Mr G Ginther

Mr W Perniskie, B.A.

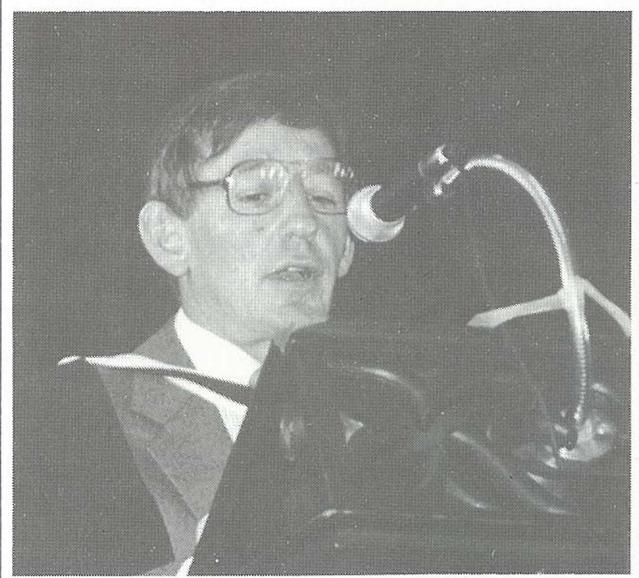

Mrs M Wellington, F.T.C.L.

Mr R Williams

STAFF 1990

RECTOR'S REPORT

In our Prospectus, we emphasise that our aim is "to pursue excellence, through academic promotion, cultural involvement, personal development and physical participation in sport and outdoor education."

I am pleased to say that 1990 has witnessed a great many achievements in all aspects of school life. I doubt that we have ever had so many NZ representatives in a variety of sports, while others have been to the fore in academic competitions.

Congratulations to all those boys who have given their time and effort to accomplish so much for themselves and the school.

The fact that we have remained fully staffed and that our teachers are willing to be involved in extra-curricular activities also has much to do with this success.

We now have an outdoor education programme that involves every boy at every level. The organisation and expertise that has developed over the past three years will provide a solid base for future expansion.

It is very encouraging to see the progress being made with the upgrading of our facilities. The redevelopment of the Pearce Block will continue next year. The facade will remain, so that from the outside SBHS will retain its character and charm. Within, it will be strengthened, practically and aesthetically, into a much improved and attractive learning environment.

- * The school provides the environment
- * The students provide the commitment
- * The parents and community provide the encouragement and support

These statements from the prospectus have certainly been borne out in 1990 and I am confident that the boys, the teachers, the parents and community will continue to pursue excellence at Southland Boys' High School.

BOARD OF TRUSTEES' REPORT

The School opened in 1990 with 763 students, fully staffed and in good heart.

On February 22nd Mr Jack Alabaster, the previous Rector, officially opened the new library wing, appropriately named in his honour. Invited guests who had contributed to this fine building project commented favourably on the outcome.

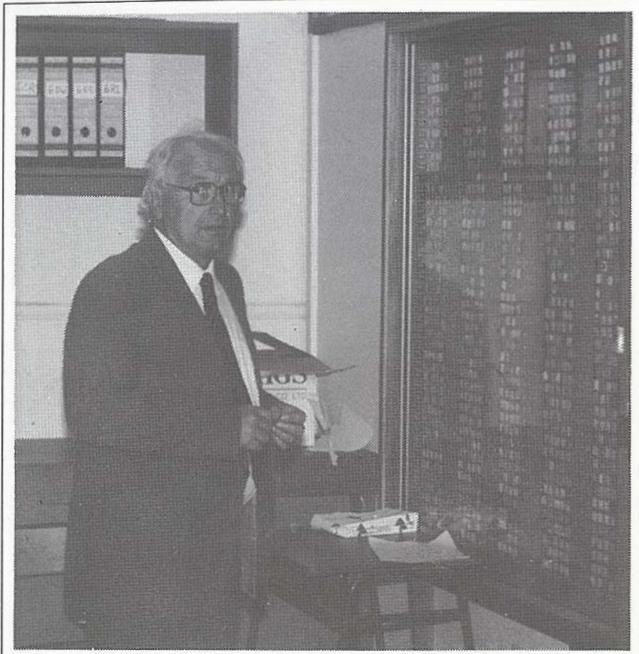

The highlight of the year was the Open Night held at the School and Coldstream Hostel on 26 June 1990. The enthusiasm and cooperation of pupils, Rector and staff, Coldstream parents, and many others epitomised the team effort which is apparent to all associated with SBHS. As a direct result of this excellent team effort, enrolments at both the School and Hostel have increased dramatically.

After a rather frustrating period of uncertainty over government funding levels for capital projects, the local Ministry of Education officials have worked tirelessly with the Board and our architect to ensure the refurbishing of the new staff room facility will be completed by December this year.

This in turn enables the scheduling of Stage II of the Development Plan which goes to tender in February 1991 and will be completed in 1992. The advantages of a close liaison with the local Ministry are now proving the worth of recent changes in regional administration.

The Board would like to record its deep appreciation of the fine service of Mr Bob Boyd, who retires as Deputy Principal at the end of this year. His supportive role under three Rectors provided a wealth of gentlemanly and objective guidance to staff and pupils alike. We wish Bob and wife Rosemary a long and happy retirement.

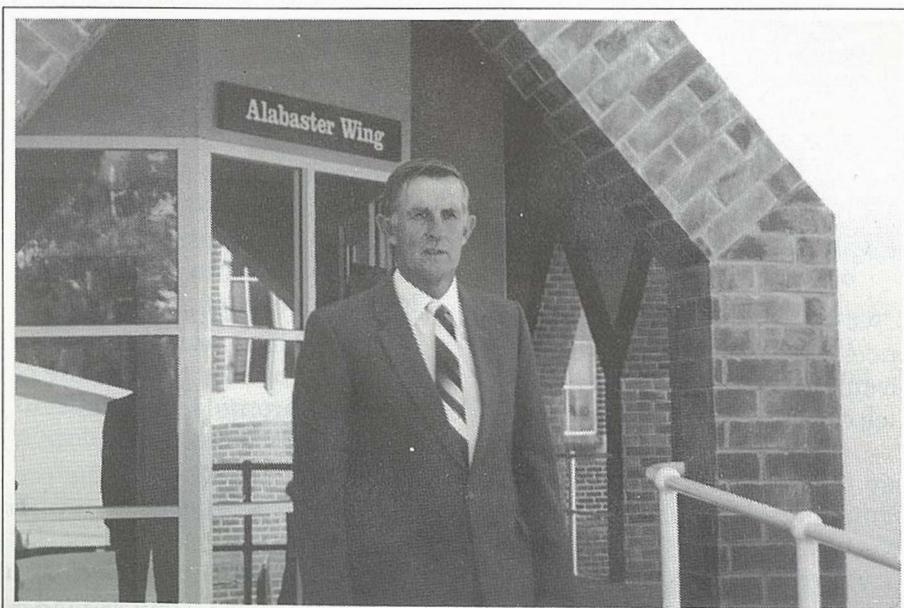

The appointment of Mr Ian Baldwin as the new Deputy Principal enables him to renew his asso-

ciation with Southland Boys' High and we look forward to benefiting from the innovative skills and experience he will bring to our top management team.

Finally, I should like to express my deep appreciation of the tremendous contributions made by my fellow Board members, Mr Currie our Rector, and all staff members both teaching and ancillary. Their dedicated efforts are reflected in the progress of the School's Development Plan, an increase in the school roll, and a commitment to an harmonious and cooperative environment where all pupils are encouraged to achieve their maximum potential.

W D Lindsay
Chairman of the Board of Trustees

HEAD PREFECT'S REPORT

I would like to take this opportunity to thank everyone who has helped and given me support this year. I'd also like to thank all staff for putting up with all my absences over the year.

At times, especially during the fourth form, I couldn't wait to get out of the place. Now that this time has come I have mixed feelings. I feel excited about the prospects for the future, but sad that my time here has come to an end. For the past five years my road to success has been straight, but now I've come to a crossroad in my life. Where will I go now? As I'm making my decision in life, I start to reminisce of my time at SBHS. SBHS has given me a great start to life.

I have learnt several principles for living since coming here some five years ago, and now I'm only starting to realise how much the school has given me.

When I first arrived at SBHS I was only interested in sport, and as I began to get into my sport more and more, I realised that if I wanted something I would have to work for it, that I'd never get anything for free. So every night I would have to go out and train to try and get fit. If I only went once a week it didn't do anything for me, so I had to have consistency and self discipline.

For a start I used to apply this only to my sport, but then I realised that if I was to succeed in the academic field, I would have to apply these principles to my school work. So I did my homework, up to two hours a night, and I began to improve in all areas of my schooling. To achieve anything today you have to work for it.

The second important lesson this school has taught me is that if you want a job done by others you have to encourage them. It has always been easy to encourage 7th formers to Social Committee meetings at SGHS, but what about in class. How do you get 3rd formers to do their work? In my 3rd form year I had one particular teacher who always gave me and the class the positive comments and encouragement we needed. I really enjoyed her class and I actually did my work. Not only should teachers give encouragement but also students.

Students should show respect for other students. They are the worst at putting others down and lowering peoples self esteem. How often do you see a group of students hassling another student. Students should have more respect for the rights of others. If everyone did this at SBHS it would be an even better place for students to achieve their goals.

Much of my life has been spent at Coldstream Hostel where I've learnt in practice to respect others. Living with nine others in a dorm and having to put up with all the noises that boys make, was quite an experience. The thing I'll remember the most about the hostel is the friendships which were made. Those friendships will last a life time and so will all the great memories I have of that place.

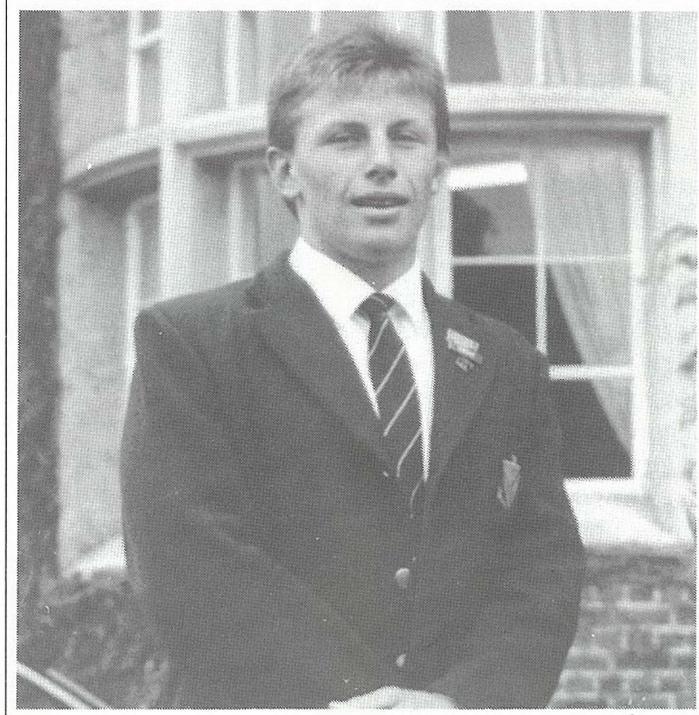

SBHS has given me a lot, and as I stand and look at the cross road, I see where SBHS could have strengthened one more principle for living which could help all individuals and society. In todays society where crime is increasing and less people are holding moral beliefs, the country seems to me

to be going down hill. In recent years New Zealand has not held on to its Christian base, while people only seem to worry about making money and having a good time. Fewer parents seem to be instilling these values in their children.

It is my opinion that in today's society, no one, apart from the church, seems to want to make a stand on moral and Christian values because they don't want to offend anyone. To overcome this, we at SBHS should be strong and retain the basic belief. Even if it's only singing in assembly.

In my life I have learnt and been guided by Christian values and would like to see the future SBHS as a school which holds on to traditional values while it still moves with the times. I want it to remain as an institute where students learn, not for school but also for life.

Nicholas Stratford

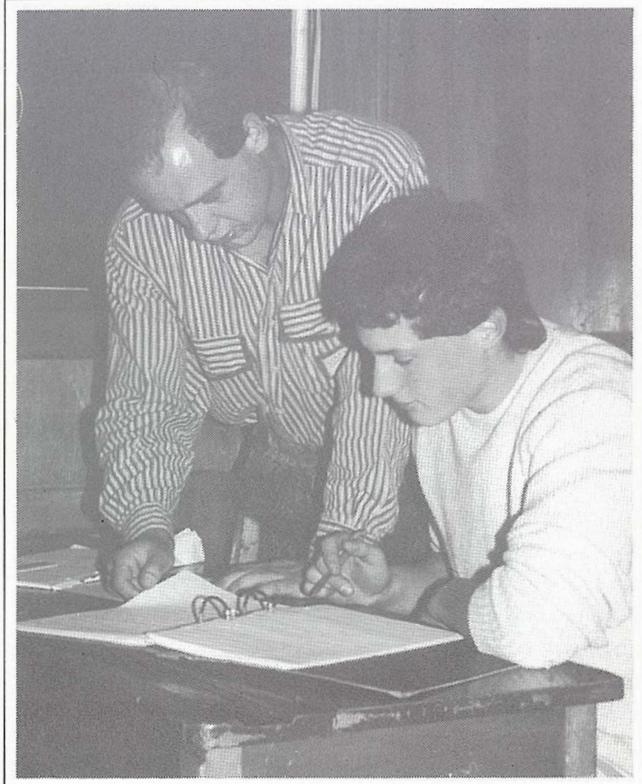

COLDSTREAM HOSTEL REPORT

Once again another year has passed at Coldstream Hostel, and yet again another group of seniors are ready to leave to try to find jobs, go to varsity or come back to school.

1990 has been a good year for the hostel boys in the sporting, cultural and academic fields. The experience of the Hostel was called upon at school as five Prefects were named, including Head Prefect. Also there have been three 6th form Prefects at school from the Hostel.

The Hostel has shown the school once again that when it comes to sport the cockies and fishermen are in their element. This is shown by having eight boys in the 1st XV and five boys in the 2nd XV. There were also two boys in the interschool tennis team, one in the 1st XI cricket team, one in the 1st XI hockey team, and one in the interschool debating team (showing that the Hostel has culture as well!) The rugby players did well as the hostel had six Southland Representatives, three South Island Representatives and two NZ Representatives this year.

As far as interhouse sports went we didn't fare as well as in years past. The athletics were well contested and we ended up a good second which isn't bad considering Coldstream is the smallest house. However things began to slip as the old tradition of Hostel boys leaving before the Round the Park set in, thus it was not surprising to see us come last in this event. Winter house sports were the same as last year, meaning that everyone wanted to play rugby and caused our other teams to suffer. The senior Rugby team won in rather dubious conditions. However, it was a very good game and the Deaker side deserved to win. The juniors were rather unlucky not to win their tournament. They were such good sports they

gave their best four players to the opposition and they scored against us.

On the social side of things the Hostel Ball was a great success. Much thanks must go to the Matron (Mrs Lindsay) and Mrs Milne, the head cook, for the preparations and the food. It was excellent. We were all privileged to see John (Stratford) Travolta and Matthew Dirty Dancing (Hazlett) on the floor. It was a sight to behold.

The hostel was managed by Mr and Mrs Brinsdon. Thanks must go to Mr B for the way he keeps things running smoothly

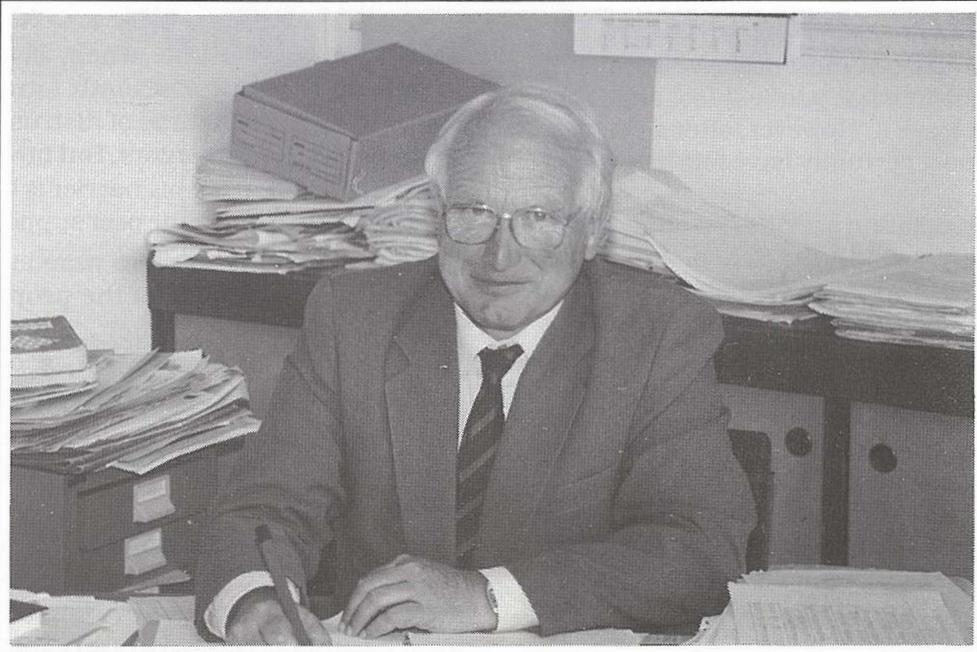

Many thanks to Matron who is often required to sew this, cut that, and tend injuries from sore throats to broken bones. Her work is greatly appreciated.

A special thanks to the cooks whose work is not always appreciated as much as it should be.

The Hostel has been an important part of my life. It is a great environment to learn self-reliance and to form friendships. It is a learning experience from which we all benefit.

Travis Lamb

Mr R. S. Boyd

STAFF DEPARTURES

Mrs Kathryn Edwards joined the staff in 1986, having previously taught in Christchurch. Her teaching strengths were in English, Economic Studies and Accounting.

Her extra-curricula strengths were her forte'. These were areas in which she was passionately interested. They included debating, public speaking, drama (producing a Theatre Federation One Act Play winning piece), Duke of Edinburgh Award and Civil Defence Light Rescue Teams.

Mrs Edwards will be remembered for her relentless pursuit of excellence (well before it was coined fashionably) and many a boy will recall that 'chase'. Above all, Mrs Edwards brought a huge depth of experience to the position and an innate fondness for her students. Our loss is indeed Cargill High School's great gain.

Laurel Boyd joined the staff of Southland Boys' High School in 1980, teaching mainly English and History. She soon established herself as a favourite with colleagues, students and parents, who saw positive gains from her enthusiasm, her commitment to education and her indefatigable energies in extra-curricular activities.

In the mid eighties Miss Boyd travelled overseas to a number of exotic places in order to "broaden her horizons". When she returned to Boys' High she brought with her a wealth of new ideas which were of value in the classroom teaching programmes. Miss Boyd's contribution was acknowledged when she was appointed Assistant Head of English in 1988. Her organisation, especially in the Fifth Form English area, proved invaluable as the school moved towards internal assessment. However,

she applied for a year's study leave in 1989 and had only a short time in 1990 to put into practice the further skills she had acquired before accepting a position as Head of English at Central Southland College.

There is no doubt that the school has benefited from Miss Boyd's time here. Her ready good humour and winning personality were hallmarks of her teaching.

Mrs Margaret Kendall-Smith joined the Music Department at short notice this year. She replaced Miss Black who was not able to teach due to a sudden illness. Mrs Kendall-Smith proved to be an excellent teacher.

Mr R.S Boyd: Deputy Principal

Bob Boyd came to the school as Deputy Principal in 1975. Having originally taught at Waitaki Boys High School, Nelson College and Colenso High School he saw the light and made the big move south.

Southland is well suited to Bob who is a keen outdoors man. Bob and Rosemary must have enjoyed Southland for they have remained here until Bob's retirement this year.

Few people have made such a significant contribution to the school as Bob. He has served three Rectors and ensured many of the schools best traditions have been maintained. He has been a driving force behind the development of the Outdoor Education Programme. He has been an excellent Deputy Principal and teacher.

He will be remembered by all as a very genuine and fair person.

OLD BOYS' ASSOCIATION

While at Southland Boys' most of you will probably give little thought to what you will feel about the School once you leave it. However, after a period of time you will almost certainly have fond memories of the School.

The Old Boys' Association provides an opportunity for continued contact with the School and people you associated with while at school. Many of the people you will seek employment from are Old Boys and they invariably look favourably on other Old Boys when choosing staff.

In addition to these social aspects the Association provides some assistance to the School. The facility at Boyd Creek is an example.

During Easter 1981 the Association organised a centennial function to celebrate the School's 100th birthday. This was such a huge success that it has been decided to celebrate the 110 anniversary at Easter next year. Those of you leaving this year are warmly invited to attend and become involved with Old Boys'.

Nelson Collie, President

PEER SUPPORT

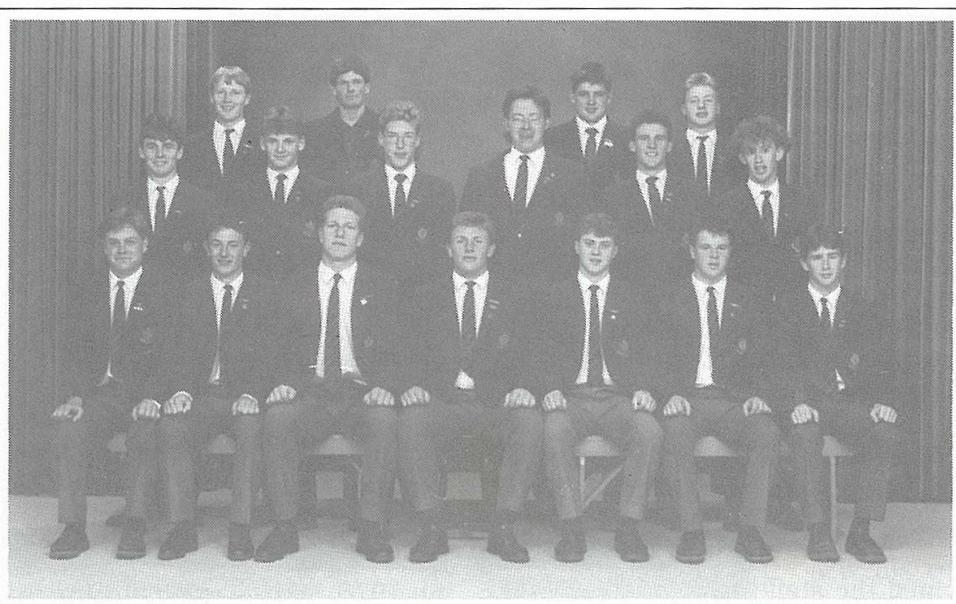

There was once a time when, if a third former looked up and saw a seventh former, he would cower in fear. Yes, a time of distrust and distance between thirds and seniors. But now, thanks to Mr Currie and Mr Paris, this barrier is beginning to be pushed back through the peer support programme.

Groups of seventh formers were assigned a third form class each. Some of the people went on the third form camps with their classes. We took the third formers through a series of programmes relating to issues such as anger, trust and goals. There were also activities such as leading a partner with a blindfold around the school, trust games etc.

This programme has brought about a friendship between some 3rd and 7th formers that would not have happened previously. Now 3rd formers greet 7ths with friendly smiles and other gestures.

SCHOOL DIARY

TERM I

JANUARY

31st - 7th formers at Tautuku Lodge actively "characterbuilding" with Tautuku service - carrying gravel.

3rds, 4ths arrive at school in fear of the big guys then learn the 7ths won't be at school till next week.

FEBRUARY

6th - Waitangi Day Holiday. "A short holiday at the expense of our Government..." Sir Ronald Davison.

9th - Athletic Sports during which Penelope Pearce,

Pearces house Mascot, is crushed and deformed.

7th - History reveal their secrets learnt from Mr Boyd, "You've got to be curious" and to "Read your Taylor".

19th - Summer Sports fixtures with Shirley Boys' High at Christchurch.

20th "Those who are the best cricketers...will be the best readers and writers" Gibbon Wakefield.

22nd - Opening of the new Alabaster Wing and the new Library, by Mr Alabaster.

Athletics Sports Championships at Surrey Park in the senior division - Nicholas Broughton is first followed by Jason Moreton.

27th - Summer Sports with King's High School at Dunedin results in a mixed bag of wins and losses.

MARCH

1st - Form 3 Camps at Longwood, Riverton accompanied by their 7th Form Peer supporters, who support a lot on the Burma trail with some water..

12th - Summer sports fixtures with Otago Boys' High at SBHS. School makes a clean sweep of 9 sports.

13th - Mr Goodwill proves the enthalpy change for the combustion of cyclohexane is negative. "Beep!Beep!Beep!" (Nominated Best Entertainment stunt 1990).

26th - 5th Form camps at Boyd Creek - Mavora; no one's lost.

31st - The South Island Secondary Schools Athletic Championships are held at Gore.

APRIL

13th - Easter Holidays - nary a soul to be seen throughout the land.

17th - Mr Munro explains a difficult biological concept with "When I was in the Cook Islands...."

23rd - The Blood Bank visits. "When do we get the Moro Bar?" Anon student.

25th - Anzac Day. Mr Blackley (Sgt in territorials) reminds us "I like guns and I am in the Army..."

26th - Meet the Teacher evening for parents of Form 6,7 boys "With much wailing and gnashing of teeth"

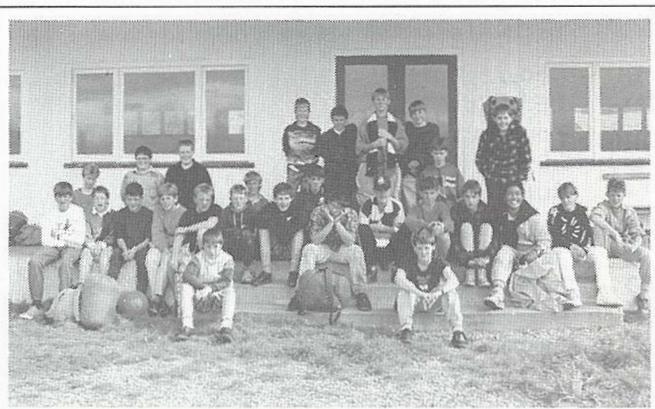

30th - Speech Contest. Brian Kane wins, then came Terry Frisby and Wayne Jones.

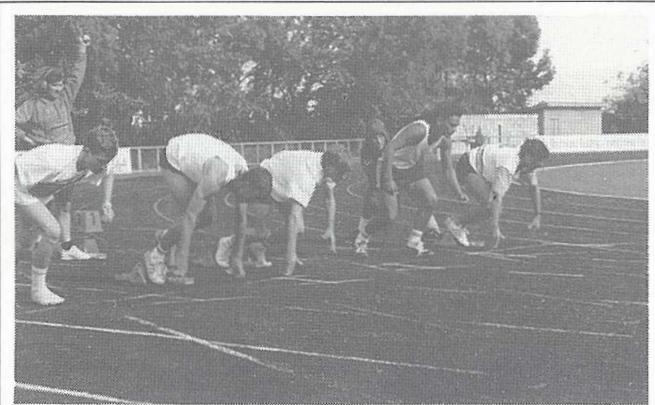

TAUTUKU

STANDARDS

RIVERTON

CHAMPIONSHIPS

MAY

2nd - Meet the Teacher evening for parents of boys in Form 5.

4th - End of Term.

TERM II

MAY

21st - Teacher Only Day

24th - 'Icebreaker' Senior Dance at SBHS - a lot of breaking to be done by some.

30th - Form 5 dance at SGHS.

JUNE

4th Queen's Birthday holiday.

6th - Winter Sports fixtures with Otago Boys' High at Dunedin.

12th - Southland plays Scotland at Rugby. Not a boy to be seen at school.

20th - Winter Sports fixtures with Waitaki Boys' High at Oamaru.

22nd - Formal Dance at St Mary's Hall. Many boys used this as an opportunity to learn how to dance, although there was a lot of foot dragging going on. The theme was "A Night in Cairo". Mrs Gumbley put on a magnificent supper.

26th - Open Night. This was an outstanding success except for the physics equipment which broke down.

JULY

6th - Mid term Break - one week of bliss.

11th Careers Night in conjunction with SGHS. Nursing is well attended for a change.

12th - Otago University visit by prospective students - Yeh! MacDonalds!

18th - Winter Sports fixtures with King's High School at SBHS.

19th - 6 Form dance at SBHS.

30th - Winter Sports fixtures with Timaru Boys' High at SBHS.

AUGUST

8th - Winter Sports fixtures with Gore at SBHS.

10th - 5th and 7th form exams.

15th - A wise man once said "Don't study for exams the night before or you will fail" he was right. House sports.

16th - House sports

17th - Round the Park races. More of a waddle for some. End of Term.

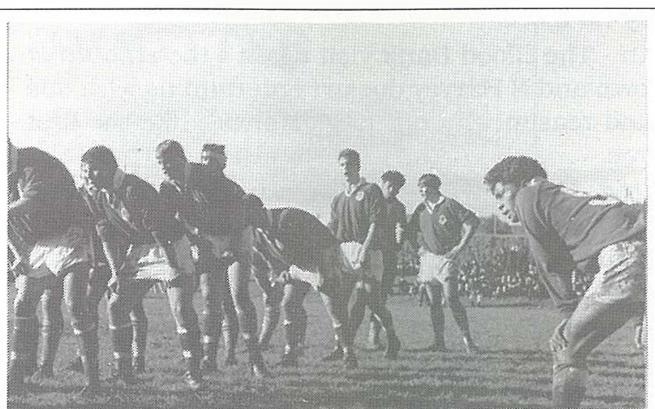

Famous quotes from Term II:

Mr Munro: "When I was in the Cook Is..."

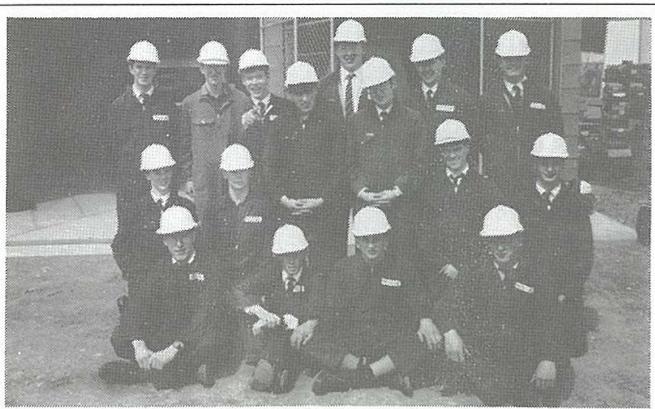

Miss Randall: "They are not cabbages, just because they don't do maths like you."

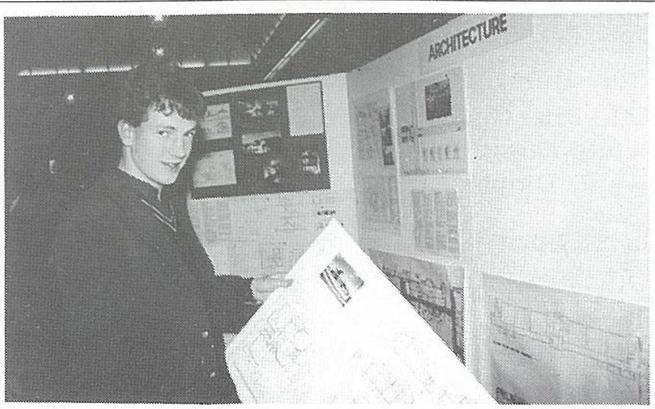

PLAY

RUGBY

CIVIL DEFENCE

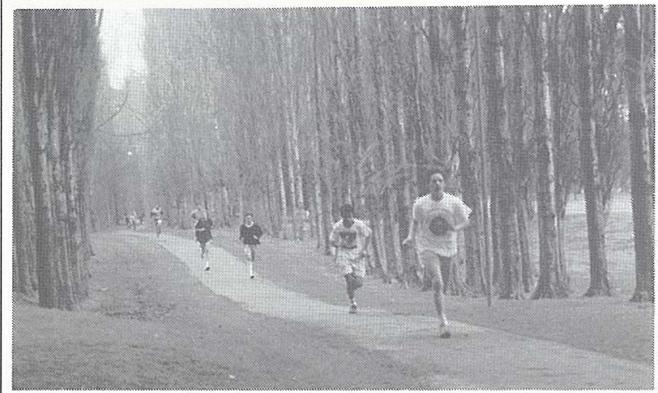

CAREERS

TERM III

SEPTEMBER

- 10th - Teacher Only day.
13th - 15th - Top Four Secondary School Rugby at Invercargill. Wesley College is 1st while SBHS beats Kings' High of Dunedin.
19th - Form 4 dance at SBHS - or rather 'spot the dude in the suit'.
24th - Form 6 exams - 7th formers say "We who are about to die salute you". Bursary around the corner.

RUNS

OCTOBER

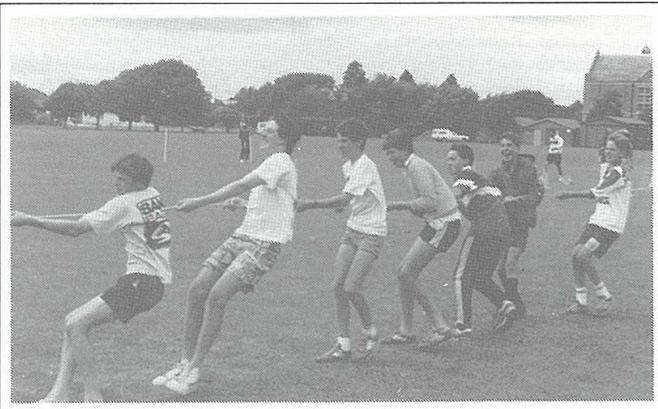

- 1st - 5th - Form 6 camps. Libel laws permit us to say no more.
8th - The Blood Bank visit again - the amount is down and N Harvey doesn't entertain us with one good reason why not to give blood, like the first time.
22nd - Labour Weekend. Unreal man - like thoughts enter heads as students realise that Bursary may require some study.
25th - Meet the teacher evening for parents of 4th formers.

CRAFT

NOVEMBER

- 1st - Form 3 dance at SGHS - "Punks and Preschoolers". Bursary revision with Mr Thompson starts well "But we haven't learnt anything all year" - anon student.
2nd - "That's not the point" Mr Thompson. Mr Munro again reminds us he visited the Cook Islands, "when I was in the Cook Islands..." Mr Williams explains to Richard King the facts of life, "The universe doesn't revolve around you King, that's why we have a solar system". Mr Thompson's nuclear powered magic markers leave us all behind in revision as he "can't stop now".
8th - Mr Cooper shows his sense of humour with the dry comment on his 7th Stats class, "You guys are such fun" - he even smiled!
9th - Last day of formal classes before Bursary examinations next week.

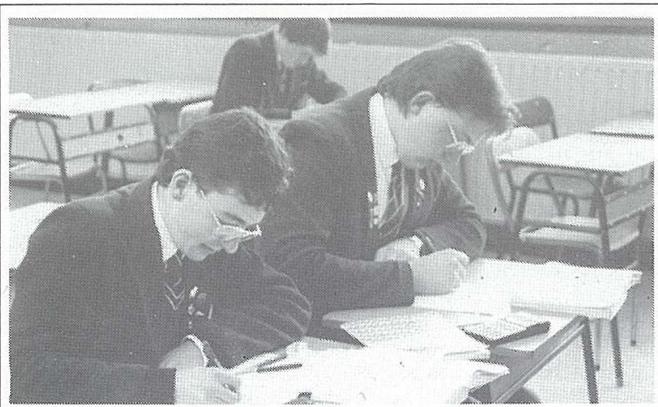

TUG-O-WAR

- 14th - Bursary examinations begin - Kia Toa "Be Brave". Last day of classes for school art candidates before release for examinations.
23rd - Bursary examinations complete.
30th - Prize Giving ceremony and farewell function for 5th years. Coldstream Hostel supper and Blues Awards Dinner.

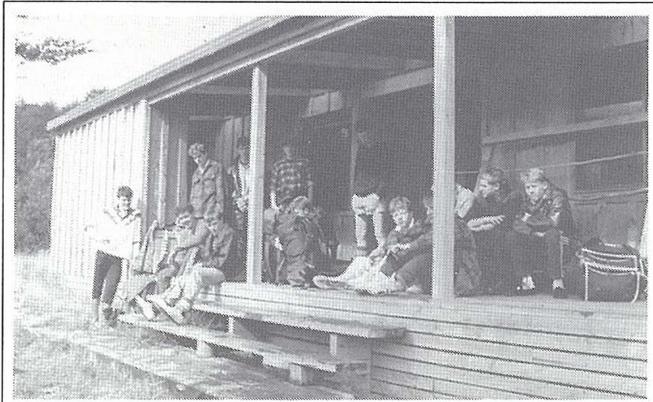

DECEMBER

- 5th - Show Day. School released to visit the A & P Show.
7th - Junior Prize Giving.
12th - END OF YEAR

Robert "I Tried" O'Regan

GARETH S. MACFADYEN

NOMAD SCHOLAR

Deputy Head Boy Nicholas Broughton has been selected as the Nomad Scholar for 1991.

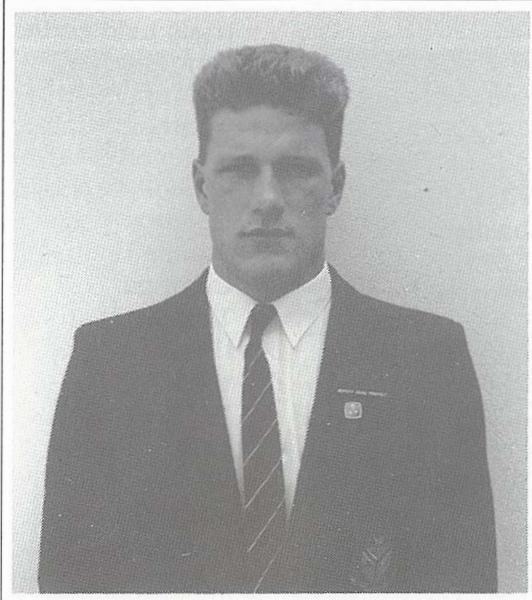

This strengthens our association with Haileybury College in Hertfordshire, England because this is the second time in the ten year history of the Scholarship that it has been awarded to one of our boys. The previous award went to our 1983 Head Prefect Michael Hogue.

Twelve boys' schools including Auckland Grammar, Palmerston North Boys' High, Christs' College and Otago Boys' High participate in the scheme whereby each school is invited to nominate a candidate for the one scholarship awarded each year.

The scholarship was established following the visit to New Zealand in 1981 by Danny Hearn, a Master at Haileybury. Mr Hearn had been an English Rugby International before sustaining a severe spinal injury in a match against the touring All Blacks in 1967.

The school occupies 500 acres halfway between Hertford and Hoddeson, 35km north of London. It caters for 660 pupils, including girls in the sixth form, and has thirteen Houses in the traditional English system.

Although Haileybury places great emphasis on academic excellence it is also strong in recreational

and sporting pursuits. Rugby and cricket are the main sports, but Haileybury also has ten squash courts, a heated swimming pool and a new 13,000 sq ft sports hall with two indoor tennis courts. In recent years Haileybury students have visited Nepal, while the cricket team has toured the Caribbean and the rugby team has played in Canada.

Receiving the Scholarship caps a busy year for Nicholas who represented NZ in U17 Rugby against Australia, and later played for NZ Schools against Wales and Australia. He is Captain of our 1st XI,

and has played representative cricket for age group teams, and a match for Southland seniors. While at Haileybury he hopes to have more time for athletics - Nicholas has been Junior, Intermediate and Senior Champion at school but would like to receive specialist coaching, particularly in the shot put.

When asked for his views on the prospect of a year in England Nicholas said:

"I am grateful for the opportunity I have been given and I consider it a great honour for my school and for myself. I look forward to being involved in a different educational and cultural environment - and of course there is the exciting prospect of the chance to see cricket at Lords, and hopefully some of the World Cup rugby matches."

SALUTE TO YOUNG SOUTHLANDERS

DION FORREST

This year Dion represented NZ as a Junior Single Sculler. He is also a Prefect and member of the 1st XV.

His achievements in 1988 included a Gold in U17 Double Scull NZ Secondary Schools and Southland Schoolboy Rower of Year.

In 1989 Dion achieved Gold in the Mens Intermediate Eight NZ Champs; Gold in U19 Double Scull NZ Secondary Schools; Silver in U19 Single Scull NZ Secondary Schools; was Captain in the Harriers Team; NZ Junior Rowing Trialist, Southland Junior Sportsman Nominee and was also a coach for U15 Open Blue rugby team.

Representation in 1990 included U19 Single Scull; Gold in U19 Single Scull NZ Secondary School and Southland Oarsperson of the Year.

"Next year I hope to attend Training College in Dunedin and specialise in Physical Education."

NICHOLAS BROUGHTON

Nicholas is Deputy Head Prefect and House Captain of Deaker House. He is also involved in the Peer Support Programme and with various other committees around the school.

In athletics Nicholas holds the 1988 NZ Secondary Schools Junior Shot Put Title; is SBHS Junior Champion in 1988, Intermediate Champion in 1989, Senior Champion in 1990 and currently holds the 1990 record for South Island Secondary Schools Senior Shot Put Title.

In Basketball Nicholas represented Southland U16 in 1988. His Cricket achievements include Southland U16 in 1988; Otago Minors U16 in 1988; Southland U18 1989-1990; SBHS 1st XI 1989 and 1990 (Captain) and Southland Senior Team against Tasmania in 1990.

Representation in Rugby includes Southland U16 1988-89; South Island U16 1988-89; SBHS 1ST

XV 1989-90 and is a member of NZRFU U17 team, and the NZ Secondary Schools' Team for 1990.
"I hope to attend university specialising in Sports Science and Sports Medicine."

ANDREW CAMPBELL

Andrew is an outstanding sportsman having represented his school, province, the South Island and New Zealand in Rugby. In 1988 he played rugby for the SBHS 2nd XV and basketball for the 1st V.

In 1989 Andrew was selected for the SBHS 1st XV, Southland U18 and Secondary Schools, South Island U18 and NZ Secondary Schools.

This year is Andrew's second year in the 1st XV which plays in the U21 grade. He was also selected for the NZ U19 rugby team which toured Australia in May, and the NZ Secondary Schools which played Wales.

"Next year I plan to go to Otago Polytechnic and get my Architectural Drafting Certificate, then apply for the Police Force."

RICHARD KING

Richard was selected for the NZ U18 cricket team in 1990 after several good innings for Otago at the National Tournament, including one of 160 runs against Northern District. In the same year Richard was selected for the Southland U-Bix Cup Cricket team.

Richard has been a member of the SBHS Cricket 1st XI since 1988. This year he scored 170 runs in one innings which is one of the highest scores in the history of SBHS.

Richard has been a member of the school's 1st V basketball team and has also represented the school at skiing. He has participated in school debating and was runner-up in a Royal Overseas League Speaking contest.

"I plan to attend university in 1991 and at present am considering a career in the human sciences side of management, with the options of professional cricket and Volunteer Service Abroad."

DARYL MARSHALL

Daryl has been Southland's No 1 badminton age group player since the age of 11. He is currently ranked No 1 male player in Southland and is in the top 3 in New Zealand as a junior player. Daryl was recently selected into the National Development Squad, training for the 1994 Commonwealth Games. His dedication and hard training is starting to pay off with an Invitation Tournament involving New Zealand's top 16 ranked senior men players. As a 7th former at SBHS and at 17 years of age, Daryl is also active with cricket, water polo, softball, and tennis and has shown his popularity and leadership skills by being a House Captain.

"I am planning on going to Denmark to improve my sporting and education ability and then on to university to study Physical Education."

TODD GRAVE

Todd has been selected to represent New Zealand after riding to a second place in the NZ International trials held earlier this year in Nelson. In June he competed in Italy and at the Junior World Championships in Britain. This success follows numerous national top three finishes in both track and road over the past three years, including: 1987 Schoolboy National Champs Time Trial, 1989 NZ Champs Junior Teams Pursuit, 1990 NZ Champs Junior Teams Pursuit, 1990 NZ Criterium Junior Champs.

Todd's versatility has gained him selection in both the track and road Junior World Championship teams.

"Next year I hope to study commerce at Otago University and also continue to pursue an international cycling career."

NICHOLAS STRATFORD

Nicholas has the dual position of being Head Prefect at SBHS and also at Coldstream Hostel, which has been his home away from home for 5 years.

Rugby is his main sporting interest and in 1986, 1987 and 1988 he represented Southland in the U16 grade, being captain in 1988. He was South Island Shot Put winner for U14 in 1986. In 1987 and 1988 Nicholas also represented the South Island at rugby and was honoured to be captain in 1988. This was followed by his selection for NZ U17 team in 1989.

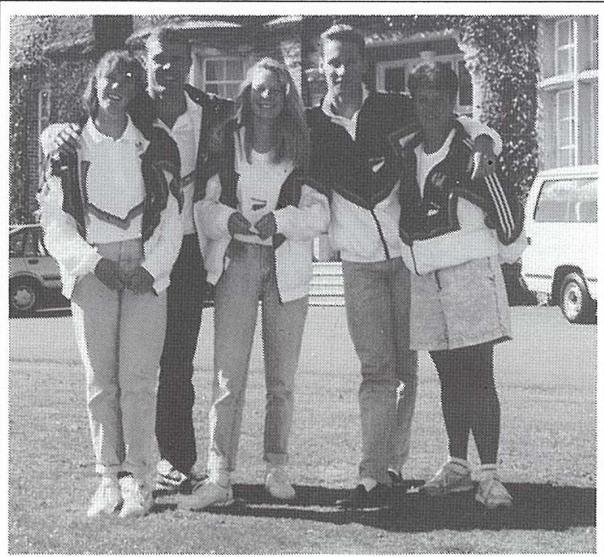

Nicholas has been a member of the SBHS 1st XV since 1988; the year the school represented NZ in the Pan Pacific Rugby Youth Tournament in Taiwan. This year he is captain of the 1st XV.

Nicholas is also a member of the school athletics team and Coldstream House Captain.

Summer vacations are spent working in his own crutching gang and much experience is gained in organizational, financial and communication skills.

"My short term goal is to be a Physical Training Instructor in the Royal NZAF."

Cultural Activities

CHESS CLUB

This year the Chess club was run by Mr Carr who implemented a new points system. Everyone started on 100 points with points being added for a win and subtracted for a loss. Boys lower down the ladder could challenge those higher up to gain a few places. The standard of chess was high and David Bradley was the top of the ladder in the final placings.

Our thanks to Mr Carr for his time and effort in ensuring that our club ran smoothly.

CIVIL DEFENCE TRAINING

The training undertaken by the Boys' High group of fifth, sixth and seventh formers now enables them to be of some assistance in a rescue and recovery capacity.

The programme used is based on a light rescue course normally run over a week. The skills learnt include knots, stretchers, movement of casualties, rescue techniques, safety and teamwork.

Following a slow start, the team of 21 gained confidence in both the topics and themselves. By the end of the course they identified that working as a team is the best way to perform rescue activities.

Unfortunately, with a number of members not attending each training session, the overall progress was slowed a little. This meant that we did not achieve as much as was intended.

The topics not covered include the communications, warden and welfare functions of the Civil Defence Organisation.

Overall, I have confidence in the members and their newly acquired skills. In the event of a civil defence emergency, or other situation requiring their skills, I will have no hesitation in calling on them for support.

It is intended to conduct another such course in 1991. Some of this years members have indicated that they wish to come back next year.

I thank the teachers and pupils of Southland Boys' High School for their assistance and support in this community based activity.

*Bill Obers
Civil Defence Officer*

INTERSCHOOL CHRISTIAN FELLOWSHIP

This year saw one of the best years yet for ISCF at SBHS. The main theme in the videos was 'Youth at Risk', and how answers were found to real life dramas.

The ISCF visited two other schools during the year - Hargest and Cargill, and hosted SGHS, Cargill and Verdon. Among other guests were the Covenant Players, Y2, the Y1 backup team, Jo McEwing (the Otago/Southland representative for Scripture Union), and Arthur Hadden, who packed out the 7th form common room while telling his amazing testimony. Most who attended will never forget. Also Dr Lionel Stewart - Tumuaki for the Baptist Union of NZ, came and gave the history, and God's viewpoint of the Treaty of Waitangi.

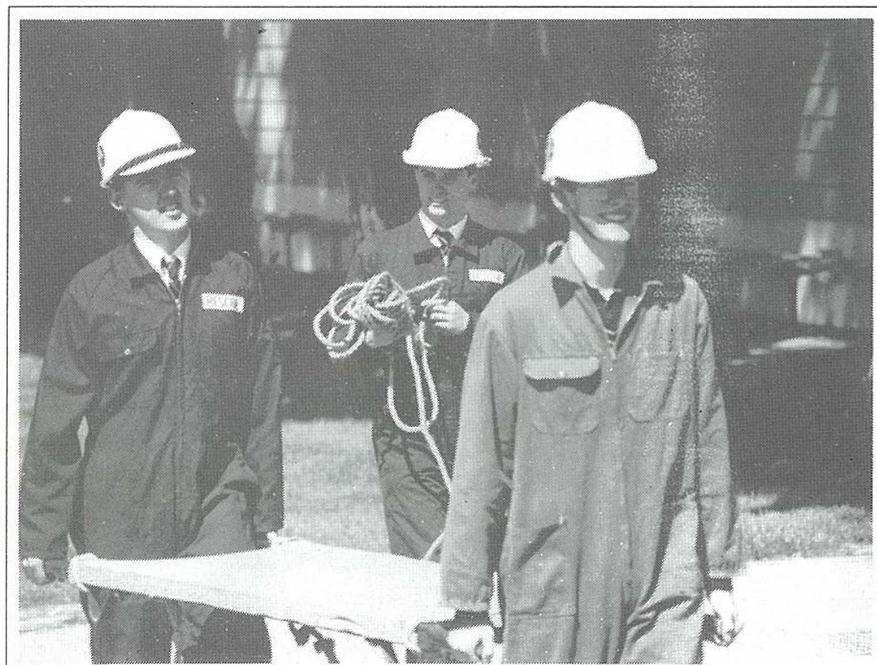

Some members of ISCF were involved in the two gospel rock concerts where the band JC+DC played - Living Fire and Rock the Flock.

Midterm break saw the departure of Mrs Edwards from the school when she went into exile to Cargill. Prayer was a major part in the life of ISCF this year, with record numbers constantly turning up for official and unofficial prayer meetings. This led to Christians enjoying life in the Spirit.

Things are looking up. Life hasn't been better - because - ROCK - that is what we are standing on!

All members would like to thank Mr Riley, Mr Crowther and especially Mr Paris for the time and support they have offered over the year.

Craig Wright

Civil Defence Team in action

DEBATING

Coaches: Miss Boyd, Mrs Fletcher

This year the Senior A debating team, Craig Williams, David McCarthy and Travis Lamb, were in action early in the Westpac-Jaycees National Competition.

Our first round debate was against Central Southland College, coached by former long time debating coach at this school, Mrs Drayton. Arguing the affirmative of the topic "That International Athletes be subjected to compulsory drug testing", we suffered some typical and not so typical first round problems, one of which was that our 2nd speaker didn't do any rebuttal! Thankfully our superior case carried us to victory by 244-228. Travis, the only member remaining from last year's team, was an excellent stabilising factor and was deservedly adjudged Best Speaker.

Our second round debate was against long time and dreaded rivals, Southland Girls'. Luckily for us, Miss Boyd kept in close contact with the competition organiser and gained us the more favourable negative side of the topic - "That sexist advertising is acceptable". In a tough and extremely close debate we prevailed by 238-231. A much improved performance saw David take Best Speaker. Apparently this is the first time in over ten years that Boys' High has beaten Girls' High in this competition. In the next round Blue Mountain College defaulted.

Sadly, at this point we lost our great speech writer Miss Boyd. However her shoes were more than capably filled by Mrs Fletcher.

Queens' High School of Dunedin were our fourth round opponents in what amounted to a lower

South Island Final. In a see-sawing debate, arguing the affirmative of the topic "That the User Pays System is fair", we gave way to our female opponents by the narrowest of margins, 272-270. Many thanks must go to Mrs Fletcher for her cool, calm and collected attitude when Craig turned up with only 3 out of 10 minutes speech written on the morning of the debate. The adjudicator felt we had missed the crux of the whole debate by not defining "user" in terms of a consumer. Queens', on the other hand, had failed to pick this up but made a good job of their "wailing violin" performance.

As a result of our performance in the Westpac-Jaycee Competition we were invited to represent the Southland region in a Parliament Week Student Debate at Parliament in Wellington on July 11th. After a hurried departure from bed for some of us, we boarded the plane early that morning bound for Wellington. Apart from Travis hearing the fact that it was my birthday broadcast over the speaker system and getting every hostess to wish me a Happy Birthday, the trip went well! In the actual debate we were pitted against Queens' once more, taking the affirmative of the topic "That we'd rather be Douglas than Savage". We all felt sure we had done enough to win. Our strong case seemed superior to that of the girls who even admitted they didn't know who Ken Douglas, a key figure in our argument, was. Unfortunately the politicians adjudicating didn't agree and gave the debate to Queens by 1 point, 291-290. Travis, however gained the distinction of Best Speaker.

The food at the lunch afterwards (where we met our local MP's) was great. (I got lots of handshakes - it being my 18th birthday!) Travis took full advantage of the vast quantities of food available, probably

making up for 4 years of underfeeding at the hostel! We spent the rest of our time in Wellington sightseeing and shopping.

In our first interschool debate of the year we negated the topic "That the line must be drawn," against Otago Boys' High. In a lively and entertaining debate we emerged the victors by 262-245. Travis was yet again Best Speaker. "That All the World's a Stage" was the motion for our interschool debate against Waitaki Boys' High. Arguing the negative in the imposing surroundings of the ornate "Hall of Memories," we succumbed to our opponents by the narrow margin of 251-233. The adjudicators commented that both teams struggled with defining and coming to terms with this topic. They didn't hesitate, however, in announcing Travis Best Speaker.

In the first of our home interschools against Kings' High we were forced to move from the library to the hall because of the huge audience. Taking the negative of the topic "That we take ourselves too seriously", against a relatively inexperienced team, we were easily the victors, 279-206. Travis again grabbed Best Speaker for his humour (especially about the affirmative's third speaker's walkman which played constantly throughout) and his "eloquent eyebrows."

"That wisdom is more to be desired than gold" was the topic for our final interschool debate of the year against Timaru Boys'. Their young team ran us close as we attempted to affirm the topic, only losing 246-225. Guess who was Best Speaker!

The lead-up to the finale of the year, the local competition final - into which we had got without a single debate, was a celebrity debate held at Girls' High. Travis and David teamed up with Megan Nichol and Victoria Scully in a combined SBHS/SGHS team, against a team comprising Lance Eccles, Linda Braun, Pat Veltkamp and Jeff Walker. In a contest of youth versus "aged wisdom" it was youth that prevailed by the narrowest of margins. A large audience was well entertained by the humorous debate.

The team would like to thank Miss Boyd and especially Mrs Fletcher for all the time and effort they have put into coaching us.

EXCHANGE STUDENTS

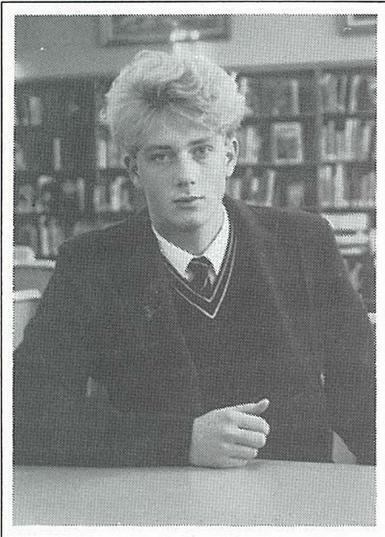

In September we were favoured by the arrival of three exchange students. Shawn Throp from Canada, came on a Rotary International exchange, Staffan Ahlkvist from Sweden, and Tapani Heinonen from Finland are part of the STS programme. We welcome these young men and hope that they enjoy their time at Southland Boys' High School.

We have two students who have been accepted for exchanges to foreign shores through the AFS programme. They are Jason Jones, who will visit Honduras, and Brendan Petre who goes to Costa Rica.

Good luck to these guys as well.

EXCHANGE STUDENT

Well if anyone didn't know it, my name is Jens Ronnqvist. I'm a Swedish exchange student and have been with you since the third term last year. My year here in New Zealand is coming to an end and I'd like to say a few words to show my appreciation to the school.

It is August 1989. I have just received a telephone call which told me that I was to be placed in Invercargill for the next 11 months of my life. Invercargill? I had heard about Auckland, Wellington, Christchurch and Dunedin alright, but Invercargill.

An atlas tells me that my new home is at the very south end of New Zealand. My dreams of picking oranges from the garden for the breakfast juice and living on the beach the rest of the day goes into a little cloud of smoke. Instead of a tropical paradise I will come to the worst weather in New Zealand and only a stones throw away from the South Pole!

I also received the news that I was going to attend Southland Boys' High School, and be wearing a school uniform. Single sex schools and school uniforms do not exist in Sweden so this of course caused quite a few laughs among my friends back home.

I was going to meet some major changes so it was with mixed feelings I arrived here. So came my first day at Boys' High. To be honest, I must say that I missed the girls, and still do. Neither did I at the start feel comfortable with the uniform. However,

as time passed by I got used to it and started to respect it. Probably because I became proud of being a Boys' High student. This proudness, I'm sure, I will bring with me home and wear as long as I live.

I've had many many good times here. Such as school camps, learning new sports (or at least trying to), school socials - both unforgettable and forgetable, but most important I've met lots of new people and a new culture. I almost forgot the nights out with the boys where I was introduced to some very nice NZ products and traditions.

I hope you will give future exchange students such a good time as I've had, and who knows, maybe some of you guys will go on exchange. All I can say is if you get the opportunity, go. It's a great experience.

Once again I'd like to thank the staff and the boys of the school for a great year. Thank you.

Jens Ronnqvist
Birger Tarlsgatan
11356 Stockholm
Sweden

My name is Rizal Yaya and people used to think Yaya was my family name but it is Zein. I like New Zealand very much and of course being a "Nigel" of SBHS.

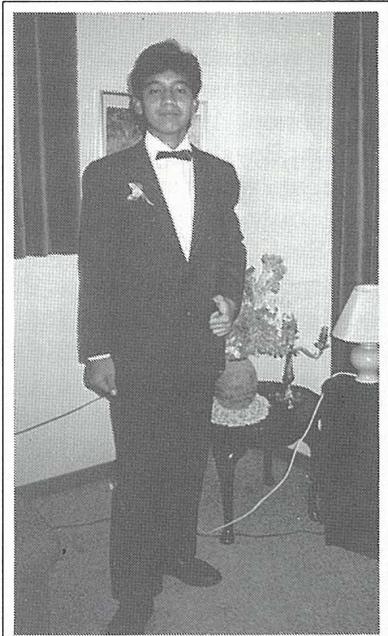

I find this school has a lot more sport than we do in Indonesia. However, I enjoy playing soccer and badminton for the school team and rugby, which I had never seen before, during interval and lunch-time.

The school social and ball I went to was so cool and lots of fun. I also had a chance to see a beautiful part of New Zealand through school camps to Fiordland. It was great. Especially the sixth form tramp of the Kepler track.

I am impressed with school uniform, equipment and activities which I think are very good.

Lastly I would like to thank pupils and teachers for the wonderful time I spent with you at school this year.

Rizal Yaya

SPIRIT OF ADVENTURE — VOYAGE NUMBER 388

My adventure started on Monday August 6 1990. I flew out of Invercargill at 10.10am and reached Wellington shortly after 12 noon. I took a bus from the Airport to Queens Wharf where I had my first sight of the ship. She is a two masted schooner and I had to step down off the wharf to board her.

The crew numbered seven and there were 24 Trainees from all over New Zealand - twelve girls and twelve boys. After introductions and guidelines and rules were explained to us, we set sail about 1.30 and about 6 hours later we anchored in Petone Bay. We stayed there that night. It was a new experience to sleep in a hammock and my feet were inclined to hang over the edge.

Next morning, and for the rest of the trip, we were woken at 6.25am. We had 5 minutes to get topside for warm up exercises before our morning dip in the sea. The Specials for the day had to jump in first so they would be able to start breakfast for the rest of us. Everyone was out of the sea, dried and ready for breakfast at 7am.

Our daily routine was much the same for the voyage. After breakfast we started to do our cleaning duties and at 8 bells we all went to the stern for the raising of the Red Ensign which showed that we were a New Zealand Merchant vessel. Then it was back to cleaning duties, then lectures until noon. After lunch we would go to our sailing stations.

There are four night watches of two hours each. These start at 10pm and the last one is 4am to 6am. Those on watch make sure the boat does not move position and no unauthorised person comes aboard. They also keep a check on the weather and listen to the radio for the weather reports from Wellington.

The next day we sailed around Wellington Harbour and the Captain decided to cross Cook Strait on Wednesday. That was the worst day I had. All the Trainees got sick and so did the Cook. I think that was the only day I missed a meal. By Thursday we were anchored in Tory Channel in Queen Charlotte Sound. We anchored another night in Ships Cove where a visit was made by Captain Cook. We passed Cape Jackson where the Russian liner had sunk.

We had contests such as singing, knot tying, rowing boat races and rubber dinghy races. Everyone had a turn at being one of the Specials. The Specials for the day had to help with the meals and watch that no-one fell overboard.

On our return trip over Cook Strait, there were three metre swells as before, but it was a lovely hot day. Just perfect for sailing. We saw the inter-island ferries.

On our last night a Captain, 2 Navigators, Engineering Officer and a Cook were elected from the Trainees for the last day's sailing. I had the job of Cook. I was working in the Galley while the others were sailing the ship. I started at 2pm to prepare the evening meal which consisted of meat stew, mashed potatoes, cauliflower and carrots. I made apple and cinnamon pikelets and plain ones. Everyone seemed to enjoy it.

When we arrived back at Queens Wharf we had not stepped on land for ten days. The last time I saw the ship was at 10.30am when I went to the Railway Station. It was 12.20pm when I caught my flight home to Invercargill.

I thoroughly enjoyed the ten days on the Spirit of Adventure. I learned to communicate better with people, to have more patience and to work alongside other people. I made many friends and now am a member of the Voyagers Club.

Warren Hunter

SPIRIT OF NEW ZEALAND

On the 6th day of August this year I left Invercargill for Auckland to sail upon the 'SPIRIT OF NEW ZEALAND.'

Upon arrival at the Auckland Airport I was taxied to the Auckland Harbour and then introduced to the rest of the trainees. One of the hardest parts of the voyage was remembering the other 39 trainees names, but I overcame this as the voyage progressed.

The first night we all didn't sleep very well as we all had so much to tell about ourselves. At 0600 the next morning we were awoken and were soon on deck for PT (physical training). This involved press-ups, star jumps and other various exercises and then it was walk the plank into the dark blue sea for a swim. The days usually involved sailing apart from when we went ashore to bathe in some beautiful hot pools and also to visit Mansion House. The weather was excellent except for one day which sent most of the trainees to the side to feed the fish.

On the last day there were many tired faces and I think we were all looking forward to getting home. On arrival back in Auckland I had to rush to the Airport to catch my plane. By far the hardest part of the voyage was to leave the many friends I had made. Although I will keep in contact with them, I may not see them for a long time.

I highly recommend the 'Spirit of New Zealand' to all those who enjoy meeting new people and especially to those who enjoy the sea.

It was one hell of a trip.

Shane Turner

ROTARY EXCHANGE

Hi. My name is Jonathan Keast and I am honoured to tell you that my selection as a Rotary Exchange student to Japan is undoubtedly going to be a most exciting and fulfilling experience.

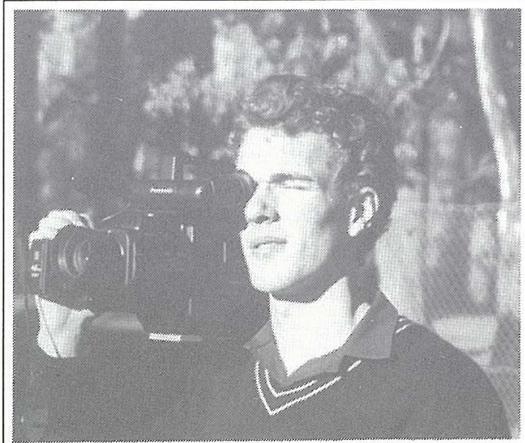

My selection process included:

1. A local Rotary panel interview
2. A district panel interview in Dunedin
3. An interview with locals again.

Finally a letter arrived confirming my selection.

I am to be adopted in Chiloa-Japan by either 3 or 4 families and will spend 12 months there. So far it has been a great learning experience and I would recommend it to anyone.

If anybody wants to know more about the exchange programme I will be more than willing to help out or even if you get in touch with any Rotary club around.

NGA MANU KORERO SPEECH CONTEST

On Tuesday night the 18th September the SBHS Maori class began the trip to Blenheim for the Nga Manu Korero Speech contest. The class went by bus with SGHS. The trip was very long and not that comfortable but we got to Blenheim at approximately 11.30am.

We were welcomed on to the Omara Marae in the Maori procedure. The procedures that went on in the marae were a fountain of knowledge for Boys' and Girls' High.

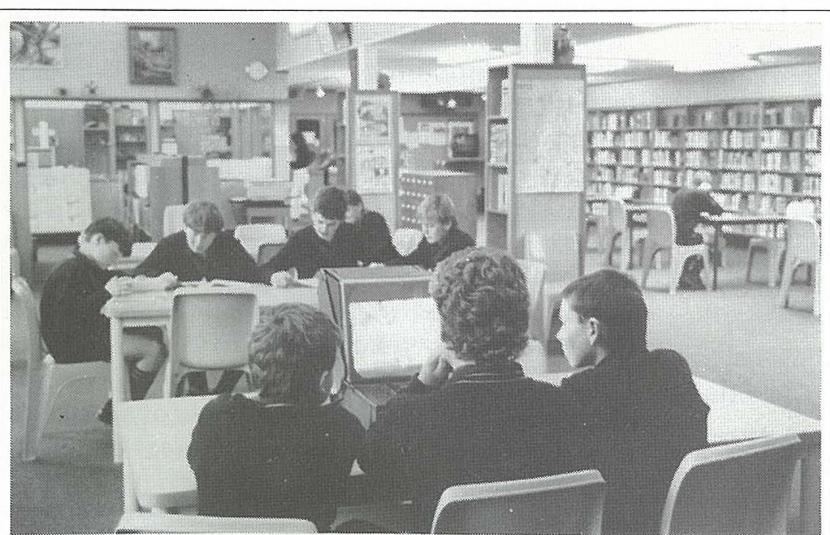

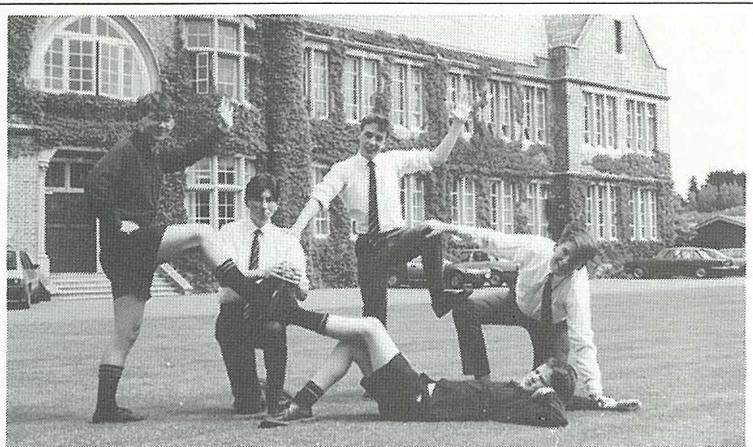

When we had been at the marae for about half an hour it was time to get back on the bus, and off we went to the Centennial Hall for the opening of the Speech Contest.

The opening procedure was approximately 7 hours long. Then the contest began. There were four different parts to the contest.

All speeches were of a very high standard. It was very good for us to see what these contests are like.

The Boys' High class would like to thank Mr Threadgill for coming to Blenheim to look after us, and we would also like to thank Mr Currie for making the trip possible.

Menzies Bradley

UNITED THEATRESPORTS

The first term saw a small group of boys take theatresports as their summer sport. The group varied in age and was again supervised by Mrs Randall. Most of the pupils had played the sport before which meant not a lot of time was spent introducing the rules.

However in the second term our numbers swelled to over thirty-three. As there was only one staff member assigned to theatresports it was decided that the group would be split into two.

Seventh formers Jeremy Smith and Terry Frisby took charge of the more experienced group while Mrs Randall made some progress with the newcomers.

Jeremy and Terry worked the experienced players towards the Southland Secondary Schools Competition held in early July. The school contributed ten players who made up the following teams: Brian Kane, Darryl Low, Gavin Pascoe and Tim Hulls played as "Jenny, Craig, Jane and John" in heat one and took out third place. However, only the top two teams from each heat made it into the final.

"We Forgot" had team members Steve McCallum, Matthew Chapman, Glenn Stenton and Andrew Sherriff. They played in heat two and managed to secure fourth place.

Jeremy Smith and Terry Frisby played with two SGHS pupils in a combined schools effort known as "Totally Dependent". This team were the winners of last year's competition and were this year's favourites, taking first place in heat one. This guaranteed them a spot in the final.

Darryl Low and Tim Hulls were also chosen to play

in the final as part of a team made up of players who didn't make the final.

While "Totally Dependent" were leading the final at half time it was Darryl and Tim playing as a two-man team who pipped the defending champions by one point. Darryl was then selected to travel to Christchurch in September to attend the National Theatresports Workshop. He competed in the World Youth Festival as part of a team representing Invercargill. While the team didn't make the top three places the members treated the workshop as a 'learning experience'.

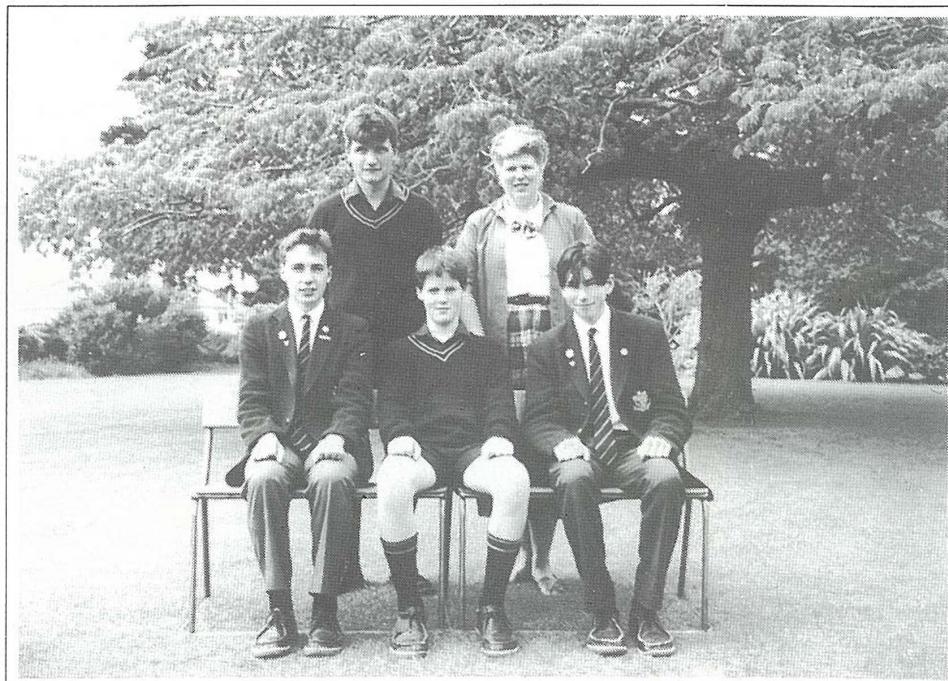

The third term meant we were back into summer sports and the group was reduced to seven members. Players were able to discuss plans for theatresports at SBHS for next year. 1991 is looking better all the time and we look forward to working with old and new players.

The theatresports players at SBHS would like to thank Mrs Randall, Jeremy Smith and Terry Frisby for making 1990 an enjoyable and successful year. We would also like to thank the "far south coordinator" for theatresports, Heather Broad, for giving coaching workshops throughout the year.

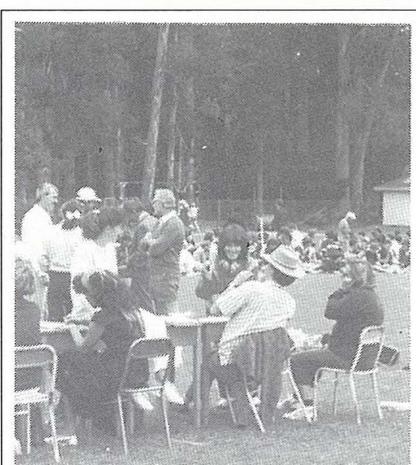

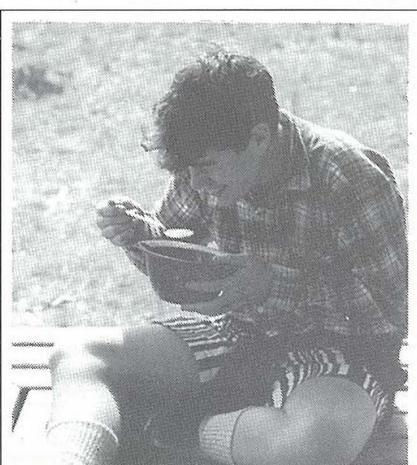

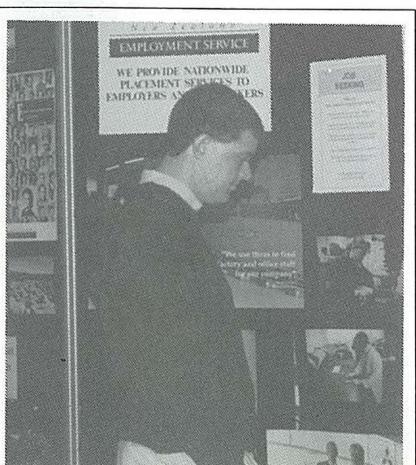

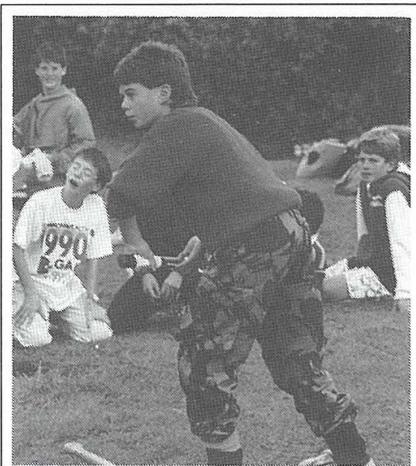

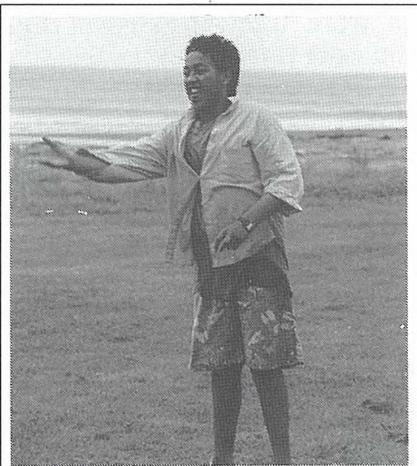

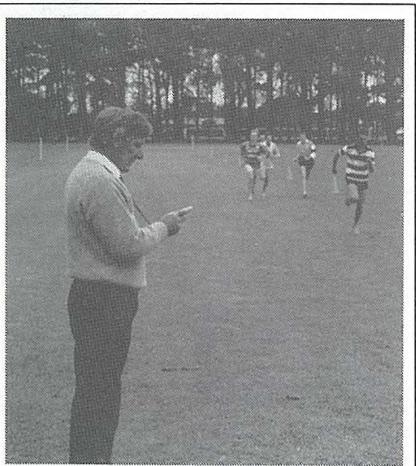

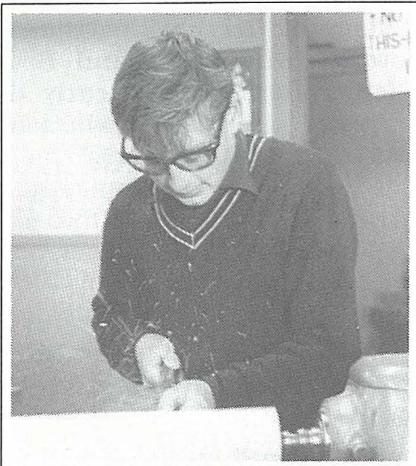

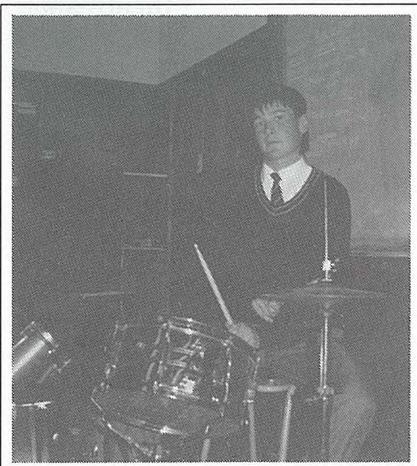

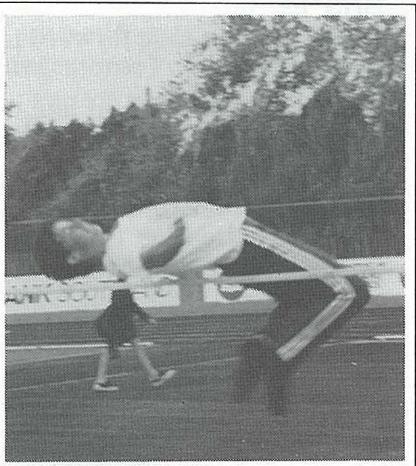

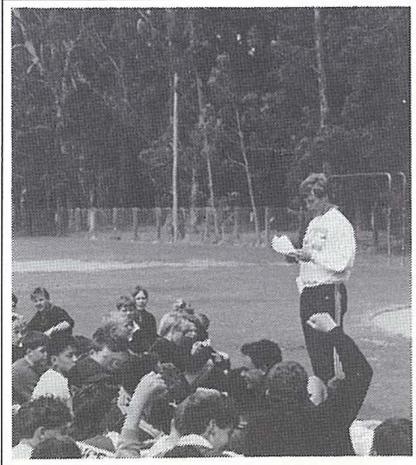

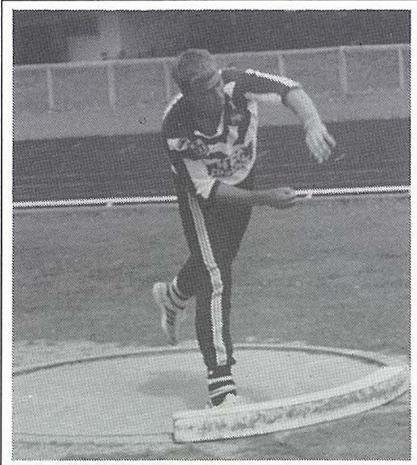

RADIO CLUB ZL4CT

Only small groups used the radio this year. However, some very interesting contacts were made with amateur radio operators in different parts of the world.

Australia	11 contacts
New Zealand	10 contacts
Soviet Union	3 contacts

Pearce win the trophy for Top House 1990.

Leader Daryl Marshall - Deputy Terry Frisby.

There were some changes to House activities in 1990.

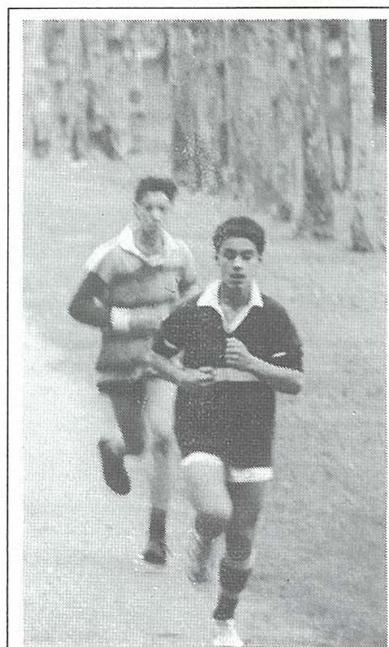

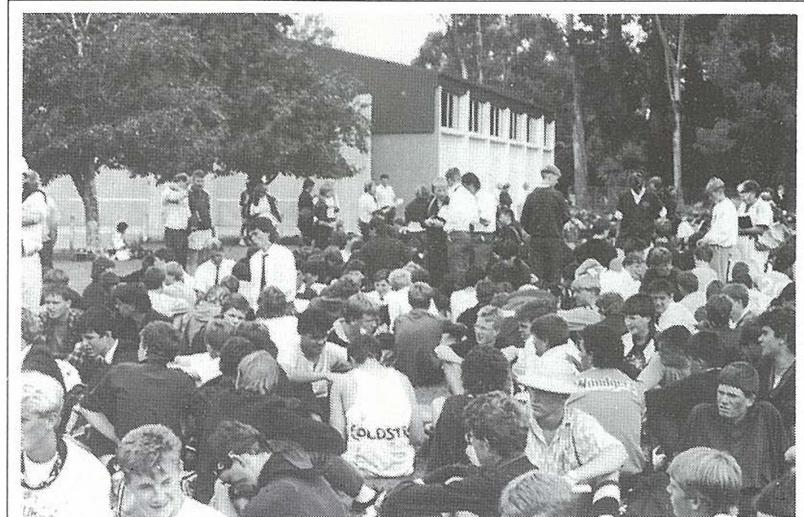

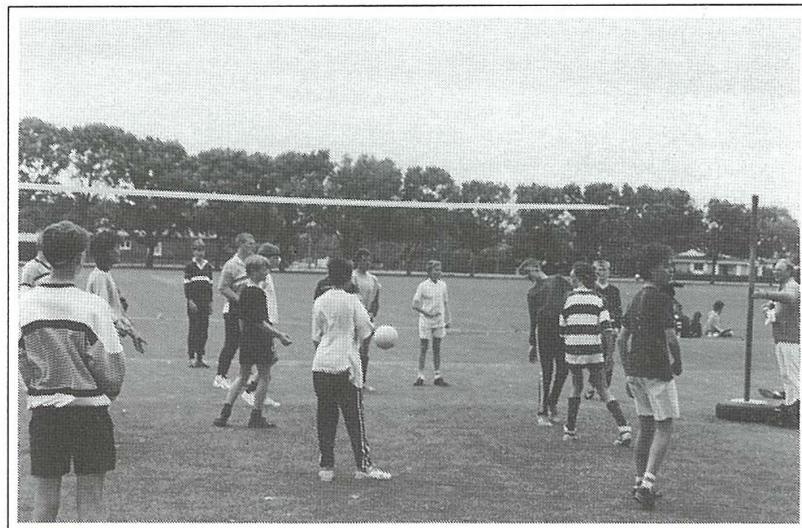

Seventh formers elected committees of six for each house whilst on their camp at Tautuku.

From these committees, a leader and deputy were appointed later on. These people met on a regular basis and some very worthwhile ideas were put forward for interhouse activities.

A new House board has been made and soon it will find a place to reside.

Basketball was instituted in the third term and proved a resounding success. It is hoped that more activities can be included in 1991 and that all students can get behind their house and support it to the best of their ability.

Congratulations once again to Pearce House.

LIBRARY RESOURCE CENTRE

SBHS is indeed fortunate this year to have set up a Multi Media Resource Centre that is the envy of many other schools. Delays with the building meant we didn't start the year quite according to plan, but we think the result has been worth the wait.

The new space has allowed us to begin to do many of the things that a modern school resource centre should do for staff and students. For a start, and one of the changes most obvious to borrowers, we now keep loan records on computer. This has advantages for both resource centre staff and for borrowers, particularly those who wish to reserve an item that is already on loan.

Another obvious step has been the employment of a third form library monitor each day. A beneficial move for the monitors, who have gained a better understanding of what the centre does and how it works, and for Resource Centre staff, who are able to spend more time on specialist tasks while the monitor mans the issue desk and does many other useful jobs such as carrying AV gear to and from classrooms as required.

Which brings us to the "multi media" bit. The Resource Centre is now the repository and lending service for many of the school's non-book information resources, such as video tapes, audio tapes, slides, disc recordings and the associated equipment. The school purchased some high quality automatic slide projectors and large multi-speaker tape recorders, and lends them through the Resource Centre, which looks after both the whereabouts and the maintenance of these items. The video cameras and video editing equipment are also based in the Library Resource Centre,

allowing better supervision and regular maintenance checks.

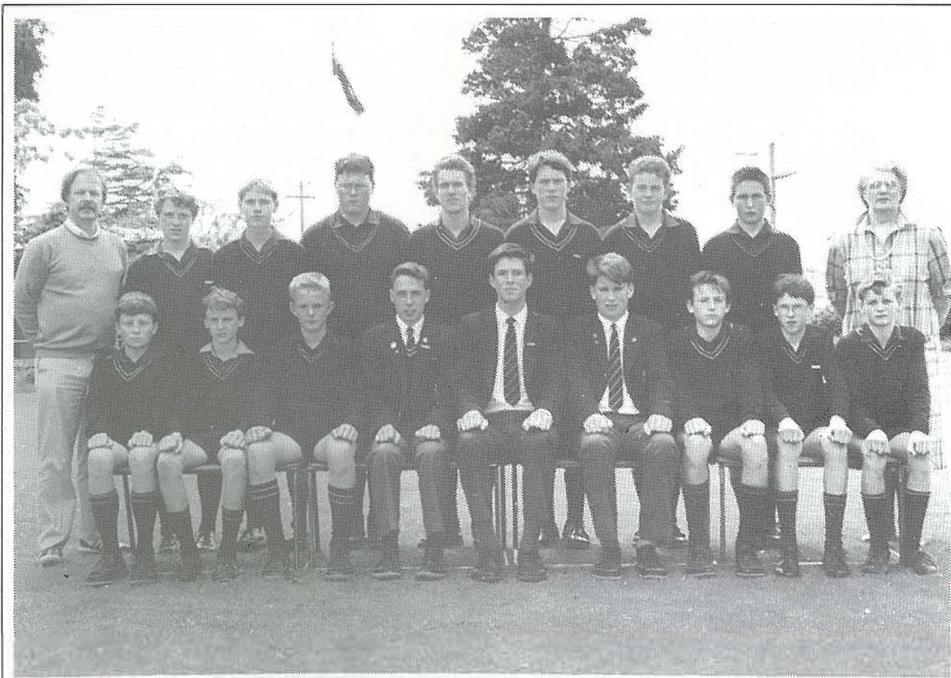

The Social Studies department has recognised the move to more non-book resources by purchasing three poster racks and placing large, map-centred study kits in the centre, and some HODs have begun to have departmental resources centrally catalogued. A number of departments encourage students to return text books to the Resource Centre, freeing teachers from having to operate their own lending and retrieval services.

The fully catalogued vertical file is proving to be one of the most popular and useful resources for those doing research, and we expect it to be greatly supported soon when we join INNZ. This will allow us to use the microfiche to find and the fax machine to send for copies of any articles from periodicals published in New Zealand.

And yes, we do still have books, a number of which were purchased this year from \$4,000 generously donated by the PTA. Our buying policy seems to have met with considerable approval, evidenced by the pleasing frequency the new books are being borrowed.

The Resource Centre could not hope to operate without the dedication of our team of student librarians, quietly and effectively led by Craig Wright. These boys do a great deal to help in the day to day running of the centre, especially at lunch times. A wide variety of tasks they have undertaken has included assisting staff by turning filmstrips into slides and by indexing and cataloguing video resources on a comprehensive computer data base for easy information retrieval.

The school thanks the student librarians, Mrs Anderton and Mrs Miller for their superb efforts.

PHYSICAL EDUCATION

The Department again organised a number of special programmes and events this year. These being

- 1) Athletic Days
- 2) Around the Park Run
- 3) Biathlon
- 4) Performance Enhancement Programmes for our top athletics and our top sports teams.

School Athletic Competitions: The school standards day was very well supported with the 7th form turning out in large numbers. Many students attained the required standard to compete in our championship day.

Championships Day

Special congratulations to:

N Broughton - Record Snr Shotput

Original Work

FIRST MORNING

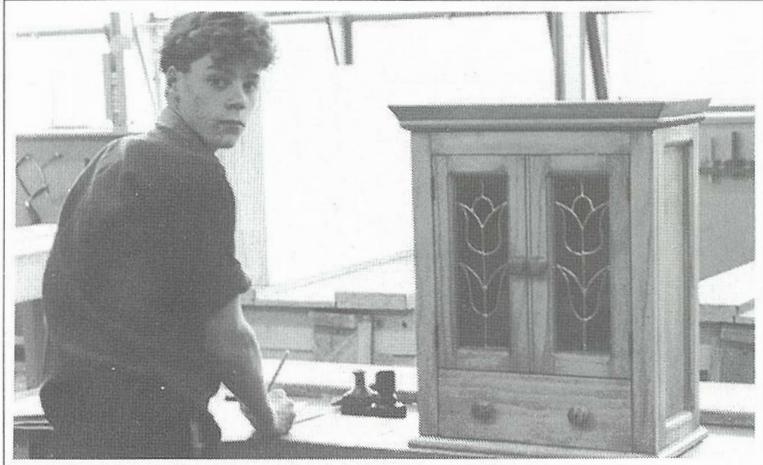

by Matthew Rutherford 6CP

Wake up and yell at the first morning
The sun rises and is bright and new
No turmoil at the sight of the new day
All your emotions are like waves on a sandy shore
Fancy free
Being able to shape on their own
It is the song of the Tui
That reminds us of reality
To create a picture
To start again
Easy flowing thoughts of an era that was yesterday
Finished in the first morning

Silence to think once more
Ready to live life following the footsteps in the sand
The lead from the first morning
To be united with the ones we love
And were loved by
Wind will not stir one grain of sand
That completes this path
Follow on and be patient
Come to the place where eternal life is today
Where the Lord is right now
And to which the path leads
In this
The first morning

Life is only once and in one direction
One person is not two
Impossible to lead two lives
For neither of them will be true
Neither of them honest
Think of you
Think of the path you're on
Is this the path created by your footsteps
Going away from
The first morning

CABINET & GLASS WORK

THE MONUMENT

Chris R Dalglish 7RL

Once I look upon it, it fixes me in place
With its tormented eyes and green corroded face
A thousand years of silence
It has had to bear
And a thousand years of history
Is ingrained within its stare,
Every kind of emotion is present in its place
Just as every kind of person, is seen within its face.
This object has no feelings
And loneliness cloaks it well
But if we are to ponder its secrets
Who knows what it will tell;
For beneath that mighty body of Bronze
Lies a thousand years of Hell.

THE GRAVEYARD

Beyond the rusted gates and highcut hedge, Silence
reigns for the ones who rest,
For where there once was life
Death now stakes its claim.
But what is death,
A mere seed sown deep in the mind
That torments the old and tempts the young
Or the sharpest dagger of life
That has been plunged into our deepest
emotions.
But yet as I look around
All I can sense is peace and silence,
For death does not really live here
But in the minds and hearts of those that choose
it.

C R Dalglish

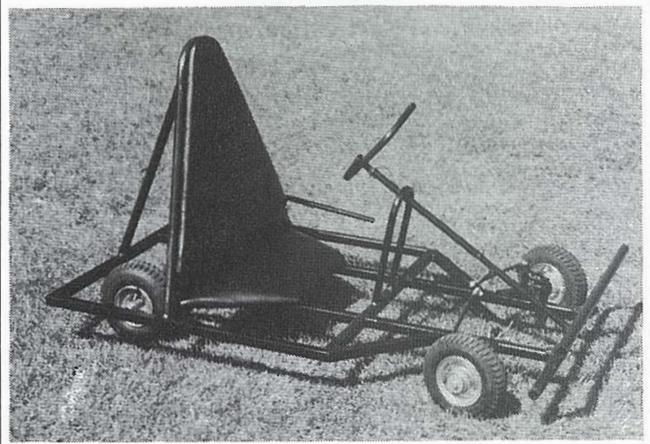

THE INTERMEDIATE SKIER

The mountain is mine
I'm in control
Come with me and you'll never get home
Eat my snow
And follow my tracks, if you dare
For as long as there's snow I'll go anywhere,
Oh no wipeout!
What will people say
I hear laughter from the chairlift
A quick recovery and I'm on my way.
Over a jump and down the other side
Pity I slid down on my back
It would have looked good otherwise,
Thud, didn't see her coming
Never mind we're both okay
But now my ski is broken
And I'll guess I'll have to call it a day.

PUSH CART

Made by Robin Hall

THE TEEN YEARS

Julian Kersey

Twelve years after one's first birthday a person reaches his or her teen years. This is a time for growing, a time for metamorphoses, this is the human equivalent of the chrysalis. There are many hard times during these seven years but there are also many good times. In this article the writer will examine the good and bad times - weigh them up and see whether it might not be easier for us to make chrysalises and come out as mature twenty year olds, fully grown and ready to face the world.

The world of the teenager is one of confusion. The teenagers best friends are also his worst enemies, the parents. The parents have many facets which a teenager respects and admires for example they have a car, a stereo and best of all, money. They also have a house stuffed with valuable items which can easily be destroyed when the teenager invites fifty of his closest friends over for a party. There is however, a darker side to the parents. They call it responsibility and maturity, the

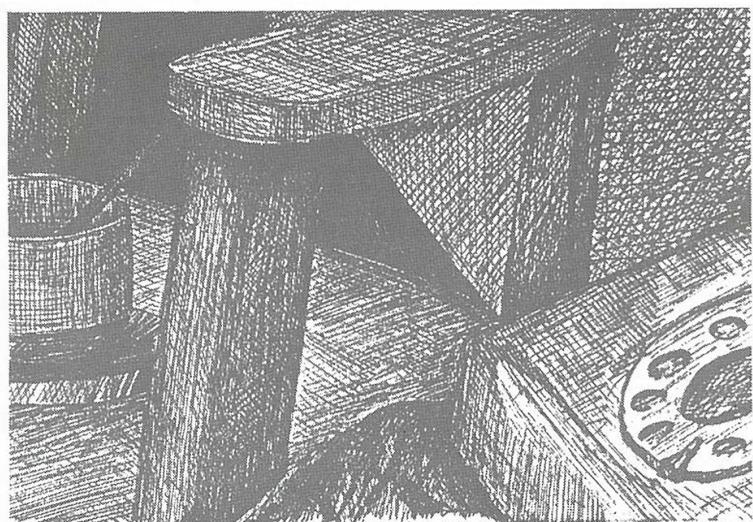

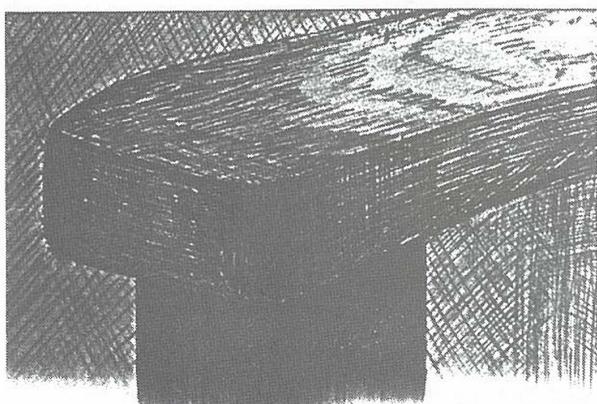

teenager calls it torture. This part of the teen experience produces much yelling, screaming, unhappiness and bitterness. Like a dog straining on its leash, the teenager struggles to free himself from the grips of his parents. However the parents are in a rather stronger bargaining position due to the fact that they own the house in which the teenager lives.

It's not until the later teen years that the teenager realises how important his parents are to him. Without his parents he learns concepts that were previously unheard of or at least noticed, for example saving money, cooking food and cleaning everything from clothes to dishes. This can be a tough time for an aspiring adult, a time when he realises how much he needs his parents.

As well as coping with his parents, a teenager has to cope with his so called friends. Without friends the teenager would probably be as mature and sensible as any adult but he has to face the greatest pressure of all - peer pressure. "But Mum, everyone else does it." "If everyone else jumped off a cliff would you do it?"

The answer would probably be a firm "Yes", if it was 'cool'. Peer pressure makes the teenager drink, smoke, swear and drive fast. It teaches the teenager to lie, cheat and steal. Peer pressure can transform a pleasant young man into a long haired, beer swilling, girl chasing larrikin. He will, of course, transform into a pleasant adult and raise his children who will be first the same. Of course by the time his children are like that he will have forgotten that he was a beer-swilling lout with enough hormones flowing through his body to paralyse a herd of elephants. He will have forgotten that music is more enjoyable if it's too loud and that it's fun to drive fast. He will realize that these aren't so great because he will have done something that teenagers rarely do. He will have thought it through logically and weighed up the pros and cons, coming to the conclusion that it is wrong to drink, drive fast and ruin his hearing with loud music. But it is easy for him to say no because he has very little peer pressure.

Over all the teen years are a fun time of wanting to grow up and wanting to stay young. These are the only years when a person can experience the carefree fun of childhood and the pleasures of adulthood. This writer will remember his teen years fondly until his first born reaches twelve years and three hundred and sixty four days of age.

Outdoor Education

3rd FORM CAMP — RIVERTON

TRAILS AND TRIALS OF CAMPING

James Weir and Tony Tippett

On March 12 1990 our class, 3GT, set off at 9.30am for Camp Longwood, Riverton. The teachers accompanying us to Longwood were Mr Skelt, Mr Murcott and Mrs Grant.

When we arrived it was very busy with getting unpacked and everything into order.

After lunch that day we set out to ride the waves in the canoes. After that experience we dragged ourselves away from the beach feeling very tired and exhausted. Wandering back to Longwood we dried off and prepared for the orienteering course.

We left camp with heaps of energy and sprinted towards the first clue. After the easy first four clues we staggered up the steep incline towards the next clue which ended up being in a flax bush. That night was full of excitement when we set out at 9.30pm to do the Burma trail and solo in bush activities (which was when we walked through the bush and every few minutes they dropped us off one by one into the bush, alone). Next was the Burma Trail when you have to follow a rope in the bush in pitch dark!

The next day we packed our packs and set off through the bush towards our camp site. This ended up being on the edge of a cliff overlooking the famous Foveaux Strait. During that day we collected drift wood for the terrific bonfire, and set

up our tents for our overnight stay. By night time the fire was just right to cook mussels and sausages and great fun to sit by and talk, especially ghost stories. Afterwards we retired to our tents and reserved our energy for the tramp back to camp the next day.

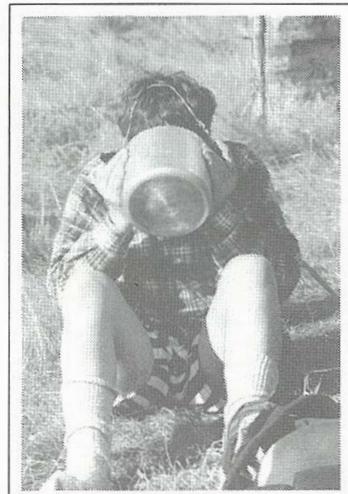

At about 5am we woke to the beating of rain and the wind then we had to pack up our tent and return to camp. That day it was pretty miserable so we stayed in and packed all our things away ready to head back to Invercargill and the comforts of home.

4th FORM CAMP — BOYD CREEK

Wednesday - Day 1

We left school at 9.00 a.m. with people already remembering what they had forgotten. Most were looking forward to the camp but some people had heard nasty rumours about tramping.

However, all was forgotten when we came to the Clifden caves. It was great fun clambering through the caves, wading through pools of water and trying to push Mr Allen into a bottomless pool.

We finally emerged wet and tired but it was a good start.

Then we travelled into Te Anau where we had lunch and watched a slide show before driving on to Boyd Creek. After a short tramp we arrived at the lodge. We tried to unpack our tiny tents ("That's my 6cm") and discovered more things we had forgotten.

Then came the moment of truth - our first self-cooked meal,. Most of the food was a success except for the dried potato which caused a lot of confusion - "is that the potato or the milk?" was often heard. After tea we played some games similar

to rugby and came back to our tents when it got dark.

At 10.00pm we went for a walk in the dark and as a survival exercise we were separated and left alone for an hour. During this hour we discovered that it was cold at midnight in the bush. Very cold. When the teachers came to find us we were cold, tired and bored. Most people agreed that it ruined an enjoyable first day.

Thursday - Day 2

This day started off well in sunshine with an orienteering course. It involved walking for miles looking for ice cream containers hidden in the most inaccessible places. It was fun and everybody looked forward to the next activity. This time we had to follow a compass bearing up a hill to find a tree. Unfortunately, many people found the wrong tree at the bottom of the hill so they had to do it again. After this we went and did a river crossing. Everybody enjoyed the swim and it was one of the best activities on camp. Even the sun disappearing once we got out of the water didn't dampen our enthusiasm. After tea we played more games and went on another walk in the dark. The idea was to follow the string through the forest in pitch dark. The string always led us into tree trunks, but most people enjoyed it.

Friday - Day 3

We awoke early on Friday to discover the day had arrived. Like great mountaineers before us we set our in searing heat (20 degrees) with typical 4th form optimism and enthusiasm. How could we

have been so naive? Most of us hated the tramp. It took us four and a half hours, we climbed 2,500 feet and we ran out of lollies. As Mr Allen admitted "it's a bit more of a walk than I thought". Mr Allen has the gift of understatement. When we eventually arrived we collapsed in our tents, exhausted.

Saturday - Day 4

We woke up late on Saturday to find rain. Rain and rain. Because of the downpour we didn't have to climb a mountain, but other 4th form classes did (snigger, snigger). In between downpours and mist we built bivouacs and played games. It was then we realised there was a stream running under our tent. We had a few hours enjoyment watching things floating away before, like rats, we abandoned the sinking tent. It was a rough night.

Sunday - Day 5

It was still raining when we started on the long walk down the hill. Several people went for a slide as we walked and the trip seemed to pass quickly. At the lodge we had a quick lunch and then boarded the bus and travelled into Te Anau where we got takeaways. These were greeted warmly as the first signs of civilisation. We arrived home at 7.00pm, tired, dirty, wet but happy. The camp had been good fun and a learning experience for us all. Thanks must go to all the teachers who organised and participated in the camp and in particular to Mr Allen and Mr Crowther who went with our class. Thanks to all these teachers we were able to get a taste of the outdoors.

*Greg Gimblett
Blair Simpson*

6th FORM CAMPS

KEPLER TRACK

Craig Ryan 6RB

I woke up at some unearthly hour on a Monday morning. The day had arrived. Six form exams were finished and it was time to go on camp. I had chosen to walk the Kepler track. Little did I know that I had chosen to walk 68km over a mountain carrying an eighteen kilogram pack.

The bus ride to the start of the Kepler took a boring two hours. Sitting on the bus actually made me keen to get out and do this walk. After only ten minutes I was feeling the strain of my pack but I couldn't let it show. It just wasn't conceivable that I should let my fellow trampers see me puffing.

One hour into the walk we had our first rest and by the look on everyone else's face I wasn't the only one feeling the pain. The first hour's walk was basically flat, but we were told that the next four hours were straight up! The sign said that the hut was four and a half hours away. We headed off and after two and a half hours of hell we reached the first hut. This walk up Mt Luxmore was a zig zag one and after each zig it was decided to have a rest.

I thought that the walking was bad. Then it happened - tea time, freeze dry food. Mince is what it said on the packet but it looked more like dog food and the taste wasn't too great either. I retreated to my bag of bits and pieces of all kinds of food.

The main attraction at this hut was that there were some caves near by, and we decided to go in. There were three of us in our group and after slipping on wet rocks, hitting our heads on hard rocks and crawling on hands and knees in a river, we got to the end of the cave. There was a sign at the end of the cave. It said "This is the end of the cave". This wasn't very funny as we had to now go all the way back.

The second day the weather closed in. The walk was upward for the first hour then flat and then a zig zag down. Walking on the top of a snow capped mountain with 100km/hour winds isn't my idea of fun. We reached the second hut in over an hour under the recommended time. At this hut we met up with the other group from school and at night, to pass the boredom, we played cards.

The third day's walk was a joke compared to the previous two days. It was long and flat. Michael and I decided to run parts of it and once we reached the hut neither of us was tired. The last day's walk was an even bigger joke. Most of the group finished in under half of the recommended time. This meant a two hour wait for the bus.

A camp like this makes you realise how much you need hot and cold running water. Not having a shower for five days wasn't pleasant and I'd hate

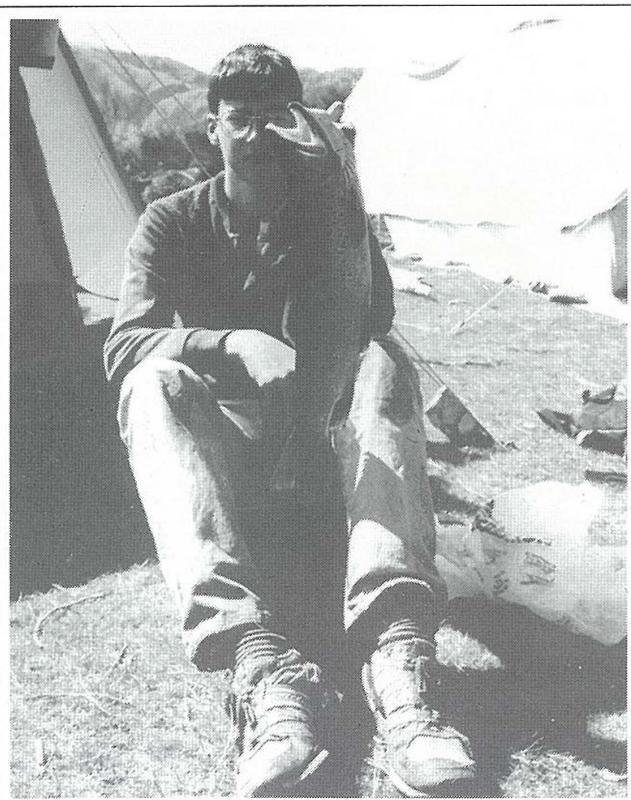

to think what the bus smelt like after 10 teenagers who hadn't showered for a week had been on it.

On the bus ride home I found myself with some major problems - what do I do first- eat, watch TV, go to the toilet, or shower?

I remember how much I disliked this camp but the first thing that Mum said to me was; "How was it?"

I replied "good."

Why I said this I'll never know.

BOYD CREEK/UPUKERORA

Chris Major 6RB

I awoke to a beautiful day outside. The sun was shining, the birds were singing and I felt like crawling back under my bedclothes and sleeping for the rest of the week! It was the day that the dreaded 6th form camps began, and I was, to say the least, reluctant to take part. I slid out of bed and found my way to the shower, where I remained until the last drop of hot water had been used, determined to enjoy the last shower I would have for the rest of the week.

After one last quick check to make sure I had everything in my pack, and after ripping out a few unnecessary things that Mum and Dad claimed to be essential in the bush, I made my way down to the school where the buses with 'Round trips to Hell' written on the front were waiting. Everyone reluctantly climbed aboard and one quick, too quick, bus journey later we were there. But that was too easy. The school could not have us dropped off at Boyd Creek lodge, so they made us walk, and just in case a few of us didn't mind that, we were made to carry in planks of wood, metal stakes and other building equipment to fix the nearby dam, so that we could have water during our stay.

The first day was the most difficult. We loaded up after a surprisingly comfortable night's sleep and headed up what seemed the vertical slope of the mountain, where we continued going for most of the day, until we came across a clearing somewhere in the mountain so high the oxygen masks were taken out so we could breathe.

That night we camped near a stream, still at high altitude, which could have explained the snow which covered our packs, our tents and the ground as far as the eye could see the next morning.

We started out early the next day, packing up our tents and eating breakfast quickly. This time the walking was a bit easier, although still very tiring, and after what seemed like a walk to the

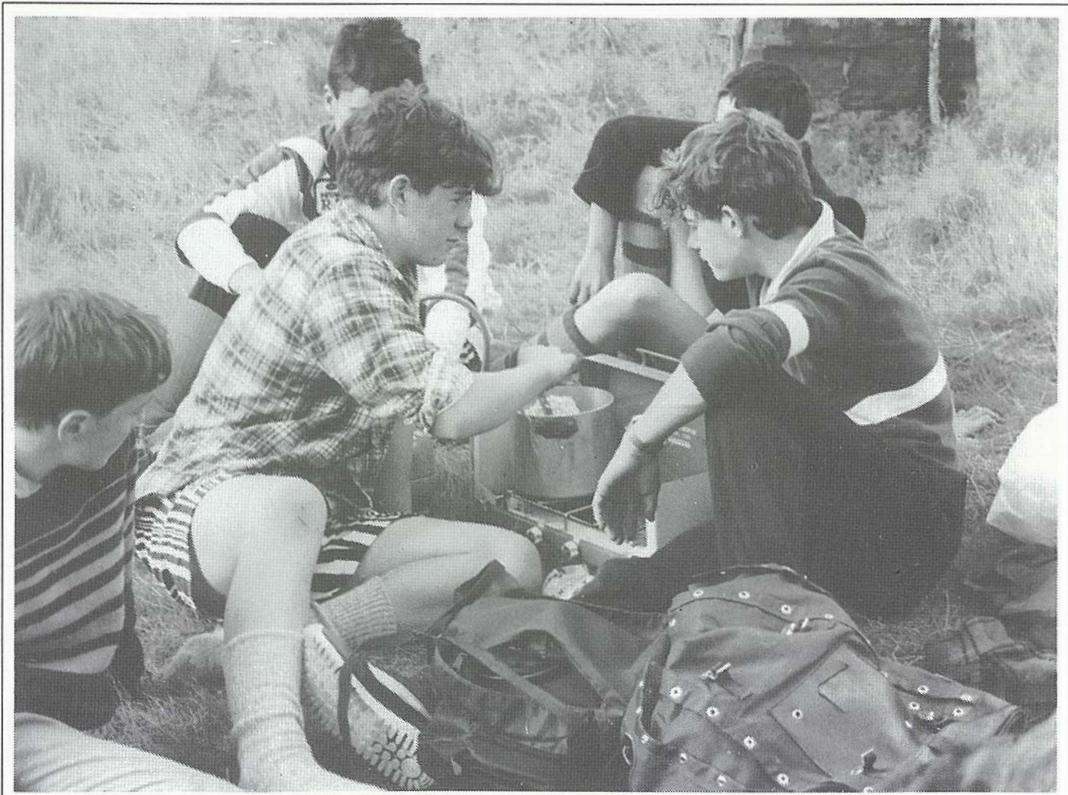

shop after the previous day's walking, we arrived at our second campsite. Although being nothing but a clearing amidst the trees with a river running alongside, after seven hours tramping, it was one of the most beautiful sights I have ever seen!

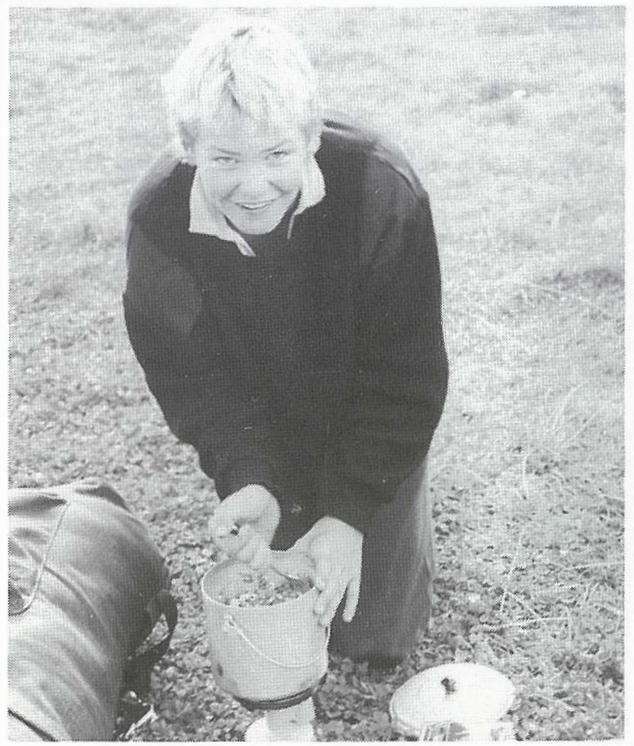

That night the weather was much better as the sky remained clear the entire time and, apart from a few gusts of wind, calm.

I awoke quite late the next morning and absentmindedly unzipped the tent to get out. I was immediately set upon by millions of blood thirsty sandflies, determined to ruin my day. I could tell by the swearing and cursing coming from inside our tent that they had found their way in there too!

After lighting a huge fire, cooking breakfast and then practically standing in the middle of it to get rid of the sandflies, we packed up once again and set off back to the Boyd Creek lodge, which at that time, seemed a million miles away. That day's walking was hard and this, combined with our fatigue, called for numerous rest stops along the way. Finally we all arrived back at the lodge, although some arrived a little later than others.

That night at the lodge was the only other comfortable sleep we had on the camp, and in the morning we woke early, eager to get home. The usual chores, like sweeping the lodge, collecting firewood to replace the wood we had used on our first night, and picking up whatever rubbish we had left lying around, were done quickly and before long we were all sitting on the side of the road waiting to be picked up by the bus.

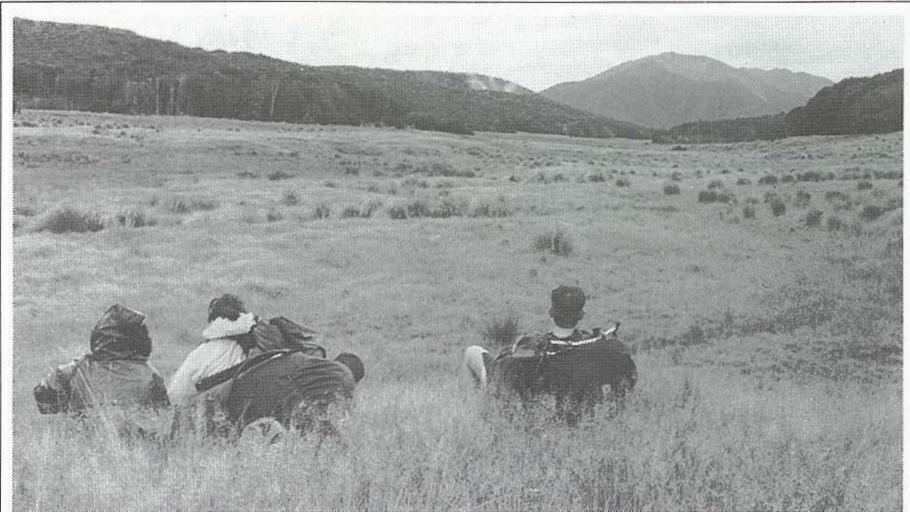

6TH FORM CAMP "GONE FISHIN"

With Mr McKenzie and eight other students we set out for Lake Mavora for a week of serious fishing. By the end of that evening four Rainbow trout had been caught. The next day strong winds almost blew our tents away so we decided to move to Nokomai. The decision was well worth it with some great fishing and fine weather.

Over the week a number of good 'Browns' were caught to keep us enthusiastic. During the week we were dropped off at different places so that everyone wasn't crowding the same area. We all managed to get back to base although some had to do some 'mountain climbing'.

I would like to thank Mr McKenzie for his assistance and participation. It was the best school trip I have ever been on.

Bevan Cranstoun

FORM 7 CAMPS

Steven Thompson

After a long and sometimes dusty drive to Tautuku, by our budding Grand Prix bus driver, we pulled in to yet another dusty gravel road to be confronted with nothing, and wondering where we were supposed to stay. Tautuku, surrounded by bush on one side and the sea on the other, turned out to be a great setting for a camp.

Once settled in we had an introductory talk by the Camp Commandant, Mr Beamish, who laid down the rules and regulations. After lunch we began the first of our sessions. We were offered Time Management, Speaking with Confidence, Individual Targets, Organisational Goals, Confidence Course, Bush Navigation, Initiative Course, Bush Sauna and a Climbing Wall.

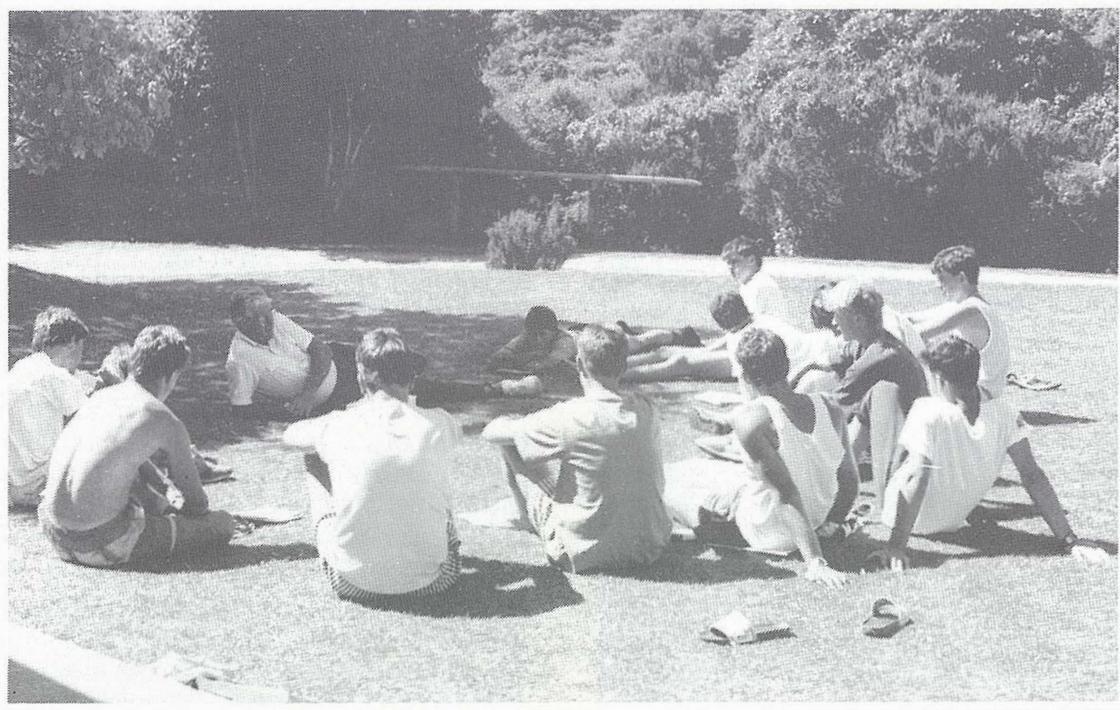

As well as these tempting and 'thrilling' activities we had a beautiful, sun-drenched sandy beach to spend hours lying on and the sea to swim in. Another little surprise they had in store for us was a harsh introduction to slave labour which involved carting loads of gravel 500 metres through a winding bush track to the new climbing wall, whilst under the watchful eye of Commandant Beamish looking for skivers.

The activities all proved to be successful but at times not entirely enjoyable. Bush navigation involved fighting vines, bushes and trees to find some inconsequential marker with the aid of a compass. Most threw in the towel after a short time of going round in circles and fighting off savage vegetation. Most groups ended up on the beach, or speedwalking with Mr Thompson.

The bush sauna involved huddling in a small enclosed hut around a tray of red hot lumps of metal, which Mr Thompson threw in at our feet at regular intervals. Then water was thrown in through a hole in the roof, by helpful students, onto everything except these lumps of metal. It eventually produced clouds of steam. Following that, the ever helpful Mr Thompson and his associate Mr Munro, received free outdoor showers.

Also enjoyable was the excellent confidence course built on and around a bush clad hill, which proved challenging.

All of the sessions which related to time management, organisation, individual targets and confidence proved to be popular and enjoyed by all students. As a new seventh form we then sat down to work out and vote upon numerous organisational goals concerning the oncoming year for us and the younger students.

The most popular goals were the establishment of a 7th form Common Room, a school council, co-ordinated work load and extended library hours. Each student had six votes. As students we decided that we would need to take an active role/responsibility in developing these ideas with Mr Currie and Mr James working with us. Out of 22 goals only 7 have been attempted or followed through, which is somewhat disappointing and unfortunate; but as a 7th form we managed to obtain the use of the old library as a common room for half the year.

The camp as a whole was a great success with some of the many good points being the teacher/

pupil interaction, good facilities with the beach and bush setting, and the helpful activities which all students participated in and enjoyed. The only dislikes, if you could call them that, were the Bush Navigation and certain people complaining about not having their surfboards there.

On behalf of the 7th form I would like to thank Mr McKenzie and staff for organising our camp. In some instances they gave us something to laugh at and helped make our camp a success. A positive atmosphere and outlook for the oncoming year was established. An enjoyable time was had by all and we thoroughly recommend it for future seventh formers.

Sport

ATHLETICS

The Athletics team of SBHS have had an excellent year for the 1989-1990 season. In March this year the school championships at Surrey Park saw many outstanding performances. Great numbers participated in difficult conditions.

Those who qualified for the Southland Championships also competed well a week later, with titles going to: A Kerr, D Wallace, G Durry, R Hogg, N Broughton and J McEwan.

At the Southland/Otago Championships in Dunedin, a squad of 20 athletes from SBHS, who qualified from the Southlands', competed creditably with: S Ripley, D Wallace, G Durry, J McEwan, J Jones, A Kerr, B McDermott, C Sim, R Hogg and N Broughton going forward to the South Island Secondary Schools' Championships in early April, held in Gore.

At Gore, notable performances came from D Wallace (3rd Intermediate Boys 800m), S Ripley (in final for Intermediate Boys 100m), J McEwan (senior Boys 3000m) and N Broughton (senior Shot Put). All were excellent performances in difficult conditions. In December 1989, a group of four athletes travelled to the New Zealand Championships in Auckland.

Team: Wayne Smith - 5th in semi-final Senior 1500m

Jason McEwan - Senior Boys 3000m

Geoff Durry - 2nd Junior boys 3000m

Daniel Wallace - 1st Junior boys 800m

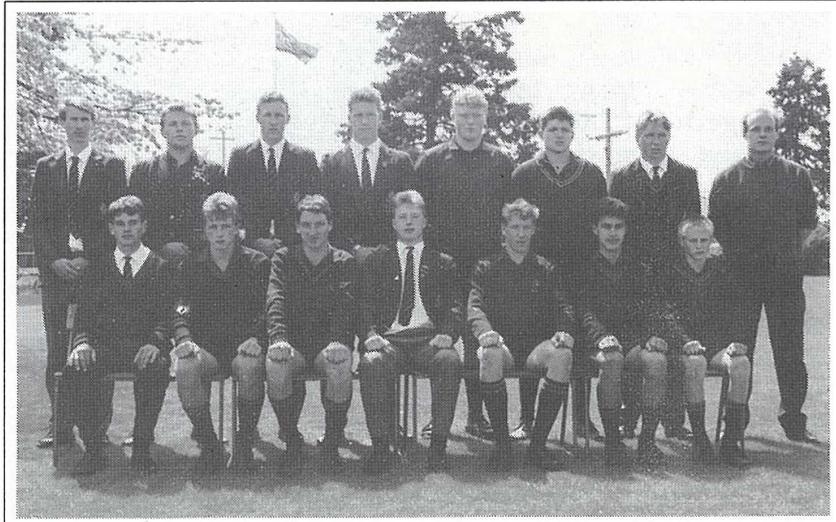

This year's Nationals are being held in Wellington, and a group of five: G Durry, D Wallace, J McEwan, G Marr, R Hogg are all looking for good performances. All athletes at SBHS are looking forward to a great 1990-91 season. We would like to thank Mr Allan for his assistance.

D Wallace

BADMINTON

The year kicked off once again with an impressive start to Summer Badminton, and membership was up on the previous years. Thanks must go to Mr Miller for looking after the boys on those sometimes cold summer days at Surrey Park hall. Winter Badminton commenced with the seasoned players coming into their own. There were some sterling efforts outside the school.

Tony Cox: Member of Southland U16 team. Final Southland U16 singles, doubles and mixed.

*Back Row: D Wallace, N Stratford, J Moreton, N Broughton, R Hogg, M Hazlett, J McEwan, Mr Allan
Front Row: G Durry, W Todd, C McCrostie, C Sim, G Sinclair, A Ker, S McNamara*

Barry Folster: C Grade Doubles Champion, C Grade Singles plate, Club Champion Singles and Doubles Champion.

Kerry Goodall: Member of Southland U16 team.

Brent McKenzie: Club Doubles Champion, Semi Finalist Southland Open Doubles.

Rhys Williamson: Improved as season progressed. Fine doubles player.

Daryl Marshall: An inspiring leader to the team, led by example and competed well at all levels. Plagued by injury and bad form throughout the season.

Gaining positions for the school team proved a real battle this year, with a number of younger players hard on the heels of the more experienced campaigners. The team ended up having seven players go through the ranks to represent the school.

The first inter-school was against old rivals, OBHS, with the school proving too strong in its pairings, picking up both doubles to win the match 4-2.

Against Kings' High School, the team experimented with youth in naming one of the youngest sides in years. The team expected tougher opposition but this wasn't to be, with a resounding 8-0 victory. The younger players will serve the school well in the future.

Mr Dear was, as usual, an aggressive competitor in winter badminton. Although I'm not sure if it was the cold weather, or being another year down the track, Mr Dear has brought more skill into his game and sacrificed his usually fast footwork around the court. 3-2 over the years - I'll call it a draw for old times sake. The future is bright.

Daryl Marshall

1ST V BASKETBALL

Captain: Michael Winiata

Coach: Mr Jackson

The 1990 Basketball season saw a fairly makeshift team form together. The team comprised a mixture of seasoned veterans and relative newcomers to the sport.

The team practised hard three mornings a week from 7.30am, which in the middle of a Southland winter is not an easy task.

The team played in the Senior Boys' Secondary Schools competition but failed to make the semi-finals. In the interschools the team played some of their better basketball. Against OBHS things were looking good at half-time with a score 24-37.

Unfortunately Otago Boys' pulled out all the stops in the second half. Final score was 86-47 to them.

Waitaki Boys' was next. Again the half time score was 24-37. The deficit was never recaptured - final score 60-80 in Waitaki's favour. Top scorer Mike Winiata with 26 points.

Against King's we had a half time score of 25-34. A disastrous second half saw King's victorious 41-88. Mike Winiata 15 and Justin Murdoch 12 were the leading scorers.

The team:

Michael Winiata: Captain. A hard working and very stylish point guard. Had the ability to dazzle any opposition. Headed team well by showing the way.

Brendon Brice: A very determined player, a good shooting season, worried many an opposition ball carrier with his speed and skill.

Justin Murdoch: Started to show a little more of the vast potential he has. Some strong drives to the basket.

Maurice Windle: Excellent rebounder at both ends of the court - good understanding of the game and a beautiful long passer of the ball.

Calvin Stevens: Calvin read the game well and often took great rebounds against much taller opponents.

Neal Dempsey: Neal matured into the season to show some fine skills - a determined, gutsy performer. If any awards were to be given out Neal would certainly get Most Improved Player.

Back Row: M Windle, J Murdoch, K Stevens, Mr Jackson (Coach)

Front Row: B Brice, M Heaton, T Ropata, M Winiata

Travis Ropata: Travis used his height to advantage in the chances he got. A steady progress throughout the season.

Matthew Heaton: Matthew played all our competition matches but due to his soccer commitments was unavailable for interschools. A very steady player on court whose height and control of play were a great help to us.

Richard King: Richard rejoined the team in the latter part of the season. His understanding of play and ability as a ball carrier were most helpful.

U16 BASKETBALL

A team consisting solely of 3rd and 4th formers performed very creditably throughout the season.

Often coming up against taller opposition the team quickly learnt to develop a fast-breaking, open style of basketball which was rarely matched.

The highlight of the season was reaching the U16 final, where unfortunately the team lost by 2 points in a very exciting match. All members of the team have the skills and ability to go further in the game. Ollie Ropati was the team's outstanding player throughout the season.

Team: J Frisby, S Donaldson, T Cox, O Ropati, J McCarroll, K Hawkes, M McPhedran, R Tamariki.

HARRIERS

The two main events on the Southland Secondary School Harrier calendar are the Southland/Otago relay championships in Milton, and the Southland Secondary Schools Cross Country Championships in Te Anau.

The Milton Relay consists of a team of six runners, who each do one lap of the two kilometre track.

The SBHS team was Peter Reid, Aaron Smith, Brent Smith, Glen Sinclair, Geoff Durry, Daniel Wallace.

All members ran strongly, particularly G Durry who gained fastest lap time. Brent Smith also ran creditably. SBHS got second, 23 seconds behind a strong OBHS team, and identical results to last year.

At the Southland Cross Country Championships, a team of 15 travelled to Te Anau. The U16 team of G Durry, D Wallace, and D Brookland won the team cup. Other notable performances came from: G Durry - 1st U16, D Wallace - 3rd U16, D Carson - 3rd U14.

The U14 team of D Carson, G Graham and C McCrostie were 3rd.

Team: G Durry, D McKnight, G Sinclair, D Wallace, D Brookland, D Carson, G Graham, C McCrostie, G MacFadyen, G Low, B Ledington, J Tribe, S Ble, S Wylie, D Lindsay.

D Wallace

CROSSCOUNTRY

Wednesday sports period saw all shapes and sizes, from 3rd form to the 7th form running around various courses.

The boys showed great interest and fitness levels were maintained.

Interschool Results

School against Otago Boys' High - Lost

School against Waitaki Boys' High - Lost

School against Kings' High School - Won Seniors, Lost Juniors

Owing to a flu epidemic, Timaru Boys' High did not bring a team down.

Interschool Team G Durry, A Smith, B Smith, G Sinclair, D Wallace, C McCrostie, A Mahon, T Stenton, D Lindsay, M Mitchell, S Wylie, B Ledington, J Tribe.

*Back Row: Mr Bisschops,
B Allnutt, C Lawson,
M Doherty, N Anderson,
J McEwan*

*Front Row: K Black,
J Vercoe, J Barlow, T Gravé*

CYCLING

The SBHS cycling team enjoyed a very good season throughout 1990. The year started off with the SBHS heading up to Christchurch to face Shirley Boys' who had a team that was as even as ours. This clash resulted in a draw and saw the SBHS team very happy with its performance.

The next two interschools were at home. The first

being against Otago Boys'. Their team was made up from NZ champions and was very hard competition. Our team lost the first race but won the next, the overall result being a draw.

The last interschool was against Timaru Boys' who proved to be no match for us and we went through to have a straight out win.

1ST XI CRICKET

The 1st XI this season was a very young and inexperienced team, although this was no excuse for the team's poor performance in the local club competition. However, the team is building for the future, and there are many good cricketers coming up through the junior teams.

The low point of the season was the disappointing loss to Verdon College in the club competition, but we had an excellent outright win over Otago Boys' High School in our annual interschool.

If the team could have performed to this standard all season we would have been a far greater threat in the local competition. Instead of finishing a disappointing middle of the table.

On behalf of the team I would like to thank Mr Bailey for all the time he gave up to coach us, and also to all the parents for their great support.

Interschools

v Shirley Boys' High in Christchurch.

Shirley batted first, getting through to 244/3 declared. In reply SBHS could only manage 134 all out with R King once again going out while in the nineties, scoring a chanceless 94.

Shirley decided not to make us follow on, and batted again making 195/3 declared. In reply school could manage only a meagre 118 all out, thus losing by 185 runs.

v Kings' High in Dunedin

Southland won the toss and elected to bat, recovering well from 20/3 to make 251/8 declared. N Broughton 92.

Kings' got through to 221/7 before making a sporting declaration. Broughton, Cass and King all captured 2 wickets each. Southland went out and scored an extra 134/4 declared. G McEwan top scoring with a well compiled 43 N.O.

This gave Kings' a target of 164 in about 36 overs. R King took 5 wickets in a thrilling last hour of play. The match ended in a hard fought draw going right to the last over where we required 2 wickets to win and Kings' 10 runs.

v OBHS in Invercargill

SBHS batted first and made 205 all out with R King and N Broughton making 66 and 72 respectively.

OBHS came out and proceeded to hammer the Southland bowling attack and finally declared at 205/2, which was a very sporting gesture.

Southland made 168 in its second innings; N Broughton 40 and R King 48, being the top scorers.

Thus Otago needed 168 runs in a little over 2 hours, on a fast deteriorating pitch.

The wicket takers in the second innings were N Broughton 5 for 30 and P Cass 4 for 32.

This combined with a great fielding effort by the Southland team, gave them a much deserved 73 run victory.

This was our first win against OBHS for 17 years.

Interschool Record:

- ▼ Shirley Boys' High lost
- ▼ Kings' High drawn
- ▼ Otago Boys' High won

Back Row: B Elder, Mr A Bailey (Coach) H Walker
2nd Row: K Mason, P Cass, B Folster, M Ramsay

Front Row: G McEwan, R King (Vice Captain) N Broughton (Captain) C McKenzie, W Roberts

PEN PORTRAITS

N Broughton (Captain) Produced outstanding performances for the team throughout the season. Lead the team by example both with bat and ball. Personal highlights must include his 9-29 vs Metro and his performance against Otago Boys 72 and 40 with the bat, 5-30 in Otago's 2nd Innings to led the team to its first victory over Otago Boys' in many years. His leadership qualities and all-round cricketing ability will leave a huge hole in the team next season.

A talented player who has the ability to go far in the game.

Club Performances: Batting: Runs 613, HS 90, Average 40.9, Wickets 40

C McKenzie (Batsman) Entered the team as a 3rd former. (A rarity). Displayed excellent technique and the temperament to produce many good innings at the beginning of the season. Disappointingly, form fell away somewhat in the latter part of the season. Scored a fine 47 in his first innings for SBHS against eventual competition winners, Applesby.

An extremely talented player who with a more hardened mental approach will be an outstanding prospect for the future.

Club Performance: Batting: Runs 330, HS 66, Average 33.

G McEwen (Batsman) A compact opening bat who struggled to find form in this grade when entering the team at Christmas time. Keen to learn and develop and with a season under his belt, should perform well next season. Scored a fine 43 NO v Kings'. Safe fielder.

Club Performance: Runs 89, HS 33, Average 8.9

W Roberts (Batsman) A player who possesses a lot of natural talent, but generally failed to score the runs he is capable of. Produced a number of good innings, but got himself out through lapses in concentration. Has the ability and will need to be a major run scorer next season if the team is to do well.

Club Performance: Runs 209, HS 60, Average 16.1

R King (Batsman) A player who has loads of natural ability and talent. On occasions has trouble with his mental approach to the game. Scored a fine 100 in the opening game of the season vs Appleby, but too often allowed himself to get out when on the verge of making big scores. The team's slow bowler, who bowled with intelligence and control throughout the season. An outstanding fielder in any position. Has great potential and is one of the best prospects to have come out of SBHS in recent years. A bright future in the game is predicted.

Club Performance: Runs 599, HS 170 NO, Average 37.4, Wickets 9

B Elder (Batsman) A strong hitting newcomer to the team who developed extremely well as the season progressed. Has an excellent eye and strikes the ball very hard. Scored a number of good innings during the season showing the right temperament for the occasion. Will develop into one of the teams leading run-scorers next season. A personal high was the six consecutive 4's hit in one over vs Otago Boys'.

Very quick in the field with a strong throw. Useful change bowler.

Club Performance: Runs 277, HS 65, Average 25.2, Wickets 2

K Mason (Wicketkeeper) Performed well throughout the season in this role. Generally solid behind the stumps, although the odd lapse in concentration and over-eagerness cost the team a few dismissals. Solid performance with the bat. Will have benefited from the season and will be in better all round touch next season. A player to watch.

Club Performance: Runs 158, HS 39, Average 12.1

P Cass (Bowler) Had a mixed season both with bat and ball. On occasions bowled with fire and pace and troubled all opposing batsmen. However, those spells were too infrequent. With a year's maturity he will develop into the team's main strike bowler. Has the ability to capture a lot of wickets next season.

Handy batsman who was moved around in the order this season, even opened for a number of games. More useful in the middle order. Safe fieldsman.

Club Performance: Batting: Runs 165, HS 22 NO, Average 11, Wickets 17

B Folster (Bowler) Bowled extremely tightly all season. His tight nagging line frustrated many opposing batsmen. Bowled well against Metro gaining 4-26. Will have gained experience from the season and will pick up more wickets next season. Batting disappointing at the start of the season, but with perserverance this part of his game developed as the season progressed.

Club Performance: Runs 75, HS 27, Average 7.5, Wickets 17

M Ramsay (Bowler) A young player new to the side who bowled well when given the opportunity. Gained a lot of experience during the season and should develop into an excellent 1st change bowler next season. Disappointed with the, bat but has the determination to improve this part of his game. A player of the future.

Club Performance: Runs 32, HS 11 NO, Average 4.1, Wickets 4

H Walker (Bowler) A young bowler who grabbed all opportunities given to him. Bowled exceptionally well all season and is developing into a bowler of real promise. He turned in some outstanding individual displays with the ball.

A solid batsman who never gave his wicket away cheaply. One of the finds of the season and a real prospect for the future.

Club Performance: Batting: Runs 26, HS 10 NO, Average 8.6, Wickets 19

2ND XI CRICKET

It started with an enthusiastic bunch of students, mainly fifth formers. After a narrow loss to Central Southland College, Mr Paris moulded us into the ultimate Second XI cricket team. Winning the first innings against JHHS 2nd XI, rain prevented an outright win. The last game of the competition saw a thrilling win over JHHS 1st XI.

Team:

N Paris - Coach - always a good word for everyone.
D Gwynne - Captain - batter - favourite saying: 'I have a cunning plan.'

P Sangster - Vice Captain - batter - favourite saying: 'Show us the practice.'

D McStay - Jeff Crowe style batter (very slow) favourite saying: 'What a geek.'

P Lucy - Left hand batter - favourite saying: 'Oh no.'

P Samson - nickname (God) Strike bowler - favourite saying: 'No, you'll get my pads sweaty.'

J Murdoch - bowler - favourite saying: CENSORED

C Mitchell - batter/bowler - favourite saying: (when he goes out) 'Get lost!'

A Jackson - bowler - favourite saying: 'Hate it when that happens.'

D Burgess - excellent batter, top fielder - favourite saying: 'Give me a bowl.'

R Risk - Great batter, top fielder - favourite saying: 'No, give me a bowl.'

M Windel - Great catcher - favourite saying: Good 'God.'

T Davis - Contributed 3 and 5 against JHHS 1st XI - favourite saying: 'I hit a 4.'

B McDermott - Wicketkeeper - plays everything off back foot - favourite saying: 'That wasn't LBW.'

L Booth - Sweeps fast bowlers - favourite saying - CENSORED.

J Marrable - might catch the ball some day - favourite saying: 'Callum, what a pretty boy.'

We would like to thank any parents who supported us, whether by providing cars or just watching. It has been most enjoyable playing in the 2nd XI and especially being Captain.

D Gwynne

SOCIAL CRICKET

This year the third eleven cricket team was a mixture of fourth, fifth, sixth and seventh formers. We played in the college social section of the High School cricket competition against Kingswell, Cargill, Verdon and James Hargest High Schools. We did not manage to win a single game, but invaluable experience was gained by all players involved.

Team: J Smith (Captain) R Saunders, S Haywood, B Hawthorne, G Crisp, F Kennedy, G Blick, G Folster, J Govan, M Fairburn, R Wallace, G Blick.

J Smith

COLTS CRICKET

In their first match, the colts team lost the toss and Shirley Boys' batted. The team did not bowl and field well and we dismissed them for 207, with O Faiva and S Donaldson getting 3 wickets a piece. Southland Boys' managed 101 with N Colyer 28, G MacFadyen 19 and G Folster 17, adding some respectability to the scoreboard. Shirley Boys' scored 203-1 declared with O Faiva getting the only wicket. This left us with 309 to win. We only managed 71, with K Hawkes top scoring with 15. Our next game was against King's High. Our team batted first making 153 with R Fraser 28 and K Hawkes 18, being top scorers. Kings High scored 244 with O Faiva bowling well to get 8-81 and S Donaldson getting 2 wickets. Southland Boys' batted well to reach 184 with K Hawkes 43, G Folster 36 and O Faiva 30, being the top scorers in the second innings. This left King's to get 94 runs and we managed to get 3 wickets, with S Donaldson 2 wickets and O Faiva with one.

Our last game was against Otago Boys' where we had a poor start, but S Donaldson 40 and K Hawkes 15, put the score up to 106. Otago Boys' scored 157, with K Hawkes bowling well to get 5-36 and S Donaldson 2-11. In our second innings we batted poorly to get 52, with G Folster top scoring with 11. This left Otago Boys needing 2 to win and they did this in the first over.

After that a one day game was played, Otago Boys getting 200, with G Folster 3-29, S Donaldson 2-20 and P Thompson 2-28, the top wicket takers. We managed to get 87, with G Burgess 24, G MacFadyen 13 and B Surgenor 10, the only batsmen to reach double figures.

Team: G Folster (Captain), O Faiva, N Colyer, M Green, R Clarke, K Hawkes, G MacFadyen, B Surgenor, P Thompson, S Donaldson, R Fraser, G Burgess, B Dempster, G Braithwaite.

The team would like to thank Mr Richardson for coaching us.

GOLF

We had a very successful year, recording two away interschool wins against Shirley Boys' and Kings' High. Unfortunately, we lost at home to Otago Boys', but put up a good fight.

Also this year, we won the Southland School Teams Championships at Otatara. Following this, we travelled to Cromwell to compete against Otago Boys' for a chance to play in the National Final. This time we pulled off a win by a narrow margin of two shots. We went to Wellington for the National Final. This was a first for the whole team. We played well and finished 2nd out of the six teams competing.

All in all, the golf team had a successful year and we are all looking forward to next year.

Lee Wilson

1ST XI HOCKEY

Captains Craig Casey, Gabe McGregor

Coaches Mr Blackley, Quinton Taylor

With only five out of the thirteen players who comprised last year's very strong team returning, this year was very much a year of rebuilding. We were fortunate to have several new third formers including a much needed goalie.

Considering our losses, the team played extremely well in the early club season, only missing out on retaining our Senior Men's Division place by losing 3-2 to Tuis.

This year the team trained jointly under Mr Blackley and Quinton Taylor. Owing to playing and refereeing commitments Quinton was often unable to attend our Saturday games. However we never lacked enthusiastic coaching with Mr Blackley ever present. This commitment was often reflected in his willingness to come onto the field and play when we were losing players to injury. After this action was taken it was usually the opposition who suffered many injuries!

Under Mr Blackley's guidance we went on to take out the Senior Men's Reserve Grade Competition after a "heated" encounter with old rivals, Collegiate B - SBHS winning 2-1.

Fortunately Quinton was able to attend our Interschool matches and Tournament. Interschool results in 1990 were mixed, with one win and two losses.

v Otago Boys' High School - lost 3-0

This game was played on the new astroturf at Logan Park in Dunedin, a completely new experience for all our team. Otago Boys', who had played on the surface several times before, were dominant in all sectors of play and prevailed 3-0. Our only chance came when Chris Gormack broke free in front of the goal, just putting a shot wide.

v Waitaki Boys' High School - lost 4-1

Against a team which seemed little changed from last year's, we lacked leadership and discipline on the field, letting ourselves down at vital moments. If it hadn't been for this the score could have been a lot closer. During one of our better periods of play Chris Gormack converted the sustained pressure into our only goal.

v King's High School - won 5-1

Probably our best game all season. King's were probably suffering a bit from coming straight onto grass from astroturf. Our short corner combinations were working the best they had all season and this combined with King's having an inexperienced goalie meant we scored from almost every corner. Chris Gormack scored three of these including a brilliant solo run from halfway. Craig Casey dealt with layoffs in exceptional style to score the other two goals.

Tournament

This year the team chose to go further afield for our August holiday tournament. We were one of eight teams participating in the Founders Cup in Blenheim.

In our first pool match we played Kuranui College from the Wairarapa. SBHS had a mixed game, struggling to match the fast game played by Kuranui.

We eventually lost 4-0. That afternoon we played our second pool game against Marlborough Boys' College, thought by many to be the tournament favourites.

We started at a frantic pace and stunned MBC when Craig Casey slammed home a well deserved goal. Marlborough then took control to go into the break 2-1 up. In the second half Brendon Walker set up Brett Fowler to score, a just

Interschools:

- v Otago Boys' High lost 3-0 (astroturf)
- v Waitaki Boys' High lost 4-1
- v Kings' High won 1-5

Tournament - Founders Cup, Blenheim, 5th Equal

Back Row: Q Taylor (Coach) C Gormack, C Nicol, T Blair, Mr Blackley (Manager)

2nd Row: B Walker, D McCarthy, C Casey, G McGregor, P MacNicol, C Huynh

Absent: B Fowler, M Howell, T Notoa

reward for good following through. The score was then 3-2. However Malborough went on a goal scoring spree in the final minutes to win 6-2.

In our last pool match of the tournament we met Ashburton College. After an early period of sustained pressure, Brendon Walker again set up a scoring opportunity for SBHS. The chance was not squandered by Paul MacNicol who put us ahead 1-0. Ashburton drew level soon after and then scored again in the second half. The loss was sealed in the dying minutes when Ashburton converted a stroke to make it 3-1.

Our three losses in pool games meant we played the 3rd placed team from the other pool, Otaki College, to decide whether we went into the playoffs for 5th and 6th or 7th and 8th. We won this game easily, 3-0. Otaki only really ventured beyond our twenty-five twice in the game. Craig Casey led by example scoring two fine goals which as usual emanated from Brendon Walker's magic stick. Michael Howell scored the other.

In the playoffs for 5th and 6th we faced our initial opponents, Kuranui College, who beat us 4-0 in our earlier encounter. In a tension filled game both teams squandered several opportunities. At the close it was a 0-0 draw. This score is a reflection of the massive improvements made in team play during the week and our strong team spirit. Gabe McGregor and Brendon Walker both worked tirelessly in the game. A reflection on Gabe's dedication came near the end when he was willing to head butt the ball away from the goal while sliding on his stomach. Luckily he realised the ball was going to miss by a fraction so only ended up head butting the goal itself!

For such a fine performance in this game Gabe was rewarded with player of the day. As you can probably guess by the number of times his name appears in this report, Brendon Walker deservedly made the Tournament team.

5th equal was an excellent effort for a young inexperienced team at a tough tournament. The eventual joint winners were Malborough Boys' and Taieri High.

PLAYER PROFILES

Craig Casey - skilful and extremely fast wing who underrates himself. Led by example, his powerful hit scoring many goals for the team.

David McCarthy - utility forward (ie anywhere there's no one better which usually means the sideline!) Usually wing or inside.

Gabe McGregor - tireless and hard working half. Strong tackler. Totally committed to the cause. Gabe is a strong leader both on the field and off.

Chris Gormack - skilful dribbler and passer of the ball, powerful and accurate hit made him the team's leading goal scorer at Centre Forward. Sorely missed at Tournament.

Chris Johnstone - on and off the field during the early season, switched between back and half. Unable to complete season due to injury.

Brendon Walker - excellent tackler and dribbler of the ball. Played brilliantly all year at centre half setting up many scoring opportunities.

Paul MacNicol - right inside, good dribbler but could do with a stronger hit. Will be an asset in the future.

Todd Blair - good clearer of the ball with a strong hit and tackle. At left back Todd is one of the team's more experienced members inspite of his tender age. Well loved within the team.

Michael Howell - playing at either back or left wing. Michael has an extremely powerful hit and dribbles well considering he holds the stick so high!

Brett Fowler - a useful player who lacks a little experience. Developed well through the season in the forward line.

Tai Notoa - skilful forward, needs a little more fitness. Definitely a prospect for the future.

Cuong Huynh - half or back. Probably the most improved player of the season. Cuong saved us on many occasions at tournament repelling the opposition with skilful and precise trapping and clearing. Another player for the future.

Corey Nicol - had to accept quite a responsibility for someone so young going straight into the team's vacant goalie position. Acquitted himself with maturity and skill beyond his years.

Thanks to Quinton and especially Mr Blackley for all their time and effort during the season.

The team is definitely going to be good next year. Good luck guys!

David McCarthy

2ND XI HOCKEY

The 2nd XI played very well this year, with good performances coming from every player. The team mainly consisted of third and fourth formers, some of whom had never played before. These players improved considerably and were very competent by the end of the season. The team was helped at the start of the season, during some of its more difficult games, by Michael Howell who played remarkably well, scoring seven goals in one game. Other outstanding performances came from Tai Notoa, Cuong Huynh, Chris Johnstone and Brett Fowler. We did very well in the competition, but unfortunately, due to a default, could only be placed second to arch rivals Primary Red. I would like to thank all the players involved, Mr Blackley, and our coach Donna Hodgkinson for all her help during a good season. Thanks also to Paul MacNicol for his support and help during the season.

*Back Row: K Millwood, P Harvey, M Ngaei, J Horrax,

Anthony Mosse discusses the determination to succeed.

ROWING

Rowing in the school has again been established thanks mainly to the efforts of the Waihopai Rowing Club, Mr McKenzie and Coach, John Redpath.

Our rowers trained exceptionally hard during the season, often training 7 days a week in the last two months before the South Island and New Zealand Championships.

The South Island and New Zealand Secondary Schools Championships (Maadi Cup) were held at Lake Ruatunawha, Twizel. A small group of rowers travelled up to the competition with Mr Redpath, Mr McKenzie and Mr Millwood. The event is like a 'who's who' in New Zealand Secondary Schools with every 'major' school being represented.

Congratulations to

1st XV RUGBY

OBHS won 28-9

SBHS started strongly and scored early. In loose play OBHS was on the back foot all day, being out weighed in mauls, rucks and scrums. SBHS backs combined well with forwards, and made the most of their opportunities.

WBHS won 26-9

Up on WBHS hard grounds SBHS forwards paved the way for a good win. WBHS found weaknesses in our back line. SBHS backs made mistakes at crucial times and thus let WBHS dominate at stages, but still a good win away from home.

KHS lost 11-12

We started the game missing three experienced members in the back line. There was a hard fought battle up front, with KHS coming out on top. KHS used their advantage in the back line and made valuable ground when the ball was spun wide. SBHS had a strong last quarter and missed two vital kicks at goal which allowed King's a deserved win.

TBHS won 28-6

SBHS in their last traditional Interschool finally put it all together against the strong Timaru team.

SBHS weight advantage in the forwards proved too much for the Timaru team. SBHS backs ran with determination and pace and scored some great tries. All round it was a strong team effort which gave us a deserved win.

LOCAL COMPETITION

The local under 21 competition turned out to be a great disappointment even though we had 14 players back from last year. Some of these players rested on their laurels and the SBHS

team didn't really reach full potential. If the work had been done by all the team it could have taken the competition but we threw away our chances and thought it all would happen for us.

On behalf of the team I would like to sincerely thank Mr Williams and Mr Skelt for all the effort they put in to the team. It was very much appreciated by the boys. Also thanks to all the parents and supporters for the encouragement during the year. It was well received. Thanks very much.

Nicholas Stratford, Captain

TOP 4 RUGBY

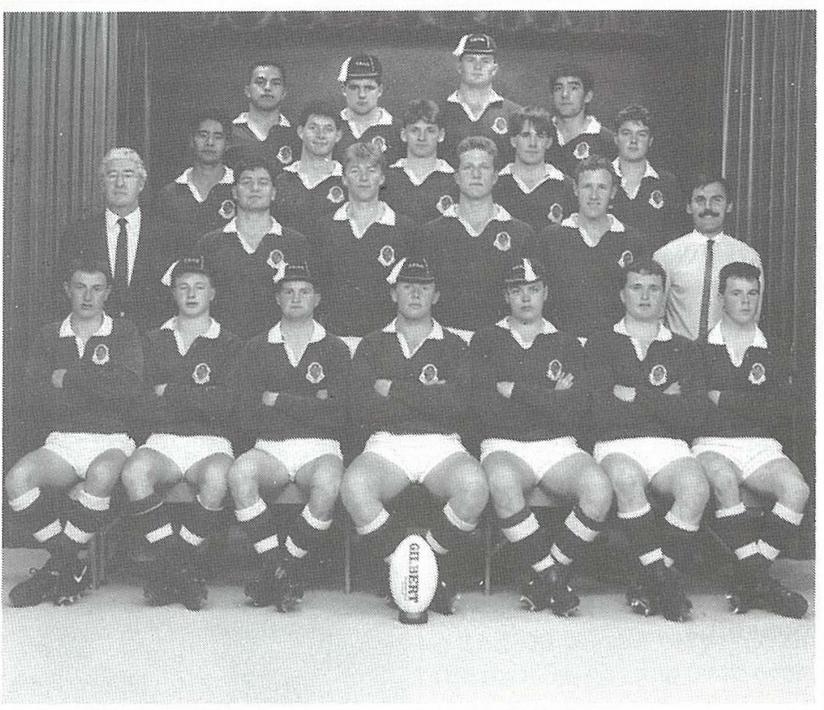

v Gisborne Boys' High - Lost 13-12

The game was played in blustery conditions on Homestead Stadium. GBHS forwards took control early on and dominated in all set play. In the first half SBHS had the advantage of the wind and through the goal kicking skills of Daryl Gimblett had a handy lead of 9 points. However, in the second half GBHS slowly clawed its way back. Strong defence by SBHS backs made scoring hard for the northerners.

In the last minute of play they kicked a penalty goal to take a 13-12 lead. In the last second of play SBHS had a penalty attempt which was unsuccessful then the final whistle went to give GBHS a victory.

v Kings' High - Won 18-7

SBHS was out to get revenge after an earlier loss in the season, and took no prisoners in the game. Our backs played one of their best games and were dangerous with ball in hand. The game was sealed by a well taken try. Clark Sim chiming in to the back line at pace to score out wide. It was a great game to go out on. It has been a hard and long season.

Annual Interschools:

- ▼ Otago Boys' High won 28-19
- ▼ Waitaki Boys' High won 24-6
- ▼ Kings' High lost 11-12
- ▼ Timaru Boys' High won 26-6

NZ Secondary Schools 1st XV's Invitation Tournament:

- ▼ Gisborne Boys' High lost 12-13
- ▼ Kings' High won 18-7

Absent: A Campbell

1ST XV TRIP TO AUSTRALIA

On August 26 we met as a team at Christchurch airport as numerous boys were involved in age group rugby all over New Zealand. We got through Customs with only one small hitch. A Campbell was asked to remove his "Belt Bag" by the officer in charge. After taking a second look she realised she had made a mistake as Tiny wasn't even wearing one.

It wasn't long before we landed in Sydney and we were soon on our way to the plush 5 star Elenora Conference Centre. After a good nights sleep on a wooden slatted bed, and a short practise the next day, four of the party managed to find the legendary 'Kings Cross' and after a few tall tales the remainder of the team visited the next day to get their eyes opened, so to speak.

Our first game was against the North Sydney Selection comprising colts and school players. After a poor start and adjusting to the rules we came right to win 31-10. Our second game was against a Manly Warringah selection who proved to be tough opposition. Most of the team were either State or Aussie reps. After being 12-0 down in the first 5 minutes a hiding looked on the cards. We clawed our way back to be leading 21-20 when they scored in the final minutes of the game. They eventually won 26-21 but poor discipline cost us in the end.

Our next day was spent in Sydney sightseeing, and the next day we visited the Opera House and

Cass securing ball.

then headed towards Canberra. An hour out of Sydney we stopped at a Market. A lot of cheap clothes were on display but not much was bought as most people spent up large at the dearer shops in Sydney.¹

We arrived in Canberra about 5.00pm. We met our billets for our next few days and an early night was planned as we played the ACT State side the next day.

The team was U19 and was another tough game for us. We made a lot of mistakes and seemed to be overwhelmed by the situation. We went down 22-9 to a fairly ordinary side. That night everybody went out to some sort of club for a bit of Australian hospitality. ENOUGH SAID.

The next couple of days was spent looking around Canberra. The highlight of the sightseeing was The Institute of Sport. On Tuesday September 4 we were up at 4am to catch our bus back to Sydney for our flight home. Everyone was looking forward to getting home and a bit of peace and quiet. We arrived at Invercargill around 7.30pm to friends and family.

On behalf of the team I would like to thank Mr and Mrs Currie, Mr Williams and the rest of the people who helped make our trip a very enjoyable and successful one.

Thanks.

Daryl Gimblett

A "shed" meeting.

1ST XV PEN PORTRAITS

Nicholas Stratford - Captain: An outstanding prop. Led the team by example. Overcame the set back of injury to represent NZ Secondary Schools in Australia. Is an excellent ambassador for rugby.

Jason Hall - Hooker: Started the season well, played his best rugby in the 1st round. Always excelled in interschools. Throwing in improved as season progressed.

Aarron Dempsey - Prop: Played with vigor when motivated. A very strong scrummager. Will be a force to be reckoned with next year.

Aaron Wilson - Prop: Improved in all areas of play as season progressed. Had limited opportunities but when given the chance played with 100% against larger opponents. Great tour of Australia.

Andrew Campbell - Lock: A strong lineout jumper but often hampered by ardent attention from opponents. Has considerable potential as a lock but needs to work hard on fitness.

Jonathan Cowie - Lock, Prop: Developed great ball skills. Slowly adjusted to this tempo of rugby. Asset to the team this year. A good team man.

Philip Cass - Lock, Flanker: Has had a great season, developed in all areas of play. Always gave 100%. Surprised large opponents. Will be a great asset next year.

Hori Elers - Flanker: Has potential but needs to work really hard at his fitness and learning to play for the whole 80 minutes. Honest, reliable flanker.

Sam Riley - Flanker: Gave 100% every time he took the field. Has to develop more speed for next year, if so he will be a great asset. Is an outstanding prospect.

Nicholas Broughton - Flanker, No 8: Had a great season. Played some great rugby, dominated the back of the lineout. Extremely talented A player with great ball skills. If he continues with rugby he will be destined for higher honours.

Dion Forrest - Flanker, No 8: Extremely fit and strong. Showed flashes of his full talent. Strong player.

Paul Nanai - Half back: Started to develop towards end of season. Has great ball skills, when uses two hands. Needs to speed up pass, if so, will turn into a talented player.

Daryl Gimblett - 1st Five Eighth: An outstanding prospect as a 1st Five Eighth. Had an outstanding season. Was very unlucky not to get into NZSSRT. A great kicker of the ball. Is destined for higher honours.

Kelvin Mason - 1st Five Eighth: Late addition to the team. Showed potential. Must learn to keep toe down. Had limited time to show talent. Had a great game against Timaru BHS.

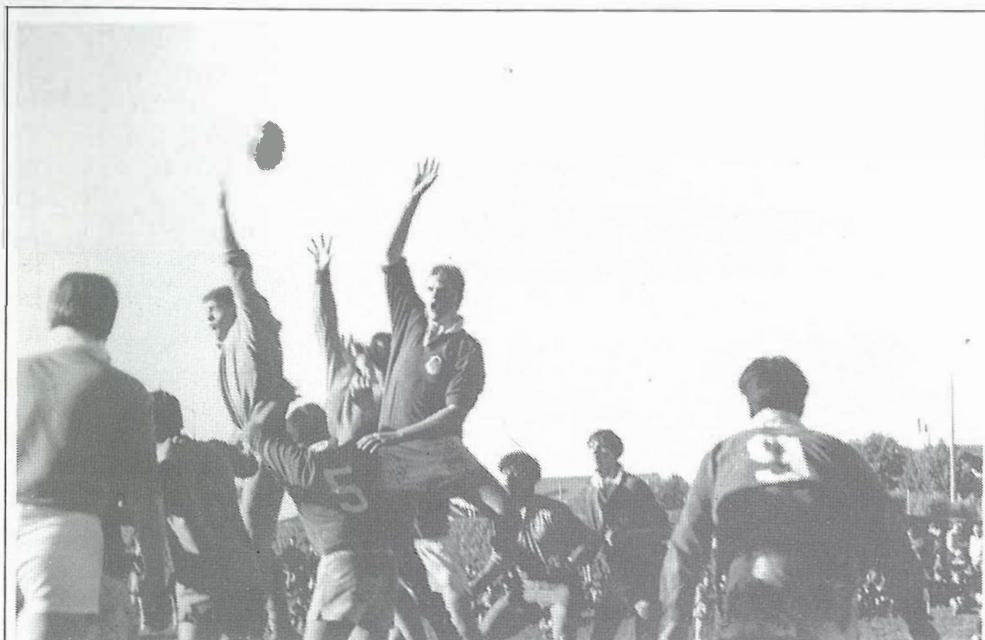

Darren Fleet - 2nd Five, Centre: Had a great season, unlucky not to get into SISSRT. Has electrifying pace off the mark. Needs to work on his passing skills.

Quinton Taipari - 2nd Five, Centre: Started season as flanker but then moved out to 2nd Five, Centre where he impressed and forced a permanent place in the back line. Strong tackler and hard man to put down. Had a good season.

Jason Moreton - Centre, Fullback: Showed admirable improvement. Started season slow. Turned into a very skilful and talented player. Had an outstanding 1st XV tournament. Had a great season.

Andrew Ronald - Centre: Started the year well, then against Invercargill received a serious injury to his leg. Never recovered all season. Good team member.

Clark Sim - Fullback: Improved tremendously throughout the season. Reliable under the high ball. A strong spirited runner.

Campbell jumps high.

2ND XV

Captain: Blair Evans

Coach: Mr McKenzie

The 1990 season for the 2nd XV saw mixed fortunes. The team was very young with only four players returning from the previous season. We set our targets on the three interschools and to do our best in the U19 grade.

The team had just been promoted to this grade and we all looked forward to the challenge this presented. This grade also had Cargill, Hargest and Verdon College 1st XV's.

The traditional interschools brought some of the best rugby out of the team. We won all our interschools, a feat the 2nd XV has not achieved for some considerable time.

The first of the games was against OBHS 2nd XV whom we played in atrocious conditions at Dunedin. The team played above themselves and won 13-6. Against Waitaki Boys' we won 14-4 in hot hard conditions. Kings' High was played at home and we won 23-6, which capped off a very pleasing interschool record.

In the U19 Grade we had many close encounters. We beat the eventual competition champions Cargill 1st XV in our first game with them and lost to them by one point in the last minutes of our second game.

We were very competitive in all games but were eventually pushed out of the top 4. After a very exciting game with Blues U19 we finished top equal in Division 2.

On behalf of the team I would like to thank Mr McKenzie for his great job as coach. Thanks also to Mr Currie for his assistance throughout the season and to the Third XV for lending players to us throughout the year.

Congratulations to Mark Fleet and Kelvin Mason for gaining selection to Southland Teams.

Congratulations also to those players who had the opportunity to play for the First XV during the season. While we missed you playing for us it was good to see you get a chance with the 'Firsts'.

Well done all.

Blair 'Tussock' Evans

Winners Division Two Under 19 1/2

Interschool Record:

▼ Otago Boys' High won 13-6

▼ Waitaki Boys' High won 14-4

▼ Kings' High won 23-6

Back Row: W Jones, P Reid

3rd Row: D Gwynne, B Cooper, D Tapp, H McKenzie, S Turner

2nd Row: D Booth, T Lamb, J Young, M Ngaet, F Kennedy, Mr D McKenzie

Front Row: F Hampton, D Elder, K Mason (Vice Captain) B Evans, (Captain)

B McDermott, D Williams, J Burgess

Absent: M Fleet, M Kapo, R Cragie, B Petre, R Conner

U17 1/2 BLUE

Captain: David Nichol

Coach: Mr Skelt

The team played well from the start of the season growing in confidence and determination. Although the other teams in the competition were a lot bigger than our team, hard tackling and running won our games for us. The highlight of the season was beating Menzies College 1st XV as the two U17 1/2 teams combined together to win 11-10. In the local town competition we came fourth.

The team would like to thank Mr Skelt for his time and effort coaching us in the 1990 season.

Team: D Nichol (Capt) Hamish MacPherson (Vice Capt), Shane Turner, Angus Low, Jason Jones, Scott Imlach, Mark Fowler, Lincoln Booth, Andrew Flint, Geoff Durry, Aaron Smith, Morris Windle, Gareth Jennings, Martin Dustin, James Govan, Allen Mortimore, Travis Ropata, John Bigger, Robert Cook, Warren MacNamara.

UNDER 17 1/2 RED

Captain: P Fleck

Coaches: Mr Murcott

Mr Cooper

The team got off to a slow start but came together mid season with some outstanding performances. The competition was very tight, with a number of close game results. As the season progressed the team trained to use tactics and fitness to its advantage.

All round play improvement was due to the commitment of several players. The forwards, lead by Marc Williamson, strove for possession. Flankers Jason Harper and Willie Wilkes, along with Andrew Henderson and Dean McStay, dictated our forward play. Half back Grant McEwan, perfected his all round play to become an important asset to the team. Fleet footed second five, Phillip Lucy and centre, Brandon Gold, developed defense and attacking situations, with Quin Hicks, Matthew McNeilly and newcomer Bevan Davis eager to score.

The highlight of the season was beating Verdon College in the final game of the season. Commitment by the team as the season ended showed its ability to play attractive flowing rugby. This would reflect our coaches commitment to fine tune the team.

Thanks to Mr Cooper and Mr Murcott for their expertise and time.

Overall an enjoyable season.

COLLEGE GRADE POOL B BLUE TEAM

Captain: Brendon Buchanan

Coach: Mr J Dickson

Manager: Mr K Sadler

We began the 1990 season with some worries as to whether our weight would be sufficient to match that of the opposition, but we decided to overcome this deficiency with effective forward technique, and by utilising the undoubted speed of the loose forwards and backs. Early season fears were quickly dispelled as we defeated Cargill 30-4 in our first game.

The backs showed genuine pace and team work throughout the season. The three quarters Aaron Brown, Glen Maher and Shane Ripley used

their pace and strong running to score numerous tries, many of which were converted by the reliable boots of first five Brett Elder and utility back Hamish Walker. Full back Ondrei Faiva was sound on defense and powerful on attack. Converted mid field back Gavin Kapo proved to be an adaptable player and grew in strength in the key role of half back, powerful on the break and quick on the pass. Second five Leslie Rattray proved to be the kingpin and repeatedly tore the opposition apart, initiating many of the brilliant tries that were scored by a team which excelled in support play. The forwards by effectively combining team work and sound technique dominated their opposition. Loose forwards, Wiremu Fletcher, Tim Knowles, Mark McCaskill, Doug Sadler and Glen Sinclair dominated the loose ball and were quick to turn defense into attack. Sadly David Kempton was lost early in the season, but fortunately Johnny Horrax and Roger Stewart developed into an effective locking combination. Solid props, Matt Anderson, Blair Hawthorne and Carlin Goodwillie contributed well in the scrums, line outs and mauls providing the initial platform from which the second phase attacks were initiated. Hooker and Captain, Brendon Buchanan, led by example and proved effective both in the tight and loose play.

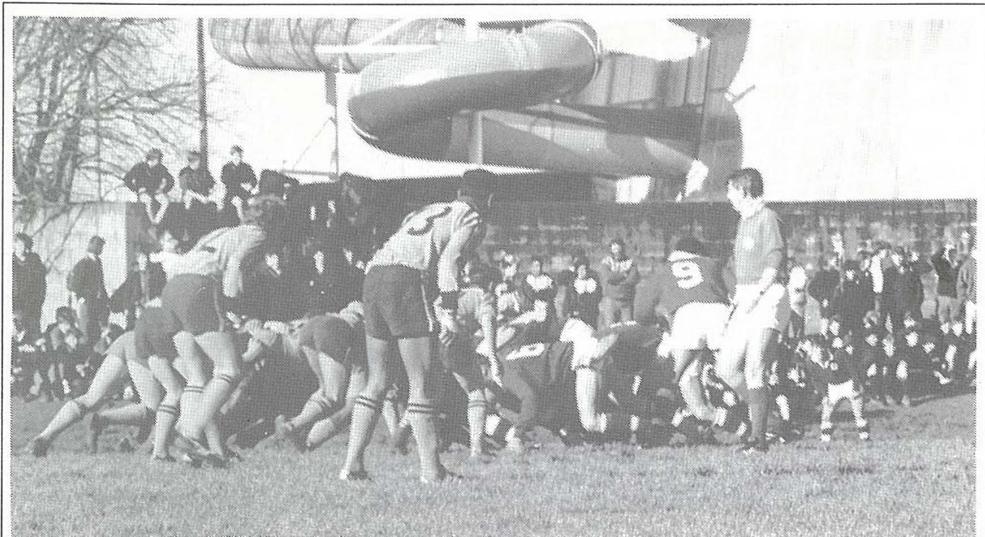

Consistently winning by large margins makes it difficult at times to be overly serious, but we were extremely well motivated for our final, defeating Cargill 54-0.

Congratulations to the many players who made the North Town U16 side, and especially to Shane Ripley and Brett Elder on their selection to the Southland U16 team.

Special thanks to a very supportive band of parents and to Mr Sadler for his various skills and quick effective treatment of injuries.

The team is very grateful to Mr Dickson who devoted a great deal of his time in order to help us achieve our success.

Played 10, Won 10, Points for 498, Points Against 8.

U16 OPEN RED

Captain: P Rodrique

Coach: Mr Bailey

On behalf of the team I would like to thank our very inexperienced and untried players for their dedication and good spirit in which they played all of their games (no defaults).

It was unfortunate that during the season parent participation at games was not very evident but special thanks however to Mr Ross Green who took the time out to manage us most Saturdays.

We may not have had many pleasing results but every game was experience gained with several memorable moments.

The team would like also to thank our coach, Mr Bailey, who found time to coach us and attend most games in between his own practices and games. A very special thanks goes out to 'Din', our star exchange student, who gave his all.

Team: Paul Rodrique, Deon Burke, Callum Turnbull, Heath Brown, Andrew McHardy, Jamie Risk, Mohad Yosof, Michael Griffiths, Warren Hunter, Grant Perriam, Jason Ward, Neil Dowling, Lloyd Hook, Dallas Miller, Steven Capil, Myles Green, Dion Graham, Aaron Leith, Aaron Watkins, Sean Heywood.

U16 WHITE

Captain: A King

Coach: Mr King

After trials in April a solid U16 White team was selected, consisting of only 3rd and 4th formers.

The team generally came up against more experienced opponents, but competed well, especially after a tentative start.

Highlights of the season undoubtedly was an excellent win over Cargill who had earlier beaten us 32-0, and two convincing wins over SBHS Red.

More success would have been possible if attendances at practice had been more consistent. The team had some promising players who with the right attitude will progress well in the future.

Special thanks to Mr King for providing valuable coaching assistance.

Team: G Imlach, K Searancke, P Stirling, J McIntyre, B McGearty, M Bradley, N Gormack, N Lowe, G Burgess, A King, D Cook, J Manuel, C Ripley, C Hurring, F Smith, G Heenan, S Howley.

U16 RESTRICTED BLUE

Throughout the season this team developed enthusiasm, skill and commitment unrivalled by their opponents. Excellent dedication to practice and positive attitudes on the field culminated in a record of fine achievement.

While each player made vast progress as individuals, some deserve special mention:

Michael Ramsay developed exceptional lineout abilities. Tony Davis, multi talented attacking back. Craig Blanch, half-back, tackler supreme, courage unlimited. Daniel Creagle, a powerful No 8.

Other team members to perform outstandingly:

Aaron Jackson, most improved attacking back. Ness Taane and Marc Geange, devastating loose forwards. Glenn Cunningham, a fast powerful winger. Angus Walker, Cameron Simpson and Michael Mitchell, a superior front row. Callum Mitchell, a strong support player, very good lineout skills. Carl McKenzie and Ricki Tamariki, an unselfish inside back combination with top class ball skills. Alex Robertson and Nathan Colyer, utility players of exceptional quality. Dallas Franklin and Matthew McDonald, reliable substitutes.

Above all, Brendon Hodgkinson for exemplary progress and discipline as a class attacking, thinking, centre and team captain.

During the season they scored many classy tries (100+), some exceptional. The three in the final typified their talent as a team. Well won ball by the forwards, position, skills, speed, confidence from the backs, superb tries.

As coaches we could not have asked for better from any team. This committed, dedicated, talented group made our time and effort most worthwhile. We have enjoyed and appreciated working with them.

Played 10, Won 10.

Points for 450, Against 3

Jim McKenzie

Lyn Walker

U16 RESTRICTED RED

The team consisted of a keen and consistent core of about ten with numerous changes in the remaining team throughout the season. This lack of a stable team meant that it was not able to come up with too many planned moves. The team was mainly made up of young players for this grade and the extra weight and experience of the opposition was at times daunting. There was a marked improvement in skills and play throughout the season and the boys can look forward to good results next season in whatever team they play.

One thing that can be said about this team is that they had plenty of practise at defensive tackling and enjoyed their games.

Team: Keith Bennett, Aaron Afleck, Craig Booth, Ricci Booth, Reagan Brown, Mark Collins, Christopher Frisby, Dion Graham (Capt) Matthew Hall, Andrew Horton, Grant Jones, Jayson Kennedy, Callum Learmonth, John McLaughlan (Try Scorer) Steven McNamara, Jeffrey Manson, Daniel Newton, Kayne Osborne, Damon Ropata, Ross Smith, Linton Strang, Andrew Stuart, Wayne Todd, Isaac Towers

UNDER 15 OPEN RED

Captain: Daniel Price

Coach: Mr Richardson

The season for us opened poorly as we lost our first match to Verdon College, yet we persevered and improved throughout the season. Mr Richardson made sure of that with regular practices on Wednesdays and Thursdays.

The Forwards and Backs played very well as a team with some superb tries, mostly scored by the back line.

Team: D Price, V Fox, C Tautari, R Hawkes, A Kerr, P McCarthy, N Middlemass, B Surgenor, C Reed, D Phillips, O Murdoch, M Hourston, B Hartley, N Jennings, G Hall, D McKnight, S Russell, J Clarke, S McNamara, C Brinsdon

I would like to thank Mr Richardson for devoting his leisure time to train us, and the parents for attending matches and supporting our team.

D Price

U15 OPEN WHITE

Captain: D Hamilton

Coach: Mr Capil

At the beginning of the season we were short of players and had no coach. After the first three weeks of struggling Mr Capil came to the rescue and from then on things looked up for our team.

Our games all season were close. We got into the final against James Hargest. We played this game at Les George Oval and won by 10-8. It was a very hard match and we were lucky to come out with the win.

In the backs Steven Winsloe and Brendon Wilson defended and attacked well. Blair Savory called the shots. In the forwards Lincoln Bell and Nathan McLeod played well in the mauls and were always in support of the ball. Des Grieve, the smallest player in the competition, showed plenty of guts.

Team: D Harper, M O'Donnell, J McPherson, L Bell, A Kidd, B Thompson, A Marr, D Hamilton, D Grieve, N McLeod, J Erskine, H McNeilly, B Savoury, S Winsloe, D Tiplady, P Thompson, C Jones, F Springford, B Wilson, R Booth.

Thanks team, and Mr Capil.

Dion Hamilton

U15 RESTRICTED

Captain: Jeremy Harrison

Coach: Mr Sapsford

We began the season with a mixture of experience with at least four members of our team playing their first ever season. We practised every Wednesday and Thursday, rain, hail or snow. Mr Sapsford was very patient with the team and we all benefited greatly by learning to work as a fifteen man team.

Our forward pack played especially well even against the might and size of the Cargill and Verdon teams. All in all the team played especially well through out the season.

Team: Stephen Lewis, Campbell King, Charles Murdoch, Darren Lindsay, Craig Smith, Nathan Erskine, Jeremy Harrison, Sam Hicks, Justine Stringer, Zane O'Toole, Derek Black, Denis Muir, Jamie Watkins, James Weir, Jody McCambridge, Paul Tomlins, Tim Stenton, Richard Clarke, Andrew Mahon, Brendon Wallace.

We would also like to thank Mr Sapsford very much for his dedication and time spent with the team. A special thanks to Shane Turner who assisted with the coaching.

Jeremy Harrison

1ST XI SOCCER

1990 was a busy season for the 1st XI soccer squad and perhaps it should be renamed the 1989-90 season as fundraising for this season's trip to Australia carried on from the end of last season. On top of our trip to Sydney in May was our entry into the tougher Senior competition after a short trial there at the end of last season, and after finishing runners-up to Old Boys in the Senior Reserve competition earlier last season. The competition proved to be very tough indeed. Tougher than this even, were our interschool fixtures which were plentiful, the team having been invited to the Christchurch hosted National Secondary Schools' tournament. We also played our traditional matches against Kings' High, Timaru Boys' and Otago Boys'.

Training began in February for the long season ahead.

Donald Gray Senior Competition

P	W	D	L	F	A	P
16	3	3	10	21	53	9

If our interschool fixtures and the tournament in Christchurch were the really serious business of our year, this competition was the "meat and drink", or "guts" of our season. Unfortunately we did not perform as favourably as we all know we are capable of and after two wins in our first four games, things came apart, the team managing only one more win against an understrength Queenstown side. There were some good performances, our 2-0 loss to Thistle being probably our best performance. Overall however, the results were disappointing.

INTERSCHOOL FIXTURES

v Otago Boys' High School - lost 3-0

The first of our interschools was against Otago Boys' in Dunedin. It was certainly Dunedin weather too, with rain, hail and wind making conditions tough for an attractive game. However, the team competed admirably and may even have felt a little unlucky with two soft goals among Otago's three.

v Kings' High School - lost 2-0

A team effort on the same level as our Otago Boys' game.

The match against Kings' always seems to be a bit more special to the players. This year was no exception. The game was a close, tough at times, crunching affair, with Kings' coming out the winners with two good goals from striker (and regular thorn in our sides) Shane Danielson.

v Timaru Boys' High School - lost 2-0

The teams worst interschool performance of the year. We made the opposition look better than they were, while we ourselves created no real scoring opportunities. An unhappy time for the team after the game.

National Secondary Schools Soccer Tournament - Christchurch

The team started off very poorly against one of the sections weaker sides, De La Salle, going down 7-0, while poor finishing up front let us down against Westlake, losing 2-0. Later we lost to the eventual tournament winners, Shirley Boys' by 3-0. Our remaining two matches in section play against Christchurch Boys' and Kings' High, and one in the playoffs against Riccarton High, were frustrating affairs for the players (and the coaches). In the first half of each game the team started to show some of the promise it had failed to deliver, on the whole, up to this time. On all three occasions we were 1-0 up at half-time only to lose by the odd goal to Christchurch and Riccarton, and particularly disappointingly by 3-1 against Kings', after finally looking like beating them.

The tournament and the season ended on something of a high note, winning our play-off for 23rd/24th places, 2-0, against Christ's College. The highlight of the game came when Paul Samson

put the ball through (not the back of the net) but a neighbouring glasshouse! At the end it was mud fights all round!

P	W	D	L	F	A

Australian Tour

The chance to travel to an overseas country was a new experience for many of us, and one which all were grateful to have thanks to the organisation of Mr Trevor Neilson and Mr Gerald Mathieson, and to the fund-raising involved.

Back Row: Mr T. Neilson, Ryan Marshall, Simon Maddison, Grieve Jardine, Matthew Heaton, Gordon Lamont, Nathan Chalmers, Nathan Haywood, Shaun Anderson, Mr G Mathieson.

Front Row: Jamie Frisby, Gareth MacFadyen, Blair Maddison, Jonathan Clifford, Craig Chalmers, Richard Peterson, Greg van Rensburg.

The band of players, parents and coaches undertook all the usual sightseeing; the Opera House, Tower, Harbour Bridge and Darling Harbour were some of the excursions.

There were some unplanned excursions, one ending in a surprise for Gardy, and there were countless cases of missing the ferry. The foreign conditions made playing soccer harder; made harder still due to the fact that we played the way our opposition played, instead of the way we should have played. We finished with two wins, against Balgawlah Boys' and Narrabeen High; and two losses v Cramer High and Killarney Heights. Our hosts were extremely friendly and many new mates were made.

1990 was a long year and in many ways it was disappointing. The year was made worthy by the good times and the many learning experiences the players and coaches had over the course of the year. Big enough thanks can't be given to coaches Mr Gerald Mathieson and Mr Trevor Neilson who's dedication to the team was often not matched by that of their players.

2ND XI SOCCER

Captain: Tony Rayner

Coach: Mr Goodwill

The team this year was entered in the Youth Grade competition. The team all took a while to get into the swing of things but after much determination and aggression we played well to gain the top spot in the competition. Although the games were tough we managed to have a good season.

JUNIOR SOCCER

Back Row: Mr Hawkes (Coach) G Hawke, D Emerson, T Frew, G Folster, G van Rensburg, T Anderson, K Hawkes, Mr van Rensburg (Coach)
Mr Downey (Manager)

Front Row: G McFadyen, N McKerchar, K Goodall, C Smith, J Frisby (Captain)
H Shepherd, M Downey, S Irvine, N Mason, J Knox

Team: T Rayner (Captain) W Molloy, W Grey, D Wallace, R Hogg, A Spain, P Robertson, S Anderson, C Anderson, T Reid, M Lind, G McCulloch, R Marshall

Our thanks to Mr Goodwill for helping us to win the Youth Grade Cup.

JUNIOR SOCCER

Captain: J Frisby

Coaches: Mr van Rensburg, Mr Hawkes

It gave us great pleasure, after a couple of years, to be able to field an U15 soccer team. With the experience and expertise of Mr John Hawkes and Mr Malcolm van Rensburg as our coaches, we looked forward to a good season competing against the other four teams in our grade. Knowing the strengths and skills of the opposition from previous seasons would play a major role in our overall placing. However, it was our own skills and determination that in the end won the grade competition. We can boast of 11 wins and 1 draw to our credit.

Our team was lead by Jamie Frisby and ably supported by Greg van Rensburg. The results were as follows:

- beat Thistle 5-4, 4-1, 7-3
 - beat James Hargest by default, 4-0, 6-1
 - beat United 10-4, 4-1, 7-1
 - beat Queen's Park 3-3, 5-2, 6-0
- Goals for - 61. Goals against - 17.

The leading goal scorers were Karl Hawkes, 23 goals (including 4 in one match and 4 hat-tricks), Jamie Frisby, 12, Jeremy Knox, 7, Sam Irvine and Geoff Folster, 4 each.

The same basic team also entered a Tuesday league competition which was against local High School teams. We completed the double by winning all 6 of our games. Tobi Reid was top scorer with 10 goals and Jamie Frisby blasted home 8.

Once again we send out special thanks to our coaches for their much appreciated commitment, time and effort. Also to the parents who weren't shy to show their faces on the cold frosty mornings.

Team: G Hawke, D Emerson, T Frew, G Folster, G van Rensburg, T Anderson, K Hawkes, G MacFadyen, N McKerchar, K Goodall, C Smith, J Frisby (Captain) H Shepherd, M Downey, S Irvine, N Mason, J Knox.

Jamie Frisby

SKI TEAM

The school racing team again competed in the Otago Southland Championship. This year a relatively young and inexperienced team travelled to Cardrona Ski Field to take part in the increasingly difficult competition.

The competition was very close and while our team finished 10th in the field it is important to note that only two seconds separated the team combined times between 4th and 12 places.

Congratulations to Glen Maher (fastest SBHS), Daniel McDonald, Jonathan Hart, David Nichol and Mr McKenzie (Coach).

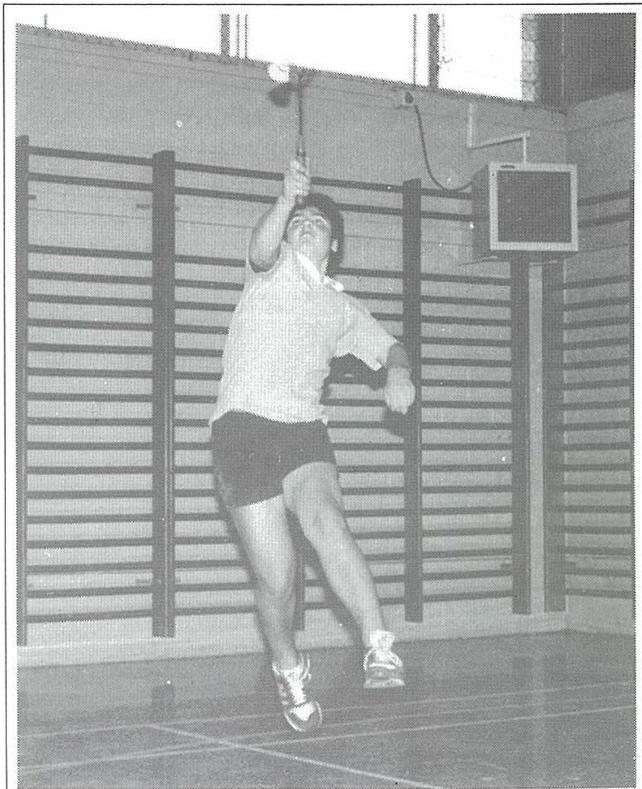

SKI REPORT

This year the School organised five Sunday Ski trips to both Coronet Peak and the Remarkables. These were well supported at a cost of \$47, including Ski hire, lift pass, lesson and bus fare.

The bus left the school at 6am sharp and returned at approximately 7.30pm with a bunch of very tired and sometimes battered skiers. Two of our exchange students found out that the bus waits for nobody and had to make a quick dash towards the mountains to board.

The only hiccup was when we called off the Cardrona trip due to the inclement conditions predicted for that day after most had boarded the bus.

We look forward to the snow falling again and encourage students who have not experienced a day on the mountains to join us next year.

Matt Anderson in action.

SOFTBALL

Coach: Mr Cooper

The team competed in the annual local Secondary Schools Softball tournament at the beginning of the year. We won the first two games against Central Southland College and JHHS. In the third game we went down in a closely fought match against Gore High School. Because Gore had made themselves unavailable to compete in the National finals, if they had won the local competition, they had to forfeit giving us a place in the finals against Cargill High School. Due to bad weather, the game was played after the Kings' interschool and for lack of experience we were comfortably beaten in the final.

We went to Kings' knowing we had a hard task ahead of us and were beaten by strong opposition.

Results:

SBHS 17, Central 3

SBHS 4, JHHS 1

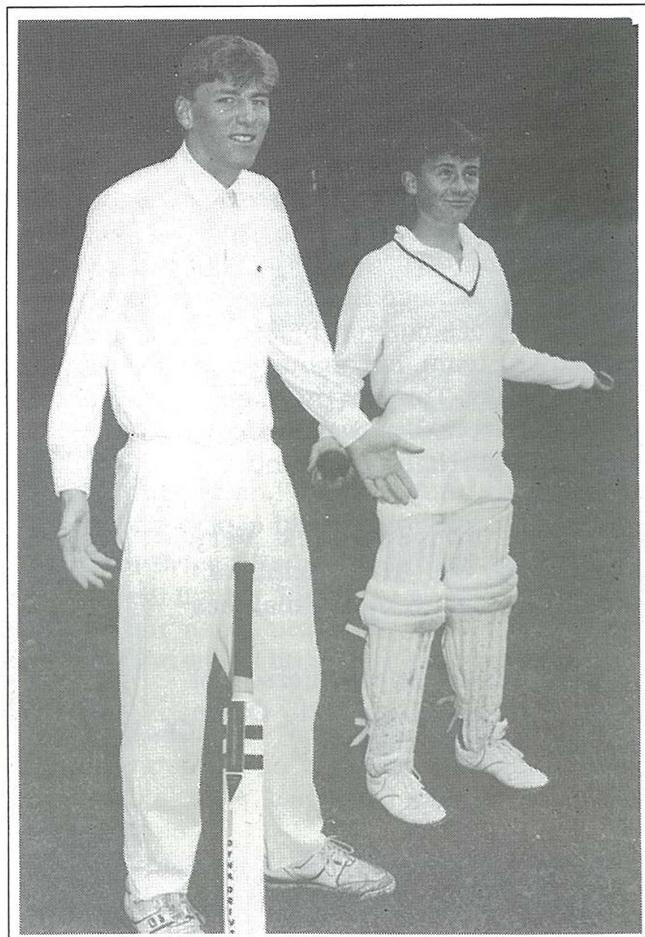

SBHS 4, Gore 5

SBHS 1, Kings 10

SBHS 3, Kings 16

SBHS 2, Cargill 11

Team: M Kapo (Captain) G Kapo, H Elers, Q Taipari, R Craigie, A Low, F Smith, W Molloy, B Kelley, M Hamilton, S Imlach, A Mortimore

Cricket boys rained out again.

SQUASH

After a very successful fifth placing at the Slazenger New Zealand School Championship last year, the team started training early in pursuit of the national title. Our intensive training for the school team combined well with our Southland Development training squads, which each member was a part of.

Under the watchful eye of coach Robbie Burnett, Southland's own professional, good progress was being made until just one week away from the tournament our team was struck with injury. Our top seeded player, Mark Fairweather, was rushed to hospital for an operation which put him out of the team and squash for the year. Then in a practice session Neil McAra strained his back and was out for 3 weeks. To cap it all off Paul McDonald came down with glandular fever a week before competition.

The exclusion of Mark from the team somewhat weakened our chances but never the less the team was in high spirits when we left for Hastings. The full travelling team was Neil McAra, Paul McDonald, Paul McAra, Andrew Syme and the new player, Carl Johnstone. The team was surprisingly seeded second behind past winners, Kaitaia.

The tournament comprised 32 strong teams but we had a first round bye which automatically put us into the last 16. The team came up against Whanganui, a very strong team, which upset in the first round. We started out very nervously, losing the first two matches, but to higher graded players. However, things settled as Paul McAra, Andrew and Carl came through, winning the next three matches to take out the match 3 to 2. This win put us into the final eight, one of which was a fellow Southland school, Cargill High. We were defeated 3-2 in this round by Gisborne in a very controversial manner. Southland Boys' was on the receiving end of some very biased umpiring which appalled our team, our manager Jan McAra and the crowd alike. This put the team in a low for the rest of the week but we rallied to cheer on Cargill High, who eventually won the title.

The team arrived back very disappointed, but in an exhibition match SBHS beat Cargill 4 matches to 1.

The team had a perfect interschool record, beating Kings' 4-1, Otago Boys' 5-0, Waitaki Boys' 5-0.

SHOOTING

CLAY TARGET COMPETITION SOUTH ISLAND INTER-COLLEGIATE COMPETITION

2-4 NOVEMBER 1990

On Friday 2 November James Hore, Nicholas Stratford and Andrew McMurdo travelled to Oamaru with Mr Threadgill and Mr Hoffman to compete in the above competition. The three boys, all fifth formers, had been briefly coached by Mr Hoffman and while not considering themselves competitive, were determined to give as good account of themselves as possible.

St Kevin's College hosted the competition and provided the team members with excellent billets. Mr Threadgill and Mr Hoffman were well looked after by the Christian Brothers in their Congregations house.

Saturday the 3rd of November saw the skeet competition take place. Relatively few teams entered this event which was won by Kurow Area School. Boys' High entered James and Nicholas and while they were not placed highly the experience was invaluable.

Sunday the 4th saw a large turnout for the trap shoot with fourteen schools entering teams. Some, such as Waitaki Boys', entered several teams. Our team combined with Central Southland College and Waiau College to enter a combined team affectionately dubbed Bros' College. This enabled us to make up our six man (actually five men and one woman) team and still be eligible to shoot for the individual high gun trophy. The competition was stiff but Bros' College finally finished a respectable fifth. The trap was won in a most impressive manner by St Andrews College.

While we were not placed among the top teams our attendance was very worthwhile. All three boys shot over a hundred targets. With the experience of this trip and a little more coaching from Mr Hoffman, Southland Boys' can confidently expect to enter a highly competitive team for 1991.

Staff 4, Prefects 1.

TABLE TENNIS

The 1990 table tennis season saw Southland Boys' enter two teams in the annual winter interclub competition. The two teams comprised of four Southland representatives.

Both teams performed well with Lloyd Hook and Stephen Couling placed first in the B grade section. The other team, led by U15 representative Ryan Perkins and Myles Lind finished third behind Cargill. Both teams were unlucky not to make the A reserve grade as early season losses proved too costly.

As well as the interclub competition, various singles and doubles tournaments were played throughout the season. The most important for us was the residential championship (open only to players in Southland). Lloyd Hook won the U15 title. Perkins, Hook and Couling were selected to represent Southland at the South Island championships held in Timaru over Queens Birthday weekend. The U15 boys team were placed 3rd against tough competition. The U19 boys were placed a well earned fourth.

Next year we are hoping to make the A reserve grade. Judging on this year's fine performance though, we should do well.

Stephen Couling

INTER SCHOOL TENNIS

Captain: Daryl Gimblett

Coach: Mrs MacFadyen

v Shirley High School (away) Seniors lost 15-6, Juniors won 7-5.

With two of the seniors unavailable for this trip, the team was not as prepared as usual. The team gave its best but was unlucky not to pick up more rubbers. The juniors found it hard and performed with a lot of determination and distinction to achieve a good win in very hot weather.

v Kings' High School (away) Seniors won 21-0, Juniors won 6-6 after countback.

With the seniors eager to reverse the results after the earlier interschool, Kings' found themselves up against a top SBHS performance. The school applied themselves for both days and won without dropping a rubber. The juniors capped off the trip by winning on the countback.

v Otago Boys' High (Home) Seniors lost 12-9, Juniors lost 8-4.

This was the hardest of all three interschools. With most of the seniors back from the year before it was our best chance to beat Otago. With two people out injured the team performed well and it was only in the last two rubbers that Otago was assured of a win. The juniors were also up against top competition. Although going down they gave it their all.

The season overall was a good one and all games were contested in good spirit.

Our thanks go to Mrs MacFadyen as without her hard work and interest these interschools would not be possible.

Daryl Gimblett

PEN PORTRAITS

Blair Maddison - Blair is a strong hitter of the ball and when his consistency improves he will be a tough opponent. Played in all interschools and has a good future in the game..

Calvin Stevens - Has a powerful serve and good basic strokes. He plays a good thinking game and has good anticipation. Played in all interschools and will develop in due course.

Hamish McKenzie - Although plagued with injuries Hamish always gave his best. He is a good consistent

*Back Row: B McKenzie, S Maddison, Mrs MacFadyen
Front Row: J Moreton, B Maddison, C Stevens
Absent: D Gimblett, B Brice, R Dickson*

baseline player and quick around the court but sometimes lacks a bit of aggression.

Brendon Brice - He has the ability to improve as he is a real fighter. Played in all interschools and will be an asset next year. Has good ground strokes and with a little more practise should go a long way.

Simon Maddison - Never gives up and fights hard for every point. Had some good wins and will be another valuable asset next year. Played in two interschools.

Jason Moreton - A left handed player who sometimes surprised his opposition. Plays some unorthodox shots but is a player to be reckoned with. Played two interschools and will progress with experience.

Brent McKenzie - A team man who gave his best. Doesn't use a lot of power but places his shots around the court with expertise. Plays senior on Saturdays and is developing into a good all round player.

Daryl Gimblett - Once again this year showed his potential and leadership skills on and off the court. He proved to be an asset to the team and as usual played brilliantly throughout all his games. It will be a shame to lose him.

Robert Dickson - Robert, although new to interschool tennis, proved to be a valuable member of the team. His aggressive style of play and competent volleying made for some exciting matches. Has a solid game and, although a little weak on serve, is a very competent player.

JUNIOR PEN PORTRAITS

Sam Irvine - A determined player with strong doubles net play. Plays well in singles - battles away. The opposition doesn't destroy Sam's cool. Play the net more in singles.

Kerry Goodall - Thank goodness you came to SBHS. Struck terror into the Shirley spectators when they thought you had unlimited BP sponsorship. (Wearing a BP T shirt). Good all round player, should be an asset in the future.

Paul Stirling - The golfing tennis player whose school jersey sprouted legs when it was left at the green (pavilion). Luckily it wandered back. Keep playing Paul - you have potential.

Andrew King - Coated himself with sunscreen and battled regally on. A strong player with good tennis skills. Will be an asset to the future senior team.

Hamish Buchanan - the impish Dipton export. Plays some logically placed strokes. A careful player who performs well under pressure.

Sam MacDonald - Sam travelled to Kings' High and played some long hard games, battling away to achieve some good wins.

Nathan Slatter - Partnered Sam in the doubles at Kings'. A strong player with potential. Had some good wins.

1ST VI VOLLEYBALL

The 1990 year in Volleyball saw only three team members from the previous year return. They were Matthew Heaton, Maurice Windle and Jonathan Smith. A relatively new team was therefore put together for the Interschool match with Kings' High in Dunedin in March. The majority of the team were inexperienced, which went away and because of this overall lack in skills we lost all the sets in the three games we played.

As our confidence increased in the games, and our skills became more noticeable, we began to take the game back to Kings', and almost won two of our sets. However, in the end the experience and excellent ball skills of the Kings' team overwhelmed our inexperienced team.

Our skills were increased in Dunedin by a New Zealand Player/Coach who gave of his own time to help motivate us.

Team: Jonathan Smith, Paul Nanai, Stuart Harrington, Sam Paaka, Maurice Windle, Matthew Heaton.

Our thanks to Miss Randall for giving up her own time to help train and motivate us.

Jonathan Smith

Back Row: Mr Lawrence, C Lake, J Smith, H McNaughton, B Walker, B Kwong, Miss Randall

Front Row: S Harrington, M Heaton, M Windle, J Moreton

WATER POLO

This year we had three teams in the competition. Our top team is currently winning section one, ahead of close rivals James Hargest and Verdon.

Our social team, mainly made up of sixth formers, is in section two, and although not winning many games, are all enjoying themselves.

Finally our junior team, which consists of third and fourth formers, are currently dominating section three with some big wins.

There have been a number of players who have gained selection this year for various Southland teams, and they are as follows:

Brayden Cooper, Morris Windle and Nathan McNamara, who all gained selection for the Southland U18 and U20 teams. Ross Smith, Steven Burgess and Blair Savory, who gained selection in the Southland U16 teams.

Congratulations to all these players for their performances. Finally, thanks very much to Mr McKenzie who helped us get the teams together at the start of the year, and good luck to next years' teams.

B Cooper

Social Team

The senior social waterpolo team this year comprised of sixth and seventh formers only. The beginning of the year saw a new team with hardly any experience at playing the game. However, despite our lack of experience and knowledge of the rules we did win two of our five games, defeating the SGHS team and the JHHS team.

Team: Jonathan Smith, Scott Imlach, Jonathan Cowie, Angus Young, Jason Jones, Jody Young, Aaron Smith, Brendon Marrable and Aarron Dempsey.

Jonathan Smith

ORIENTEERING

This year saw the introduction of orienteering during the 1st and 3rd terms as a Wednesday option sports period. A keen group of 29, ranging from 3rd to 6th formers, attempted various courses in Queen's Park and surrounding streets.

Thanks to David McCarthy of the Southland Orienteering Club for maps etc.

The National Secondary School Championships should be held in the South Island in 1991. Hopefully we will be there.

Cricketers Cass and McEwan work out strategies with coach Bailey.

1ST WATER POLO TEAM

Back Row: R Smith, N McNamara, M Windle, S Harrington, B Savory, Mr McKenzie

Front Row: W Jones, M Heaton, B Cooper, J Morton

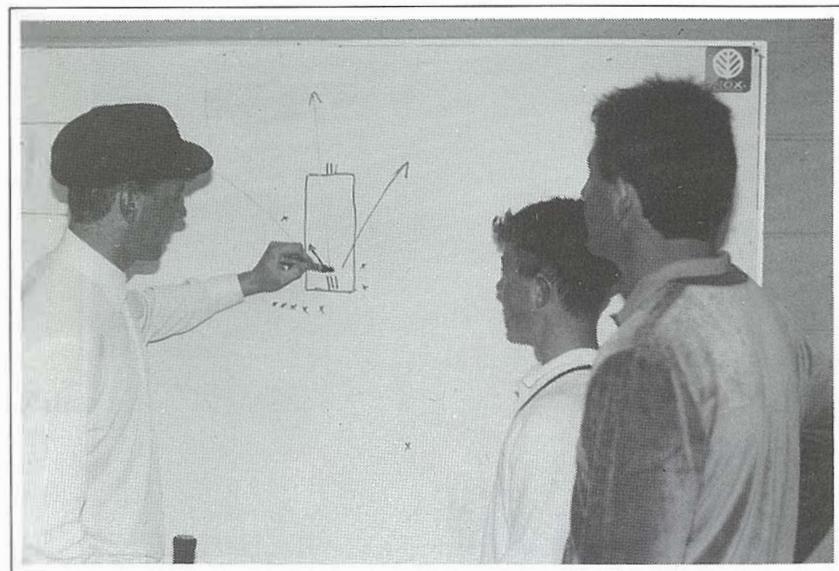

JUNIOR WATER POLO

Captain: A Finn

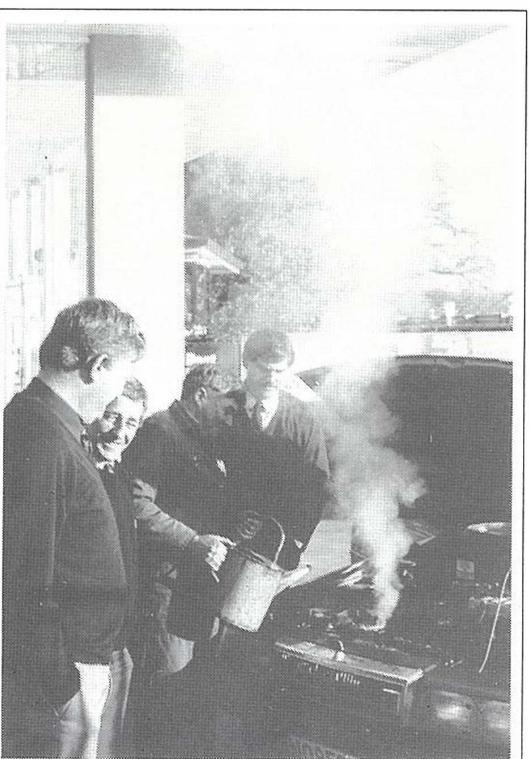

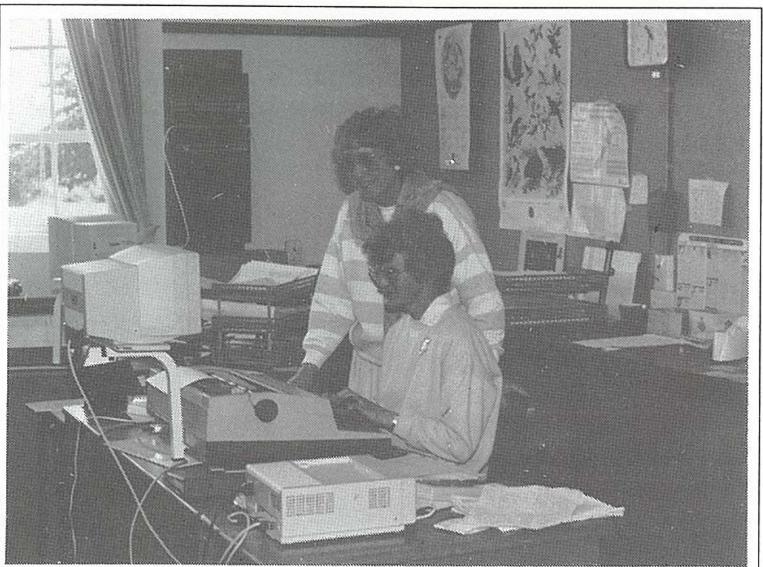

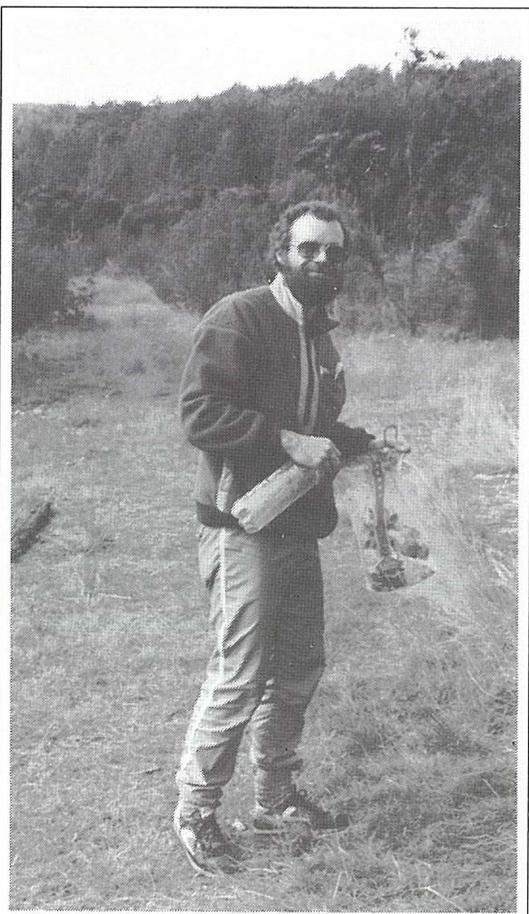

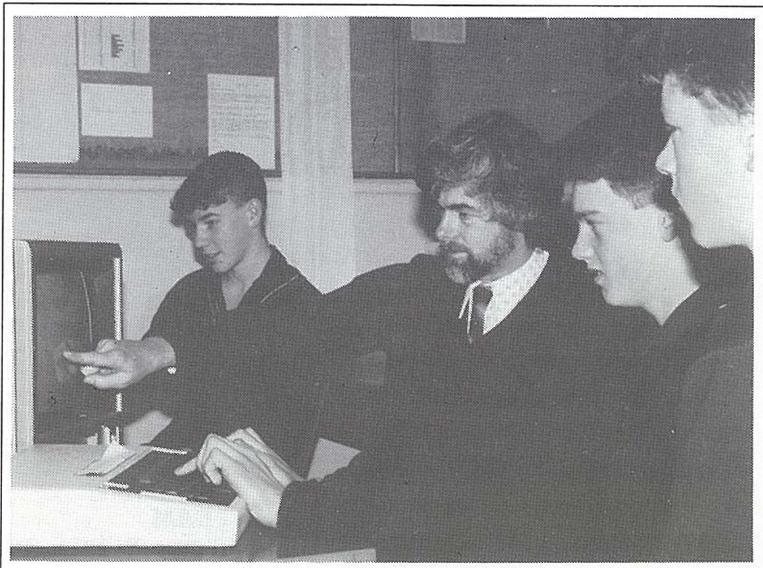

Coach: M Windle

The team played 14 games, won 13 and drew 1. Good efforts from A Finn, J Hamilton and C Stewart. The team finished 1st in the local secondary schools competition.

We would like to thank Mr Windle for coaching us and attending all our games. Team: A Finn (Captain) S Turner, J Manson, G MacFadyen, G Hall, B Carson, C Stewart, C Jenkins, W Thornton, M Hall and J Hamilton.

A = A Bursary, B = B Bursary, E = Entrance to University, C1 = One entrance credit, etc.

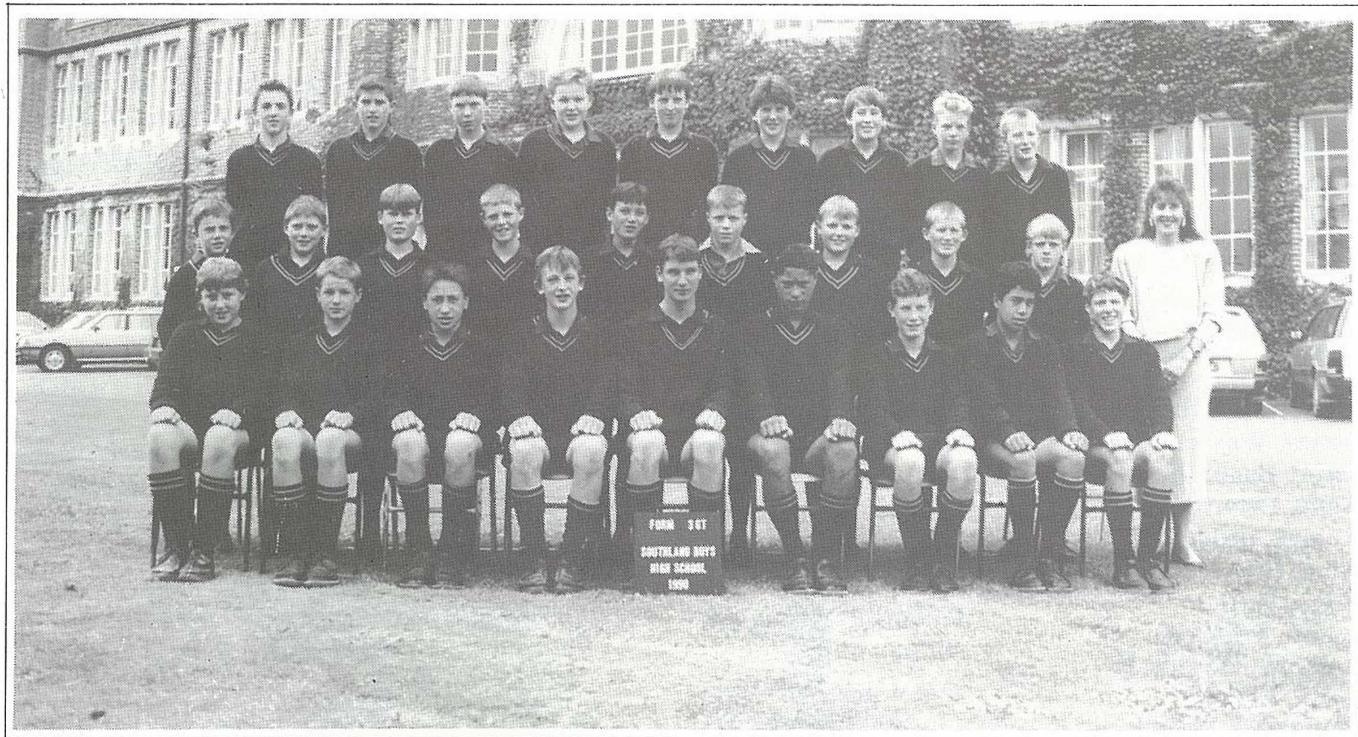

3DB

FORM TEACHER Ms Driver-Burgess

Front Row: D H Emerson, A S Niwa, D J Forbes, C N Radcliffe, C D Frisby, A S Horton, J A Gerken, T T Tamariki, J Carey.

Middle Row: S R Hawkless, M J Simpson, B R Ledington, F Notoa, C D Wilson, S J Lewis, T J Stenton, G C Low, T G Keen, R J McKay.

Back Row: D R Harris, P J Tomlins, I J Wilson, D J Gill, L W Edwards, M T McPhedran, L F Bell, H D I Benfell, S H Davis, C M Cooke.

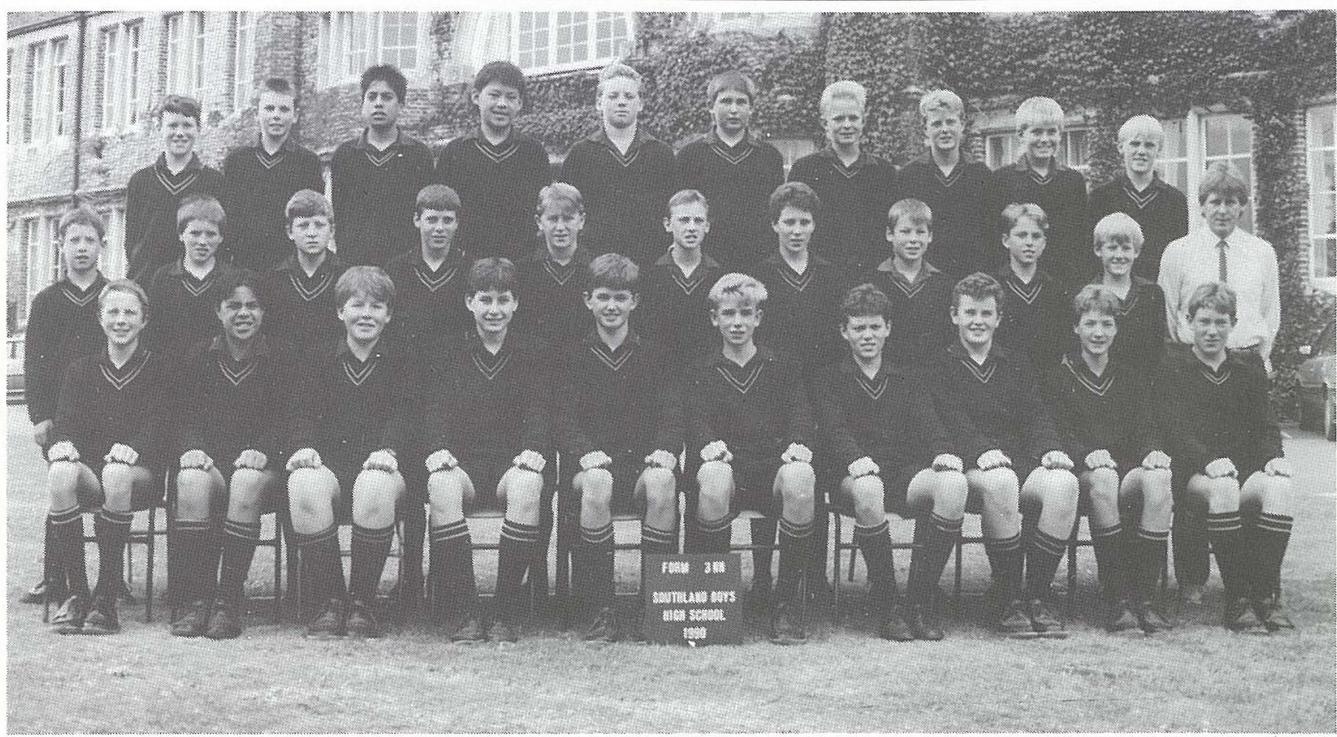

3GT

FORM TEACHER Mrs Grant

Front Row: B Byers, F Springford, D Newton, N Brown, C McCrostie, G Kara, A Kidd, J McEntyre, J Tribe.

Middle Row: J Winter, J Frisby, J Weir, S Gillies, P Kennedy, D MacPherson, P Burgess, C King, C Simmons.

Back Row: J Watkins, P Norman, W Wilson, J Holvey, C Stewart, N Erskine, D Aronsen, T Tippett, C Schmalewsky.

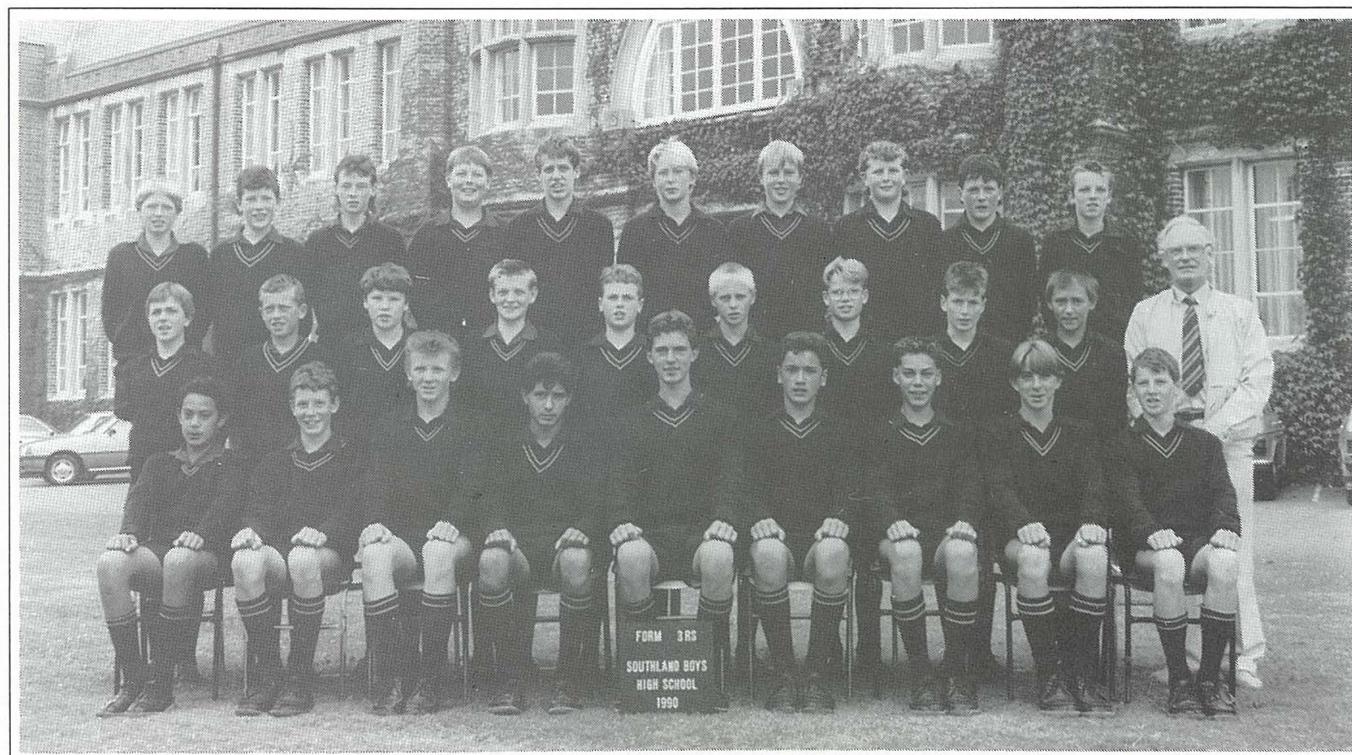

3NN

FORM TEACHER Mr Neilson

Front Row: S McNamara, C Phillips, C Howard, A Finn, C Brinsdon, G MacFadyen, C Nicol, J Ballantyne, T Frew,
M Mitchell.

Middle Row: D Lindsay, Z O'Toole, R Donaldson, R Williams, M Hourston, P Howden, H Miller, R Clark,
C Murdoch, S Holdaway.

Back Row: S Blee, P Crawford, D Ngarepa, C Huynh, R Booth, P Munro, A Cranston, D Black, R Graves
J Harrison.

3RS

FORM TEACHER Mr Rodgers

Front Row: A E'E Taleni, R C Mackle, G A Stirling, C J Booth, S T Ryan, S P Turner, S M Howley, A R Aitken.
Middle Row: S S Geary, C J Jackson, A B Watson, G J Hall, C S Kirby, A J Mahon, D M Mutr, S A Hicks,
K J Sherlock.

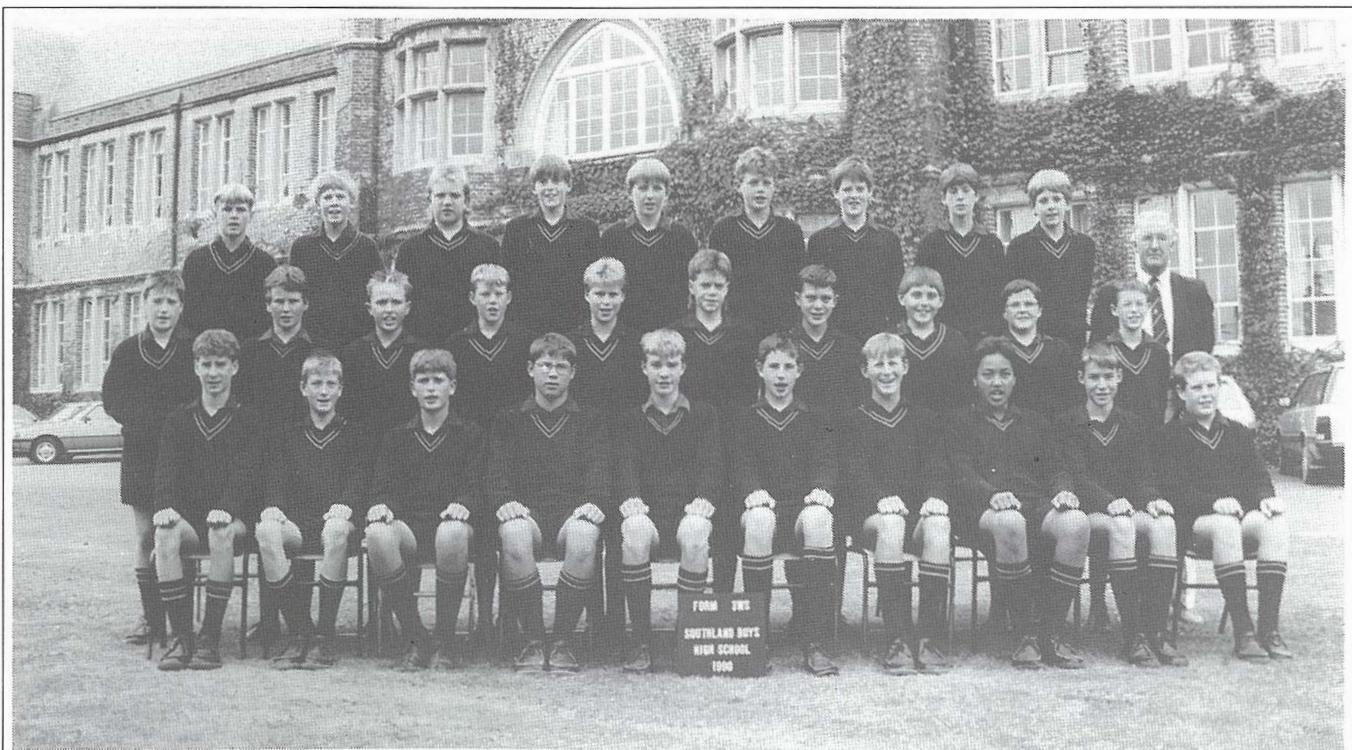

Back Row: T W Fowler, A J Marr, J L Halder, R B Swain, N Blakey, J R Newton, N E Jennings, T D Burke,
B T Hartley, D S Jenkins.

3TL

FORM TEACHER Mr Threadgill

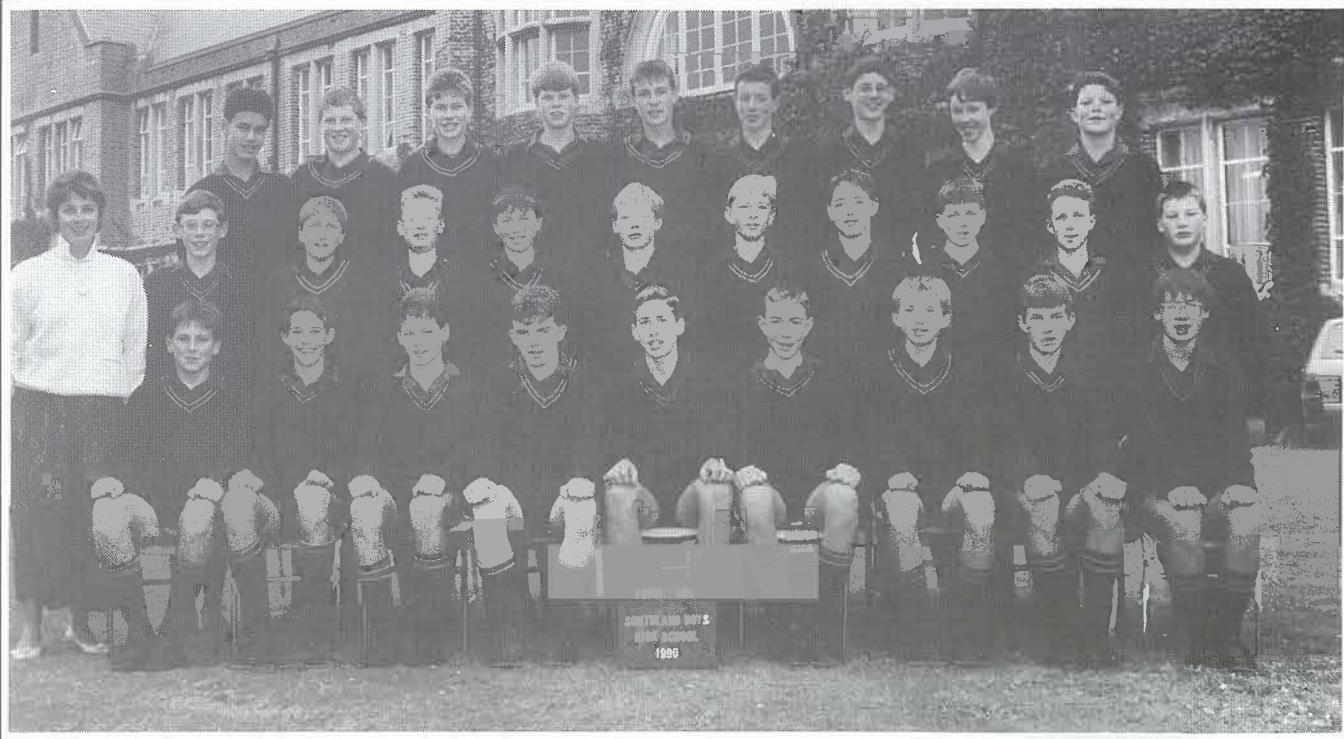

Front Row: A Cowan, J Paaka, D Ropata, W Todd, D Haslam, A Stuart, R Brown, G Imlach, P Armstrong.
Middle Row: D Wills, H Neho, J Clark, R Calvert, R Derrick, S McColl, T Anderson, K Hawkes, M Coates.
Back Row: A Harpur, S Kite, D Holland, B Savory, J Gonsak, D Harper, J Erskine, J Teepa, T Watts.
Absent: P Sadler.

3WS

FORM TEACHER Mr Williams

Front Row: C B Smith, B J Smith, J M Trotter, J S Manson, P N Hansen, V M Eggers, A N Gormack, B J Terekia, R D Adams, M C Ladbrook.
Middle Row: P J Nieborg, H A Buchanan, K J Goodall, S D McDonald, N D Meissel, J J McCarroll, J P McCambridge, T M Brown, J D Hawkes, S H Miller.
Back Row: N D Slatter, M C Downey, A I Officer, B N Wallace, C G Jones, G J Hall, T J Hulls, S J Wylie, H E Shepherd.

4BL

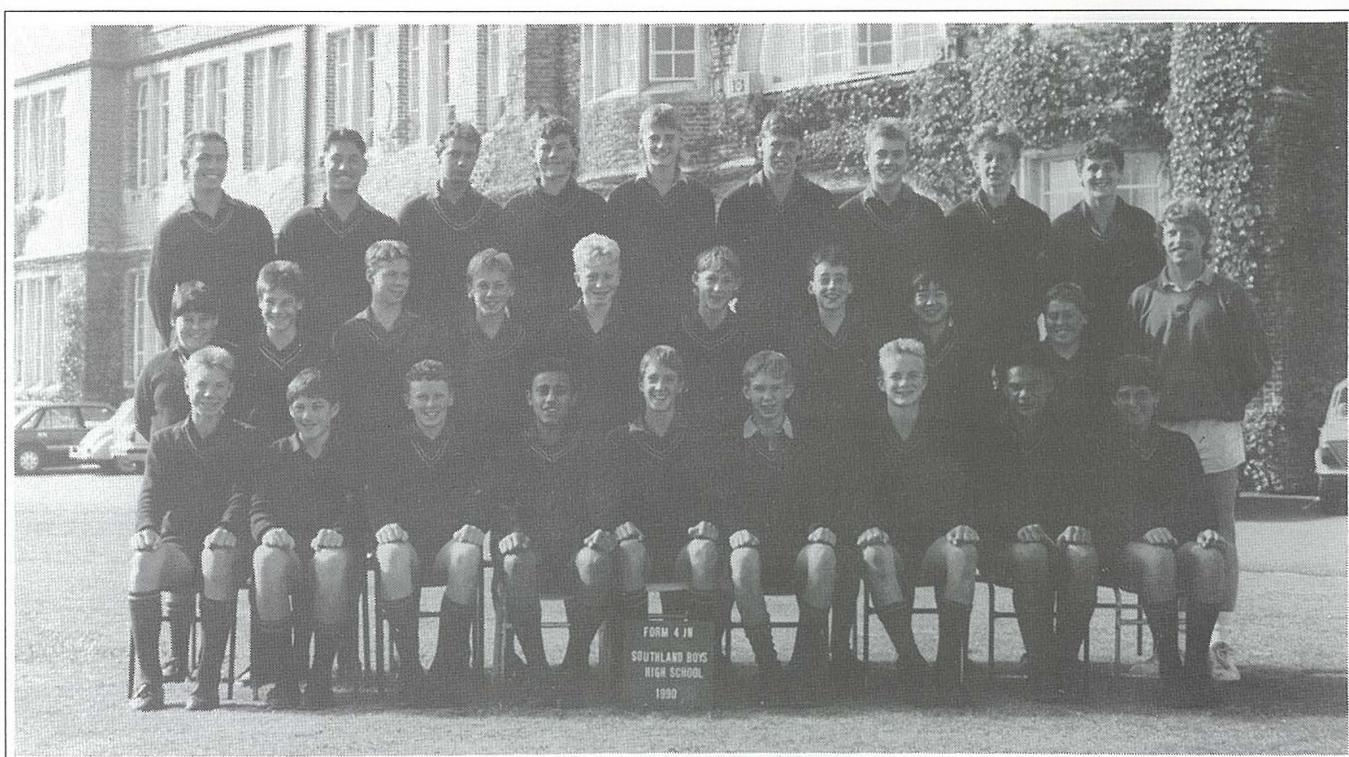

FORM TEACHER Miss Boyd

Front Row: B G Simpson, P Thompson, M D Collins, J R Beaton, D R Carson, A J Walker, S T McKenzie,
J McLaughlan, G J R Paskell.

Middle Row: H K Thomson, S N Winsloe, G B Gimblett, A W Robertson, M J Hall, M H O'Donnell, E B McKerchar,
C G Smith, H N McNeilly, S S Robson.

Back Row: A V Kerr, W F Thornton, C J Lightfoot, R B Lelievre, R J Fraser, I N Towers, S R Forrester,
S R Smithies, C J McKenzie.

Absent: K M Nathan.

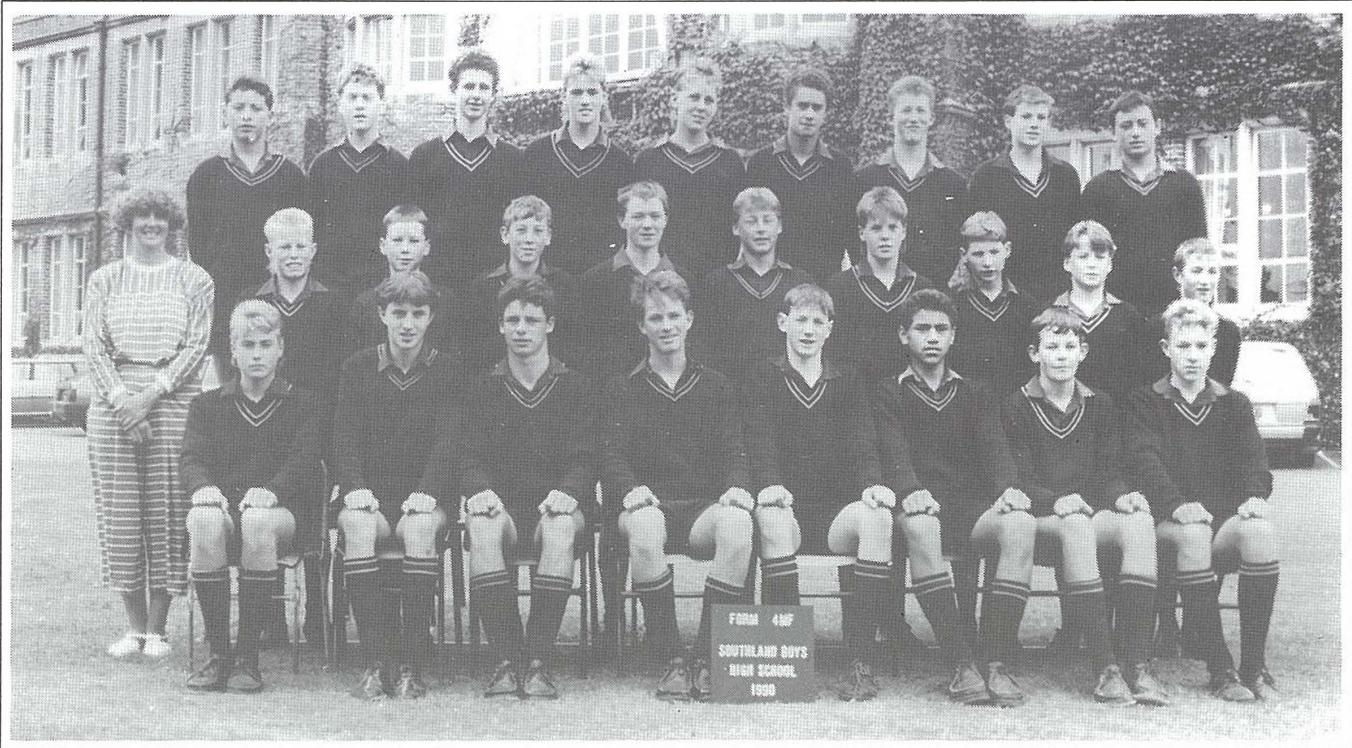

4JN

FORM TEACHER Mr Jackson

Front Row: G L van Rensburg, B J Carson, P M Stirling, C O Ripley, S B Henry, A C Moore, S R M McNamara,
W R Fletcher, G Folster.

Middle Row: G R Peters, C J Reed, M R Squires, B G Lonsdale, J J Malcolm, J L Botting, D T Stack, B Kwong,
W C Topi.

Back Row: B Thompson, O G Faiva, M J Miller, K O Bennett, R D Bryan, T J Cox, M T Howell, J B Hamilton,
G S Maher.

4MF

FORM TEACHER Mrs MacFadyen

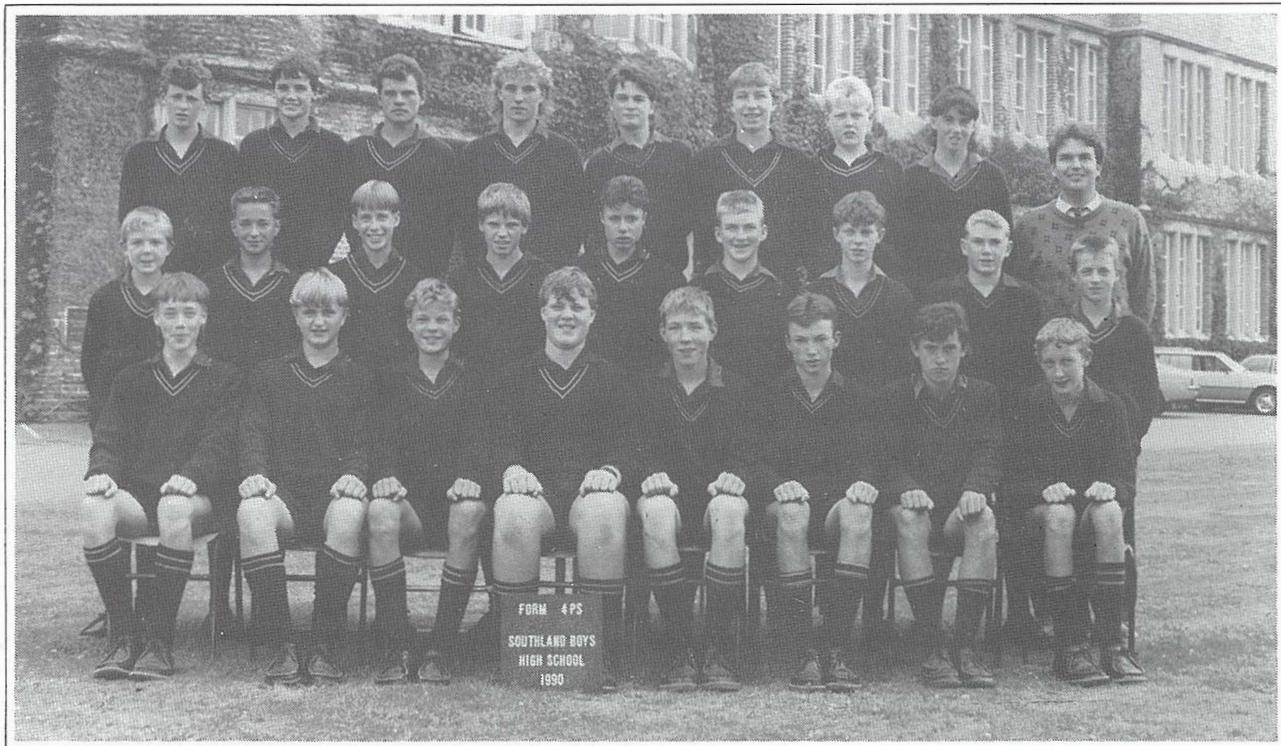

Front Row: D Emerson, D Greig, S Donaldson, L Cottenden, S Davis, O Ropati, B Eade, F Smith.
 Middle Row: D Hamilton, G Johnstone, B Surgenor, B Fowler, T Reid, T Blair, R Harvey, S Russell, B McCormack.
 Back Row: C Tautari, A Hall, M Bulling, T Tressider, G Burgess, J Ryan, D Price, H Smith, J Kennedy.

4PE

FORM TEACHER Mr Pierce

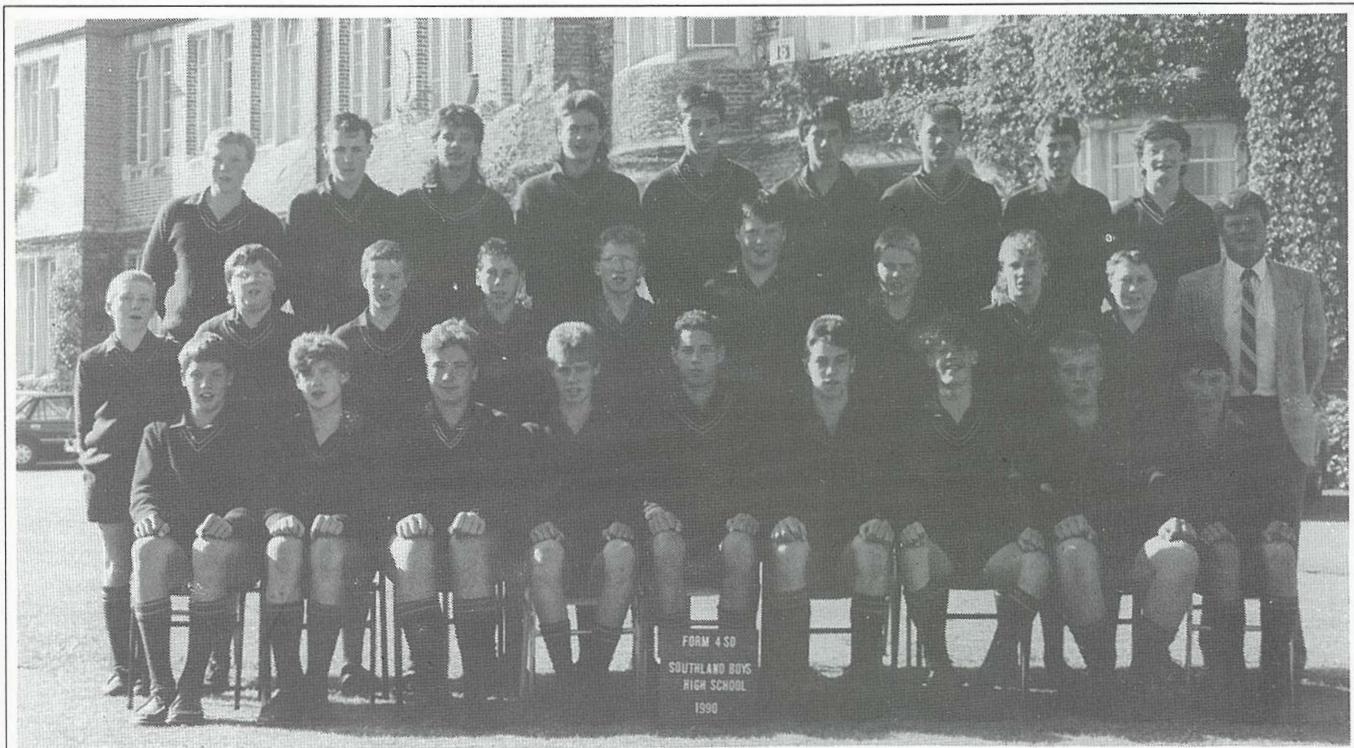

Front Row: J T Manuel, D A Burke, J M Maynard, N L Colyer, M R Green, B W McDonald, J J Knox, G G Peterson, D L Marsden.
 Middle Row: M L Hawthorne, S D Irvine, N P Mason, S N L Naylor, S C Bell, J R Frisby, D J Tiplady, J R MacPherson, S Burgess.
 Back Row: L K McIntosh, M J Wilmot, J M Wright, G M Heenan, C J Hurring, B J McGearty, T R Knowles, G B Clark, A J King, P D McCarthy.

4PS

FORM TEACHER Mr Paris

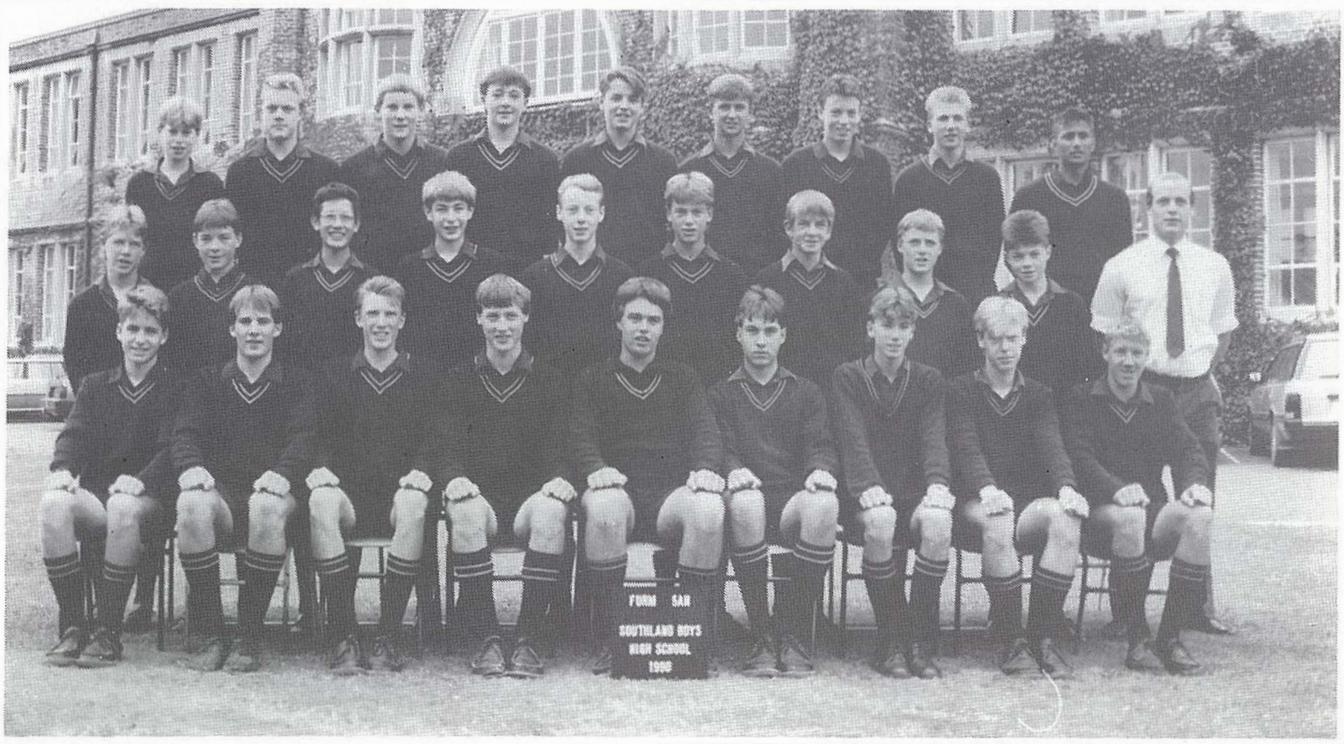

Front Row: S T Barnett, N Dempsey, L C Perkins, B MacAlwee, C Jenkins, R Hawkes, K Dixon, P James.
 Middle Row: S Mitchell, A Sherlock, D Phillips, C Grenfell, M Dowling, B Dlack, N Murie, D C Perkins, M Wildey.
 Back Row: G Strachan, W Callahan, D Brookland, D Linwood, M Blackley, S Wilson, W Pratt, S J Milne.
 Absent: N Toft.

4SD

FORM TEACHER Mr Sapsford

Front Row: D Rolton, R Krynen, A Smith, B Erskine, M Bradley, A Leith, D McDonald, D Kempton, D Crengle.
 Middle Row: D Grieve, M Hawkes, N McLeod, S Simmonds, R Hawkins, A Sherriff, G Graham, N Middlemiss,
 J Dempster.
 Back Row: B Fryer, G Braithwaite, D Morrison, J Beaton, R Ledington, A King, G Kapo, G Ayto, S Milne.

5AN

FORM TEACHER Mr Allan

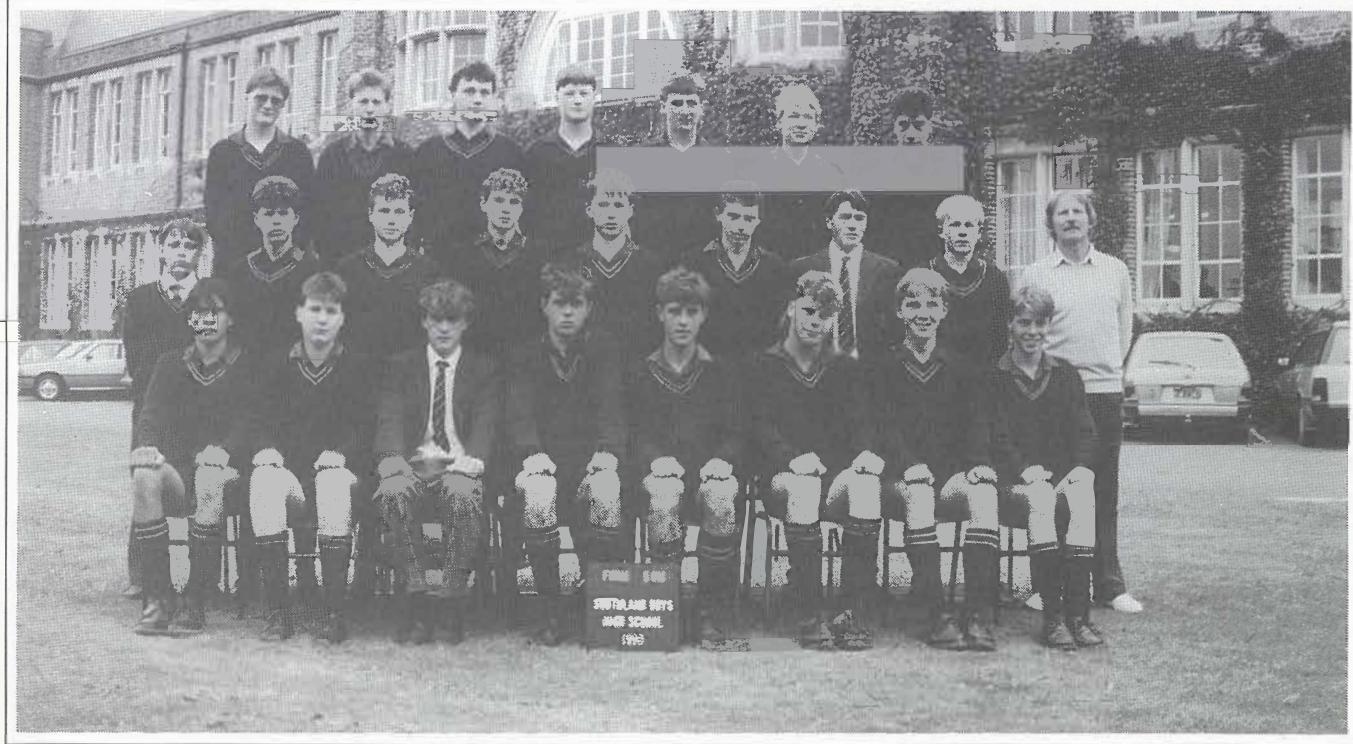

Front Row: A A Jackson, S G Rilley, M J Ramsay, R N Stewart, A C J Stewart, M A Lind, D S Wilson, B E Hagan, G W J Sinclair.
 Middle Row: B K Wilson, D R Burgess, M N Lowe, C J Taylor, B J Dudley, E C Moen, P Nicol, G R Howden, D M McKnight.
 Back Row: R W Risk, D Muir, A J Robertson, C W Johnstone, C D Mitchell, B J Elder, A B McGeachie, B J McDermott, L R A Rattray.

5BA

FORM TEACHER Mr Blackley

Front Row: A G Ridd, L R Hewton, J D Hamilton, S B Kelly, G N Amos, N Henderson.
 Back Row: B J Chapman, B R Laverty, M B Geange, C M Brown, K R Leeden, V N Stuckey, A N Burgess.
 Absent: G M Forbes, J N Fredric, J K Gleeson, C S Jones, S G Randell, E A Stephens.

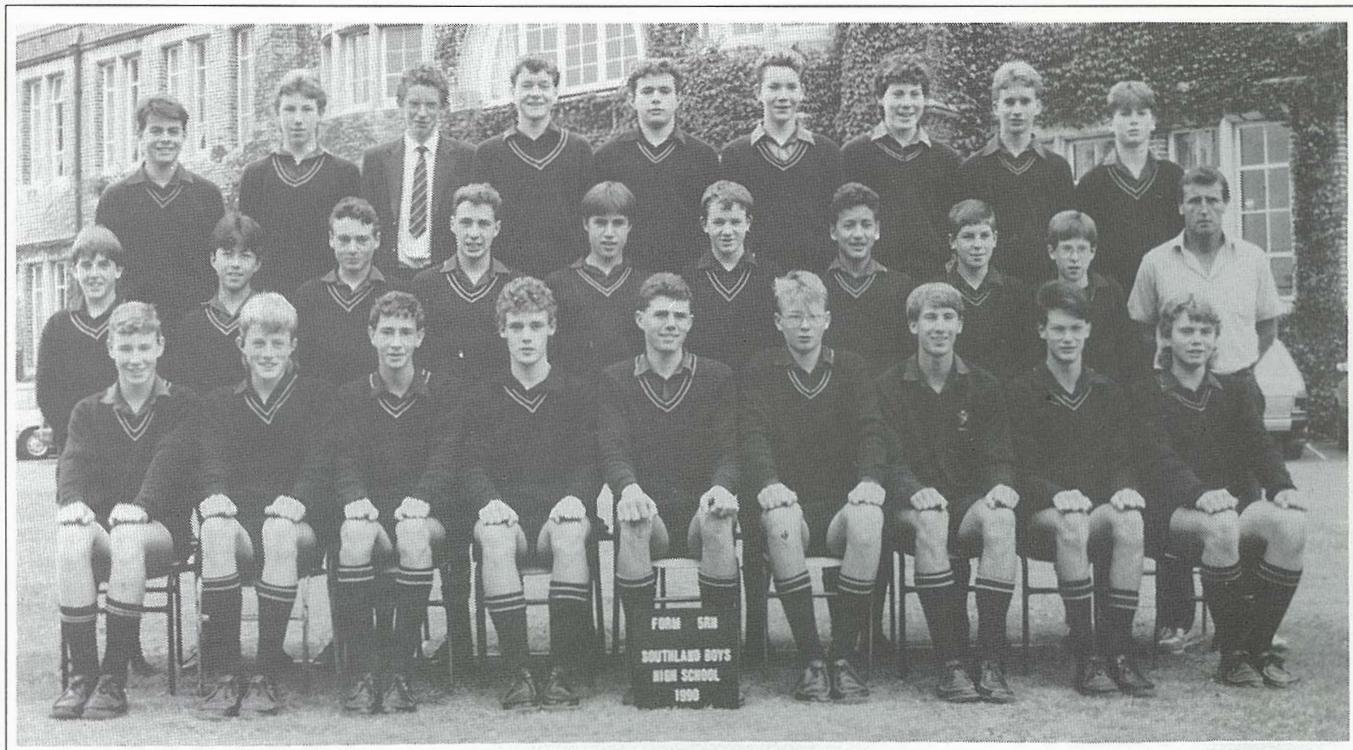

5GM FORM TEACHER Mr GILLAM

Front Row: N R Chalmers, C R Jenkins, M S MacDonald, J H Murdoch, G J Jardine, R M Conner, N W A Benfell,
A S McMurdo.

Middle Row: D R Fisher, M B Wilson, D C Graham, J L Hart, R M Martin, J P Nielson, W S Molloy, G A Jones.

Back Row: E J Pratt, E A Campbell, M R Macaskill, A J Black, M Knoll, R Wilson, J Ward.

Absent: A J Dowling.

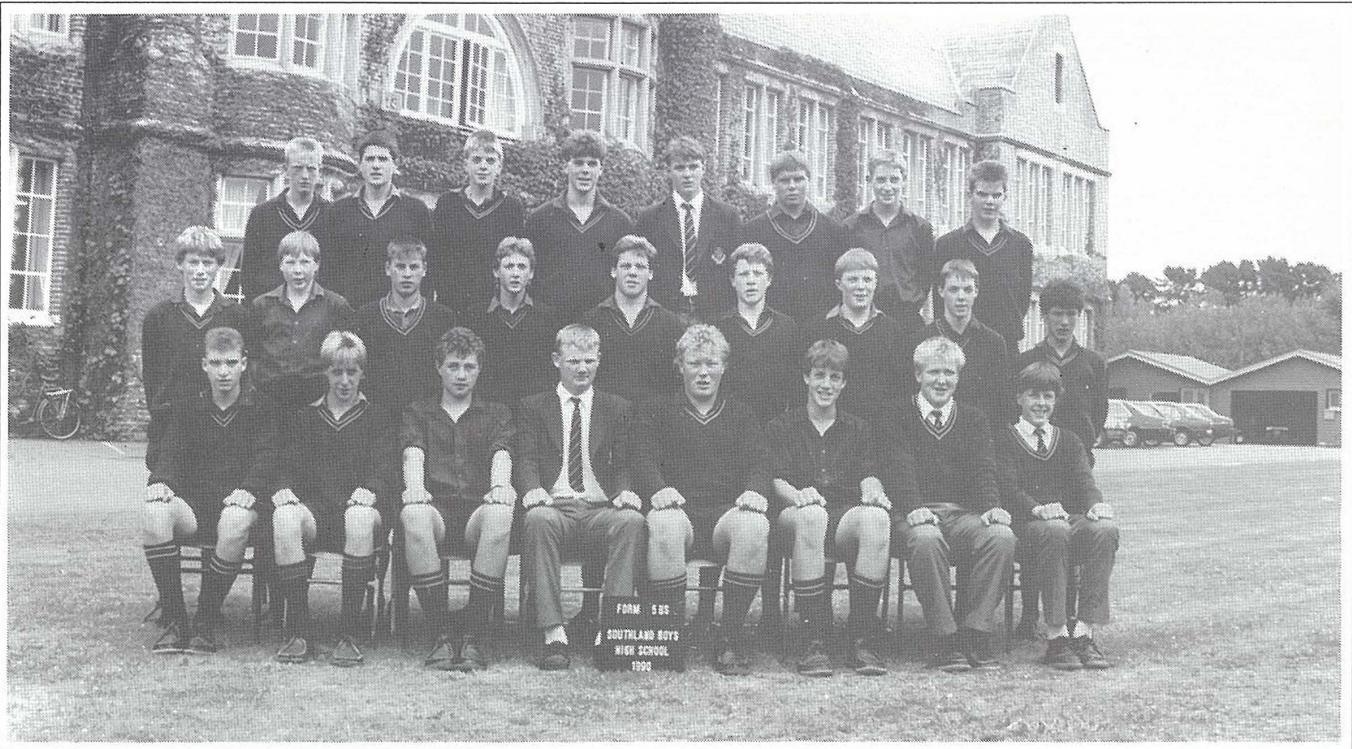

5RN FORM TEACHER Mr Richardson

Front Row: G M Cunningham, C Tate, H G Walker, P D Roderique, N J Randall, C R Lawson, D J Wallace,
M L Dean, A G Peterson.

Middle Row: R A Perkins, S J Couling, N A Turner, D G Low, C M Gerritsen, B R Cuckow, B J Walker, J P Dyer,
W G Cranstoun.

Back Row: A J Davis, K J Frisby, B A Cummings, B J Baxter, D J Franklin, C J Simpson, D J Miller, V N Fox,
L J Hook.

5BS

FORM TEACHER Mr Bisschops

*Front Row: J D Norman, G R Perriam, L T Wairau, B J Forbes, R M Hogg, M Scheele, W K Gibson, S W Kent.
 Middle Row: S A Botting, A J Clarke, A J West, R N McCormack, J McAskill, S L Dow, B J MacIntosh, C I Bradshaw,
 M L Mortimore.
 Back Row: C B Lake, P G McAra, C M Telfer, A F Brown, B M Brice, B J Taylor, G A Joyce, N Mackway-Jones.*

5ES

FORM TEACHER Mrs Edwards

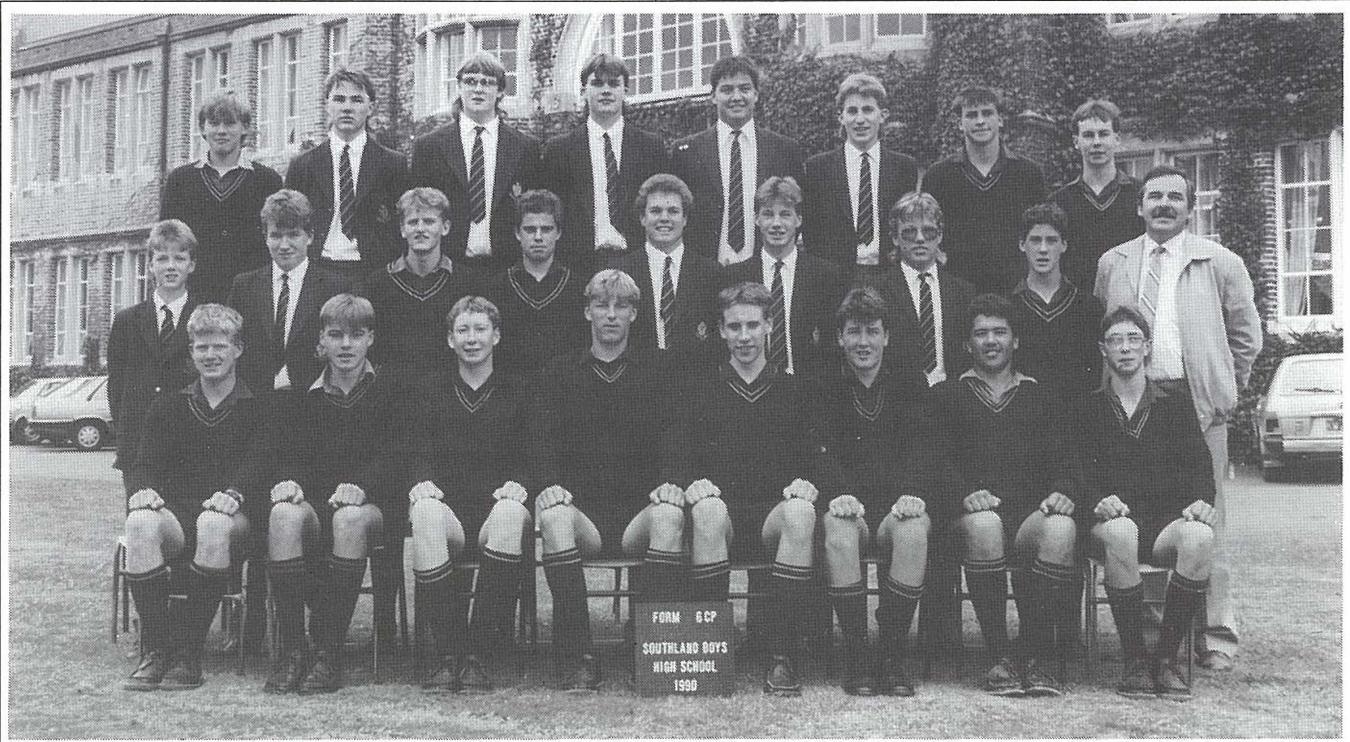

*Front Row: B J Eade, A J Moore, N S Byers, G Smith, C P Goodwillie, N A Dempsey, J M Barlow, M Millar,
 S K Anderson.
 Middle Row: G C Stenton, R J Stewart, T P MacDonald, C I Swale, R W Smith, S J Anderson, D B McLellan,
 A R Mortimore, M W Chapman.
 Back Row: K A Osborne, M A Doherty, E A Jennings, D M Johnson, R H Miller, A K Affleck, C J Ryley, N A Crack,
 C R Hall.*

5TN FORM TEACHER Mr Thompson
 Front Row: B Buchanan, R Hall, E Kelman, H Elers, M Ngael, S Stewart, C Anderson, A McCurdy, C Ward.
 Middle Row: J Taylor, E Madden, N Dowling, D Beck, A Watkins, D Eggers, D Bradley, M Fleet, C Olive.
 Back Row: A Conner, G Sanford, N Stratford, N Taane, D Sim, B Hodgkinson, S Herbert, J Fraser.

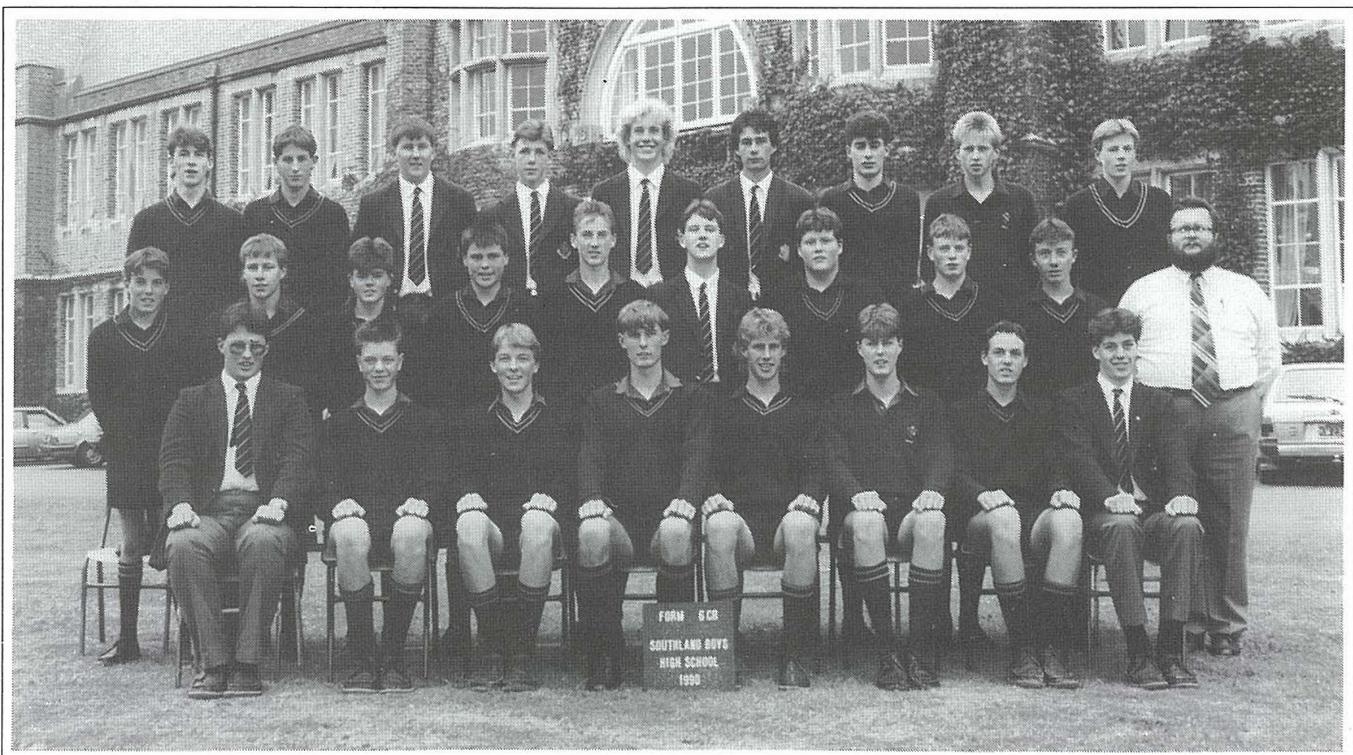

5TR FORM TEACHER Mr Troon
 Front Row: A L Flint, W E Hayes, D I McLauchlan, N J McDowell, J D Horrax, S B Ripley, C Black, B J Allnutt.
 Middle Row: N Pope, D A Cook, J M Grieving, M D Ellis, B R McCallum, D A Sadler, D W Hobbs, C G H Learmonth.
 Back Row: C J Howie, G P Moreton, B Harris, B E Haslam, A B Lyall, S J Capil, D B Hawthorne, S A McCallum,
 B K Hawthorne.

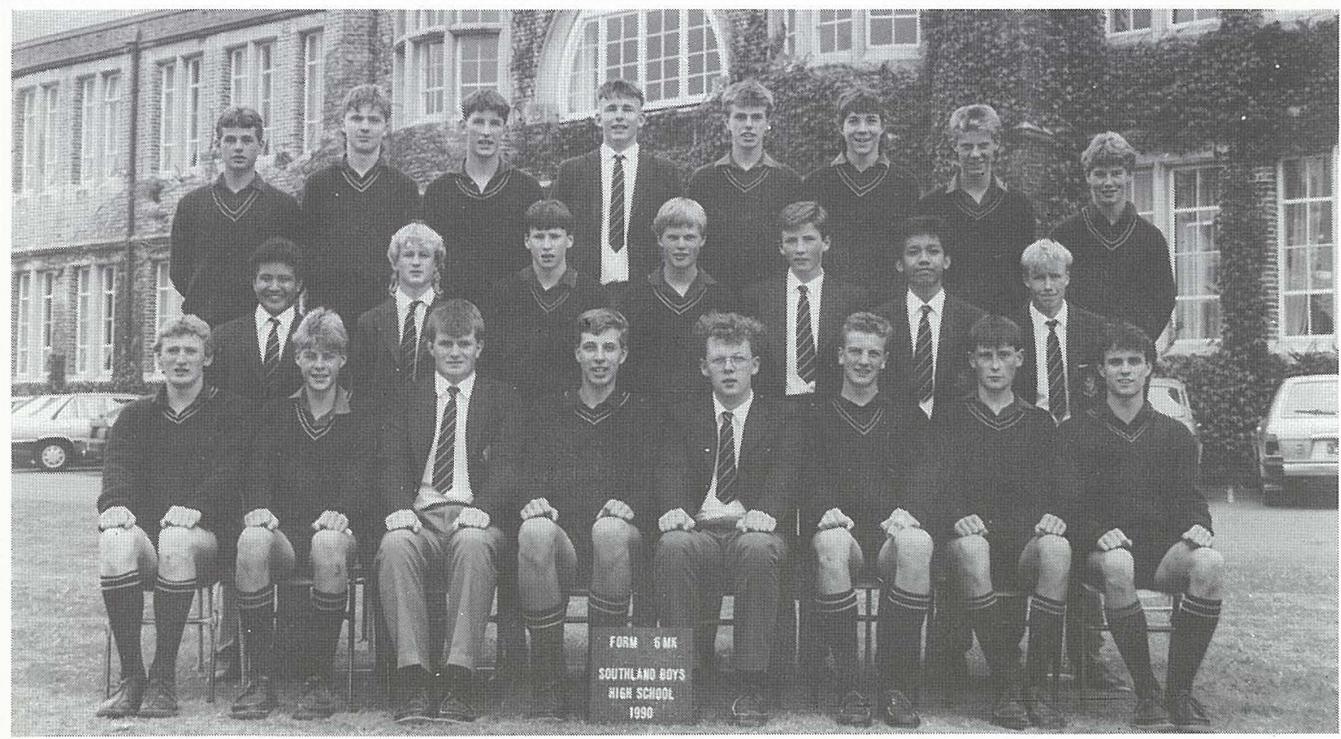

6CP FORM TEACHER Mr Cooper

Front Row: W J McNamara, P Fleck, J J Biggar, P M Cass, A D Jameson, M F Hamilton, M Kapo, R W Cook.
Middle Row: D M Hubbard, R W Sutherland, P J Sangster, A D McConville, M J Rutherford, R J Boniface,
 C J Johnstone, T C Rayner.
Back Row: D R McStay, S F Turner, B J Ford, B J Petre, J M Cowie, H L George, C J Turnbull, P J Sangster.

6CR FORM TEACHER Mr Carr

Front Row: J Govan, J Powley, R Saunders, M Heaton, P Harvey, P Lelievre, G Diamond, G McGregor.
Middle Row: O Murdoch, R King, G Crisp, M Anderson, W Roberts, R Wallace, S Heywood, S McCrone, G McEwan.
Back Row: B Nicol, M Fairbairn, J Witheford, G McCulloch, A Harvey, D Gwynne, G Blick, J Vercoe, D Ferns.

6MK

FORM TEACHER Mr McKenzie

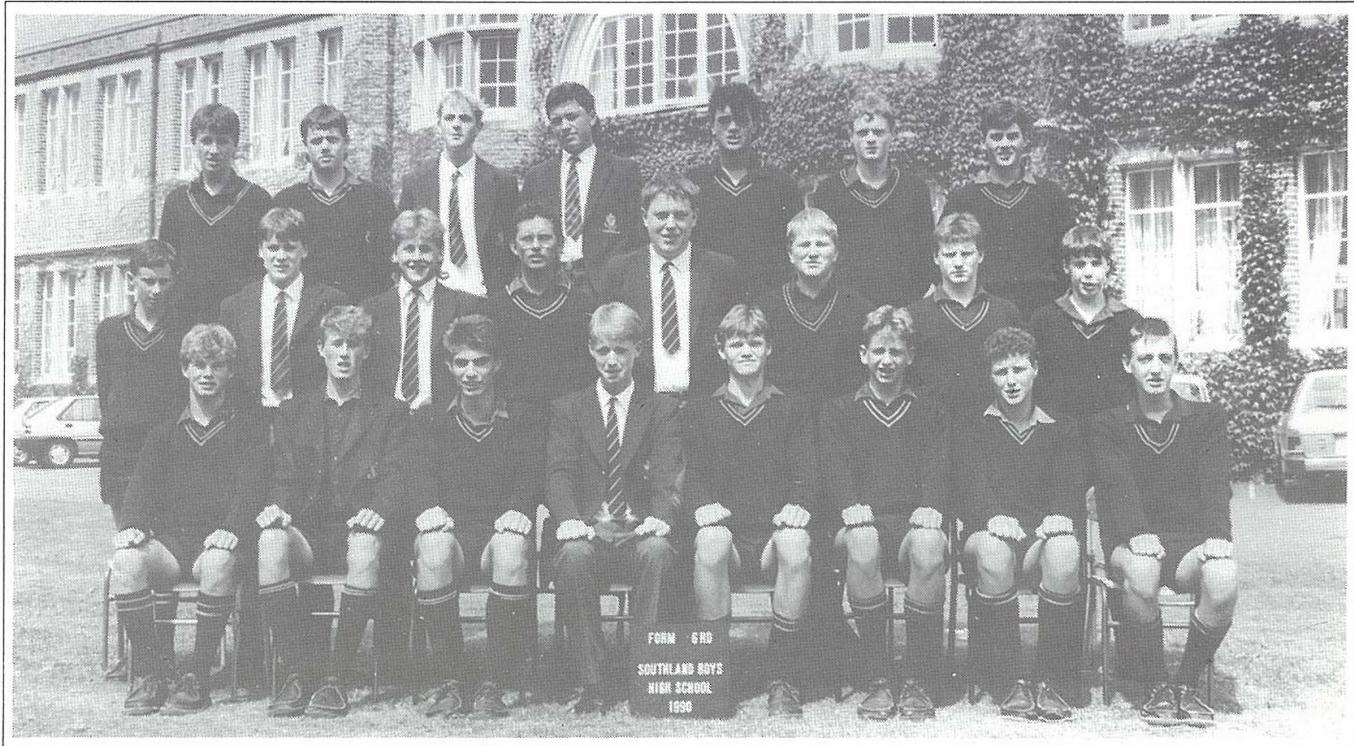

*Front Row: M Fowler, L Booth, A Dempsey, A Henderson, A Wilson, J Jones, H Brown, M McNeilly.
 Middle Row: M Yusof, C Best, B Cranstoun, J Geiseg, S Newton, R Yaya, S Imlach.
 Back Row: G Durry, G McLaughlan, M Middlemass, P Reid, J Risk, W Grey, A Hedges, A Smith.*

6RB

FORM TEACHER Mr Roberts

*Front Row: A P Low, G J Marshall, C R Williams, K G Millwood, F P Kennedy, D Cooper-McCann, B J Gold,
 M R Williamson.
 Middle Row: F L Hampton, L R Wilson, R Marshall, J L Harper, J D McEwan, C J Major, N J Haywood, P E Lucy.
 Back Row: S A Dawson, A W Erskine, M K Griffiths, H S MacPherson, C M Ryan, K N Buchanan, G J Jennings.*

6RD

FORM TEACHER Mrs Randall

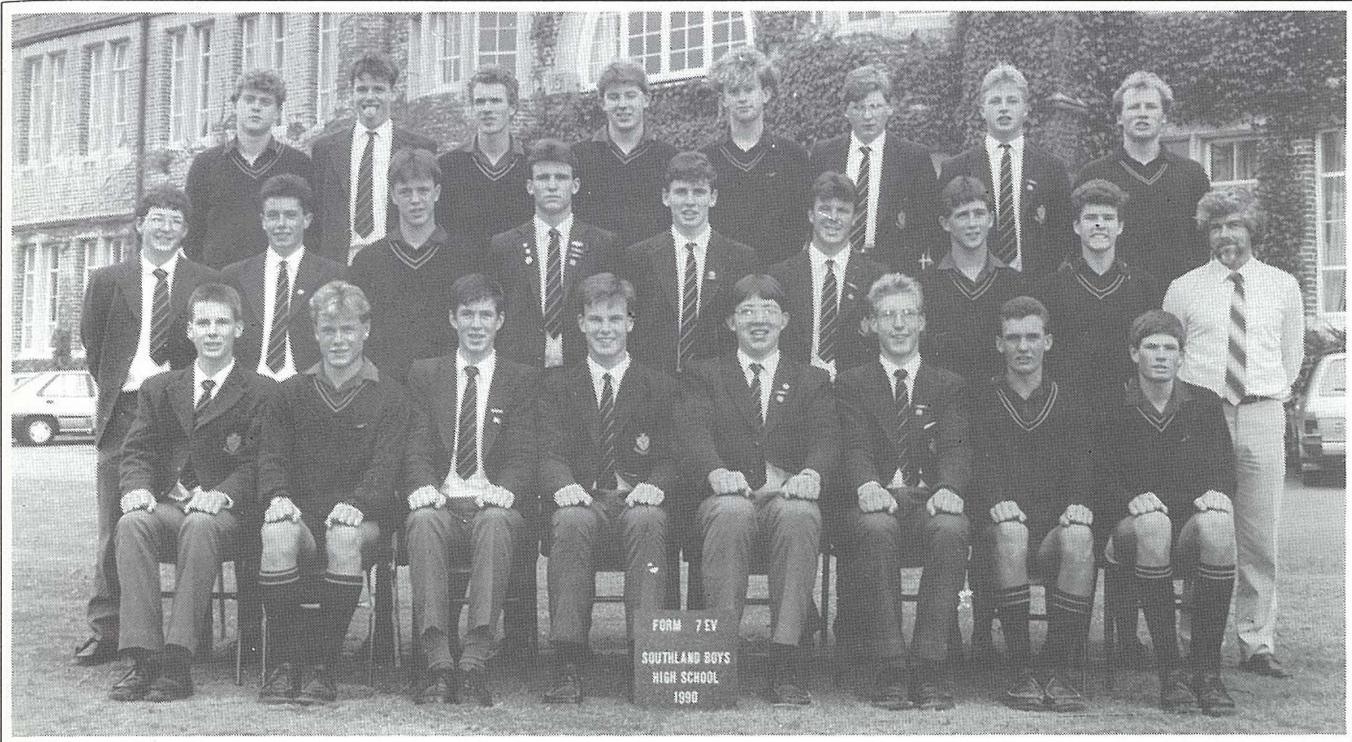

Front Row: B W Smith, C B Gormack, M Winiata, S P Monaghan, C Bulleid, J D Marrable, M J Windle, S M Yeo.
 Middle Row: N A Bayne, M D Fairweather, R Craigie, K A Diack, W D Hunter, M A Lawrence, S C Millar, A K Spain.
 Back Row: S Hunter, J R Hope, S J Maddison, J K Young, S A Paaka, R J A Dodd, K M Black.

7DL

FORM TEACHER Miss Dockrill

Front Row: S R Harrington, B S Folster, N J R Broughton, J R Kersey, J P Ronquist, G D Baker, J S Moreton,
 D J Tapp.
 Middle Row: J M Burgess, R J Williamson, D L Walkinshaw, C A Stevens, J Burton, J A Soanes, L J Burgess,
 G A Anderson.
 Back Row: D J W Simpson, N Stratford, D R Marshall, K F Mason, B M Maddison, J J Busbridge, J M Hall,
 B A Evans.

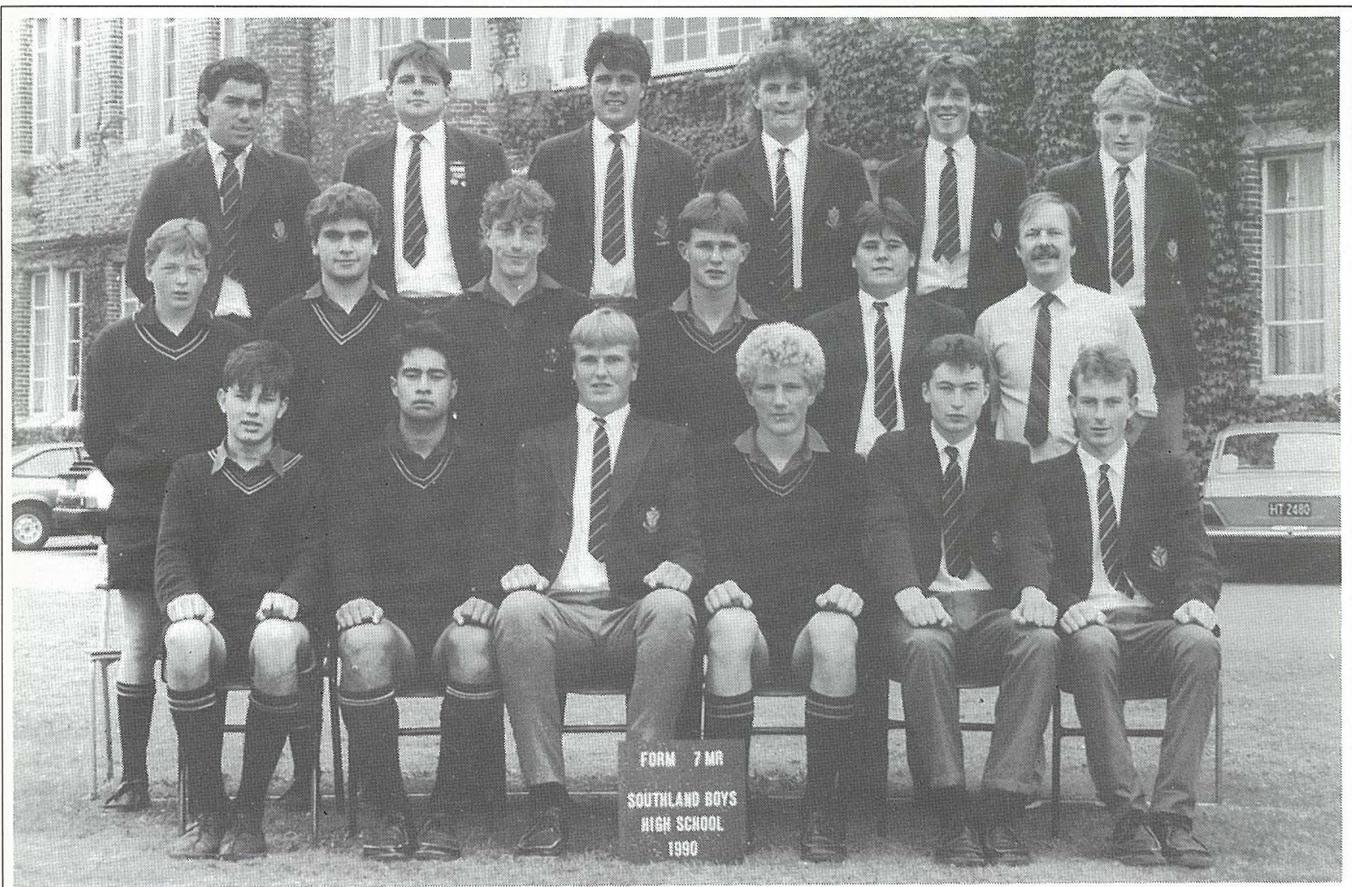

7EV FORM TEACHER Mr Evans

Front Row: N A McAra, R Z Peterson, C A Wright, B A Witheford, R K O'Regan, H B McNaughton, D C Williams, A F Syme.

Middle Row: P Samson, T D Graue, G N Lamont, T J Lamb, B J Cooper, A J Ronald, D J Elder, D J McCarthy.

Back Row: W L Jones, R T King, S D Beck, C M Casey, J Y Clifford, N L Harvey, C D Sim, R M Dickson.

Absent: C J Hay, J R Smith.

7MR

FORM TEACHER Mr Miller

Front Row: D E Nichol, P S M Nanai, A A Campbell, C A Hawkes, J C Skeoch, Q R Hicks.

Middle Row: Z L McCrostie, C W Wilkes, I G Lawrence, M J Buchanan, J W Topi.

Back Row: Q J Taipari, M B Hazlett, C Chalmers, C E Young, D A Sycamore, B J Hamilton.

7RL

FORM TEACHER Miss Randall

*Front Row: B W Kane, S J Mutch, D M Forrest, S R Thompson, K J Lang, A R Wilson.
 Middle Row: D C Fleet, B A Kelly, T K Frisby, S R Colyer, J G A Smith, M N Duston.
 Back Row: G E Eade, B A McKenzie, P J Kitto, K F Milligan, C Dalglish, N J Smith.*
