EDITORIAL

The range of activities in which our school is involved is ever increasing, this magazine bearing witness to this. Students are more willing to sacrifice their own time by participating, in sport, musical and cultural activities and have consequently achieved very high standards in all spheres.

Undoubtedly we have great talent and expertise, either potential or realised, in many fields and one wonders whether this could not be utilized in the more routine matters of school life. Take assembly for example, where the student is confined to the role of a very passive observer. Why not diversify from our present format and allow classes and groups from within the school the opportunity to organise and direct assemblies? Outside speakers, debates, slide shows, drama excerpts, musical performances, are all possibilities within the capability of any class – junior or senior.

Members of the duty class need not always be the actual participants, but their involvement is ensured in organisation and their efforts will most certainly be greeted with interest, and I believe, appreciation by the rest of the school.

This idea should also be incorporated in what should be the highlight of any school calendar – the Prize Giving. Representing as it does, the end of so many school days, it seems strange that the wealth of musical, dramatic, and public speaking talent is completely neglected and students relegated once more, to the role of passive observer.

Consider how aptly chants of "Zigger Zagger City" could have been used this year, or perhaps some "Jonah Man Jazz" from the newly-formed choir or even a rousing version of "The Trumpeters Lullaby" by our National Youth Bandsman, if not the entire orchestra. Once again, the possibilities are endless and students should have as of right, the chance to expand them.

Southland Boys' High School has always maintained a fine standard of involvement and participation in community affairs, yet we neglect internal involvement by the students. Were this deficiency overcome, then I believe we would experience a re-awakening of the temporarily dormant school spirit, an experience which would stem simply from the enthusiasm generated by participation.

DIARY - FIRST TERM

FEBRUARY

- Tues. 4: Senior school is forced through the school gates after a lengthy break.
“A perpetual holiday is a good working definition of hell.”—Shaw.
- Wed. 5: Junior school returns and the sight of so many lost and bewildered faces proves too much for seniors who depart after a brief appearance to sample once more, the joys of Shaw’s hell.
- Thurs. 6: New Zealand Day – Rumour has it that the two day week is to become a permanent modification.
“There are two days about which nobody should ever worry, yesterday and tomorrow.”—Burdette.
- Thurs. 13: Fotochrome Studios arrive. Three supervising Prefects, after appearing enwrapped in photography, tag on the end of 3rd Form line to pose before the lens.
“Vanity is the greatest of all flatterers.”
—La Rochefoucauld.
- Mon. 17: Rector tells the school that boys and girls socializing on street corners is not very becoming and that “at our stage of maturity we should be able to use more sophisticated positions!”
“The way to fight a woman is with your hat – grab it and run.”—Barrymore.
- Fri. 21: Head Prefect announced. Newly appointed Nigel, reclining leisurely in the Prefects’ room bellows “Come in” to a timid knock. Instead of trembling 3rd Former, in walks J. C. A.
“Some rise by sin, others by virtue fall.”—Shakespeare.
- Thurs. 27: Girls’ High Prefects arrive for cancelled sports. Many teachers enviously eye the glutinous spread laid on for them.
“The way to a teacher’s heart”
First senior dance held and met with overwhelming response, especially from the girls.—“Dancing! Oh dreadful! How it was ever adopted in a civilised country I cannot find out; ‘tis certainly a Barbarian exercise of savage origin.”—Burns.
- Fri. 28: Rector condemning bullying, offers his boxing gloves and the school gym to settle disputes in a gentlemanly manner.
“One of the embarrassments of being a gentleman is that you are not permitted to be violent in asserting your rights.”—Butler.

MARCH

- Mon. 3: Ten new Prefects announced, but due to a shortage of badges, the last three receive a mere pat on the back.
“I woke one morning and found myself famous.”
—Byron.
- Tues. 4: School sports held on first break the weatherman offered. Mr Lonsdale broadcasting cricket scores — “England 93 for 3” yet 5 minutes later — “After a miraculous recovery, England now 101 for 1!”
- Thurs. 6: Prefects go on display at Girls’ High Sports and due to more effective cheating, clinch victory in the relay.
“He who cheats best, wins!”—Ancient Chinese Proverb.
- Wed. 12: Walker, Skene and Lee debate before a capacity house at Girls’ High: “That there are fairies in the bottom of the garden.” Frolicking fairies, stars, pumpkins and wands were all used to tempt and torment our three distinguished gentlemen decorated in sunhats and umbrellas.
Cricket with Kings’—Murdoch, asleep in the pavilion, forgets to declare and consequently a draw results!
- Thurs. 13: 7th Form wanders down to Girls’ High Common Room to consume the provided feast.
- Tues. 18: The cricket team once again manages a draw, while the tennis team loses narrowly to Otago.
- Wed. 19: Mr Cocks shocks two parents to extent where letters appear in the paper protesting about the poetry he issues to his 4th Form.
“Unholy exclamations are a necessity of life.”—Hardy.
- Thurs. 20: Yet another letter appears to support the forementioned.
- Mon. 24: 1974 Southlandian issued. Mr Williams takes Skene out of history for short dissertation on anti 1st XV editorial.
- Tues. 25: Rector digresses in assembly to rubbish the now legendary editorial. Two red-faced authors (was it laughter?) observed in the back row.
- Wed. 26: Rector seen disconsolately viewing the struggling Bio garden with a mangey cat hot on his tail!
4th Form dance – certain Prefects, corrupted by the 4ths, are quietly reminded by a Girls’ High teacher about who’s supposed to be setting the example for who!
“If the lower orders don’t set us a good example, what on earth is the use of them.”—Wilde.
- Thurs. 27: School concludes for a well-deserved Easter break.

APRIL

- Wed. 2: School returns and some 7ths depart on a Biology holiday to Riverton during which undernourished students were seen to haunt the local stores.
- Mon. 7: Rector in assembly -- I've kept the Grant Block off the No.2 Field.
I've kept the Boiler Room off the No. 2 Field.
I've kept the Gymnasium off the No.2 Field.
“Pity he didn't do so well with the Rugby ground.”
—Anon.
- Tues. 8: School Work Day. A number of people who couldn't afford to pay for a holiday seen at school, in uniform.
“One of the disadvantages of being poor is that it necessitates the cultivation of virtues.”—Jerome.
- Wed. 9: Reciprocal visit of Girls’ High 7th Form for lunch. Some seniors depart to Victoria Concert Chambers to hear Raymond Boyce—ask them if they feel like a chest of drawers!
- Thurs. 10: Rendering of last rights heard from Bio Lab. —
“Ashes to Ashes
Dust to Dust
Snail to Scape!”
- Fri. 11: Multitudes flock to see demolition of five courts at interval. Rector later advises that assembly that it's alright to continue using courts until contractor arrives. Strange how two trucks, a crane and bulldozer passed unnoticed? (Perhaps they forgot to come through the front entrance!).
In Junior assembly, Rector repeats this pantomime and also announces that he's walked in with last year's diary.
“Blessed are the forgetful for they get the better even of their blunders.”—Nietzsche.
- Fri. 18: Educational Development meeting of staff—so school takes a holiday.

Sat. 19: 1st XV suffers loss in first competition game.
C. R. W. — "You lot couldn't push a dung heap uphill!"
—What chance did they have against the Tokonui forwards?

Mon. 21: Seniors render a strange version of the National Anthem.
"What I want is a song without words — or music." —Butler.

Mrs MacClean talks to juniors on Consumer Institute.
7th Accounting notable by their presence amongst the 3rd Form.

Tues. 22: Despite pouring rain, reliable sources indicate that the tennis championships are to be held today.
Masses rush to enter but find all vacancies full!
Assembly hall groans to yet another rendering of Anthem.

Thurs. 22: J. C. A. shows Prefects their new badges.
Walker innocently asks, "Can we wear both?"
The above mentioned gentleman replies "Do you want an arm band as well?"
Anzac Day Service and the school orchestra is at last unveiled. "The rabble who are so shocked by this sight that they get to sing."
"I am saddest when I sing, so are those who hear me." —Ward.

Fri. 25: "ALPHA" censored by Mr Cornwell.
Mon. 28: Senior A Debating team convincingly beats Kingswell B, whilst Junior A loses to Hargest B in Jaycee competition. Rector notable by his presence in a somewhat spartan audience.
"Debate is what catches de fish!" —Bic Ballpoint Pen.

Tues. 29: Rector advertises previous debates, with result that larger audience present to see Senior B and Junior B trounce Hargest A combinations.

MAY

Thurs. 1: Horrell arrested by the law whilst reprimanding a junior cyclist for his misdemeanours.
Senior Daisy May Dance and whilst the theme didn't really catch on with the girls, the boys went mad and many weird and wonderful costumes were seen.

"A man ought to look like he's put together by accident, not added up on purpose." —Morley.

Fri. 3: Swimming Sports provide yet another holiday and Australian Geographers arrive and are forced to sit in embarrassed silence before the Senior School.

Tues. 6: Mr G. D. Alabaster: "We hope to have some more 'concrete' evidence of the work day."
"Better a witty fool than a foolish wit." —Shakespeare.

"ALPHA" censored by Mrs Clarkson.
Thurs. 8: "ALPHA" the legendary school paper, after many frustrating hours at the Xerox, goes on sale at both schools. Demand far exceeded supply and profits (all 50c of them!) were spent on psychiatric bills for the editors!
School concludes for Term I.

DIARY - SECOND TERM

MAY

Mon. 26: School returns and Mr T. C. Berridge announces in junior assembly that the Rector has given \$100 for sports equipment, yet the Rector later admits to spending \$200!

"An exaggeration is a truth that has lost its temper." —Gibon.

Wed. 28: 1st Hockey XI play their Girls' High counter parts.
Despite a few devious tactics (Mrs Crouch played) school won 3-1.

Thurs. 29: Navy band, complete with female drum squad, entertains seniors in hall.

JUNE

Tues. 3: Sirens pierce the air as fire engines rush to extinguish a boiler room fire.
Junior B Debating team narrowly loses to St. Caths' juniors whilst Senior A completely annihilates their seniors by over 100 points.

Tues. 10: School mourns death of Mr A. W. I. Duncan in assembly.

Thurs. 19: Examinations start, much to everyone's surprise.
"In examinations the foolish ask questions that the wise cannot answer."—Wilde.

Sat. 21: 1st XV is humbled by Hargest.
"Humility is the first of the virtues—for other people."—Holmes.

Mon. 23: Walker advises assembly that dancing classes are organised to save embarrassment on night of Formal, as well as to provide a happy hunting ground for partners!

Tues. 24: Rector treats assembly to 1st XV tactical talk.

Wed. 25: Waitaki and wins in Rugby, Basketball, Badminton and Debating (Skene best speaker). Soccer also triumphed over Linwood.

Thurs. 26: Dancing classes begin and four brave souls show up to cater for the needs of many willing women.

Fri. 27: J. C. warns mud slingers in school to cease their childish activities and show school's best front!
"Mud is not mud, but only matter in the wrong place."—Palmerston.

JULY

Tues. 1: Bugner v Ali title fight and J.C. denies rumours of a staff meeting at 2.00 p.m.

Thurs. 3: Ice-breaker for Formal.

Tues. 8: Editors of "BETA" surprise both schools by producing "Match-a-Mate" forms for the Formal.

Wed. 9: Kings, with Hockey, surprisingly winning a game, together with Badminton. Soccer draw and all others came second.

Fri. 11: Mid-term break heralds the arrival of reports.
"We are all of us failures—at least the best of us are."—Barrie.

Tues. 16: Final of Jaycee Debating Competition and Senior A's narrowly snatched victory from the B's.

Tues. 22: Rex Philips from Otago University tells an enwrapped 7th Form of the exploits of the Varsity Wine and Ale Society.

"Students drink with impurity, or anybody else who invites them."—Ward.

Wed. 23: Gore visit, and whilst first two hockey teams win, the 3rd are beaten 9–1 by a girls' team!

"Man's importunity in woman's opportunity."—Wells.

Thurs. 24: Formal '75 and despite sabotage of spotlights and the Head Prefect walking off a ladder, a great success. The Garden of Eden" theme provided an ideal setting for many potential Adams and Eves.

Mon. 28: Rector tells assembly he doesn't want any boys diving into the Rectory for balls.

Tues. 29: Timaru visit. Although both Rugby and Soccer win, rumours of some wild happenings filter back prompting Rector to summon both captains on their return.

Wed. 30: Presentation in junior assembly of Cross Country certificates sees two gentlemen step forward to claim the same award!

AUGUST

Fri. 1: "Zigger Zagger" set appears and Campbell surprises assembly by wandering around all four available seats before making his choice.

"Don't trust first impulses—they are always good."—Tallegrand.

Mon. 4: Rector advises in assembly that the school blazer may be worn with the normal shirt and open-necked shorts!

R.A.F. in back row: "What sort of school is this?"

Wed. 6: Otago and debating with Walker best speaker shares wins with Rugby and Soccer.

Thurs. 8: Caretaker Dave leaves after a much publicised row with Rector over positioning of two new trees.

Wed. 13: House sport begins.

Fri. 15: School treated to preview of "Zigger Zagger" and also a lunchtime performance by the revival group, "Potters People."

Mon. 18: First night of long-awaited "Zigger Zagger." R.A.F. seen to exploit the two loves in his life—England and Football.

Wed. 20: Final House sport and self-proclaimed Rugby Champions Coldstream, win their first and only two games.

Thurs. 21: Round the park, and only twenty two show up for senior race J. C. threatens a re-run!
"Zigger Zagger" concludes a successful season.

Fri. 22: Final day of term and chants of "Zigger Zagger City" interrupt the Lord's Prayer. Rector enthusiastically launches into his fictional counterparts' role. Mrs France is shocked!
"BETA," term two's student newspaper, and a great improvement on "ALPHA," goes on sale at both schools.

Mon. 25: Veteran Debating duo of Walker and Skene clean up Southland competitions for yet another year taking all trophies offering.

DIARY - THIRD TERM

SEPTEMBER

Mon. 15: School returns.

"Prison is preferable to school. In prison they may torture your body; but they do not torture your brains."—Shaw.

Tues. 23: Four new 6th Form Prefects announced.
"We all understand my position; I am their leader; I must follow them."—Churchill.

Wed. 24: Family Concert held before a modest audience and many budding musicians came to the fore.
"I play a musical instrument, but only for my own amazement."—Allen.

Mon. 28: Three staff, ten prefects and Philip Jones instruct the 1st VX in the finer points of rugby tactics and considerably lose 18–9.

Tues. 29: Rousing ovation for J.C. when Rector congratulates him on his appointment as principal of Kingswell.
"Many go out for wool and come back shorn."—Old Spanish Proverb.

OCTOBER

Thurs. 1: Hushed corridors once more herald the approach of exams and 6ths carefully follow Sshape's advice—"I cannot give you the formula for success, but I can give you the formula for failure — try to please everybody."

Wed. 8: T. C. Berridge conducts a record 50 second junior assembly.

Brevity is the soul of wit" (and assembly!).

Thurs. 9: Mr McMullan calmly explains to his 6th Form Maths—"You can't expect to learn when I'm talking here!"

"The object of teaching a child is to enable him to get along without a teacher."—Hubbard.

Thurs. 16: J. C. advises Prefects to "use strong arm tactics on bullies — literally speaking of course!"
3rd Form dance — much maturity is surprisingly shown by the multitudes.

"The times they are a-changing . . . " Folk Song.—

Fri. 17: Cars and trailers converge on quadrangle in preparation for the "Steptoe Auction."

Many mini-Muldoons arrive at lunchtime to entertain the multitudes and conclude defeat by admitting confusion.

Sat. 18: "Steptoe Auction" raises \$2,700 through the sale of various oddities for the Gymnasium fund.
 Tues. 21: Mike Moore, ex-bright boy of the Labour Party, arrives to sweep the polls but meets spirited opposition from some determined hecklers and leaves in a huff without any votes.
 Wed. 22: Rector thanks the chap who knocked him over whilst putting out his ash cans the preceding night, for leaving note of apology.
 Wed. 29: School Dux is announced in assembly. Baird found philosophically strumming his guitar in the Prefects' room.
 Last senior dance of the year and the "Shipwreck" theme caught on so well that one gentleman ripped the basin off the toilet wall and nearly drowned as a result!
 Fri. 30: Sir Geoffrey Cox talks to senior school.

NOVEMBER

Tues. 3: Speech Competitions and a wide range of frivolous subjects is covered — "Three things matter in a speech: who says it, how he says it, and what he says. The last is least important"—Morley.
 Values Party candidates hastily refer to own manifesto when someone quotes it to them.
 Fri. 7: Social Credit arrive but leave their monopoly boards behind.
 Mon. 10: Mr Fitzgerald observed rifling through random satchels in their owners' absence.
 "He's a good boy — everything he steals he brings home to his mother."—Allen.

Staff v Prefects' Golf match and Mr McIntosh suffers a near-fatal blow from an off-course golf ball.
 Thurs. 13: Prize-giving featuring as a double-bill the Rector and Board members, Mr Hercus, who fire verbal shots at each other all evening.
 "Speaking without thinking, is shooting without aiming."—Benham.
 Fri. 14: The day after the night before coincides with accrediting.
 "A fool often fails because he thinks what is difficult is easy and a wise man because he thinks what is easy is difficult."
 "OMEGA," the final student newspaper, goes on sale.
 Mon. 17: Scholarship begins.
 "A mere scholar, a mere ass."—Burton.
 Thurs. 20: School Certificate.
 Wed. 26: Bursary and University Entrance begin and diary collapses as examination pressures curtail its progress.

DECEMBER

Fri. 5: "The Thwarting of Baron Bolligrew," the junior production, begins its season.
 Mon. 8: Junior Sports Day and Mr Berridge captures an escaping youth but later discovers (much to his embarrassment) that he comes from Rosedale!
 "Blundering is the badge of perfection."—Wycherley.
 Tues. 9: Close of "Bolligrew."
 Thurs. 11: Junior Prize-giving.
 Fri. 12: School finally grinds to a halt for 1975.

Staff Notes

As far as this school is concerned, a good year is one when we do not have much to say about being short of staff. This year, we were actually over-staffed by a large decimal fraction of a teacher. The mind boggles! The Rector, by a combination of juggling with figures and delaying returns, managed to conceal from the Department the real state of affairs.

Jack Alabaster's departure was the most momentous event; he is referred to elsewhere. Whatever qualities his successor has, I hope that it includes Jack's mastery of good clear English. His contribution to the morning briefing was always couched in crisp economical English that brought pleasure to those who believe that English should be used precisely. Jack is wasted as a mathematician.

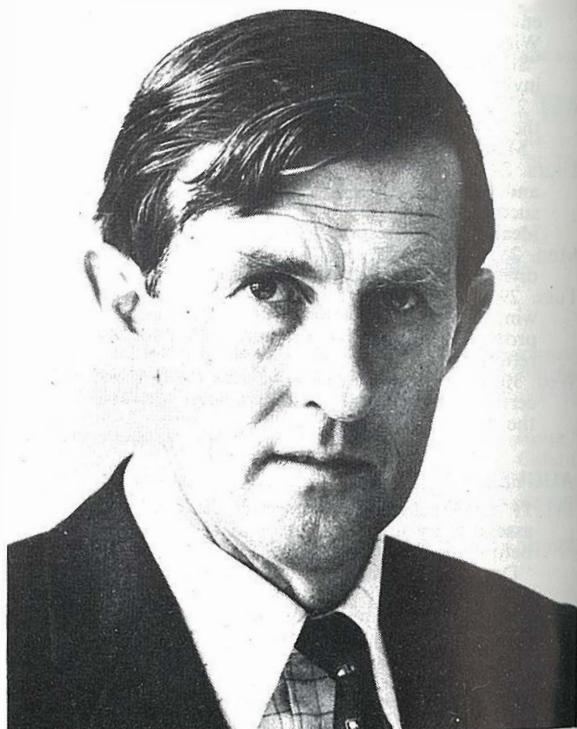

We were saddened by the sudden death of Alan Duncan so soon after his retirement. He gave conscientious service to the school, though much limited by problems of health. He will be especially remembered for his generosity in connection with fund-raising for the gymnasium.

Mr Crouch left on promotion to Nelson. He endeared himself to staff and pupils alike by his pleasant and friendly manner, as well as by the quality of his work. Mr Law and Mr Roebuck left after very short stays — our thanks to them for their contribution to the well-being of the school.

Incoming teachers included Miss Leith — charming young ladies are always welcome, however short the duration of stay.

The arrival of Mr Lamont gave Mr Roche support in political discussions in the staffroom. Mr Lamont had our good wishes for November 29, but Mr Talboys would probably be little interested in teaching Agriculture.

Mr Sydow brought enthusiasm and a fetching continental accent to the school. We regret his plan to leave at the end of the year.

MR J. C. ALABASTER

We have, of course, known for a long time that we would lose Mr Alabaster. His qualities for a high position in the teaching service are so great, and so obvious, that his appointment to a Principal's position was only a matter of opportunity, and that has now come.

Those who do not know Mr Alabaster will think of him mainly as a disciplinarian. In this field he has few equals. By his mere presence he could restore instant order to a noisy assembly, and reduce a truculent 7th Former to his proper size. But only the intentional trouble-maker need fear him - for the troubled, the uncertain, even the foolish, he had real sympathy and understanding.

An even greater contribution to the school was made by his skill as an administrator. He had a clear grasp of the intricacies of the day-to-day running of a large school, and this enabled him to set up a smooth routine. Everybody could get on with his job with a minimum of confusion.

His skill as a teacher of Mathematics is widely known,

His presentation of his subject was crisp and clear, and his senior pupils especially have been most appreciate of his efforts.

He takes a broad view of the role of the school in education. Not for him the school as a collection of classrooms, nor teachers simply as experts in a subject. The informal relationship between pupil and teacher is just as important as the formal. Sport, and all extra-curriculum activities, foster this, and he took a keen interest in the cultural activities of the school. Among his plans was a scheme to involve the senior pupils more closely with the community. I am sure that Kingswell will benefit from this.

Mr Alabaster's influence in the staffroom was immense. His standards are high, and he inspired by example the younger teachers to reach these standards.

And with all these qualities there is a very warm and friendly personality, not always revealed immediately to newcomers, but valued all the more for that by those who earned his friendship.

Our loss is great. We wish him happiness and satisfaction at Kingswell. His success is inevitable.

THE PHYSICAL MONUMENT TO . . .

The new gymnasium is due to be fully completed by the beginning of 1976, for the school year, after long arduous years of fund-raising. Since the school fair in 1969 various activities have been undertaken by the school in its six year struggle against inflation. These include an annual work day, potato projects and many donations and contributions totalling \$19,300.

Out of the \$124,000 worth of the new gymnasium, the school had to provide \$34,000 to obtain a Government subsidy. The Board and Old Boys' Association each guaranteed \$10,000, which, when totalled with the original amount raised by the school, covered the original estimate.

It is commonly thought that the school will benefit greatly from the new facilities offered like badminton, volleyball and basketball fixtures, to name a few. But it is a different school to the one that has worked and toiled for the funds for the gym. Of the many boys passing through the school in the past six years, each has willingly added his contribution and with their parents supporting their efforts to the utmost. Some 5,978 pupils all suffered their Physical Education in a small, dilapidated old building built in 1926 and still called a gym. Now it is replaced by a spacious new one; for the benefit of a new school which is forever increasing its range of facilities and opportunities for its pupils. One can only hope that it is treated with the respect that it deserves, and will still be benefiting pupils for many years to come.

Senior Speech Competition

SENIOR SPEECH COMPETITIONS

With a larger turnout this year the speech competitions were keenly fought, despite the fact that there had been some criticism of their worth. The winning speech was given by Noel Walker and as many will agree "Tiz'ard" to figure out how he does it so regularly. However, Malcolm Humphries' effort on "Sexual Freedom in Our Future

Society," was warmly greeted and the theories on the madness of golfers by N. Macindoe were well and truly proven as the staff and Prefects joined forces to look for Mr Alabaster's ball in the bushes 'on the right', some days later! To many in the audience however, Geoffrey Skene's speech on the "Evolution of the Joke" was a highlight of the contest.

Debating Club

Cum Verbis Pugnamus

G. I. Skene, N. C. Walker, T. R. Hammington, Mr R. A. F. Lonsdale

This year proved the most successful ever for debating at S.B.H.S. and to emulate present feats will provide a mighty challenge to future students. The senior inter-school team consisted of Noel Walker (leader), Geoffrey Skene and Tony Hammington, all survivors from past seasons. This combination swept aside all opposition, reclaiming the Bridgeman-Stubbs Trophy off Waitaki, the Awarua Jaycee Shield, and all three trophies offered by the competition's Society. Equally pleasing to note was the tremendous depth which was evident both at junior and senior level, this being displayed by the final of the Jaycee competition where the Senior A battled with the Senior B team of Martin Lee, Malcolm Humphries and Ian Morrison.

Our first conflict of the season was against Girls' High on "That there are fairies in the bottom of the garden." Defending the affirmative required some extreme measures

with Noel, Geoffrey and Martin entering the hall disguised in yellow sunhats, and sporting fishing nets, brollies and dictionaries. Needless to say, the debate soon slipped into a farce, but even so, everyone became quite convinced that there were indeed fairies at the bottom of the garden.

In the Awarua Jaycee Competition we entered two junior and two senior teams, and although both junior teams were eliminated in the early rounds, they gained invaluable experience and performed creditably. Both senior teams reached the finals comfortably, the A's defeating St. Cath's by over 100 points, whilst the B's ran into a spirited contest with Marist; Malcolm Humphrey excelling himself in this debate. Solid performances were recorded by all speakers in the final on "Migration," the A's narrowly winning.

The traditional inter-schools' debate against Waitaki and Otago were extremely close. With Waitaki we debated "That television is an invention to be regretted" and immediately met problems with vociferous interjections from across the floor. Whilst Noel was somewhat hesitant in confronting this, Geoffrey and Tony calmly dispensed with each and regained a more solid foundation, Geoffrey being best equal speaker. Noel recaptured form in the reply and victory swung in our favour by the margin of 290-279.

The subject for Otago was "That a man can get rich honestly." Noel was best speaker but Geoffrey and Tony were only fractionally behind. A more aggressive approach was taken to interjectors, and our superior and polished technique won the day.

"Alpha" "Beta" "Omega"

The first, the second, and the last letters of the Greek alphabet were aptly chosen as titles for the revival of our student newspaper. "ALPHA" was approached rather tentatively and encompassed a wide range of material about such things as the Pearce Block demolition, Music Revival and the Gym. The original team was limited to three 7th Formers who, after many frustrating hours over the Xerox, produced a paper which sold well at both schools.

"BETA" improved with experience and a more concise and constructive approach was taken. The drinking age and current educational trends proved topical references and both these subjects, interestingly enough, also appeared in columns of the Southland Times the day following publication — proving our place in the media!

Our final inter-school debate was regrettably won by default off Kings', who, hearing of our prowess, conveniently forgot our customary encounter.

Come competitions time, we once more entered the veteran team of Walker and Skene. Debating against Central Southland College on "Race Relations and Sport," we won for the second successive year, gaining the team's trophy, with Geoffrey and Noel tying for Best Speaker awards.

St. Peter's was our final clash of 1975, and Ian Morrison was introduced to the A team in Tony's absence. Although eighteen girls, a judge and our coach were the entire audience, our team was in no way distracted devastating the less experienced team, winning 206.5 to 190.

Whilst the preceding issues had gone on sale the last day of each term, "OMEGA" hit press the day of accrediting. Coinciding with examinations, our team, although especially expanded, and the paper suffered somewhat but a creditable effort was nevertheless produced. A place for preservation of the school spirit and a clarification of political policies were perhaps the highlight of this final venture, but such regular features such as Campus Calendar were still retained.

Local firms proved most co-operative with sponsorship and their backing, together with students at Boys' and Girls' High, ensured the financial success we enjoyed. The thanks of the school must go to the team of Noel Walker — editor, John McCall — production manager, Tony Young — advertising manager and Ewan Campbell — artistic designer.

SENIOR PLAY — “ZIGGER ZAGGER”

Senior play—Zigger Zagger

The stage is dimly lit. Just visible through the gloom are two large red and white signs, some rough seating and few chalked-up scribbles on the walls. Not too far away, about a half-mile from the theatre there is a semi-deserted stadium. Semi-deserted because there a few down-and-outs lying on the benches; semi-deserted because there is an old caretaker picking up the rubbish, the 'dirty straws,' from this afternoon's match and semi-deserted because at least half the fans have to be at the theatre at 7.00 o'clock for the dress rehearsal of "Zigger Zagger."

For "Zigger Zagger," 1975's major production, is exactly that. A slice of English life, and not too English life, transported from stadium to theatre, booze, bobbies, barracking and all. But "Zigger Zagger" is more than just a soccer game, rather it is a commentary on life, from the kick-off to the final whistle.

Produced by Roderick Lonsdale, the play bears his unmistakable mark. The rapid changes of scene, thirty-seven in all, take place without the audience being consciously aware of it, whilst the colour and vibrance of other productions like "The Chicken Run" have been re-captured in that novel dramatic innovation, the crowd! For this is the same crowd that not two hours earlier was down at the ground, throwing the same bottles, the same streamers, the same abuse. The transition is that real.

"Zigger Zagger" is the story of Harry Philton (played by Peter Redpath) and his attempts to 'make it' in life, where he must 'resist or succumb to, the temptations of a materialistic world dominated by a mass culture.' The devilish Zigger (Lindsay McGrannachan) vies for Harry's attention with the super-conservative, Les (Richard Neiderer) and his wife Edna (Kim Christie). Harry rejects the army and other youth activities, with a little help from the recruiting sergeant (Paul Johnstone), and in just the same way he dismisses his rather 'liberal' mother, a role superbly played by Angela Brown. Just who wins in the end is a delicate question which the playwright Peter Tersen has left to the individual to decide, and which Mr Lonsdale has not attempted to influence.

But to anyone who saw "Zigger Zagger," the most impressive and absorbing influence on stage must have been the crowd, their "impromptu" outburst becoming somewhat of a departure from traditional drama. In all, the play was staged four times and was later recorded with edited highlights and interviews being played over the local radio.

As the last curtain fell at the end of the last performance, the cast were already preparing to leave. Why? Southland was playing at home the next day.

Drama Club Notes

The enthusiasm fostered by the success of the first joint S.B.H.S. - S.G.H.S. production, "The Chicken Run," in November 1974, led in early February to the formation of the drama club. Fortnightly meetings were held in the gymnasium and hall but the numbers, upwards of sixty, meant that the group soon became too unwieldy. As a social exercise it was successful however, and there were some entertaining evenings of improvisations and mimes.

To be really successful, it was necessary to form a smaller group and at Boys' High, the Junior Drama Octet, formed largely from "The Chicken Run" contingent, came into being. This group, made up of Peter Brown, Mark Crowther, David Gibson, Ian Grant, Roy Hamilton, Paul Morris, Philip Smith and Chris Wilson, performed to an enthusiastic audience of Old Boys at the Federated Farmers' building on April 15th. The evening was a combined effort with, musicians from the school, and included setting up and rehearsing stage fights, a mimed debate and a hilarious improvisation entitled "Introducing the New Girlfriend to the Family."

Still further highlights of club activity were to be recorded in the first term. Firstly the visit by the drama teacher Mrs Jean Crabtree who took a double period workshop in the library with all drama club members; and secondly the two plays, in co-operation with Girls' High, entered for the Secondary Schools' Drama Festival. Both plays, Mr Roche's lively production of "Ernie's Incredible Illusions" and Mrs Kirkland's refined period-piece "The Twelve Pound Look," provided evidence of the depth of dramatic talent in the schools.

In the second term, July 26th, the Drama Octet performed for the International Reading Association's one-day seminar at the Southland Polytechnic. Once again, the boys gave great entertainment in an improvised sketch "Teaching Your Child to Read," as well as a spirited performance of the play-within-the-play from "A Midsummer Night's Dream."

So far this article has very largely concentrated on the more obvious aspects of drama within the school but it would be fitting here to express the actors' and producers' gratitude to those who have worked backstage in the vital technical positions. The efforts of the lighting crew: Richard Mills, Alistair Ward, Trevor Townshend, Brian Ward and Russell Fowler in particular. Thanks also to those involved with backstage in both of the major productions, in particular to those 4th Formers who made such a professional job of special effects and sound in "Bolligrew."

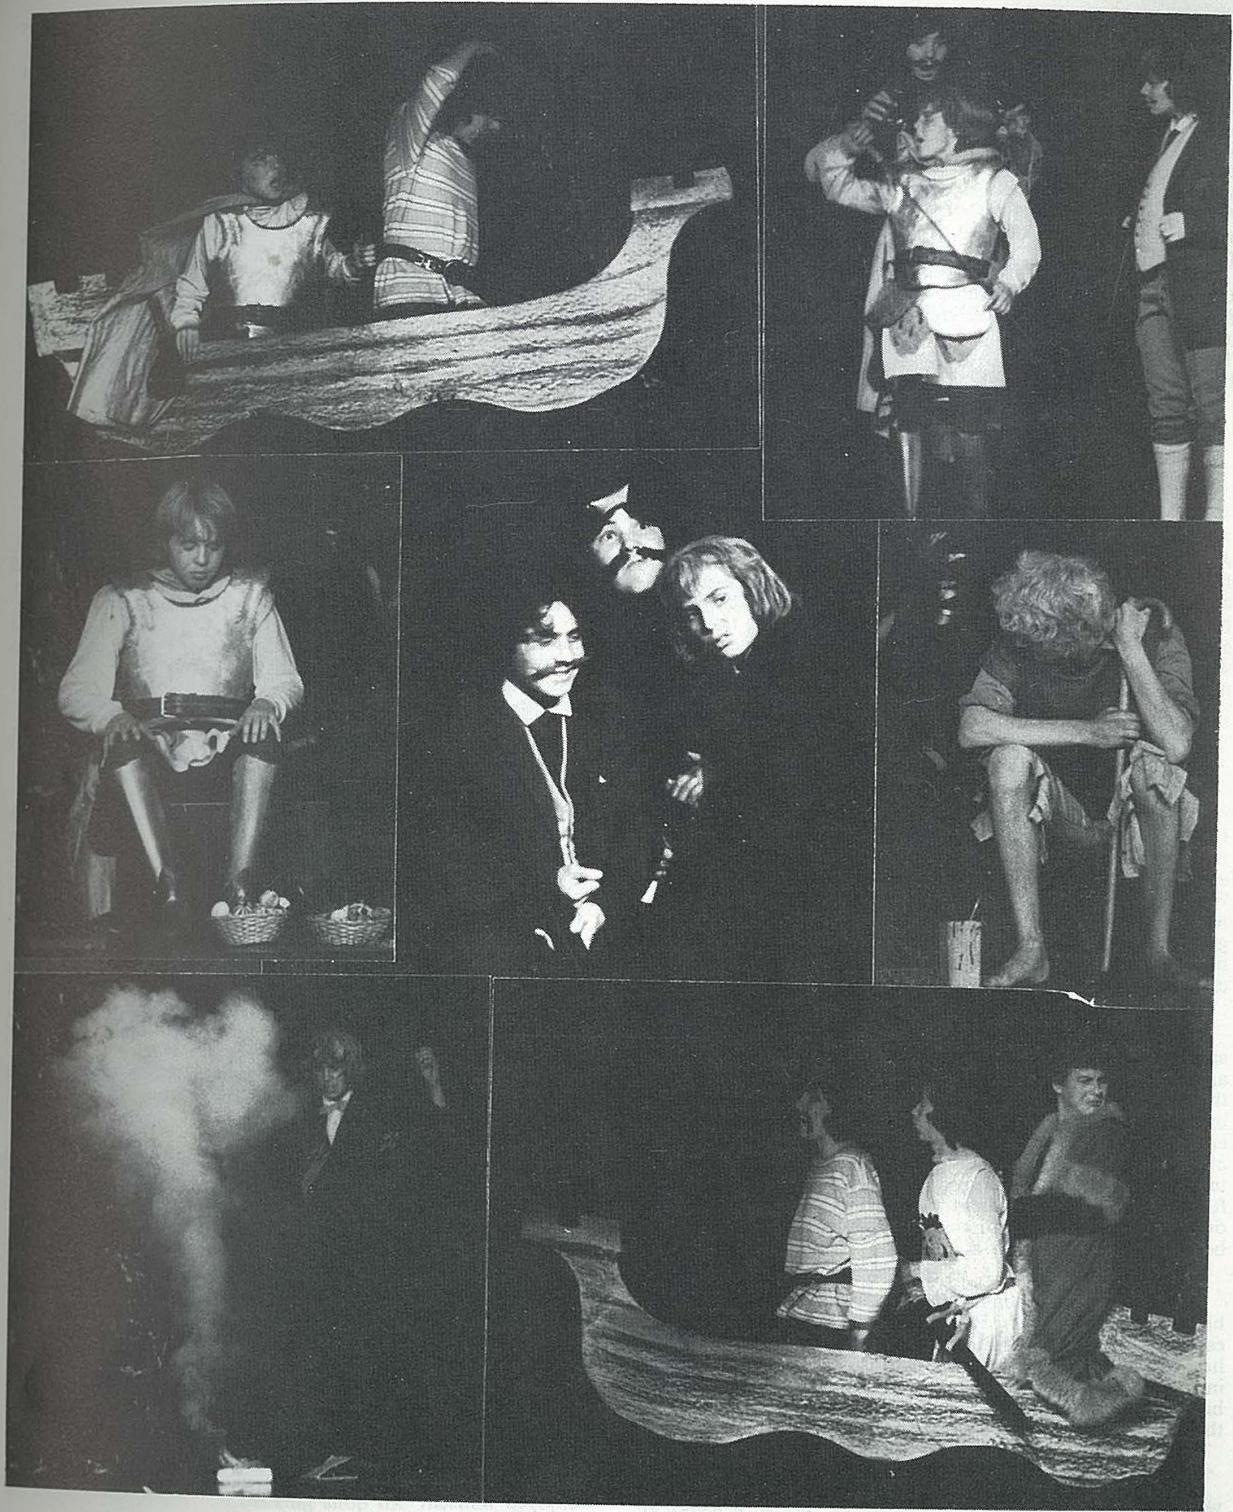

This year has undoubtedly been the high point in the evolution of drama as a major force within the school. Well over 100 students have appeared 'on the board' in four productions and at least fifty have been involved in supporting off-stage roles. Radio New Zealand are in the process of recording a programme on "Zigger Zagger" and audiences obviously thoroughly enjoyed "Bolligrew." Despite the sometimes disappointing audience sizes for the major productions, drama is obviously "alive and well" at S.B.H.S.

Junior Drama—The Brilliance of Baron Bolligrew

Would you believe it if a smoking asbestos envelope arrived in your mail tomorrow? Whether you believe it or not doesn't really matter, because there aren't too many ferocious and somewhat hungry dragons left to send such mysterious messages. But in the 'necessarily vague' times of brave knights and fair damsels it all happened. Strange

you might say, and well, I might agree with you, had I not seen "The Thwarting of Baron Bolligrew."

The junior play this year was written by Robert Bolt, notable for his "A Man for All Seasons," which is considered one of this century's most popular dramatic works. "Bolligrew" contained none of the heavy sermonising of

that play, although central links like the Common Man, who seems to know so much but to do so little, are retained. Essentially it is a play for children where the laughs are important, not any subtle or hidden meaning.

The thwarting of that just 'a little-too-evil-Baron' is significant in a number of ways. Firstly, as has been said, it is a welcome change from the 'moralising,' which has come with the awakening of a 'socially-conscious' age. But what is more important is the quality of the drama in relation to the average age of the characters: For a cast so young (despite the decidedly English Dragon) Bolligrew is powerful stuff!

Philip Smith as the undauntable hero, Sir Oblong Fitz Oblong, played a magnificent role, and served as a suitable foil to the admirable bumbling of one, Squire Blackheart, a character part played superbly by Christopher Wilson. The Duke (Peter Brown) appeared only momentarily, but he always impressed and as for, the scoundrel Bolligrew

himself, I can but marvel at the iron-fisted control he held over his subjects, or was it that iron in his fist? Mark Crowther portrayed the Baron with great skill and just the slightest twist of that olde-English moustache.

I was most impressed, not only with characterization, but also with the stage setting itself. A special vote of thanks must go to the 6th Form crew of Crowther, Valance, Grieve and Verdun and to Mr Sarson, especially, who has put so much effort into the school's more recent plays.

The lighting and special effects too, were done in a masterly fashion. It was a treat to watch the dragon (eyes and all) and hear him devour his victims, and as for those asbestos envelopes — the effects were astounding.

Thus, as the many talents within the school were brought together, I could do nothing but sit back and enjoy myself at "Bolligrew". What with the spells of Moloch, the antics of the Magpies and the absolute hilarity of Blackheart, I had no choice.

Spirit of Adventure Outward Bound

Alan Coldicott at Anakiwa

This year I was lucky to be sponsored by the Old Boys' Association. I took part on Course 127 at the end of the first term. The course was made up of six, three day expeditions with a day's activity around the school in between. There were sailing, canoeing with two tramping solo and service expeditions. The solo which lasted, three days and three nights, was probably the most demanding, mentally anyway. Apart from the big expeditions, day

activities were included, which involved rock climbing, canoe instruction, a fifteen mile running marathon and doing service. We were required to get up at 6.15 every morning for physical training and a two mile run.

Overall it was a very worthwhile two weeks off school and I benefited both mentally and physically from the experience. So I must once again thank the Old Boys' Association.

Adventure Camps

During the year all but one of the 4th Form classes went to Borland Lodge on four day adventure camps. The remaining class went into the Takitimus after the end-of-year examinations. The aim of the camps is to give the 4th Formers experience in light expeditions so that they can learn some of the basics of tramping and camping out. It gives everyone an opportunity to see how they enjoy outdoor life and they can then take up tramping if they want further experience.

While on the camp everyone was taught to use a compass, and they practised this new skill on compass courses set out around the camp. Their ability to use a compass was put to the test on the outcamp when they had to find their way using compass bearings. The outcamp was the big event of each trip and most classes spent one night out in the bush, although some camped out for two nights. They slept in tents and did their cooking over open fires. A few classes found this easier said than done when it snowed on the outcamp, and more than once person woke up to find his boots and socks frozen solid.

As part of the outcamp the classes that went to Borland had the opportunity to try some canoeing. There are six canoes at Borland, although the number in use depends on how many are being repaired, because of damage sustained in mishaps, which often occur. They are shown some of the basic canoeing techniques, again so that if they are interested they could perhaps join a club and further the interest.

At Borland Lodge itself, there is a confidence course which everyone has an opportunity to try. It consists of

different ropes and obstacles for everyone to try and see how well he can get over them. Another thing which was popular on the camps was the 12 foot high wall. The idea is that by team-work the whole class gets over it, but it is not so easy as it sounds and only one or two classes managed to get everyone over.

Team-work was perhaps the keyword on each camp as it could only be a success if everyone pulled his weight and worked in with others. On the camps the classes had to do their own cooking, wash dishes and clean up around the camp and this helped to get everyone working together. Everyone gained a lot out of the camps and not only some outdoor skills and knowledge but also the ability to get along with others more easily.

As usual, the accredited 6th Formers went on a camp for the week after accrediting was announced. They left on the 17th November and returned on the 21st and this time they went to the Takitimus rather than Borland Lodge. This year Mr Tiplady and Mr Baker went along to give advice where necessary. Despite rather poor weather conditions, the group did a lot of tramping in the area and felt that the camp was well worthwhile.

SPIRIT OF ADVENTURE—CRUISE

This year R. Cook represented the school on one of the voyages. It was a ten day course with a good range of water activities. Some of these were sailing, rowing and swimming. Roger made a good many friends and thoroughly enjoyed himself.

The School Social Committee

"Nothing succeeds like success." How true Dumas' words ring when one looks back over the social activities of the year. The committee was organised from the very start and went about its tasks with vigour and imagination.

As usual, the premier event of the social calendar was the annual "Sorts Dance." Athletics gave way to romance and 150 seniors became fair game for an equally impressive turnout from S.G.H.S. "Justice" was the group elect and proved a popular choice judging by the fine time had by one and all.

Not to be outdone, the 4th Form set a fast pace at their dance on Wednesday, March 26th. This enthusiasm was set alight by the very able group "Storm" and the attractive turnout from our sister school.

A month of rest and the seniors were at it again. This time on the 1st May to the theme of "Daisy May." Ticket sales for this function exceeded all expectations, tickets being sold out in only two days! With "Storm" again setting the crowd alive, 11 p.m. came too soon for all.

Second term saw our attention steadily focussing on our "Formal." Dancing classes began modestly on the 26th June; closely followed by the pre-formal warm-up: the 'ice-breaker.' Despite what the name might suggest, the evening bore no chill, with the 'Guess who's taking who' game soon well underway. However, we must admit to some delay in finalised partnerships, despite the efforts of an editorial staff (who shall remain anonymous), and a very concerned committee hierarchy. But all's well that ends well; sufficient support being received to make the night a success.

The theme for the Formal was 'The Garden of Eden' and our hall was thus suitably attired with vegetation. Preparations themselves were, to say the least, entertaining, with their ups and downs: the most notable down being our Head Boy's free flight demonstration. In all, the 24th July saw a very fine formal and undoubtedly to most, the highlight of our year.

To the delight of our 3rd Form, who found they were not forgotten, the 16th October saw them lost to the wonders of a dance. They liked what they encountered and appeared to be completely at ease, although some reports of Prefect activities suggest it may have been a case of monkey see, monkey do.

Before the year was spent, we were to have one last senior dance. "The Shipwreck Dance" will be remembered as the committee's last effort. Perhaps the ratio of attendance will also go down in the immortal log. With one and a half guys to every girl, competition was very keen, but complaints were nil and our social year drew to a fitting close.

But who makes for such a good year as 1975 as proved. Although you are too numerous to thank individually, we sincerely thank all those who supported us. In particular, our thanks go to those who helped with equipment and liaison; the girls from S.G.H.S., notably the Prefects and 7th Form; and where would we have been without our lighting crew, whose work was nothing less than superb. Their professional attitudes and results are a credit to the school.

For guidance throughout the year we thank Mr Cornwell and Mr J. Alabaster.

The 1975 Social Committee was: N. Skelt, E. Campbell, T. Mathieson and N. Walker.

COLDSTREAM HOSTEL 1975

Coldstream Report

Mrs King returned again to be Matron of the Hostel. She was assisted by Messrs Sargent, Sydow, Roebuck, Withal, Martin and Moore. Messrs Sargent, Roebuck and Sydow left during the year and this placed strain on the remaining staff, but the three Prefects helped. The rules were again tightened this year and several boys left.

Two dances were held in conjunction with the Girls' Hostel with much success. These were undoubtedly enjoyed by all.

This year sports were a dismal failure for the Coldstream House, with only the Juniors winning the Rugby. The

Senior team, although fielding a star-studded team, were unable to take the laurels, winning only two out of their five matches.

The scholastic 6th Formers this year donated an award for the best saying. We are pleased to announce that this was won by Mr E. Moore with "This place is as lively as you want to make it."

Thanks must go to the staff for putting on a well-deserved dinner before the prize-giving. This may well have been the best meal of the year. It was confirmed by the guests at the Senior prize-giving that the Coldstream Hostel has become a great asset to the school.

Choir

Music Notes

This has proved another interesting year for the Music Department with its continuing policy of combining community and classroom participation in music making.

During the year we accepted invitations from City Council's Art Festival Committee to perform at the "Alex Lindsay" Memorial Concert - where the choir sang. We provided the entire programme at Hardie Hall for a special gathering of Christian Women from Invercargill Churches. A cantata was presented with pianoforte, violin, songs and brass items.

Overseas League: District finals of Secondary Schools' Speech Contest - we provided items from choir and instrumental groups.

— **Old Boys' Association:** held at Federated Farmers' with Mr Lonsdale's drama group, Mr Sarson's art display and the music department providing items.

Gladstone Women's Club: five items presented. Angus France - violin, Raymond Bayliss - songs, Ian Morison played oboe, Stephen Sharp and Paul Gallagher - pianoforte duet and Stephen Sexton played electronic organ.

Family Affair Concert: This is the beginning of many more music making activities which will provide an opportunity to perform in public and achieve higher standards of work.

Peacehaven: An hour's programme has been requested for December.

Senior Workshop: During 1st and 2nd terms a Senior Workshop was set up to explore and share avenues of music. A poem suitable for visual and musical accompaniment was chosen. Active members were Russell Fowler, Mark Austin, Guy Hammington, Robin McCall, Geoff Stewart, Stewart McIntyre, to mention a few.

New Zealand National Youth Band: To Gary Osborn and Alistair Monteath we offer our congratulations on their inclusion in the New Zealand National Youth Band.

The visit by the New Zealand Navy Band was very well received by Senior school, as was Mr Brian Brian's recital by Junior school.

Art Notes

The Art Department, the creative centre of the school, is slightly hidden from majority view, being west of the 7th Form Common Room, and south-east of the canteen, which is north of the old gym; hence being adjacent to the art room and west-north-east of the Oreti river. In other words, Room 31. It is the site of constant vigorous creativity - now and then.

The Art Department has this year catered for numerous students. Despite this, there have been some outstanding efforts. This is evident in the many S.B.H.S. exhibits in this year's "Young Contemporaries Exhibition," in which the school received two of the six equal prizes. Mark Crowther's sculpture "Agarn 339" won the prize for the most versatile use of material. The combined effort of Lewis Verduyn, David De La Mare and Stephen Crowther produced the other S.G.H.S. prizewinner entitled "Conception of Destiny". It is encouraging to see that several S.G.B.S. works were purchased.

Mr Sarson learnt a valuable lesson this year. It is preferable not to tamper with working motor mowers as bits of fingers can be misplaced in the process!

The first term, taking several weeks to get underway, saw the 6th Form art class feverishly attacking the text books, while the lower Forms were creating art works out of discarded and derelect objects. Bryan Poole, an old boy of the school, had a solo exhibit in the Museum in which the school purchased his "Blind leading the Blind" effort.

It was to the delight of the senior art classes in the middle of the second term to learn of a trip to Dunedin to gaze upon the wonders of that city. Together with the senior art classes of S.G.H.S., the students explored the Museum, Art Gallery and the St. Paul's cathedral in the Octagon. The students also attended the Industrial Design Show, and learnt that to function properly it must be the right shape. A very enlightening trip, however distractions proved numerous and subsequently many wandered off to pursue their own interests.

The August holidays saw David De La Mare and Stephen Crowther on an Industrial Design Course in Christchurch. Judging from frequent reminiscence it was a great success; quote: "A mighty stir!"

The last term saw confirmation in the special prize list and of N. Daly receiving the Art Prize. The term passed quietly, with only one attempt on Mr Sarson's life. The 6th Form assailant however, restrained himself after holding the dagger to Mr Sarson's back and posing for a photograph. A certain Stephen Crowther, who wishes to remain anonymous, took the photograph with blackmail in mind. With accrediting approaching rapidly the final days of the term saw sweat dripping from the 6th Form students.

Chess Club

The Chess Club faded somewhat during the year, not because of lack of support, but largely because of the lack of a permanent home. It never recovered from being booted

unceremoniously out of Room 17, but even more important, it needs a master or senior pupil to take an interest in it. This must be arranged for next year.

Steptoe Auction

On Saturday 18th October the school held a Steptoe Auction as the last fund-raising effort for the new gymnasium. After many weeks of careful planning and organisation the hall slowly began to fill up with various items on Friday morning. By Friday night the hall was crammed to capacity with an unbelievable variety of goods.

By 9.30 on Saturday morning the hall was full of prospective buyers and browsers and with separate auctions

taking place at each end of the hall, the goods were soon sold off. By 12.30 the hall was all but cleaned out.

The auction, along with the chocolate wheel and the cake stall raised over \$2,700, and thanks are due to all those concerned, especially to Mr Cocks for his organisation of the venture.

Crusaders

During the year Crusaders (now called I.S.C.F. - Inter-School Christian Fellowship) was held each Tuesday lunch time in Room 20. Usually there was a Bible study, or discussion during the time, and these proved to be very helpful and interesting to those who went along. Throughout the year outside speakers were invited along to speak to the group. The highlight of the year was when the "Potter's

People" came along on Friday 15th August at lunchtime. They sang some modern Gospel songs and proved very popular with the audience of approximately 300 boys. There were also a few Christian films shown in the hall at lunchtimes during the year and these were also popular. The group would like to thank Mr Fyffe and Mr Tiplady for all the time and effort they put into Crusaders during the year.

The Life Saving Club

The Life Saving Club began in April and operated until July when the boys were tested for Bronze Medallion and Instructors awards. Practice sessions were held at the Coldstream Pool every Monday and Tuesday mornings from 8 a.m. to 8.35 a.m. There was a good number of boys involved and a steady attendance was recorded for most sessions.

Eight boys sat and gained the Bronze Medallion Award. Two boys sat and gained the Instructors Award, which involves training other people in the basic principles of life-saving.

The club was coached by Mr Tiplady. The outstanding life saver was D. Branthwaite.

.303 Shooting Club

After no shooting for two years the .303 club got under way under the supervision of Mr I. Baldwin. To improve the ability of the shooters the boys began to shoot regularly on the school range using .22 rifles owned by the school.

As our shooting slowly began to improve a challenge was issued to Kingswell High School. This inter-school shoot was held at the Invercargill Smallbore Rifle Association's Range on the 11th October. The teams consisted of a team of five shooters for each school. The final result was a win to S.B.H.S.

On the 8th November the .303 Club began to shoot regularly with a few high scores and shooters becoming prominent.

In the future Boys' High hope to send a team to compete in the Secondary School Championship at Trentham in 1976.

The team in preparation for 1976 are:-

A. Forrest (captain), S. O'Driscoll, M. Scobie,
S. Bunting, W. Staite-supported by other members
S. Muir, W. Compton and C. Bell.

The team would like to thank Mr R. Rowley and Mr J. Rowley and Mr R. Noble for their time and patience in coaching us. We would also like to thank Mr G. W. Kettle for his time both in .22 and .303 shooting.

Special thanks to Mr Cornwell and the school for paying our fees to the club.

Fly Tying Club

This year saw the formation of a Fly Tying Club in the school. The club helps and assists people to learn the art of tying fishing flies.

Difficulties were encountered due to lack of equipment in Invercargill for this specialised hobby. It is hoped the club will continue next year, under the auspices of Mr Baker.

Radio Transmitting Club, ZLACT

Twenty boys are members of the club this year, including six with amateur radio licences. Donald Collie, ZL4CT, with a Grade I licence which allows him to operate on all amateur bands, Donald Calder, ZL4TFV, Paul Gallagher, ZL4TDE, Mark Fitzgerald, ZL4TFT, Mark Krynen, ZL4TGK, Ian Scott, ZL4TAV.

Nearly 200 contacts have been made so far this year with other amateurs in Australasia, Asia (including Russia), North America and South America. Many of the contacts

were with mobil amateurs in their motorcars, and one with a maritime mobile on a ship for which mobile contacts, along with others in previous years, we have been awarded the Mobile Award for contacting mobiles in at least forty different countries in New Zealand.

Operation has been on 80, 40, 20, 15 and 2 metres, using a long wire end-def for 80-15 metres, and a 5 element Yagi for 2 metres. Plans are underway to obtain a multiband aerial-vertical for 80-100 metres.

Library Report

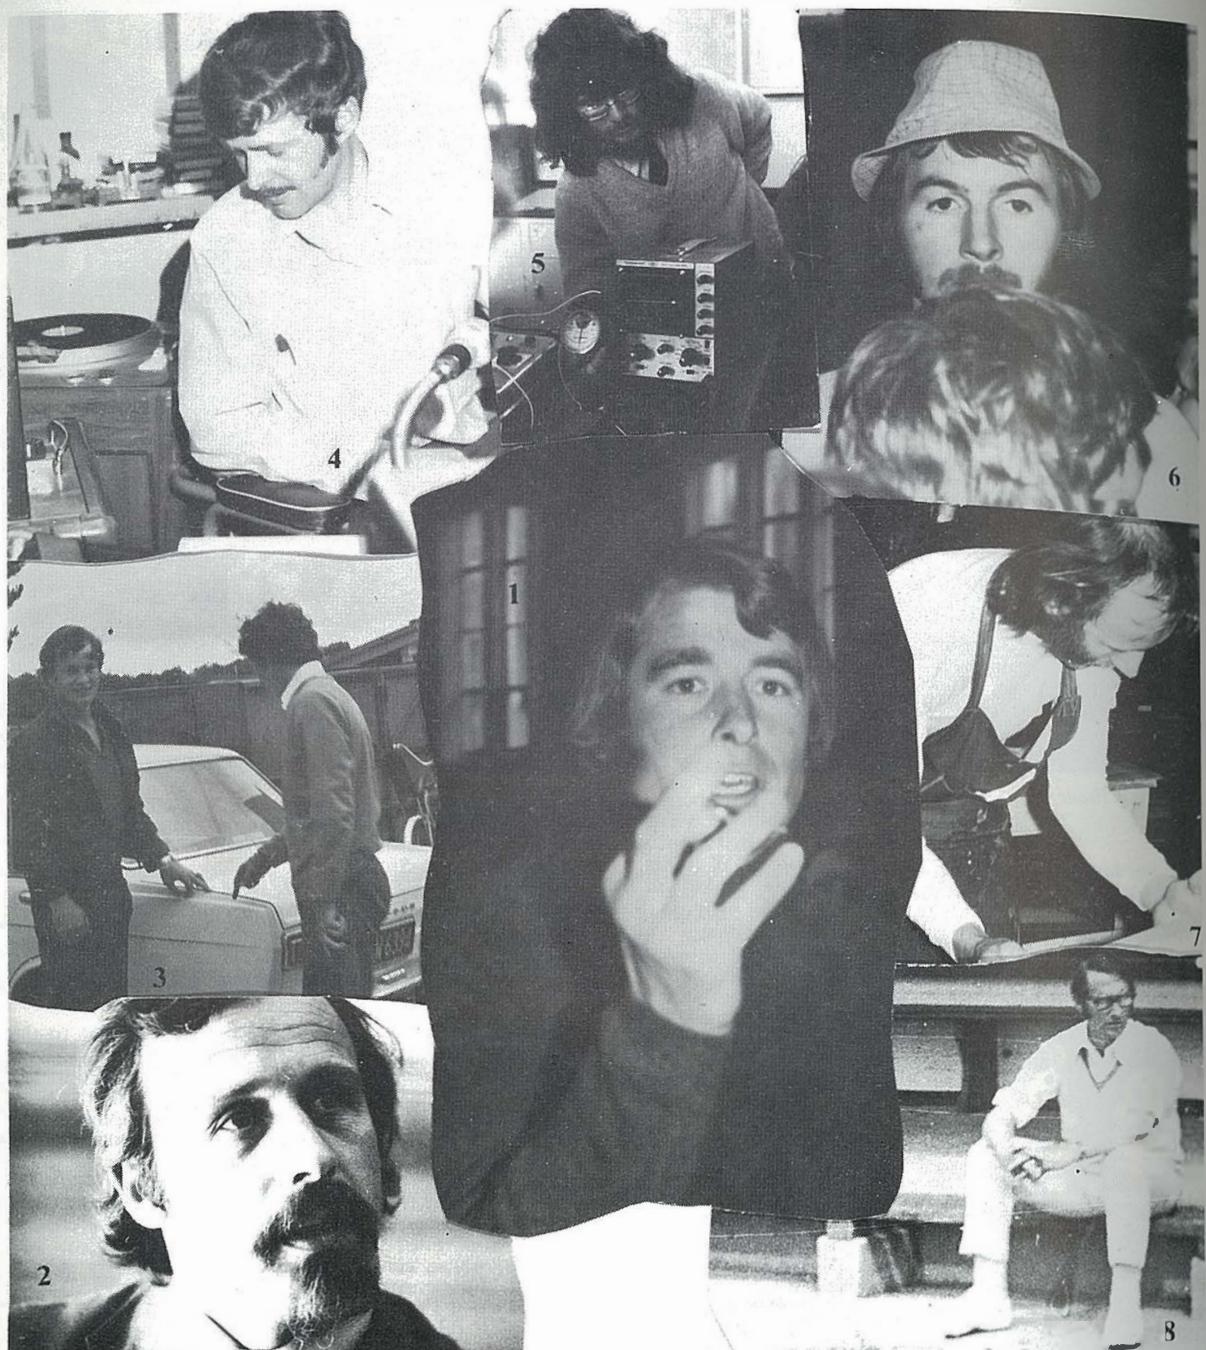

The library has had another successful year due to the loyal support of all involved in its running. The school has generally supported the library well, despite the determined efforts of a small uncouth element.

New books have been added to all sections in the library, as well as a vertical filing cabinet and new sets of encyclopaedias. Thanks should be given to the boys who worked in the library under a determined and exacting head librarian. It is a sad fact that few seem to realise that the library would not exist as such without their efforts. Thanks also must go to our Teacher-Librarian, Mr Lonsdale, whose contributions in time and effort should not go without mention.

With regret I record that our Librarian, Mrs I. E. Gray, leaves us at the end of this year. Her untiring dedication and constant service to the library have been features of her time here, and the library, indeed the school, is much the worse for losing such a fine person.

In conclusion, we can only hope that the S.B.H.S. library continues to function as efficiently in the future.

1st XV RUGBY

Front Row: D. P. Haywood, R. T. Whelan, G. A. Clarke, S. Shepherd (Captain),
R. A. Ward (Vice-captain), J. L. McCall, P. N. Annear

Second Row: W. C. Cournane, N. M. Porter, M. D. Humphries, B. E. Atkinson,
R. Fowler, M. O. Ross

Third Row: L. A. Kelly, G. J. Fokkens, Mr C. R. Williams (Coach), G. Johnstone, B. A. Ward
Back Row: S. D. McCrostie, K. E. Johnstone

This year's team was picked after many trials and looked to have real potential with eleven caps returning from the previous year; a tight core of forwards G. Clark, N. Porter and B. Atkinson plus two loose forwards in M. Humphries, S. Shepherd. In the backs D. Haywood and R. Ward formed a fine half-back, 1st 5 combination. P. Annear was back showing real speed and determination on the wing. Although determined and dedicated, the potential of the team was not realised till late in the season.

As soon as one or two players had been swapped and settled into their new positions, the early season set-backs were put behind and a style of rugby was played, which involved driving play from the forwards – notably G. Clark,

B. Atkinson and N. Porter (before a broken jaw forced his retirement), then swift transfer to the three-quarters, P. Annear, R. Fowler and G. Johnstone. M. Humphries was outstanding through the season in the lineouts and proved 'head and shoulders' above anyone in the inter-school games.

The 3rd grade competition was extremely strenuous and hard fought, with the school competing throughout the season with Invercargill and Waikiwi for points at the 'top of the table.' The final result was not decided until the last game of the season when the school team beat Invercargill 7–6 on Rugby Park.

The success of the team this year is due to the valuable contribution, with many hours of patient coaching and planning, from Mr Williams. The team wishes to thank him for his dedication and faith in the team's ability.

Special thanks should also be made to the parents and friends who followed the success and failures of the team in sometimes atrocious spectator conditions throughout the season - this was much appreciated by the team when the 'chips' were down.

Waitaki Boys' High School—Won 19-6 (Invercargill)

Played on a sticky ground in fine conditions, School settled down quickly and mounted several early attacks, resulting in two penalties to R. Whelan and a try to N. Porter. The score at half-time was 10-6. In the second half, School opened up the play and determined running by the three-quarter just failed to penetrate the Waitaki defence on several occasions. After entering the backline from the blind side, wing P. Annear scored a fine try beside the posts which R. Whelan converted. One further penalty to R. Whelan saw the School come out with a good 19-6 win.

Kings High School—Lost 0-9 (Dunedin)

School failed to settle down to constructive play at any stage during the match. King's unsettling tactics saw them with a 3-0 lead at half-time. In the second half School mounted several attacks but could not create the right combination to breach the King's defence. The King's

full-back was able to repel most of our attacks with his steady accurate boot. They proceeded to score a disputed try in the last minutes of the game. It was converted and the time remaining was not sufficient to mount another attack.

Timaru Boys' High School—Won 10-3 (Timaru)

Played on a very hard ground in summer conditions. School forwards settled down to a good, sound, driving pattern of play after pushing their opponents back yards at a time in both scrums and rucks. However, failure by the School backs to use the good ball resulted in a 3-3 score at half-time. In the second half the constant pressure saw R. Whelan kick a penalty and another good forward rush saw P. Redpath go over for a try wide out.

Final score 10-3

Otago Boys' High School—Won 13-4 (Invercargill)

Played on a firm ground in warm conditions. Otago opened up with a tremendous first five minutes of pressure, but the fortunes changed after P. Annear scored a brilliant individualist try. The half-time score was 4-0. School played some tremendous driving and running rugby in the second half. After a "willy-away," S. Shepherd scored beside the posts for S. McCrostie to convert. McCrostie kicked a penalty to make the score 13-0. However, at this point School relinquished pressure allowing, Otago to score. Final score 13-4.

Second Row: M. J. Sullivan, S. J. Crowther, H. C. Robertson, A. B. W. McDougall, K. J. Drake, L. T. Agnew, Mr L. Hamill (Coach)

Third Row: P. B. Redpath, A. G. Watson, G. Snegirev, K. J. Burns

The team contested the Town 4th Grade (Under 19) competition. With seven players returning from last year, they formed the nucleus of the team.

The forwards held their own in the grade. The tight forwards S. Crowther, D. Millar, K. Drake, A. McDougall and B. Ward (who, late in the season, moved up to 3rd grade) gained valuable possession for the backs and the loose trio of P. Redpath, M. Weir and R. Schmidt were never far from the ball.

After some minor changes were made early in the season, the backs were never bettered in the competition. The inside back combination of G. Dawson and L. Agnew played consistent rugby throughout the season. The midfield backs I. Ballam and M. Leckie were seen at their best on defence. M. Hook and H. Robertson scored many goal tries using their speed and elusive running to advantage and K. Burns was reliable at fullback.

The team was a vast improvement on last year and showed this by beating all other school teams in the competition. The team built up a very good spirit and proved this by beating Marist College 1st XV 15-7 in the final game of the season to give the team fourth place in the competition.

Competition Results: Played 15 Won 9 Lost 6
Points for 202 Against 169

Inter-school Results: Played 2 Won 1 Lost 1
Points for 6 Against 26

The first inter-school against Waitaki Boys' High was played on a rather soft ground, which gave the Southland team a slight advantage from the start. Waitaki scored first due to our poor tackling but we replied shortly after with a converted try to lead 6-4 through to the final whistle.

In the second inter-school, against Otago Boys' High, the two teams fought an evenly matched battle and were tied at nil all at half-time. The team slipped badly in the second half and, due mainly to poor tackling lost 22-0.

The team would like to thank Mr Hamill for the time and very valuable coaching he gave us throughout the season. Special thanks also go to our reserves G. Snegirev, G. Suddaby, M. Sullivan and A. Watson who played only a few games but never lacked in team spirit and also to the few players we called on to play for us throughout the season.

Team: I. Ballam (captain), D. Millar (vice-captain), K. Burns, M. Hook, H. Robertson, M. Leckie, L. Agnew, G. Dawson, M. Weir, P. Redpath, R. Schmidt, K. Drake, A. McDougall, S. Crowther, G. Snegirev, G. Suddaby, M. Sullivan and A. Watson.

5th GRADE 'A'

Captain: R. Hunt. Coach: I. Baldwin.
Played 15, Won 12, Lost 1, Drew 2. Points for 279;
Against 30.

The team had a very good season and won the competition. There was always an abundance of talent and we ended up with R. Sutherland, M. Scobie, P. Hamilton and R. Hunt in the Southland Under 16 trials with R. Hunt gaining selection.

There was always plenty of sportsmanship on the field, especially G. Billow and C. Mitchell, who were outstanding forwards with R. Sutherland in the backs.

In the first six games we still had no points scored against us with 140 for. The team was very versatile and all players were capable of at least two positions.

The team is greatly in debt to Mr Baldwin for the time spent by him on coaching us. I am sure everyone appreciated it.

The team was R. Hunt, M. Crowther, B. Gavan, M. Scobie, A. Young, C. Mitchell, G. Billows, C. McDonald, G. McDonald, T. Mason, P. Gilbertson, C. Weir, G. Erskine, H. McCrostie, D. McKinnel, P. Hamilton, R. Sutherland, N. Daley, W. Compton and H. McLellan.

5th GRADE 'Red'

Captain: V. Marsh. Coach: Mr Fitzgerald.

Throughout the season the team play was of a high standard. Although we recorded a few losses in the first round, we made it up in the second round by beating all but one team. Our best victory was over Marist 'B' who earlier in the season beat our 'A' team by a high score.

Overall we finished fourth out of the possible nine. We would like to thank Mr Fitzgerald for giving up precious school time and valuable Saturday afternoons to coach us.

6th GRADE 'C'

Captain: T. Hammington.

Coach: Mr E. Crouch
A successful season was enjoyed by the whole team, losing only one match out of the thirteen to Kingswell, whom we later beat 12-10 and 10-4. Good team work and co-ordination helped us to win the 6th grade competition, scoring 388 points overall, while conceding only 28. Much is due to the coaching of Mr Crouch, who was responsible for the three teams in the grade and special thanks also to Stephen Shepherd and Bob Ward who turned up to every game to give us valuable advice on our game as a team and individuals.

The team played with good sportsmanship and spirit, although at times it lacked a little individual drive and hardness in the forwards, but it countered this by good mobility. The backline showed outstanding form with hard running and tackling and put together some excellent tries. There were several young players who show promise for the future, like No. 1 Alistair Walker of the 3rd Form, and 4th Formers Ward, Whelan and Withington. Thanks again to Mr Crouch, Stephen Shepherd and Bob Ward for their time and help.

The team was P. Weeks, M. Ridden, S. Sexton, G. Cuff, P. Dale, G. Ward, C. Gray, A. Walker, D. Whelan, G. Withington, T. Hammington, E. Doidge, P. Shepherd, A. Christie, G. Hamilton, J. Hunt, C. Compton and R. Lawrence.

New Zealand Secondary Schools' Tournament played in Christchurch at St. Thomas's College involved twenty teams from as far away as Auckland and Invercargill. The school team won their section easily to progress to the quarter-finals where they lost on penalties to Xavier College from Christchurch. The most pleasing aspect of the tournament was the way the team pulled together after having lost Ronald Kolk through injury on the first day. Individuals to standout were Gerald and Ted Mathieson who both played above themselves and provided the sound backing usually supplied by Ronald Kolk. The team were great diplomats and gained a very good reputation. Ted Mathieson, Ronald Kolk and Garry Simpson were selected in the Tournament team. Mention should be made of Mr Roche, the bus driver, whose help was greatly appreciated.

Results of Games:

v's St. Andrews College:

won 4-0 T. Mathieson (2), R. Murdoch, P. Coutts.

v's Westlake B.H.S:

won 5-1 G. Simpson (3), P. Coutts (2).

v's Shirley B.H.S:

v's Manurewa H.S:

lost 1-2 G. Simpson.

v's Timaru B.H.S:

won 2-1 G. Simpson (2).

Inter-School Fixtures

Linwood H.S. at S.B.H.S.

This was the biggest inter-school win of the season, 8–0. The team played very well and dominated all facets of the game. The outstanding moment of the game being Gerald Mathieson's goal. Other goalscorers were G. Simpson (3), T. Mathieson (2), R. Kolk and W. Swinburn.

Kings' H.S. at Dunedin

Result 2–2 draw. A very disappointing game in that everything went against the team. The defence made two defensive errors, after which the score was 2–0 to Kings. The attack did not help matters by missing many chances. The team finally salvaged a draw. Goalscorers were P. Coutts and G. Simpson.

Timaru B.H.S. at Timaru

Result 5–1 win. The team started poorly and Timaru soon scored. Ten minutes later Ronald Kolk scored the best goal of the game. Ted Mathieson playing, an extremely good game, deservedly scored a hat-trick. P. Coutts scored the other goal. The defence playing well to contain a lively Timaru attack.

Otago B.H.S. at S.G.H.S.

Result 7–0 win. After a 5–4 loss in last year's inter-school in Dunedin, this result was especially pleasing. The mid-field trio, led by example by Ronald Kolk, dominating the game, allowing a comfortable win. Goalscorers were G. Simpson (4), T. Mathieson (2) and P. Coutts.

2nd XI

Captain: J. Grantham.

Coach: Mr P. Maslin. Unfortunately the team did not play as well as it might have wished. This may be due to the fact that it was a very young team, made up mostly of 5th and 6th Formers.

Perhaps the best game was against the Kingswell 1st XI. On the first encounter the team went down 11–0. However, it was a different story the next time, when the team smashed Kingswell 3–1 after some brilliant goal-scoring by the strikers. Most of the team could return next year and form the hard core for the new season.

Record: Played 14; Won 4; lost 7; drew 3.

The team was J. Grantham, G. Mark, P. Davis, C. Kalpage, D. De La Mare, R. Coates, R. Love, R. Michel, K. Snell, L. Barnett, M. Krynan, T. Nicol and P. Sutherland.

W. Swinburn and M. Simpson joined the 1st XI during the season.

Third Row: S. J. Bunting, H. A. Riley

1st XI

Captain: G. Skene.

Once again the 1st XI was a young but hardy team and as in previous years it was solid practice and training that brought the results. A feature of the team was its ability to fight any match to the bitter end and not give up at any stage, thereby giving many of the senior teams some concern. It was common to see the school team battling back in the last quarter of the match. Unfortunately, however, our forwards lacked that final finesse in sending the ball into the net, and as a result, many of the harder games became desperately close. Despite this, S.B.H.S. established itself as one of the top two school teams in Southland, and no doubt this will continue into 1976.

Baird, Aurik, Osborne and Scobie, all played for the Southland Colts team, and once again our thanks must go to Mr Dear for his coaching throughout the season.

Inter-School Fixtures

Waitaki Boys' High School

Lost 4-0 (Invercargill). The game, played on a rough and soggy ground was one of constant mistakes and blunders. Played early in the season, S.B.H.S. had not settled down to playing as a team and consequently were well beaten.

Kings' High School

Won 4-2 (Dunedin). Again on a rough ground, this lead to poor ball control but a fine result all the same. Scobie and Baird dominated the forward play, with some spectacular goal-scoring from Osborne and Ameratunga.

St. Peter's College

Won 3-1 (Gore). This game was hard and fast, with the team playing as a unit. S.B.H.S. deserved this win over a "highly-thought-of" opposition.

Otago Boys' High School

Lost 5-0 (Invercargill). Against such a highly polished team, including New Zealand Colts' representatives, the school team had little chance. The fight-back in the latter stages was a feature of this game.

Gore High School

Lost 2-1 (Gore). Both teams were evenly matched, resulting in a harsh battle. That elusive equaliser unfortunately never came, despite continually strong counter attacks.

The Team:

As goalie, Ian Morison developed an unpredictability, which he will have to iron out; however, he played many courageous games. Steven Bunting and Gary Osborne held out many attacks, with Gary's undoubted ability being an

Coach: Mr R. Dear.

asset to any team. The halves, Chris Aurik, Ken Morison, Geoff Skene and Chris Morison, all played strongly throughout the year, although looking a little shaky at times in defence. Centre forward, Warren Scobie, became known as the 'gentleman player' of the team, but this did not hinder his tenacity or goal-scoring ability. He, along with Hugh Riley and Angus Baird, made a powerful inside trio, which was impressive at the best of times. The wings, Rohan Ameratunga and Michael Pearce, and utility player Eric Malcolm, all developed in skill and speed as the season progressed, and were justly rewarded with goals.

2nd XI

Captain: N. Lee.

Coach: Mr James

The team was third in the competition. With the team much the same as last year, the 2nd XI played consistently throughout the season, although we lost our coach half-way through the season (Mr Law). Because of this, the team became a bit dis-organised, but we generally had a full turnout on Saturdays.

The team thanks Mr James for filling in as our coach for the remainder of the season. We were also fortunate to have an ex-1st XI team member filling in on Saturdays, S. Bunting.

The team was N. Lee (captain), D. Branthwaite, D. Rowe, P. Cook, D. Skow, A. Voates, B. Simmons, M. Chambers, C. Comer, C. Bennet and T. Hunt.

3rd XI

Captain: C. Brown.

Coach: Mr R. James.

The enthusiasm and interest of this year's 3rd Formers made it possible to field a third team in the Saturday competitions.

Though not an over-abundance of wins, as might be expected, the team has gained a lot during the season in knowledge and experience, drawing a game with our 2nd XI near the season's end.

The team's great thanks to Mr James for his encouragement and conscientious efforts in coaching us. Without his continuous and thorough training nights, we would not have improved as we did.

The following players all represented the 3rd XI:
C. Brown (captain), E. McLean, N. Jones, M. Van Voornveld, A. Malcolm, K. Sutton, R. Fraser, A. Herbison, G. Nixon, B. Snegirev, B. Van Voornveld, S. Freeman, S. Muir, P. Rodgers, P. Ophusis, A. Hasett, D. Hoffman, G. Todd, M. Barnes and M. Swain.

Basketball

1st V

Captain: B. Taylor.

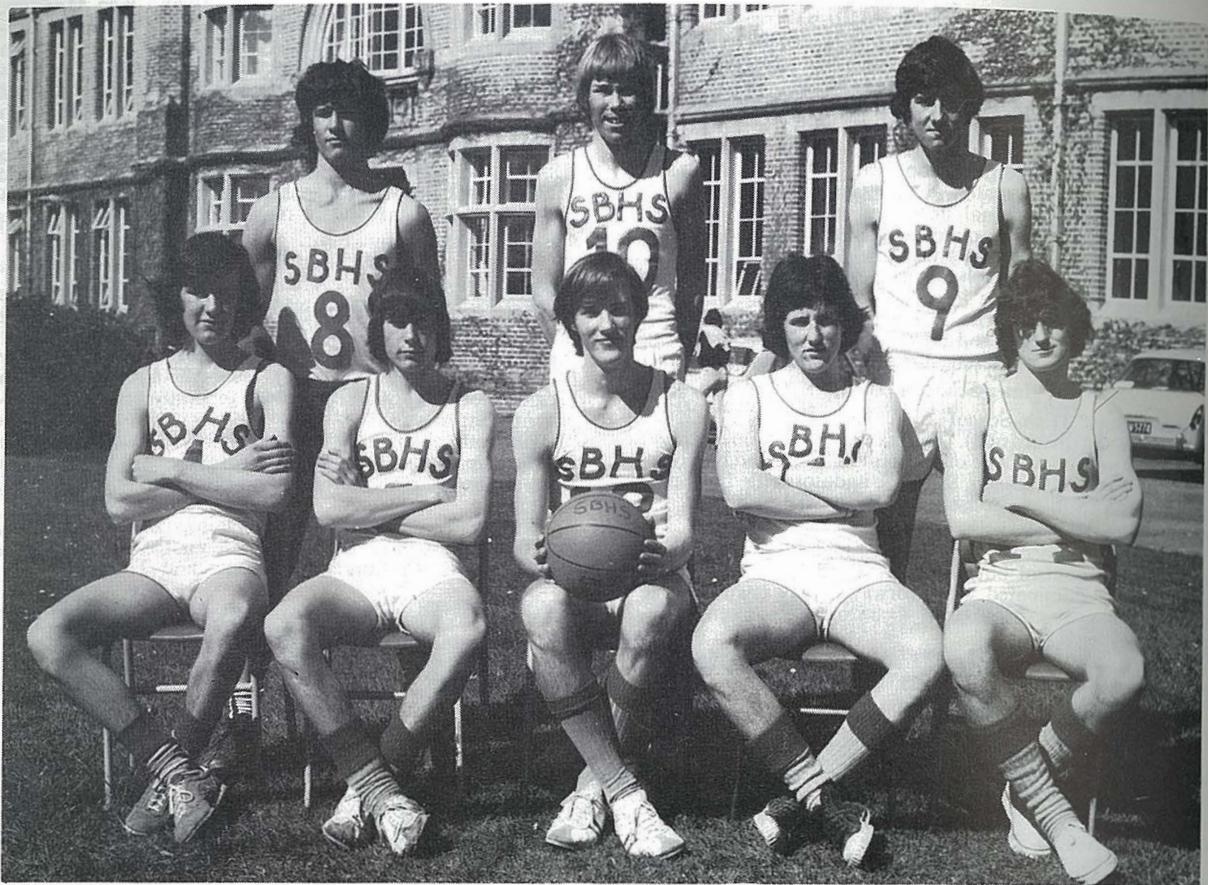

Coach: Mr J. Long

With only two players returning from the previous season's team, this year's squad was largely comprised of young and inexperienced players. However, morale was high and the players soon started playing as a team. At the beginning of the season it was the experience of Brendan Taylor which held the team together, but as other players got more match experience, success was more evenly distributed through the team.

The team finished in very good form by winning the Mens' B Grade competition by a clear seven points, a great effort (the highest grade competition a S.B.H.S. team has ever won). Largely due to a lack of experience in man-to-man defence, the inter-school record was not as good as it might have been.

The Team:

Brendan Taylor captained the team well and proved to be a very consistent shooter. Neil McMillan displayed good ball control, shot well and played some games for the Southland Under 20 squad. John Dainty and Mark Murray both developed considerably during the season (to the stage where they represented Southland) and should be of a good standard next season. Greg Erskine was the most improved player. He rebounded the ball extremely well and played a big part in the Oamaru tournament by holding out many opposing players. Warwick Ball now has the basic skill and should be very useful on defence next year. Ewan Campbell had trouble with an ankle injury, but played consistently well and was top goal scorer on several occasions. Jeff Neilson and Richard Mills played consistent games and with more practice and experience should be of

FIRST FIVE BASKETBALL

Front Row: W. E. Ball, N. McMillan, B. J. Taylor (Captain), R. J. Mills, J. A. Neilson
Second Row: M. Murray, J. Dainty, G. Erskine

considerable value next year. Our thanks to Mr Long, who drilled us into a team and gave us the encouragement we needed.

Top goal scores for the season were: B. Taylor 305, N. McMillan 195, E. Campbell 108, G. Erskine 84, J. Dainty 82, and M. Murray 42.

Inter-school Games

v. Waitaki. Won 63-61. The whole team played well, and totally deserved the win. We got off to a good start by notching up 10 points before Waitaki had scored a basket. This boosted our morale and with the support of the school, the team never looked back. Outstanding players were B. Taylor and N. McMillan who both scored consistently, and G. Erskine who won a lot of possession from the rebounded ball.

v. Central Southland College. Won 76-49. This was an important game, as we had to win to qualify for the Southern Zone Secondary Schools' Basketball Tournament. The team pulled through by quite a convincing margin; outstanding players again were B. Taylor (who scored a tremendous 32 points) and G. Erskine who dominated the rebounding. Special thanks go to those supporters who put up with the cold conditions to give the team some encouragement.

v. King's High School. Lost 64-37. A very disappointing game, as Ewan Campbell, the team's tallest player, sprained his ankle just before the game was due to start. Playing in a very large stadium and on artificial surface, the team never settled down to shoot accurately, and many easy scoring opportunities were lost. It was to the team's credit, however, that they played hard throughout the game.

v. Otago Boys' High School. Lost 72-43. The team went into an early lead, but the brakes were applied by Otago, who made good use of the fast break. We only looked like a team for short periods. Ewan Campbell, who had just recovered from his injury, scored a fine 19 points.

Southern Zone Tournament

Once again, the school team ended up receiving a tough draw, having to play King's High School who won the tournament last year, and Kaikorai Valley High School, who had toured overseas at the beginning of the season, so we started as the underdogs. We went into the first game against Kaikorai very relaxed, but were 10 points down before the team "clicked" and eventually won by 4 points to produce, what the local paper called, "an upset victory!" This meant a certain place in the top four if we could beat Waitaki, which we did. However, on the final day, our

fitness gave out and we slumped badly, much to the disappointment of the team and the coach. But fourth placing is four better than last year, so next year big things are expected!

2nd V

Captain: A. Ward.

1975 was a season of rebuilding for the 2nd V. All players were relatively inexperienced and this, combined with the fact that opposition was generally strong and

Coach: Mr G. Thomson.

experienced, meant that in as far as results were concerned, the side did not have a very successful season. However, all players maintained a high level of keenness and as the season progressed individual skill and team combination developed. By the end of the season the team could be very pleased with some of its performances. 1976 should see a good combination developing.

The team was P. A. Beaton, N. Sutton, D. Chisholm, S. Lindsay, A. Ward, M. Claxton and C. Spence.

Badminton

BADMINTON TEAM

*Front Row: M. J. Little, M. J. Lindsay, T. Smith
Back Row: A. Simpson, Mr T. Berridge (Coach)*

Once again the strength of this game in the school was apparent. More players are offering for the Wednesday afternoon sports period. This can not be accommodated, and so entry is restricted to seniors.

Matches against Otago Boys' High School and King's High School were won by convincing margins and our

teams finished first and second in the local inter-school competition.

Individually, Nigel Skelt and Michael Lindsay achieved national ranking in their age groups.

The completion of the new gymnasium should do much to foster interest among the younger players.

Table Tennis

This year the school entered four teams in the local secondary schools' competition. The competition was organised by the local association and was run over the winter term at the Lindisfarne Street hall. It was undoubtedly enjoyed by all and it is hoped that the competition will be held next year.

School 'A' — Captain: R. Ameratunga

The team enjoyed moderate success winning seven out of ten games. We were able to finish fourth. The team was made up of R. Ameratunga, T. Smith, M. Smith and N. Bartlett. W. Ball and A. Wihington also helped us out during the season.

School 'B' — Captain: G. Hubbard

Although we were off to a good start by winning two games in a row, we were able not to keep our standard up.

G. Hubbard, R. Turner, M. Kidd and S. Guise made up the team.

School 'C' — Captain: G. Dawson

The team played consistently well and managed to finish just behind the 'A' team. N. Wells, S. Wilson and S. Smith improved throughout the season.

School 'D' — Captain: G. Sadlier

Undoubtedly the team had a very successful season. After winning all their games they went down to Kingswell in the final match. This was good enough to get them second place. Both M. Maxwell and G. Sadlier played for the Southland Junior team. All of the members of the team are expected to return next year and we should be able to keep the high standard of table tennis in the school.

Squash

This year the school's 6th Form physical education classes had the opportunity of participating in a wide variety of activities.

Among them squash has increased in popularity, partly due to the "Come Alive" campaign. The Invercargill club

with its two courts, intends to embark on a building programme to upgrade the facilities. Next year should be a successful one for the school's squash.

R. Ameratunga and W. Swinburne both played for the Southland Under 19 team at Oamaru.

FIRST CRICKET ELEVEN

1st XI

Captain: R. Murdoch.

Coach: Mr J. Shirley.

Ross Murdoch (left-hand batsman): aggressive on attack and very sound on defence. Captained the side and he lead by example. Had an exceptionally good club season with good inter-school results. Most capped player who will be sadly missed next season.

Michael Ross (opening bowler-right-hand batsman): vice-captain. His bowling was a valuable asset to the team, and his batting was also of good standard, this giving Michael a good season.

Nigel Skelt (right-hand batsman): this was Nigel's first year in the team, he had a successful season, especially in inter-school matches. A solid batsman, often unorthodox in his approach, but nevertheless very effective.

Garth Dawson (left-hand batsman-off spin bowler): Garth was placed as opening batsman this season and he fulfilled the position well. He is very solid in approach. His talent filled a gap in the attack very well.

Richard Hoskin (right-hand batsman): although Richard lacks the size of some, he makes up for it with his timing and concentration. Good game against King's High School.

Euan Murdoch (right-hand batsman): over the course of the season as the other opening batsman, showed great promise and will be of considerable help next year.

Graham Cowie (medium pace bowler - right-hand batsman): suffered from lack of opportunities, but when called upon, he responded well.

Gary Simpson (right-hand batsman): called in for inter-school matches. Gary found it hard to adjust, but has ability to develop into a fine player.

Kevin Burns (right-hand batsman-medium pace bowler): young Kevin showed maturity well above his age and consequently both his bowling and batting were of high standard. He will be a decided asset for future years.

Roger Pearce (right-hand batsman): in his first year Roger received no real opportunities, but would well develop into a very good leg spinner with practice.

Laurie Agnew (opening bowler-right-hand batsman): Laurie benefited from this year and with practice will develop into a fine bowler and a handy batsman.

Chris Kalpage: although our 12th man, when called upon in club games, he gave his best.

Inter-school Games

v. St. Andrew's at Invercargill, 5-6 December

Southland Boys' High School batted first with conditions overhead very poor. With a disastrous start, S.B.H.S. went from 3/23 to 4/68 and by afternoon reached a total of 143. St. Andrew's batted in the middle of the afternoon and similarly started poorly, losing two wickets in three overs, but they too recovered well and reached 167. The next morning play was abandoned through overnight rain. Result a draw.

v. King's High School at Invercargill, 11 March

Southland Boys' High School batted first and everyone batted well. E. Murdoch scored a good 45 and Skelt scored 51. By afternoon the total was 205 for 5 declared.

King's, although put under pressure, replied with a total 186 for 9 declared.

On the second day, S.B.H.S. batted again through for 138 for 4 declared. King's were left a 100 minutes to score 158. Losing early wickets put immediate pressure on King's, but they batted out to stumps for 62/6.

Result a draw.

TENNIS

Captain: B. Taylor.

Coach: Mr J. Long
Once again, the school had only one inter-school fixture, against Otago Boys' High. Our team had plenty of ability, but our top three players had spent most of the previous weekend playing representative matches and were too tired to give that little bit extra needed to win vital sets. The match count was 16-5 to Otago, but S.B.H.S. lost another seven in three sets and thus the games count was much closer. Channa Seniveratne was the outstanding player, contributing to three of our wins.

The teams for the Southland Secondary Schools' Championships were as follows:

Senior: C. Seniveratne, B. Taylor, P. Dale and R. Ameratunga.

Junior: V. Marsh, M. Maxwell, R. Coates and A. Seniveratne.

A very promising team, but weather caused a cancellation. However, B. Taylor, C. Seniveratne and P. Dale were later selected to play for the "Town" team for the Ensign Cup.

The winners of various school championships were as follows:

Senior singles - B. Taylor 6-4, 6-2 over C. Seniveratne.
Senior doubles - B. Taylor and C. Seniveratne 9-1 over L. Kelly and D. McKinnel.

Junior singles - V. Marsh 6-2, 6-2 over J. Dainty.

Junior doubles - V. Marsh and M. Maxwell 9-1 over G. McDonald and N. Tansley.

The junior end of year tournaments were won by 3A 2 (C. McLellan, P. Morris, J. Wesney, F. Chilton, M. McAnelly and K. Huffadine), with 3D 1 close behind, and 4B 2 (V. Marsh, G. Johnstone, P. Coutts, R. Hall, P. Dale and M. Maxwell) with 4D 1 a very close second.

For the first time in many seasons, the school had teams entered in local competition. Being a single-sex school is a big problem in that there is no secondary schools' competition in Invercargill and the only open grades are Men's A and Junior Boys. The Junior Boys' number 1 team of R. Coates, K. Snell, J. Clarke and R. Kahukura played well, and would have won the competition, but for a technicality. Four senior players combined with a group from Girls' High and were entered in the "B mixed" competition and had an enjoyable social season, though not managing many wins.

Thanks are extended to Mr Long for the time and effort he has put into reviving tennis in the school.

Harrier Team

Inter-Schools — Won 1; Lost 2

Waitaki B.H.S. at Invercargill:

In the Juniors P. Culling was surprisingly beaten into second place, but we still won the teams' race. In the Seniors, J. Anderson easily won, while P. Coutts turned in a mighty run to get fourth after being sixth most of the way.

Juniors—2nd P. Culling, 4th B. Smith, 5th J. Dawson, 6th M. Morris

Won 17-19

Seniors—1st J. Anderson, 4th P. Coutts, 7th A. Coldicott, 8th B. Vallance

Lost 20-16

Lost overall 37-35.

Kings H. S. at Dunedin:

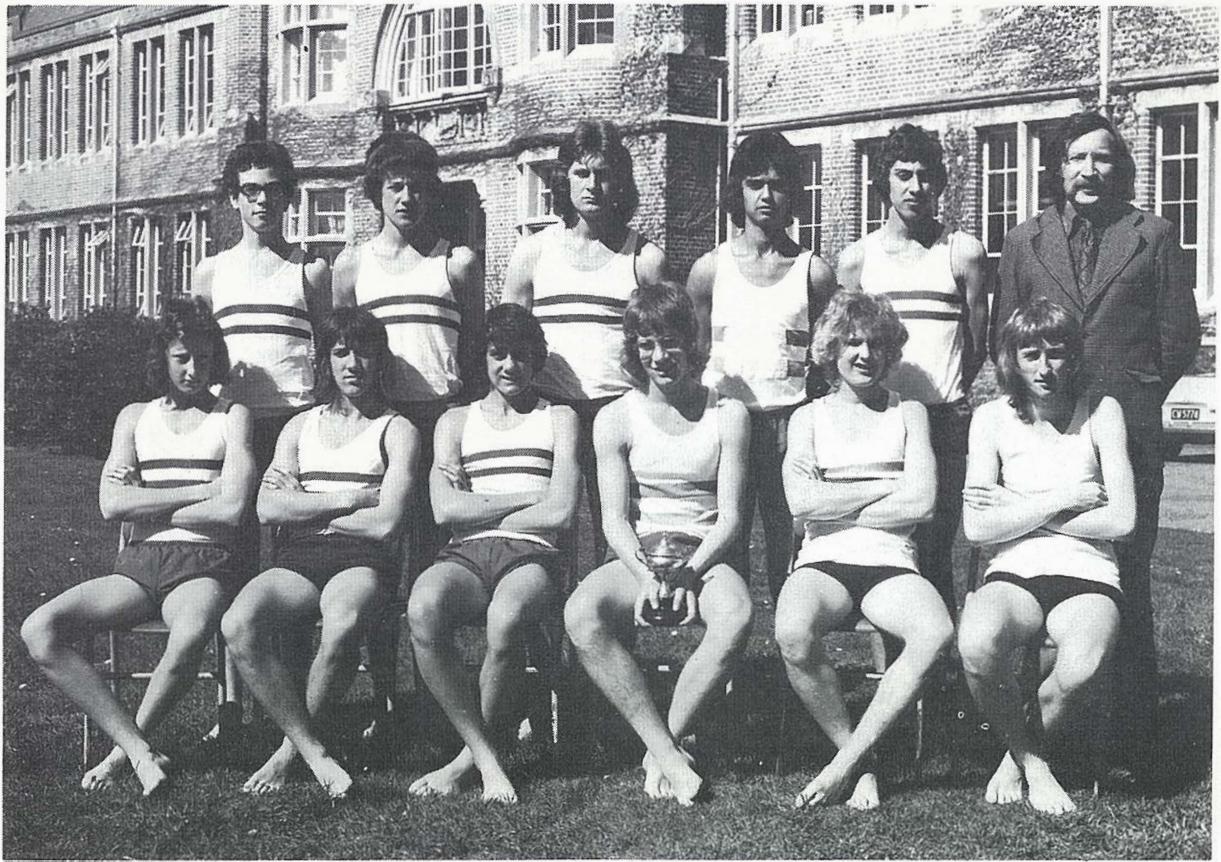

Against a very strong Kings' team our team ran above expectations to lose quite narrowly overall. It was good to see A. Coldicott and M. Morris improving but everyone ran well.

3rd J. Anderson, 6th A. Coldicott, 7th M. Morris, 8th J. Dawson, 9th P. Culling, 10th B. Smith.

Lost overall 43-35.

Gore H.S. at Gore:

In the Juniors our team dominated, while in the Seniors A. Coldicott surprisingly beat J. Anderson.

*Front Row: G. Parkhill, B. G. Vallance, M. Morris, A. G. Coldicott, P. Culling, N. J. Greig

Juniors—1st P. Culling, 2nd B. Smith, 3rd J. Dawson, 6th S. Hall, *Won 12-24.*

Seniors—1st A. Coldicott, 2nd J. Anderson, 4th S. McDowell, 5th N. Greig *Won 12-24.*
Won overall 24-48.

CLUB RUNS

Junior Colts:

P. Culling turned in good consistent races with a number of wins. G. Parkhill showed good form at stages. The highlight came when the Juniors had four of the five runners home in the Southland Cross Country. M. Morris was very impressive in winning the Southland Secondary Schools' Cross Country after a good season.

Senior Colts:

P. Coutts had a well-judged win in the Forest Hill race, but was fairly inconsistent later in the season. J. Dawson did not win a race, but was never far behind. A. Coldicott improved during the season to win two road races, but lost the championship race by a narrow margin. B. Vallance and N. Greig ran consistently well throughout the season. The highlight came when the team took the teams' race in the Road Champs, closely from Hargest.

Junior Men:

J. Anderson dominated his section with some very good wins. As a result of his strong running, he was selected to run for Southland in the National Cross Country and National Road Champs. Well done John.

RESULTS OF MAJOR EVENTS

Edmond Cup (Dunedin):

Junior Colts 6th M. Morris, 9th B. Smith; Senior Colts 15th P. Coutts; Junior Men 1st J. Anderson.

EXCERPTS FROM IMMEDIATE PAST PRESIDENT DOUG MOIR'S REPORT TO ASSOCIATION AT ITS 1975 ANNUAL GENERAL MEETING:

The year under review has been a frustrating one for your executive, particularly in relation to social activities. However, the main aim during the year has been to further extend the base of members as increased during the 1973/74 year.

At the 1974 Annual General Meeting I stated my intention of holding the office of President for one year only and Norman Cuff will take over this post on the 11th August next.

Social

The good start to our social year, with the most successful Annual Meeting, when we were privileged to be addressed by Mr Justice O'Regan, unfortunately did not continue.

During the last Annual Meeting I indicated, along with other items, that the Executive would undertake to get new ideas for social activities by making provision for "A Suggestion Panel" to be included on the first newsletter. Russell Read, our newsletter editor did ask for ideas and did include the provision for replies to be forwarded to the Executive. It is with great disappointment that I must report that not one reply was received.

Your Executive endeavoured to organise a mixed tea meeting when the Director of the Consumer Institute, Mr Dick Smithies was to address the gathering. For various reasons the Association's support was not forthcoming and the Executive was forced to cancel the function.

Neil Wyeth reported last year that efforts were being made to assist the school's cultural activities and I am pleased to report that on 15 April a function titled "The School Entertains" was held in the Federated Farmers Lounge.

While the Executive sold approximately sixty tickets for the function, barely thirty Old Boys attended and what had promised to be a most successful evening fell a little flat. The standards of the performers efforts' were particularly high and our thanks must go to the staff of the school and to the boys who gave the Old Boys who attended the function a delightful evening.

The after dinner speaker at the 1975 Annual General Meeting will be Mr Des Lotter who is a South African born school teacher who taught in South Africa, Australia and is now teaching in New Zealand. His subject will be "Everyday Life in South Africa" and your Executive requests your support for this function.

Membership

Membership extension efforts have continued this year and all school leave's have been contacted as indicated in the last year's report, and hopefully this will continue in the future also.

Total membership increased by twenty eight and we now have 251 ordinary members and 109 Life Members.

Life membership fees continue to be invested with a Trustee Company and the income from the investment paid into the general fund.

Centennial Fund

During the year your Executive has endeavoured to interest a suitable Old Boy to head up a "Major Fund Raising Sub-committee," but at the time of writing, this report, the position is still not filled. It is, in my view, most important that some form of committee be formed as soon as possible as the Centenary is now not too far away. Funds increased during the year from \$6,954 to \$7,866. Obviously inflation has greatly reduced the purchasing power of these funds and it is urgent that support for the increasing of the fund is forthcoming or else it would appear that the Association's Centennial gift would be very meagre. Of course this will not happen, as I am confident that the Association will get behind the Executive and that a worthwhile gift will be made to the school in 1982.

School

I attended both the 1974 Senior Prizegiving and the 1974 Junior Prizegiving ceremonies on your behalf. The boy to go to the Outward Bound School at Anikawa in May 1975 was Alan Coldicott. He was most pleased and grateful to be selected and he both enjoyed and benefited from the course.

Once again Jack Alabaster has been the school representative on the Executive and my personal thanks go to him for his help during my term as your President.

Relationships with the Rector and the school have been very good and the Executive was indeed pleased to be able to assist Mr Cornwell, his staff and the school, by giving a guarantee for the last \$10,000 required to enable tenders to be called for a new gymnasium. The Executive and the Rector have opened an account called "The Southland Boys' High Gymnasium Fund" at the Southland Savings Bank to be operated by the Rector and the President of your Association and the proceeds of work days and potato sales efforts are banked there. To date the Rector advises he has between \$5,000 and \$6,000 to be placed in this account. He hopes that there will be a further \$2,000 payable sometime during this current year. The purpose of this account is to cover the Association's guarantee.

S.B.H.S. Old Boys' Rugby Club

Another rugby season has passed and already the club is preparing for the 1976 season. Unfortunately, 1975 was not a vintage year for the club. The Seniors had a disappointing year. However, they were a young and inexperienced side who will benefit from this season and next year could be a force, provided the side can be kept together.

The Second Grade were by far the club's most successful side, finishing second in their competition.

Both Third Grade A and B teams had a mixed season, playing very well on occasions and very poorly on others. Both teams however, contain young players of promise who could be invaluable to the club's Senior teams of the future. It was very pleasing to see the success the club's schoolboy teams attained this year. It is hoped that these boys will return to play for Old Boys' when their duties to their schools are finished.

The rugby club now looks forward to 1976 and the hope of success, whilst it also looks forward to better support from Old Boys' and supporters at its functions and regular Saturday night get-togethers.

S.B.H.S. Old Boys' Association Football Club

1975 was a very successful season for the Soccer club, and for the first time since the club's inception, three senior teams were fielded as well as four schoolboy sides.

The 1st XI was always in the race for the "Donald Gray" trophy, but eventually had to be satisfied with fourth position, coming in behind a fine High School 1st XI and Thistle. Both the 2nd XI and the 3rd XI (the "Come Alive" team) performed extremely well, and both these teams finished in the top four of the Presidents' Cup competition. The club's 9th grade A schoolboy side were the winners in their competition.

Membership increased noticeably during 1975, and fund raising for the club's proposed new pavilion is going well. Plans have been drawn for the new building and a modern and attractive 2,000 sq. ft. pavilion will hopefully be commenced in 1976.

S.B.H.S. Old Boys' Cricket Club 1975/76

The club held its Opening Day on Saturday 4 October at Surrey Park. A net practice was followed by a limited over game of two hours duration, and then our Annual General Meeting. Approximately thirty members attended Opening Day and the season finds the club in good heart.

Several new members join our ranks: Hugh McIntyre from Central Western; Ralph Marshall from Albion Dunedin; Ian Chapman who returns to Invercargill and to his old club after several years absence; John Houlihan from Marist College; Bill and John Wilson from Appleby.

This season the club will be without the services of Jack Alabaster who announced his retirement last year. Jack, whose achievements in international, Plunket Shield and Provincial cricket are well documented, joined Old Boys' in 1967-68 and continued playing for the club until the end of last season. In 1971 when selected to tour West Indies with the New Zealand team, he became our first club member to achieve international status. He had of course, played many times previously for New Zealand, but not as a member of the Old Boys' Club. The team will miss his dry humour just as much as the reassuring sight of him sending opposing batsmen regularly back to the pavilion. Our congratulations go to Jack on his appointment as Headmaster at Kingswell High.
