Staff Notes

1984 began with a full complement of staff. It was not long however before there was change which seemed to have a 'ripple' effect on the staff for the next few months. Mr Rankin left for a similar teaching position at Waimea College in Nelson. Having attended the school as a pupil and given some years service as a teacher it was not surprising that he wanted to sample life elsewhere. His contribution both inside and out of the school is sorely missed. Two other science teachers were to leave before the end of term two. Mr Edwards moved to Waiau College and Mr Huntley to distant Tauranga. We know what attracted him to the Bay of Plenty! The adventure camp programme in particular suffered a set back with his departure. His efficiency in running the PPTA branch was appreciated during his time as chairman.

Mr Woodward left the PE arena here for Nelson and uncertain job future. Obviously the outdoors at Nelson had strong attractions for him and the adventure programme here suffered yet another set back. Mr Woodward's lively personality is missed around the school. We hope he finds his new environment to his liking and expectations.

Mrs Denniston decided to call it a day and retire from teaching in the middle of the year. Her motherly approach to her teaching to boys at all levels was appreciated by many. The teaching of commerce in the school hasn't been quite the same since her departure! We wish her well in retirement and thank her for her contribution to the school.

The school office too has seen major changes. Our long-standing Rector's Secretary, Miss Webb, decided on retirement after 32 years service to the school which has seen four rectors in the period. Such dedication and devotion to duty is often lacking these days and Miss Webb's epic contribution is a landmark in the school's history. Her knowledge of pupils and staff alike, past and present, was infinite; her running of the office was efficiency plus. Her retirement saw the end of an era. We wish her a well earned retirement with her garden and golf.

Mrs Randall also moved out from the office for Christchurch when the family was transferred. Her charm and efficiency have been missed. Mrs Gormack, the teachers' aide, decided on full-time employment in town and vacated her position. Her valuable assistance to staff, ready wit (and bite!) were appreciated by us all.

As a consequence of these departures and retirements have been new appointments to various positions.

Mr Sapsford (Biology/Science) comes to us again, this time from Kingswell High School. Mr Bailey (PE) also comes from Kingswell as does Mr Thompson (Agriculture/Biology). Mr Paris (Economics/Social Studies) hails from Nelson and Christchurch Teachers' College. Mrs McLeod and Mrs McCloy are both employed in the office. Mrs Frye is the teachers' aide.

To all these people we extend a warm welcome and wish them a pleasant association with the school.

No report would be complete without a word of thanks to Mrs Toms, Mr Little and Mr Edgerton who helped out in a part time and relieving capacity. Their presence has ensured the smoother running of the school throughout this year of change.

Retirement of Miss Webb

Earlier this year, the school lost a valuable member of the staff as a result of retirement; it was, of course, Miss Webb - the Rector's Secretary for a remarkable 32 years. An interview with her revealed an interesting insight into the history of our prestigious school.

During her time she served three rectors and told us that to a certain degree the character and interest of the presiding rector tended to influence school life and in some cases resulted in a change of emphasis or priorities. This was particularly evident during the time of Mr D.G. Grant, when the school numbered only about three hundred. In memory of Mr Grant, Miss Webb expressed her admiration and respect for this man and his abilities. She attributed many of the changes to the school to society in general and commented on the rise of soccer as a major sport in the school.

Another change noted was in the change of relationship between staff and pupils which had shifted from a dominant authoritarian stance to one of less formality and greater equality. Miss Webb extolled the Boys' High pupils as a whole and said she was proud to have been associated with them, acknowledging that her own outlook on life had broadened considerably as a result of her association with them and added that it's the boys who make up the school and its reputation - high praise indeed.

Miss Webb's duties mainly entailed secretarial work such as typing but extended to encompass the smooth running of the school in general. She admitted that her school life was very much routine and not one of high amusement, but recalled one amusing incident. A new teacher arrived and had (from his point of view) the misfortune to spend a night at the Coldstream Hostel. His stay at the school, however, was shortlived - he moved on in search of new employment the next morning.

Miss Webb concluded that her time with us at SBHS had been an enjoyable one and that she looked forward to a quiet retirement revolving around gardening and golf.

Historical Inaugural Trip to Boyd Creek

On the 21st of July the first school pupils to use the Boyd Creek Lodge left Invercargill. The group consisted of seven very reputable 7th form Biology students, Miss Black and a parent, who because of his driving skills shall remain anonymous. The purpose was at times very obscure, but the main purpose was to activate proceedings towards studies of man in the biosphere. Our late Saturday departure was caused by the last day of winter competitions for some of us. Although hampered by somebody forgetting food, some very dense fog and some unfenced wandering masticators and Miss Black's driving at speeds that would not be appreciated by the local MOT, we arrived there around 8.00 pm. A short walk in the dark across a creek, along a snow strewn track with some very deep mud, led us to the lodge which awaited us with lights burning and a warm cup of tea. Terrible Tippers was there with his family and friends to greet us. Later on that night much to our delight we went back to the cars to bring the rest of the gear back to camp. What should have been a half hour job took about an hour and a half owing to the large amount of snow on the ground. Wet and bedraggled we arrived back and, like the well behaved representatives of the school we are, we promptly and without any fuss went to bed.

Next morning saw Justin in his assumed vocation, making breakfast for Miss Black, while the rest of us fought over the gas cooker for our toast. That morning in the cars we went towards Milford and at Mirror Lakes we invented a new sport - Deck sliding. It involves sliding along the wet, wooden walkways. That afternoon after stacking a 'ginormous' pile of firewood, we endeavoured to reach a small clearing about $2\frac{1}{2}$ hours up a very steep ridge. About half way up it started raining lemons (the weather turned sour), but our explorers' blood was up so we forged onward and upward in search of more biological information. The four fittest of our group - Brent Guild, Alister Gray, Justin Riley and Paul Winder - were the first to reach the clearing and the sight that greeted us was awe-inspiring! a clearing about 5 hectares covered completely with a foot and a half of snow, with iced over tarns and other fantastic geological and biological discoveries. Everyone else arrived and quickly we divided into two groups and proceeded to make forts for a big snow fight. The most dominant side quickly showed their superior warfare skills in demolishing their oppositions fort and making quick well constructed attacks at Miss Black. That night the lodge's new fire escapes were quickly established and used frequently but not to knowledge of anybody except four of us.

Monday the 23rd, we packed up and left the lodge to do our final day of hard work and studies in Te Anau. We visited National Park headquarters and the fish hatchery and got talks about the plight of the Notornis and Wapiti in Fiordland. A man on the street who turned out to be President of the National Birds & Trees Society and President for the Save Waitutu Forest scheme, much to Miss Black's delight and ours of course, gave us a talk on the importance of writing letters to the Prime Minister to save the Waitutu Forest. We then had lunch and played in the playground with a local Te Anau youngster while we waited for the boat to the Glow worm caves.

The trip to the caves would have been really entertaining if you were a tourist but from a purely biological point of view the strata elements and geological erosionary effects of the caves and the degree of density of the glow worm species was amazing. The drive home was fairly uneventful and from all of the biology class a sincere thank you to Miss Black, Mr Gray and Mr Tiplady and to the Old Boys' Association for providing the school with such a valuable asset. We all highly recommend the Lodge.

6th Form Accrediting Trip - Rafting

The camp got off to a familiar start - with the bus driver, Mr Tiplady, stranded on Stewart Island because of bad weather. Because of this unforeseen circumstance we didn't depart until late morning forcing the cancellation of our caving trip at Clifden.

We arrived at Borland Lodge to be welcomed by warm sunshine and the ever present sandflies. After settling into our chalets we got in some much needed rock climbing experience on the water tank-wall and the heroics of Mr Rolfe demonstrated he was more than just a pretty face. The inflated tubes were hurriedly organised into rafts in preparation for an afternoon cruise down the Monowai. The HMNZS "Avenal" was launched and its dubious crew began to make their riotous way down the river. The teachers' raft captained by Mr Rolfe was swamped and its crew thrown overboard by the Avenal's skipper in retribution for a maths test back in June.

We arrived back at the lodge wet, cold and hungry to be greeted by Geoffrey Scully's mashed potatoes - "I didn't know you had to drain the water off first".

On Tuesday we walked up the track to do some rockclimbing. The cliffs didn't seem much from the road but they conquered the best of us sorting out the men from the boys. We walked the north Borland track home dwarfed by the giant rock formations around us and accompanied by the never ending hang-glider talk of Mr Sarson.

The third day brought the big test - the rafts were checked or quickly redesigned and the Avenal II came into being. We entered the water at the power house prepared for the might of the Waiau. We were, however, slightly disappointed with the result. The river was rather low and had few challenging rapids apart from one that, according to mountain man himself, Mr Rolfe, was a "goodie".

During this trip several of us tried our hand at the canoes - Philip Simpson waited until everybody was looking and then showed us all how NOT to do an Eskimo roll. The ever-watchful Mr Tiplady witnessed the singled-handed destruction of his canoe when Mr Rolfe redecorated the hull with holes. His spirits not dampened Mr Rolfe embarrassed himself further in his predicament before an attentive audience.

On the fourth day the rafts were converted into more sporty 2 and 3 man crafts, which once again rode the waves, this time on the waters of the Borland River. An experience never to be forgotten was the rough and tumble thrill of continuous white water that overshadowed almost anything the Waiau had to offer. Sporting a pink and white ski hat Mr Sarson and his trusty companion Mr Tiplady lead the way on an exciting trip that ended under the Waiau suspension bridge. Further plans to scale the surrounding cliffs were aborted due to bad weather and cold people. Dinner that night was early and we were treated to the culinary abilities of one Mr A. Rolfe, world reknown Chinese cuisine specialist.

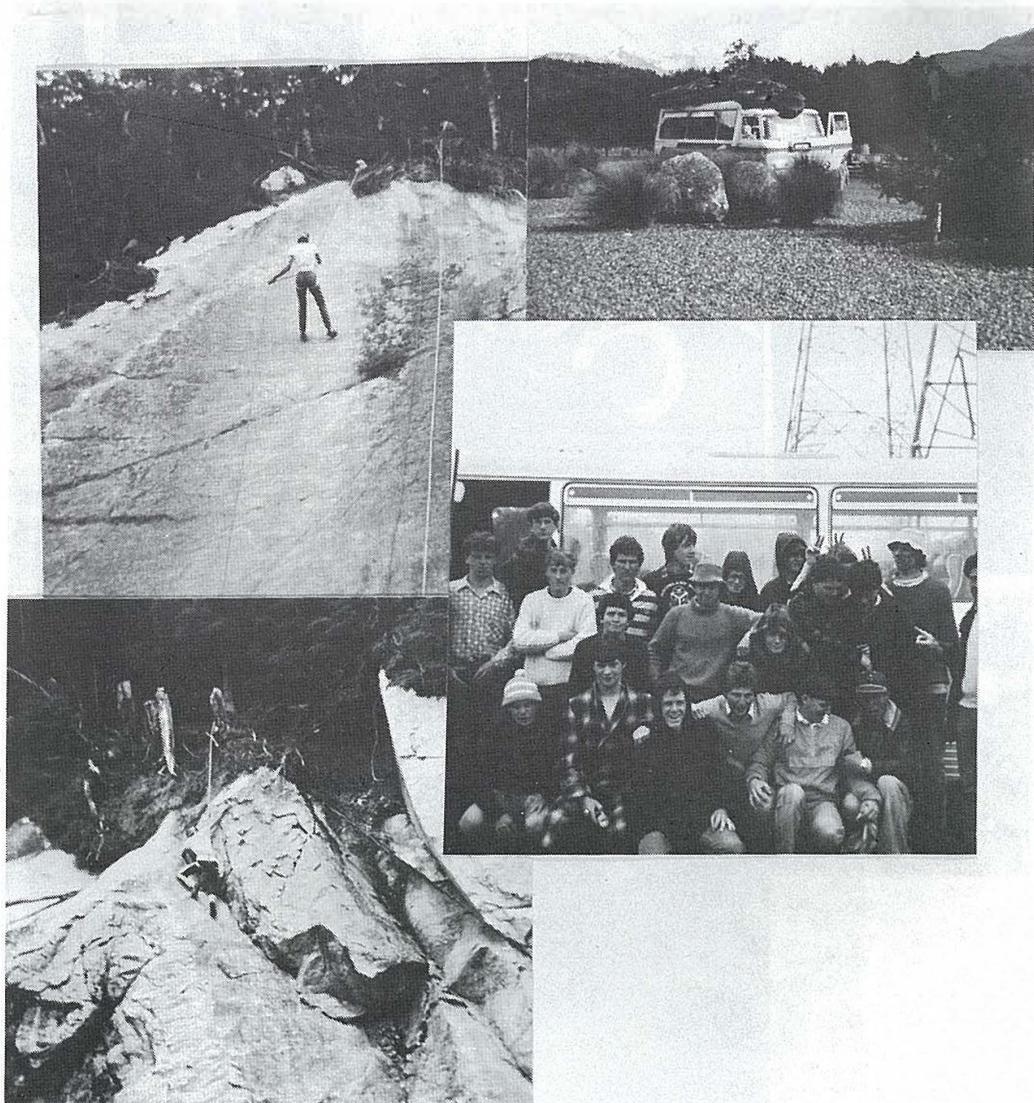

The final day saw the battle-hardened troops don armour in preparation for an assault on the 'Initiative' games. SBHS stole the day's honours destroying many previous records. The aggressive nature of the 62 team saw them smash existing times on two of the tests while the skill and brawn of a 61 team clipped an immense 1 minute 10 seconds off another.

After a hasty lunch and cleanup the bus was loaded and tubes deflated as well as someone's ego - Mr Rolfe reprimanded Mr Sarson on the conditon of his 1/3 of their cabin uttering "That's the last time I'm sleeping with you".

Once again the lads dared to venture boldly where no man has gone 'or survived' before as we bused home with Mr Tiplady behind the wheel - although we must give him credit for something - he did stop at 2 out of 3 railway crossings.

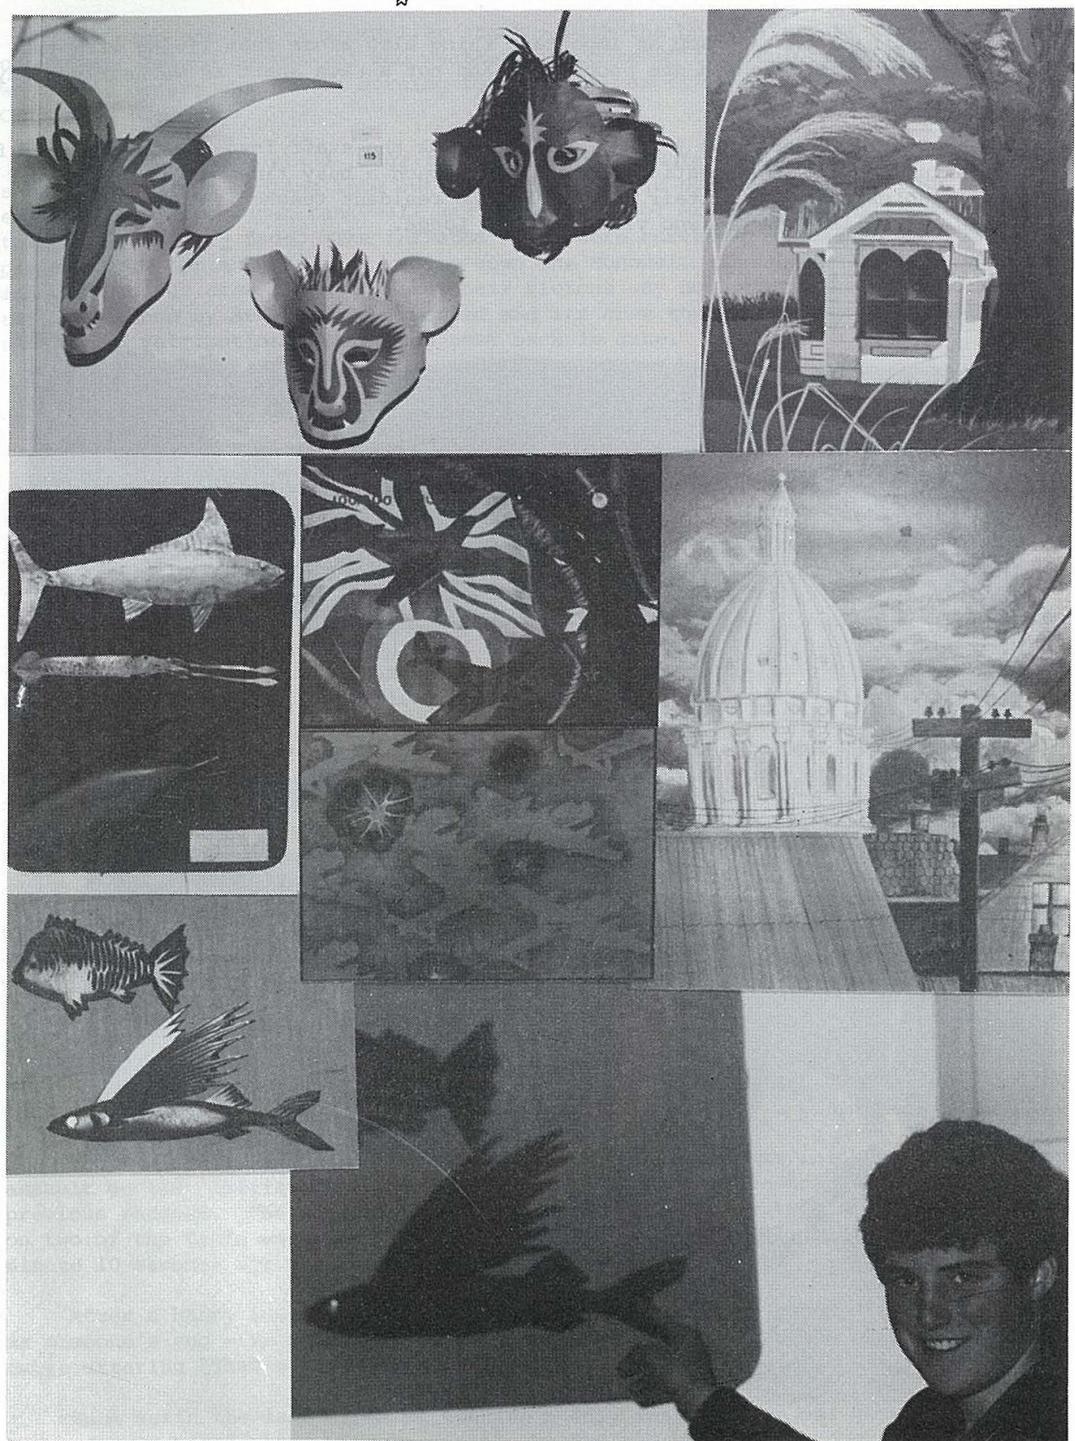

On looking back on the camp an important thing also arose from living with the staff: that was that teachers are people too and not a race apart as we nearly always treat them.

On behalf of all the boys I would like to thank the staff involved in the trip for its smooth running and organisation especially at such a busy time of the year. Our gratitude also extends to Alistair Macdonald, the resident teacher, whose obvious ability is appreciated by all who visit Borland Lodge.

4th Form Camp at Borland Lodge

DAY 3:

We all slept until we heard the breakfast bell ringing. Everybody was rushing around trying to find clothes to wear for the day ahead.

Breakfast tasted like cardboard but we ate on bravely hoping it wouldn't have any side effects.

At 10.30 a.m. the trampers set out on their long 20 km hike through some of New Zealand's most scenic rain forest. It lived up to its world reknowned reputation for being very wet and slippery. We tramped solidly for 2½ hours and at 1 o'clock we had lunch. It was only something simple but it sure did taste good.

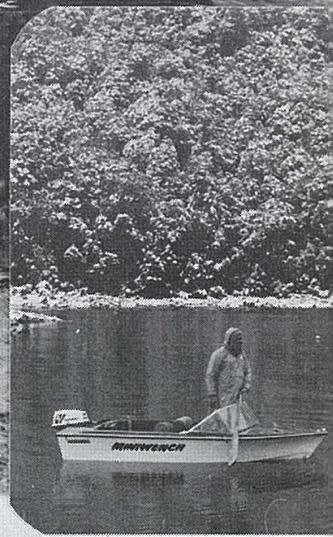

From here on the track deteriorated and I was quite overwhelmed at the thickness and the depth of the mud. Each step had to be taken carefully as one foot in the wrong place would send you knee deep into thick foul smelling mud. When we had the mud puddles behind us I looked down and saw to my displeasure that the mud was up to my knees. It felt cool and made my legs heavy. I sensed my energy slowly being drained away with the extra effort required.

I thought it would be easy going from here on in. But I was very much mistaken. The people who made the track went and put bits of ups and downs and obstacles near the end. And as the tiredness crept in and the concentration began to lapse accidents started to happen. I came down a hill at a slow jog and started to straighten up but the earth beneath my feet gave way. I started to feel myself fall over the edge and as I did so I had a gut feeling that I was heading for trouble. I felt a rush of fear come upon me and I was uncertain what would happen. Would I go as far as the lake and fall in or would I do myself a severe injury? As I came to rest on a tree trunk I breathed a sigh of relief and looked up. Hamish Carter had come to my rescue but had also slipped and was coming down towards me. As he slowed up I couldn't help laughing and we both laughed at the relief of being safe. We climbed up the hill and rested at the track. The others were there waiting for us with anxious looks on their faces. It was good to know you had friends that cared about you and your safety.

It was easier from there on and we were soon getting some hot food into ourselves at Rodgers Inlet Camp. As night fell the fun and laughter began to speed up with everyone going around doing crazy things and telling jokes. At about 10 o'clock we went to bed but not all of us went to sleep, as some of the boys talked to the early hours of the morning.

The Life and Times of a Halfwit

Now in my speech I will try to give you an indepth, probing, sensational, statistical, intellectual, emotional, informative, technical report into the dramatic, everchanging, perplexing world of a halfwit.

Now the particular idiot we are going to investigate is a Mr Reginald Ect - Reject for short.

Now Reject had an unhappy childhood. I'll give you an idea of what kind of rough time he had.

The first time he finally managed to get a girl to go on a date with him was when he was 18. Now he decided to take here to an Amusement Park, everything went fine until towards the end when they reached the tunnel of love - then the girl told him to wait outside.

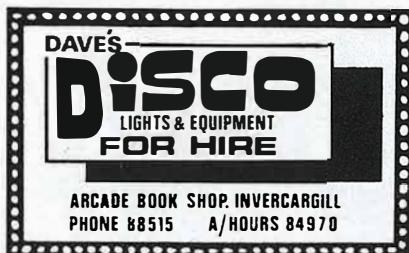

Later in life Reject was still having problems and he had trouble finding a job. He thought of running a liquor store but he wasn't in "high spirits" about it. He had a go at being a miner but he didn't "dig it" much. He would have liked to have become a model but he only had a "slim chance", and he had thoughts of becoming a union leader but that did not "strike" his parents very well. And he was just not "cut out" to be a dress designer. When he finally got a job he had terrible problems - this time he had long hair and a beard covering most of his face. Now to work for this particular company he had to shave it all off and as soon as they saw his face he was fired.

But he soon had himself a job in a little company, his boss even called him his right hand man and it was 5 years later that he finally realised his boss was left handed. Reject's company produced garbage trucks so Reject was quite often down in the dumps. He had his own little office and when he went to lunch he put a sign on his door 'out to lunch' if not back by 5 'out to dinner' also - so he had a pretty good life.

When he got a bit older he decided to take some hobbies. He took up fencing for awhile but was soon foiled, and in his spare time he sold bass drums and when asked how things were going he said business was booming.

He lived a long life and when he died it was found he had changed all his money into travellers cheques and taken them with him.

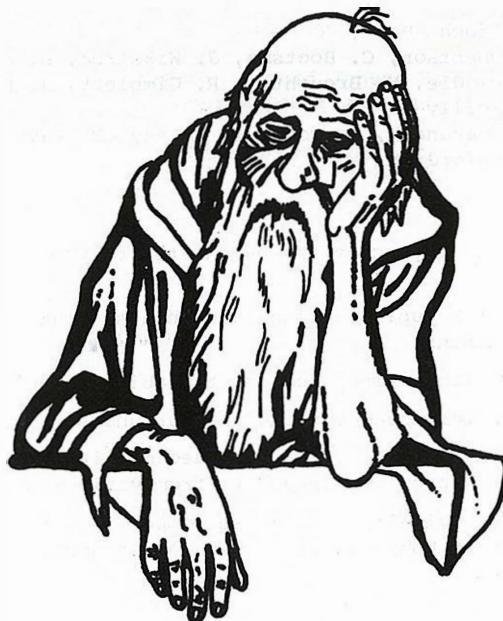

N. McKenzie, 3F

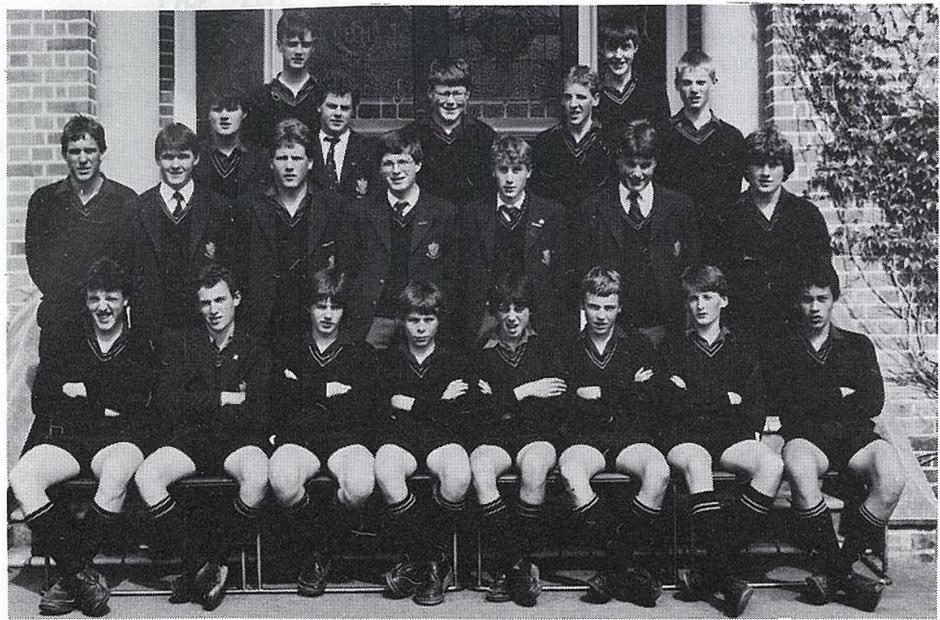

THE OLD MAN

Expressionless eyes, registering nothing.
A mirror turned to face the wall.
The mouth, corners sagging indifferently.
Lips motionless, white and flaking.
The face unresponsive, unmoving, unaffected
Emitting no sound, no warmth.
A blanket thrown over the lamp
Wooden, knotted hands wrapped desperately
Around life in all its opaqueness
Bent forward, introverted,
Yet vulnerable as a child
The old man.

SBHS School Council 1984 Annual Report

SCHOOL COUNCIL

- Row 4: A. Deaker, D. Murdoch
Row 3: D. Malloch, A. Robertson, C. Bootsma, J. Wikstrom, B. Cutt
Row 2: M. Wikstrom, D. Riddle, M. Broughton, R. Gimblett, J. Barnes,
A. McIntyre, M. Scully
Row 1: D. McWilliam, T. Cavanagh, G. Roff, S. McLeay, D. Payne, M. Harrington,
D. Lindsay, S. Ashford

Our Accomplishments This Year:

- Ordered and sold good quality school "sweatshirts" to pupils at a reasonable price.
- Ran lunchtime 'Videos' for pupils during lunch hours. These were extremely popular in the winter months.
- Suggested and assisted with giving students the ability to 'lock' their lockers.
- Put forward suggestions for more drinking taps around school.
- Raised funds for sporting 'away' trip. Attended meetings on Youth Year (1985). Considered requests for support for projects from various organisations.
- Began work on a plan to revitalise the House competition in 1985. This plan includes the production of House lapel badges for students.

Conclusions:

The year 1984 has been most successful for the school council. Considering the amount of organisation required for each project in such limited time as we have available, these results are a credit to all the Reps and the organisers throughout the year.

Special Thanks to:

The Rector, Mr James, The Staff, the School Office, the 7th Form 'Video' assistants, all classes and all Form Reps.

SOCIAL COMMITTEE REPORT

1984 was a year that saw the usual high level of Social Committee activity and liaison with our Girls' High School counterparts. There were approximately ten dances held during the year at either Boys' High or Girls' High and there was always an underlying current of high spirit, enthusiasm and fun.

There were several highlights during the year. The Icebreaker senior dance saw a great performance by the Netherworld Dancing Toys. Also, the themes were always an integral part of such occasions and consequently the costumes were of amazing variety and construction.

Year after year, the committee's main undertaking has been the school Ball, held this year at Girls' High. An extraordinary amount of work was put in by most members, who were justly rewarded by the great success of the evening.

At the start of the second term, dance organisation became simplified by the hiring of Social Committee members (who had their own sound gear) as DJ's.

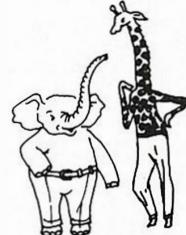

A trend towards arriving at school functions in less than 100% control of one's faculties has been noticeable in an irresponsible minority in the senior school. We hope these people see the light for next year before they see the Door.

All in all it was been a very successful year where we all learnt a lot about organisation and planning. We would like to thank Mr Alabaster for his guidance when necessary and lack of it when we were firmly in control. Good luck for next year.

Social Committee members were: Donald Jones, Brent Guild, John Mawhinney, John Monteath, Scott O'Donnell, Andrew Robertson and Alastair Savage.

COLDSTREAM HOSTEL

The year began with the boys arriving a week late because the hostel was being used to house victims of the January floods. Many of the boys were billeted out and we are grateful for this help. Mr and Mrs Turner spent many long hours catering for the homeless victims. The hostel then returned to a stable routine.

Mr Turner began to renovate the dormitories with a fresh coat of paint to lighten our lives. The fifth form Study Room was once again attacked by Mr Turner who made some makeshift cubicles. When completed this room proved a great asset to study organisation, which hopefully will demonstrate its worth when exam results are known.

Once again the Coldstream boys proved their spirit in the standard sports meeting, with their numbers participating in various activities. In the Round the Park Races the Coldstream boys ran with determination and some success. Generally, in sporting interhouse activities, Coldstream, the smallest school house, has shown the ability to perform well against larger houses.

The start of the 3rd term saw the departure of Mr and Mrs Turner who have contributed a great deal towards the running of the hostel and the general welfare of the boys. This was greatly appreciated by the parents and boys of the hostel. Mrs Nixon, who held the position of manageress of Enwood Hostel for 15 years, ran the hostel for 3 weeks with efficiency and authority. After that short period Mr Brindston and family took over the management of the hostel and there is no doubt that he will endeavour to uphold the traditions of Coldstream.

The boys' work effort has been reflected in the 6 Form Accrediting List, where 50% of the 6th Form boys were accredited. Overall the boys' attitude and behaviour were good, thanks mainly to the leadership and care of management, housemasters and prefects.

1984 Debating Report

SENIOR DEBATING

Back row: Mr A. McIntosh (Coach), A. Deaker, M. Drayton, A. Robertson
Front row: R. Gimblett, S. Ryan, M. Yarnell

1984 was a year of consistency for the team. An experienced and thoroughly competent team at the start of the year, we were to win only one debate all season. The familiar line up of Deaker, Drayton and Robertson was to become an enigma whose performance was repeatedly contradicted by the result. As both the Jaycees and Westpac competitions are run on a knock-out basis, we featured only in the first round of both, losing to Aparima College and Verdon College respectively. We went down to Otago Boys' High School and Waitaki Boys' on away trips and had our only triumph over Timaru Boys' High School, in front of a well-trained audience of avid supporters. Anthony's keen wit and sound argument started us off well and his summaries were always excellent. Michael was the meat in the sandwich, not entering the comedy sweepstakes to the extent of his team-mates, but carrying the main thrust of our argument. Andrew concentrated on rebuttal, which he delivered with humour and bite, delighting in going below the belt occasionally. This band of gallant warriors provided the inspiration for a B team, less experienced but as enthusiastic and slightly more successful.

The season for this team, consisting of Matthew Yarnell, Shaun Ryan and Roger Gimblett got off to a rocky start when a well-tuned and confident team's work was in vain due to the defaulting of the Hargest Team. The first test came against Southland Girls' High School B team - a close debate that saw a victorious Southland Boys' High School team move into the next round. The ensuing battle found us not in an enviable position. The raw newcomers found themselves up against a team of hardened veterans in Southland Girls' High School A. The topic left little to be desired but overall a lack of experience took its toll. The lessons gained in that encounter should serve us well and the future, under the guiding influence of Mr McIntosh, looks distinctly bright.

The highlight of many of our debates came when it was Roger Gimblett's turn to educate the audience regarding the fallacies of the opposition's argument. His oratory skills and subtle wit always left a good impression with all.

Matthew Yarnell as usual led the attack using an appreciation of lengthy words to confuse, impress and dazzle all in earshot. A new acquisition to the debating scene, came with the presence of Shaun Ryan whose sound argument and dignified style made the body of our assault.

Both teams would like to register their appreciation to all involved, especially Mr McIntosh, both teams' coach, who displayed uncanny patience and great ability to construct the skeleton of an argument for us to build on. To him, the teams wish to extend their warmest thanks.

Junior Debating

In 1984 Southland Boys' High School entered two junior teams in the Jaycee debating competition. The "A" team, consisting of Jason Cowans, Quilla Kiore and David Lindsay (speaking in that order), secured a comfortable victory over a Southland Girls' High School "B" combination, with Jason Cowan being the best speaker. In the second round they faced a much better prepared and more organised unit, when they met James Hargest Girls. Although it was an extremely close tussle, James Hargest came out on top, by just a few points. However, this result put our "A" team out of the competition.

The "B" team, comprising Danny Baillie, Jason Swain and Jon Waldron began their debating careers with an easy first round win against a James Hargest "B" combination with the best speaker being Jason Swain. A Bye in the second round, placed our "B" team immediately into the semi finals, where we were scheduled to meet the same James Hargest team that beat our Southland Boys' High School "A" team. Unfortunately, due to a lack of communication, this debate never got off the ground and we were left in a dilemma as to which team would proceed through to the final. In fact James Hargest was in the final.

Both teams enjoyed the experience of debating and with some very energetic and enthusiastic debators moving into the senior ranks next year, the standard of debating at Southland Boys' High School will remain high.

Many thanks to Miss McCarthy, for her endless dedication and organisation of both the "A" and "B" teams.

Drama

An ambitious junior drama production hit the Boys' High stage in the last week of the school year. Entitled "The Space Machine," the play was in three acts, and was directed by Mike Roche.

Since each Act was self-contained, and the three linked by an over all space theme, it was possible to have three producers with three separate casts. Act I, produced by Jan McCarthy, showed the inhabitants of Planet Changa dealing with a visit from the Zarans. 3P put their drama class skills to great use, and also came up with some clever costumes and ingenious props. Wild, upsidedown weather beset the people on Planet Strata in Act II, Nyall Paris's production. Some sneaky business from the gyrating Plasmics had the audience (and cast) in fits at times. In Act III, on Planet Crysta, the Crystans were eventually able to come to some agreement over the exchange of quartz, coloured crystals and a calculator!

Not for the first time, the director called on the assistance of Girls' High, and some thirty girls acted, designed and helped in the production of Act III.

The benefit to those who took part - actors, props, prompts, stage crew, make-up crew, co-producers - is enormous, and for all those for whom this was the first time, may it not be their last!

Oh, by the way. If Robbie, Lindsay and Vance happen to be down at the tip over the holidays, will they PLEASE not pull any levers on metal boxes until the end of 1985!!

I.S.C.F. Report

ISCF met in P5 every Thursday at lunchtime again this year. This time was used to find out more about ourselves and Jesus and how we could apply His principles to our lives so that our relationship with Him could be improved.

Although reading the Bible and praying was part of this, we also undertook several other types of programmes. Perhaps the most memorable was a camp not far from Winton. A member of the camp quickly discovered that the brakes on the Go-cart didn't work and Mr Fraser, the owner of the farm we stayed at, had to fix both the Go-cart and the Fence.

Generally this year has been enjoyed by participants and we look forward to a better year, next year. Our thanks to Mr Rout for his dedication and pastoral care.

In Act II of Macbeth, Banquo's promise to be present at the banquet is ironic because:

It is already known that he shall be killed by the audience (6th former)

I don't feel happy when anyone else is in the classroom (Teacher)

Library Report

1984 was a rather chaotic year for the Library. There was a great shortage of people applying to become Librarians, so we had less than the normal number of Librarians for a large part of the year.

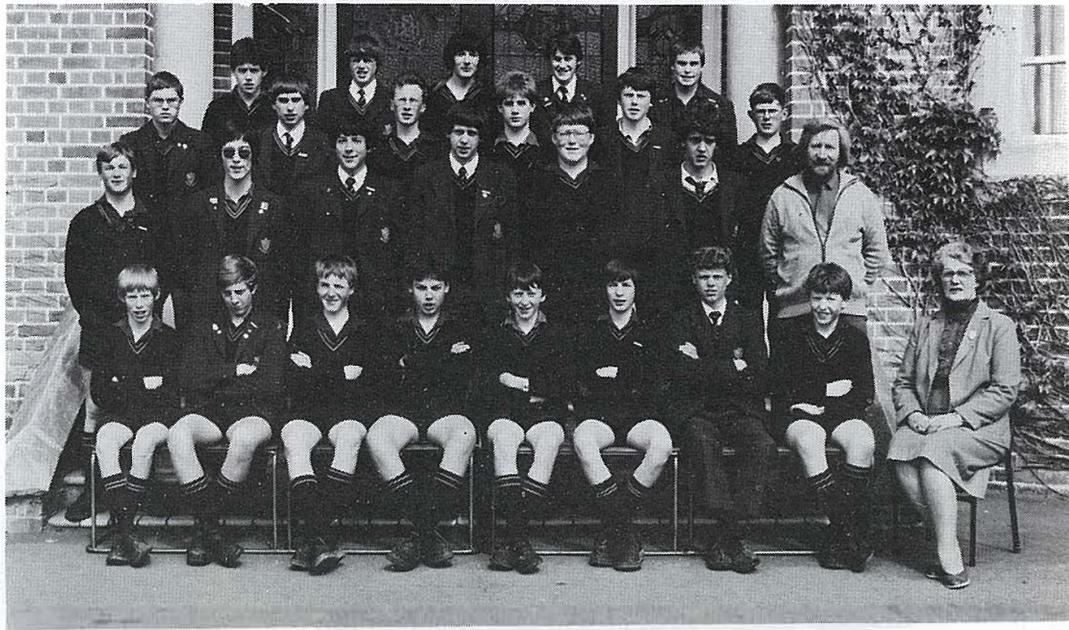

The main change in the Library this year was that we had carpet laid down in March. This has greatly improved the appearance and quiet atmosphere of the Library.

There have been over 500 new books bought this year. As we still had access to money which the PTA had donated previously to the Library, we were able to upgrade our stocks of books dealing with computers, mathematics, woodwork and electronics, to mention just some of the subjects. In addition to this, a considerable amount of new fiction was purchased.

Thanks must go to Mr Lauren and Mrs Anderton for the tremendous amount of work they have put into making the Library run smoothly, and without them the Library would cease to function.

Also deserving of thanks are the Librarians who for the most part worked well during the year, giving up their own time to do their duties in the Library.

Finally, we hope that the Library will attract more applicants in the future and also continue to run as smoothly as it has in the past.

MY GRANDMOTHER (Taua)

Kei te pehe koe? (How are you?) This is the way I greet my Taua when she comes down from Tuahiwi Pa. Born at the Pa in 1911 my grandmother's maiden name was Ruta Aki. In 1935 she married Hone Pitama, my Paua or grandfather (he died in 1963). Her name became Ruta Pitama and she still has that name today.

My grandmother is a very respected person at the Pa where she lives. People are always visiting her, bringing with them gestures of puha, pork bones etc. As usual, with age, my Taua is very wise. She has in her mind the memories of families past and present. The knowledge she possesses is shared when our family gathers together at nights. Stories of warriors who lived over a hundred years ago are told, supernatural events are also included but I dare not scoff for a quick clip under the ear can be expected.

Height has something to be desired when it comes to Taua. Her height is about five foot two inches. Although a pensioner, my Taua is quite lively. Whenever I ask her to put down the coal bucket or anything heavy she immediately snaps "Stupid mokopuna, I'm still strong." Whenever this happens I move quickly as I'm scared she will hit me.

My grandmother appreciates youthful ideas. Often she talks with me and asks me to tell her the thoughts I have about life. It's funny but when we do talk about such subjects I feel as though the roles of Teacher and Pupil have been reversed. Patiently, Taua sits, taking in my experiences and somehow learning from them.

Finally I would like to thank my beloved Taua for her teaching, understanding, feeling and compassion for her family and friends. Without her, life I think would still be one giant puzzle.

The Annual National Maori Speech Contest

This year a group of students attended the function held in the Limes Room of the Christchurch Town Hall. We combined with a group from Kingswell and also Logan Park, Dunedin. There were four speakers in all, the two from our school, being brothers Joe and Donovan Clarke who gave speeches in Maori and English respectively. Although unplaced, each boy gave an above average account of himself. On attending the contest each region was to give an item. We represented the Murihiku region and we presented three action songs and a haka by the boys which virtually brought the audience to its feet. The atmosphere among the Maori people was extremely welcoming and each student benefited greatly especially the non-Maori members.

Our thanks to Mrs Alabaster and the parents who attended and greatly enhanced the enjoyment of the trip. Overall an extremely educational experience.

SPEECH BY DONOVAN CLARKE OF SOUTHLAND BOYS' HIGH SCHOOL NATIONAL MAORI SPEECH CONTEST, CHRISTCHURCH, 1984

Tihei Maori ora Tea koutou katoa

Grow up young children in the days of your world. Give your hands to the skills of the Pakeha for your material well-being, give your heart to the treasures of the Maori forbears as an adornment to your head, and your spirit give to God the source of all things.

I give thanks to our Heavenly Father for He is Creator of all. I pay homage and respect to our ancestors who have passed on. To Rangi and Papa, we thank you both for these beautiful buildings.

Ladies and Gentlemen, Judges, Fellow contestants, boys and girls, greetings to you all. My topic which I have chosen to speak on today is 'Where do I fit in this world?'

I am proud to be of Maori descent, proud of my heritage, proud of my culture, proud of my people. But I am also proud of my Scottish ancestors. I fit where I think I can do best and be with the best of both cultures.

When I was younger, about 5 years old, I realised there was something different about me; my skin colour, some of the words my parents used which others did not use, and some of the functions my family attended which were different. I asked my Mother, "Why are we brown?" That was the usual question for a five year old child to ask. I can recall the answer word for word. "E tama he tamaita Maori koe", which means, "Son, you are a Maori child". Then I realised I was a Maori but I still didn't understand what to be Maori meant.

Later, as I became more knowledgeable, I saw many of my Whananga, some well established, some in gangs. They were Maoris good and bad but I felt this still did not satisfy my curiosity about my identity. So I asked my Mother, "Where do I fit into this world? What is a Maori?" She answered, "Your ancestors were the early founders of Aotearoa. They were brave people who travelled by sea in open canoes for great distances to reach Aotearoa."

In the fleet that sailed in the great migration were the canoes Tainui and Ngatokiwhaorua carrying my forbears. They adapted their life style to the new land, spreading throughout the Waikato and Ngapuhi, developing a way of life which left their descendants a rich cultural heritage. This heritage was passed down by word of mouth and example, with the kamatuas teaching the lineage and the parents teaching the day to day skills. The young people grew up respecting their culture and their elders. Today things have changed. We no longer learn all the skills we need from

our people. We attend Pakeha schools, we sit Pakeha examinations, we have to make our way in a predominantly Pakeha world.

Those of us who can study at a Marae, Kokiri Centre or who have parents or relations who can teach us at home are very fortunate. As I am attending a school based on a Pakeha system and being taught the heritage which belongs to the Maori in my home I have the opportunity to get the best of both worlds. As a young Maori boy of 14, I find myself comfortable in both situations and this, in the long run, can help me build a future which I hope will include raising a family. I see myself as a link between my parents generation and that of my children. In my Mother's childhood, she learnt the language and customs of the Maori from her mother, but she grew up in a time when Maoritanga was undervalued by the majority of Pakeha New Zealanders and even by the Maori, especially those living in the cities. Now things are changing. People are beginning to appreciate the value of Maoritanga and the need to preserve and develop the culture of our forbears. I see myself, a young boy from Murihiku, with both Pakeha and Maori blood in my veins, trying to uphold and raise the mana of the Maori and the means of passing on to the next generation the knowledge and understanding needed to help create a New Zealand which is truly multicultural.

JOE AND DONOVAN CLARKE

MUSIC

The highlight for the Music Department this year has been the upgrading of equipment. Although not all the items which we were granted have arrived - nevertheless it has given the boys a glimpse of the good times ahead. Sometimes they are more interested in the technicalities of the equipment rather than the music.

1984 has seen more boys pass their Music Attainment Certificates - the standard of performance was lower but much improved. We have enjoyed many visits to Community Groups and Schools and Southland Boys' High School Concert group music has been most appreciated. Most probably some of the delicious afternoon teas have been appreciated as much by the boys in the concert parties.

The New Zealand Navy Band's visit to the school revealed some hidden talents of conducting by Justin Fowler and the cymbal playing of Antony Deaker. Each was suitably rewarded with a tape of the New Zealand Navy Band's Music.

The Southland Boys' High School band acquitted itself commendably at Westpac Competitions - Alastair Grey conducted. At present our band has many junior players and we look forward to a more consolidated and mature band next year.

Thank you to all the itinerant teachers for their help during the year. It is patient, time-consuming work but really worth while as we come to the end of the year and notice and hear their charted progress.

Annie Get Your Gun

This year's joint Southland Boys' High School/Southland Girls' High School production was an ambitious one compared to other years. Production with a large cast and chorus began early in the first term under the careful and eager instruction of Mr and Mrs Scott, with valuable help given by Mrs France, Miss Black and Mrs Kirkland.

Performances started in the last week of the first term. Particular note and praise must be given to the performance of Rosalind MacArthur as Annie; John Grant as Frank Butler; Andrew Robertson as Charlie Davenport, and Donald Jones as Buffalo Bill. These people sang, danced and acted in a very professional manner to carry the play to previously unheard of heights.

Smaller characters and members of the chorus were: Antony Deaker, Scott O'Donnell, Davin Murdoch, David Malloch, David Wallace, Alister Gray, Michael Henstock, Brant McNaughton, Michael Stevens.

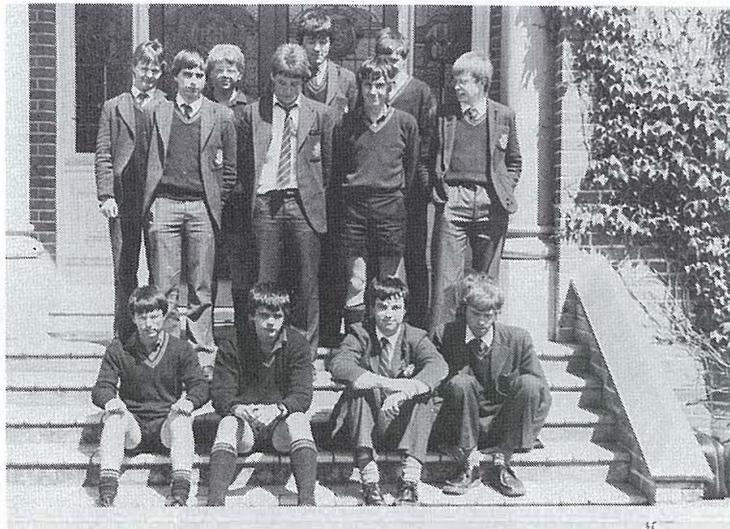

I'm against nuclear war. If you can't see who you're killing,
it's no fun!

Photographic Club

This years photographic club has once again increased its numbers to 12.

Not all of the year's activities have been confined to the school. We were very lucky to be able to be conducted through Photocentres laboratories and Invercargill's Art Exhibition. These were extremely interesting and worthwhile events from a photographic point of view.

One large task that was undertaken was the selection of photographs and construction of montages for this magazine. It was very good to see so many member's photographs contributed.

Radio Transmitting Club ZL4CT

This year has not been quite as busy, partly because two of the most active members left school during the year.

However, the following countries were spoken to, with the number of contacts in parenthesis:

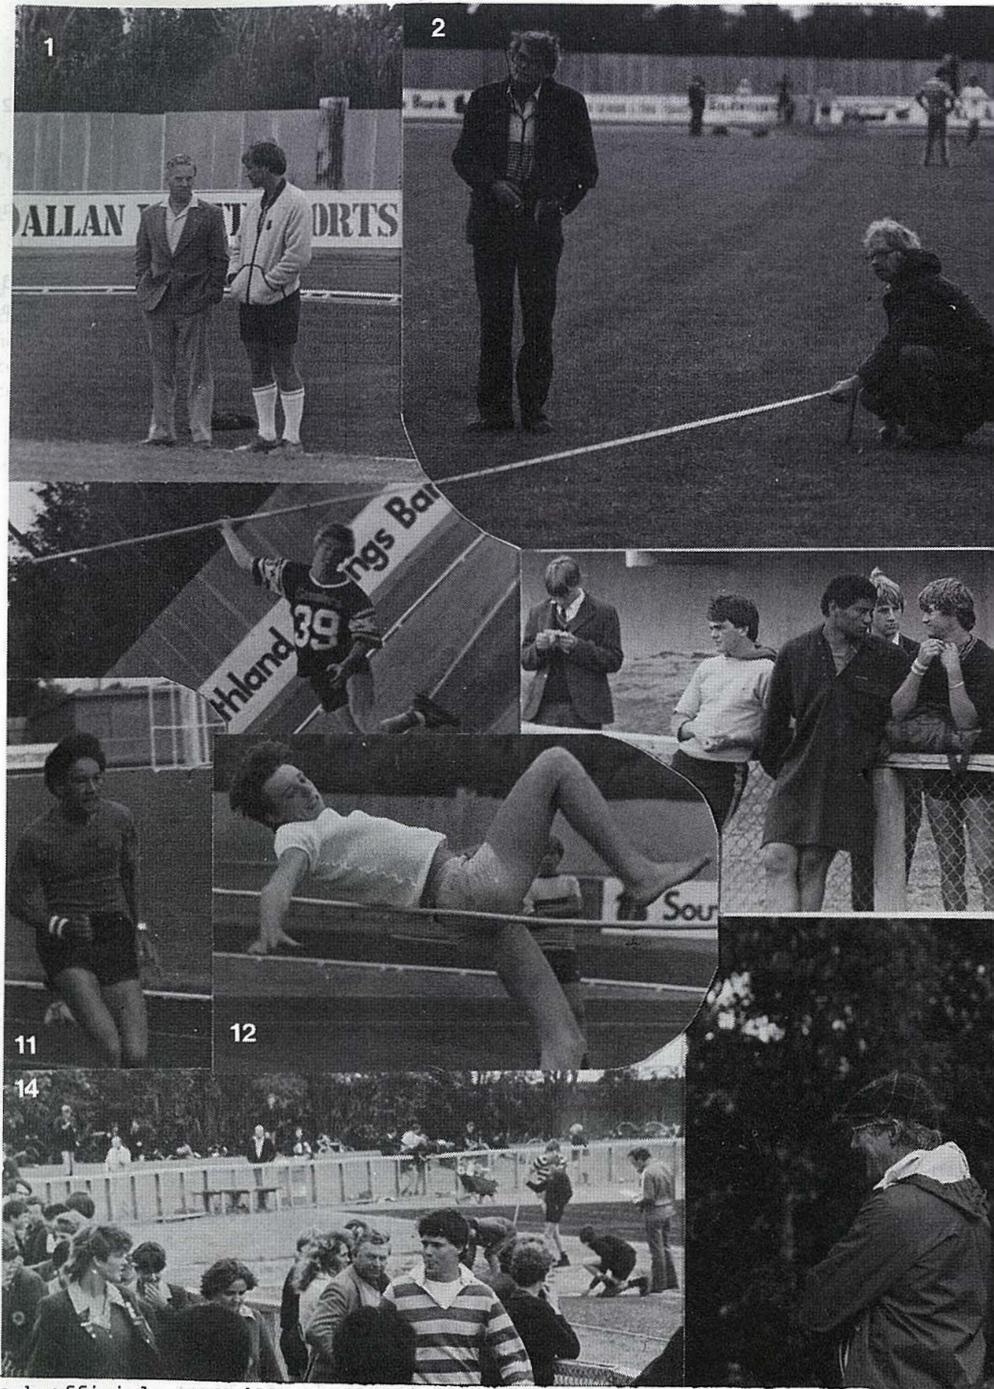

Australia (11), USA (7), Canada (5), NZ (3), Czechoslovakia (1), Bulgaria (1), Yugoslavia (1).

Teacher: Now how did they get these massive 65 feet tall stone statues upright?

Pupil: They had hundreds of thousands of slaves

Teacher: Yes, but they were in the middle of the desert.
How did they feed all these slaves?

Pupil: Sandwiches

THE ANZ STUDENT PACKAGE.

A package of financial services that'll help keep the wolf from the door.

The ANZ Student Package provides cures for all manner of financial headaches.

Listed here are just some of the financial services available to students. A brochure giving more comprehensive details is available from any ANZ branch.

SPECIAL STUDENT INCENTIVE SAVER ACCOUNT.

Along with high daily interest and automatic payment and direct credit facilities, Incentive Saver offers easy withdrawal from ANZ branches and Autobank.

But that's not all. The special Student Incentive Saver Account is completely free from bank activity fees.

A CHEQUE ACCOUNT FREE FROM QUARTERLY BANK CHARGES.

For the duration of your studies your ANZ cheque account is exempted from standard quarterly bank charges.

BURSARY ADVANCE FACILITY WITH FIRST \$200 INTEREST FREE.

Bursary advances take the form of an overdraft facility on your cheque account.

The first \$200 is interest free with a concessionary student rate being charged thereafter.

A STUDENT LOAN FACILITY.

Student loans are available up to \$500 for each year of study, starting from year one, and up to a maximum of \$2000.

As with bursary advances, student loans are exempted from loan fees and are available at a special student rate.

Moreover repayment needn't be made until 2 years after the completion of your studies.

FREE AUTOBANK CARD.

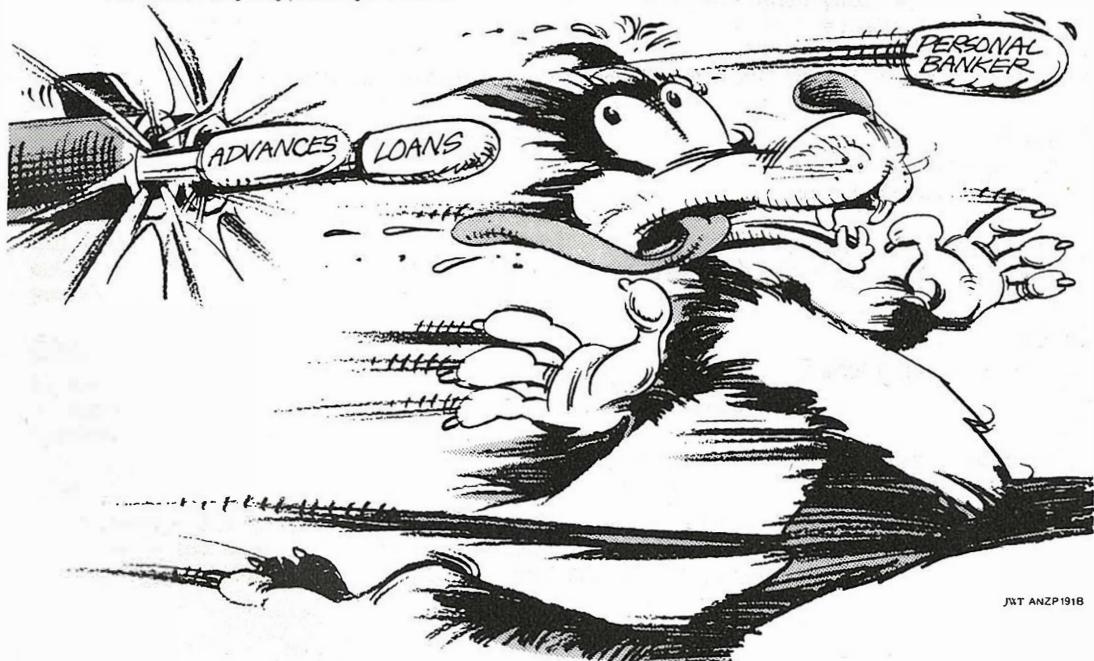

Autobank cards are issued free to all ANZ Incentive Saver and cheque account customers.

Autobank cards may be used to withdraw money from any of the nationwide network of ANZ/BNZ Autobank machines, 7 days a week.

For the convenience of students, Autobank is located on campus at Auckland, Waikato and Victoria universities and in Dunedin, close by

Badminton

This year saw more than 50 boys involved in Badminton at Surrey Park on Wednesday afternoons.

The School senior team continued in the tradition of the school's high standard of competition. The team consisting of Roger Southby, Roger Millar, John Hunt and Paul Winder performed well in the local Secondary Schools' competition and were just narrowly beaten into second place by James Hargest High School.

There are many young and upcoming players in the school and I'm sure that they will continue to make Badminton very strong in the school in years to come.

SBHS pupils' achievements outside the school competition

Roger Southby	Southland B grade open singles champion/ school champion
Roger Millar, Roger Southby	Members of the Southland Under 18 team
Matthew Yarnell	Winner of the Classic Plate Under 18 men's singles Sunbatta tournament

1st V BASKETBALL

Back row: T. Williams, J. Grant, S. Cockeram, M. Wells

Front row: D. Murdoch, D. McIntosh (Captain), M. Drayton, Mr S. Wells (Coach)

1ST V BASKETBALL

Captain: A Seeto /D. McIntosh

Coach: Mr P. Huntley

The 1984 season was one of ups and downs for this year's first V. Starting the year with big hopes for our local "A" reserve club competition, we were soon set back with the loss of our most experienced and talented player, Paul Rewiri, after only three games. After he left we put together a few good performances, but lacked the willingness to win in others, finishing 2nd equal in the club competition and 4th in the play-offs.

Our second set-back came later in the season with the loss of our coach, Mr Huntley. Hoping to give him his most rewarding year as coach, we gained much pleasure from having the most successful interschool record for the last few years.

Our first game was against Otago Boys' High School, a game we entered hoping to upset an obviously talented all team. However, with two of our senior players injured, we could only put together a mediocre performance, losing 59-44. Not all pride was lost as the lack of players enabled T. Williams and M. Wells the chance to show the basketball they were capable of. Michael Drayton shone throughout the game, demonstrating great rebounding capabilities.

The second interschool against Waitaki Boys' High School was one we entered hoping to regain our pride, which we did with a good performance. This was the first time we showed the capability to work as a team since Paul's departure. Anthony Seeto, Dean McIntosh and Stephen Cockeram showed good offensive skills with fine shooting, while Davin Murdoch and Michael Drayton controlled the boards, getting a fine tally of points. John Grant showed the basketball he was capable of with a commendable all round performance. SBHS 73, WBHS 59.

The last interschool of the year was against Kings High School, a game we had to play well to win. We were pleased to give Mr Huntley a fine performance on his last interschool with us. We took control of the game from the very start. A good all round team effort in all respects saw us run out the winners 67 - 53.

The regional tournament was one weekend on which our team showed its lack of determination, with only one good win against KVHS, winning by 70 points. The hard play shown in this game fatigued us somewhat for later games that day - losing with poor performances. A. Seeto and M. Drayton were the only players to stand out.

It was at this stage Mr Huntley left us, and the team thanks him for his time and effort. We wish him well in his new position. Mr Wells took over the reins at this time, which was a difficult task so late in the season. However, he did this well and it was to the team's advantage to have him - we thank him very much.

Finishing the season with the Southland Secondary School's championships, the team at last showed its true capabilities, going through the tournament unbeaten. We were very happy winners at the conclusion of the weekend. Our two young players, Tarewa Williams and Mark Wells, showed great promise and will be great assets next year. T. Williams picked up 'Player of the Game' on one occasion.

S. Cockeram, M. Drayton, D. McIntosh and D. Murdoch were named in the tournament team with excellent all-round performances in all games. Anthony Seeto was also named in this team.

The team figures prominently in Southland Basketball, with D. McIntosh, S. Cockeram and A. Seeto playing in the local "A" Grade Men's Competition. All the teams' members represented Southland in age-group Basketball, as mentioned below.

Team Report

A. Seeto (Captain)	Southland Mens' U20. An excellent attacking player with excellent skills. Led the team by example. An asset to any team.
D. McIntosh (V Captain)	Southland U18. Dean's solid defence coupled with outstanding attacking skills highlighted by some fine individual shooting performances made him a vital part of the team. A very reliable points scorer and rebounder. Dean's experience and skill will be most valuable next year.
M. Drayton (V Captain)	Southland U18, U20. The team's most valuable player. Controlled boards in all games being unstoppable under the basket. Had a large tally of points to his name.
J. Grant	Southland U20. Being a senior member of the team, John developed confidence in himself. Played well all season, showing good rebounding and shooting ability.
D. Murdoch	Southland U20, U18. Played better with each game, not having a bad game all season. Rejecting proved to be Davin's forte. By far the most improved player.
S. Cockeram	Southland U16. Lacked confidence in himself earlier in the season, but developed later. Finished off with a tremendous tournament, showing his true skills as an offensive player. Will be a valuable player next year.
T. Williams	Southland U16. The school's best hope for a few seasons. A young player with a great future. Developed confidence and played some tremendous games. A very quick player with a lot of natural skill. Will be an outstanding player next year.
M. Wells	1st year in the 1st V, taking a big step. Showed great potential and developed self confidence as the season progressed. Put in some commendable performances. Will be an asset next year.

2ND V BASKETBALL

Captain: Grant Gerken

The 2nd V this year sported a variety of talents ranging from the classic air-ball of Richard Dalhousie, to the underarm hook shot of Dean Gerken, and the entertaining twenty points per game occasionally scored by Stephen May, this bringing a new dimension to the sport.

Despite losing most of our games by the smallest of margins, the team's spirit was consistently high throughout the season. Thank you to Mr Reid, Mrs May and Miss Dalhousie for their support and coaching.

The team was Grant Gerken, Dean Gerken, Wade Hoskin, Jeremy Crump, Michael Noble, Richard Tapper, David Sutherland and Brent Philpott.

4th A Basketball

Coach: Mr Rout

A keen start to the season by all players, then the spirit dropped after the first game with a loss to Verdon A. Then further losses to Cargill A and B, Verdon and Hargest A and B. After two long hard battles with Kingswell A, they managed to scrape in ahead both times. Thankfully we thrashed Southland Boys' High School 4th B. All fine players but couldn't make it as a team. Disappointing lack of interest when nearing the end of season. However, there was real improvement by many players over the season and future possibilities for the first V may have been developed.

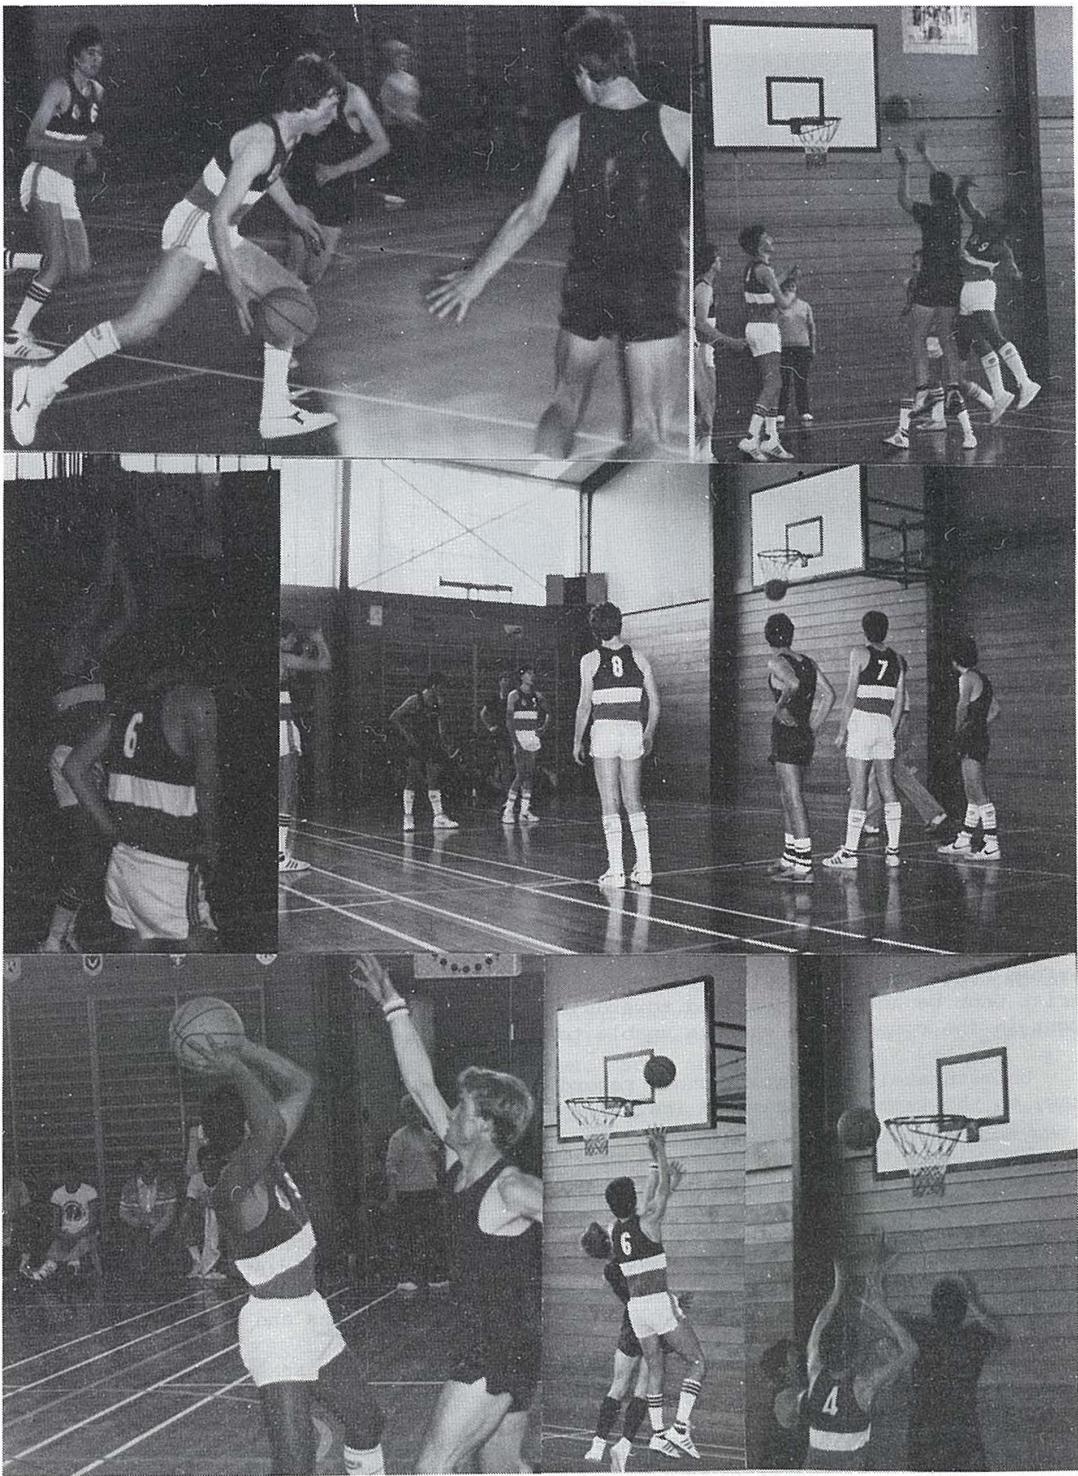

Team: C. Peterson (Captain), H. Bryce, J. Clarke, D. Pollok, A. McLeod, R. Everest, A. Hamilton, D. Knight.

1st XI CRICKET

Middle row: Mr J. Dickson (Coach), S. Taane, S. McDonald, J. Mawhinney,
R. Murray, M. Dawson

Front row: D. McWilliam, W. Hoskins, G. Scully, R. Tait, H. Murray

1st XI CRICKET

Captain: Geoffrey Scully

Coach: Mr J.S. Dickson

This year's 1st XI enjoyed a moderately successful season. It was a young side, with only 4 members in their 5th year of school. All the team members had ability at cricket, but because of their youth and in some cases inexperience, did not always perform consistently. In the Senior Reserve Competition we finished second behind Marist whom we actually defeated towards the end of the season, but due to a slow start in the competition we were unable to gain the lead in the points table.

Unfortunately our inter-school record was not as good, with 3 losses and a draw, so the team never reached its full potential in these matches.

Top wicket taker for the season was Mark Dawson with 68 wickets, and highest batting aggregate was Geoffrey Scully with 487 runs.

We had a very strong batting line-up, with keen competition for a position in the order. Although our bowling wasn't as strong, some fine wickets were taken, but we often lacked penetration and let some games slip from our hands. Fielding skills were one of the strengths of our team with some superb catches and chases being made.

As this was a young side, we can hopefully build on this season's work, and develop into a really competent team next season.

Our grateful thanks to Mr Dickson for his help, encouragement and advice during the season and for the ground work he did in preparing a young team. This will be an advantage next year.

INTERSCHOOLS

v St Andrew's at Christchurch, 3 - 4 December 1983

This was the first of our annual interschool fixtures, and on this occasion St Andrew's proved too strong, and beat us outright by 6 wickets. This was due lack of penetration by our bowling attack.

v Shirley Boys' High at Christchurch 20-22 February 1984

This was a most exciting game, and even though we lost outright the outcome wasn't decided till the last over. We fought all the way and never looked like losing right up to the last ball.

v Otago Boys' High at SBHS 12-13 March 1984

School was put into bat and struggled to 116 before being all out. Top scorers were R. Tait 25, G. Scully 25, W. Hoskin 29. Otago replied with 173: G. Dixon 27, P. Dobbs 38. In their second innings SBHS were all out for a mere 85: J. Monteath 29. Bowling for OBHS, G. Pratley took 7 for 27. This resulted in a nine wicket victory to OBHS.

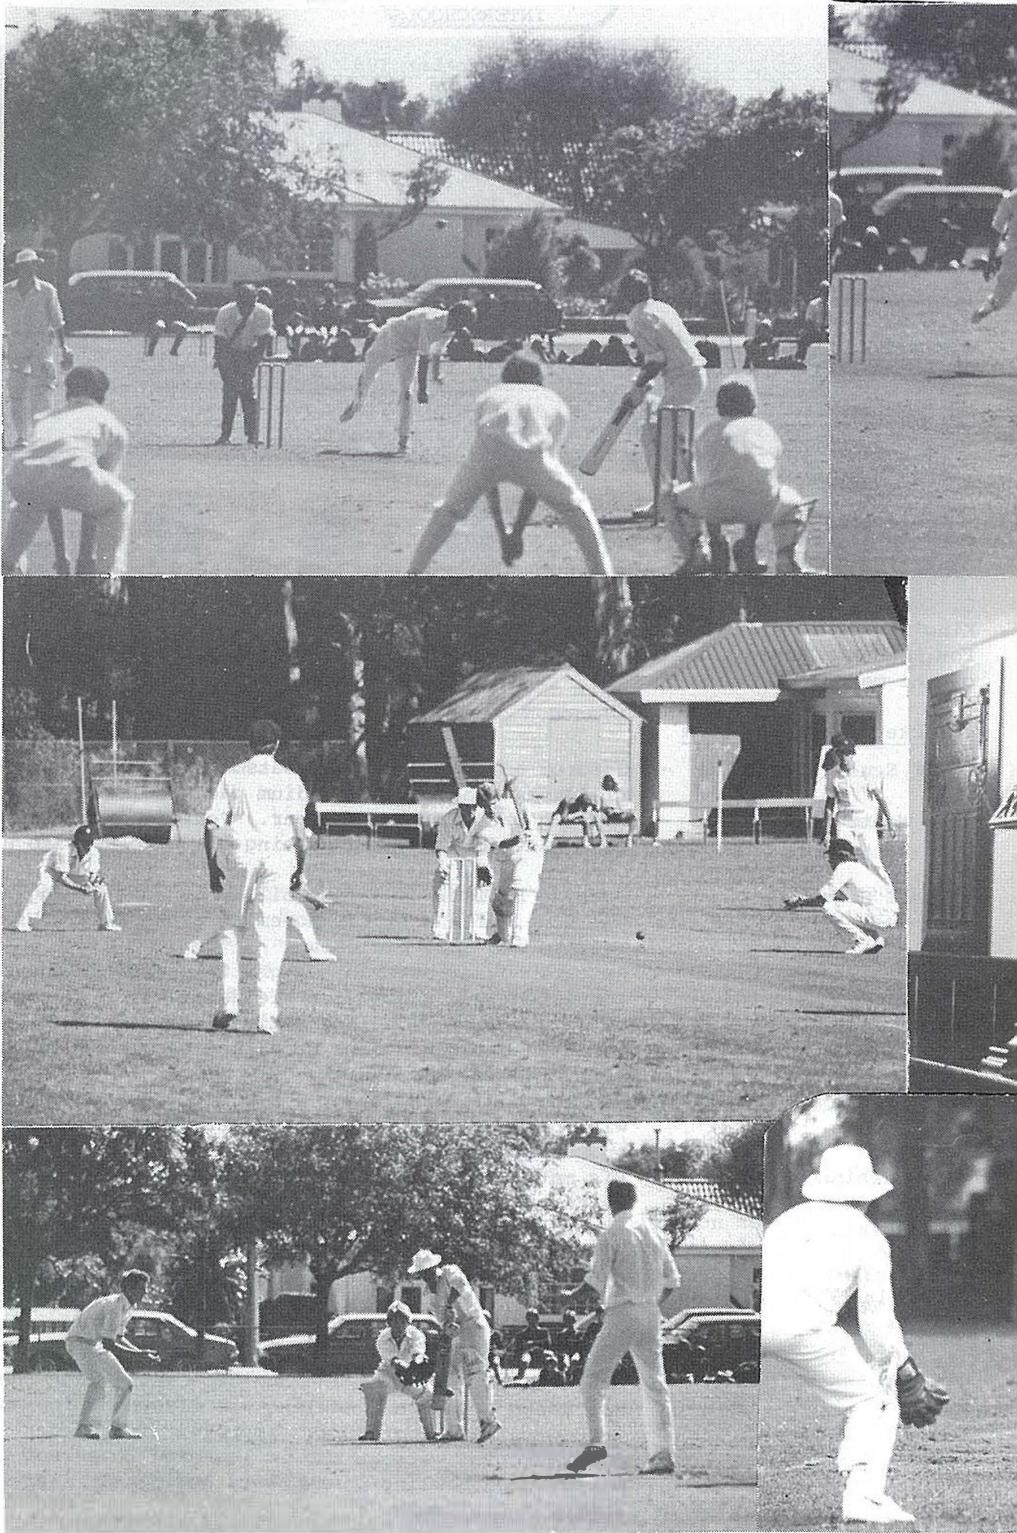

v King's High at Dunedin 19-20 March 1984

King's batted first and scored 154: M. Sinclair 52. SBHS then scored 168: G. Scully 55, J. Monteath 34. Bowling for King's S. Cormack took 3 for 12. In King's second innings they were 143 for 6 at stumps: D. Munro 105 n.o. Bowling for SBHS M. Dawson took 6 for 49. This resulted in a draw but SBHS had the better of the match.

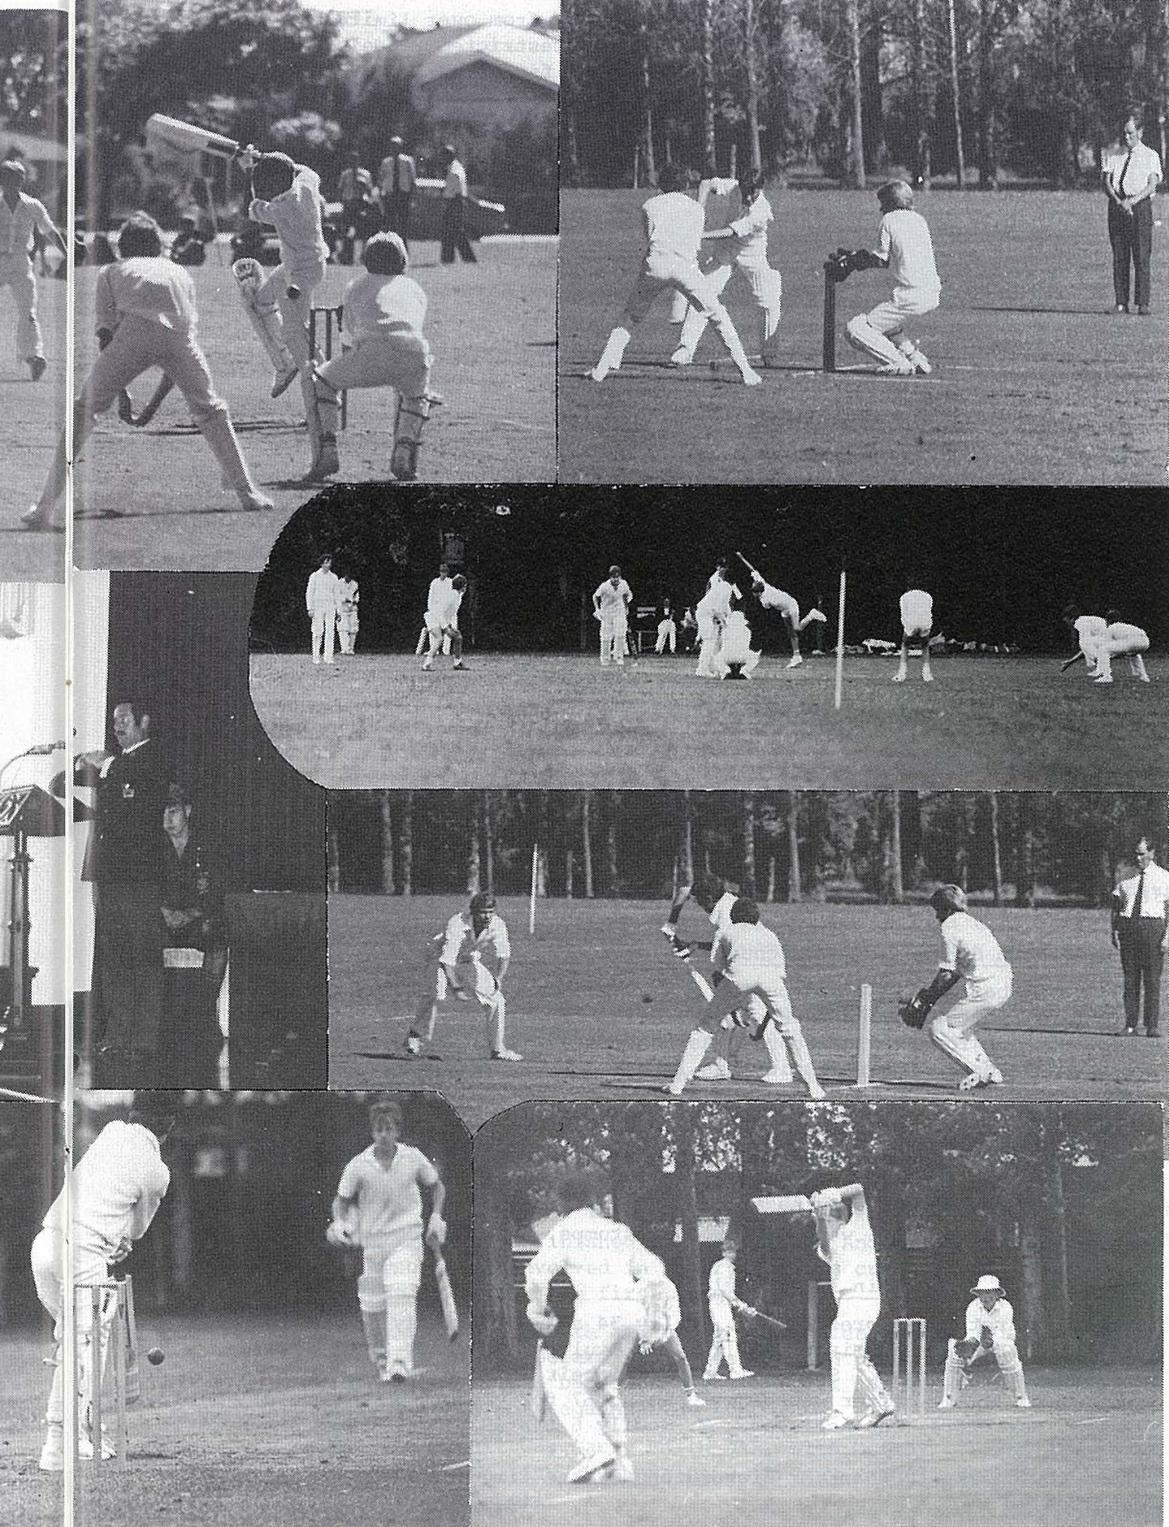

(Cricket 1st XI) - Team

- | | |
|------------------------|--|
| Geoff Scully (Captain) | - Matured as a hard hitting batsman. A fast, aggressive fieldsman and a useful medium pace bowler. |
| John Monteath | - Opening batsman/wicketkeeper. Performed strongly in the important games, often getting the side away to a good start. |
| Michael Hogue | - Opening bowler. Has the ability to bowl a nagging length and line, with a little movement either way. Useful batsman and safe fieldsman. |
| Brent Heywood | - An early order batsman - a gritty performer who scored consistently. Aggressive fieldsman. |
| Ross Murray | - Offspin bowler with interesting variations - repeatedly confused batsmen. Some good innings with the bat. A safe, fast fieldsman. |
| Mark Dawson | - Opening bowler who enjoyed a productive season, bowling with pace, accuracy and movement. A stoic batsman and aggressive fieldsman. |
| John Mawhinney | - His maturity and approach were a fine example. Good performances with bat and ball. A safe fieldsman. |
| Wade Hoskin | - An exciting batsman whose impetuosity frequently led to his downfall. It is hoped his undoubted talent will flourish next season. A good wicketkeeper and fieldsman. |
| Rodney Tait | - Opening batsman. A very good first season displaying controlled aggressiveness and a wide range of shots. Improved fieldsman. |
| Shaun Taane | - Played some very good innings especially when the team was under pressure. Bowling was disappointing as he tended to bowl too short. Improved fieldsman. |
| Douglas McWilliam | - A hard hitting batsman who is learning to select his shots. A very good bowling performance against St Andrew's. Improved fieldsman. |

2ND XI CRICKET

Captain: Jason Goomes

Coach: Mr Bill Richardson

This year we had a relatively good season. We had our losses and our wins. Some of the memorable losses were by 3 runs to Hargest and by 1 over to Georgetown, and this game was played in mud up to our ankles. The team were all out for 87 with Jason Goomes making 41.

Our most impressive win was against Appleby where at the end of our forty overs we had made 206 for 5. Jason Goomes again top scored with 95 and Nathan Mills 74.

Mark Scully top scored against Western with 87 not out and at the end of the season was promoted up to the 1st XI.

We have to thank Daryl Gellatly, Mr Murcott, Simon Forrest and Mr Hamilton for filling in when we were short.

The team was: Jason Goomes (Captain), Mark Scully (Vice-Captain), Jonathan Hitchcock, Christopher Adams, Donald Jackson, Nathan Mills, Scott McAuley, Paul Nepia, Simon Forrest, Mr Richardson, Tim Buist.

COLTS CRICKET

Captain: M. Scully

Coach: Mr Bill Richardson

During the season the Colts played three interschool games, and achieved moderate success.

v Shirley Boys' High School at Christchurch 20 February 1984

Shirley Boys' batted first and put up a reasonable total of 200 which Southland Boys' easily passed, scoring 364 (Fraser 93, Scully 78, Forrest 49). At stumps Shirley Boys' were 50 for 3. The result was therefore a draw, even though Southland BHS had achieved a commanding first innings lead.

v Otago Boys' High School in Invercargill 12 March 1984

Otago batted first and compiled 93. Bowling for Southland M. Scully took 4 for 23 and S. Forrest 2 for 9. SBHS replied with 145 of which I. Fraser scored 41. In their second innings OBHS totalled 130, M. Scully taking 4 for 27, D. Horo 3 for 11. Requiring only 79 to win, SBHS were 58 for 9 at stumps, thus narrowly avoiding defeat.

v King's High School in Dunedin 19 March 1984

SBHS batted first and scored 119, M. Scully 34 and D. Gellatly who batted well for 33. In reply KHS were dismissed for 78. M. Scully took 3 for 21, F. Taane 2 for 6 and D. Gellatly 2 for 9. SBHS collapsed in their 2nd innings to be all out for 25. KHS fared little better however. Chasing 67 for victory they were all out for 55. A win, therefore, was achieved. M. Scully 6 for 19, S. Forrest 3 for 24.

The team would like to thank Mr Richardson for the time and knowledge which he gave so generously.

The team: M. Scully, I. Fraser, D. Horo, C. Humphries, F. Taane, S. Forrest, M. Harrington, R. Hawke, D. Dellatly, J. Sharp, J. Stephens, G. Dalhousie, C. Deacon and C. Stewart.

CYCLING

19 August We arrived in Palmerston North at about six o'clock, and drove down to Levin in a van and car kindly lent to us by New Zealand Forest Products. We spent the next day training over the course.

Our team was the 8th last to start and Warner Anderson, Gerard Stack, Luke Hubber, Glen McLeay and Garry Smith recorded the fastest time but there were still the three top teams to go. At the end of the day we were in 4th place.

1st Auckland Grammar	2nd Shirley Boys' High School
3rd Christchurch Boys' High	4th Southland Boys' High School

Andrew Kissell from Southland Boys' High School finished 5th in the Jolley Cup.

20 August The next day the Southland Boys' High team individuals competed in the 2 x 5 pedal pushers course tour of the Manawatu. It started at 9 o'clock and with a large field of 60, crashes were inevitable.

The first stage finished in Ashurst and Andrew Kissell and Warner Anderson were involved in a very serious crash in the middle of the sprint finish in the first stage.

Going into the fourth and final stage Glen McLeay and Garry Smith were in fifth place, Gerard Stock was in 11th place and Luke Hubber was in 13th place. In a bad crash Gerard Stock had to withdraw. Luke Hubber also crashed but regained the bunch.

The end result was Garry Smith 4th, Glen McLeay 6th and 3rd in King of the Mountains, Luke Hubber 10th. Andrew Kissell took a wrong turning but finished well.

21 August The Mansfield N.Z. School Boys' Championships was held on Monday and all the top riders from N.Z. who were 18 years and under competed. Wayne Eyre from Christchurch won and Luke Hubber and Garry Smith both had breakaways to come in 5th equal.

None of this would have been possible without the support of Laurie Tall, New Zealand Forest Products and the parents.

COMPUTING

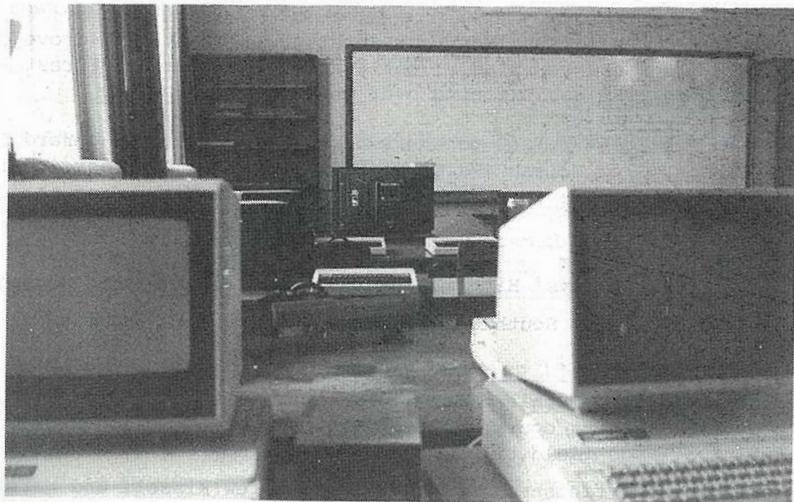

This year has seen major changes in the school's computing facilities.

In Term 2, room P7 was made available as a computer room. Mr Riley kindly moved into P6. Mr Rodgers designed and built four benches to accommodate two stations each.

In Term 3, the room was wired and curtains hung. Seven BBC computers each with a colour RGB monitor were installed and connected to the Econet network. This network contains our printer, a dual double sided disc drive, and a network controller which is in fact another BBC computer with a coprocessor. Level 1 of the network was used while teachers learned how to use the much more sophisticated Level 2.

The system has proved popular with the boys; the room being full at all possible times. The gift of \$10,000 from the PTA has been very much appreciated.

Two of the Apple 2e machines are also in the computer room and continue to be fully utilised. The third computer was given to the office for administration work.

Golf

GOLF

Bruce Waddel, Rohan Welsh, Peter Giles, Wade Hoskin

Captain: Peter Giles

Coach: Mr A. Rolfe

This was the third year of golf at Southland Boys' and success continued.

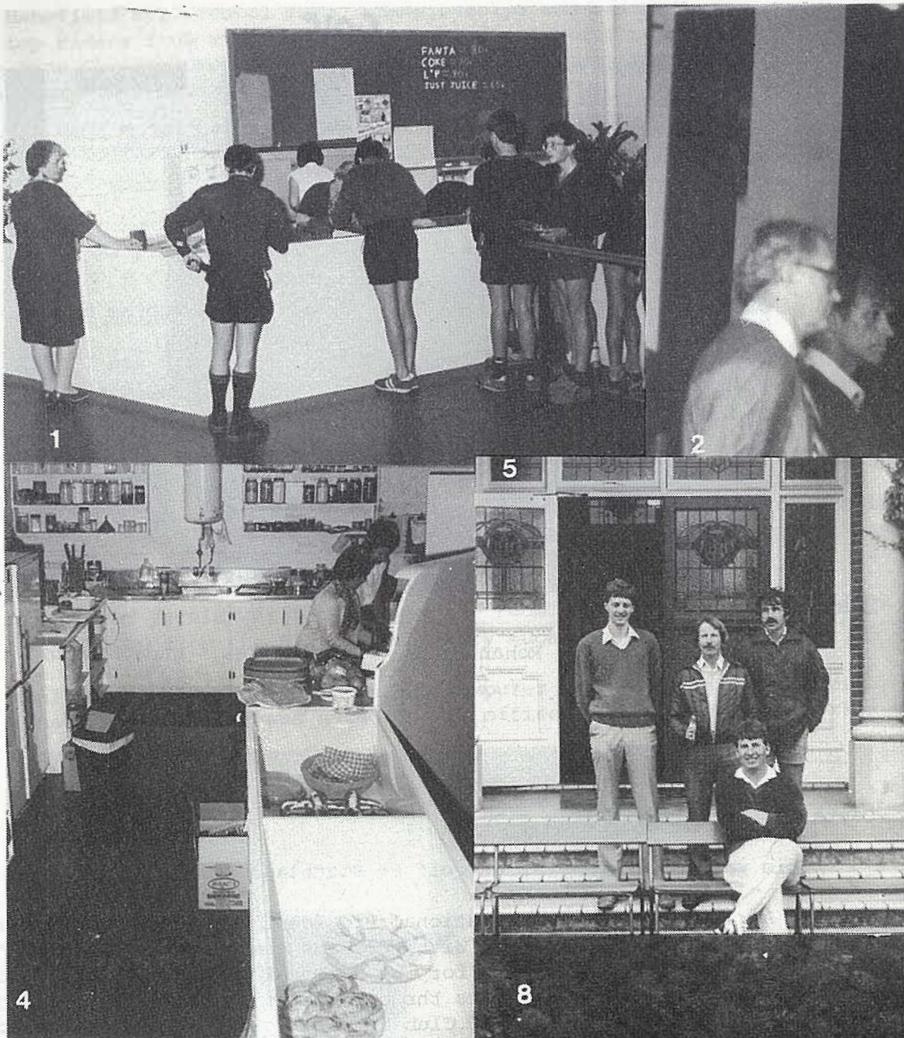

In April we retained the National Provident Greenstone trophy at the Southland Secondary Schools Tournament. With 20 teams competing we won by a handsome 26 strokes. This win qualified us for the National final against the top teams in each of the thirteen golfery districts throughout the country. The tournament was held over 36 holes at Manor Park Golf Club in Wellington during the August holidays, and we finished second to Marlborough Boys'. The team was disappointed not to have won the final as we had the ability to do so but the Marlborough team were just too strong on the day. Still, finishing second in New Zealand is no mean feat.

The interschool against Shirley Boys' High School was a very close match with Shirley, having the advantage of their home course, winning on the last match.

The Wednesday activity golf season provided professional coaching from Invercargill's three professionals: John Vear, John Griffin and Ken Allan, and 42 pupils benefitted from this.

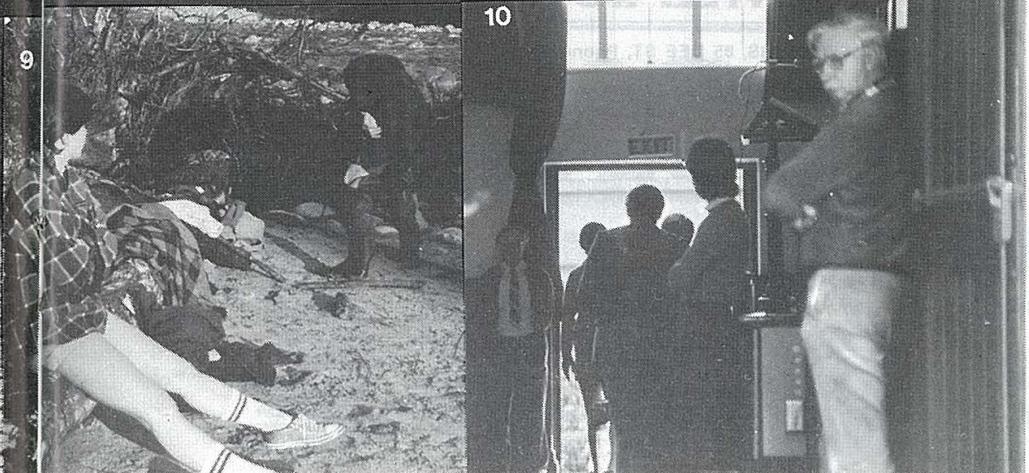

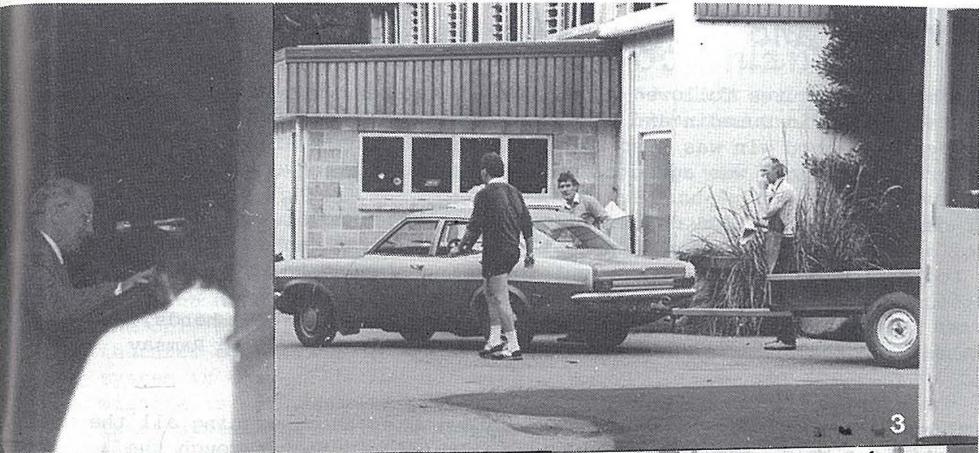

1st team: Peter Giles, Wade Hoskin, Rohan Welsh, Bruce Waddel
2nd team: Grant Ryan, John Wikstrom, Gary McLennan, Lachlan Welsh
3rd team: Jon Waldron, Jason McGregor, Richard Lucy, Tony Wilson

A special thank you to Mr Rolfe for establishing golf as a recognised sport at Southland Boys', for managing the team in Wellington, and for his continued support to the players.

Harriers and Cross Country Running

Our four interschool fixtures followed a familiar pattern for recent years with an early loss to Otago Boys' in Dunedin and then narrow victories against Waitaki Boys' and Timaru Boys'. A good win was also recorded against King's High Schools but the contest with Gore High School was again cancelled because of the weather.

With many of our established team members leaving in 1983 the Saturday Harrier group consisted of a number of new faces, especially in the senior ranks. Alan Bunce proved to be our top senior competitor throughout the year, winning the Southland Centre U18 cross country title and finishing 22nd in the National Secondary Schools' Champs at Rangiora. He was ably backed up in local competition by the old hands, Stephen Bayley, Alan Forsythe and Paul Conner, along with newcomers, Philip Ramsay and Andrew Smith.

The U16 team showed talent and consistency throughout the season winning all the centre teams' competitions held. Those who performed with distinction through the season included: Robert Swale, Andrew Bayley, James Hodge, Brett Conner, Tony Lauren, Bradley Wilson, Steven Wallace, Neil Forsythe and Andrew Moreton.

In the Southland Secondary Schools' Cross Country Championships the School's teams won the U14 and U15 teams' races and were second in both the Intermediate and Senior sections. Alan Bunce and Robert Swale recorded good wins in their sections while James Hodge and Nathan Chilton were good seconds. Robert and Nathan went on to run good seconds in the U15 and U14 grades respectively at the Otago/Southland Champs.

HMNZ Southland

This year, the school was honoured by a visit and a musical performance from the crew of the HMNZS Southland, the Royal New Zealand Navy's latest frigate.

Formerly called the HMS Dido, the frigate was handed over to the New Zealand Navy on July 18 1983 and since then she has undergone an extensive refit and trials. She sailed from Portsmouth, England, on May 9 and arrived in Bluff, her home port, on July 16.

The HMNZS Southland is a Leander class frigate, and weights 2950 tonnes. It is the only fully computerised ship the Royal New Zealand Navy has, and among the features controlled by the shipboard computer is the Ikara missile system. This system is checked daily, but with a dummy missile, for the cost of firing a live missile is \$600,000. It is a specialist anti-submarine frigate and apart from the Ikara system, it can fire torpedoes from its Wasp helicopter and from the ship/launch tubes. It is also a comprehensive defensive system.

The Southland stayed at Bluff for nine days, during which time the crew participated in an impressive number of social engagements, including a grand Ball at Bluff, and of course, the performance here.

The Navy band gave SBHS pupils a taste of a life on the ocean waves with a concert that included several Mickey Mouses (mice?), the Greatest American Hero, world class conducting and cymbal-bashing from Justin Fowler and Antony Deaker, and a bewildering array of brass instrumental talent and sound effects that would have the band making a fortune anywhere but in the Navy. A range of show tunes, traditional melodies and up-tempo pop numbers had the full hall calling for more, and not just because the bell had gone. The concert was geared for enjoyment and many who were sceptical of the effects of a showband on those raised on Duran Duran and Culture Club went away thinking that this was the best musical event of the year.

By the way - Mr Baldwin was not expecting that young 'woman' to kiss him so passionately. He was actually beckoning to someone else at the time.

This year looked promising for us with the loss of only three players. We were placed into the senior men's competition which was to prove to be a hard act to follow. We only really made a showing against one team, Tuis, who were the only team in this grade that we were able to beat. Other teams like Colgate and Phoenix just proved too strong for us. I think the team benefited from the high standard of play shown by the men's teams as we learned some very valuable skills.

Interschool Record:

v Otago Boys' High School: lost 5-0

This was our worst game of the season, not making anything of our forward attack. Otago Boys' really made use of their attack to convert some good goals.

v Waitaki Boys' High School: lost 1-0

To some of us in the team this was our last chance to beat Waitaki Boys' as this was our last year in the team. After some very spirited attacks we were unable to score. Waitaki Boys' came back late in the second half to score a goal, against the run of play. We were unable to hit back and the score remained 1-0.

v King's High School: won 6-0

With great skill and determination, we put together a game that ended up our best win of the season. We never looked like losing and came out with a very impressive win. The team seemed to work the best it has all year, with everybody, especially the forwards, having a great game.

The Team:

At the beginning of the season the usual changes were enforced until a suitable combination was found. We had to fill a few vacant places, owing to the players that had left.

In the forwards there were M. Flett and N. Hickey who alternated at left wing, C. Brown at left inside, W. Allan at Centre forward, A. Skene at right inside and J. Riley at right wing. This was one of the best forward lines that SBHS has produced in a long time, scoring some very memorable goals. They were backed up by P. Dempster and J. Symons who alternated at left inside, R. Johnston at centre half and M. Harrington at right half. They provided some great support for the forwards and also played well on defence. Goalkeeper was M. de Reeper who had a good season, playing up to a strong standard throughout the year. N. Mills and M. Tinnock combined well with the goalie and halves to provide a strong defence.

The team's performance through the season was very good, providing some very memorable moments. In all, this year's team was the strongest the school has seen for several years.

Tournament:

In the first week of the August holidays, the team, along with Cargill High School, hosted the Challenge Shield Hockey Tournament.

We were quietly confident about how we would play. We finished gaining an excellent place after some very hard games.

The results were: SBHS v King's High School won 4-1
 v Papanui High School won
 v Burnside High School won

Having gone through to the semi-finals, we had to play old favourites, Waitaki Boys' High School. SBHS v WBHS won 1-0 (goal scored by A. Skene). This was our first win over Waitaki Boys' High School for almost twenty years, and proved the most memorable win for the team.

We then had to play against the very skilful Gore High School team in the final.

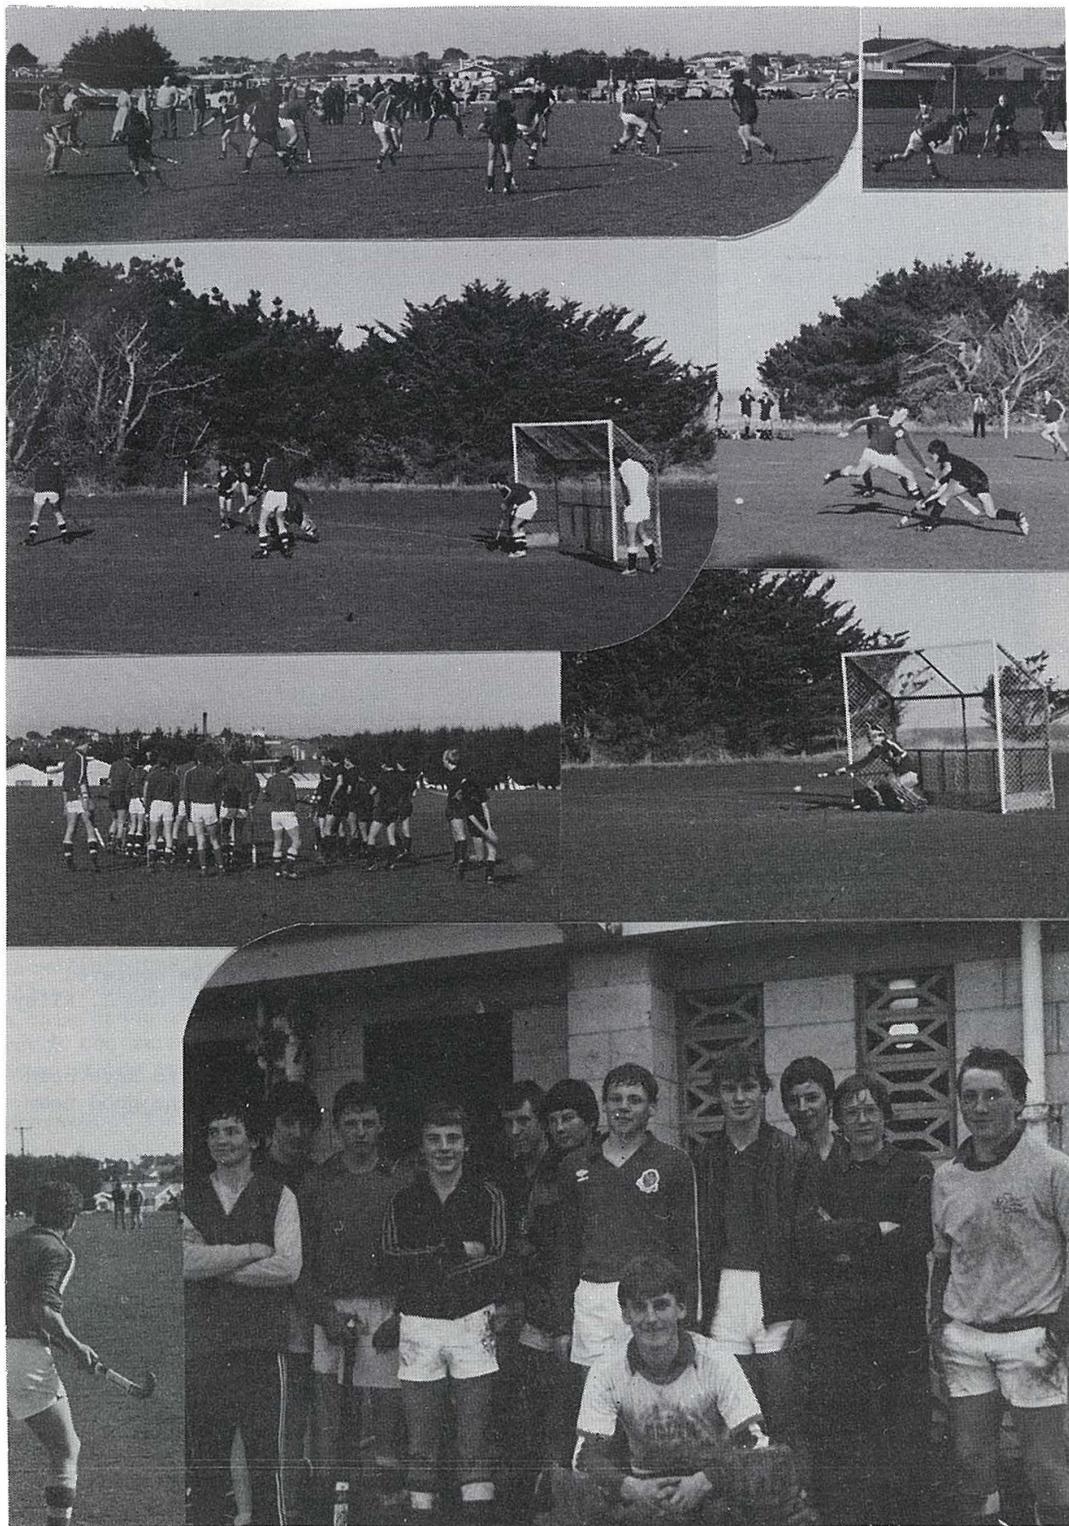

Southland Boys' High School v Gore High School 4-0. This meant we achieved second place and our best placing in a tournament to date. R. Johnston and J. Riley were selected for the tournament team.

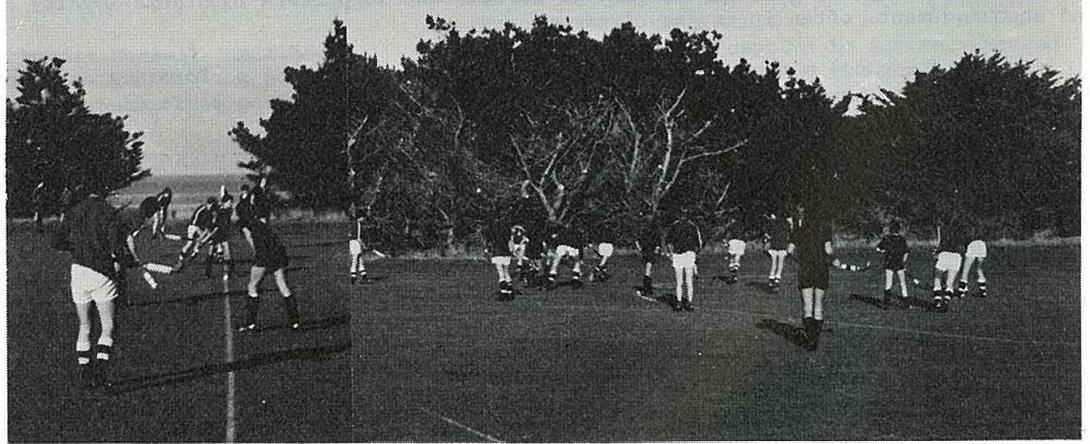

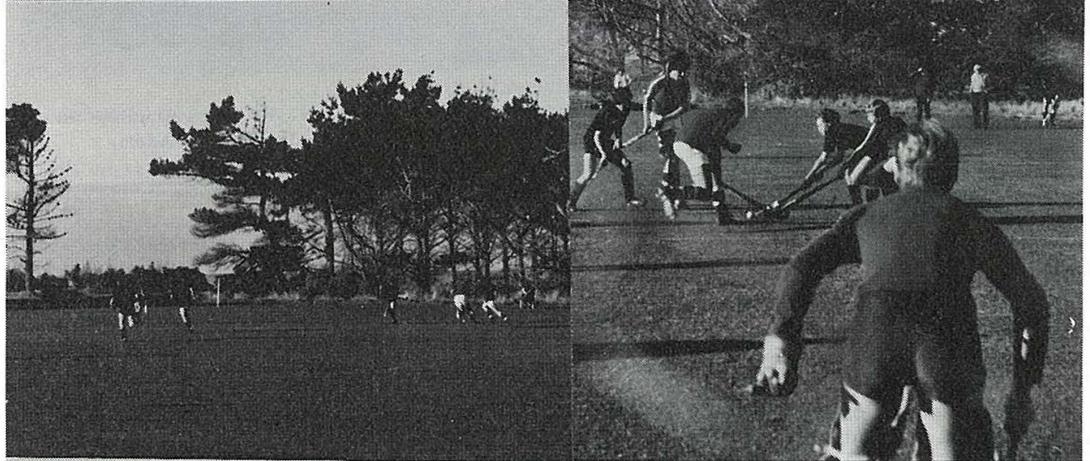

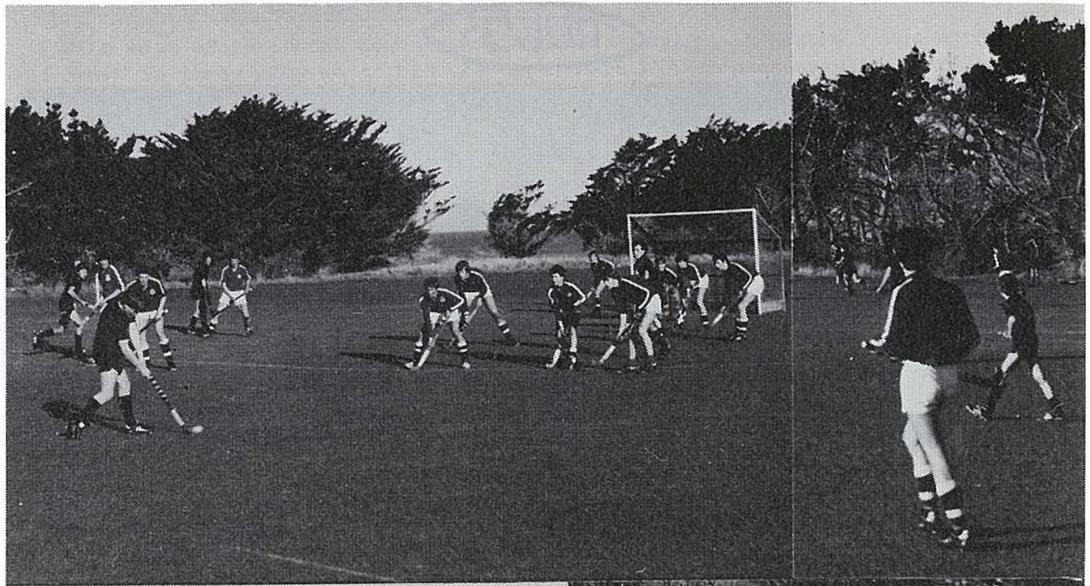

I have been in the team for the last four years and am very proud to have been the Captain. I would like to thank the players for their support and the good team spirit displayed throughout the years.

A special thanks must go to Mr N. Riley whose coaching really made us the well performed team we were. Good luck to the team next year.

Front row: R. Murrell, D. Hunt, M. Dawson, J. Mawhinney, R. Murray, G. Scully,
D. McWilliam, D. Nind

1ST XV RUGBY

Captain: John Mawhinney

Coach: Mr C. R. Williams

1984 proved to be another outstanding season for the 1st XV. This was a very experienced team, containing six caps from 1983. The strength of the team was in the forwards - strong in both tight and loose play.

The coaching of Mr Clive Williams who in his sixteenth year of coaching 1st XV rugby played a great part in the team's successes. The team would like to thank him for his time and patience. Thanks also to parents and supporters for their loyalty and encouragement, often in trying circumstances.

The inter-school matches varied in quality: a disappointing performance against Otago despite the handicap of new scrummaging laws, and outstanding performances against Waitaki (in the second half) and New Plymouth.

School won the local U20 competition dropping just one match (a controversial affair against Invercargill). Most of the victories were accomplished by large margins although Bluff proved to be formidable opponents. The school team took the A.J. Geddes Cup for the 3rd year in a row.

Interschool Matches:

v New Plymouth Boys' High, won 31-0, half time 7-0

Played on a very heavy ground. This was a most impressive victory - School was dominant in all facets of play. Outstanding performance by Dean Hunt loose forward. Scorers: G. Spain (2), B. Murrell (2), G. Scully, D. Hunt. N. Walker 2 cons, 1 penalty.

v Matamata College, won 36-3, half time 12-3

With most of the front row missing School struggled in scrums. But with mobility and drive in loose play we gained the upper hand. A comprehensive victory to School. Scorers: N. Walker (2), G. Scully (2), G. Adam (2), B. Murrell, G. Spain tries. R. Murray 2 cons.

v Otago Boys' High School, lost 6-16, half time 6-6

A disappointing performance. We struggled against a light but mobile side. The experimental scrummaging laws and the loss of N. Walker (our most penetrative back) did not help our cause. Scorer: N. Walker, try and conversion.

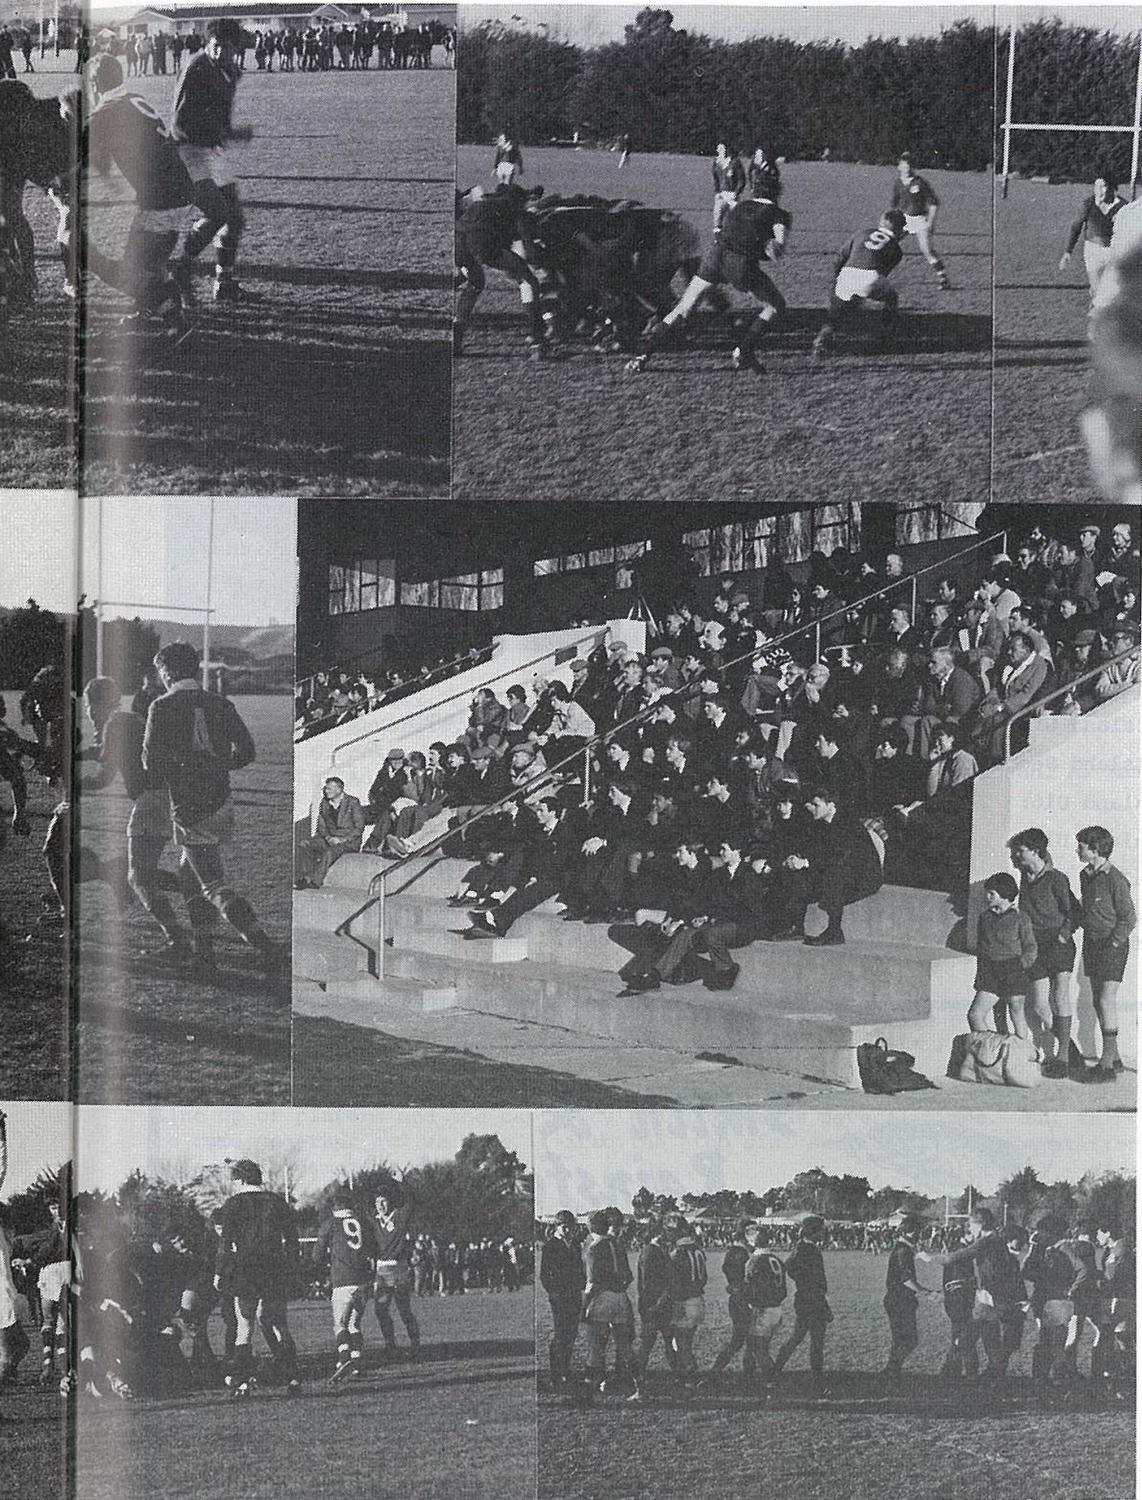

v Timaru Boys' High, won 58-3, half time 20-0

Played in miserable conditions at Oreti Park. School overwhelmed a light but willing Timaru team. Strong tackling by our backs cut them short. A. James had a fine game on the wing, scoring a 'hat trick' of tries.

Team Members:

- John Mawhinney (Captain No. 8) - Had an outstanding season. A strong and experienced loose forward. Played well at the end of the line-out. Possesses good ball skills which enabled him to be an effective link between backs and forwards. Dedicated to the team's cause, he led by example.
- Gary Adam (Loose Head Prop) - Developed into a strong and mobile forward. Made splendid progress and reached representative status in his first season as a prop.
- Derek Nind (Hooker) - Exceptional striker. Proved to be a fearless competitor and will be a great asset next season.
- Boris Ngatai (Tight Head Prop) - Big and strong. A formidable scrummager who will go a long way in rugby if he develops more determination.
- Rex Capil (Lock) - Aggressive. Came with a late run after a serious leg injury. Good lineout jumper and a steady scrummager.
- Tony Hunt (Flanker) - Has considerable ability and will be a formidable opponent next season. Was quite devastating with the ball in hand.
- Michael Broughton - Started to perform creditably towards the end of the season. Needs to work on fitness.
- Dean Hunt (Flanker) - Had an exceptional season. Devastating ground work was the key to the team's ability to create and win so much ruck ball.
- Robert Murrell (Half back) - Courageous player. Receptive to advice. Passed well off either hand. Strong tackler.
- Jonathan Hitchcock (2nd 5/8) - Played well in interschool matches. Aggressive on attack and defence.
- Mark Dawson (Centre) - Exceptionally fit. Excelled from broken play. Backed up well on both attack and defence.
- Gerald Swain - An awkward runner who developed well in the course of the season. Tackled strongly.
- Geoffrey Scully (Wing) - Converted from 1st 5/8 and proved to be an exceptional 3/4. Fast off the mark. Also acquitted himself well at 1st 5/8. Again will be decided asset next season.
- Nathan Walker (Full back) - Converted from No.8 and had an exceptional season. Possesses all the necessary skills to be an outstanding full-back. Needs to work on fitness. A powerful goal kicker (over 200 points for the season).
- Ross Murray (Vice-captain (1st 5/8)) - Very strong tackler. His season was marred by niggling injuries. Backed up well when fit.

Training, teaching

Aaron James (Wing)
 Dean Heydon (Wing)
 Todd McLeay (Wing)
 Paul Nepia (Full-back)
 Douglas McWilliam (Prop)

- Possesses useful ball skills and is very determined. A deceptive runner whose play improved during the season. Will be a decided asset next season.
- When motivated capable of strong football. A hard tackler.
- Did not get many opportunities. Quick off the mark but lacked experience. A valued team member.
- Has considerable potential but lacking sufficient determination at present. Should develop next year into a formidable opponent. Needs to work on fitness.
- Light of build but a useful scrummager. Also mobile about the field. Another valued team member.

Others to play for the team included Raymond Young and Mark Roderique both of whom left during the season.

2ND XV RUGBY

Captain: John Monteath

Coach: Mr I. Baldwin

The second Rugby XV under the watchful eye of Ian Baldwin had a relatively successful season in the town U18 competition, finishing in 3rd equal place along with Cargill HS 1st XV.

This year, as always, coaching was difficult as the side was generally young and inexperienced with only a few players returning from the previous year. Also hampering progress in the early stages of the season was the bad run of restrictive injuries incurred by players in key positions. This resulted in an ever changing line up of players and the captaincy changing hands several times. But things started to come together and we made it into the 'top six' section of the competition for subsequent games.

Then came the interschool fixtures. Our first encounter against the 'bigger' Otago Boys' High 2nd XV we won relatively easily, 27 points to 8, after gaining early control. On the unfamiliar hard grounds of Waitaki Boys' High and with an again rearranged forward pack and backline we suffered at the hands of their 2nd XV. Against King's High we were unlucky to lose to the much bigger and stronger 1st XV.

The highlight of the season was probably the 3-all draw we scored against the eventual competition winners, Pirates, thus being the only team to not lose against them. We were also successful in defeating the 1st XV of James Hargest HS on two occasions.

I would like to take this opportunity to publicly thank Mr Baldwin on behalf of the team for all his dedicated service, training, teaching and advice over the season, as I believe we have all learnt a lot about rugby and about ourselves. Thanks also to Mrs Baldwin and family for sacrifices made during the season.

UNDER 16 OPEN "A"

Coach: Mr Shields

This year the team enjoyed a successful season winning the town competition and two inter-schools against Fiordland College and Wakatipu High School.

Mark Scully kicked for the team throughout the year and was successful many times. Other players to show ability were A. Pedlar, S. Walters, C. Kura-Wharepouri for their hard, penetrating runs. These and others made a technically excellent, hard running back pack. The forwards this year were extremely hard and fast. They supported the backs well.

A special thanks to Mr Shields for giving up his time and coaching us so well.

The Team: Backs - A. Pedlar, J. Goomes, C. Ross, N. Seargent, M. Mawhinney, S. Walters, C. Kura-Wharepouri, M. Scully, S. Enright.

Forwards - P. Simpson (Captain), A. Brown, G. Perkins, S. McAulay, S. Taane, P. Eastwood, R. Scobie, M. Dermody, N. Young, P. Sushames.

Points: For 21, Against 137

Although the team failed to win a game this season they pushed most of their opponents very close and team spirit remained very high throughout the season. The forwards played impressively throughout the season and provided the backs with a good source of ball. The backs lacked experience but improved well throughout the season and obtained valuable experience which will help them greatly in future years. Special mention to G. Hayes, A. McAlley, T. McLeod, S. Barraclough and A. Copeland for their consistent effort throughout the season.

The team thank Brendon and John for their coaching and continuous support throughout the season.

The Team: L. Welsh, A. Copeland, G. Hayes, T. McLeod (Captain), A. McAlley, B. Hancock, S. Barraclough, G. Syme, A. Kennard, A. Hodge, D. Tiata, M. Bloomfield, D. Ngatai, J. Trotter, N. Trotter, J. Reid, M. Henstock and R. Welsh who played when available.

3rd to Competition

Captain: S. Nicol

Coach: Mr Cooper

Played 8, Won 5, Lost 3

We started the season with a team of mostly forwards, so we had to develop a few forwards to play in the backs. This did not hamper us much, as by the end of the season, we had a very good back-line. We had the capacity to come 2nd in the competition but this was lost when we narrowly lost to Cargill and Hargest.

On the whole we had a good season and the team would like to thank Mr Cooper for giving us his time.

The Team: S. Nicol (Captain), R. Tait, B. Morris, P. George, T. Hughes, P. Lock, N. McWilliam, W. Ellis, R. Anderson, S. Bragg, B. Davis, A. Hamilton, M. O'Connor, T. Taleni, D. Vaeluaga, M. Wallace, L. Dunn, D. Raurimu, S. Keast, M. Sharp, C. Morris.

UNDER 16 RESTRICTED 'RED'

Captain: P. Rance

Coach: Mr Adams

This year the Under 16 Restricted Red team did quite well considering their size and weight deficit. The team combined well and soon developed into a tidy unit which was able to better their bigger opponents. At times the forward pack played surprisingly well against other well drilled packs. The pack, which was led by P. Rance, put in excellent efforts which shocked their opposition.

The backs, lead by Vice-Captain D. Gellatly, defended well on occasions and used the ball well when they received it. The backs performed well, like the forwards, to run in a few good tries. T. Ryley on the wing ran with determination and the rest of the backs filled in their positions well.

The kicking berth was shared between T. Pollock and D. Gellatly throughout the season.

The team would like to thank coach, Mr Adams for giving up his time for us. We would also like to thank Mr Rance and Mr Deacon for their assistance. Also a special thank you to the parents for their support.

The Team: Full Back - T. Pollock, Wings - T. Ryley, C. Deacon, D. Fairweather, Centre - S. Ashford, 2nd 5 - N. Perkins, 1st 5 - D. Gellatly (VC), Half Back - N. Leith, A. Brice, Number 8 - T. Dunlop, B. Wilson, Flankers - B. Sadlier, J. Symons, Locks - B. Ellis, G. Bunting, Props - C. Duncan, D. Reid, S. Hansen, Hooker - P. Rance (C).

UNDER 16 RESTRICTED 'BLUE'

Captain: D. Hore

Coach: Mr Murcott

It was a very successful season with the team losing only two games and finishing second in the competition. Both losses were to Cargill and both very close games 8-16, 12-8.

The teams progressed well and with forwards and backs working together; there was always support for the ball carrier. This was a great advantage against other teams.

Many thanks to our coach Mr Murcott for his dedication during the season.

The Team: D. Sadlier, S. Watson, S. Raynes, M. Perriam, S. Prendergast, S. Mathieson, O. Eastwood, S. Forrest, D. Gilbertson, D. Horo (Captain), N. Chilton, T. Cavanagh, T. Hamilton, L. Toshach, M. Grandiek, D. Kuiti, L. Mawhinney, D. Duthie, G. Smith.

UNDER 15 RESTRICTED 'BLUE'

After a Trial, the names of those who would represent the above team for 1984 were read. Coming together for the year proved to us that all was not well and our practices were not of the highest standard. There were to be 4 teams in our competition and our No. 1 Red fifteen team proved to all that they were a pretty well balanced outfit. Our coach for the season was Stephen Cundall, a seventh former who did his very best with us at training, but I am afraid to say that full support was not forthcoming. Our fitness was not of a high standard and perhaps with a better team effort we could have finished further up the ladder than 2nd.

Our club games were played on Saturday mornings at 10.15 a.m. at different venues and we played our best rugby at Oreti Park on good, dry surfaces. The highlight of the year would have to be when we were victorious over our SBHS Red team when we met at Boys' High and beat them 4-Nil. Good wins were also recorded over Cargill and James Hargest. We also had our share of losses.

Our grateful thanks to Mums and Dads for their full support in getting us to rugby on time. See you all next year guys, rain, hail or whatever.

The Team: Robert Anderson, Shaun Kilkelly, Timothy Robson, Kelvin Hamilton, Matthew Edwards, Tony Stewart, Martin Godfrey, Mark Smith (Captain), Nigel Molloy, William Sheddan, Shane McLister, Heath Pannett, Michael Canning, Mark Colyer.

Reserves: Duane Skeoch, Stanley Kells, Andrew Baird, Anthony Roberts, Gordon McMillan.

We began the season well by winning our first few games before losing to Kingswell 32-9. Woeful tackling let us down badly in this game which was dominated by one Kingswell player who scored all their points. However, the team came back strongly for the rest of our games including the final against Kingswell 14-10, to take out the competition. Games played 14, Won 6, Lost 5, Drew 3, Goals for 38, Goals Against 27.

A delightful performance by our team. It is the first time the school has beaten Otago Boys' in ten years. Goals for us were scored by David Frost, Grant Cuff and Daryl Fowler.

Having lost to us last year Linwood were really out for revenge this season; we were unable to contain them despite an early goal by Grant Cuff.

v King's High School: SBHS lost 2-1

This was one of the more enjoyable inter-schools, despite a loss for us. King's has always been a classy team as was proved by their performance in the NZ Secondary Schools tournament. Our goal against King's was scored by Jeffrey Moreton.

Tournament

For the first time in many years the team had the opportunity to enter into the New Zealand Secondary Schools Tournament in Christchurch. There were 32 teams competing from all over New Zealand, and some classy soccer came out of the tournament.

Our team unfortunately lost all of its group games, and was only able to save face after beating Lincoln and Logan Park High Schools. Our final placing was 27th which was admittedly a little disappointing; however everyone enjoyed the experience and Invercargill has been asked to host a mini Secondary Schools Tournament in 1985.

DB Tournament

The School participated once again in the annual DB Tournament. We lost 2-1 to both Waihopai and Marist; both of these teams however will not take the School team lightly in the future, for the games were gruelling encounters. The School was well represented and completed the 1984 season in good form.

PEN PORTRAITS

Brent Guild (Captain)
Left Half

- (8 goals: played in all games). A very competent and skilful player. Brent led by example throughout the whole year and played a vital role in midfield. Especially capable in beating his man.

David Frost (Vice Captain)
Right half

- (6 goals). One of the most experienced players in the team. Very skilful with excellent control. Reads play well.

Paul Chalmers, Goal Keeper

- (Played in all games). Probably the most consistent player in the team. Pulled off some spectacular saves. Excellent tackler and very aggressive.

Greg Scobie, Centre Fullback

- (2 goals: played in all games) Vital link in the defence. Excellent in the air. Does not panic under pressure.

Paul Lawrence, Sweeper

- (Played in all games). First class man-to-man marker. Organised defence excellently. Reads play well.

Gareth Williams,
Left Fullback

- (1 goal: played in all games). A very agile player. Excellent in the air. Keeps his head when under pressure.

Ivan Grieve, Centre Half

- (2 goals). An intelligent young player who plays very controlled soccer. Adjusted well to senior football.

David Goodwill, Right Winger

- A pacy winger who earned a place in the starting team through hard work.

Grant Cuff, Striker/Half

- (16 goals: played in all games). Dynamic player bursting with pace and skill. Football minded and ever present.

Jeffrey Moreton,
Striker/Fullback

- (19 goals). Gained total confidence in his ability throughout the season. Scored tremendous goals.

Nicholas Alterio
Striker/Half

- A very versatile player whose aggressive play earned the respect of the opposition.

Daryl Fowler, Left Winger

- (10 goals, played in all games). A tireless worker whose good control and pace outstripped the opposition.

- Ian Gray, Left Winger
- One of the youngest players in the team, with perhaps the strongest shot. Often injected life into the forward line.
- Dean Gerken, Striker
- (1 goal). A valuable player at the Secondary Schools Tournament. Earned more confidence with each game.
- Graeme Robertson,
Striker/Half
- A talented young player who created many scoring opportunities. Good ball control.

Our special thanks goes to Mr Gilroy for his patience throughout the season. Also thanks to Mr Goodwill who took a very active part in team administration and management this year.

2ND XI SOCCER

Captain: Grant O'Callaghan

Coach: Mr Goodwill

The team was entered in the Second Grade competition, up one grade from last year. Retaining seven of the team from last season, allowed the players an early feeling of success. Playing against older and more experienced players, forced the new members to make mistakes and on occasions tempers flared. With positioned changes made during games and throughout the season, it was often a case of "make or break" for certain players. In these cases it usually was a success.

Soccer today is often played by individuals rather than a team. Our players always played as a team rather than a group of individuals. Teamwork was always evident when the team scored a goal. Team confidence fluctuated with our performances but the team was always enthusiastic. The team did not score very highly in each game, even though the opposition defences were severely tested. The team put their best into every game and this was obvious throughout the year. A major disappointment to the team was the cancellation of the interschool fixture against Gore High School.

A special thanks goes to Mr Goodwill for all his time and effort throughout the year. With his coaching, support and encouragement, the team performed to its utmost capabilities consistently.

Games played 17; Won 1, Drew 3, Lost 13, Goals for 32, Goals against 64.

The Team: Grant O'Callaghan (Captain), Michael Tapper, Dean Riddle, Richard Bell, Ian Codd, Steward McDonald, John Williamson, Chris Tansley, Dean Gerken, Dean Gillam, John Moore, Grant Gerken, Craig Hamilton, Nguyen Chau, Jason Stevens, and our thanks to the members of the 1st XI who regularly played for us and also the Under 15 members at the end of the season.

UNDER 17 SOCCER

Captain: Grant Gerken

Coach: Mr Edwards

1984 proved to be quite a successful season for the team considering the fact that it was the first year playing soccer for most of us. We won 3 out of our 10 games and one of them by a six goal margin.

Players: Grant Gerken, 10 goals; Craig Hamilton, Vice Captain, 3 goals, tried hard to play good soccer; Aaron McKnight, great header; Stephen Bayley, good endurance; David Wilson, goalie and 31 goals (own); Philip Ramsay, great striker; Ian Logie, long kicker; Shaun Ryan, great skills; Allan Henderson, good attacker; Matthew Yarnell, life of the team; Dean Gillam, great slide tackler; John Moore, 5 goals; Stephen Laurie, great crosser; and Andrew Winder, good clearer.

Thanks to Mr Edwards for his time and effort and to Mr Goodwill.

v Timaru Boys' High School: SBHS won 6-0

A good victory for our team again this year. It was a spirited performance by Timaru Boys' and they kept us on our toes right up to the final whistle. Goals were scored by David Frost (1), Grant Cuff (1), Jeffrey Moreton (2), Brent Guild (2).

Tournament

For the first time in many years the team had the opportunity to enter into the New Zealand Secondary Schools Tournament in Christchurch. There were 32 teams competing from all over New Zealand, and some classy soccer came out of the tournament.

Our team unfortunately lost all of its group games, and was only able to save face after beating Lincoln and Logan Park High Schools. Our final placing was 27th which was admittedly a little disappointing; however everyone enjoyed the experience and Invercargill has been asked to host a mini Secondary Schools Tournament in 1985.

DB Tournament

The School participated once again in the annual DB Tournament. We lost 2-1 to both Waihopai and Marist; both of these teams however will not take the School team lightly in the future, for the games were gruelling encounters. The School was well represented and completed the 1984 season in good form.

PEN PORTRAITS

Brent Guild (Captain)
Left Half

- (8 goals: played in all games). A very competent and skilful player. Brent led by example throughout the whole year and played a vital role in midfield. Especially capable in beating his man.

David Frost (Vice Captain)
Right half

- (6 goals). One of the most experienced players in the team. Very skilful with excellent control. Reads play well.

Paul Chalmers, Goal Keeper

- (Played in all games). Probably the most consistent player in the team. Pulled off some spectacular saves. Excellent tackler and very aggressive.

Greg Scobie, Centre Fullback

- (2 goals: played in all games) Vital link in the defence. Excellent in the air. Does not panic under pressure.

Paul Lawrence, Sweeper

- (Played in all games). First class man-to-man marker. Organised defence excellently. Reads play well.

Gareth Williams,
Left Fullback

- (1 goal: played in all games). A very agile player. Excellent in the air. Keeps his head when under pressure.

Ivan Grieve, Centre Half

- (2 goals). An intelligent young player who plays very controlled soccer. Adjusted well to senior football.

David Goodwill, Right Winger

- A pacy winger who earned a place in the starting team through hard work.

Grant Cuff, Striker/Half

- (16 goals: played in all games). Dynamic player bursting with pace and skill. Football minded and ever present.

UNDER 15 RED SOCCER TEAM

Coaches: Grant Cuff
Brent Guild

Overall a pretty good season, considering having had a small squad of 12 members and also jumping a grade higher from 13th grade to the 15th grade. We would also like to thank our coaches for dedicating their time and effort to allow us to play on Saturdays. The top scorer for the season was J. Soper. We came 4th overall in the competition (13 goals).

The Team: C. Humphries, J. Halder, J. Teremoana, G. Cuff, C. O'Callaghan, J. Cowans, I. Fraser, J. Stevens, B. Turnbull, A. Lock, J. Soper, R. Hawke.

Southland Representatives:

C. Humphries, B. Turnbull, C. Stevens, J. Soper, C. O'Callaghan

UNDER 14 BLUE SOCCER TEAM

Captain: Roger Carman

Coaches: Greg Scobie
Gareth Williams

Games played 8, won 2, drawn 1, lost 5

Goals for 16: Goals Against 17.

The team played consistently all year and was very unlucky not to have won more games. The forward line of Jonathan Peterson, Dean Hubber and Vance Pritchard combined well and penetrated most defences with ease. The midfield was the base from which the attacks were launched, with Hamish Blick providing some pinpoint passes which split open opposition defences. The defence was strong and kept out many attacks, with Robert Mitchell and Daryn Dore combining well with the midfield to provide extra fire power. The most improved players were Paul Lawrie and Vance Pritchard.

Many thanks to Greg and Gareth, our coaches.

The team: Roger Carman (Captain), Geoffrey Ogier (Vice Captain), Andrew Moore, Dallas Collingwood, Craig Brown, Daryn Dore, David Smith, Paul Lawrie, Jonathan Peterson, Dean Hubber, Vance Pritchard, Hamish Blick and Robert Mitchell.

Southland Representatives:

Daryn Dore and Roger Carman.

SENIOR SOFTBALL

Back row: Mr D. Cooper (Coach), N. Somerville
Middle row: D. Heydon, A. Poy, S. Walters, D. Fowler
Front row: N. Perkins, R. Capil, D. Vaeluaga

SOFTBALL 1ST IX

This year saw the most successful Softball team represent the school.

The School's senior team again entered the Dalgety Travel New Zealand Secondary Schools Championship. In the regional tournament played on week nights, the school team, taking the game too lightheartedly, narrowly defeated Kingswell 3-2 and went through to the final defeating Menzies College 10-2 to qualify for the South Island finals in Timaru. In the previous two tournaments, School had finished second and third, so wanted an improvement this year. In a very controversial opening game, with confusion over the time limit, the SBHS team were eventual winners over Marlborough College 16-8, with Mr Cooper's administration work fully tested. In the next game against Burnside High School we were narrowly defeated 4-6, and this game saw the end of the tournament for two key players, Captain Rex Capil and Dean Heydon, through injury. This put extra pressure on the younger members of the team, Darren Vaeluaga and Allan Poy, but they pulled through well and the team went on to defeat Taieri High School 13-4. This left SBHS and Burnside High School tied for first equal after Burnside lost to Marlborough but they were eventual tournament winners since they were four runs better in run difference. So, in the most successful tournament yet, finishing 1st equal, SBHS missed out on going to the New Zealand finals in Auckland by 4 runs.

The return trip from Timaru coincided with the Kings Interschool, and the team continued on its winning way - defeating Kings 12-2 in five innings.

From this year's team, many of its members continued to higher honours. Rex Capil and Dean Hunt represented Southland Colts and Under 18 while B. Heydon and D. Heydon were selected in the Southland Under 18. D. Fowler (Captain), N. Sommerville, S. Walters, A. Poy and B. Smith all represented Southland Under 16.

The team would like to thank Mr Cooper for his enthusiasm and support and most importantly for his organisational work.

The team:

- Neills Sommerville (Pitcher) - Carried the burden of being the team's only pitcher but did his job well.
- Brent Heydon (1st Base) - Proved an inspiration to the team and a constant source of amusement - "whisky" proved a capable and reliable 1st base.
- Brett Smith (2nd Base) - A top batter and reliable fielder - good future with the school team.
- Darryl Fowler (3rd Base) - An experienced team member, Darryl is a sharp fielder and a consistent batter who could be relied on.
- Allan Poy (Left Outfield) - Started the season slowly - but improved his worth at the South Island finals. A powerful "pressure batter" and a reliable outfielder. Exciting prospect.
- Dean Heydon (Centre Outfield) - An experienced player - reliable fielder but disappointing with the bat. Injury problems at vital time.
- Sean Walters (Right Outfield) - A strong batter and safe fielder - but lacked dedication at vital times.
- Darren Vaeluage (Outfield) - Young member gaining valuable experience who was thorn in the deep end when injuries hit and proved his worth.
- Nigel Perkins (Outfield) - Another young member but had little opportunity. Needs to concentrate on his batting and show more dedication.
- Dean Hunt (Vice Captain, Catcher) - Powerful batter, probably biggest hitter in the team. Dean also took over as Captain - doing a good job. Probably the most dedicated player in the team - a fine example for younr players to follow.
- Rex Capil (Captain, Shortstop) - In his final season for the school Rex proved a capable and reliable leader. Led by example and a dedicated player who worked the team hard. A reliable and consistent batter and a safe fielder.

SWIMMING

In March the Southland Boys' High School swimming team attended the South Island Secondary Schools' swim meet held in Christchurch.

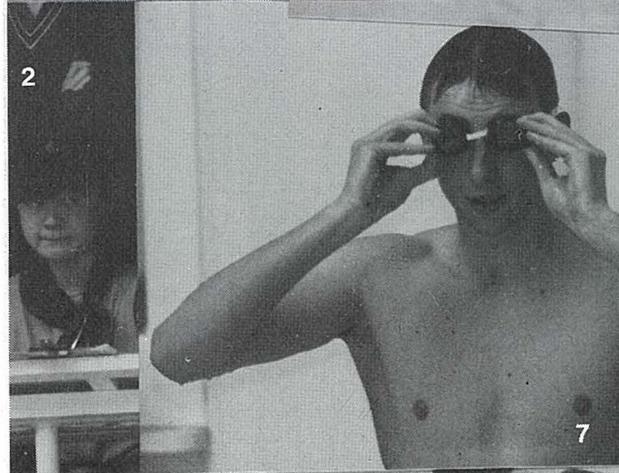

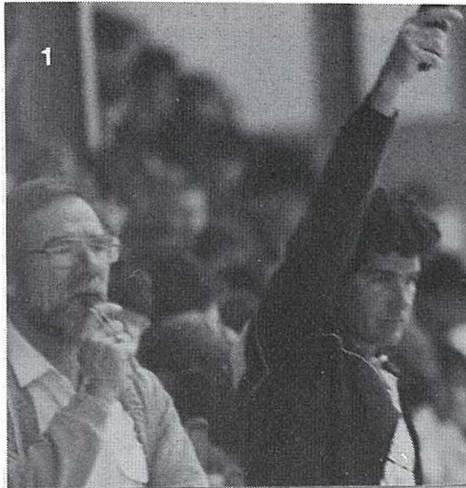

This year the school team produced its best results yet by coming 1st on points. These points were gained by excellent performances from Richard Tapper, Michael Lawson, and Andrew Hamilton. Those three when joined by Wayne Evans produced the 4 x 50m Freestyle relay team which took out the race in record time for the third time in three years. This outstanding effort slashed almost three seconds from the old record held by the school.

Other team members to perform well were Scott Flynn and Mark Campbell.

The swimmers would like to thank Miss McCarthy for her supervision and support during our trip to Christchurch.

Tennis

INTERSCHOOL TENNIS

Back row: T. McLeay, M. Broughton

Front row: J. Cantrick, M. Williams, J. McKenzie (Captain), L. King, B. Smith

TENNIS

Captain: J. McKenzie

Coach: Mr Edwards

This year's inter-school tennis team had only two remaining senior players, so the team was largely rebuilt. The position of coach was taken up by Mr Edwards who was a great help, especially in keeping team spirits up. We are very thankful for his supervision and organisation.

The players were:

John McKenzie

- Played consistent tennis all season performing especially well against Otago Boys. He possesses strong topspin, ground strokes and solid volleys. He is a determined and authoritative player who could improve his concentration.

Michael Broughton

- Has quick reflexes with strong flat ground strokes and solid volleys often surprised higher ranked opponents. Michael performed well in doubles.

Todd McLeay

- Plays a consistent game with his main weapon being his forehand, which, when used to effect, is very devastating. He could improve his attitude though.

Mark Williams

- Mark's game matured markedly throughout the season as did his results. He should be a valuable member next year.

David Frost

- A very consistent player but lacked power. He played well against King's saving the day when he had to win in straight sets to secure a win.

John Cantrick

- Another very reliable player who served the team well, especially against Otago Boys'.

Greg Scobie

- Played in the Otago Boys' inter-school performing creditably against strong opponents.

- | | |
|-------------|--|
| Lance King | - Of the juniors, has an all round game that should improve with age and experience. |
| Barry Smith | - Whose 'never-say-die' attitude served him well when the going got tough, hence a successful 'volleyer' who often surprised larger opponents. |
| Paul Lamb | - He always tried hard and was a credit to the school as was Lyndon Stevens. |
| Tim Pollock | - A 'Queenstown' import who showed he is capable but his concentration needs improving. |

Inter-School Fixtures

v St Andrew's College (away) 7.12.83

Played at the end of the school year. St Andrew's was a very strong team which included a New Zealand ranked player. Their overall strength proved too much as they were looking to redeem their loss of last year. The weather was hot and perfect, and a close and exciting contest took place. The pressure really went on during the second day as the rubbers were tied but eventually we lost 14 rubbers to 15 mainly because our juniors performed so well.

v Shirley Boys' High School (away) 19.2.84

Shirley provided us with a much greater obstacle than we had foreseen. There were some close and exciting matches played with our top doubles pair winning both their doubles matches. The overall result was a 13.3 loss.

v Otago Boys' High School (home) 12.3.84

As always Otago Boys' had a strong combination with Otago junior representatives filling all their seedings. Invercargill turned on the weather and all the matches were played in good spirit and produced close and exciting matches but we lost by 17 rubbers to 4.

v King's High School (away) 19.3.84

With this being the later inter-school before the winter months everyone was keen to do well. With certain players unavailable the team was pressured to perform. The matches were all closely fought with competition keen. The teams were very closely matched and the rubbers were tied after the first day's competition. Going into the second day we knew what was before us and it came down to the last match which died the rubbers at 8 apiece but on a countback of sets, we won.

Volleyball

The team performed well in its interschool challenge with Kingswell although being narrowly defeated.

The numbers of the team fell as the members succumbed to the prejudice and pressures from other school members, pupils and staff alike, to play another "less slack" sport. The very keen and spirited team deserved more than this.

In the Staff/Pupil match played in the school gym, the staff started with a narrow lead in the early stages of the game and then the pupils excelled and overtook the staff to win by a reasonably narrow margin.

Overall the experience gained in the quiet winter term will be invaluable in the busy summer terms to come. The team Manager/Coach, Mr Lawrence, arranged several interschool challenges for later in the year.

Waterpolo

SHBS (2), Won 1, Drew 1, Lost 2

B. Herman (Captain), J. Grant, P. Simpson, B. Gawn, M. Tapper, T. Mackay, M. Broughton, J. McKenzie, S. Cockeram.

It was not a successful term as far as placings in the competition go but a team with promise and potential. Main point scorers were Simpson and Cockeram. Most embarrassing game was getting beaten by SGHS. Most enjoyable time was watching McKenzie get his hair wet against Verdon. With lots of practice over the holidays SBHS 2 could win another game.

LIFE ABOUT SCHOOL

- 1 Mr Deacon: 'The trick is not to let go when the bullet hits it..!'
- 2 Ross & Gimblet: Those shots should be worth BIG money.
- 3 'Well, we can't find the ball. Play on!'
- 4 Heading for the finish
- 5 Jaws '84 - Just when you thought it was safe to relax.....
- 6 The right hand knows what the left is doing/Psst! You with the camera. I know you're there.
- 7 The Long, the Tall, the Short Staffed. Variety the spice - to coin a phrasier.
- 8 If I put a nought in that square, I win.
