Front Row: Mrs D. Randall, Mrs D. Fletcher, Mrs J. France, Miss M. Black, Messrs B. Boyd, J. Alabaster, Mrs B. Anderton, Miss J. McCarthy, Mrs G. Hughes, Mrs L. Miller.

Staff Notes

The 1983 school year began with only one vacancy in the Technical Department. Mr Storey had resigned late in the previous year to take up employment with NZAS at Tiwai and until the arrival of Mr Gillam in Term 2 Mr Lea filled the vacancy. We thank him for so willingly coming out of retirement to help us. The same could be said of Mr Bemrose who has helped us all with an additional Woodwork class in the 5th form. The other resignation at the end of 1982 was Miss Boyd who left for some "OE". We have all missed her bright appearance, and ready conversation but wish her well in her travels.

Mr Hamill sailed in from his year around the Pacific Islands to drift back to school life. The tropical tan soon disappeared under the frequent grey skies. Mr Adams had decided to have a year's study leave but helped out on a part-time basis. His replacement was Mr Haworth from Teachers' College. He has impressed us with his enthusiasm and capacity for work both inside and outside the staffroom. We will be sorry to lose him at the end of the year.

At the end of Term 2 Mr Ryken left us for northern parts. He had not found teaching particularly easy but he had a fund of new ideas and resources which gave a new dimension to language teaching. His insatiable capacity for debate will be long remembered by the staff who frequented the staffroom at lunch time. We wish him well in whatever sphere he eventually finds himself. His classes were absorbed in the main by Mrs Miller, herself an experienced teacher. We are indebted to her for fitting us in around her family and other commitments.

A rather longer serving staff member left us at the end of September. Mr Gordon decided to leave teaching and let his wife take up full employment as a teacher in Picton. Naturally he followed her there and hopes to do some horticulture in the hydroponic field. We wish him good luck in his new venture and thank him not only for his contribution to the school in the classroom but also in the textbook room and on the soccer field. Miss McLean stepped into the vacancy and continuity with senior classes in particular was maintained.

One should thank all staff for their work over the year in all aspects of the curriculum. Thanks to our other part-timers as well - Mrs Fletcher, Mrs Boivin, Mrs Ward and Mrs Alabaster.

Another departure during the year was Mr Baker. He has been in the P.E. department for some years and for family reasons has now settled in Nelson. We wish him well and thank him for his contribution to the school, particularly in the field of Outdoor Education. Mr Tiplady, a former staff member, has replaced Mr Baker.

5

6

7

Here's what some of our company men have been up to for the past few years.

TRANSPORT MANAGER

Since his initial training at Portsea, Australia he has been around a lot over the past few years. In his first job he was responsible for a fleet of 23 trucks, their drivers and mechanics; he was then only 22! Next he had a stint as an Army pilot. After that he was involved in Operation Deep Freeze making sure the people down there got their supplies and mail. As a change of pace he next found himself in high places, ADC to the Governor General no less! He is now in charge of transport operations in Singapore and will be there for a couple of years. As he says he's had a full life so far and he's still only 35!

CONSTRUCTION ENGINEER

He was away to a flying start, obtaining his BE (Hons), Sydney through his Duntroon training. Australia has seen quite a bit of him one way and another, but his projects have also taken him to Scott Base, the Chathams, Germany, USA and right now, Fiji — his posting is for 2 years directing the Engineers of the Royal Fiji Military Forces. With his qualifications he is obviously going to the top, among other places! Building a career, building things, obviously suits him!

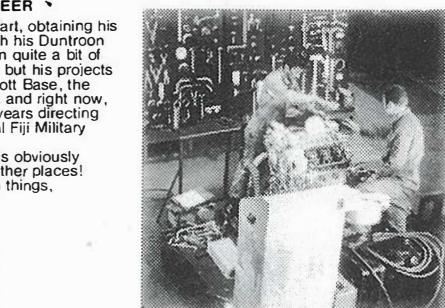

ENGINEERING WORKSHOP MANAGER

One of the people that keep the wheels turning. We sent him to CIT to complete his NZCE (Mech) after he was commissioned from our Officer Cadet Training Company in Waiouru. His natural ability soon showed him to be an ideal person to instruct others in the methods of mechanics, plus being an expert in the practicalities. He's no stick in the mud either as his selection for service with the NZ Special Air Service shows.

OPERATIONS AND TRAINING OFFICER

Ever since he completed training at Portsea he seemed destined to be one of the men you would most like to have on

your side! His knowledge of gunnery and his expertise in training has been appreciated both in South Vietnam and by our own Territorials at different times. After 15 months advanced gunnery training in the United Kingdom he directed the School of Artillery at Waiouru for two

years. He is now back on another course, this time 12 months advanced staff training at Queenscliff, Australia learning about the wider ramifications of national defence planning and operations. We will be relying on people like him for a long time yet.

If you are aged 17-24 and are qualified for entry to university you are eligible for officer selection. Preference will be accorded to tertiary trained applicants.

1983 School Diary

TERM I: Tuesday 1 February - Friday 6 May

FEBRUARY

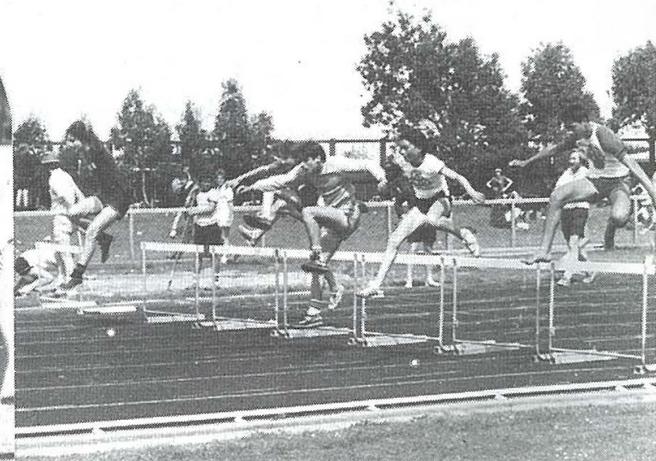

- Tue 1 3rd, 4th, 7th formers start off year
Wed 2 5th, 6th return with high hopes and aspirations
Mon 7 Noticeable grovelling and greasing as Old Prefects have to make nominations for new appointments.
Tue 8 Mr McIntosh narrowly missed by a tennis ball in the Quad- "Gee you're lucky...you nearly hit the headmaster" - anon 3rd former
Wed 9 Mr Alabaster attempts to put two 3rd form hooligans into place.
Mr Alabaster - "Do you know who I am?" 3rd formers - "No"
Mon 14 Standard Athletic Sports Meeting
Tue 15 Class and individual photos taken amidst cries of "DB" "SEX" "WHISKEY" - the bigger block was no-where to be seen.
Wed 16 Hogue made Head prefect "does this mean I have to go to the formal?" Culling Deputy head.
Mon 21 Interschool fixtures with Shirley High in Invercargill. School victorious
-22 in tennis and golf, and morally in 1st XI, but junior cricket lost by 1 run.
Tue 22 New prefects appointed- "Hoguey's Heroes"
Wed 23 Championship Athletic Sports meeting at Surrey Park
-Grant House begins winning streak
Girls' High Prefects visit sports - "Not a bad bunch I s'pose" - Hogue
Mon 28 A Fox enters prefects room for 1st time - several prefects pass out.
Fri 25 Form 6 Biology field trips to Deep Cove.
- 3

MARCH

- Thur 5 Duke of Edinburgh award camps.
- 6
Tue 8 Prefects take afternoon off to watch sports and have afternoon tea with female counterparts.
Mon 7 5th form Geography field trips at Kinloch.
-18
Mon 14 Summer sport fixtures with OBHS in Dunedin. Tennis lost 14-7; junior
-15 cricket won and 1st XI thrashed OBHS in 50 over match.
Mon 21 King's High visits Invercargill. - Junior cricket/tennis/softball all had
-22 comfortable wins. 1st XI draw - both captains - S Jackson and King's
counterpart score centuries 121 and 107 respectively.
Sun 27 7 Geography and Biology descend on Borland Lodge - rain - hail - snow -
-30 (fights)
Mon 28 Work day - "1st hard day's work all year"
Tue 29 House captains appointed

APRIL

- Fri 1 Easter Holidays
-5
Wed 6 Mr Williams "sorts out whitebait from the sharks"; and then sends 1st XV on a "fast camel to No 1 ground"
Fri 8 NZ agriculture suffers dramatic destruction as Hall lets swarms of locusts out of Physics lab.

Seventh Form Field Camp — 1983

The seventh form Geography and Biology students departed from Southland Boys' High School on Monday morning, and arrived at Borland Lodge just in time for lunch. Everyone settled down for a nice relaxing few days break from the rigours of the Bursary syllabus. John Baillie managed to break his watch within one hour, and Graham Thompson began the camp well by performing the admirable feat of combining the operations of toileting and showering into one. Larkin protested innocence.

Our visions of rest were rudely disrupted by the announcement that we would be undertaking a hydrology exercise, that very afternoon. Some of the chaps were a bit put out by this apparent lack of consideration on the part of the staff but we ambled off at about two o'clock anyway, to have a look at Pig Creek. A surprisingly enjoyable couple of hours was had by all, as we calculated the velocity and area of the creek, and we retired to Borland Lodge, thankful that the weeks work was over. An unexpected treat was had that night when Trendy Prendy-gast unveiled his Playboy nightshirt. We retired early and awoke refreshed and ready for a days sunbathing.

Surprised expressions, and disgusted mutterings were seen and heard when Messrs Baldwin, Hamill and Huntley sadistically announced that we would be going for a small walk instead. Twenty miles, and eight hours later we arrived back at camp, our heads reeling with stories of turbidity currents, recumbent folds and Ligat Breccias. Joe Culling was still not speaking to Brent Haywood, following Haywood's dropping of Joe's socks into the Waiau River. Injury had been added to the insult when Culling, not realizing that the socks were his, relieved himself on them. Fortunately they were irretrievable.

Shock really set in that night, when Mr Hamill delivered a baffling talk on the structure of the area, in a way that was distressingly reminiscent of a classroom period. Rance reached the academic highpoint of his career when he presented his Eucedian Mathematical theory of tectonic development, sadly his findings were deemed incorrect and he retired to plan his next thoughts - intended for revelation in mid 1987.

Day three was the most enjoyable of the camp, with a walk up the Borland Valley, to study rock types and sedimentation patterns. Alistair Rance was nursing a twisted ankle, so when we descended to the limestone caves he decided to hop down on his good leg, successfully twisting that ankle as well. He and Douglas Miller were allowed to return to camp, on the condition that they would make tea.

The rest of us continued up, past the snowline, studying rock outcrops on the way. Light entertainment was provided by Michael McKenzie's prophetic writings, and Culling's sculpture, in the snow. Mr Baldwin was not as impressed as most.

A snow-fight was staged on the way up, with the prefects defecting to the teacher's side. The rest of us had the uphill platform, and easily repulsed the feeble onslaughts of the much weaker side. Little upward progress was being made, and we decided to cease fire until out destination was reached. This was a snow covered plateau, and here we staged an all-out battle. Those on the side of the staff steadily diminished, in numbers and strength, until it was us against them. Mr Baldwin threatened death to anyone who hit his camera. However, a well directed snowball from Prendergast struck the precious equipment, and the air turned blue for several minutes. We arrived back at the Lodge in the late afternoon, exhausted, but satisfied that the staff had been taught their proper place at last.

Rance and Miller had not been inactive during our absence, and many a salt filled sleeping bag was discovered. Michael Johnston did not bother to check his, and was distressed to find the next morning that he had spent the night with a lump of lamb.

Despite everyone's tiredness, it was a late night for all, with several muggings taking place. Chris Hall spent half an hour hiding from the mob, behind his cabin. Finally he plucked up courage, kicked open the door, and shouted, "Come out then

you!!!, come and get me!" Roars of laughter from Larkin and Jackson, who were the only ones there and had staged the entire performance.

Our fourth, and last full day was spent reasonably leisurely, doing Manuka studies, and writing up our other work. Douglas Miller went around with a worried expression, having been told about "Spontaneous human combustion", by Larkin. A good laugh was had by all at Ugs expense. Revelation of the truth resulted in an embarrassed smile and a determination for revenge.

The next morning we cleaned up, and then the prefects were ceremoniously and conclusively defeated at cricket. We left Borland Lodge before lunch, having had an educational and (mostly) enjoyable few days away. Our thanks to Mr Baldwin, Mr Huntley and Mr Hamill for the sharing of their time and expertise.

Chris Hall

Exchange Visit to Singapore

For a week beginning on the 7 August I was given the great honour of being the guest of an Air Training Corps exchange trip to Singapore.

The journey began on Sunday 7 August when I travelled to RNZAF Base Wigram (on the outskirts of Christchurch). Here I met up with the other ATC cadet and our escort officer who were going also. On the 8 August we flew from Christchurch to Auckland by an RNZAF Boeing 727 jet and overnigheted at RNZAF Base Whenuapai (on the North West outskirts of Auckland). We left Whenuapai at 7.45 a.m. the following day for the 9000km journey to Singapore. Our 727 took us via Sydney and Darwin (refuelling stops were made at each stop) and the total flight time to Singapore was 12 hours. During the flight we received 3, full course airline meals and this along with frequent trips to the flight deck made the time literally "fly".

When we arrived at Singapore's Changi International Airport the temperature was a "mild" 31°C and the time (local) 5.00 p.m.

Day one began by the three of us getting a guided tour of the New Zealand Force South East Asia Headquarters in a brand new air-conditioned Mazda 929. After meeting the "big chief" of New Zealand Force South East Asia (Group Captain D W Pawson AFC) we went back to where we were staying for lunch. After lunch we were taken to the 800 man 1st Battalion RNZIR at Deiffe Barracks and to RNZAF Support Unit Singapore (SUS). It was here that the highlight of the whole trip occurred. Doning jungle green flying suits, life jackets and headsets or "bone domes" or "cans" as they are known we climbed aboard our RNZAF UH1H Iroquois helicopter sitting "on the line" and soon found ourselves at 200 ft skimming over the Johore Strait and Causeway between Malaya and Singapore. The 1 hour flight took us right around the island and could only be described as incredible.

Day two was spent shopping and exploring the "tourist" attractions in Singapore and we were fortunate to experience a typical Singapore tropical downpour which could only be described as spectacular.

With a taste of the "Far East" now well impressed in our minds we were predictably reluctant to have to leave for home on the 12 August. The flight home was the exact opposite to the way over and we finally arrived home at 3.15 a.m. on the 13 August at Whenuapai.

In all the trip was an unbelievable experience and one which I am incredibly grateful for. Despite its shortness, what I learnt in that time has got to be eclipsed in my life and at the first opportunity I will be back to have a better and longer look at the Far East.

Diary of the Scottish Immigrant — 1883

Sunday 31st December.

Went on deck at 6.00 a.m. Cold bleak weather. We had been riding at anchor all night in the heavy swell of the mighty Pacific. The wind however had moderated but the swell still continued. At 8.00 a.m. we had breakfast, read the 60th chapter of Isaiah after which we went on deck to view the land which we expected soon to make our home. We were to have Divine Service on board at 11.00 a.m. We were just mustering for the service when the paddlesteamer "Kaputai" hove in sight steaming down to take us in tow and we had to abandon the service. We made preparations to heave our anchor. The Kaputai came down and, passing under our stern, came around on our port side. Then we threw our hawser on board and making it fast (having by this time got our anchor up) we stood in towards the shore. We had still a very stiff breeze blowing against us but the Kaputai was equal to the task. We got safely across the bar and up the somewhat narrow passage to Port Chalmers and dropped our anchor in Deborah Bay. We were just outside the wharf to which we would be towed at daybreak the next morning. We have made the passage from Glasgow in 94 days. Thus our voyage the trackless deep has come to an end. A voyage which to us was full of many kind associations and remembrances and which will afford us with material for thought and gratitude to Almighty God to the end of our days. Of the 324 souls which embarked upon this voyage some 306 have completed it along with the addition of some 15 babies.

Monday 1st January.

I rose at 6.15 a.m. Weather clearing. This is indeed a fitting way to begin the New Year, embarking upon a new life in a new country. Our tow arrived at 9.00 a.m. and we berthed alongside the wharf without any undue problems. Before disembarking I mustered my family on deck and we offered a prayer to our Lord, asking him to bless us in our endeavours. I managed to procure a ride for us into the township of Dunedin on the mail cart. The journey afforded us with our first close look at New Zealand. The scenery does indeed resemble that of the land we have left behind but, as yet, it lacks the atmosphere of Scotland. The hills, grass and even the weather is similar but there is no feeling of attachment. Perhaps this will come in time. The road was rough and potholed making the journey an uncomfortable one. Sheep dot the hillsides, along with scattered dwellings. Half a mile from the main township we encountered our first Maoris. They were not at all as they were described to be. Having read accounts of Cook's Voyage I had visualised the "Noble Savage" which he had come across. These people in no way resembled Cook's Maoris. They wore outcasts, ragged European clothing and barely looked up as we passed. They sat clustered around a few shelters which could hardly even be dignified by the term "shack". Many appeared quite sickly. The driver of the coach told me that many had succumbed to diseases such as Tuberculosis to which their bodies seemed to offer less resistance than that of the European. Apparently there are considerably less natives now than there were even 40 years ago. We reached the township at dusk. I left my family in the care of McGimpsey's brother (we had grown close to the McGimpseys' in 3 months at sea) whilst I inquired at several boarding houses that had been recommended. I found temporary accommodation at Mrs Paddon's boarding house on Lewis Street. I fetched my family but left most of our possessions in the McGimpseys' care. Had supper and took a reading from Psalms. I will seek a position of work tomorrow if there are any to be had.

Tuesday 2nd January.

Purchased local paper to examine employment prospects. It seems there are vacancies for stock agents. Travelled to Wright Stephensons High Street office to apply for a position. I had my first opportunity to see Dunedin in the daytime. It is indeed a City, not the pioneer town I had expected. Whilst travelling down Princes Street in a steam tram I viewed four banks within a dozen paces of each other. Of these the Colonial Bank and The Bank of New Zealand exhibited fine architecture

but all four were conducting vigorous trade. I dismounted from the tram at the foot of High Street, and found the width of the streets refreshing after the narrow allies of High Street past many busy stores which stocked every kind of goods. On reaching Wright Stephenson's offices I was introduced to the foreman, McKenzie, who examined my references. He seemed satisfied and was prepared to employ me subject to two weeks trial. I am to sell and buy sheep for Wright Stephenson's, a position made more in demand by the advent of frozen carcasses exporting a year ago. I am to start work tomorrow. I went back to the boarding house, thankful for this opportunity.

Wednesday 10th January.

Have discovered a suitable residence for sale in Caversham. Will try to procure a loan from the Colonial Bank in which I have a sum invested. Transported 50 sheep to the home of William Larnach for his personal abattoir. The magnificent building is a veritable castle. It is an imposing sight on the hill. I caught a glimpse of Mr Larnach himself departing from the house. A rare sight for it is said that this powerful man spends most of his time in Melbourne or Wellington.

Friday 12th January.

The Colonial Bank have approved my mortgage. I no longer have any regrets in leaving my homeland. This is my new home.

A prize-winning entry in the
"The Cork of War" Competition.

Social Committee Report 1983

This year has been another successful year for the SBHS-SGHS combined socials.

The social year began with the selection of the Social Committee which was: Michael Hogue, Joseph Culling, Simon Millar, Stephen Jackson, Brent Haywood, Alister Rance, Richard Casey, Richard Dore, John Monteath and Donald Jones.

The Senior Sports Dance was the first one on the social programme. The theme was "Future Fashions" and the costumes worn were many and varied. An encouraging feature throughout the year was the support of the dances by the school, epitomised by the fact that most dances saw a significant percentage of those attending dressed up to visit the particular theme.

A third form dance with the theme "Horror" and then a fourth form dance with the theme "Bad Taste" led up to the Senior Icebreaker Dance in mid-June. This year, the visiting Waitaki Boys' High School winter sports teams attended, making the "night" a great success. This dance's theme was "Shipwreck" and was well supported by all who attended.

The end of July saw the Formal taking centre stage at school. This year's theme, the "French Riviera" was well received. The Social Committee put in a lot of time organising and decorating and on the night, the Hall looked superb. The "Double Tones" were an excellent band and helped make the night very successful and enjoyable.

The third term saw the final three socials. The tinies had their final ho-down for the year with the theme being "Stripes and Spots". The fourth formers final dance with the theme "Uniforms" was noted for a change in style. That was a change away from dancing to more memorable (at least for the fourth formers), activities. Consequently, the disc jockey was not the only one who spoke to those on the floor that evening.

The last dance for the year was the Senior one. The theme, the letter "P" saw the SGHS Hall filled with Punks, Priests, Pakistanis, Persils, Pirates, Pink and Purples and also a few Pikers. The band, "Post no Bills" were well received and helped round off the social year on a high note.

The Social Committee would like to thank all those who helped out during the year. This includes members of staff for giving up their time to supervise at the socials; Mr Gillam, Mr Pethig and Miss Black for all their hard work with the Formal, Mrs Grumbley for her hard work on the catering scene, the caretaker, Mr Kilkelly, for giving up his time to lend a hand, finally the office staff for all their assistance.

Sixth Form Accrediting Rafting Trip

After breaching the initial problems of a last minute change of plan because of unforeseen circumstances, we set off on a rafting expedition somewhere on the rivers in the Borland area.

Wasting no time on arrival at the campsite which was beside the Monowai River, we progressed to our first days rafting, down the Waiau River from Monowai Power Scheme to Glendearg, in which were several tumultuous rapids much to the horror of Mr Murcott. He "showed us the way to handle a canoe" and was rescued several hundred metres down stream by that ever present prince of the pommie PE teachers who showed us all his white water skills. Mr Murcott then wisely elected to travel on a much safer raft. But alas, for poor Mr Murcott, it was not to be! His comfortable, inflatable chariot was doomed to be upturned in a particularly splendid rapid which also dethroned the wondrous White Water Woody!

On that first day, Mr Tiplady (Tippy) was a constant source of entertainment for the masses, firstly with his astounding Bus driving then with his impressive performance of "a man drowning in a swift River". He chose to give this at every suitable moment wherever there was a reasonable audience who egged him on with cries of "Get stuck in Sir, It'll put hairs on your head!" Mr Sarson was an inspiration to us all. His self-designed life jacket and a self-confessed detestation of cold water kept him comfortably in control of the situation. We finished that section of rafting cold and tired and we returned home for a much earned rest and meal.

The next day we continued down the Waiau to Clifton much in the same style although the river became less exciting and the trip was a long one. It was not without its events, however and the infamous group of "Gladstone Boys" lead by Will Minchin failed to arrive down the river. They eventually turned up some time later astride the local pony club's horses much to the amusement of the onlookers. Fearing they were lost and claiming they were sinking, the Gladstone boys had abandoned ship and set off across country.

We returned to our camp tired and everyone with a bit of a tan except for Herbison whose legs were an impressive bold red. Thursday greeted us with more fine weather and Herbison's legs were in full bloom. We rafted the Monowai River which was not as good as parts of the Waiau and not at all difficult. However, under Mr Sarson's control one raft still managed an energetic fight with a tree. After a relaxed lunch, tubes were deflated and we packed up and went home tired, tanned, tested and happy. We must however thank the staff for giving up their time at this busy part of the year and making this most enjoyable expedition possible.

Book Week

For the second year in succession the school held a Book Week in July. Prizes were donated by local firms and students competed in four main categories of original work, the same as the previous year.

The response from the school was overwhelming and about one thousand items of sometimes brilliantly creative work were judged. So once again Book Week at school was a huge success.

We can help you along whichever route you're taking

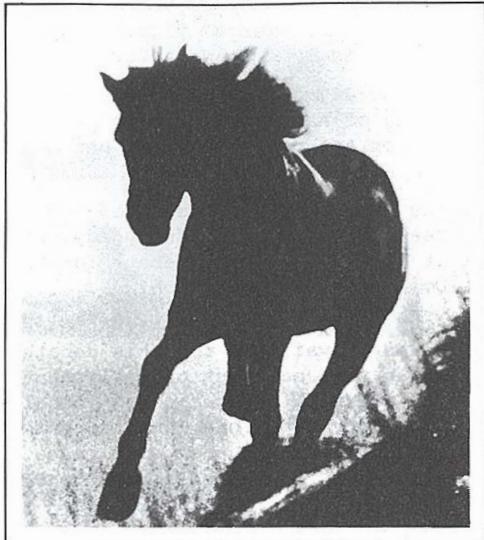

There are many challenges awaiting you as you continue with tertiary education or complete your studies and commence your first full-time job. Of all these challenges, the one that will probably cause you most concern is the management of your finances. At The National Bank we understand your needs so we have designed two financial packages to help you on your way.

● Bursary Back-Stop

This is The National Bank's special service for those students receiving a tertiary bursary. The package includes a free cheque account, free bursary advance, free automatic payments and, in many cases, a VISA card and concessionary student loan. Full-time students also qualify for a free International Student Identity Card saving \$9 immediately and entitling them to discounts of up to 50 percent. Ask for a Bursary Back-Stop brochure at any National Bank branch.

● Banking Portfolio

One sturdy satchel containing everything you need to manage your money properly. It explains how you

can get free banking services if you are under 25 . . . free cheque account and automatic payments. Ways to save and earn good interest with Accelerated Savings Plan and Passbook Accounts. And helpful booklets that give you advice about banking and many other things such as flatters' rights, buying or selling a vehicle and travelling overseas.

● If you need any help, just ask.

Before we designed Bursary Back-Stop and Banking Portfolio, we asked a lot of young people what they wanted from their bank. Not surprisingly, most of them placed friendly, helpful service near the top of the list. So that's what we try to give you at The National Bank. We're here to help you.

The National Bank

NB 1045

1983 Debating Report

1983 was an extremely active and full debating year. There were 3 senior teams in as many competitions. The Westpac team consisted of Rex Capil, Michael Drayton and Andrew Robertson (speaking in that order). This team secured victories against Cargill High School and Fiordland College, with best speakers being Michael and Andrew respectively, in relatively clear cut victories. In the 3rd round however, Rex had to bow out due to many sporting activities, being replaced by Antony Deaker.

Our sister school provided the opposition and, despite the best efforts of our supporters club, emerged victorious. The result as such removed us from competition and we were in less than rapturous ecstasy.

In the Jaycee Shield Competition the school had 2 teams, a 6th form team consisting of Antony Deaker, Todd McLeay and various 3rd speakers including John Duston, Anthony Seeto, and Rex Capil. The 6th formers defeated Cargill High and SGHS B to reach the final.

The other team consisted of 7th formers Donald Simms, Chris Hall and Mark Riddle. This team debated successfully against an experienced Hargest side, despite the fact that it was a first ever debate for Donald and Mark (Mark being best speaker equal, with Donald only 1 point behind).

Both teams met in the final to debate the topic "that nudism is dignified". Donald was unavailable for this debate and was replaced by fellow 7th former, Ian Duncan, who came out of retirement for this debate. We debated this topic in front of a large, energetic and (usually) appreciative audience. Unfortunately the topic was not a good one, and the humour, while plentiful, at times came close to going beyond the bounds of good taste. In the end however the 6th formers were beaten by what the judges termed "the elegance and maturity" of the 7th.

The highlights of the year were the 4 interschool debates. Aided by the appreciated efforts of a well trained SBHS audience we defeated both Otago BHS and Waitaki BHS on the topics "that the car is a disaster" and "that sport builds bridges" respectively. The team used was that of Deaker, Drayton and Robertson, with Andrew taking out best speaker both times.

The Seventh's went to King's HS and proved their worth by scoring a win on foreign turf, something that previous years teams have found hard to do. They argued "that blood sports are socially desirable", with Mark being judged best speaker. A reversion to the previous team was made for the last interschool, held away, against Timaru BHS. A foreign judging system and an ill prepared team sounded the bells of doom for us and we were convincingly beaten.

And that was debating for 1983. A most enjoyable season which saw 3 teams develop to a high standard.

Many thanks to Mr McIntosh for his endless reservoir of ideas, and his supply of wit, which was always appreciated. Mention should also be given to the junior teams, whose interest in debating will ensure a high standard in the senior teams in years to come.

JAPAN

Japan. Another world. Another time.
Another place. Diverse and so very very
different.

A country as delicately beautiful as an
Ikebana floral sculpture. As charming and
demure as a Geisha. As bold as a Sumo
wrestler. As brash as a baseball game. As
advanced as a robotics-controlled factory floor.
As traditional as a samurai.

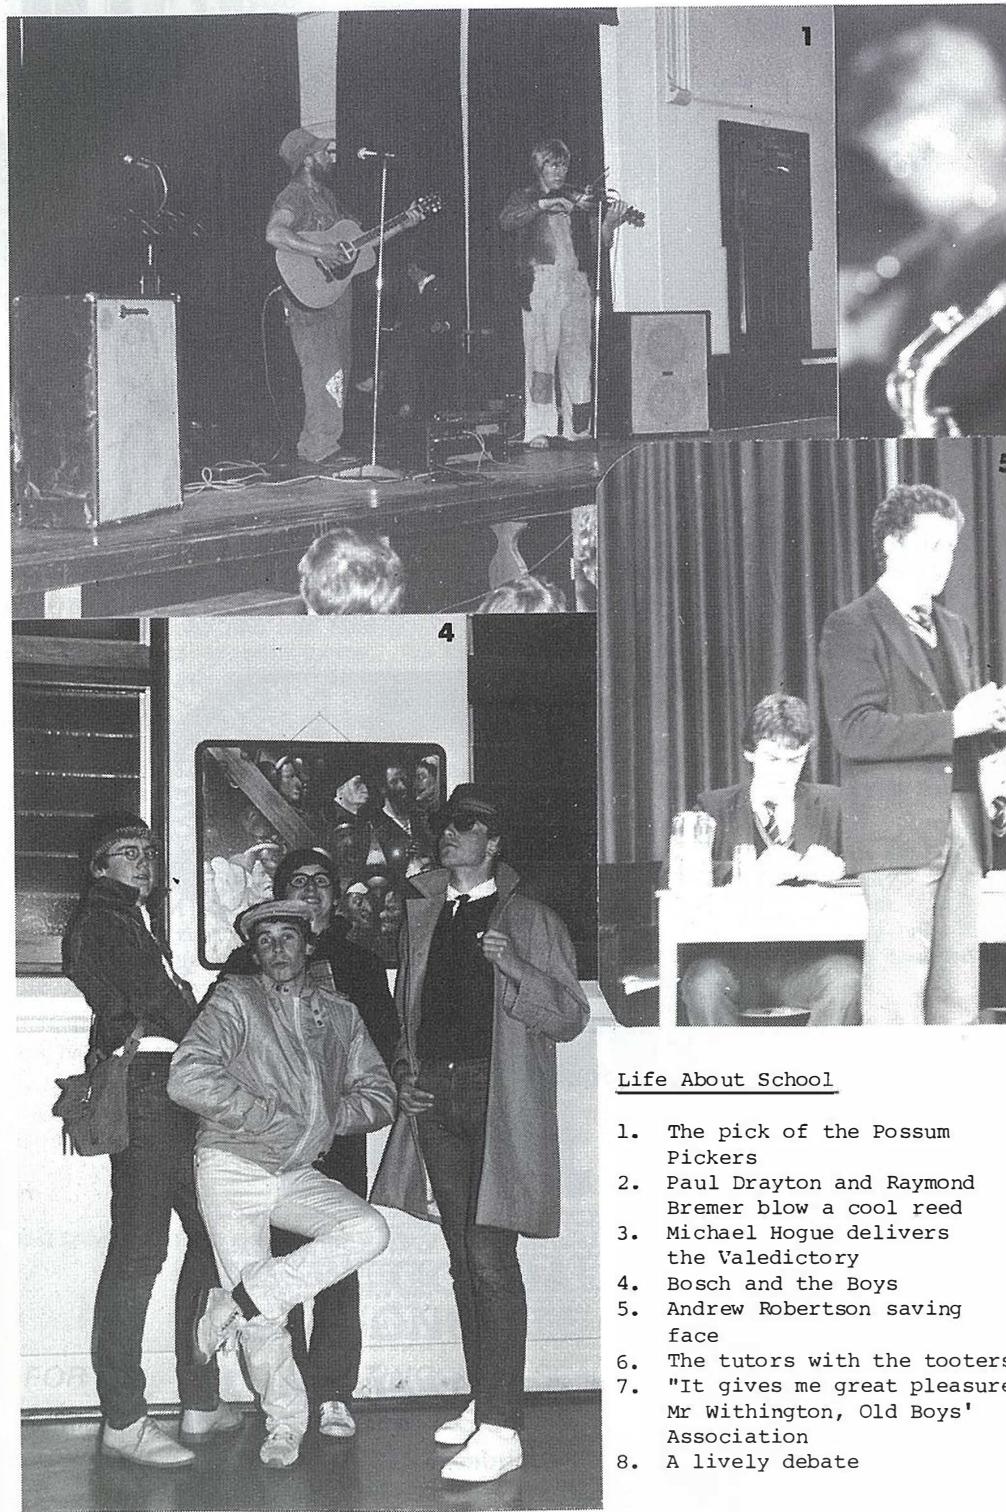

This is Japan. Ancient and modern side by
side. A paradox. A paradise. From the non-stop
electronic whirl of Tokyo, to the ancient
mountains and forests, the remote islands,

the quiet farmlands. Fly to it. For business
and pleasure.

Fly in the fabulous comfort of an
Air New Zealand 747. Enjoy magnificent
meals, attractively served on crockery plates,
accompanied by your selection of wine. Relax
with our own in-flight stereo and latest release
movies. We'll pamper you all the way. Fair
the air... and service with a style!

Coldstream Hostel "A Successful Year 1983"

Coldstream Hostel under the competent management of Mr and Mrs Turner provided 85 Southland Boys' High School and 3 James Hargest High School pupils with a home away from home.

The relaxed atmosphere of quiet control which permeated the hostel throughout the year must be the measure of success for any home that seeks the conditions that will best enable its members to grow academically while nurturing the personal growth of the individual.

The beginning of the year saw the departure of Head house master Mr Clive Caine, which left in its wake a gap of his personal drive and experience, a gap which was ably filled by six of our seniors. Headed by William Hamilton, our 1983 prefects were: Graeme Thompson (school librarian and prefect), Gary Adam (Coldstream House Captain), Michael McKenzie, Bobby Murrell, Geoffrey Ellenden and Todd Perkins.

Two new housemasters for 1983, Mr D. Johnston who is employed as the Deputy Registrar of the Court and Mr W. Charteris employed by the Probation Department, hope that as much as they enjoyed meeting the pupils, that once the pupils do leave school any future meetings be in a "completely unofficial capacity".

Coldstream is also proud of the effort by Bobby Murrell and Gary Adam in achieving selection into Southland Boys' High School's 2nd XV and it was generally felt that the Interhouse Rugby Competition shield, blended well with the walls of Coldstreams dining room throughout the year. However we understand that because of Coldstreams inability to retain the shield there will be a gap on the wall this year.

Parents of hostel pupils experienced an unexpected return of sons, as June ushered in a flu epidemic which transformed Coldstream Hostel into Coldstream Hospital, when as the sick toll rose towards the sixties it was decided to close the hostel for 3 days.

A senior dinner was held at the hostel on the 12 August. The forty couples who attended the dinner were treated to a variable feast, as Mr and Mrs Turner put their tremendous catering talents towards the preparation of the meal.

OLD BOYS OF COLDSTREAM.

Coldstream Hostel would like to form an Old Boy's Association. We have nominated a temporary chairman Chris Hughes and secretary Trevor Martyn to chair the first meeting and when the meeting is arranged a proper committee would be formed.

To get things started please indicate your interest in forming an association and send a contact address or phone number for yourself and anyone that has moved away and would also be interested. This way we can start compiling a nominal roll.

Coldstream's management would like to thank all concerned for the hostel's success in 1983, and wish all those pupils not returning the very best for the future.

Computing

A 3rd computer system was bought this year, and the other two replaced with new models, so that all three are now the same APPLE 2e machines.

Administration and the Music, Language and Mathematics departments have made good use of the computers. The 5th form Liberal Studies Computer Awareness course was again run successfully.

In the third term, a series of Worksheets teaching the BASIC language were written and made available to interested boys for a small fee. To date, over 40 3rd formers are participating in this course using both their own and some class time.

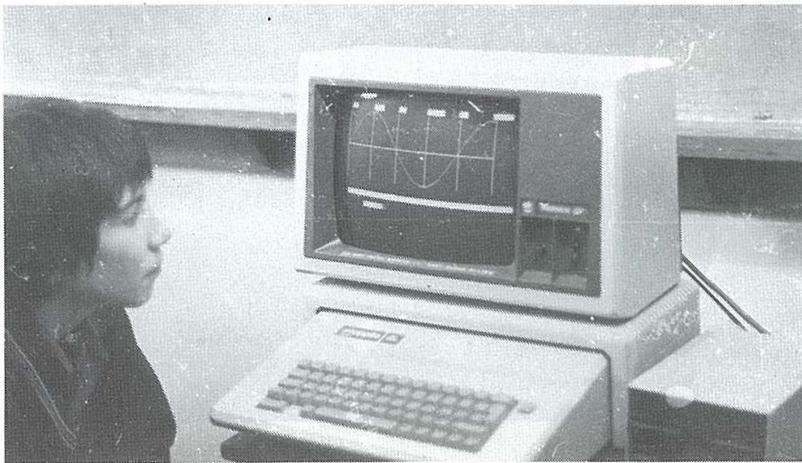

In addition, about 20 other boys have made considerable use of the machines in mostly their own time.

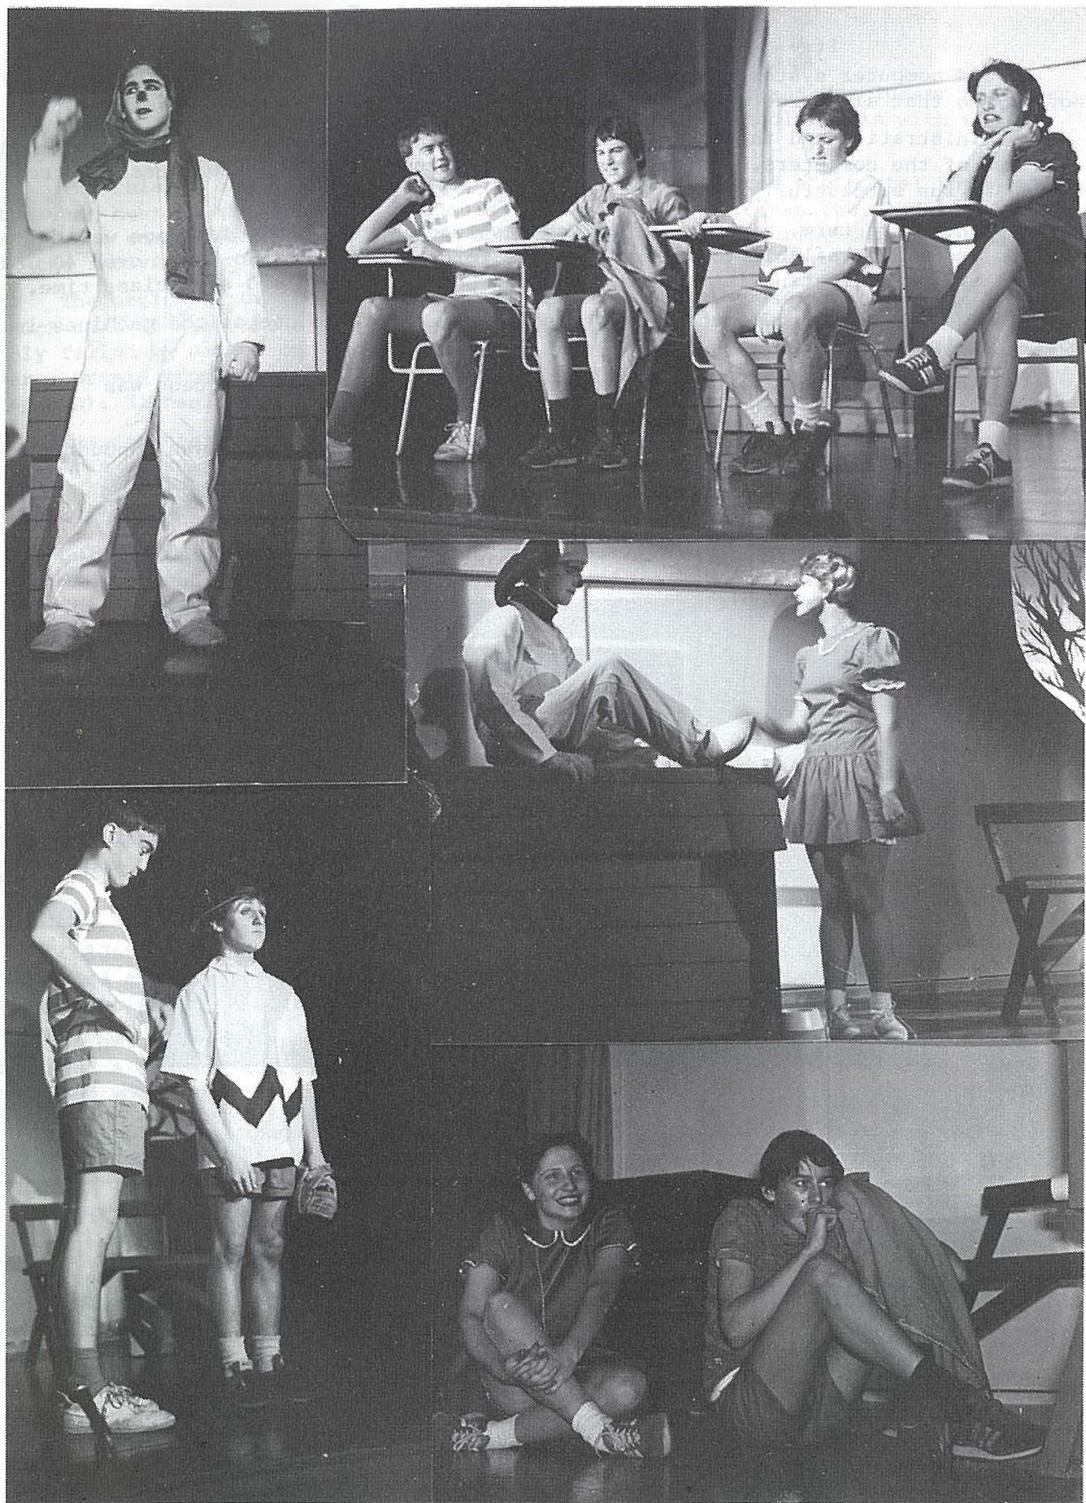

During the first term, an after-school class in the PASCAL language was conducted. A few boys have become proficient in this.

During most of the year, a lunchtime class in Machine Language was conducted by Roy Ward 61, now several boys are proficient in this language too.

Some 4th form classes have been introduced to the LOGO language.

The New Zealand Aluminium Smelters award in Computer Programming for 1983 was awarded to Danny Baillie 3F.

Drama

The Combined Schools Drama Club was very active and produced a major production in each term.

In Term One the offering comprised an evening of One Act Plays.

(1) "Fools' Errand" - Produced by Mr McIntosh

Cast: Shane Hopgood, Ian Richardson, Fergus Welsh, Richard Dore, Ann Kennedy, Barbara Hamilton, Sarah Allison.

(2) "Brainscrew" by Henry Livings - Produced by Mr Roche

Cast: Rachel McDonald, Brent Heywood, Antony Deaker.

(3) "A Phoenix Too Frequent" by Christopher Fry - Produced by Mr Lawrence

Cast: Lynda Ripia, Anna Simms, Craig Herbison, Joanne Price, Jill Sycamore, John Monteath, David Murdoch.

"Brainscrew" and "A Phoenix Too Frequent" were entered in the Theatre Federation One Act Play Competition and gained First and Second Place only one point separating them. The Winner "A Phoenix Too Frequent" was beaten in the Otago/Southland Final by the eventual National Winner.

A Pantomime - "The Sleeping Beauty" is at time of writing, being rehearsed for performance in the last week of the year by the Third and Fourth Formers of both schools. Rehearsals are well advanced and this pantomime promises to be a fitting finale for the year.

Music

This year's joint Southland Boys' High School and Southland Girls' High School Show was "You're A Good Man Charlie Brown". A musical comedy based on the "Peanuts" comic strip by Charles Schulz. The script, music and lyrics of the show were by Clark Gesner.

It was just a typical day in the life of Charlie Brown and his wordy six-year-old friends and their crazy dog.

The long cold nights spent by the cast of six and the producers in the Girls' High Music Room were thoroughly worthwhile as the play so ably produced by Mr Scott was a box office hit performing to full houses.

The Cast:	Charlie Brown	Richard Cawston
	Linus	David Wallace
	Lucy	Joanne Stewart
	Patty	Deanna McDougall
	Schroeder	Antony Deaker
	Snoopy	Alister Gray

They were supported by a choir which included John Duston, John Grant, Paul Lawrence, David Malloch, Davin Murdoch, Scott O'Donnell, Andrew Robertson and Anthony Seeto from Southland Boys' High School.

Many thanks to Mrs France and Miss Black for holding lunch-time singing practices and Mr Rodgers for the set.

- "Is it hard to string a violin, Mrs France?" "It takes guts, Mr Riley."

Language Competitions

SALVETE ET AU REVOIR

Congratulations Rhys Mudie, Toni Dunlop, Danny Baillie, Luke Sarson and the 4L Top Dogs. Rhys was second in the Alliance Francaise competitions in Dunedin - the highest place the school has got for some years.

Toni was first in the 3rd Form art modelling section at the Latin Competitions, Danny demonstrated his Latin digital watch, and the team of Luke, Richard Bell, James McNaughton and Michael Lauren won the quiz, with third formers Richard Lucy, Tim Kitto, Jason Cowan and Danny in second place. To top off a great year, Toni, Danny, Luke and Roy Ward were featured on Video Dispatch demonstrating their Roman models.

A good year, indeed!

Library Report

LIBRARIANS

Back Row: A. O'Connor, R. Newstead, A. McIntosh, P. Lyall, P. Harwood, A. Snegirev, D. Wallace.
Middle Row: Mrs B. Anderton, I. Riddler, C. Bootsma, R. Ward, G. Thompson (Head Librarian), P. Slagter, K. Wright, A. Smith, Mr M. Lauren.
Front Row: R. Osborn, J. Williamson, C. Duncan, N. Forsyth, A. Lauren, M. Hoffman, P. Watts, S. Howley.

The beginning of the year was rather chaotic in the Library. There weren't enough applicants who wanted to become librarians, so for about a month we valiantly struggled to maintain not so much law, but order, on the library's shelves.

Some of the shelves were half empty after a massive stock-taking of all the library in 1982. Those removed from circulation were sold to raise money to buy new books. The empty spaces on the shelves were soon to be filled by books bought using the kind donation of \$15,000 made by the PTA. Over 600 books have already been bought with the bequest, updating many sections of the library, especially the electronics section.

Further adjustment of the library occurred in September. The Sixth Form fiction books were removed and placed with the rest of the fiction books. The old display case by the library entrance was removed which led to the discovery of many old books stored inside its hollow base. Some even dated back to 1770. The Sixth Form shelves and the display case have since been replaced by a rotary file, and a new shelf for new books.

Life in the library this year has been made easy by the help and guidance which Mr Lauren and Mrs Anderton have given to all the librarians.

Australian Maths Competition

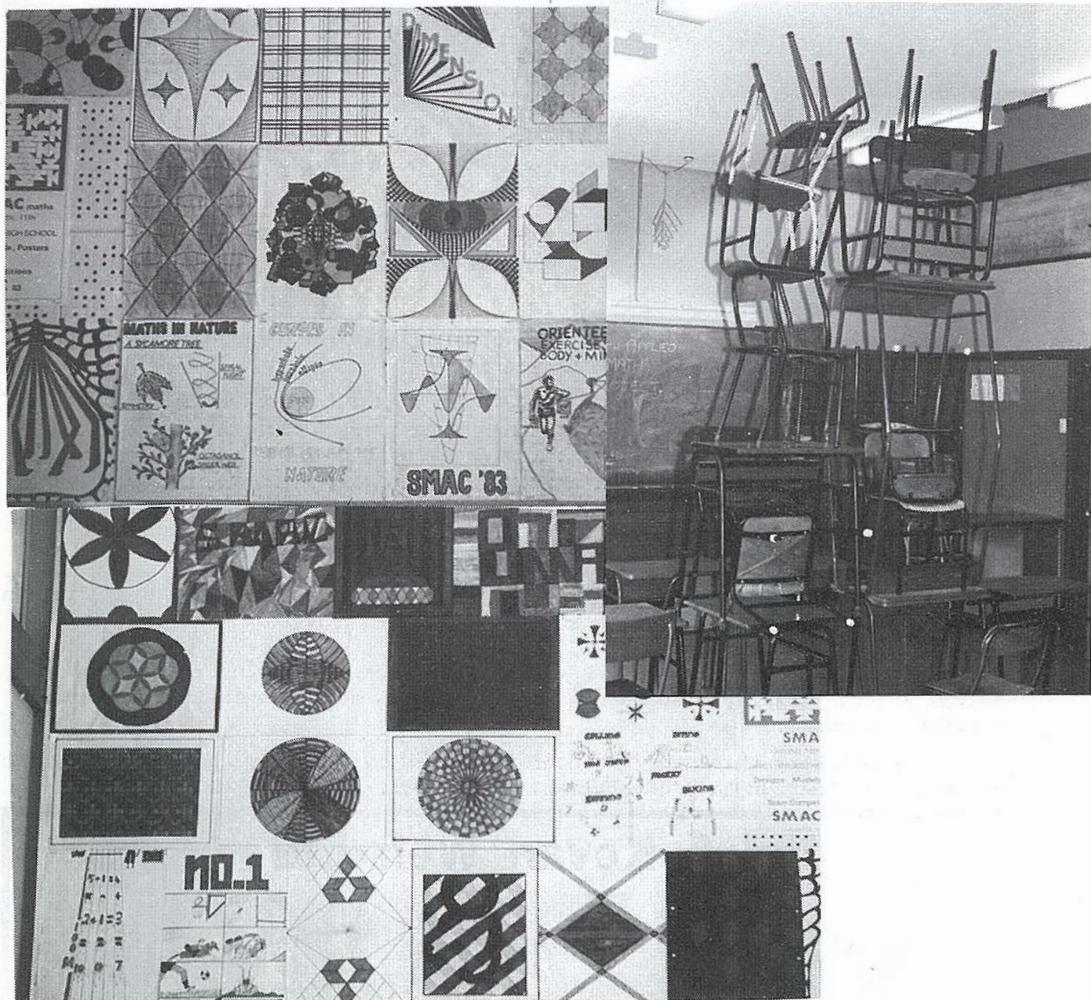

In mid June approximately 110 students took part in the Australian Maths Competition. The competition involves high school students from New Zealand, Australia and the Pacific Islands. Once again the school gained pleasing results.

22 Distinction certificates and 42 Credit awards.

Graeme Wood of 3L won a prize with a score of 117.5 out of 120 which was an excellent achievement.

Bank of New Zealand Maths Competition

Open to seniors the number of entries was disappointing this year; however Roy Ward did exceptionally well in being selected to represent Southland in the national finals held in Christchurch. Of over 1300 competitors nationwide he was in the top 100 and number one in Southland. Well done Roy!

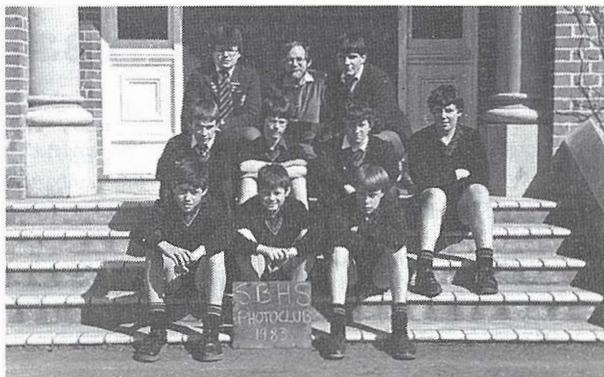

7th Form apply themselves to their applied maths.

Photographic Club

The school photographic club has grown considerably in the last few years. This is encouraging to see; and it also gives Mr Lawrence something to do during summer elective periods.

One activity in the "82 - 83" season was a worthwhile visit to the Southland Community College where we were shown the College's darkroom equipment etc. This was enjoyed by all who went. A similar trip to the College is being planned for this season; among other activities being planned now. A friendly atmosphere welcomes those who join.

I.S.C.F. Report 1983

Southland Boys' High Schools' Inter-Christian Fellowship has flourished and grown tremendously this year both in numbers and in character.

We have seen the introduction of a lot of younger boys into the fellowship, so the programme has had to adjust to their different interests.

The five leaders met with Mr Rout every Tuesday lunchtime, and it has been that, that has ensured the easy running and good sharing for various activities held during Thursday lunchtime.

The Boys' High group has also been active around town, holding a games evening in our gymnasium in the 2nd term and a seminar at Grace Street Chapel in the 3rd term. Both of which were supported by other ISCF Groups.

The 2nd term also saw a weekend camp held on a farm just outside Winton, in which everyone was able to relax and get to know each other a little better.

With only 3 of our members leaving next year, we hope that our numbers will increase, and that the group as a whole will prosper as it has done this year. Our thanks to Mr Rout for his time and encouragement.

Radio Transmitting Club ZL4CT

1983 was an active year in that the radio bands each Tuesday afternoon were open the whole time from March through to November, and meetings averaged about six boys. Summary of contacts made are, Australia 18, New Zealand 15, U.S.A. 13, U.S.S.R. 3, Canada 1, Mexico 1.

A first this year, was that contacts were made with three schools: two Australian and one New Zealand. These proved profitable.

A particularly interesting contact was one with a special station at Long Beach California, to commemorate the setting up for permanent exhibition of Howard Hughes giant wooden aeroplane, the "Spruce Goose". We were heard through many more powerful competing American stations.

Speech Competition 1983

This year's speech competition was organised by the English Department, and each form competed. After class heats held in English periods, there were finalists selected who competed in the form finals held in the Hall, and judged by Mr Lawrence.

The placings were:	Third Form	-	David Lindsay	3L	1st
			Andrew Whelan	3L	2nd
	Fourth Form	-	Allan Poy	4F	1st
			Shane Enright	4F	2nd
	Fifth Form	-	Stephan Herrich	54	1st
	Sixth, Seventh Forms	-	Donald Simms	72	1st
			Shane Hopgood	71	2nd
			Michael Drayton	61)
			Rex Capil	61) Very highly commended.

5th Form Geography Camp

6 Purdue Street
INVERCARGILL

15 March 1983

Dear Niels

What a shock we had. I haven't walked such distances in such a short period of time in my entire life before. Everyone in the class seemed to be dead on their feet as they walked. Our teachers were Mr Richardson, Mr Baldwin and Mr Riley and they were also our slave drivers leaving us with little time for relaxation during the day.

From the time we arrived until the time we left, the walks got longer and we got sorier. On the first day the walk went for a total of 20 km. We sometimes had to walk through ice cold water which made my feet and legs numb. This was disheartening and discouraging as we were only on our first full day there. I wish I could be there to watch you go through the same punishment as I did. The reason for the water was all the rain that had been coming down before we arrived, and luckily we were in the lodge. The next two days were great as we had brilliant sunshine and hot temperatures. Just as well because we had to go out tenting for the last two nights.

We had sleeping and cooking groups with Bruce Gawn, Campbell Lyons, David Sutherland and myself in one tent. Boy, none of us had any sleep except for Bruce as he kept us awake snoring for the whole night. We were going to kick him out, but, we had one problem, it was Bruce's tent!

One tramp took us the whole fourth day when we went up to Conical Hill. It was all of 4900ft high. It was even harder than the Hanging Valley tramp we did in Form Two, (remember).

When we made it back from that tramp Bruce and David had a sort of fight, starting when David pushed Bruce into the ice cold river. I had to have a photo of that!

The teachers were good as they were helpful and would laugh with us not always at us, which made things more enjoyable still. I hope you get as good a group of teachers.

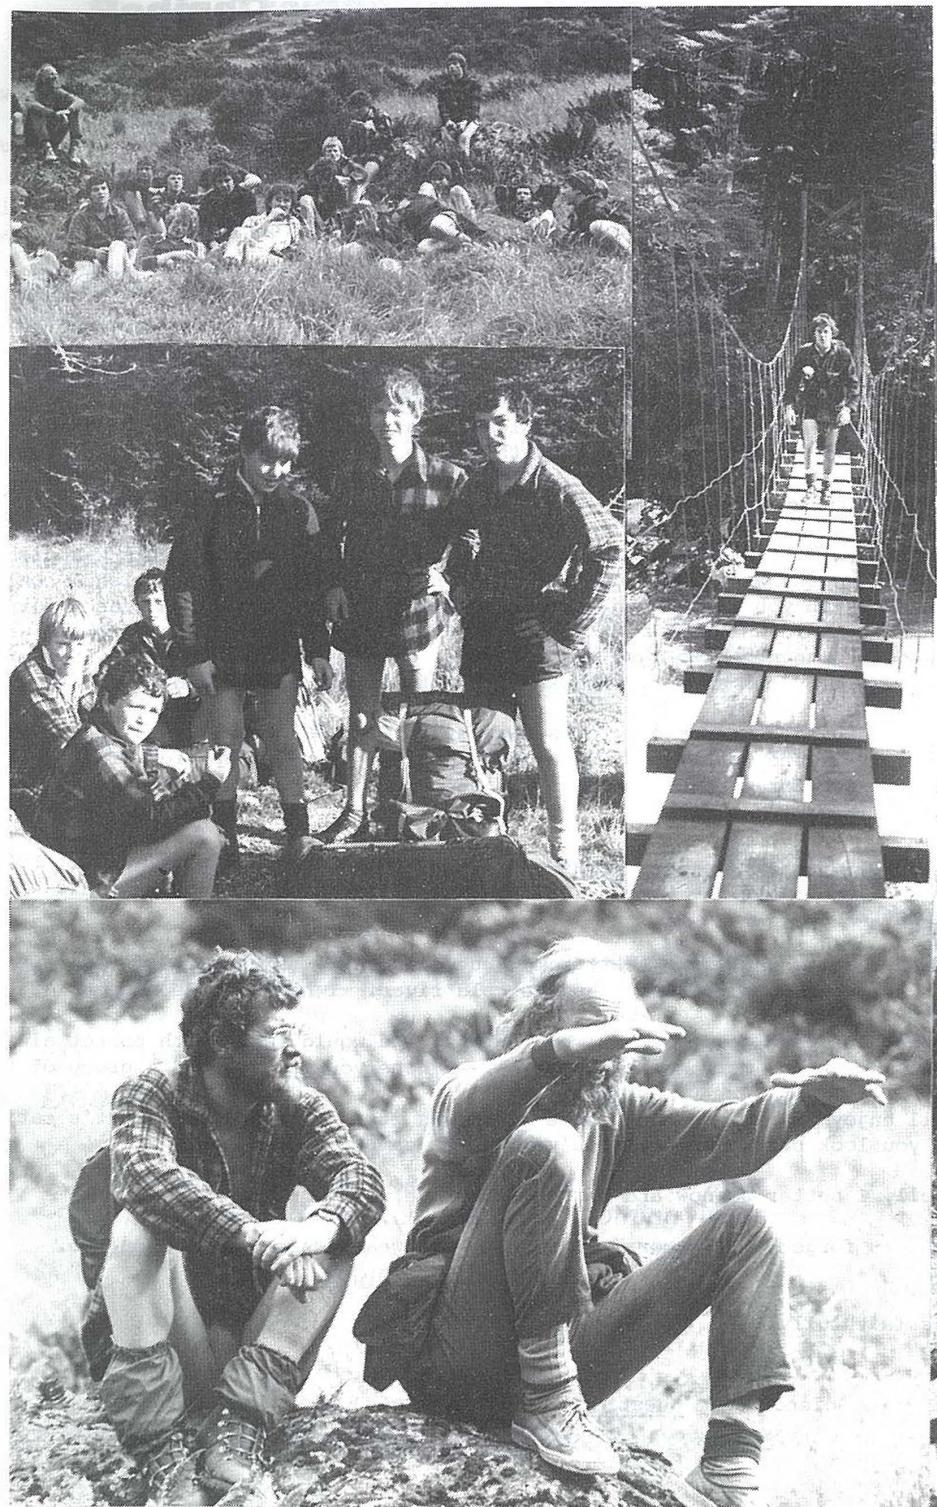

You'll enjoy it here when you come as it has its challenges. Also it's satisfying when you look back over what you've done on camp.

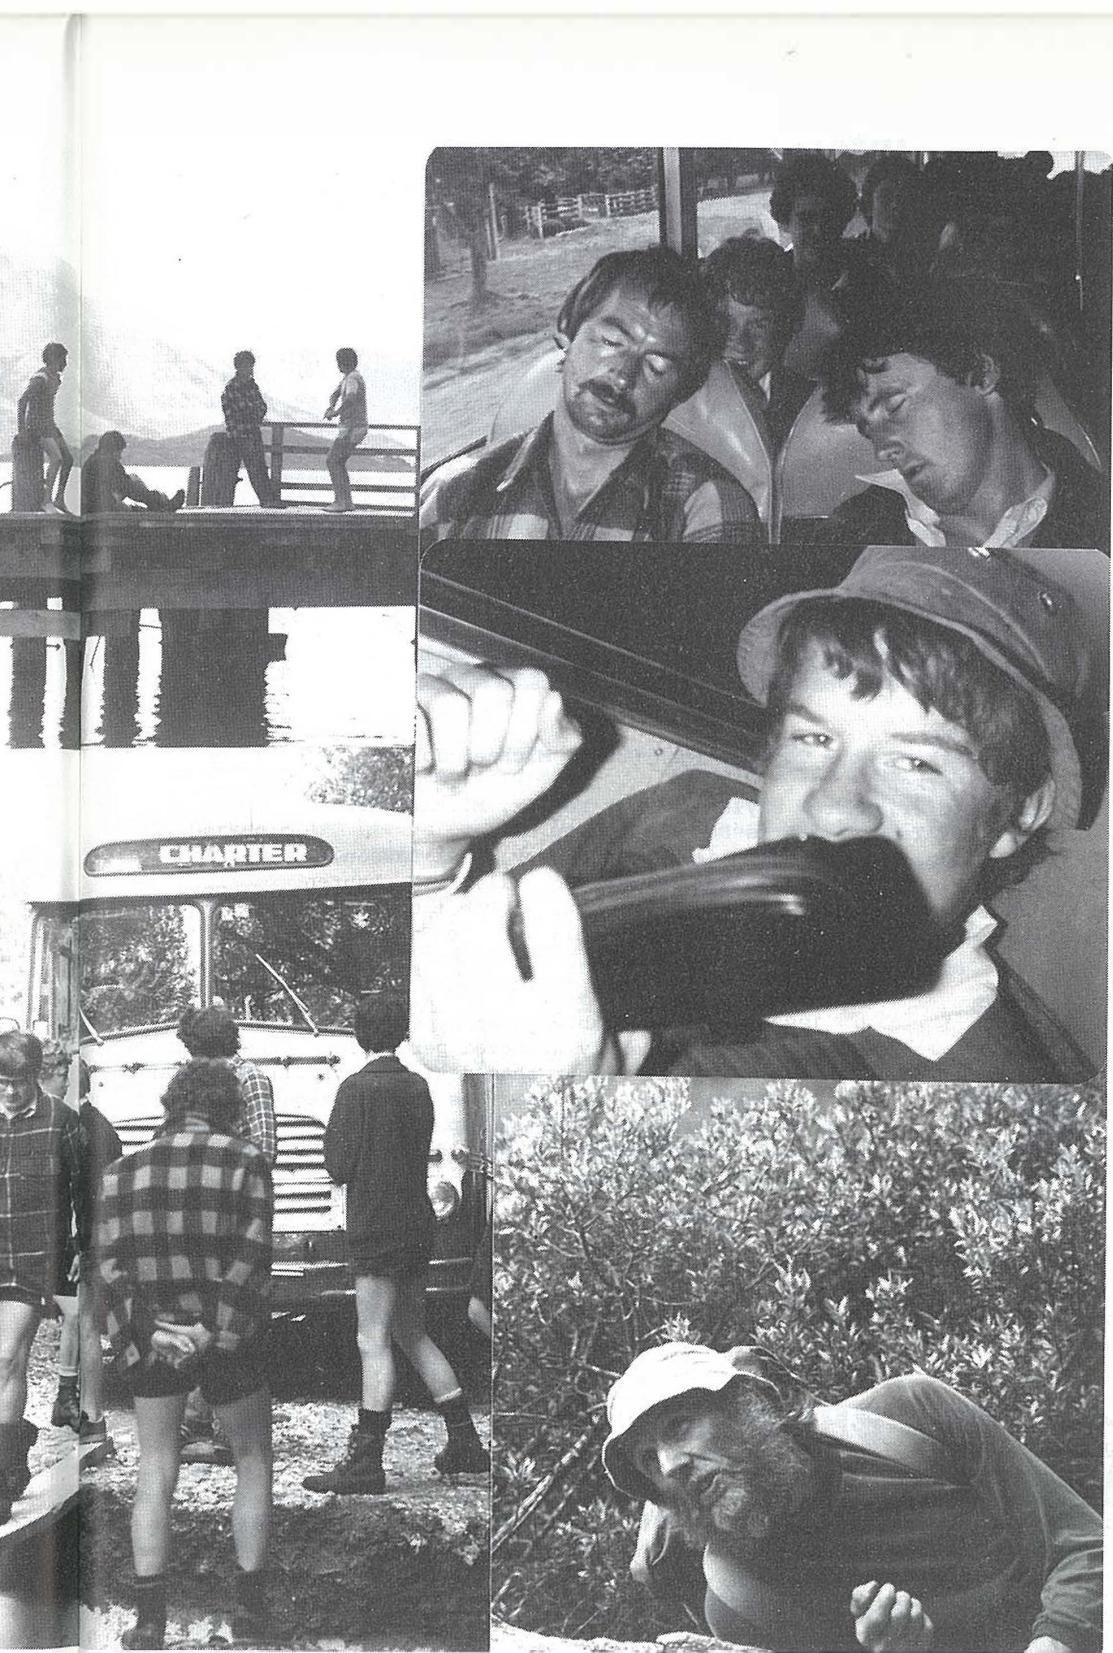

Oh well, I better go now and be sure to write wont you.

PS Don't forget your camera, and I hope the weather is good to you too.

Yours faithfully
Glen.

- Form 5 Science exam Question: Why can't you hear a rock being dropped on the surface of the moon?
- Answer: Because it is too far away.

Interschool Athletics

ATHLETICS

Back Row: Dean Gerken, John Tepana, John Grant, Michael Johnson, Douglas Spence
Grant Gerken
3rd Row: Paul Winder, Andrew Bayley, Hamish Naylor, Michael Henstock,
Nicholas Trotter, Chris Deacon, Andrew Winder
2nd Row: Dean Riddle, Simon Humphries, Ross Murray, Paul Dawson, Gary Smith,

Front Row: Lewis Sargeant, Neil Fraser, Tony Lauren, Brett Conner, Rajitha Fernando,
Mark Cook, Craig Humphries, Mark Scully, Bruce Smith

INTERSCHOOL ATHLETICS

1983 was more notable for the performances of our top athletes, who frequently achieved personal best performances of a high standard, rather than a strong overall performance from the School team. The year was highlighted by some excellent performances against top competition in the South Island S.S. Championships at Geraldine and the National S. Championships at Wellington.

OLD BOYS' v SCHOOL

Old Boys' School

Badminton

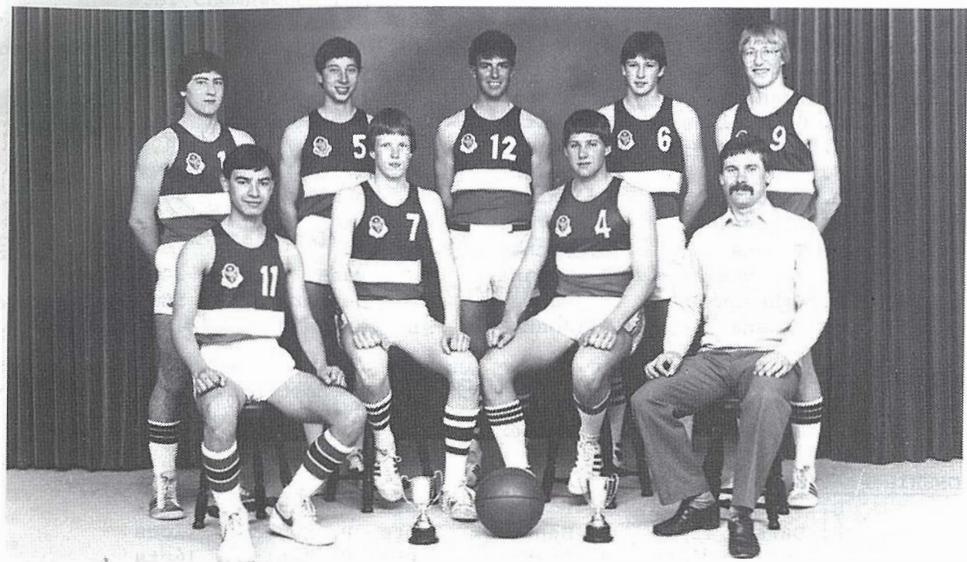

This year was an uneventful one. Players meet on Wednesdays to compete for places on the school doubles ladder.

These games were friendly, and made for an afternoon enjoyed by all players.

Although no teams from the school were entered in outside competitions several individual players performed with credit in the Southland Badminton Championships.

P. Winder	- C grade mens doubles title
G. Jackson	- C grade mens singles classic plate
B. Middlemass	- D grade mens singles title
	- D grade mens doubles title
	- D grade mixed doubles plate
A. Lang	- D grades mens singles plate

Basketball

BASKETBALL

Back Row: G. Smith, A. Seeto, J. Grant, D. McIntosh, S. Tinnock.
Front Row: P. Rewiri, S. Jackson (Vice Captain), S. Millar (Captain),
Mr P. Huntley (Coach) Absent: D. Hibbs

1ST V BASKETBALL

Captain: S. Millar

Coach: Mr P. Huntley

The 1st V with a change of coach this year, began the season with early trials and practices. The team selected was stronger than the previous years having considerably more talent and experience in the team. With several newcomers and a wealth of youth the teams potential was very high. The competition began with grading games from which we were placed in Mens A reserve. Six members then went on to play in the Mens A grade Clubs side and this influenced the standard of their play remarkably. From this competition and the success of the school team at this stage Paul Rewiri and Simon Millar were selected in the Southland Mens Team in late May. Later on in the season Anthony Seeto was also a member of this team. Representative honours went to these three in Southland U/20 and U/18 also as did Stephen Jackson U/20, U/18, Duane Hibbs U/20, Glen Smith U/18, John Grant U/18 and Dean McIntosh U/18. With the individual success of team members, when put together this gave our team excellent grounding for harder and more pressurised game situations.

INTERSCHOOLS

v Otago Boys' High School - Lost 47-40

An unfortunate loss, a game which we could have won. The 1st half proved this by us leading by 28-22. With excellent hard play and fine shooting by P. Rewiri, A. Seeto, D. Hibbs and S. Jackson we dominated the first spell. S. Millar drew 4 fouls in the first 12 minutes and rested the major part of the game. In the 2nd half SBHS lost its lead to 43-32 in the 1st seven minutes. It was a strong battle uphill again but the lead was too much.

v Waitaki Boys' High School - Won 80-36

A healthy win to SBHS showing clearly our dominance in all aspects of play, particularly vigorous rebounding. In the first half SBHS stormed away to lead 20-1 in the first 8 minutes. The remainder of this half was the opposite, SBHS were too complacent, lacked concentration and so WBHS came back to end the half 26-15. A new team emerged in the 2nd half from which the dominant basketball we were capable of

was achieved. Our moves worked well on attack as did our 3-2 defence which exerted excellent pressure. Brilliant outside shooting by G. Smith, P. Rewiri, A. Seeto and S. Jackson and decisive control of the bounds by S. Millar and D. Hibbs meant SBHS went to a comfortable win. This game gave younger players an opportunity to perform, which they did admirably.

Top scorer S. Millar 28 points, G. Smith 16, A. Seeto 14, S. Jackson 12, P. Rewiri 8.

v King's High School - Lost 73-60

SBHS entered the underdogs and it was this rating which failed to give us the true desire to win, which we could have done. SBHS began well until 9 minutes into 1st half when King's applied full court pressure and fast break and so King's led this half 40-20. A determined team fielded the court in the 2nd spell. SBHS changed tactics from zone to press each minute and capitalized on all King's mistakes and scoring points. The effort from all the team in this half was one to be proud of, it was only unfortunate the lead was too great. We eventually lost 73-60 which meant we scored 40 points to their 33 in the 2nd half.

Top scorers were S. Millar 26 points, G. Smith 14, S. Jackson 9.

REGIONALS QUALIFYING TOURNAMENT

A disappointing weekend for an anxious and hopeful 1st V. This would have been our best chance to get to Nationals as we were the strongest team for some years.

v Waitaki Boys' High School - 1st game, not a good build up, we were too complacent with many mistakes but we eventually won 64-43.

v Otago Boys' High School - the previous game proved the fact that the right attitude has to be in the team as a unit. A poor display of basketball meant we lost 73-56.

v Logan Park - reputably the 2nd best school side in New Zealand. SBHS went down heavily. However it was an admirable and determined performance. Counteracting the Logan Park press and fast break was a full game effort and we just didn't have the skill to match this excellent team.

Glen Smith was the only player to shine in the tournament scoring an average of 20 points per game which proved why he is one of the best players in the school.

COMPETITION - MEN'S A RESERVE

With no easy games this year it was a hard fought battle to take out the competition and grand final. We played 19 games winning 17 and losing 2 during the season.

Grand Final v Rangatahi - Won 43-37

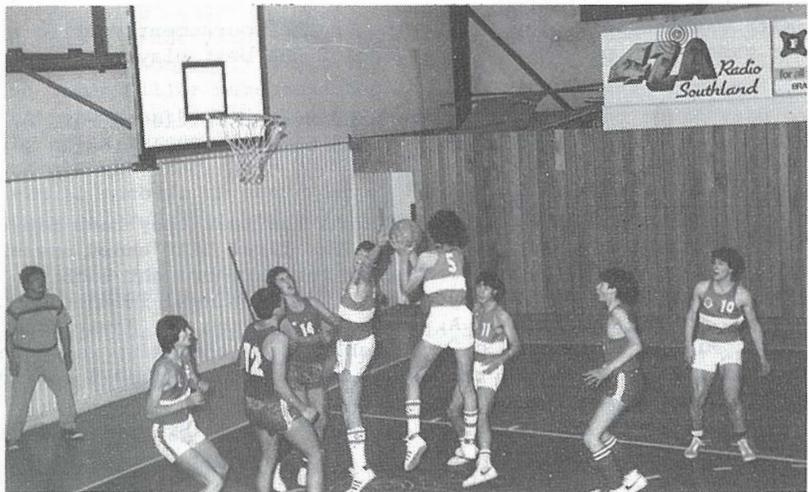

An exciting and very fast game. SBHS played the best they have played all season to beat a well drilled Rangatahi team. The first half ended uneasily, SBHS had a 10 point lead up to the last few minutes but were brought back to 19-18 at half time. The fine calibre of SBHS basketball was displayed in the second half with good drives by G. Smith, shooting by A. Seeto, S. Jackson, P. Rewiri and vigorous rebounding by S. Millar, D. Hibbs, D. McIntosh on both offensive and defensive boards.

The game was a fitting end to the season with such a splendid performance by all the team, showing our dedication to the game.

Scores - S. Millar 17 points, G. Smith, P. Rewiri 6, S. Jackson 6.

- | | |
|------------|--|
| S. Millar | - Captain - led team well on attack and defence. An accomplished rebounder, helped make the win in local competition possible. |
| S. Jackson | - consistent, steady reliable player, good outside shot and good ball skills, provided a mature base for team. |
| P. Rewiri | - Paul's ability was singular, proving to be a match winner on more than one occasion. Outstanding ball handler and shot. Stayed calm under pressure, steadying influence on team. |

- A. Seeto - fine accurate shot in attacking court, quick hands stole possession often. Experienced, mature player.
- G. Smith - good ball handler, shot, excellent during play - sometimes through the centre for points. Good future ahead of him.
- D. Hibbs - 1st year in 1st V, developed good rebounding skills. Generally a good shot - scored critical points in games.
- J. Grant - 1st year in 1st V - probably best athlete in the team. John has potential to be a very good player. Worked in well with the team.
- D. McIntosh - 1st year in 1st V - young player with potential, developed confidence in his ability as season progressed. Defence is Dean's strong point.
- S. Tinnock - 1st year in team also, always keen, good team member always tried hard.

2ND V BASKETBALL

Captain: J. Grandiek

Coach: Mr Price

This season we played in the Mens' B Grade, section B and were placed third.

We had a very poor start, and fortunately found our footing in the second round, to win five out of seven games.

Overall we won 8 and lost 7.

Teams members to achieve rep honours were:

Southland U/16 Stephen Cockeram

Southland U/18 James Grandiek

The team would like to thank loyal supporters, and Mr Price for his time and effort.

Team: J. Grandiek, M. Drayton, S. Cockeram, J. Price, T. Harwood, C. Lyons, P. Dickson and M Johnson.

3RD V BASKETBALL

Captain: A. Noble

Coach: Mr Deacon

This years 3rd five basketball team began the season with a strong start by soundly defeating a confident Marist 2nd five in the grading game placing us in the Monday night competition. Notable performances included our second game against our own 2nd five where they just edged us out late in the second half to snatch a 48-46 victory.

The team performed well throughout the season convincingly making it to the semi-finals before being knocked out by a determined and skilful Hargest 2nd five.

Many thanks to Mr Deacon for giving up his time to coach and support us.

Team: C. Hall, W. Hoskin, A. Noble (Captain), B. Philpot, G. Gerken, D. Murdoch, J. Anderson.

4TH A BASKETBALL

Coach: Mr Rout

With good team spirit and determination, we began the basketball season in full gusto, paving the way for easy wins over Kingswell, Verdon and Hargest. However, team play slumped as a result of an unfortunate loss to arch rivals Cargill 17-15, who went on to win the competition.

A number of the players improved greatly throughout the season and some of the team were chosen to represent Southland.

Team: R. Dalhousie, D. Jackson, G. McLeay, S. May, R. Scobie, R. Tapper, M. Wells, T. Williams.

3RD FORM B BASKETBALL

Captain: R. Everest

Coaches: S. Jackson, S. Millar

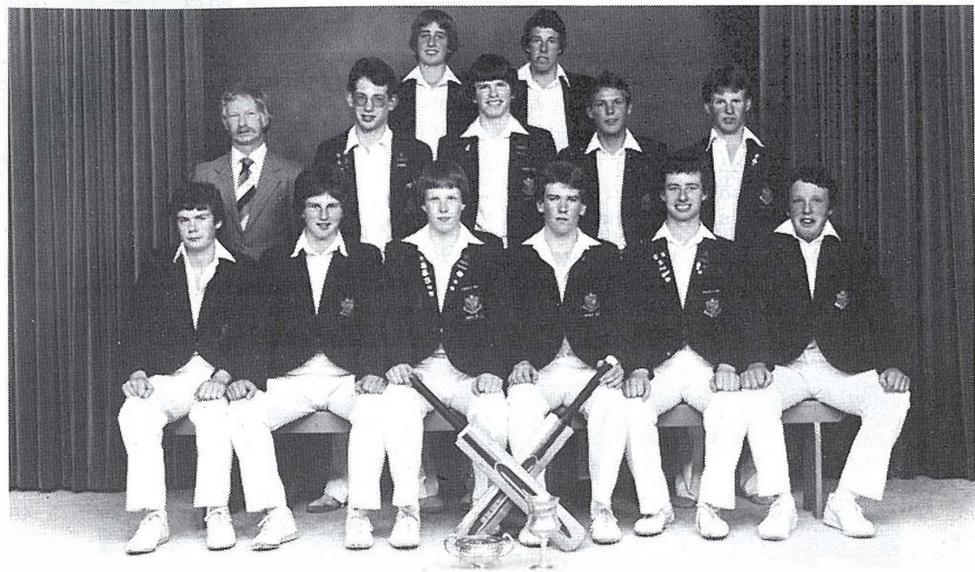

The team played consistently but lost the league competition.

The team would like to thank all concerned.

Team: R. Everest, T. Sycamore, A. Perriam, A. Jones, A. Beaumont, B. Cutt, D. Imlach.

- School Bulletin - Cyclists: Entry to school via Coldstream pool is forbidden.

Cricket

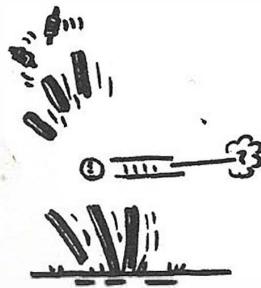

1ST XI CRICKET

Back Row: W. Hoskin, A. Bunce. 2nd Row: Mr J. S. Dickson (Coach), M. Southby, M. Hogue, M. Dawson, R. Murray. Front Row: T. Buist, G. Scully, S. Jackson (Captain), J. Monteath, B. Haywood, D. McWilliam.

1ST XI CRICKET

Captain: Stephen Jackson Coach: Mr J. S. Dickson

The team entered in the Senior Reserve Competition again with relative success. We were fortunate to lose only a few players from the previous season however we often suffered from a lack in depth in our batting department. This forced us to rely heavily on our fielding, which was very strong; many brilliant catches and many great saves helped the bowlers to contain the opposition's total.

The team entered again in the Senior 40 over competition. Despite keeping the opposition's scores modest, their bowling strength was far too great for us.

We reintroduced a "Staff" - "Pupil" match and convincingly defeated our geriatric rivals (158 to 128) in a 20 over match.

The team would like to express many thanks to Mr Dickson for the time he has given up to coaching and consoling us over the season.

Southland Senior Reserve Representatives: S. Jackson, M. Hogue

Southland Under 17 Representatives: J. Monteath, G. Scully, D. McWilliams, M. Dawson

The Team:

S. Jackson

Captain - Opening batsman, steady influence on the team's batting. Vastly improved his technique. Very useful all rounder. Capped off season well with 121 in interschool against King's.

J. Monteath - Kept wickets very soundly all season. Steady influence in the field. Great potential with the bat for next season.

B. Haywood - Very consistent number three batsman, Brent was the success story of the team, who improved vastly throughout the season. Safe slip fieldsman.

G. Scully - First year in the team. Geoff had some very sound innings and fitted easily into the team. Very fast in the outfield.

A. Bunce	-	A very useful all-rounder. Alan often chimed in with some useful attacking innings and wickets. Very fine fieldsman.
M. Hogue	-	King-pin of the bowling attack, bowled with a nagging length and accuracy, who moved the ball both ways off the pitch.
W. Hoskin	-	Another new recruit, Wade promises to be an extremely capable batsman. An expert slip fieldsman due to his lightening reflexes.
R. Murray	-	A very useful spin bowler who took many deserved wickets. Ross produced a few handy scores and is a very fast, safe fieldsman.
D. McWilliam	-	A very forceful hitter of the ball - useful nagging medium pace bowler and a safe fieldsman.
M. Southby	-	Left arm medium pace bowler who often caused problems for batsmen because of his different line of attack. Excellent throwing arm.
M. Dawson	-	Mark was easily the fastest bowler in the team, who despite limited opportunities performed well. A safe fieldsman and often a very difficult batsman to remove.
T. Buist	-	Another new recruit, Tim had few opportunites but when given a chance shows his promise as an all-rounder.
J. Mawhinney	-	John filled in ably when required, and we all thank you for your availability. Very keen fieldsman.

INTERSCHOOLS

v St Andrew's at SBHS 6-7/12/82

After being sent into bat school began solidly with an opening partnership of 43 between P. McDonald and J. Tait. However after this was broken wickets tumbled rapidly. School was dismissed for 100. St Andrew's replied with 228 for 5 with their captain scoring a fine century. School needed 129 to force St Andrew's to bat again, but mustered only 64 with McDonald again performing well.

Scores: School 100 - P. McDonald 31; J. Tait 28
and 64 - P. McDonald 34

St Andrew's 228 for 5 S. Jackson 2 for 50

Result: St Andrew's won by 10 wickets

v Shirley Boys' High School at SBHS 21-22/3/83

Shirley won the toss and sent school in to bat. We managed only 109 with A. Bunce being the only notable run-getter. Shirley declared at 107 for 5. We replied by scoring 148 in the second innings, leaving 151 to win. Due to some fine bowling and fielding, Shirley lost three early wickets with the total at 4; this magnificent start was unable to be capitalised on, and at stumps Shirley were 80 for 6.

Scores: School 109 - A. Bunce 30
and 148 - G. Scully 30; A. Bunce 20; B. Haywood 20
Shirley 107 for 5 M. Hogue 2 for 23; S. Jackson 2 for 22
and 80 for 6 M. Hogue 3 for 36; S. Jackson 2 for 20

Result: Draw

v Otago Boys' High School at Dunedin 14-15/3/83

A small amount of water seeped under the covers during the night before the match began. The OBHS coach judged the wicket unplayable and the first days play was abandoned. A 50 over match was played on the second day with school restricting Otago's score with a brilliant display of fielding without a single catch dropped or ball misfielded.

Scores: OBHS could manage a mere 75 runs (M. Southby 3-15; R. Murray 3-18;
A. Bunce 2-10)
School overbowled this total after 30 overs (M. Hogue 14; G. Scully 13)

v King's High School at Invercargill 21-22/3/83

School elected to bat after winning the toss, a move that paid dividends, and scored 276 for 7 declared. Jackson batted soundly scoring a century while the other batsmen played excellent supporting roles. King's were bundled out for 167 in reply due to an excellent display of spin bowling by R. Murray (King's captain also scored a century). King's was forced to follow on and reached 173 for 7 at the close of play.

Scores: School 276 for 7 declared (S. Jackson 121; A. Bunce 33; G. Scully 30; B. Haywood 28; R. Murray 27)

King's 167 (R. Murray 6-58; M. Hogue 3-61)

and 173 for 7 (D. McWilliam 2-14; S. Jackson 2-42; R. Murray 2-56)

Result: Draw

2ND XI CRICKET

Captain: R. N. Dore

Coach: Mr Haworth

The team had a moderately successful year. We began the season playing to our full potential, but later on in the season inconsistency crept into the team and we finished near the middle of the 2nd grade. John Mawhinney and Shaun Taane formed a good opening bowling attack. Shaun Taane showed good potential as an allrounder. Johnathon Hitchcock filled the gap well when Mawhinney joined the first XI and also showed ability with the bat.

The batting line up was fairly strong with Grant Cuff, R. Tait, Stewart McDonald and Scott McAulay all turning in some good performances with the bat. G. Scobie showed determination and occupied the crease for long periods of time.

Evan McKenzie proved to be a very able back up bowler, turning in good performances at the end of the season, and gaining substantial movement with the ball. S. Cundall could always be relied on to put down a couple of quick overs. This team's weakness was its inconsistency, with players failing to put it all together at the same time but many team members have still a lot of cricket seasons with the school to come, and much ability to be proved.

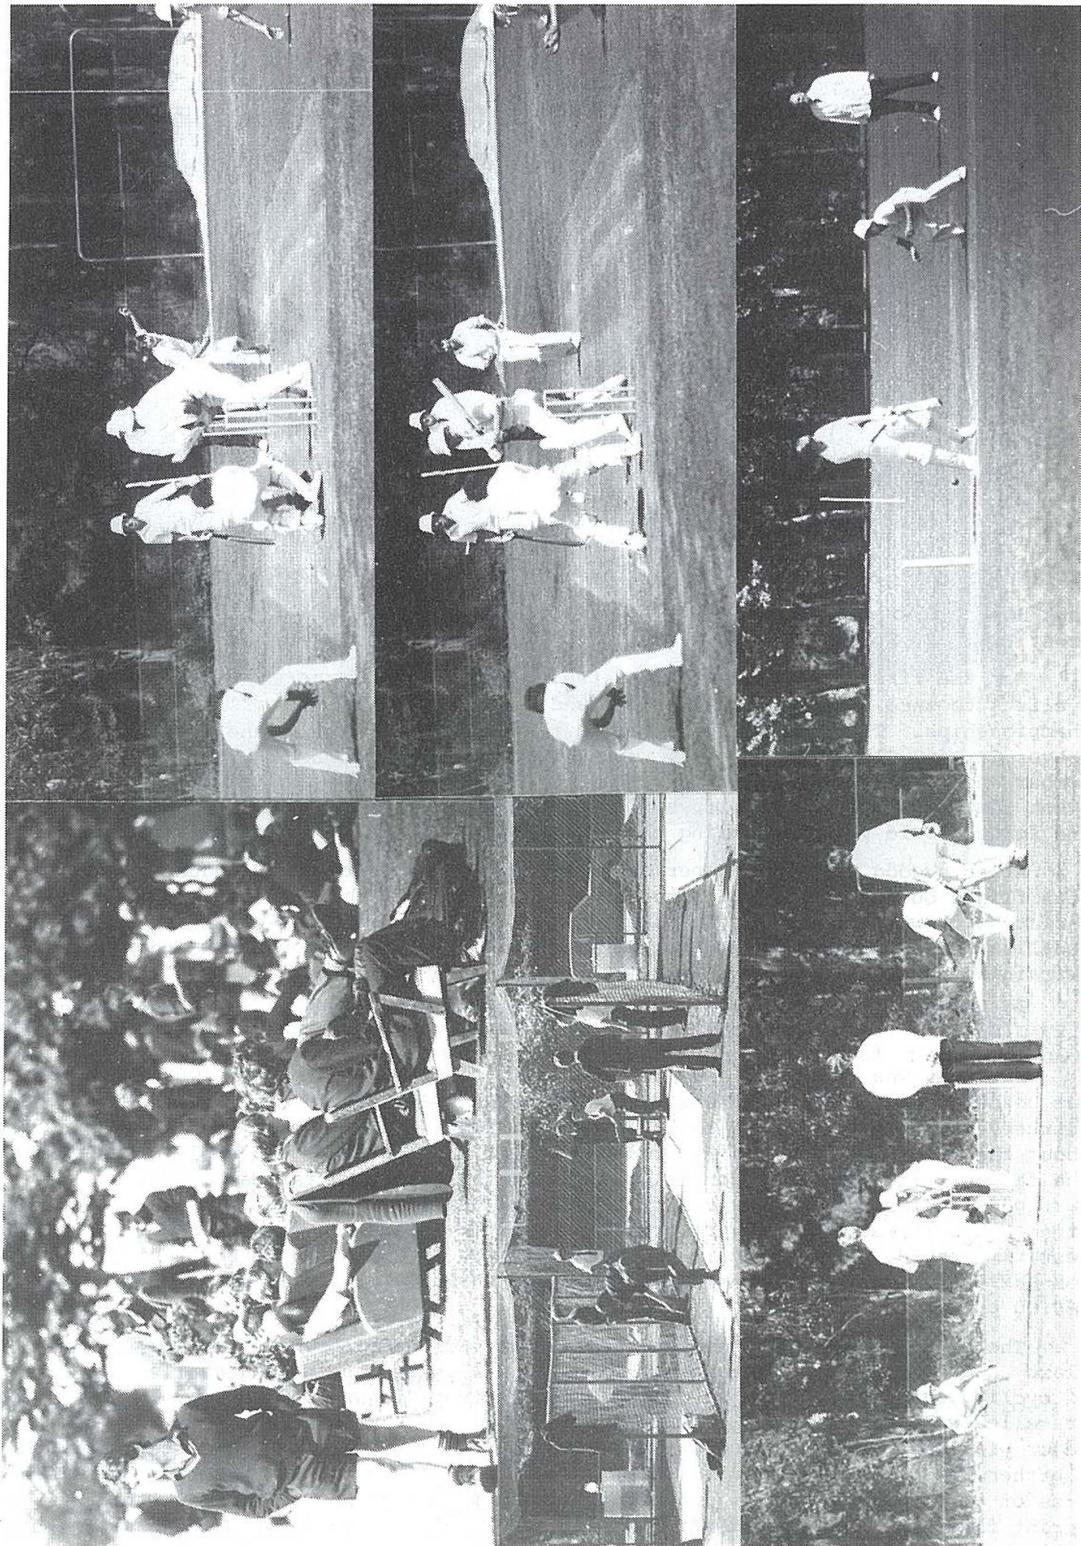

Team: R. N. Dore (Captain), J. W. Mawhinney, E. T. McKenzie, A. Noble, G. Scobie, S. Cundall, J. Hitchcock, G. Cuff, S. McAulay, S. Taane, S. McDonald, R. Tait.

There's not a Sport we don't support.

Cycling

CYCLING TEAM

Back Row: S. Fletcher, G. Smith, L. Hubber.

Front Row: J. Stock, T. Carson.

For the first time in many years the school had the required number of racing cyclists to send a team to the New Zealand Secondary Schools Team Time Trial Championships. The team which contested the teams' race were Shane Fletcher (Captain) Trevor Carson, Glen McLeay, Garry Smith, Jerard Stock and Luke Hubber the reserve member who competed in the individual time trial. The team started training for the event just after the May holidays with coaching from PE teacher Richard Woodward and former World Veteran cycling champ Barry Harcourt.

After a good preparation period, we assembled on Thursday 18 August to catch the noon flight out of Invercargill to Palmerston North. With a few hours to spare in Christchurch we paid a visit to Garry Smith's cousin and Commonwealth Games Gold Medalist, Craig Adair. Later that day we arrived in Palmerston North and prepared for a training ride over the 16km Time Trial course the following day.

Friday was a relaxing day. After our early morning ride we spent the rest of the day up town.

Saturday was race day. We prepared early for the trip to Levin where the race was to be staged. The event was very well organised, time checks were taken at the quarter, half, three-quarter marks and the finish. The Southland Boys' team was about the middle team to go. We rode very well together over the whole distance with the fastest time of the 28 competing teams at the three-quarter mark. But our fast pace couldn't hold over the final quarter and we slipped to an overall placing of eighth. It was still a very creditable performance since we bettered our previous best time by about one minute. The event was won by Christchurch Boys' High, second was Shirley Boys' and Tauranga Boys' High was third. For eighth place we received a \$60.00 prize.

The next day was probably the hardest race for schoolboys in New Zealand: the Glaxo Industries Tour of Manawatu. This was a 4 stage race which totalled 110 km of cycling over hilly terrain. Jason Harcourt from Kingswell High School, who travelled with our team was seventh overall and the only Southlander to gain a major placing. Trevor Carson won a \$10.00 sprint prize in the second stage and Shane Fletcher was ninth in the third stage. These were all good performances in a field size of 80 top class riders. The final stage brought drama for Garry Smith-in a sprint finish he was knocked off his bike and suffered a broken arm and bruising.

On Monday we rode our last race of the trip. It was the Manfield cycling classic which was raced for twelve laps of the Manfield car racing circuit. This was a very fast and tough race with many New Zealand representatives in it. No Southlanders featured in final placings, but determined efforts to break away from the main bunch were made by Shane Fletcher and Jason Harcourt.

The trip was very satisfying. Even though we didn't go as well as expected, all gained much needed experience. Plans are now underway to send a team next year.

The team would like to thank Mr Woodward, Mr McLeay and Mr Smith for their help and Mr Harcourt for coaching.

Golf

SOUTHLAND BOYS' HIGH SCHOOL GOLF TEAM

Back Row: Mr Rolfe, B. Waddel, R. Hogg, R. Welsh, P. Giles.
Front Row: G. Ryan, A. Barr (Captain), W. Hoskin, R. Harvey.

Another successful season has firmly established golf as a popular sport at Southland Boys'. The highlights of the year were the crushing victory over Shirley Boys' High School and the retaining of the Southland Secondary Schools major trophies.

Golf was first offered at Southland Boys' in 1982 with 65 pupils joining the Wednesday activities group. For 1983 we reduced this number to a more manageable 30 but the total number of golfers in the school would be estimated at around 90.

In 1982 we clean swept the inaugural Southland Secondary Schools Tournament winning both trophies - the valuable greenstone trophy for the best gross team and the trophy for the best nett team.

In spite of much stronger opposition in 1983 we retained both of these trophies.

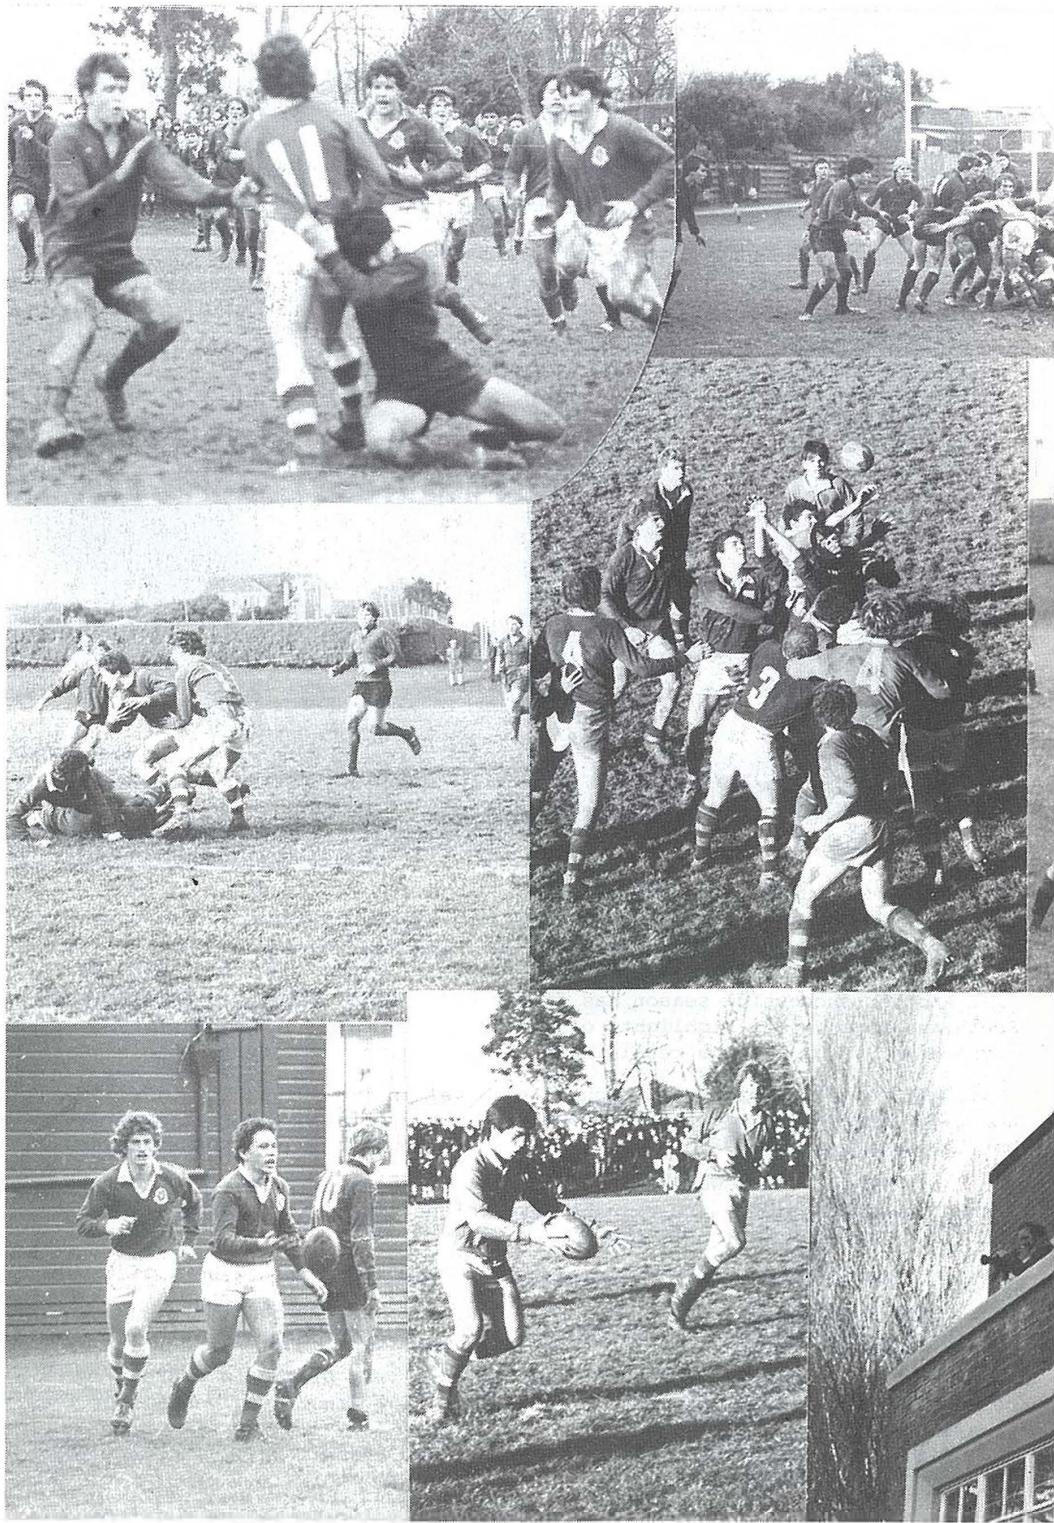

GROSS TEAM: Allan Barr, Peter Giles, Wade Hoskin, Rohan Welsh.

NETT TEAM: Russell Harvey, Robert Hogg, Bruce Waddel, Grant Ryan.

The interschool match against Shirley Boys' was played in February with a resounding win by seven matches to one. All credit must be given to the team for a fine effort.

Team: Allan Barr, Peter Giles, Rohan Welsh, Russell Harvey, Robert Hogg, Bruce Waddel.

A special thanks to Mr Rolfe from all golfers at Southland Boys' for his dedication and contribution to the sport.

Harriers

HARRIERS

Back Row: Nicholas Trotter, Stephen Bayley, Douglas Spencer, John Grant, Chris Goodwill, Bruce Smith, Lewis Sargeant
Middle Row: Andrew Winder, Paul Winder, Alister Gray, Gary Smith, Paul Dawson, John Monteath, Owen Eastwood, Mr M. Lauren
Front Row: Andrew Bayley, Jason Stephens, Tony Lauren, Brett Conner, Bradley Wilson, Warner Anderson, Tim Cavanagh, Steven Wallace

INTERSCHOOLS: Won 4 Lost 1

Otago Boys' High School at Invercargill - A good win to Otago through a consistent team performance. Lost 62-53.

Waitaki Boys' High School at Invercargill - A good show by the school teams to record a deserved win. Won 13-23.

Timaru Boys' High School at Timaru - A win to Southland Boys' High due to Timaru runners finding their own course too difficult!!

King's High School at Dunedin - A strong challenge from King's in the seniors but the Junior team enabled us to snatch a win. Won 33½-38½.

Gore High School at Gore - The junior team being the only group participating managed a win through team running.

SECONDARY SCHOOL COMPETITIONS

Throughout the season, the school harriers took part in a number of interschool competitions. The team's performances were excellent especially in the Milton relay.

Otago/Southland 6x2000m cross country relay at Milton:

Despite terrible conditions and injury of our second runner, Paul Winder, the team still managed a creditable 5th place. This injury surely cost us victory. Chris Goodwill fastest time and record.

Southland Secondary Schools' Cross Country Championships:

U/14	- 3rd Teams race
Junior	- 1st Teams race: R. Tapper 3rd
Intermediate	- 1st Teams race: A. Bunce 1st
Senior	- 1st Teams race: C. Goodwill 1st, B. Smith 3rd

Otago/Southland Secondary Schools' Cross Country Championships:

U/14 - 2nd Teams' race: L. Mawhinney 4th, J. Stephens 5th, A/ Bayley 6th, R. Swale 11th.
Junior - 6th Teams' race: N. Trotter 19th, J. Goomes 24th.
Intermediate - 3rd Teams' race: A. Bunce 3rd, J. Monteath 12th.
Senior - 2nd Teams' race: C. Goodwill 1st, B. Smith 5th, D. Spencer 12th, D. Sargeant 13th.

New Zealand Secondary Schools' Cross Country Championships at Paeroa in North Island:

Senior race - C. Goodwill 13th

Club Runs

Forest Hill Cross Country: 1st Junior Mens Team race (Forbes-Adcock Trophy) - C. Goodwill Fastest time.

Southland Cross Country: U/14 - 1st Teams' race - A. Bayley 1st
U/16 - 1st Teams' race - M. Henstock 3rd
U/18 - 1st Teams' race - B. Smith 1st, L. Sargeant 3rd
U/20 - C. Goodwill 1st

Southland Road Championships:

U/14 - 1st Teams' race - A. Bayley 1st
U/16 - 1st Teams' race
U/20 - C. Goodwill 2nd, D. Spencer 4th

The School team was somewhat weakened by a number of key runners leaving school last year. However, the teams all performed with credit.

The talent in the younger teams must ensure success for the seniors in future years. The team wish to thank Mr Lauren for all the time and effort he has put in over the last year. With his coaching support and encouragement the teams performed with much credit this season. Thank you.

Front Row: R. Johnston, C. Coffey, W. Frost, M. de Reeper (Captain), N. Mills, C. Bro

1ST XI HOCKEY

Captain: M. de Reeper

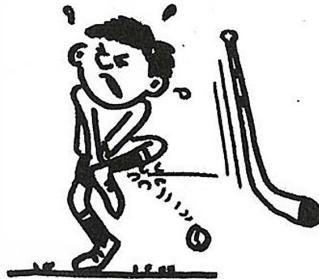

Coach: Mr N. Riley

With the loss of three players the team still looked quite promising. There were a lot of experienced players but they were unable to work as a team early on in the season. As the season progressed so did the team, until they reached a standard that was on a par with other years. The team came second in the senior reserve grade, with 10 wins and only two losses; 1 point behind the winners.

INTERSCHOOL RECORD

v Otago Boys' High School - Lost 1-0

Otago Boys' High took charge from the beginning with many quick breaks but were unable to score. The goal came late in the second half after many attack by their forwards. Southland Boys' High did not

really show true potential.

v Waitaki Boys' High School - Lost 6-0

An excellent first half, only being down one goal, due to a very hard working defence. Early into the second half, fitness became very important as Waitaki Boys' proceeded to show real dominance by scoring 5 goals. The defence had one of its best games of the season.

v King's High School - Won 4-1

Southland Boys' High came back after an early goal by King's High to have a great victory. The forwards played very well in this game scoring some very impressive goals. The second half slowed down as the fitness of Southland Boys' High team showed. The team held back many desperate attempts by King's to score, to have its first interschool victory.

v Gore High School - Lost 3-2

A bad day for Southland Boys' High not being able to dominate the game. The Gore team was quite a polished side being able to pass well between the halves and forward which upset the Southland Boys' High defence.

The Team:

At the beginning of the season the forwards weren't able to link together. After a few changes however the right combination was formed.

In the forwards there were M. Tinnoch, C. Coffey, C. Head, W. Frost, J. Riley. When this combination clicked they scored some very impressive goals. Early on in the season R. Johnston played full-back and then right wing. In the halves there were P. Dempster, C. Herbison and A. Skene. They set up the forwards well and also worked well on defence.

At full-backs there were the reliable N. Mills and C. Brown. They played a vital part in scoring many goals.

Goal-keeper was a very consistent M. de Reeper, who undoubtedly saved the team from very sticky situations.

Players selected for Southland teams were - N. Mills, R. Johnston, M. Tinnoch, and N. Hickey for U15.

M. de Reeper and C. Head for U21, and M. de Reeper for the Southland Mens team.

TOURNAMENT

In the first week of the August holidays the team travelled to the New Zealand Secondary Schools tournament held in Dunedin.

The team went away not too sure of its success and ended up doing extremely well. It played consistently well though the tournament, and gained an impressive fourth place out of twelve teams.

The results were:
Southland Boys' High v Taire Won 2-0
Southland Boys' High v Ashburton College Lost 6-3
Southland Boys' High v Logan Park Won 2-1

In play offs the best three plus the best loser goes through to the semi-finals.
Southland Boys' High v Otago Boys' High Lost 1-0

Three teams were all best losers, all losing by one goal as there was a stroke off.
Rathkeale v Burnside - Rathkeale 23 Burnside 21
Southland Boys' High v Rathkeale Won 5-4

Through to semi-finals
Southland Boys' High v Otago Boys' High Lost 2-0

Play off for 3-4 place
Southland Boys' High v Asburton College Lost 9-5

Gore High won final over Otago Boys' High 3-2
Charles Head was selected for the tournament team.

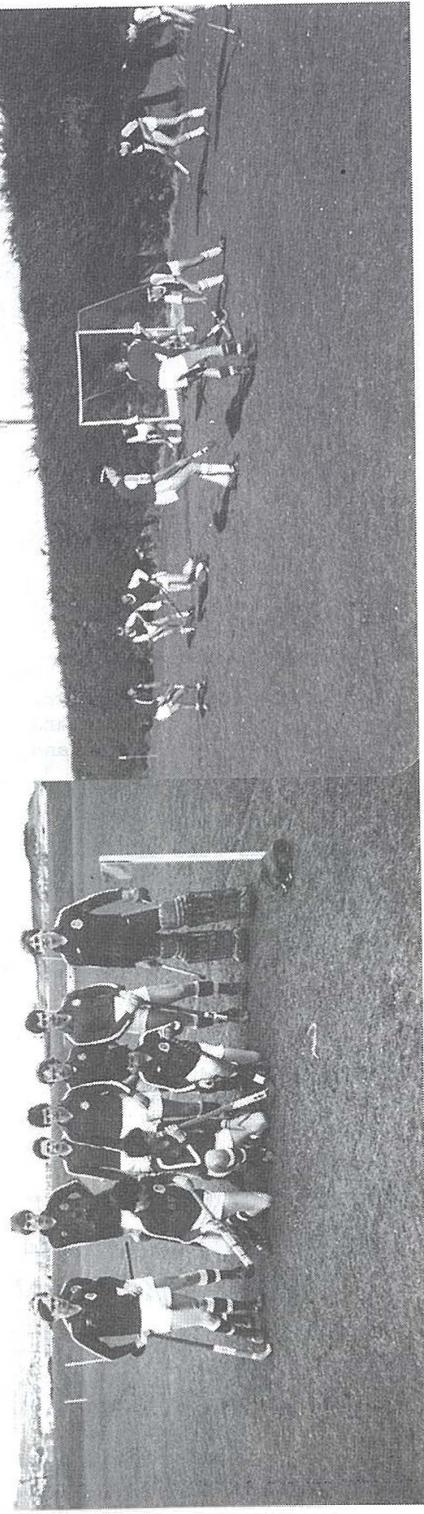

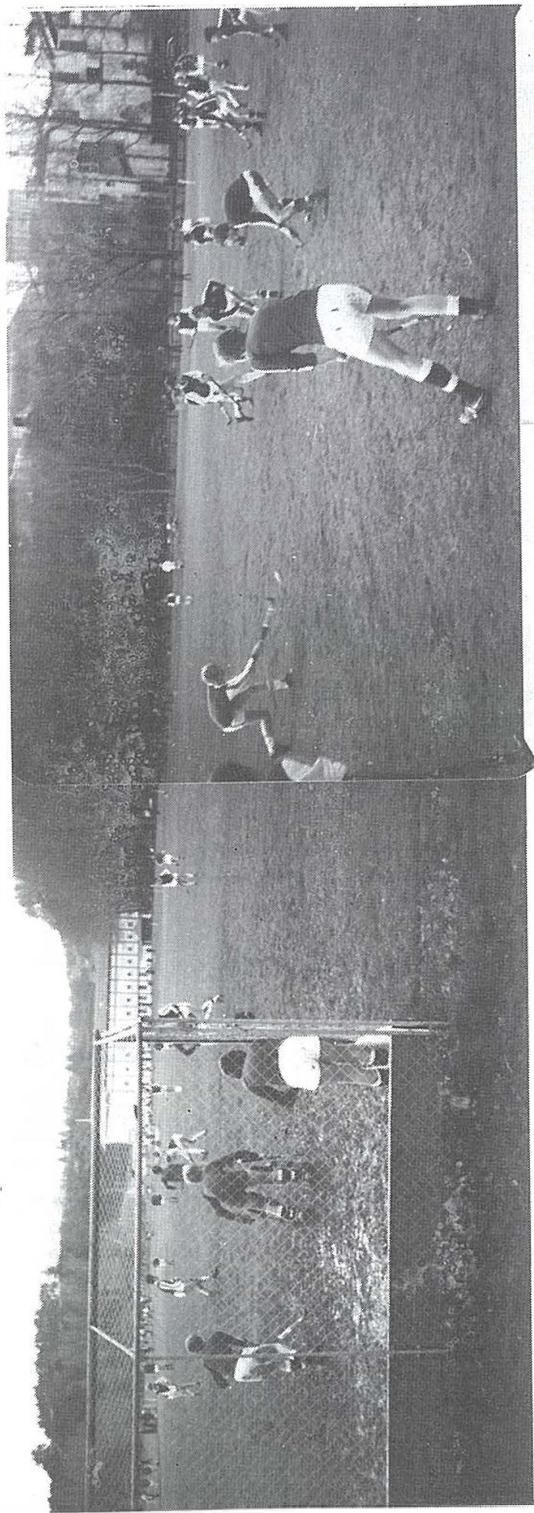

Thanks go to the reserves N. Hickey, J. Simmons for their support. A very special thanks goes to Mr Riley for his time and guidance throughout the year.

Rugby

1ST XV RUGBY

Back Row: M. Dawson, J. Tepana, B. Ngatai, B. Eastwood, M. Hunt, N. Walker
2nd Row: Mr C. R. Williams (Coach), R. Murray, M. Hogue, D. Jones, R. Capil,
M. Smith, M. Southby
Front Row: D. Hunt, D. Prendergast, A. Rance, J. Mawhinney (Captain), D. Miller,
J. Hitchcock, B. Murray, J. Culling

1ST XV RUGBY

Captain: John Mawhinney

Coach: Mr Williams

Following the tradition of other years, the 1st XV performed with distinction and compiled an outstanding record. After an early loss in club football, the team settled down and became a formidable combination especially in the forwards.

The team won the 1st XV competition (A. J. Geddes Cup) and was unbeaten in inter-school fixtures. The team also beat Brisbane State High School, one of the top sides in Queensland.

I am proud to have led the 1st XV this year because team spirit was high and members were right behind me as captain. Also thanks to Mr Williams for his patience and professional coaching and to parents and supporters who braved all weathers to lend their support to the team's cause.

1ST XV HAKA

Composed in 1982 by Mr "Mac" Campbell (Stephen Pokere's uncle) to replace the "non-haka" which had been performed since 1927, and had very little to do with Maoritanga.

KIA MAU

Who is this that causes this rumbling?

RINGA RINGA PAKIA KIA RITE
E rite nei hoki

This is Southland, this is Southland
Rumble, Rumble, Rumble.

<u>i</u>	as in key
<u>o</u>	as in awe
<u>u</u>	as in moon

TEAM MEMBERS

Michael Hogue - Fullback

- A reliable and reasonable consistent fullback who entered the backline well. An outstanding goalkicker.
- "Trains" speed enabled him to produce a deadly outside swerve in his first season of rugby. Was rewarded with 20 tries.
- Not a pacy winger, but ran with aggression and determination, often carving through opposition defence when entering the backline from the blindside.
- Had few chances to show his ability. Exceptionally hard tackler.
- A valuable member of the team especially as a "morale booster".
- Fiery on attack and ran strongly through midfield gaps. Had a good understanding of the team's defensive pattern.
- A steady ball distributor. Devastating tackler.
- Long pass, and good around the base of the scrum

John Tepana - Wing

Jonathan Hitchcock - Wing

Brent Eastwood - Wing

David Prendergast - Wing

Mark Dawson - Centre

Ross Murray - 1st V eight
Brayden Murray - Halfback

- Nathan Walker - No 8
- Versatile, can play in several positions. A tough competitor in the tight play. Useful goalkicker.
- Dean Hunt - Flanker
- Promising flanker and gave nothing away to older opponents. Has a great future with SBHS 1st XV.
- Alister Rance - Flanker/hooker
- A disappointing start but finished the season playing exciting rugby. An aggressive and dedicated player.
- Michael Southby - Flanker
- Didn't have many opportunities but served well when given the chance.
- Donald Jones - Lock
- A tall mobile lock who supplied a steady stream of lineout ball. Showed his ability by gaining higher representative honours. Will be a key figure in next year's team.
- Borris Ngatai - Lock
- Youngest member of the team, but made up for this in size. Good with ball in hand.
- Rex Capil - Lock
- Excellent at the front of the lineout and a strong mauler. An excellent prospect for next year.
- Martin Smith - Prop
- Extremely strong - excellent technique. Best game was for Southland against Japanese Secondary Schools.
- Mark Hunt - Prop
- Strong and mobile. Very experienced and able against any level of opposition.
- Joseph Culling - Hooker
- Smallest member of the team. A swift striker and excellent around the front of the lineout. Showed speed around the field and had an outstanding season with the 1st XV.
- Douglas Miller - Vice captain
2nd V eight
- A steady midfield player whose intelligent play and quick hands set up many tries for his outside backs.
- John Mawhinney - Captain
Flanker
- John developed confidence during the year and led by example in all facets of the game on and off the field. A determined and competitive player.

INTERSCHOOLS

v Otago Boys' High School - Won 3-0, Halftime 3-0

In a very close game, School managed to survive a late thrust from Otago. Southland, unlucky not to score on many occasions in the match did not play to its fullest capabilities. The ground was heavy and this affected the flow of play in a game where the two packs ground it out. Some sterling defence by school. M. Hogue played particularly well.

Scorers: M. Hogue - 1 penalty

v Waitaki Boys' High School - Won 11-4, Halftime 3-4

Played in heavy conditions school outplayed Waitaki but failed to slam home a comprehensive victory.

A flu epidemic saw changes in the side with No 8, N. Walker playing at fullback and performing creditably. School started strongly but Waitaki scored against the run of play. The second half saw constant pressure on Waitaki where school rammed home the advantage with two excellent tries.

Scorers: J. Tepana, B. Murray - tries
N. Walker - 1 penalty

v Brisbane High School - Won 17-10, Halftime 11-10

School fired from the kickoff and were up eleven points after 20 minutes. The grip was released and Brisbane were back in the game just before the halftime. School scored the only points in the second half through a well taken try by B. Murray. N. Walker at fullback turned in a fine performance topped off by a neat try after a run of 40 metres.

Scorers: N. Walker, B. Murray, M. Hogue - tries

M. Hogue - 1 conversion, 1 penalty

v Timaru Boys' High - Won 47-6, Halftime 17-3

Played on a firm ground. School ran amuck in the second half to completely dominate all phases of play. The loose forwards in particular stood out for some really constructive play.

Scorers: M. Hogue, J. Mawhinney, J. Hitchcock, N. Walker, J. Tepana (2), D. Miller (2) - tries

REPRESENTATIVE TEAMS

2ND XV RUGBY

Captain: Ian Duncan

Coach: Mr Baldwin

This year's 2nd XV was a relatively young side with only two players back from the previous year. However this lack of experience was more than compensated for by the commitment and teamwork of all players.

The team suffered many injuries in key positions during the season which meant forwards played in unaccustomed positions.

Players to gain Representative Honours were D. Nind, M. Broughton, G. Scully, M. Davis, D. Heydon, - Southland U/16 and D. Nind - South Island U/16.

The highlight of the season was a 4-0 loss to Verdon College, the competition leaders who later moved to U/20. The team played above themselves with tremendous spirit against a much bigger and more experienced opponent. The team progressed well throughout the season with all players improving their skills. Evidence of this was the nil all draw against JHHS, who convincingly beat us in the first round.

The team would like to thank Mr Baldwin for his time given in valuable coaching as well as his guidance and support for the team, and special thanks to Raymond Young for assuming Captaincy after Ian Duncan was injured.

Interschool Record:

v Orago Boys' High School - Won 16-4
v Waitaki Boys' High School - Won 8-6
v King's High School - Won 6-3

Local Competition U/18:

4th place - Played 14

Won	8
Drew	1
Lost	5

UNDER 18 B RUGBY TEAM

Captain: R. Larkin

Coach: Craig McLellan

An unusually high level of interest in playing senior rugby this year, resulted in the entry of two teams in the Under 18 grade.

The B team began the year as a relatively small and inexperienced side and suffered several heavy defeats at the beginning of the season. However the introduction of several heavier players, Chris Hall, John Grant, Simon Millar and Ian Richardson gave us a well balanced and mobile forward pack.

The team progressed well through the season, the backs developing better ball skills, allowing us to win our next four games. The team was placed in the lower section for the final round where we won one game and lost the other four by a greatest margin of four points. Out thanks for the dedication of our coach, Craig McLellan.

Thanks to M. East, J. McKenzie, R. Casey, W. Frost, S. Jackson and B. Murrell for playing when needed.

Team: J. Collie, D. Malloch, B. Hamilton, M. Brown, C. Hall, J. Grant, S. Millar, I. Richardson, L. Wilson, H. Thompson, D. Spencer, R. Larkin, J. McDonald, N. Thompson, J. Friend, A. McCracken, N. Denby, M. Tresslar, S. Snoep.

- School Song - "Play the game, don't get busted, keep quite cool."

UNDER 16 OPEN "A"

Captain: Nigel Cole

Coach: Mr Cooper

Played 11, Won 7, Lost 3, Drew 1

We lost our first game of the season to Verdon College and in doing so we lost the NZAS Cup. However we managed to win it back midway through the season. Our forwards lacked height and weight and so our potential to win ball was lessened. However the forward pack had the ability to lift themselves and provide the teams talented backline with plenty of running opportunities.

The team thanks Mr Cooper for his coaching and continuous support.

Team: J. McKenzie (Vice captain), Todd McLeay, Gerald Spain, Andrew Robertson, David Bragg, Alan Pedlar, Aaron James, Nigel Cole (Captain), Derek Bromhall, Mark Roderique, Douglas McWilliam, Rohan Welsh, Matthew Kersey, Shaun Taane, Alan Barr, Tony Hunt, Graeme Watt, Aaron Hodge.

Representative teams: David Bragg) Southland Under 16 "B"
Gerald Spain)

UNDER 16 OPEN "BLUE"

Captain: S. Brazier

Coach: Mr Downey

Played 11, Won 4, Lost 6, Drew 1
Points for 57, Against 154, 5th in competition

The team performed admirably throughout the season. Special mention to M. Wikstrom, R. Scobie, D. McKenzie, S. Brazier and S. Osborne for consistent effort. We had a notable victory over the Red team, a last minute converted try, won the game 9-8.

Special thanks to Mr Downey for his dedicated coaching.

Team: S. Brazier (Captain), D. McKenzie, R. Scobie, S. Osborne, R. Clarke, S. Spencer, D. McMillan, M. Hamilton, C. Ngatai, D. Raurimu, T. Taleni, J. Tuffley, M. Wikstrom, R. Cawston, S. Cundall. P. Edwards, G. Maxwell, B. Gawn, R. Anderson, C. Hubber.

UNDER 16 RESTRICTED "A"

Captain: C. Adam

Coach: Mr Murcott

It was a successful season with the team only losing two games and finishing 2nd in the competition. Both losses were to Cargill, the competition winners 11-10, 12-8. Our team performed well with plenty of fire in the forwards and speed in the backs.

We would like to thank Mr Murcott for coaching us throughout the season.

Team: C. Adam (Captain), B. Smith, S. Ballantyne, N. Sargeant, R. Tait, M. Scully, B. Finnerty, S. Enright, P. Simpson, J. Nicol, A. McLean, T. Buist, A. Hamilton, J. Paiße, A. Poy, A. Brown, S. Barraclough, D. Vaeluaga.

- Form 5 Math exam: "3 x 6 = 18 (by calculator)."

UNDER 15 OPEN BLUE

Captain: R. Southby

Coach: Craig Todd
Paul Henderson

Although the team did not win as many games as we would have liked, we did not lose any morale. As 5 games were lost by 4 points or less the team feels a little unlucky. However some of our more notable victories were a 19-10 win over James Hargest, a 14-10 win over Cargill and a one point win over the Red team.

Special thanks to Craig Todd and Paul Henderson for their coaching and support all season.

Team: K. Chilton, J. Simmons, T. Ryley, L. Joyce, N. Perkins, S. Forrest, J. Eade, R. Southby, N. Young, L. Toshach, L. Lyall, P. Rance, C. Smith, W. Denny, M. Skeggs, T. Anderson.

Thanks to A. Perriam for playing when needed.

UNDER 15 RESTRICTED BLUE RUGBY

Captain: Mark Williams

Coach: Mr Rolfe

As the second of two Southland Boys' High School teams entered into this grade our approach to the game was one of enjoyment. Winning was not our main priority and when we did win it was simply a bonus. The team was grateful to our coach, Mr Rolfe, for his dedicated effort throughout the season.

Team: Mark Williams, Mark Perrier, Dean Gillam, Timothy Robson, Fin Mansen, Andrew Cole, Robbie Ker, Shaun Culling, Timothy Richie, Alistair Proctor, John Houliston, Norman Crosswell, Stephen Spain, Craig Russell, Glen Cavangh, Andrew Fleck, Marc Colyer, Andrew McIntyre, Jason McGregor.

UNDER 15 RESTRICTED RED RUGBY

Captain: Laurence Mawhinney

Coach: Mr Dickson

Points for 269, Against 12
Played 10, Won 9, Drew 1

The team this year was a very good one. In winning 9 out of 10 of the games and drawing the other, we easily won our competition. A feature of the teams play was the excellent team work in the forwards, particularly the support of the ball carrier, and the strong running of the backs. These features coupled with the dedication of Mr Dickson as coach ensured the team's success.

Team: A. Taare, S. Tairi, L. Mawhinney, M. McGregor, D. Lindsay, J. Whimp, D. Bain, R. Smith, S. Gianotti, D. Horo, J. Cantrick, F. Taane, S. Prendergast, S. Watson, S. Jensen, W. Lewis, C. Robinson, D. Sadlier.

UNDER 15 REPRESENTATIVE RUGBY

Captain: Geoff Scully

Coach: D. Shields

A team was picked from Junior rugby teams to represent Southland Boys' High School at a National competition to be held in Dunedin. The team played very well against some strong North Island teams and finished third. Southland Boys' High School was the only South Island side to qualify for the finals and beat Hamilton Boys' High 23-3 in the playoff for third place.

The team was well led by Geoff Scully who showed skill and experience gained from 2nd XV rugby. The forwards provided good ball for the backs and were the basis of the teams success. A good solid front row well led by Derek Broomhall, strong lineout jumpers, Rohan Welsh and Shaun Taane were the main core of forwards. The loose forwards tackled exceptionally well and Anthony McLean played above himself in all games. In the final game against Hamilton it was power play by the forwards led by devastating tackling of Tony Hunt and good barging runs by Graham Watt that ensured success. The backs ran well and tackled some of the North Island sides out of the game. The tournament was good experience for up and coming players, and was very enjoyable.

Soccer

1ST XI SOCCER

Back Row: D. Macdonald, L. Jensen, B. Haywood, P. Braxton

2nd Row: S. Humphries, A. Bunce, G. Scobie, B. Guild, D. Pay

Front Row: D. Frost, D. Fowler, F. Lawrence (Captain), B. Heydon, P. Dickie, G. Cuff

1ST XI SOCCER

Captain: Paul Lawrence

Coach: Mr Gilroy

This year we entered the local senior reserve competition. It was a shaky start to the season conceding twelve goals in the first two games. This shows that our team was young and inexperienced, however we soon settled down and began to reach our deserved place in the competition. Although the team didn't play well against the weaker teams, school performed creditably against the stronger teams; this was shown when school drew with the winners of the competition both times. Our results in this competition are:

Played 14, Won 2, Drew 6, Points for 32,
Points against 49, Points 10.

The team also played in the Charity Cup competition with the results: Played 3, Won 1, Lost 2, Goals for 8, Goals against 11

The third competition in which we participated in was the DB Tournament, where we met the top teams in Invercargill.

The team would like to convey its special thanks to coach, Mr Gilroy, for his time, effort and commitment to the school. It has been greatly appreciated. We would also like to mention Mr Goodwill for the administrative duties done at school.

INTERSCHOOLS - Home games.

v Otago Boys' High School - Lost 3-0

This was a disappointing result, for our team played well against a tough opposition. We were mainly beaten in the air which Otago dominated with their taller men. Our forwards played well but were unable to finish off promising moves which was mainly due to the strength of the Otago team. Otago's goals came about through lapses in concentration in our defence, which Otago capitalised on.

v Linwood High School - Won 3-0

The school team showed the best of its skill and team work on this occasion. We withstood the early pressure applied by Linwood which saw many of their shots

rebound off the crossbar. After the first fifteen minutes school overcame their nervousness and took control of the game with goals from P. Braxton, who had a great game as striker by scoring twice, and G. Cuff scoring the third.

Away Games.

v King's High School - Lost 4-2

With players in national league and southern league competition, King's were far more experienced than our team, this showed through in the individual skill of their players. A goal from A. Bunce in the first seconds of the match made us confident but quick goals from King's saw them right. Our two goals came from A. Bunce, one in each half.

v Timaru Boys' High School - Won 5-2

On the best ground played on this year the school team was easily in control of the game through good passing and running into space. Goals came readily for us when the Timaru defence was stretched with 3 goals coming from set positions. Timaru scored two goals, both coming from the same player, who was the strength of their team. School deservedly won through fitness and team play with goals coming from A. Bunce 2, S. Humphries, his first for the year; P. Braxton and D. Fowler, who came on as a replacement for P. Braxton.

Team Portraits

- | | |
|-----------------|--|
| Paul Lawrence | - Captain Sweeper (23 appearances, 0 goals). A competent player who assumed the captains role well. |
| Brent Guild | - Vice Captain, left back (22-0). A determined player who played a vital role in defence. |
| Brent Haywood | - Goalkeeper (24-0). Has progressed extremely well through this season. |
| Brent Heydon | - Right Back (19-1). An extremely aggressive defender. |
| Greg Scobie | - Centre Back (18-1). A back who switched readily to attack. |
| Phillip Dickie | - Centre Back, Reserve (7-0). With more experience he shall be able to capitalise on his skill. |
| David Pay | - Left half (22-1). A very consistent player who was a strength to the mid field and the rest of the team. |
| Lars Jensen | - Mid-field (19-1). A highly commendable player whose initiative has helped the team through many scrapes. |
| Simon Humphries | - Centre half (19-1). Strong and aggressive, a good leader of the ball. |
| David Frost | - Right half (16-2). Reads play well, an extremely good player. |
| David Macdonald | - Right half (18-1). A very definite prospect for 1984 having established himself this season. |
| Daryl Fowler | - Forward, Reserve (6-4). Coming into the team when needed he scored some vital goals. An excellent striker. |
| Grant Cuff | - Right Wing (19-11). His ability to kick with both feet set up many good plays. |
| Phillip Braxton | - Striker (21-15). Equal top scorer. Able to run rings around most of the defenders in the competition. A pity he has left school. |
| Alan Bunce | - Left Wing (21-15). Equal top scorer. Dazzling the opposition with speed and skill he was able to break open tight defences. |

- 6th Form English exam: Macduff writing to Lady Macduff: "Dear Macduff's wife,...

2ND XI SOCCER

Captain: Russell Taylor

Coach: Mr Goodwill

The team was entered in the Third Grade competition, in which we were the only school team. The team was pitted against teams that offered tougher opposition than teams of our own age group and to finish runner-up was a great credit to the team and our coach.

Success may not have come our way by means of receiving a trophy but to remain unbeaten and lose only on goal-difference meant the season was a great success. The teams attack always kept the opposition defences busy and this was shown particularly by the amount of goals scored by Darryl Fowler and Fergus Welsh, 26 and 15 respectively. Other players chimed in with goals at vital times and set many goals up and this must go to the credit of the midfield, particularly Nicky Alterio for the workload he achieved throughout the season. In the defence it was especially pleasing to see first year players Dean Gerken and Jeff Moreton playing such an important role. However, the major asset to the team was goalkeeper Grant O'Callaghan who saved the team many a time. This was well illustrated by the fact that of seven penalties conceded, no goals resulted. Altogether the team scored 67 goals and conceded 15, Games won 10, drawn 2, lost 0.

Thanks on behalf of the team goes to our coach Mr Goodwill for his coaching and organising of the team and also his willingness to help by refereeing. In fact he handled games with more control than official referees.

The team: Russell Taylor (Captain), Darryl Fowler, Fergus Welsh, Phillip Dickie, Grant O'Callaghan, Jeff Moreton, Dean Gerken, Michael Tapper, Chris Tansley, Nicky Alterio, Stewart McDonald, Nguyen Chau, Gavin Jacobson and Ian Codd.

UNDER 15 SOCCER

Captain: Ian Gray

Coach: Mr Haworth

After starting the season with a well deserved 5-1 win over Queens' Park we gradually slipped to last place in the competition.

An excellent game at the end of the season against the top team brought back the enthusiasm but it was too late.

Played 9, Won 3, Lost 6, Goals for 21, Goals against 35

Our thanks to our coach Mr Haworth.

The team: I. Gray, S. Beaumont, J. Moore, D. Goodwill, S. Lawrie, D. Frame, J. Robertson, P. Panagiotidis, R. Bell, D. Gillam, M. Walker, P. Lock, D. Riddle, R. Viner

UNDER 14 SOCCER

Captain: I. Grieve

Coach: Mr Goodwill

Games Played 8, Won 6, Drew 0, Lost 2

On the whole, the team played very well considering the variety of size and experience. We made a strong start to the season winning the first two games 9-1. The top goalscorer was J. Stevens scoring 5 goals in both games and S. Raynes scoring a hat trick in both games. After much hard work we earned 2nd place in the local competition.

Many thanks to our coach Mr Goodwill.

The team: I. Grieve (Captain), J. Stevens, S. Raynes, N. Fraser, N. Hawkes, G. Ryan, P. Mercep, M. Adams, D. Hunt, H. Donaldson, B. Smith, C. Panting and B. McNaughton.

Southland representatives: I. Grieve, J. Stevens, S. Raynes and B. Smith - A team
G. Ryan and C. Panting - B team.

Softball

SOFTBALL

Back Row: B. Heydon, D. Cooper, A. Chambers.

2nd Row: M. Hunt, G. Smith, R. Pankhurst, D. Fowler.

Front Row: D. Heydon, D. Hunt, R. Capil (Captain), N. Sommerville, L. Jensen.

SOFTBALL 1ST IX

1983 saw a very successful year for the school softball team. Being the second year of play after the games reintroduction to the school. The schools senior side again entered the Dalgety Travel New Zealand Secondary Schools Championship. In the regional tournament played at Invercargill the school team easily defeated Kingswell, Cargill and in the final Menzies. After winning this competition the team then went on to the South Island finals, being the number two seed, in Christchurch. In the preliminary game it defeated Waitaki BHS 15-4 and qualified to play Burnside, the No 1 seed and eventual winner, in the semi finals. However the Burnside team proved to be more efficient and stronger batters and ended up thrashing the school team 10-4. However with the whole of the playing IX returning for next season the team will have a grand chance of success in this tournament next year.

1983 also saw a great boost for the game in the school with the interschool fixture being played against King's HS. After playing two friendly games SBHS defeated King's 11-0 in the interschool game. The team had a great spirit and a very enjoyable and successful season.

R. Capil (Captain), N. Sommerville, L. Jensen, A. Chambers, D. Hunt, D. Fowler, D. Heydon, G. Smith, M. Sparrow were all selected for the Southland Under 16 team which played in the New Zealand tournament in Hamilton, and saw A. Chambers selected in the tournament B team, and M. Hunt being selected in the Southland Under 18 team.

The team would like to thank Mr Cooper for his organising and support throughout the season and a special thanks should be given for his work initiating and organising the interschool with King's HS.

- During a 3rd Form debate on the topic: That carelessness on the road is the largest cause of deaths in New Zealand; one lad stated that "....death is frequently permanent."

Swimming

SWIMMING

Back Row: S. Millar

Front Row: W. Evans, A. Hamilton, M. Campbell, R. Tapper

The strongest swim team yet fielded by Southland Boys' High School to the South Island Secondary Schools Swimming Sports seemed certain of success. The team had more depth to it this year than previous years, with the young 3rd former Andrew Hamilton in particular. Other experienced swimmers Simon Millar, Richard Tapper, Wayne Evans and Mark Campbell also filled the team. The individual success was admirable against stern competition with Richard Tapper shining in a class of his own slashing the 200m Fr record by some 7 seconds. The team relay effort 4 x 50m Fr capitalised on its titled last year by taking the record this year of 1.49.3 from 1.49.9.

RESULTS:

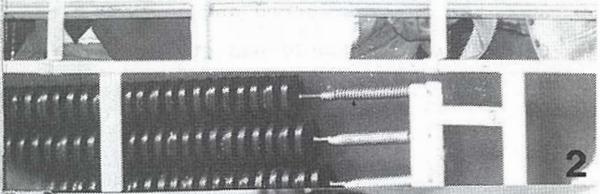

Team	4 x 50m Fr relay	1.49.3	rec	1st
R. Tapper	400m Fr U/15	4.28.81		1st
	200m Fr U/15	2.03.72	rec	1st

Table Tennis

SBHS 1

Captain: James Wilson
Team: Gareth Williams, Alister Gray
Reserve: Paul Dawson

The secondary schools competition was held on Wednesday evenings at the Southland Table Tennis Association's Hall in Lindisfarne Street. Teams involved in the competition included Hargest, Cargill, Kingswell, Verdon, SGHS and SBHS. Hargest entered five teams into the competition whereas the other schools entered three teams.

The Hargest teams were relatively new to the sport and were easily eliminated.

SGHS had an experienced and confident team and played well.

Cargill and Kingswell had strong teams and played exciting games.

The Verdon College team was similar to the Hargest team, inexperienced and rather under-confident, never-the-less they played enthusiastically.

James Wilson showed leadership during crisis situations and was a skilful experienced player. His agility was the key to the team's success.

Gareth Williams was an experienced player and an invaluable team member. He developed fine playing skills and Wilson and Williams were the only players who remained undefeated.

Alister Gray's aggressive manner led the team to many victories. Although inexperienced Gray improved remarkably and became a credit to the team. Wilson and Williams were selected to play for the Southland B grade team during the August holidays.

Although Paul Dawson had never played before, the team must thank him for acting as reserve.

With Mr Woodward donating a lot of his spare time, he coached a promising and skilful team. The team offer a special thanks to this fine coach.

Triathlon

This event, the brainchild of Mr Woodward, was designed to test the all round endurance of senior students while pitted against each other in the form of a race.

The course consisted of swimming 16 lengths of the Queen's Park Pool, running 6 km and cycling 18 kms.

The sixteen contestants gathered outside the Queen's Park Pool on a damp Invercargill morning at about 7.45 a.m. Heat One was underway at 8.00 a.m. and Chris Goodwill, despite being last out of the swimming pool, came home sixty three and a half minutes later, three minutes ahead of the next competitor, Wayne Evans. Third in the heat one was Joe Culling. Heat Two began as the Heat One competitors cleared the pool and John Grant returned on his bicycle first, one minute ahead of Paul Winder. John Mawhinney was third. Overall placings were: First, Chris Goodwill 63 min 29 sec. Second Wayne Evans 66 min 29 sec, Third John Grant 67 min 38 sec.

All competitors enjoyed the event and would like to thank Mr Woodward and other staff for the organisation, and giving up of their time on the morning of the contest. The event is to become an annual event and there is expected to be a greater number of entries.

Tennis

TENNIS

Back Row: J. McKenzie, M. East

Front Row: M. Broughton, J. Anderson, R. Taylor, M. Williams

Absent: J. Cantrick, B. Henderson, T. Smail

TENNIS REPORT

In term I Southland Boys' High School had four teams entered in the "Boys 16 years and Under" Grade and one team, with girls from Southland Girls' High School, in the B Grade of the "Town Lawn Tennis Sub-Association" competitions.

Southland Boys' High 1 were successful in winning the "Boys 16 years and Under" competition. Regular members of that team were C. Herbison, B. Guild, N. Thompson, A. Skene and J. Moreton.

In Term 3 Southland Boys' High entered three teams in the "Boys 16 and Under" Grade and one team, consisting of players W. Evans, B. Middlemass, M. East, J. Duston, P. Winder and girls from Southland Girls' High in the A Reserve Grade of the "Town Tennis" competitions.

Term 3 saw the introduction of a new tennis competition between Invercargill Secondary Schools. Southland Boys' High entered two teams in both the Senior and Junior boys grades. Games were played each Wednesday after school at school venues and each team consisted of four players. Each team member played doubles and reverse doubles.

Team members were:

Senior Boys:

SBHS 1 - J. McKenzie, J. Anderson, M. East, M. Broughton

SBHS 2 - R. Taylor, M. Sexton, P. Rewiri, T. McLeay

Junior Boys:

SBHS 1 - M. Williams, R. East, R. Cantrick, I. Fraser

SBHS 2 - Each Wednesday the team consisted of four players from:-

B. Turnbull, T. Ritchie, A. Cole, T. Sycamore, D. Horo, G. Robertson, F. Taane, W. Lewis, M. Adam, J. Stevens.

At the time of writing this report two Rounds of this competition had been played with the following results.

Senior Boys:

SBHS 1 - beat Cargill 4-0
SBHS 2 - beat Kingswell 4-0
SBHS 1 - beat Kingswell 4-0
SBHS 2 - beat Verdon 4-0

Junior Boys:

SBHS 1 - beat Cargill 4-0
SBHS 2 - lost to Verdon 0-4
SBHS 1 - lost to Verdon 17-23
SBHS 2 - lost to Kingswell 20-22

SCHOOL TENNIS CHAMPIONSHIP

The school again held single and doubles championship matches which were played over a number of rounds.

The singles final saw Michael Broughton play James Anderson after Michael had beaten Paul Rewiri in one semi final and James had beaten John McKenzie in the second semi final.

On a scorching hot day, played in front of a large, attentive crowd Michael fought determinedly to withstand James's challenge. After losing the first set he came back strongly to win the last two and take the match 2 sets to one and the championship for two years in succession. The doubles final was contested between the topseeds Michael Broughton and James Anderson, who had eliminated Grant Cuff and Greg Scobie in one semi final, and Mark East and John McKenzie who had defeated Paul Rewiri and Russell Taylor in the second semi final. It was again played in front of a large, somewhat parochial crowd who were highly entertained. In a minor upset John and Mark won the first set but the superior volleying and greater allround strength proved to be too much for them and James and Michael won the final two sets and the match.

INTERSCHOOL TENNIS TEAMS

Captain: James Anderson

Coach: Mr C. Williams

The School Tennis Team this year was well balanced and proved to be one of the most successful of recent seasons. The return of most of last years team provided a solid core of players on which to build.

The departure of Miss Boyd at the beginning of the year, and Brendan Henderson during the first term showed them to be greatly missed and the team is thankful for the time and service which the two provided. The position of coach was most enthusiastically taken up by Mr Clive Williams who not only supervised but coached the team. His influence was felt in particular with the games against Otago Boys' High School, as can be seen compared with the result of the previous years. The long tradition of producing high standard junior teams was again maintained this year by Mark Williams, John Cantrick and Wade Hoskin who all showed quiet determination in defeating their opponents.

Team:

- | | |
|-------------------|---|
| James Anderson | - An effective topspin player and strong hitter of the ball.
Capable of good tennis when motivated. |
| John McKenzie | - A determined authoritative player when on form. Strong forehand and volleying. |
| Brendan Henderson | - A natural hitter of the ball with a very strong backhand.
Quickness around the court could be improved. |
| Michael Broughton | - Could be described as a "sleeping giant". Very effective flat serve and capable of fine thoughtful tennis. |
| Mark East | - A relative new-comer who showed his natural sportsmanship on the court to a high standard. Strong forehand. |
| Tony Smail | - Another natural sportsman who proved a valuable experienced member. A successful "rallier". |

- Russell Taylor - An experienced campaigner who proved himself against Otago Boys' High School by consistent serving and a pleasant determination.
- Douglas Miller - Doug showed a keen interest and ability in the few games he played. A strong topspin forehand.
- Mark Williams - Although one of the youngest players, Mark showed a very fluent and correct style. His fine ground strokes coupled with a consistent deep service should see him to be a valuable senior member.
- John Cantrick - John's height showed no relation to his consistent hard hitting. This often amazed his opponents.
- Wade Hoskin - A talented young sportsman, who showed an all round ability on the court.

INTERSCHOOL TENNIS:

v St Andrew's College - 4-5/12/82

Played at home at the end of the school year. St Andrew's sent down a strong team which proved to lack depth. B. Henderson and M. Broughton combined well in the doubles to only narrowly concede a senior victory, but the well deserved outright win by the juniors brought an overall victory of 10 rubbers to 7.

v Shirley Boys' High School - 21-22/2/83

As this was the first interschool of the year the team was determined to produce a good result. A feature of the two days play was the number of closely fought matches in which we were fortunate enough to have the edge on most of them. The overall score was 14 rubbers to 3.

v Otago Boys' High School - 14-15/3/83

The seasons highlight of the interschool circuit was this year played in Dunedin. Unfortunately bad weather affected the first days play, but the Otago Boys' were well prepared and the games were transferred to the Dunedin Stadium. Here the strong Otago Boys team dominated the top seedings but thanks to the lower order combination of Tony Smail and Russel Taylor a creditable 14 rubbers to 7 defeat was achieved.

v King's High School - 21-22/3/83

The home event, being contested by 4 senior and 2 junior players from each school, was highly successful in view of weather and results. Although the King's team was determined, a fine school 13 rubbers to 3 victory was achieved.

Visitors to School

1. His worship the Mayor, Mr Russell Miller presents Roy Ward with Maths Certificate.
2. Tahitian students Christian Shui-Sui-Way and Yannick Chagne
3. Guest speaker at Senior Prize giving, Mr A. Gilchrist.
4. Returned A.F.S. student - John Gibson
5. Spokesperson for Hart - John Minto

New Zealand.

THE ANZ STUDENT PACKAGE.

A package of financial services that'll help keep the wolf from the door.

The ANZ Student Package provides cures for all manner of financial headaches.

Ranging from long term loans to real practical help and advice whenever you need it.

AN ANZ PERSONAL BANKER.

The human element is an ANZ personal banker.

Their services are free and their job is to act as your contact and financial advisor at the bank.

ACHEQUE ACCOUNT FREE FROM QUARTERLY BANK CHARGES.

In addition, student customers also receive exemptions and discounts on certain bank fees.

For instance, for the duration of your studies, your ANZ cheque account will be exempted from standard quarterly bank charges.

A BURSARY ADVANCE FACILITY.

Should you require some sort of financial assistance between bursary cheques, we can help tide you over with a bursary advance.

The bursary advance takes the form of an

overdraft facility on your cheque account for which only a concessionary interest rate is charged.

AN STUDENT LOAN FACILITY.

For rather more substantial financial help you can apply for a student loan of up to \$500 for each year of study, starting from year one, and up to a maximum of \$2000.

As with bursary advances, student loans are available at a special student rate, and full repayment needn't be made until 2 years after the completion of your studies.

FREE AUTOBANK CARD.

Autobank cards are issued free of charge to all ANZ cheque account customers.

These cards can be used at any ANZ/BNZ Autobank 7 days a week, from 7am to 11pm.

Your local ANZ branch would be happy to give you an application form and details of your nearest Autobank self service banking facility.

FORM 3R

Merit Certificates:

Dion R. T. Raurimu, Art
Christopher R. Ellenden, Metalwork
Andrew J. Lock, Mathematics and Science
Jason H. McKenzie, Mathematics and Social Studies
Phillip J. Thompson, Mathematics and Technical Drawing

Aggregate Prizes:

Alister J. Todd, 3rd in class
Matthew D. Hansen, 2nd in class
Timothy A. Dodd, 1st in class

FORM 3T

Merit Certificates:

J. Robbie C. Ker, Mathematics and Woodwork
Craig Bootsma, Mathematics and Economic Studies
Nigel G. Dickie, Economic Studies and Technical Drawing
Paul W. Coveney, English and Technical Drawing

Aggregate Prizes:

Craig J. Simon, 3rd in class
Stuart A. Hansen, 2nd in class
Richard H. Smith, 1st in class
Rex A. Ryan, Prize for effort

FORM 3B

Merit Certificates:

Scott P. Bradley, Metalwork
Karaan J. Chilton, Mathematics and Woodwork
Dean D. Kuiti, Science, English and Economic Studies

Aggregate Prizes:

Chris J. Panting, 3rd in class
Owen B. Gibson, 2nd in class
Andrew C. Ruddenklau, 1st in class
Evan E. Manson, Prize for effort

FORM 3M

Merit Certificates:

Darrell M. Bathurst, Science
Wayne A. Findlay, Social Studies and Mathematics
William H. Denny, Mathematics and Metalwork

Aggregate Prizes:

Philip Mercep, 3rd in class
Michael C. Horrax, 2nd in class
Jason W. Reid, 1st in class

FORM 3G

Merit Certificates:

Jason I. Stevens, English
Simon Gianotti, Social Studies
Grant P. Baxter, Science
Jason D. Macgregor, Mathematics, Economic Studies and French

Aggregate Prizes:

Darren J. Mitchell, 3rd in class
N. Mark Scully, 2nd in class
Stephen J. Rooney, 1st in class

- Exam answer from 3rd Former: "This year I have read more books than other years and because of that it enproved my spelling."

FORM 3F

Merit Certificates:

Steven A. Wing, English
Michael D. Adam, French
Shane K. McDowall, Woodwork
Blair McL Turnbull, Art
Andrew R. Cole, English and Woodwork

Aggregate Prizes:

Grant J. Ryan, 3rd in class
Quilla K. Kiore, 2nd in class
Jason D. Cowan, 1st in class

FORM 3L

Merit Certificates:

Dean P. West, Metalwork
Wayne A. Munro, Mathematics and Art
Richard J. Lucy, Science and Social Studies
Jon G. Waldron, Science and Metalwork
Andrew R. Whelan, French and German
