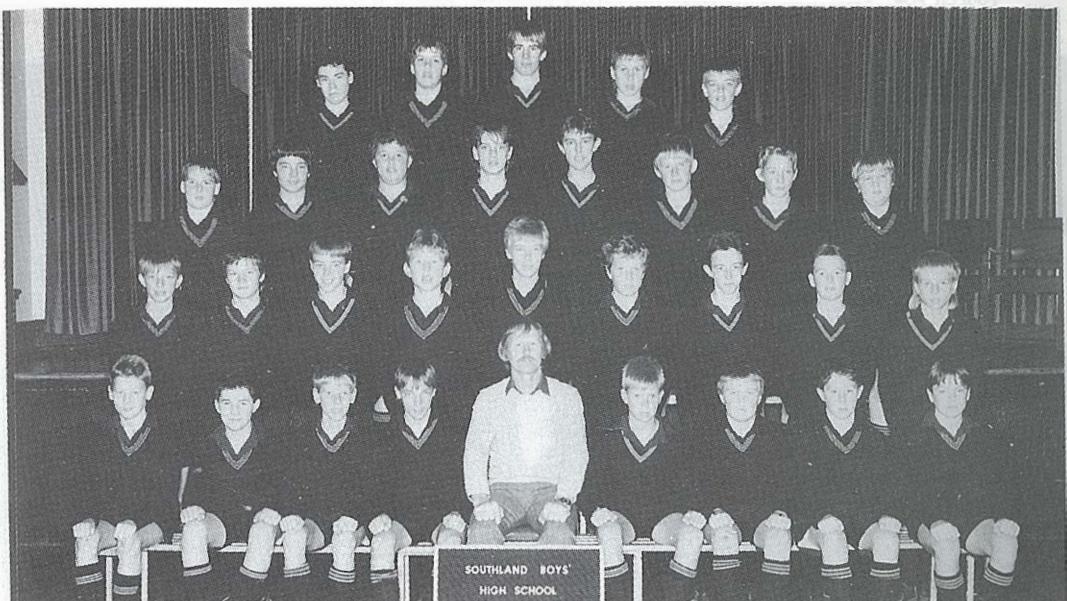

Second Row: Jody Gleeson, Bernard Chapman, Eugene Stephens, Chris Jenkins, Craig Lake, Allan Kells, Stewart Randell

Third Row: Gavin Amos, Richard Eden, Rodney Hogg, Nathan Phillips

FORM 3ES - FORM TEACHER Mrs M K Edwards

Front Row: Robert Stewart, Clive Swale, Kayne Osborne, Mark Wilson, Craig Howie, Anthony Macdonald, Ross Smith, Dwayne McLellan
