

Southlandian 2018

Lest We Forget

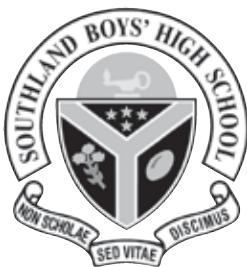

RECTOR'S SPEECH

2018 has been a year of new challenges for Southland Boys' High School. These have been faced on a number of different levels and each has brought its own tests.

Change is always a challenge and can be a very difficult and time-consuming process. This has certainly been the case for us this year and as the term draws to a close it is right for this to be acknowledged here today. What should also be acknowledged is that those effected by the changes of 2018 have a long association with the school and have taught, over the years, both fathers and sons who sit before us today.

Staff changes are also a natural part of this time of year and I would like to wish all of those who are moving on to other opportunities every success in their future, as we prepare to welcome new members to our team for 2019.

The teaching staff will gather tomorrow to thank those who are leaving Southland Boys' High School and to recognise their contributions to the rich history of the school. The commitment of the teaching staff is once again something I wish to praise. Not only do the students of Southland Boys' High School receive a high quality of teaching in the classroom, they also have the opportunity to take part in a wealth of co-curricular activities, which is key to the development of the young men in our care.

From the performance stage to the sport's field and then out into the open countryside, the students have potential to challenge themselves and gain valuable life skills and experience. This can only be possible with the continued efforts of the staff, and for this they deserve our gratitude.

These efforts are very much ongoing; we have staff and a group of young men who left today for a 30-day trip to Nepal, during which they will carry out vital community work and 1st XV of 2019 are very busy fundraising and preparing for a trip to South Africa early in the New Year.

It is also key that the strong base of parent and community support for the school is recognised and thanked. The PTA whose hard work and cheerful demeanour is the backbone of many school functions and the ever strengthening Old Boys' Association, whose time and energies are spent supporting the students of the school they are so proud of.

I would like to take this opportunity to acknowledge and thank one specific group of students, the outgoing Prefects of 2018. These young men, led by Head Boy, Tim Price, and under the guidance of staff have been obvious and instrumental as student leaders this year. They have introduced a number of legacy events and once again raised the bar of expectation for the incoming prefects of 2019. This would also be true of the leavers of 2018 who have set a strong example to the younger members of the school and as they depart today for the next chapter of their lives we wish them all well and remind them of the School motto, which applies now more than ever; take the learnings from school and use them well in life.

Southland Boys' has once again in 2018 stood above others in the sporting arena and continued to make its presence felt in this context with many regional, national and international champions gaining well deserved success. It is also notable that our boys achieved very well in the academic arena with a pleasing number of scholarships being awarded to our leavers this year.

It is a continual and ongoing goal to raise the profile of the academic and cultural successes of the School to meet the already formidable performances in the sporting arenas. In this way we will continue to educate the whole boy and produce

rounded and balanced young men now and into the future.

As the year draws to a close and the summer stretches before us please remember to take time for your family and friends and be safe on the roads and near the water.

I wish you all a happy and restful break and may we all have a prosperous new year.

Simon Coe

SBHS REPORTS

Board of Trustees

Kia ora

Good Evening Mr Coe, school staff, distinguished guests, parents, whānau, caregivers and students of Southland Boys' High School.

'Pre-eminent', as defined by the Concise Oxford dictionary means; Outstanding, foremost, leading, excellent, prestigious, renowned. These superlatives are not mere words they are the Vision for this school, a vision upheld by the Board and strongly supported by our Rector. Personally, I will never stand and make a statement that I do not inherently believe to be correct. Pre-eminence needs to be established in all pillars of education, academia, trades, culture, art and sport. This is who we are and this is where we are heading. School of first choice for boys within this city, province and beyond is the future.

Pre -eminence cannot be the status quo and requires change. Change is in reality constant and is a natural stage of evolution. We as a Board also fully understand that change, particularly significant change, is difficult which is the case for the school this year. We live in a village, we are all related

in one way or another. Whether it be by family, neighbourhood, work, sport, school, university, we are all connected. Change affects us all professionally and personally but the vision and belief are real. The commitment to the vision is unwavering with forward progression and momentum continuing.

During this year of change and progress the Board would like to thank a number of people. Firstly Simon Coe our Rector. Mr Coe is not from elsewhere, he is from Southland. Simon and his family are valued members of our village, they are our people. On behalf of the Board we thank Simon for his strength and commitment to the vision. To all staff within the school thank you for your professionalism when it counted. Finance – The school has stared down adversity, recreated a robust model and from there we have moved forward. The new hostel roof is a factual example of what a robust structure can achieve. I would also like to acknowledge the contribution of all ancillary staff, Coldstream House management, our Kaumātua, Herewini Noho, caretaking staff and cleaning staff. I would also like to thank the following organisations that are intrinsically linked to this school and to our community – the Old Boys' Association and the PTA. Also, The Ministry of Education an "industry good" organisation who have supported the Board and the school with sound professional advice, including providing tangible resource whenever required. This has been appreciated.

For my Board – Willie Menlove, Jan Ormsby, Ken Dykes, Peter Heenan, Sarah Brown, Charlene Withy. I have always been fortunate to have strong Board members but our present board is unique in the fact that all external members have been previous Board chairs. Coupled with a full range of governance skills this has been of great benefit to me and this school. Teacher's representative Warren Ruwhiu is insightful and steady and our Student representative Matt Maginn has wisdom beyond his years. Also a welcome to our new student representative Kaea Edwin. All of your efforts have been immense and much appreciated.

On behalf of myself and my fellow Board members the strategy is clear. The Board and the school has a clear vision, "SBHS the school of first choice for boys." Under the leadership and guidance of our Rector Simon Coe this vision is becoming a reality. I do not make statements that I know are not real and in a few years' time this vision will be obvious in all levels within this school. SBHS will ascend to a level of excellence, a new legacy that this school and this province will be extremely proud of.

John Rabbitt
BOT Chair 2018

Coldstream Hostel

Coldstream Hostel has been providing a home away from home for over 100 boarders, for many years. At Coldstream, we endeavour to provide a supportive family environment that encourages academic, emotional and physical development for boys from all parts of Southland and throughout New Zealand.

The boarding establishment is a comfortable, welcoming place where students are given the opportunity to mature and take their place in the wider community. Coldstream boys' keep Southland Boys' High School true to its rural heritage, values and traditions. Boarders at Coldstream Hostel have always been high achievers, their names gracing academic, cultural and sporting Honours Boards around the country and internationally.

Each year we endeavoured to make improvements to the Hostel environment. 2018 has been a special year where we have replaced the roof, purchased a van to transport the boys to their after-school activities as well as redesigning the Queen's Drive gate to allow vehicles to enter and exit at the same time.

As ever, the constant support from the Southland Boys' High School Management and Board of Trustees has helped facilitate these improvements and to provide Coldstream with a better boarding environment.

Thanks to all Coldstream staff for their commitment, compassion and caring of our hostel boarders.

2018 has been a very busy year and as I reflect on the past 12 months, I recall a lot of fun times and positive behaviour. I wish the leavers all the best for their future and look forward to welcoming our new intake for 2019.

PTA Report

The PTA has an important link with the school and in 2018 we again continued with our successful Surf 'n' Turf raffle and Blokes 'n' Shed fundraisers.

While fundraising is our main focus, we have also been able to donate to the school the following items:

- Signage around the school
- New basketball hoops and basketball uniforms
- Three shelter tents with signage
- Prize-giving donation
- Weights machine for the gym

To the young men who have reached the end of their school years at Southland Boys' High School, the PTA wishes you every success for the future and congratulates you on your achievements during your time at Southland Boys'. We also thank parents, caregivers and whānau for their support over the years and to those boys returning, we look forward to your continued support.

Bridget Jennings and Michelle Larsen

Argentinian Ambassador Visit

On Tuesday 20 February the school welcomed the Argentinian Ambassador, His Excellency Mr Fausto Lopez Crozet and Mr Paul Casson from Venture Southland, with a Powhiri. His Excellency Mr Fausto Lopez Crozet was visiting the region and talking about future development between Argentina and Southland.

Left to right: Mr Paul Casson, His Excellency Mr Fausto Lopez Crozet, Tania and Herewini Neho.

Head Prefect's Speech

I would like to take this opportunity first of all to welcome you all here tonight. My name is Tim Price and I have had the honour of being your Head Prefect for 2018. Those of you who have sat through numerous assemblies this year will know that public speaking is not my strong point, but here we go. Please bear in mind that it is harder for me to do, than for you to listen too.

It is hard to believe that seven years ago I pulled on the Southland Boys' High School uniform for the very first time, and tonight is my last. What an incredible journey it has been, and the short timid little boy of 7 years ago displays no resemblance to who I am today (well except for the shortness).

Personally, I have enjoyed my time at Southland Boys' and wouldn't have it any other way. I have taken advantage of the wealth of opportunities and new experiences and I would encourage you all to do the same. It's a cliché to say, you don't appreciate your time at school until it is gone. For the class of 2018, next year will be the start of a new chapter in our lives, whether its further study at university or at polytechnic, an apprenticeship, overseas experience or dagging lambs, we will be separated for the first time in 7 years. Everyone will have a different journey through life but whatever you do, do it to the best of your ability.

When I started at Southland Boys' High School so many years ago, my overriding ambition was to get into the 1st XV and academic achievement ran a very distant second. However, my perception has changed and the teaching staff had other ideas. With their dedication and perseverance it has allowed me to achieve results I didn't image were possible. So, thank you for that.

The pinnacle of my Southland Boys' High School life would be my rugby years. The culmination being the Highlanders' final last year at home, where we found ourselves down by 15 points late in the second half to arch rivals Otago Boys'. However, in a spirited fight back we won on the final play of the game. One week later we also got over the line on the last play of the game against a strong Christchurch Boys' side which sent us to Top 4 Nationals up in Palmerston North. The crowd that came out to those games to watch the "Royal Blue" was unbelievable and made me hugely proud to play in the prestigious jersey and call myself a Southland Boys' High boy. The experience playing in Palmerston North against the 2 top New Zealand teams was both exhilarating and downright scary, but an experience I will never forget.

There is such a diversity of cultures here and it is a testament to the staff that each and every student has been given the opportunity to develop their individual strengths and differences. We have been mentored and encouraged every step of the

way, and on behalf of myself and my fellow students I would like to personally thank Mr Coe and the teaching and support staff. Personally, I would like to make special mention of Ms Hepburn who has guided me through many years of my least favourite subject, English, with some success. Also, Mr Roberts and Mr Welsh, your patience and humour got us both through some trying times in the classroom. Mrs Roberts and Mrs Petelo, your quiet guidance and unrecognised support has been very much appreciated by myself. What I have learnt from all of you, I will keep for life.

Southland Boys' High School has provided us boys with a reliable and sociable environment in which to develop and grow. We have learnt, enjoyed ourselves, played some great sport, performed exceptional spectacles, formed friendships and we have made mistakes and learnt from them. Thank you again to our teachers and our parents for standing by us as we grow from boys to men. It is not always an easy journey, for you or for us, but we made it. Now it is our time.

To the men who have been and gone before me, and to all the fine young men in this room, thank you for supporting me as your Head Prefect this year. I'm not going to lie, at times I have wondered whether I was good enough, and deserved this honourable role. I doubted myself that I wouldn't live up to previous head prefects, but I have never stopped attempting to be a leader who did not let you down. Being in this role has been an unreal experience and also challenging at times. I have learnt and developed as a person, so much since taking this role, but have got back from you far more than I have given, and I am so grateful for that.

Tonight, we are here to congratulate those who have made the most of 2018 at Southland Boys' High School. To those of you who have received a trophy, or an award or a certificate, my congratulations to you. It is an acknowledgement of your talent, dedication and work ethic. By taking those attributes with you in life you will no doubt succeed, whatever you decide to embark on.

My personal motto has always been "Be yourself" and I have tried very hard to live by this. At times this is a hard thing to do when all we really want to do, each and every one of us, is to fit in. But boys, if you take nothing else from my speech tonight, please hear this..... always be yourself, and listen to that little voice inside you that tells you right from wrong. If you are around a situation that makes you feel uncomfortable, like bullying or unwanted behaviours, please step in and speak up and be heard. I assure you, that once you do, others will join in. Don't be afraid of being different, be afraid of being the same as everyone else.

A whole lot of what I have achieved in my years here at Southland Boys' is not down to me, it has been down to my friends and family. I am lucky enough to have been surrounded by a group of boys that all have something different to offer and that is what

makes them so great. We have spent plenty of good times together and I hope there are many more to come. You boys know who you are and it has been a pleasure.

I have to thank all three of my older brothers for teaching me the rights and wrongs and for your guidance throughout my life to date. From a young age, you have led the way with your footsteps and I have followed. Side by side or countries apart, my brothers will always be in my heart.

My greatest achievements have come down to two influential people, Mum and Dad. I feel very privileged to have two driven, however, supportive parents by my side. My early years, I know were traumatic, but there is a saying. "There's always light at the end of the tunnel, some tunnels are just longer than others". You have given me direction, inspiration and advice when I have needed it the most. As a result of this I have been able to accomplish so many goals I never thought were possible. I am forever in your debt and I can't thank you enough, for your love and support and for everything else you have done for me. Not just me, but thank you for the lengths you go to for us kids. As 2016 Head Prefect Flynn Thomas said, "People seek material wealth, but to see your mother smile and to receive the honourable handshake from your father, is all the reward I need". I hope I have made you proud of who I am today.

My time at Southland Boys' has come to an end, however I will take all our memories, learnings and friends out of the Southland Boys' gates, and will cherish these for life. If you see me out on the street boys, please be sure to stop and say hello. I wish the returning students all the best through the rest of their schooling years. I also wish the incoming Head Prefect all the best for 2019. To the Leavers of 2018 I wish you the very best in your journey through life, and thank you for being part of the incredible year that was 2018.

Tim Price
Head Prefect

MUSEUM REPORT

This has been the year of the shockingly sudden, unjustified loss of our Southland Museum & Art Gallery. The significance of this for our School Museum is that the Southland Boys' High School Museum is now Invercargill's only Heritage Museum. This is an unreasonable and unnecessary burden to be placed on a school museum and it is hoped the situation will not last too long. Many concerned citizens, including your archivist, have tried very hard to secure a reversal of this ill-judged decision. In the meantime continue to visit and use our facility, which is your own.

The School Museum has enjoyed another busy year although the main concern is still a lack of display and storage space. But this doesn't reduce the enjoyment and often surprise of all those who visit and whose expectations of a Museum in a tractor shed are not high! Those of you who know the Museum well will notice the following recent changes;

An increase of the number of photographs of first day and early pupils on the picket fence in Bay 1.

An aisle display of Indian clubs, which were sourced from St Johns Girls' School. These significantly have carved into one of them the initials and name of the first President of the Southland Girls' High School. Obviously this was done when she was at school and the relevance to our school is that both Boys' and Girls' High Schools shared the same Conon Street building until 1907 when the girls moved to a new building in Forth Street. It was not until 1948 that they moved to the present wooden building in Tweed Street. Sharing the same aisle wall as the 'Indian' clubs is a memoir from former Southland Boys' High School teacher Arthur Deaker, who observed the girls arriving back at Southland Boys' High School for gymnastics, which involved the swinging of these clubs as follows; '... In those days the Girls' High School was only two blocks away and droves of the little angels flitted round one corner. They also came

as classes to our Gym, where they climbed, vaulted and swung clubs in preparation for matrimony ...'

Relocation of portraits of the first 4 Rectors to a position on the left aisle opposite Rectors 5 to 11. Our present Rector is the twelfth since 1881.

Installation of the original 1926 door handles beneath the early Rector portraits. The doors themselves can be seen in Bay 4.

A second lectern has been installed in Bay 3 on which are displayed two albums of our Fallen from World War II. Over several years, with cooperation from the Army, Navy and Air Force we have succeeded in securing photos of most of these former pupils of our school, lost to the 1939-1945 conflict. Where a photo remains stubbornly unobtainable a photo of his grave/ship/aircraft has been substituted. This makes our ANZAC commemorations even more meaningful for the 25 seniors who every year commemorate 25 Fallen and can now keep a photo of the young man they are honouring.

Old Boy Brian Roberts, who had donated the mortar bombs 'stolen' from the Armoury a few years ago, presented us with a valuable miniature cricket bat purchased by him in London and signed by the entire NZ team who were victors at Lords in 1958. Former Rector Jack Alabaster's name was among the signatures and a visit was made to him in retirement in Alexandra to have him sign the reverse. This valuable artefact is now displayed in a special case on the aisle at the entrance to the sports section.

The junior school was approached by the group involved with commemorating the liberation of Le Quesnoy, France, in late 1918. However, the proposed time-consuming exercise requested, was decided against by teachers, possibly because none of our own Fallen were involved in that WWI event.

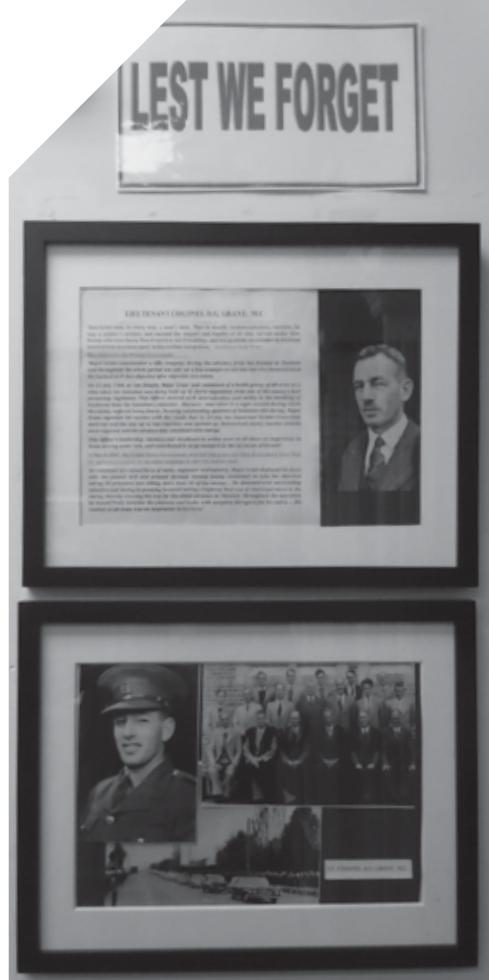

Nine genealogical enquiries have been received so far this year. Not only has interest been heightened during the course of the Centenary of World War I, but there is also an increased interest in genealogy and family history enquiries generally.

I have had an on-going correspondence with David Grant, son of former Rector and War hero Lieutenant Colonel Don Grant, who received the Military Cross as well as the US Silver Star. He died while still Rector in April 1963. David has written a book about his father 'A Voyage Around My Father'. The story is told in Bay 3 in the Museum. David Grant spoke to Old Boys and visitors at a well-attended function in the Staffroom inspired and organised by Old Boy Ken Bowie.

I am also involved in on-going correspondence with author Keith Ovenden re his research for his biography of Sir Geoffrey Cox, our most famous Old Boy (1923-27). He bequeathed all of his medals, both civilian and military to our school. These are in a display case in the main foyer where the story is told of his career, beginning with a Rhodes Scholarship (see Rhodes photo display in foyer) – and its continuation through a long eventful life. He covered the Spanish Civil War as a Journalist, served with distinction in WWII and as aide de camp to General Freyberg and became our first Ambassador to Washington, sharing the conference table with President Roosevelt and PM Winston Churchill. He then went on to found Independent Television News, ITN, which pioneered television news reporting as we know it today. He always remembered Southland Boys' High School, in his own words, 'with affection'.

Another author, Jock Vennel, has made use of the information in our Museum in research for his book about the family and circumstances of the four Christopher Brothers all killed during WWI.

Local author too, Alex Glennie, has written a book about Bluff and especially the fascinating story of the Bluff Train, on which many Southland Boys' High School boys rode, sometimes notoriously! Alex Glennie pays tribute in his book to Francis Kipling Dixon, a pupil of this school who was killed while a passenger on the Bluff train in April

1917. A memorial photo of him can be seen with the Bluff train display in the Museum. This fascinating pictorial book will be launched on Sunday October 28 at 2 p.m. at Te Rau Aroha Marae, Bluff.

With Heritage month coming up in March 2019, I plan to feature our Museum again in the programme of events as it has proven popular with the public in the past.

COMMUNITY SERVICE

SADD

This year Southland Boys' High School created a Students Against Dangerous Driving (SADD) Committee led by Brayden Ward, Daniel Cocker and Martin Cole. This was the first ever SADD committee at Southland Boys' High School. SADD is a nation-wide organisation that empowers young people to make safer and better choices on the road and works in cooperation with school committees to ensure that the message spreads. The chairman of the SBHS committee for 2018 was Brayden Ward who attended the 2018 South Island conference in Dunedin. At the conference, the student representatives learnt about road safety, statistics and how they can best target young people and help save lives. The SADD committee at SBHS worked with Katherine Blake from SADD NZ who gave us posters to put up around the school. We created the new house film competition with the theme for the films needing to encourage safe driving. The

SADD representatives for SBHS in 2019 are Kapila Tohiariki and Brayden Thomas.

The Environment

In 2018, as environment prefect working with Miss Petelo and Miss Cross, we organised a weeding group at Thomson's Bush to help tidy up the area and give back to the community. This was in cooperation with the Year 7 and 8 Science Club and several senior students who would travel

down to Thomson's Bush each Wednesday afterschool to do weeding for a couple of hours. Our group grew throughout the year as more boys decided that they wanted to give back to the community, whilst doing service to the school which was great to see.

Organising this programme for SBHS involved many meetings with the Invercargill City Council Parks Department and Environment Southland to do the planning and health and safety work. It was hoped that a possum, rat and stoat trapping group would also start at Thomson's Bush, run by senior students, however there

SADD

is a lot more planning required for this. It is hoped that this programme will start in the next few years. SBHS has secured over 100 traps to use at Thomson's Bush from the Omaui Land Care group who are lending their old traps to other pest control groups.

Special thanks to Miss Petelo and Miss Cross for all the hard work they put in this year with leading the group and planning this project.

In Term 3, the prefects helped Plunket by fundraising outside Windsor New World for the day. This was a great way to give back to an organisation that helped many of us when we were younger and continues to help many families across New Zealand. It was also a great opportunity to talk to members of the community.

Daniel Cocker

Fundraiser: Kakapo Recovery Programme

After previously sponsoring an injured young Orangutan named Peanut, following a school trip to Borneo a few years ago, the school decided to sponsor a species much closer to home that is in a lot of trouble. The Kakapo is a large green flightless parrot and was once found throughout New Zealand until introduced mammals such as rats, cats, possums and stoats nearly drove them to extinction. The last remaining Kakapo survived in parts of Southland such as in Fiordland and on Stewart Island. Many of the remaining Kakapo are now on offshore predator free islands in Southland and during the breeding season some chicks are raised in captivity in Invercargill. There are currently only around 150 Kakapo left in the world today. In Term 4 the Year 8 students held their market day and raised funds which went straight to helping the Kakapo Recovery Programme as they prepare for the next breeding season. A Department of Conservation ranger who works in the Kakapo Recovery team came to speak to the students at assembly.

Daniel Cocker

Community Art Project

Year 10 Art students, Jonathan Steininger (above) and Hunter Heslin (below), contributed their skills to a community mural, initiated by the South Alive Group, at The Pantry in South City. This was a combined project to beautify the community, with student representatives from each school taking part.

AWARDS & Scholarships

Blues Awards

Blues at Southland Boys' High School are awarded to senior students for Academic, Leadership, Cultural and Sporting excellence. On rare occasions a particularly gifted Y10 student may receive a Blue.

PREFECTS:

Daniel Cocker
 Luke Gilchrist + Academic
 Blake Harper + Cricket/Rugby
 Zach Mirfin + Rowing/Water Polo
 William Murrell + Academic/Music/Trap Shooting
 Tim Price (Head Prefect) + Academic/Cricket/Rugby
 Maru Raea (Deputy Head Prefect) + Kapa Haka/Music
 Will Scully (Deputy Head Prefect) + Academic/Debating
 Flynn Sinclair + Swimming/Water Polo
 Corbin Strong + Cycling
 Brayden Ward
 Sean Withy + Cricket/Rugby

Scholarships 2018

Dr John Goodsir Scholarship (for Structural Engineering at Canterbury University) – Edward Langlands

Boyd Family Public Relations Scholarship (for Public Relations and communication) – Brayden Ward

Back Row (L to R): Josh Burnett, William Murrell, Daniel Cocker, Will Scully, Kenneth Singleton
Front Row (L to R): Tim Price, Luke Connell, Flynn Sinclair, Timothy Smith, Maru Raeaa

ILT Scholarships

The Invercargill Licensing Trust Tertiary Education Scholarship Programme was introduced in 2007. It was designed to select up to 60 Invercargill students each year, who receive a scholarship to attend a Tertiary Education Institution. Each scholarship is to a value of \$2000.00 per year and is granted for a three year period, so in any one year, up to 180 Invercargill students can hold ILT scholarships.

Congratulations to the following students from Southland Boys' High School who are 2018 recipients: Joshua Burnett, Daniel Cocker, Luke Connell, William Murrell, Timothy Price, Maru Raeaa, Will Scully, Flynn Sinclair, Kenneth Singleton, Timothy Smith.

Elman and Alfred Poole Scholarships

Elman is a son of the late Philip Poole, who was part of the early settler Poole family from England and a well-known cabinetmaker and musician in Invercargill in the 1920s. Elman studied at Southland Boys' High School and the University of Otago, from which he graduated with a degree in Medicine in 1944. Elman specialised in Neurology with scholarships at Oxford University and posts in London at the Institute of Psychiatry and the National Hospital for Nervous Diseases. After a Rockefeller Fellowship to the Mayo Clinic, he returned to the Radcliffe Infirmary in Oxford where he has now retired. His brother Alfred also qualified in medicine and played an important part in healthcare in Invercargill.

These prestigious scholarships were established by Dr Elman Poole in 2013.

The 2017 Southland Boys' High School recipients are (pictured from left to right):

CANTERBURY UNIVERSITY:

William Murrell and Tim Smith

OTAGO UNIVERSITY:

Tim Price (Health Sciences) and Daniel Cocker (Science)

Youthmark Awards

Congratulations to the following students who received a prestigious Youthmark Award in 2018. These awards are funded by the ILT with the purpose of recognising Southland students who excel in the academic, sporting and cultural arenas.

Fifty awards are given out each year and all Southland secondary schools are allocated a number of awards based on their Year 13 roll numbers. This year Southland Boys' High School was allocated the following 5 awards.

Joshua Burnett

During his time at Southland Boys' High School, Joshua has contributed to the life of the school as well as maintaining an impressive academic record and an international sporting reputation. Joshua is a role model for leadership for the younger students in his position as a Peer Support Mentor. He was awarded a Sporting Blue and an Academic Blue in 2017. Joshua also achieved overall Excellence endorsements in both Levels 1 and 2.

As a passionate bike rider, Joshua has raced BMX for 10 years. In 2015, he transitioned to racing mountain bikes. In 2018, Joshua placed second at the National Cross-country Championships and placed first at the National Secondary Schools' Championships in Rotorua.

Joshua has been selected for the New Zealand 2018 World Championships team to compete in Switzerland in 2018.

Joshua intends to study Law at the University of Otago whilst pursuing his dream of becoming a professional mountain biker.

Daniel Cocker

Daniel became a Prefect in 2018 holding the Environment and Pastoral Portfolio. During his time at Southland Boys' High School, Daniel's passion for the environment has grown and he has become an active participant in the community through his volunteer work with environmental groups. Since 2015, Daniel has volunteered at Bush

Haven, a native bird hospital in Otatara, where he helps care for injured birds. In late 2016, he began working on setting up a pest control programme at Thomson's Bush to control rats, possums, stoats and hedgehogs. This involved meetings with the Invercargill City Council, Parks and Recreation and Environment Southland. Daniel has secured, through the Omaui Land Care Group, over 100 traps for the school to use.

Daniels' volunteer work has also led him to involve the students of Southland Boys' High School in the community, by setting up a weed control programme at the nearby Thomson's Bush. This was achieved by working with the school Science Club to get students interested in the environment.

In 2019, Daniel plans to attend Otago University where he will study Zoology and possibly Ecology with a view to pursuing a career with the Department of Conservation.

Flynn Sinclair

Flynn has excelled in sporting and academic arenas during his time at Southland Boys' High School. He gained General Excellence in Year 10 and achieved Level 1 with an Excellence endorsement and Level 2 with Merit. Flynn was named Best All Round Student in Year 11.

Flynn achieved a New Zealand Triathlon title in 2016 as a member of the Southland Boys' High School team and has twice placed in the top six in the Individual event at National level.

In 2018 Flynn gained fourth place in the New Zealand Secondary Schools' Open Water Championships. He has won the Across Lake Te Anau Swim in the open category twice and is the current record holder. Flynn is the current record holder for the Ruby Island Pro Elite Swim, winning the event in 2017. Flynn has been a Southland Swimming Representative since 2012 and set a new South Island record as part of the Southland Relay team. He has multiple South Island titles.

Flynn is going to study Engineering at the University of Canterbury and continue with swimming and multisport.

Corbin Strong

Corbin has enjoyed success in cultural, academic and sporting activities during his time

at Southland Boys' High School. In Years 8, 9 and 10, Corbin was the Southland Boys' High School Speech Champion. He gained overall Excellence endorsement in Level 1 and overall Merit endorsement in Level 2. Corbin was the recipient of the Best All Round Year 12 Student award.

Corbin has played many sports for Southland Boys' High School including the U15 Tournament rugby team. He has been a Southland rugby representative and captained the South Island U48 rugby team and the New Zealand Marist Rugby team.

From 2016 Corbin's focus switched to cycling where he has achieved sixteen National titles and is currently ranked Number 1 in the World for the U19 Omnium event.

At the 2018 Oceania Track Cycling Championships, Corbin won Oceania titles in the Omnium, Individual Pursuit and Madison events. Corbin won a bronze medal in the Team's Pursuit at the Junior World Championships in Italy in 2017. Also in 2017 Corbin won both the Junior and Senior Sportsperson of the Year in the Southland Secondary Schools' competition.

In 2019, Corbin will study Law and Business at Massey University, whilst being part of the New Zealand Track Team.

Sean Withy

Sean excels in sport, leadership and academic arenas. For the last five years he has represented the Southland Boys' High School in 1st XI Hockey, 1st XI Cricket and the 1st XV Rugby teams. Sean represented Southland in all three of these sporting codes and was a part of the Southland Men's Development Cricket team as well as the Southland Hawke Cup squad. He has also represented Southland in cricket and rugby since 2012.

Sean has played both cricket and rugby at National level, being part of the Southland Boys' High School 1st XV team to make the rugby Top 4 Championships in 2016/2017, and the Otago U17 cricket team in 2017/2018, which placed second in the National tournament in 2017.

Sean became a Prefect in 2018, as well as Head Boarder and Prefect of Coldstream Hostel. He was also the captain of the 1st XI Cricket team and 1st XV Rugby team. Sean demonstrates tukana teina as a Year 7 Maths Tutor and coach for the Year 7/8 Baby Blues rugby team. He gained overall Merit endorsement in Levels 1 and 2.

In 2019, Sean plans to study Sport Science and Performance Analysis at the University of Canterbury, whilst furthering his sporting career with his focus being rugby.

HOUSE Competitions

This year we introduced four new house competitions to try get a different range of people involved in the house competition with a different variety of sports and a brand-new competition. This included dodgeball, basketball, football and a house film competition, with the theme for the short films having to incorporate the message of safe driving. The dodgeball, basketball and football were all held in the gym at lunchtimes and were run by the prefects and Mr Meijer. These sports were open to students from years 9 to 13. Later in the term the Year 7 and 8s had their own dodgeball tournament held in the gym, which was also run by the prefects.

Staff vs Prefects games

Prefects won Dodgeball, Staff won Basketball.

SBHS vs SGHS Prefect games

This year the SGHS prefects hosted the prefect games in their gym, where the SBHS prefects played 3 games against them over 3 weeks. SBHS won both Dodgeball and Basketball convincingly to win the overall series, however, the best game was the last game as SBHS and SGHS battled it out in a close final match of Netball with SGHS taking an early lead in the first quarter. It wasn't until the last two quarters where SBHS caught up and levelled the scores at 16-16 until SGHS managed to get a few late goals to win 18-17. SBHS won Dodgeball and Basketball. SGHS won Netball.

HOUSE POINTS 2018

Event	Coldstream	Deaker	Grant	Pearce	Uttley
<i>Sports Day</i>	100	60	50	75	40
<i>Round the Park</i>	50	25	35	35	20
<i>Cultural Terms 1 & 2</i>	40	68	68	50	100
<i>House Video Comp</i>	15	50	25	35	0
<i>Service</i>	50	75	40	100	60
<i>Inter-house sport</i>	32	52	40	20	36
TOTAL:	287	330	258	315	256

In a closely fought battle, Deaker won the competition, overall, by a mere 15 points from its closest rival, Pearce. Coldstream came in third, followed by Grant and Uttley.

Coldstream House:

House Captain: Blake Harper

Deputy: James Riordan

House Leader: Mr L Dunn

Staff Members: G Allan, D Sheppard, S Bishop, C Mason, A Hughes, J Moore, J Paskell, C Laurenson, B Morgan, F Ward.

Deaker House:

House Captains: Caleb McKenzie and Motai Hogg-Kingi

House Leader: Mr S Meijer

Staff Members: M Sasaki, J McSoriley, J Adamson, K McKinnel, B Ward, S Cameron, J Dermody, N Lamont, A Hildebrand, S Fitzgibbon, R de Goldie

Deputies: Luke Connell and Elisara Kuresa

House Leader: Ms J Cross

Staff Members: A Bisschops, C McIlwrick, L Hepburn, I Mockford, P Parkinson, P Dunckley, H Petelo, K Mortimer, K Tull, N Boyce

JUNIOR SCHOOL

This year has been another busy year with boys being involved in a lot of different opportunities across the Curriculum.

The year started off with the Year 7 cohort being introduced to a stalwart of the Southland Boys' Calendar with Sports Day! Some descriptions given were, "Spectacular!", "Colourful!", and, "...the only time you are going to be a Smurf for a day!" The boys embraced the day with some great costumes and head to toe paint. Many boys qualified for the Southland Boys' Championship Day to be held the following week. We had six Junior School students who broke Southland Boys' records on Championship Day and that was followed by eleven boys taking first place in their event at Southland Primary Schools' Athletics.

Polyfest and SingOut Choir are always highlights on the school calendar and this year did not disappoint. We were honoured to have a small group of Year 8 boys (Blake, Patini, Maiti, Tasi, Tyler-Toni and Jayden) represent the Junior School at the annual Polyfest. The boys delivered an outstanding performance. Sing Out was also great and this year we had some Junior School students also join in with the senior choir, which was a great opportunity for them.

Both year levels were lucky enough to have their annual Camps this year, with the Year 7 students off to Borland Lodge in Term 2 and the Year 8 students making the trek into Deep Cove in Term 3. All the students who attended camps thoroughly enjoyed them and it was great to hear about their experiences on their return. Camps are such a great opportunity for the boys to experience different things and get outside of their comfort zone. The Year 7 classes were lucky to have members of the Year 13 Outdoor Education class join in on their camps and this added another element of the 'older looks after younger' philosophy of the school. I would like to make a special mention to all the parents who came along on the camps, as without your support the camps would not run.

On the Sports Calendar the students always look forward to our summer and winter inter-school with Balmacewen Intermediate from Dunedin. Both inter-schools involve approximately 60 students and it is something everyone gets excited and competitive about. During the summer

inter-school the boys compete in Touch, Water Polo, Tennis and Cricket and the winter Inter-school involves Basketball, Football, Rugby and Hockey. It is always a tough competition and a great fixture for the students to get involved in and give them a taster of senior school inter-school's to be involved in, in the future.

Throughout the year boys have also had the chance to compete in SMAC Maths (where we had 8 teams from the Junior School), ICAS Exams (English and Maths) and Chess. It is great to see a large number of boys wanting to participate in these events.

During the Term 3 holidays we had a large number of boys head away to Sports Tournaments where they were representing Southland: Hockey, Football, Basketball, Rugby League and Rugby. All of these boys did extremely well and we had the following boys named in South Island Rugby Teams: Jerome Buckley, Ethan Brock, Thomas Jennings, Jak Morton and Adam Hair. Jak was also named the Southland Rugby Under 48kg Player of the Year.

Over the year we have had boys compete in a huge variety of sports from the mainstream Cricket, Basketball, Rugby right through to Mountain Biking, Track Cycling, Taekwondo and Chess. It is great to see the boys getting involved in such a variety of sports and it is awesome to see how many of them are going on to excel in their chosen code, through dedication, perseverance and talent. We are extremely proud of the boys and it is great to have the chance to celebrate these successes at our Assemblies regularly.

YEAR 7 TRIP TO RIVERTON

Throughout the year we have farewelled Sue Marshall (leave for 2018), Alice Hildebrand (Maternity Leave) and Bryce Morgan (Leave for his Overseas Experience). This has meant that we have been lucky enough to welcome Hamish Skelt, Rosie De Goldie and Ruth Fairbairn to the Junior School team.

As the Head of Junior School, I am lucky enough to be able to visit classes and it is amazing to watch how much the boys grow and mature as they begin in Year 7 as apprehensive young men and leave in Year 8 excited about the prospect of Year 9 and the senior school, and ready to tackle the challenges and adventures they will face.

Andrea Mulligan

Head of the Junior School

Writing from Room 32

Baked Beans

They are a gift from God
They will transform the bod
They are a river from paradise running down my throat
If you're not careful they will end up on your coat
Even though they are a gassy mess
They are unique from the rest
Next time while you're driving your Bugatti
Think twice about getting spaghetti
Baked beans are the next generation

The Lux

The lux is a black hole to nowhere
The lux is a cyclone of dust
The lux is an elephant of thrust
The lux is a portal to who knows where
The lux is a mythical creature from under your bed
The lux is a cannon on wheels
The lux is a machine that picks up your dog shed
The lux is a hoover that sucks up your orange peels
The lux has a sound of terror
The lux has an appetite so delicious
The lux has a suction of an airlock failure
I wish the lux wasn't so violent

Shawn

Year 7 trip to Riverton

Year 7 trip to Riverton

I felt the vibration of the bus
As it rumbled along the road.
I heard the birds singing their songs
As we walked through Long Hilly.
I saw deep, steep and thick bush as we walked.
I wondered if there was any more gold left in the mines.

Jack Bailey

Moment in Time: Riverton

Finally Mr Blakie lets us run back to the bus.
I feel the crusty leaves brush across my face.
I see the bus get closer and closer.
I hear feet stamping along the muddy ground.
I wonder if anyone else's legs ache like mine

Alex the soldier

A soldier named Alex was fighting the Germans in Gallipoli. He was crawling up the side of a mountain and noticed something shiny. It was a crystal, so he grabbed it and made a necklace out of some string in his pocket. He put on the necklace and he felt different, he felt powerful, he felt invincible, so he ran into the Germans trench but as clumsy as Alex is he tripped over and face planted into the trench. The Germans laughed and laughed at him so he grabbed a grenade and dropped it at his feet, the Germans faces dropped and Alex was hoping he would survive. Boom!!! The bomb went off and Alex was standing in a deep hole alive all the Germans around him were in pieces so he went around dropping bombs and killing all the Germans until there were none left. After the war was over Alex came back a hero and passed down the crystal through the generations.

Rotary Youth Merit Awards

Following is the speech delivered by Ms K Hickman at the Rotary Youth Merit Awards presentation:

"It is with pleasure that I introduce you to Ruairidh MacCallum, and join him, along with his parents to celebrate his receiving this award tonight. I nominated Ruairidh to be the Southland Boys' High School recipient because of what I have witnessed as his homeroom teacher. Ruairidh is a boy who never complains or shows any sense of entitlement. He quietly goes about everything with very little need for recognition. This is an opportunity to show Ruairidh that he is appreciated for being himself.

I see when you choose to work with the person that no one else in the class wants to work with...

I see when you spend longer tidying the classroom at the end of the day...

I see when you help a classmate to understand...

I see a lot of things you probably don't realise...

I'm not the only one who sees things. This is how your classmates see you...

'He is honest and trustworthy and an amazing friend.'

'I think Ruairidh is the best in the Class.'

'He always tells the truth when there is an argument over who won a game in PE.'

'Ruairidh is a kind, caring person who always finds a way to cheer you up when you're down.'

And my personal favourite...

'He has a good habit of being good, even when he is on his own.'

Others who teach Ruairidh view him in the same light and shared these comments.

'From day one he adopted the 'Boys' High Way.'

'He has been one of my best Year 8 students all year.'

'He displays a great deal of humility with the excellent marks he receives.'

In his first year at Boys' High he played cricket and hockey, joined the Junior Choir, and was in the ensemble for the Junior Production. He also competed in the SMAC maths team and the Spelling Bee.

This year he has played in the 2nd XI Hockey team, stepping up to fill a gap in a team in which it is unusual for a Year 8 boy to play. He has not only been in the Junior Choir but was also in the school's Senior Choir after asking in Year 7 if he was able to join whilst maintaining his commitment to the Junior Choir. Ruairidh never misses a rehearsal, despite that meaning he spends 4 lunchtimes a week in the Music Room. He has a lead role in the junior production and again competed in SMAC Maths. I asked Ruairidh to compile a list of his involvement at school. It was just a humble list, to which I have added the detail. He did not mention in his list that at the end of Year 7 he was elected by his peers and staff as a Year 8 Ambassador.

It is again with pleasure that I have been asked to introduce you to Ruairidh, who I look forward to seeing grow into a fine young man as he progresses through the school."

Sam Colyer Interview

from Room 19G

Ethan Brock, Willie Beadel and Mathew Speight, Year 8 students from Room 19G interviewed Sam Colyer, who has had an outstanding season of athletics:

When did you start athletics and why?

I started at age 10 at school and found out I enjoyed it and did quite good, so I carried on with athletics.

How much do you train and what is your training schedule?

I train on the track four times a week and go to the gym twice a week with a rest day on Friday, before competing in the weekend.

What was it like travelling to Vanuatu and trialling for the Youth Olympics?

It was a different experience competing with better people and competing against the boy who won gold at the Youth Olympics. He jumped 7.89m and was from Cuba.

Do you play any other sports and why?
I play netball and basketball to stay fit and work with a team.

How do you prepare for your competitions?
I listen to music, do my own thing and don't listen to anyone else.

Where have you travelled for athletics?
I have travelled to the USA, Vanuatu and all around NZ.

What equipment do you use for your jumping?
The only thing I need is my running spikes.

What is the most enjoyable part of your sport?

Not having to rely on other people and competing with friends.

What would you consider your best achievement?
Winning long jump and triple jump at club nationals because I got a PB by 40cm on my last jump.

Who is your coach?
I have had three coaches. My current coach is Chris Knight.

What does your diet consist of?
Healthy food – mostly protein and carbs.

What are your goals for the future?
Make the Commonwealth and Olympic Games and represent New Zealand.

Sam's Achievements last season:

International
Youth Olympic Trials – Vanuatu
Long Jump – 4th place
Triple Jump – 4th place

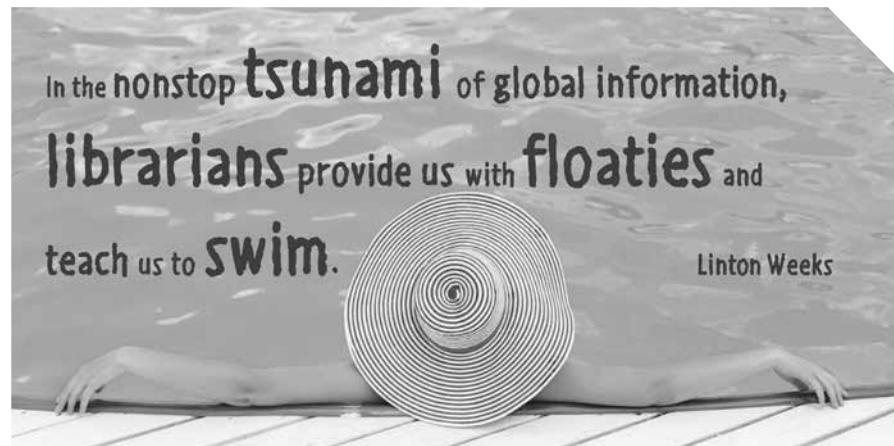

National
NZ Sec Schools' Athletics Championships
– 03 December 2017
Junior Boys Long Jump
– 1st Place – 6.29m
Junior Boys Triple Jump
– 1st Place – 13.58m. PB, NZ Record.

NZ Athletics Championships
– 9-11 March 2018
Long Jump U18 – 1st Place – 6.72m PB
Triple Jump U18 – 1st Place – 13.35m

Regional
South Island Secondary Schools' Athletics
Championships – 23-25 March 2018
Long Jump U16 – 1st Place – 6.44m
Triple Jump U16 – 1st Place – 13.11m
100m U16 – 3rd Place

Southland Secondary Schools' Athletics
Championships – 9 -10 March 2018
Long Jump U16 – 1st Place – 6.33m
Triple Jump U16 – 1st Place – 12.37m
100m U16 – 1st Place

School-SBHS Athletics Championships
Long Jump U16 – 1st Place
Triple Jump U16 – 1st Place
100m U16 – 1st Place

Library Report

Another busy year in the life of the Southland Boys' High School Library. We continue to build on the work we do with classes around teaching essential research skills. We are truly a 24/7 library where we go to classrooms, work with classes who come to the library and provide service and information online through our library web page.

Our whole school community has access to this website through the school website or by using this link: <http://bit.ly/SBHSLIBAPP>

You can search for books in our collection, discover great new books to read, find good quality research sources, and request purchases. There are even videos to watch to show you how to use it.

Staff and students have been using the library for work and play.

During intervals and lunchtimes, the library becomes a lovely social space, where boys play chess, cards or choose other games available. Some of the boys read and work, while others play educational games or work on their coding on the computers. Due to our very keen chess players, we put a call out for more chessboards and had some donated, including a beautiful decorative marble set.

In October, two of our student librarians featured in an article about the youth members of school library teams in New

Zealand. William and Vere represented Southland Boys' with credit. They are both a fine example of students displaying the school values of Service and Responsibility. You can read the article online from this link: bit.ly/SLOCT18

On the horizon, Senga White, the school's Research & Learning Coordinator, has been awarded an NZEI Scholarship for 2019, where she will travel to the UK to investigate collaborative practice between teachers and librarians with a view to bringing new ideas and information back to New Zealand. This builds on the Teaching and Learning Research Initiative-funded three-year project already underway around the place of teacher and librarian collaboration in teaching information literacy skills.

Enjoy a restful summer sprinkled with good books, and we look forward to a new year filled with new friendships, new stories and new learning.

Curriculum 2018

Careers

CAREERS RECRUITMENT

SBHS Old Boys Matt Keil (2001) and Joe Findley (2005) of the Southland District Council's Water and Waste Department, visited the school on Thursday 7 June 2018. Matt and Joe, along with Geoff Gray from Downer Ltd, addressed a group of Year 12 students to discuss employment and development opportunities within the Three

Matt

Joe

Waters sector. The sector is experiencing significant growth and has a focus on recruiting enthusiastic young people – one of the priorities that the local sector leaders have identified.

Both Matt and Joe come through a similar form of engineering apprenticeship/cadetship programme and have progressed their careers through continued extramural study, funded by their employers. The benefits of working within the sector were highlighted, including the countless possibilities for progressing through the leadership ranks of local organisations.

Both Matt and Joe thought it was great to be back at Southland Boys, reminiscing about their school years and addressing the Boys.

course dish ingredients. The teams could not receive any coaching from their teachers during the final cook-off. Edward and Kapila received a Silver medal for their dish of poached chicken breast, chicken mushroom fennel sausage, ginger sweet potato cream, chicken crackling and an apple thyme jus.

This event was originally started back in 1998 as the Kids in the Kitchen event by Chef Paul Krantzke and in 2005 it became known as the Secondary Schools' Culinary Challenge. This is the fifth time the event was held on the Gold Coast. New Zealand has hosted the event once since its inception in 2005.

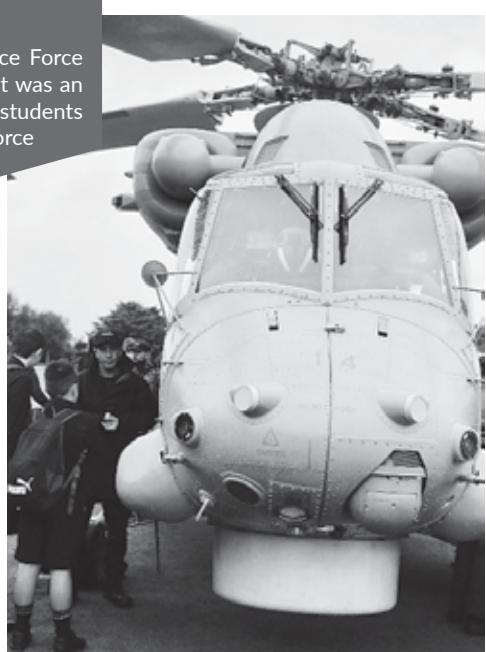

Background information:

The Australian Culinary Federation Queensland is a not for profit organisation and invites Senior Hospitality students from the Asia Pacific region to enter this prestigious competition. Now in its 14th year, the ISSCC will enable young students to engage in cultural exchanges whilst expanding their professional and personal development in the field of Hospitality studies. This engagement with neighbouring countries will also contribute to enhancing their prospects as young chefs of the future.

There were approximately 27 people participating (13 teachers/admin and 14 high school students) in the 2018 event.

DEFENCE FORCE VISIT

On Friday 6th April, we had a visit from the New Zealand Defence Force Seasprite helicopter and No. 6 Squadron. Even in the pouring rain it was an impressive sight to see the helicopter landing on our field. Many students also had the opportunity to talk to the crew and NZ Defence Force Recruiter, Senior Sergeant Jacob Bingley.

L to R: Scott Buchanan (teacher), Kapila Tohiariki, Edward Langlands.

As part of the experience TAFE Queensland Gold Coast's Commercial Cookery teacher Reg Morgan hosted a Bush Tucker Masterclass so that the visiting students could get to experience Australian Bush tucker. Thereafter the competitors attended a Chocolate Workshop in the afternoon before they attended the evening dinner at 5.30pm.

The International Secondary Schools' Culinary Competition (ISSCC) is a live hot cookery international competition for Senior Hospitality school students. The students have 1 hour to show case their cookery skills and work as a team to produce four a la carte restaurant meals, and a practice took place on Wednesday morning 26 September at TAFE Southport's Hospitality Hub. This competition was judged by the Australian Culinary Federation in a commercial kitchen at TAFE Queensland Southport.

As part of the programme the organisers took the students to Dreamworld, Currumbin Wildlife Sanctuary and Murwillumbah Sunshine Sugar Mill, not only to have a fun time at a theme park on the Gold Coast, but also to encounter a unique Australian experience.

This competition started on the Gold Coast in 2005 and was inspired to encourage Hospitality students to join the Hospitality Industry and become young chefs of the future, an industry that is in need of employees.

NATIONAL HOSPITALITY CHAMPIONSHIPS

In August, our catering teacher, Mr Scott Buchanan, took the Southland Boys' High School culinary team to compete in the National Hospitality Championships in Auckland. Every member of the team came home with at least one medal:

Results:

Brock Rogan

Silver (Scones with Balsamic Strawberry Jam)
Silver (Spinach and Feta Quiche)

Brayden Thomas

Bronze (Pumpkin and Parmesan Quiche)

Kapila Tohiariki

Silver (Iced Carrot Cake)

Jimmy-Lee Wilson

Bronze (Chocolate Coconut Iced Cake)

Jamie Bray

Bronze (Smoked Chicken and Brie Quiche)

Secondary Schools' Team Event:

Kapila Tohiariki and Brayden Thomas

Bronze (Beef and Lamb Mystery Box)

CULINARY TEAM

L to R: Jamie Bray, Jimmy-Lee Wilson, Brayden Thomas, Kapila Tohiariki, Brock Rogan

SCHOOL HOLIDAY JUNIOR COOKING PROGRAMME

During the Term 2 holidays, catering teacher Scott Buchanan and our senior culinary team held a junior cooking programme for school students between the ages of 8-13 years. The programme was over three days and each day there were approximately 25 budding young chefs taking part.

They prepared and cooked two savoury items and one treat item each day. Some of their menus included; Chicken Stir Fry, Mini Quiches, Macaroni Cheese, Caramel Popcorn, Fruit Kebabs, Spaghetti Bolognese and much more. They also learned essential kitchen skills and work habits such as cleaning and tidying as they work, food hygiene, how to read recipes and measure correctly. If they had not eaten their food before the end of the day, they took it home for their parents to sample.

This is the first time Southland Boys' High School has held a Junior Cooking Programme during the school holidays and the feedback from the children and parents was very positive. All profits raised from the cooking school went towards supporting the boys in our SBHS Culinary Team who competed at the National Hospitality Championships in Auckland on 11 August 2018.

Digital Technologies

The curriculum of 2018 has reached a major milestone set as a target five years ago. Digital Technologies now has Databases, Web Design, Computer Science and Programming right through to the Year 13 level.

The Year 13 Computer Science class investigated advanced algorithms, software engineering and ventured into the area of artificial intelligence. Students researched factors contributing to making artificial

intelligence for chat bots. The research discovered the increasing integration of A.I. into the world around us and how A.I. chat bots can be used to support those with dementia. Students ran the famous Turing Test which was the major focus of the 2014 film *Ex Machina*. This test requires someone to act as a tester to interact with both the A.I. and a human through a typed conversation. The tester doesn't know which of the two usernames sending replies is the A.I. and if the tester can't tell which username belongs to the A.I. after the conversation then A.I. passes the Turing Test. Currently no A.I. to date has passed the Turin Test

but this was a good learning experience as to the reasons why and the challenges involved.

Programming has continued to grow to new heights with the text-based JavaScript language being used to create games in Years 11 to 13. This was a first for both Year 11 and 13 and now increasing numbers of students are leaving to study ICT, Software Engineering and Computer Science.

The student work of all year levels in this subject is being exhibited for the world to see as a reflection of their efforts and understanding on the subject website <http://digitech.sbhs.school.nz/>

English Faculty

The English Faculty enjoyed the return of Mr Parkinson to full time English teaching in 2018. He brings a level of commitment and enthusiasm to our subject which has resulted in excellent results for his students. Mr Parkinson is returning to his family in Taranaki and his dream job of teaching Digital Media and Film. Both staff and students will miss his dry wit and storytelling, his calm demeanor, his digital skills and 'that' accent. Happy Landfall Parko!

In 2018 we introduced a number of new text resources at every academic level including "Singing Home the Whale" by Mandy Hager, "Thug" by Angie Thomas, All Rights Reserved" by Gregory Scott Katsoulis, "The Knife of Never Letting Go" by Patrick Ness and "Station 11" by Emily St John Mandel. These texts are high interest and engaging and we welcome the investment the school provides for our faculty.

The Year 10 students have rediscovered the importance of Shakespeare and are enjoying producing diverse media presentations including posters exploring Shakespeare's insults, Globe theatre models, small play excerpts and mini and graphic novels. All of this learning enhances our Shakespeare Day competitions which we organize with the Performing Arts Department in Term 1.

This year saw the continuation of our Year 9 and 10 Speech competitions which were

a highlight of Term Two. Monty Hopcroft won the Year 10 Speech Cup with a witty discussion about the vagaries of teachers and Angus McLeay won the Year 9 Speech Cup with a piece about Mosquitos.

The Southland Debating Championships were hosted by SGHS this year and teachers and students.

The Spelling Bee is becoming nicely embedded in the Junior English programme with Toby Smith achieving success in the regional semi-finals held in Dunedin.

SHAKESPEARE DAY

On 8 March, 2018, a colourful procession of students and teachers, in Shakespearean costume, paraded from the Performance Suite, to the front steps of Southland Boys' High School. Here, they posed for the official photographs, before walking back to the Performing Arts Centre to show off their costumes to the judges.

Our judges, Laurel Hepburn, Jenny Adamson and Alex Hughes, had a difficult decision to make, as the costumes were quite spectacular. Students added to the visual effect with movement and gesture. The winner was Elliot Warrender, who wore a Roman Centurion's costume, complete with the correct footwear. Second was Zach Mirfin in Shakespearean robes with magnificent headgear.

First place in the Shakespearean monologue was awarded to Sam White and Joel Morgan, both Year 10 students, for their powerful portrayal of Henry V's

speech beginning 'Once more into the breach dear friends, once more, or stop the gap with our English blood'. Dressed in black cloaks over dark clothing, the performance was spectacular.

Second place went to Aiden Stuart, a Year 8 student, who gave Hamlet's speech to the players on how to present a play.

These young men are to be congratulated for their hard work and study of Shakespearean characters.

ROTARY SPEECH COMPETITION

On 15 March 2018, Isaac Myron and Kapila Tohiariki competed in the Rotary Speech Competition. Kapila was selected for the second round, but was not chosen to go on. His speech was excellent and received spontaneous and prolonged applause. Well done Kapila.

RUSSELL McVEIGH DEBATING CHAMPIONSHIP

This was held in Dunedin on 17/18 March 2018. Two teams from Southland Boys' High School competed. The Senior Team consisted of: Isaac Myron, Kapila Tohiariki and Will Scully, the second team members were: Jared Gilbertson, Joel Morgan and Sam White.

Both teams performed well and won several debates. Will Scully was awarded 'Best Speaker' for three of his debates, and Jared Gilbertson and Joel Morgan, 'Best Speaker' for one of their debates.

OTAGO UNIVERSITY SHEILAH WINN SHAKESPEARE FESTIVAL

On 28 March 2018, a delightful cast gave a fine performance in this competition. Carl Rodmell, Tane Froude, Caleb McKenzie and Kaea Edwin from Southland Boys' teamed up with Joey Sheppard and Serena Lam from Southland Girls' to perform the casket scene from *The Merchant of Venice*. Well done to these young Thespians.

SOUTHLAND SECONDARY SCHOOL DEBATING CHAMPIONSHIPS

These Championships were held at Southland Girls' High School, from 17 to 19 August 2018.

They started on Friday after school with the junior competition, to determine the winners to go forward to compete again on Sunday. Southland Boys' High School had two teams entered in the Junior Section. They were:

Year 10:
Sam White, Joel Morgan,
Dylan Lee

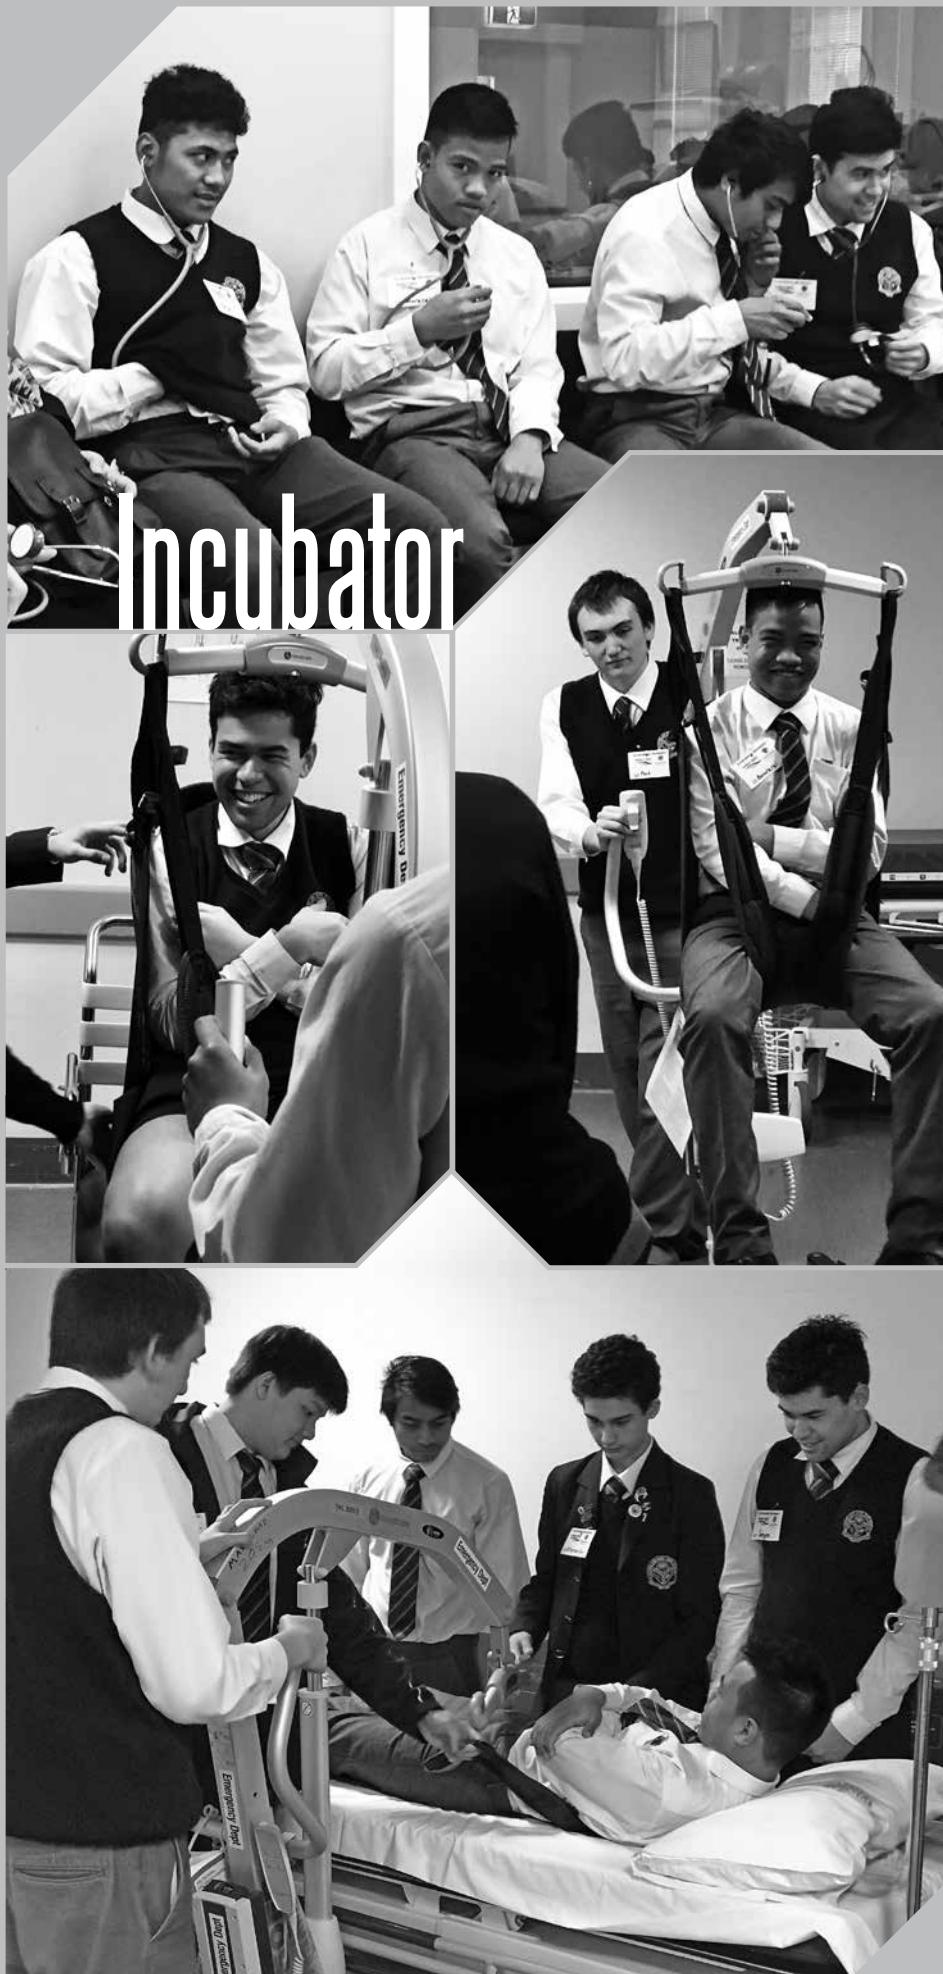

Year 9:
Daniel Titter, Noah Stratford,
Sebastian Carston

Our Year 10 group went forward to compete on Sunday afternoon. They won two of their debates and came third overall in the Year 10 Section.

Our senior team consisted of Isaac Myron, Kapila Tohiariki and Will Scully. They won two of their three debates and Will Scully was awarded the Best Speaker of the Senior Section.

The three teams were well-rehearsed and professional in their appearance, behaviour and speaking skills. They faced stiff competition from the opposing teams, but remained composed at all times. This was the result of many hours of practice, not only in debating techniques, but in presentation and improving vocal skills.

Congratulations and well-done to our students.

Health & Physical Wellbeing

In 2018, Health & Physical Well-being continued to have a strong focus on improving students' fitness levels and allowing classes to participate in a variety of skill development opportunities.

Throughout the year, a large proportion of students achieved good levels both in the Health and Physical Education areas. During the year, students covered a variety of topics in Health such as: Values of the School; Drugs and Alcohol; Smoking; Nutrition; Fitness Awareness; Anatomy; Sport Player Profiles. Health classes had many opportunities for group work, sharing ideas and providing chances for students to share knowledge and discuss topics within smaller groups.

In the practical part of Health & Physical Wellbeing, topics ranged from: Swimming

at Splash Palace; Fitness Testing; Badminton and Table Tennis Striking Skills; Volleyball and Basketball Skills; Turbo Touch; Athletics; Round the Park Running Programme, to name a few.

Fitness Testing ensures students are tested and challenged twice a year to improve their fitness levels. Students work in groups to measure, time and record their fitness levels, all to help in their understanding of the limits of their physical strength.

Physical Fitness Tests include a Physical Strength assessment both for the upper body and lower body, measured by pull ups, press ups and an explosive vertical jump. Agility and speed are measured by a timed agility run. Aerobic Endurance is calculated by the Multi Stage Beep Test, Intermittent Recovery Yoyo Test and finally flexibility is measured by a sit and reach hamstring test. A 12 minute run around the 400m track is another common method to gain a measurable score. This helps determine a student's overall fitness in Terms 1 and 4, gives teachers a great measuring tool and helps students to set goals and see their progress.

Students are also assessed on a variety of practical skills, and with many students taking Health & Physical Well-being at NCEA Level One, practical demonstration and the analysis of skills will gain student credits.

One of the Department's important goals is the social development of our young men within a social group environment. The Social Responsibility Model is an excellent way to continue to build their social skills, team work elements, demonstrate school values and incorporate our motto 'Not for school but for Life we are learning'.

In the senior Physical Education and Outdoor Education courses, many students achieved to a good level, gaining internal standards throughout the year. Students at varying levels gained Merit and Excellence Endorsements (14 + credits). Many standards in Physical Education and Outdoor Education at Level 2 and 3 were similar but taught within a different context. Many students enjoyed and excelled in the Practical Performance standards, gaining very good grades.

Finn Burns Y12

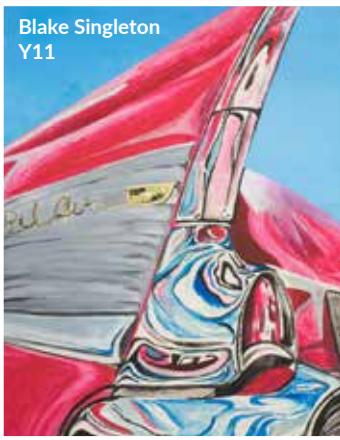

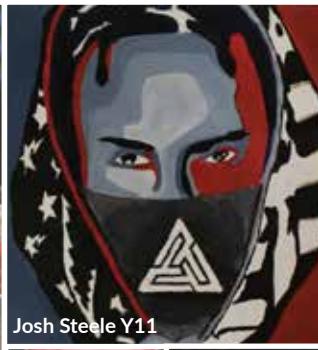

Nico McMurdo

Storm LeQuesne Y11

Kruz Carter Y12

While students enjoyed and achieved in the practical element of the Physical and Outdoor Education courses, the written component of Levels 2 and 3 remained a challenge for some students.

Standout students during 2018:

Year 13PEX: Josh Burnett, Tim Price, Lance Aya

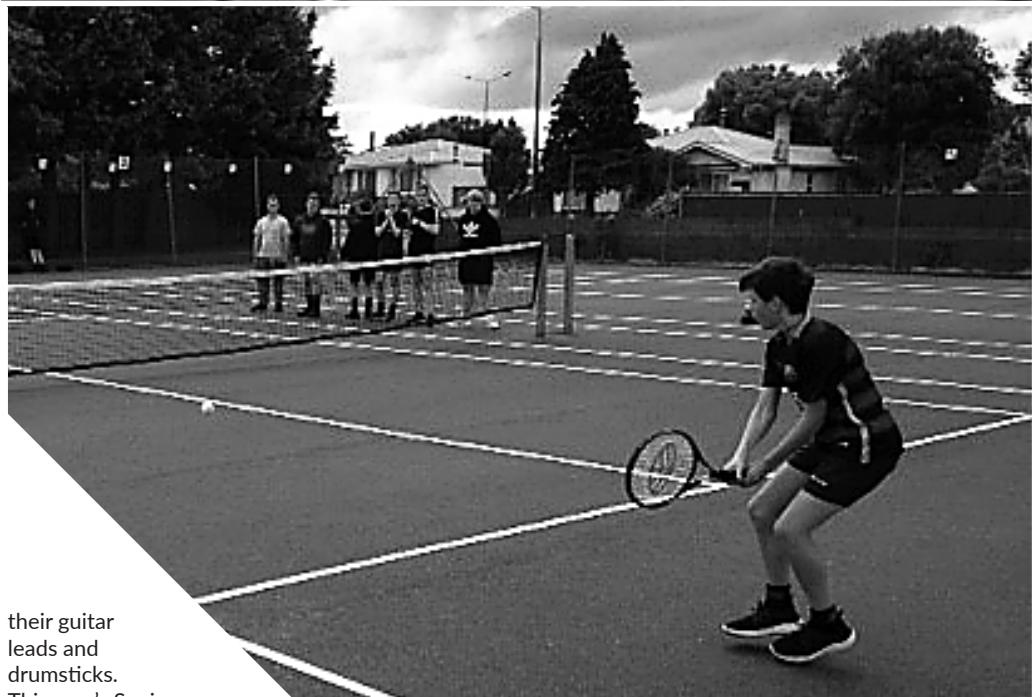

Year 12PEX: Jack Wilcox, Jaxon Taylor, Ben Henderson, Oliver Stevens

Year 11 HPW: Tyrone Watkinson, Riley Anderson, Callum Robertson, Cam Smith, Josh Murrell, Sam Clark, Benji Culhane, Josh Cooper, Michael Kuresa, Callum Nimmo, Taine McKinnel-Stevens, Trent Hogg.

Year 13PES: Zac Mirfin

Year 12ODE: Kent Lines, Mitchell Hamilton, Harry Taylor, Archie Burgess, Ryan Taylor, Kruz Carter, Joseph Wynne

Year 13ODE: Sean Withy, Josh Pullar, Cameron Smith, Luke Gilchrist

their guitar leads and drumsticks.

This year's Senior Production, Rock of Ages, proved to

be a huge hit with both the cast and audiences alike. Featuring huge rock hits from the 1980s from bands and artists like Journey, Poison, Bon Jovi, Pat Benatar, REO Speedwagon and Europe, the show provided wall to wall laughs and some exceptional performances from the following Southland Boys' High students:

Lonny Barnett

Caleb McKenzie

Dennis Dupree

Michael Kuresa

Drew Boley

Devin Ledington

Sherrie's Father

Stephen James

Joey Primo

Jacob Mayo

The Mayor

Blake Singleton

Franz Klinemann

Seth Brown

Stacee Jaxx

Reagan Lang

Ja'Keith Gill

Nick Mason

Ensemble

Tane Froude

Jared Gilbertson

Vere Jukes

Elisara Kuresa

Junior Lafoga

Corbyn Shuttleworth

Itinibina Teuauaa

Particular thanks must go to our choreographer Mrs Boyce, our stage manager Mrs Petelo and our wardrobe coordinator Miss McSorley, who volunteered hours and hours of their time to help make the show the success that it was.

(See colour section for photos).

momentum

THE BIG SING

The Senior Choir, Momentum, performed at the Southland Regional heats of the New Zealand Choral Federation's Big Sing Competition on the evening of Tuesday 19th June at First Church. Featuring students from years 8-13, and a wide range of sporting and cultural interests, Momentum had been working towards this event since the beginning of the year.

Choirs sing repertoire from three categories - 'Art' Music, New Zealand/Pasifika Music, and an own selection. Momentum sang 'Set Me as a Seal upon Your Heart,' New Zealand (which was written by past SBHS Music teacher Kennedy Black), and 'Tell My Father.'

Maths

SOUTHLAND MATHEMATICS ASSOCIATION COMPETITION (SMAC)

These were held at James Hargest senior campus. Southland Boys' High School entered between 2 to 4 teams at each year level (7 to 10).

This year Southland Boys' was competitive, with one team missing out on third in a tie breaker and another team placing third in their year level.

Congratulations to the team of Daniel Lord, Andrew Kennedy, Luca Fairhurst and James Hamilton who were third in the Year 9 competition and to the team of Ruairidh MacCallum, Matthew Smith, Tom Waghorn and Tasi Smith who ended up fourth in the Year 8 competition.

Well done to those who competed.

Music & Performance

SENIOR PRODUCTION – ROCK OF AGES

The crowd has gone home, the smoke has cleared, and the band has packed up

The Senior Theatre Tech class provided support for the show as stage crew, sound and lighting technicians. This was an important part of several assessment standards that require practical involvement in actual performances.

The adjudicator, Mark Dorrell, was very complimentary about Momentum's efforts, and they received a Commended Award. Perhaps more rewarding though was the feedback from the audience, who clearly appreciated the strength of our young men, and were moved to tears by 'Tell My Father'.

SING OUT – UNISON

Inspired by the punny naming of the Senior Choir, *Momentum* (emphasis on the 'men'),

this year the Boys In Blue retired their former name and officially rebranded as *Unison* (cue snare drum hit). As well as being strong with the puns, the rebranding provided an opportunity for new badges.

Throughout Terms 2 and 3, members worked on repertoire for the annual Invercargill Schools' Sing Out, which this year was celebrating its 75th Anniversary. *Sing Out Rocks* featured local performer and previous Southland Entertainer Of The Year

Simon Thompson, along with a choir of 200 students, belting out some of the biggest rock hits of the last 50 years.

As part of the programme, our singers Ruairidh MacCallum and Tom Waghorn were featured in the song *Here I Go Again* singing alongside Simon Thompson.

Unison sang John Farnham's hit song *You're The Voice* and were well received by the audience.

UNISON

ROCK AGAIN

Senior Production

SMOKEFREE ROCKQUEST

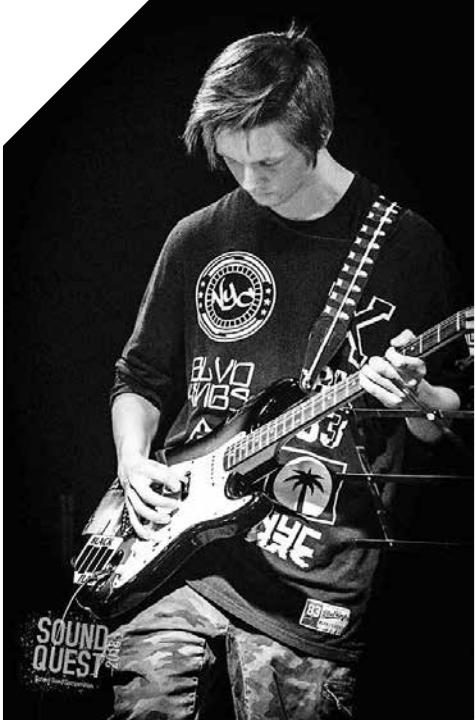

On Friday 15th June, SmokeFree RockQuest returned to CentreStage again for 2018. Southland Boys' High School had one entry this year, progressive punk rockers Oddball (Sam Grant, Reagan Lang and Jared Gilbertson). Hot off the heels of their whistle stop tour of the SBHS Assembly Hall, the band played two pieces, Red Sunrise (view on YouTube at: <https://youtu.be/I0ZKRQyG0hY>) and crowd favourite, Capable (view on YouTube at: https://youtu.be/yb_eMCw6li4).

Oddball were placed third in the band category, and were acclaimed for their highly desirable line of exclusive (that is, unavailable) merchandise. Contact the band members directly to register your interest in missing out on getting one of their T-Shirts.

SOUNDQUEST

On Friday 17th August, the annual Sound Quest competition, run by Little Fire MusicWorks, was held at the Southland Musician's Club in Preston Street. Southland Boys' High School were represented by two bands – Oddball (Sam Grant, Reagan Lang and Jared Gilbertson) and String Strap (Devin Ledington, James McLean, Jacob Hewton and Sam Grant).

Throughout the evening, bands played a range of covers and original material. While neither of the SBHS bands picked up any of the prizes, they were clearly crowd favourites with their respective sets.

ALICE IN WONDERLAND JR - JUNIOR PRODUCTION

From the 27th to the 29th of November, CentreStage became home to a weird and wonderful array of characters and creatures, as our Junior Production of *Alice In Wonderland Jr* took to the stage.

Coordinated by Southland Girls' High School, the Junior Production saw a cast of 57 leading audiences through Alice's quirky adventures.

Based on the classic 1951 Disney film and Lewis Carroll's books *The Adventures of Alice in Wonderland* and *Through The Looking Glass*, the stage show followed Alice (Alyssa Parkinson) as she meets the perpetually late White Rabbit (Tom Waghorn), a talkative Doorknob (Vere Jukes), the eccentric Dodo (Sam White), the mean Girls of the Golden Afternoon (Ashleigh Putt-Fallows, Ebony Stevenson, Riley Smith, Harriet Johnston and Jasnah Luna), the mysterious Caterpillar (Meadow Bodkin-Allen), the loopy Mad Hatter (Rauiridh MacCallum) and March Hare (Matthew Smith) before facing off against the King and Queen of Hearts (Sebastian Carston and Jyra Luna). Surrounded by a colourful array of Royal Cardsmen, Lobsters, Flowers and zany citizens of Wonderland, the show was a visual symphony.

The cast worked through a very tight rehearsal schedule, working hard to learn lines, polish dance moves and manage close harmonies. Each night their efforts were rewarded with an appreciative audience.

Many thanks to the Southland Girl's High production team of director Ria Cummings, musical director Peter de Blois, choreographer Pip Paulin and producer, Sarah Rae, as well as the many other staff and students who worked behind the scenes to make sure audiences had a zip-a-dee-doo-dah day.

STRING STRAP

Science

Yet another successful year for the Science Faculty! Our academic results continue to show that mixed ability class groupings at Years 9, 10 and 11 are working very well. We plan to extend the mixed ability strategy to all our Year 11 classes in 2019. Mixed ability together with project/portfolio work, group work and contextual and practical work have increased student engagement and academic success.

The increased interest in Senior Sciences options has seen further roll growth in Chemistry, Physics, Biology and Agriculture and Horticultural Science at both Year 12 and Year 13 levels. To further encourage Senior Science opportunity for 2019 we have again reviewed course entry prerequisites for students who see Science and Technology in their future vocations.

The most significant subject growth in student numbers has occurred for a second consecutive year in Junior Agricultural and Horticultural Science. The School's profile as an Agribusiness Hub and the continued support and commitment of the Primary Industry Trades Organisation, underpin the School's designation as one of the only two Regional Centres of Excellence in our province for Agriculture and Horticultural Science and Agribusiness.

The following students from our Faculty received Scholarships, Grants and Awards in 2018:

Dr John Goodsir Scholarship to Canterbury University

Edward Langlands

Elman and Alfred Poole Scholarships to Otago University

Health Sciences: Tim Price
Science: Daniel Cocker

Elman and Alfred Poole Scholarships to Canterbury University

Tim Smith
William Murrell

Ian Welsh & Chris Boyce

Co-Heads of Faculty Sciences

collaboration at home and digital tools. This has been particularly successful at Year 9 – the students have commented that they have enhanced their understanding of their whānau's personal journey to New Zealand through the use of online tools. The combined use of tools such as Padlet, google maps/gmail/google docs, has brought life to their learning in a way that ordinary classroom teaching and learning can't always access.

The NZ History contract which finished in 2016 has provided the school with resources that are being more fully integrated into the teaching and learning programme across all levels. New resources are being purchased to support the whole faculty as a consequence of this. In Commerce the students have engaged in international contexts through AgriBus and events such as the BP Challenge. In Media Studies members of the Year 13 class are amongst the top 20 finalists in the Outlook for Some Day National film Competition.

Collaboration with the library has been a feature of our work over the last four years and this will continue in 2019. We have made better use of the resource the library has to offer and have integrated the Information Literacy Skills Framework into more of our current practice.

We are excited about 2019 and the courses that we have on offer.

Jacque Russell

HOF Social Sciences

Social Sciences

The Social Science Faculty has been in good heart this year as teaching programmes have continued to be developed and the variety of topics on offer has grown. While we work hard to balance good quality local content in the teaching and learning we have also introduced units focusing on digital literacy and consumer rights.

As a consequence of attending MindLab Postgraduate Certificate in Digital & Collaborative Learning through Unitec, we have also been introduced to a wider variety of digital tools for assessment. These have allowed the students to engage more widely and deeply with content,

SPORTS 2018

Archery

When I decided to shoot for the first time, a Southland Boys' High School staff member recommended archery to me, and a year after, here I am making a name for myself in New Zealand Archery. I recently went to the South Island Indoor Competition where I came 5th and my personal best score was 174 / 180.

I have fallen in love with the sport and a lot of that is thanks to my coach Ardy Ayo. He gave me a chance and never lost faith in me. He has always had gear for me and the other students and all up is an amazing person. I feel obliged and honoured to make him and my community proud, as I take on the country with my team that includes George Naylor, Tommy Dobbins and myself.

Sam White

Athletics & Harriers

ATHLETICS CHAMPIONSHIP DAY 2018 – THURSDAY 1 MARCH

Students who had qualified for the Championship Day had an opportunity to set new records, qualify for the Southland Athletics Champs, and compete for House points at Surrey Park.

Many students gained impressive results and the participation and engagement was outstanding.

With a high proportion of athletes representing Coldstream House, it was always their Championship Day to lose.

Some outstanding individual performances saw nine records broken, and with many young athletes expected back in 2019, there are bound to be further records smashed.

A special thank you to all the staff, parents, Year 13 helpers and of course, well done and congratulations to all competitors.

Many Boys' High students continued on to the Southland Champs, and further to the

South Island and National Athletics Meets.

Notable standout out Performances on the day were:

Jacob Boniface

Record of 5m 23.5sec in the U11 1500m

Will Cairns

Record of 1.27 in the U11 High Jump

Lachie Riley

Record of 4.62m in the U12 Long Jump

James McLeay

Record of 5m 17.1sec in the U12 1500m

Matthew Speight

Record of 47.59m in the U13 Nerf Throw

Patrick Howes

Record of 11m 57.6sec in the U13 3000m

Trent Hogg

Record of 13.48m in the U15 Shotput

Caide Morris

Record of 42.39m in the U15 Javelin

Sam Colyer

Record of 6.6m in the U16 Long Jump

Blake Harper

Winner of the O16 Senior Boys Athletics Trophy (1st in 100m, 1st in 200m, 1st in High Jump)

Coldstream House

Winner of the Senior Boys' 4 x 100m Relay

House Placings

1 – Coldstream 2 – Deaker

3 – Grant 4 – Pearce

5 – Uttley

Y9 - Y13 ROUND THE PARK CROSS COUNTRY 2018

Good weather meant a good turnout for the Round the Park Competition for 2018. Having all Year 9 students complete the course also meant a larger group in the more social, Cross Country section. Well over 250 students completed the course and had the opportunity to qualify for the Southland Cross Country Championships. There were some great individual times; a notable effort was Jaxon Taylor completing the senior course (approx. 4.4km) in a time of 15 mins 21 secs, closely followed by Buddy-Joe Small.

Well done to all participants for completing either the senior or the junior course and for improving their fitness, as well as gaining points for their House. Winners for the House Competition were Coldstream, another convincing team effort - 15 years in a row that they have achieved this.

Results:

Under 14:

1st Aidan McAra in 14 mins 35 secs

Under 16:

1st Sam McDonald in 13 mins 53 secs
(junior short course)

1st Storm LeQuesne (senior long course)

Over 16:

Jaxon Taylor in 15 mins 21 secs
Buddy-Joe Small in 15 mins 38 secs.

House Points: (Y9-Y13 only)

1st	Coldstream	- 106 points
2nd=	Pearce / Grant	- 71 points
4th	Deaker	- 53 points
5th	Uttley	- 46 points

SOUTHLAND SECONDARY SCHOOLS' CROSS COUNTRY IN TE ANAU

Held on 16 May, 2018

SBHS JUNIOR SCHOOL CROSS COUNTRY RESULTS 2018

Congratulations to the following boys who qualified for Southland Primary Schools Cross Country Championships later in June.

11 Year Old Boys

- 1st Jacob Boniface
- 2nd Jacob Mussen-Clark
- 3rd Jaymin Clifford
- 4th Nick Cowie
- 5th Malakhai Trillo
- 6th Will Cairns

12 Year Old Boys

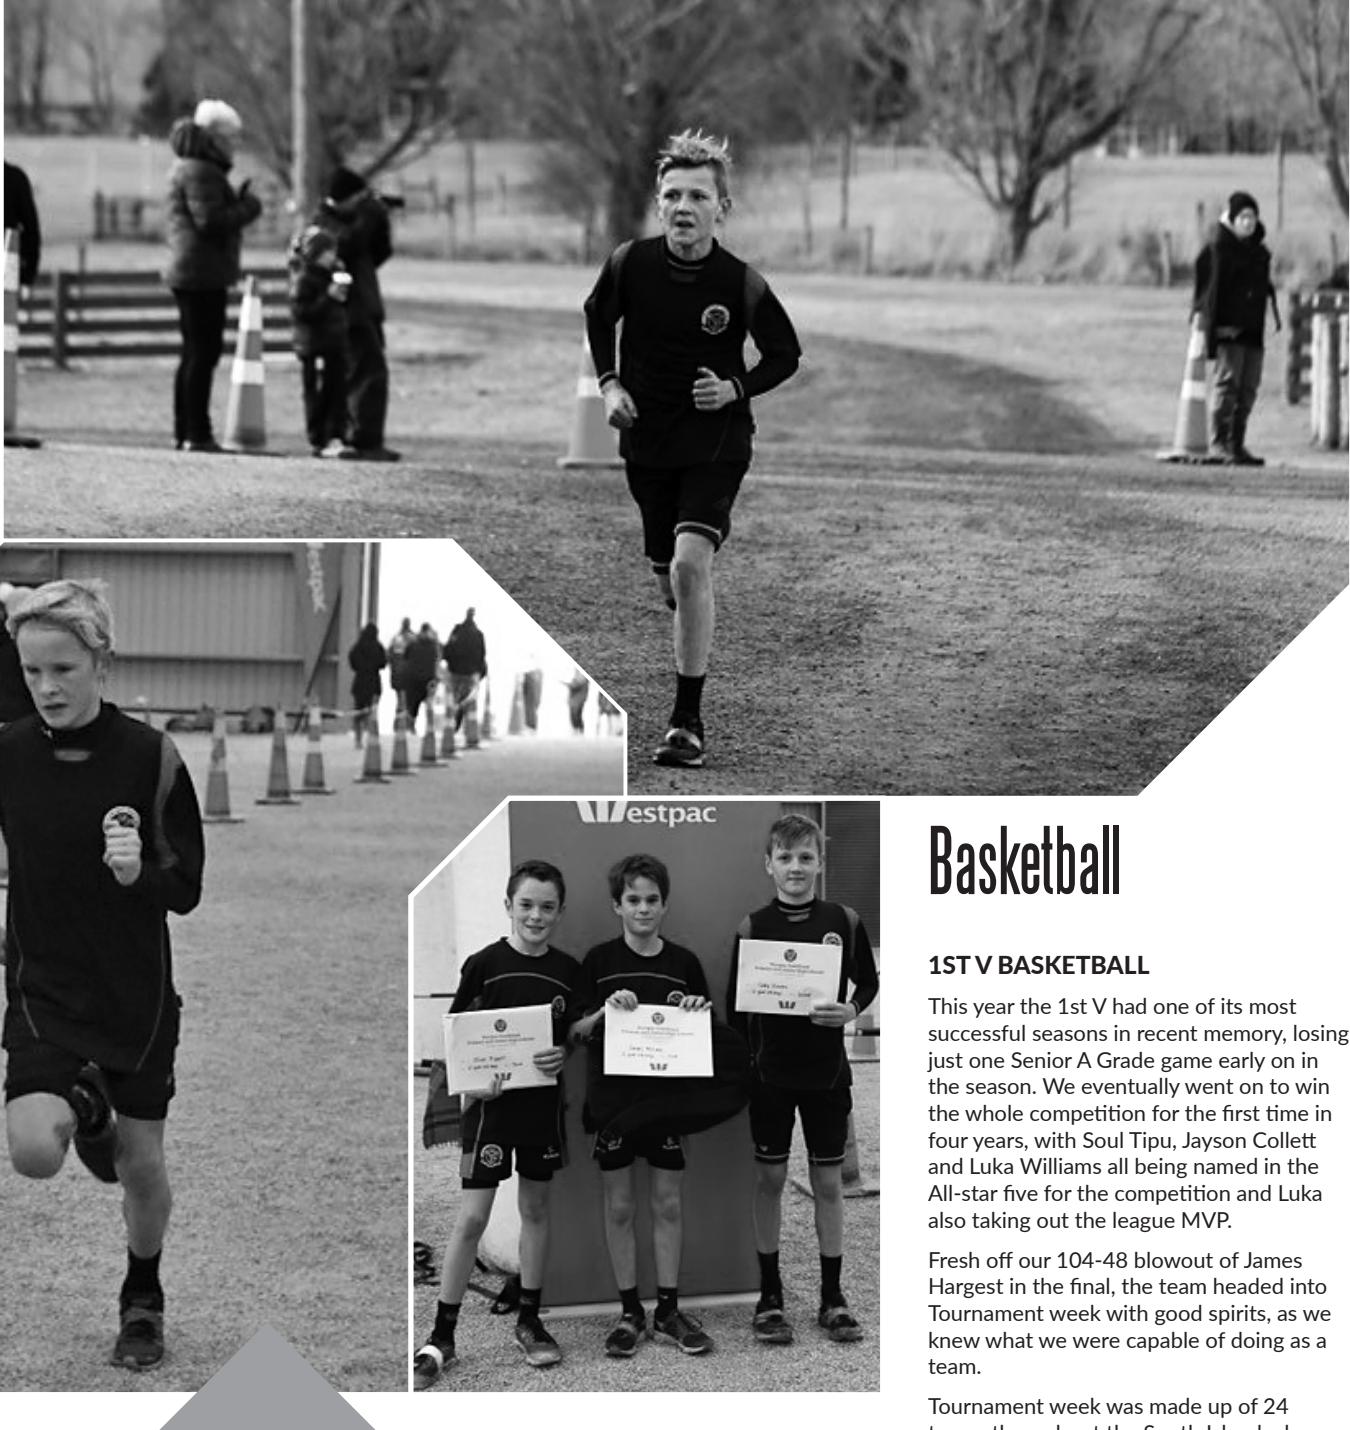

- 1st James McLeay
- 2nd Cody Stevens
- 3rd Oliver Piggott
- 4th Mytchell Carmichael
- 5th Jacob Niania
- 6th Alexander Burns

13 Year Old Boys

- 1st Patrick Howes
- 2nd Tyler Pool
- 3rd Aubrey Page
- 4th Dylan Hawkes
- 5th Liam Sawler
- 6th Hamish Smith

Southland Boys SISS Athletics Team 2018

SOUTHLAND PRIMARY SCHOOL CROSS COUNTRY CHAMPIONSHIPS AT WAIMUMU

"The track in the bush was really muddy, but it was fun. I was exhausted when I finished and my legs felt like jelly!" **Tyler Pool**

"The hills this year were really difficult. I sprinted at the finish and was breathing hard!" **Liam Sawler**

"The hills were a struggle and going through the bog I almost lost a shoe, but I finished in second place- which was an awesome feeling!" **Patrick Howes**

11 year old boys

Jacob Boniface	- 1st
Jaymin Clifford	- 37th
Will Cairns	- 62nd
Jacob Mussen-Clark	- 64th
Nick Cowie	- 68th

12 year old boys

James McLeay	- 1st
Cody Stevens	- 2nd
Oliver Piggott	- 3rd
Mytchell Carmichael	- 8th
Alexander Burns	- 14th
Jacob Niania	- 15th

13 year old boys

Patrick Howes	- 2nd
Tyler Pool	- 7th
Dylan Hawkes	- 13th
Hamish Smith	- 15th
Liam Sawler	- 17th

Basketball

1ST V BASKETBALL

This year the 1st V had one of its most successful seasons in recent memory, losing just one Senior A Grade game early on in the season. We eventually went on to win the whole competition for the first time in four years, with Soul Tipu, Jayson Collett and Luka Williams all being named in the All-star five for the competition and Luka also taking out the league MVP.

Fresh off our 104-48 blowout of James Hargest in the final, the team headed into Tournament week with good spirits, as we knew what we were capable of doing as a team.

Tournament week was made up of 24 teams throughout the South Island where the top 6 would be going to the national competition held in the North Island. The boys competed hard throughout the week and were unlucky with a couple of results. However, wins against Papanui, St Thomas, and Marlborough were enough to put us in a position to play off for 9th/10th placing, which would be Southland Boys' High Schools' first placing inside the top 10 ever.

However, an unlucky game against Christchurch Boys' High School, that could have gone either way, unfortunately relegated us to playing off for 11th/12th against St Bede's in the last game of the tournament. It wasn't just the last game of the tournament but the last game for Soul, Luka, Jayson and myself, which gave the team extra motivation to try and win it. However, a late fourth quarter run by St

Bede's, after SBHS leading the entire game, was enough to give them the win by just 5 points and left us in 12th place overall.

It's been a pleasure to captain the team this year and I wish the boys good luck for next year.

Matt Maginn

Y9-Y13 BASKETBALL 2018 - HIGHLIGHTS

- Brad Thompson (Knicks) scoring 30 points in a win over Kura
- Josh Kingsbury grabbing 15 rebounds (10 x offensive) and Luka Williams shooting 5 x three pointers in one quarter vs Verdon.
- 1st V shooting a remarkable 25/26 free-throws vs Wakatipu in an 83-63 win
- Ethan Carson and Hunter Peterson (Year 9 Warriors) combining for 5 x three pointers in a 38-35 win over JHC Year 10.
- Jack Wilcox (Cavs) dropping 28 points vs the SBHS Velociraptors
- Royal Express battling for a 40-40 Draw vs Verdon B, and knocking over title favourites the SBHS Knicks in the semi-final by 1 point, and then winning the title vs Verdon in the final.
- 1st V thrashing JHC (90-54) for their first win in nearly four years over JHC.
- Luka Williams (1st V) shooting 4x three pointers and a jump shot in the last 2 minutes of the King's High School Interschool in an 86-70 win (scoring 26 points)
- Ross Teweti and Matt Maginn combining for 24 points and Luka Williams scoring 24 himself in a 75-71 win vs Waitaki (Soul Tipu 14 points also)
- 1st V shooting 12 x three pointers as a team vs JHC in the School Final and making 5 in a row in the last quarter.
- Outscoring JHC 22-1 in the third quarter in the Final to win 103-46. (J Collett 13, J Kingsbury 9, S Tipu 20, M Maginn 16, L Williams 12, R Teweti 17, W Stodart 4, B Templeton 6, A Saili 4)

Most Valuable Players and Most Improved Players for 2018

Team	Most Improved Player	Most Valuable Player

SBHS Vs Marlborough Boys' – Win 74-70 (quarter final)

SBHS Vs Christchurch Boys' – Loss (semi Final)

SBHS Vs St Bede's – Loss 73-78 (11/12th play-off)

Finished 12th out of 24 teams.

SBHS ROCKETS BASKETBALL TEAM REPORT 2018

The year could be best summed up as: beat all teams in pool play but lost the final. Not bad for a team that could only get a third of its members to any practice. Other sports commitments, after school jobs and transport issues meant that we never really had a full practice and struggled to get patterns of play. The Team was an amalgam of Year 12 and Year 11 boys who got on very well together and had fun while being competitive. The Team consisted of:

Corbyn Williamson:

Captain and most improved player – highest vertical jump and fastest transitions – "that wasn't a foul"

Max Webb: MVP and season's top point scorer – "known to pass the ball occasionally"

Callum Nimmo: Top rebounder for the Team – "normally got the shot in on the third go"

Sagun Khattri Chattri: A gifted natural player – "we need to score – quick give it to 'Goon'"

Eli Meuli: 3 pointer go to man – "don't let him dribble"

Izaih Richards: Complete basket baller – terrific inside game – "he owned the paint"

Dylan Mahon: 3 pointer and great skills – "Eli give the ball to Dylan let him dribble"

Sam Pearsey: Competitive and keen – "how many fouls did I score?"

Xavier Thompson: Competitive rebound superb positional play – "how did I get that in the hoop and where is my hair tie"

Aister Bellen: Our most technically able player and a reliable point scorer – "if he was there my pass would have been good"

A thank you to the Boys and their loyal supporters for a fun season where everyone had an important game.

Ian Welsh

Chess

OTAGO/SOUTHLAND SECONDARY SCHOOLS' CHESS TEAM CHAMPIONSHIP 2018

On 16 June, the Southland Boys' High School Chess Team consisting of Atlas Kerr, Dylan Lee, Jimmy-Lee Wilson and Shannon Kerr, travelled to John McGlashan College in Dunedin to take part in the 14th Annual Otago/Southland Secondary Schools' Chess Team Championship.

Last year was their first year of competing in this event, finishing 10th with a score of 10.5 points out of 28.

This year, with only one of the four team members having played in the event before, they performed exceptionally well. They witnessed a big improvement in results, and finished 5th out of the 14 teams, with a score of 17.5 points out of the 28 points available (an impressive 67% improvement in their points total, from last year). SBHS were just half a point behind the 3rd and 4th placed teams, of Logan Park (1) and Kavanagh College, and finished 2 points behind the 2nd placed team, James Hargest College.

SBHS did extremely well, considering many of the schools taking part have long established chess programmes with chess tutors at their schools, and were taking part for, in some cases, the 14th year running. Otago Boys' High were the defending champions, having won the event for seven straight titles.

Southland Boys' High School has a large number of boys who play Chess in the school Library at intervals and lunchtimes. A number of these boys also joined Friday night chess, organised by the Invercargill Chess Club.

Cricket

1ST XI CRICKET

Recently the SBHS 1st XI cricket team took part in the 1st XI Cup tournament in Dunedin, which involved the top six 1st XIs in Otago and Southland playing a 3 day tournament. Our team was seeded 3rd for the tournament, based on last season's results. We played Wakatipu High School in our first match of the tournament. Wakatipu had qualified through a T20 tournament and came in as the 6th qualifier. We had played them earlier in the season in Queenstown and they were a tough side, who were strengthened by the inclusion of two Otago age group players. Captain Sean Withy won the toss and sent Wakatipu in on a slightly damp surface. Sean took three quick wickets to have them in trouble 4 runs for 3 wickets. This slide continued as Wakatipu ended all out for 52 runs in 28 overs.

Bowling figures for our side were:

Sean Withy	6 overs	3 for 11
Hayden Hart	10 overs	2 for 11
Jed Mockford	8 overs	1 for 19
Alec Mathieson	3.5 overs	4 for 11

This represented an excellent bowling return with all boys performing. The bowling of Alec was exceptional as he finished the innings by bowling full and straight and he relied on seam movement to get players out. Our batting has been our 'achilles heel' this season and we needed to start well on a difficult wicket. Ken Singleton got us off to a great start scoring 20 off 19 balls, but when he fell we began to lose wickets at regular intervals. Benji Culhane steadied the ship with 14 not out and we reached the total 6 wickets down. So objective number 1 was achieved, moving into the semi-finals. I did feel for Wakatipu who had played well to qualify for the Top 6, only to bat poorly in their first match. They are a good side though and defeated Waitaki Boys' in the 5th vs 6th place match and Wakatipu automatically qualify for next season's Top 6.

Our semi-final match saw us play John McGlashan College who were the 2nd seeds. We had lost to them at last year's tournament, so it was going to be a close match. Bowling first we bowled them out for 93 runs, with Alec Mathieson again taking 4 wickets. Our batting looked a little shaky in the chase, but Benji Culhane and young Aaron Hart settled things down to have us on track. A hat-trick from John McGlashan once again raised the stress levels and it was up to Hayden Hart and Jed Mockford to see us home in a very tense finish. Hayden used his experience to hit the right balls to the boundary. Making the final was a great achievement for this young group and win or lose I was proud of what the boys had achieved throughout the season. Playing Kings' in the final we again bowled well, but Kings batted sensibly to

get through to 225. The rain then fell and we hoped that whatever happened would benefit our side. Unfortunately this wasn't the case and we had to try to chase down 187 in 32 overs.

Captain Sean Withy got a solid 35, but the team struggled to hit the ball to the big boundaries on the wet outfield and Kings' deserved the win. Our side has now gone 4th, 3rd and 2nd in the tournament, so I am sure the boys can go one step further next season. We have had a great season overall. We won the Queenstown U17 tournament, competed really well in senior club cricket, the 2nd XI won the Combined Country Division 2, we beat Shirley Boys' and drew with Kings' and Otago Boys' in the inter-schools and then finished 2nd in the Top 6.

Can I please thank all the parents that have supported and worked with the teams and our coaches over the cricket season. Special mention goes to Simon Culhane, who has been brilliant with the 2nd XI all season and Jason Domigan and Hamish Skelt for working and playing with the 1st XI. Shaun Fitzgibbon has lead the Year 7/8 cricket at school and spent many hours coaching and officiating over the season. This work provides our future 1st XI boys, who progress up through the teams at school. Without all these people we wouldn't have cricket in the school, so thank you for your commitment to cricket.

Ian Mockford

SOUTHLAND BOYS' HIGH SCHOOL CRICKET TOUR TO NEW DELHI, INDIA

At the end of Term 3, 2018, a tour group of 12 players and 10 adults travelled to New Delhi to train, play and explore. After a long time fundraising and looking forward to the trip, it was great to finally board the plane. After nearly two days we arrived in New Delhi and had to begin to adjust to the 35 degrees and high humidity.

We stayed in the Hotel Suncourt Yatri in Karol Bagh, which was ideal for our group, having decent rooms and good areas for the group to hang out after our long days. No pool, but we had access to one around the corner and then in the hotel next door.

After settling into New Delhi we made a trip in our bus (which was prone to going the wrong direction!) to visit Sethi Sports where the boys were in cricket heaven, buying lots and learning how to negotiate on the price.

We had three days training where the boys had the opportunity to get to know what the conditions were like in New Delhi. We trained with Gyanti Cricket Academy which was based 10 minutes (if we were lucky) from the hotel. Rolled clay without any grass and the ball turning square at times! It was a tough experience for some of the boys. Our academy coach Saurav did his best to get to know the boys and give them all some advice and things to work on, both

on the tour and once we returned to New Zealand. This information is for the boys to process and I will be eager to see if the boys use any of the information, or use the trip as a platform to progress their cricket.

The matches were a mixture of formats with a Two Day Match, Two 40 Over Matches and Two T20's. We played Academy teams and a secondary school in our 5 matches. The grounds were good with all the wickets having little or no grass and the outfields were pretty good and well grassed. Our final T20 was played under lights which was a real highlight for the team.

Results of the matches were a draw in the Two Day match and a win in one of the 40 Over matches and one of the T20's. All of the boys developed over the trip and had good performances. It wasn't easy, and stamina and concentration were really tested by both the conditions and the attacking nature of the way they play cricket in New Delhi. It was also fascinating to see the range of ages we played. In India, age doesn't mean much, if you are good enough, you play. Their boys are playing cricket 12 months of the year and training or playing 6.5 days a week! I could only see that occurring for a few boys in New Zealand.

Hayden Hart and Jed Mockford ended the tour on 10 wickets each and they also had our top scores with 53 and 66 runs. Blake Harper, Hayden, Gareth Turnock, Hamish Gray and Clark Sutherland all scored 30s. Alec Mathieson and Jordan Tooby opened the bowling in most matches and they took 10 wickets between them. Ben Jennings took 4 wickets for 16 runs in one of the 40 over matches at St Stephen's.

Outside of the cricket, we travelled down to Agra to see the Taj Mahal, which was a highlight for many of the group. A long day, 3am through to 8pm, but was worth it. It is hard to describe what it feels like to be in the presence of such an iconic building. The boys were also treated as superstars at the Taj. In their travelling uniforms they were seen as "A New Zealand Cricket Team". We also visited a Gem and Handicrafts shop and then a Marble shop, which was interesting to see. There may have also been a carpet purchased by our team manager!

Another trip in the bus took us North East to the SI Cricket Factory. This was a small company who were able to show us how to make bats and Benji and Jed had bats made for them while they watched. SI were really great to us and the boys who went were able to pick up some real bargains! Grade 1 bats for \$125, huge wheelie bags for \$40 and gloves for \$25. It was certainly a highlight and something that we would do early on any future trips.

On the last night we all travelled to The Kingdom of Dreams to visit Culture Gully, where you can have a meal and buy products from around India. They also have Bollywood Shows each day, which was

really fun and a great way to finish the trip.

We also had a lot of fun at the markets close to the hotel and we travelled to some of the landmarks in the city. The parents were also able to go on a trip to Old Delhi and the Spice Markets, while we trained one day. Ant Sutherland, we think, saw every landmark in New Delhi! He was up and away each day and was a Metro expert by the end of the trip!

Thanks to all the boys and the parents who came on the trip. It was a fantastic experience with an awesome group of people. Things can't be perfect when travelling from NZ to a city such as New Delhi, but I believe we got most things right and the things we didn't will go under the 'Experience' heading. There are things that only our group will understand and there are some things that are still 'Too Soon' to talk of! Seeing the development of the boys, the comments and sights on the long bus trips, the 'Cracker Mile' and the way the group worked together were all highlights for me! Some may not return, I will be back!

Ian Mockford

Cycling & Bikes

OTAGO/SOUTHLAND SECONDARY SCHOOL ROAD CYCLING CHAMPIONSHIPS

The Otago/Southland Secondary School Road Cycling Championships were held recently, in atrocious conditions. Results were:

U13 Boys' Time Trial -
Magnus Jamieson (2nd)

U13 Boys' Road Race -
Magnus Jamieson (1st)

U17 Boys' Road Race -
Mitchel Fitzsimons (1st)

U17 Boys' Time Trial -
Mitchel Fitzsimons (1st)

U19 Boys' Road Race -
Corbin Strong (2nd)

U19 Boys' Time Trial -
Corbin Strong (2nd)

Road Cycling Champs -
Southland Boys' High School (3rd)

NATIONAL TRACK CYCLING COMPETITION

Team Pursuit (3rd) - Mitchel Fitzsimons, Jacob Willis, Navarh Brotherston and Hunter (from JHC)

Sprint team (3rd) - Mitchel Fitzsimons, Navarh Brotherston, and Quinn Naylor

Madison (2nd) - Navarh Brotherston and Mitchel Fitzsimons

Madison (4th) - Jacob Willis and Quinn Naylor

Points Race (3rd) - Mitchel Fitzsimons

Match Sprints (2nd) - Mitchel Fitzsimons

SOUTH ISLAND SECONDARY SCHOOL CYCLING CHAMPIONSHIPS

The Southland Boys' High School cycling team produced great results at the SISS Cycling championships in Timaru. There were 230 cyclists entered from 57 schools all over the South island. Overall the SBHS Team placed 5th which was a fantastic result for a small team of 9. Well Done Boys!

NZ SPEEDWAY SOLO CHAMPIONSHIPS

Southland Boys' High School student, Sam Taylor, was granted a dispensation to race as a senior rider on the 500cc. At his first race meeting he came away with a win. He was then invited to compete in New Zealand Speedway Solo Championships at Moore Park Raceway, Christchurch. Sam was the youngest rider ever to compete at this level and finished with 6th placing in New Zealand. His 3rd race meeting was the South Island Solo Title where he placed 5th!

The team did themselves and our school proud, both on and off the bike, all gaining great experience and personal achievements. They will now be in training for the National championships being held at the end of September, for the first time in the South Island (Christchurch).

Congratulations to; Mitchel for winning a Gold medal in the U16 Road race and a Bronze medal in the time trial, Corbin for winning a Silver medal in the U20 Time trial and The Open Boys' Team of Corbin, Josh, Navarh and Mitchel for a close Silver Medal in the team time trial.

The team would like to wish Corbin the best of luck representing NZ at the Junior World Track Championships in Switzerland later in the year. A big thank you also, to Aaron Fitzsimons for managing the team and Erin Criglington who was officiating as commissaire.

Individual Time trial Results:

U13	Magnus Jamieson	6th
U13	Hamish Barlow	17th
U15	Jesse Willis	10th
U16	Mitchel Fitzsimons	3rd
U17	Navarh Brotherston	5th
U17	Jacob Willis	10th
U20	Corbin Strong	2nd
U20	Josh Burnett	12th

Team Time Trial Results:

U16 SBHS Team	9th
Open Boys SBHS Team	2nd

Road Race Results:

U13	Magnus Jamieson	4th
U13	Hamish Barlow	12th
U15	Jesse Willis	5th
U16	Mitchel Fitzsimons	1st
U17	Navarh Brotherston	9th
U17	Jacob Willis	12th
U20	Corbin Strong	4th
U20	Josh Burnett	19th

SIT Southern Performance Hub U19 Rider of the Year

Cycling Southland Junior Rider of the Year 10th overall in 2018 Tour of Southland – (2nd in U23 section)

MOUNTAIN BIKE REPORT

The first big event I competed in this year was the National Champs which were held on the Wright's Farm in Hawea Flat. This venue was a last minute decision after a big snow fall at Cardrona made that track un-rideable. After a strong start I found myself in a group of three battling for 2nd. My legs felt good and on the second last lap I managed to get a gap and ride to the finish in second place.

Next up was the New Zealand Secondary School Championships in Rotorua. Coming into the race with high expectations after the Nationals, I was determined to have a good race. After not the best of starts, I managed to make my way in to the front group of six riders, which stayed together for most of the race. Two riders dropped on the second last lap and it was down to the four of us. I managed to get a small gap going into the sprint finish to win my first ever National title.

The next day I flew over to Canberra for my first Junior World Series race. The course was extremely technical which, combined with the

heat, made the racing very tough. I managed to get a 9th on the first day and 7th on the second day. I was pretty satisfied with these results for my first ever international race.

Soon after the Canberra race, I was notified that I had been selected for the U19 Boys' team for the World Championships in Lenzerheide, Switzerland. After 4 months of solid training, before and after school most days, I flew out to Zurich for a couple of smaller races before heading up to Lenzerheide.

There were 120 riders in the Junior Boys' race and starting in 75th on the start line, I had my work cut out for me. After a very hectic start I started to find my rhythm until a puncture on my second lap ended things early. I was pretty disappointed but it was still an unreal experience, especially watching 30,000 passionate Swiss fans pack into the small mountainous town for the elite race.

Overall I had a really fun, successful year and I'm looking forward to the challenge of racing the U23 category next year, while studying at Otago University.

Football

LINWOOD TROPHY

The 2018 edition of the Linwood Trophy was held at the ILT Turf in Invercargill. With the tournament being on home soil, we felt that we had our best chance yet of building on the successes of previous years. We were of the belief that we could definitely make top four and if other results went our way, we could even lift the trophy, something that Southland Boys' hasn't done for over 20 years. Our biggest threat, on paper, was Massey High School from Auckland who were very much an unknown quantity, and obviously weren't travelling the length of the country to make up numbers.

Our pool consisted of John McGlashan College, Taieri College, Cromwell College and Gore High School. We played our toughest opposition, John McGlashan, first which was an evenly matched game, meaning that both teams came out with a point each.

The second day saw Southland Boys' play against Taieri and Cromwell. A hat-trick from Calem Castle and an outstanding defensive effort from Angus Wyatt, Jeremy Cole, Antonio Dos-Santos and Carl Rodmell saw the team only concede one goal and score ten, winning 5-1 and 5-0 respectively.

The last group game for Southland Boys' was up against College League opponents Gore and a win by four goals was required to top the group. A slow first half left the score 1-0 at half time, but an exceptional performance in the second half meant three goals were scored in the last ten minutes to get the required win by four goals to nil.

As a result of topping the group, Southland Boys' were matched with local rivals James Hargest College in a quarter final. We had lost to this team 2 weeks before tournament. Southland Boys' started extremely well, scoring early on in the first half and repelling any Hargest attack. The second half was very much the same, scoring early into the half saw Southland double their lead and a third goal sealed the deal, a one sided game that the squad was very proud of. Side-line support was instrumental in the win.

Progression into the semi-finals on day four followed, where Southland Boys' played Papanui but a tough opposition defeated Southland Boys' 3-1 leaving the team to play for 3rd/4th in the afternoon fixture. A tight game, and an outstanding performance from the Southland Boys' goalkeeper Ryan Calder, just weren't enough as a late goal from Mount Aspiring College put the game into a penalty shootout, which was lost resulting in a fourth place finish. Harry Milligan received our MVP for the tournament, through his consistent play in all matches.

A special mention goes out to the ten Year

13's in this year's squad for their continued efforts and commitment towards Southland Boys' High football, not only in this tournament, but over the last four years, in some cases for the 1st XI.

Golf

SOUTHLAND SECONDARY SCHOOLS' GOLF CHAMPIONSHIPS

The Southland Secondary Schools' Golf championships were held in Winton, 2018. Thank you to Dean Harvey for his assistance. Results were as follows:

1st	Oliver Piggott
3rd	Zac Fowle

Hockey

Hockey at SBHS in 2018 was a year of new experiences. Player numbers saw more growth and junior players stepped up into roles that required maturity and responsibility beyond their years. Each SBHS team has had their own successes this year. In the Year 7/8 area, numbers grew and success came in the junior high competition and their interschool fixtures. In order to balance numbers in 2018, four Year 8 players represented the school in the year 9 – 13 competition as 2nd XI players. With coaching from Miss Kiri Hogan, they experienced hockey at the next level. The mighty 3rd XI returned to Monday nights and wowed the crowds with their unique brand of hockey and were very unlucky not to be the second SBHS team in the 2018 IHA semi-finals. The IHA secondary School grade was won by the SBHS 1st XI defeating a spirited JHC 1st XI 5 – 3 in the final.

SBHS 1ST XI

The premier hockey team in the school started its 2108 campaign early in February with new recruits required to fill vacant spots left by departing 2017 players. 2018 was to be a big year for the team as they would not only represent their school but also their province in the 2018 AON Rankin cup playoffs at tournament week in September – a feat that had never been done before. The campaign hit a hurdle when Bradley Corbett found employment and left school, meaning a new captain would need to be named. Team management thought that naming Benji and Blair as co – captains, although a big ask, would be the most prudent decision for the team looking to the future. Bradley's departure also proved an issue for the team as he was the "little general" who controlled the pace of play. It took a while, but Benji Culhane filled this role and did so with a

maturity beyond his years. The mantra for the team this year was consistency and control, as these were attributes required in September for the task of surviving the Rankin Cup. Monday nights proved to be ideal for the team as the new subs bench had huge game time and were able to learn the inner workings of the team. All of this came to fruition with the traditional Interschool matches against Otago boys' High, Waitaki Boys' High and King's High School. In all 3 matches, everyone taking part had to contribute and step up in one way or another and the battles were controlled and consistent. No greater test than the King's High Interschool, which saw the team let 5 goals through at half time and only 2 in the second half. This result would later be put in perspective when King's High finished 6th in the Rankin cup.

Inter-schools

After success in the IHA secondary Schools trophy over JHC 1st XI the team was really starting to work well and most players knew their role. Tournament week in September would see the return of players who had once again committed part of the season to the school's 1st XV and these players fitted right into the jobs they knew they had to do.

Tournament Week (Rankin Cup 2018 in Tauranga) – Blair McKenzie and Benji Culhane

The 16 1st XI players, 2 management staff and a handful of parents flew out to Tauranga to start a journey that no other Southland Secondary School had done before. This was to compete in the top tier Schoolboy hockey tournament, the 2018 Rankin Cup. Before them lay the best 32 teams in schoolboy hockey and a chance to be ranked higher than any Southland School had ever been. The war was about to begin.

The goal was realistic, to be consistent and competitive leading to surviving relegation (finishing 25th or 26th) meaning a return to the 2019 Rankin Cup with a relatively unchanged team. After a weekend in Tauranga the lads realised they were not in Invercargill anymore and things were to be no different when they entered the field of play on Day One against 4th seed King's College (Auckland). Early goals saw the team immediately on the back foot, but control and some horrendous weather saw the score line kept to a respectable, although not great 6 – 0. Lessons needed to be learned and fast.

Day 2 saw the team take on private school St. Pauls' Collegiate, a well-trained outfit with a large coaching staff including a former Blackstick. Defence was to be our best form of attack and the lads held out the 12th seed for 29 minutes of the first half, leading to some major discussions being heard from their now panicked coaching staff. Again defence held strong in the second half and with only 4 minutes left, they scored again a result of 2 – 0. Not too bad. This showed us that we could foot it in a new world.

Later on day 2, Rathkeale College were to be the final pool game. A win would see us third in Pool D, a draw or loss, bottom. This time attack was on song and Benji scored our first Rankin Cup goal and spirits were high. We scored 2 more and our 1st win ever looked probable, however, Rathkeale scored twice and a draw resulted in us being bottom of Pool D and taking on Paraparaumu College in the crossover game. Most of the team had encountered Paraparaumu before and soon realized that their key play makers were still there, but now much older and more experienced. A 3 – 0 score line resulted, meaning we would now need to win on Day 4 or the relegation cloud would loom over-head.

Early on Day 4 the lads took on Kristin School, in a must win match. An early goal, followed by another and another saw a healthy score line at half time. A quick goal to Kristin in the second half created some doubt but this was soon squashed as the strikers scored 3 more and our first win of the tournament, a 6 – 1 result. After that win the lads needed to win against Lindisfarne College (another private school) to avoid relegation.

Day 5 dawned and nerves were high as a number of players had never experienced this must win pressure before. A solid first half and a goal to us mid-way through took the team to a 1 – 0 lead at half time. The second half was intense as both sides hammered the midfield to try and feed the strikers the ball. It was pretty clear 20 minutes out there was going to be nothing in this game. The back 3 defended well, however mistakes happened in the last 7 minutes of the game and Lindisfarne scored and then scored 1 minute after that. No other word describes the feeling other than GUTTING!!!. Relegation for the first ever Southland team in the tournament, the youngest team at the tournament and the most real team at the Rankin Cup. Later on Day 5 was to be our last game against Rathkeale for 27th place. In the past decade, our lads have never disappointed the outgoing members of the team and won this game 3 – 1, as previous Southland Boys' 1st XI teams have the last 10 years straight.

What does 2019 now hold for the remaining team after tournament week 2018? A top seed spot in the 2019 Johnson cup, securing a finals spot in that tournament and getting back amongst the Rankin cup in 2020.

Hockey at Southland Boys' High School in 2018 has been a year of new experiences. The premier hockey team of the school, the 1st XI now has developed into a real team that has experienced a new level of hockey after national promotion. The team goals are now focussed around getting back to that level of school boy hockey.

Congratulations to those players who have represented their province and received awards for their hockey this year. Thank you to all the parents for their support of their

sons down at the cold turf and especially on tournament this year. Special thanks to the coaches and managers this year, Miss Kiri Hogan, Miss Simone Cameron, Miss Jordan Paskell, Mrs Grier Campbell, Mr Shaun Fitzgibbon, Mr Hamish Skelt and Mr Chris Neylon. You have all helped the sport in your own ways this year. Lastly, to 'B Hes', 'the Fiddler' and 'Crazy Eyes', who are leaving the school this year, we thank you for the years of service you have given to school hockey and we wish you all the best for the future.

3RD XI HOCKEY REPORT

It was said to be the year of the 3rds! Coming off a tough campaign last season, walking away with one victory and a disappointing draw, we were well set up to achieve great things in 2018. With one year of experience under our belt, we were now seen as a threat to Invercargill secondary school hockey teams. Our successful recruitment in the off season of ring-in, experienced hockey player Sean Withy, and young gun Gareth Turnock, set us up nicely to be the ultimate under dogs.

Little did we know our first four games of the season were against arguably the best teams in the competition; CSC 1st, Hargest 1st, SBHS 1st and Verdon 1st, but that did not rattle our confidence for taking on the big names and looking for a history making upset. We did not disappoint.

Coming off our first game with a loss against CSC we were ready to get the ball rolling, taking on last year's champions Hargest 1st XI. Right off the bat we were defending like the boys in Gallipoli. We managed to hold them out at half time 0-0. With our tails up we came out hot in the second half but with a few missed opportunities from Zack Fowle, Hargest crept ahead 1-0. But, being the battlers we are, we fought back to a 1-1 draw with a nice touch from Zack Fowle to redeem himself! Minutes later Hargest were back on top making the final score 2-1, but we

took that as a victory and warning shots were fired to our next opponent Boycee and the SBHS First XI.

The following Monday came around. Not a word was spoken to Boycee that day in Agriculture and the boys were seeing red: the turf had more spectators than ever, with cars lined up and down the street. The spectators were here to see history made and we did not disappoint. Our first play was like nothing seen on a turf before, and did not go according to plan, as we ended up scrambling to defend.

Sean Withy single handedly carried a large majority of the lads on defense and attack and Goalie Hamish Grey saved everything that crossed his path. We were well in truly in this! Boycee's smile was quickly whipped from his face as the Firsts could not handle our skill. Tensions were rising and words were said that cannot be repeated in this write up. Thirty minutes ticked over and the half time whistle sounded with a repeat of last week's game, leaving the half time score 0-0. The second half started and the Firsts came out hot, especially after their half time talk which we could hear from our team huddle where we were quietly chewing on some snakes. Before we knew it the score started adding up against us and our hope started trickling through our finger tips. It wasn't meant to be! But you couldn't have asked for a better game with the score being 6-0.

The season continued at a rapid pace and our victories were soon to come. With a slim loss to Verdon 1st we went off and had a lot of convincing wins against everyone who stood against us on that turf. Our dream of making the top four was still intact and everyone was on form. Goals were being handed out to Josh Puller, to James Riordan; probably some of the worst players to pull on the 3rds jersey. In the business end of the season we came up against the SBHS Colts and despite an absolute nightmare of a performance from the boys we still got the win.

We were soon to find out we would be robbed of a top four spot due to the point's differential. We achieved things no other 3rds team had achieved before! We left a firm imprint on the 3rds legacy.

Huge thanks to our managers/coaches Miss Cameron and Miss Campbell for the support and lollies during the duration of the season.

Interschool

KING'S HIGH SCHOOL INTERSCHOOL

Cricket 1st XI

The Southland Boys' High School 1st XI cricket team travelled to Dunedin to play King's High School 1st XI on the 18th and 19th February, 2018, in our annual interschool match. Leaving school at 7am on the Sunday, we travelled up to a long first day, with playing hours from 10.30am to 7pm.

Losing the toss, we were sent in to bat on a wicket that was heavily grassed, but provided reasonable pace and bounce. Blake Harper (57) and Captain Sean Withy (59) provided the backbone of our first innings of 163 runs. Blake was the epitome of patience and his 57 runs came from 190 balls. This sort of determination and hard graft has been a dying art and Blake was brilliant in defence, showing the younger players how to do it. Sean was more of an attacking threat with his runs coming off 96 balls.

In reply King's High School were 115 for 3 at the end of the day and in a good position.

Our bowling figures were as follows:

Sean Withy	1 for 23 off 11 overs
Alec Mathieson	0 for 5 off 3 overs
Blair McKenzie	0 for 16 off 6 overs
Hayden Hart	2 for 19 off 15 overs
Jed Mockford	0 for 28 off 9 overs
Blake Harper	0 for 18 off 7 overs

The next morning saw rain and the chances of play looked poor. Both teams were positive though and the game started in wet underfoot conditions at 12.30pm, with 3 hours play possible. King's declared overnight to get the match moving and we went into our 2nd innings trying to set them a target to chase in their 2nd innings.

Hayden Hart with 31 runs was the only batsman to get going in damp conditions with lots of fielders around the bat. With our 1st innings lead we were able to set King's a target of 119 in approximately 26 overs for the outright win.

King's put on 47 runs for their 1st wicket and things were looking difficult for us at this stage. Slowly, but surely we started taking wickets and the match became tight, eventually coming down to the last over where King's needed 11 runs and we

needed 2 wickets. We took one of these wickets and they ended up short by 7 runs for a very exciting draw!

The bowling effort in the 2nd innings was:

Sean Withy	3 for 33 off 10 overs
Blair McKenzie	1 for 16 off 3 overs
Hayden Hart	1 for 21 off 4 overs
Jed Mockford	2 for 17 off 7 overs
Blake Harper	1 for 16 off 3 overs

Another inter-school and another nail biting finish!

Ian Mockford

SHIRLEY BOYS' INTERSCHOOL

Colts:

In our Colts inter-school with Shirley Boys', the boys made a positive start, bowling Shirley out for 118. Aaron Hart took 4 wickets, Stirling McKelvie 2 wickets, with Shaun Clapperton, Jackson Ronald and Captain Bruno Burgess all taking 1 wicket each.

In reply, SBHS had a number of starts with Shaun (27), Stirling (20) Aaron (17) and Jake Kura-Wharepouri (13), in our total of 109. This gave Shirley Boys' a lead of 9 heading into the second innings.

Southland Boys' again bowled well, dismissing Shirley Boys' for 95 in their second innings. Aaron, Stirling and Jackson all took 3 wickets with Lachie Nimmo taking the last wicket to fall.

We needed 106 for an outright win and Shaun Clapperton and Lachie Nimmo put on an outstanding display with an opening partnership of 96 runs before Lachie was out for 34. Shaun was 53 not out when the winning boundary was hit by Bruno Burgess.

This was a great effort by the Colts, a talented team who will continue to develop from this first inter-school of the season.

Ian Mockford

SHIRLEY BOYS' CRICKET INTER-SCHOOL 2018

The Southland Boys' High School 1st XI travelled to Christchurch on Saturday 10th February, to play against The Willows Cricket Club and Shirley Boys' High School. Unfortunately, the match at The Willows was called off early Sunday morning due to rain. This annual match is a real season highlight and it was a shame that we couldn't get any play. Mike Dorme from The Willows was just as disappointed as we were with the cancellation. Our focus then turned to our annual inter-school with Shirley Boys'. Overnight rain meant a delay to the start of the match, with SBHS captain Sean Withy winning the toss and bowling on an interesting wicket. There were some wet spots on the wicket and the ball seamed, took off at times and also kept low as the match progressed. It made

batting tough and batsmen had to fight for every run.

Shirley scored 153 in their first innings with our bowling figures:

Sean Withy:	3 for 35 off 14.4 overs
Blair McKenzie:	2 for 29 off 9 overs
Hayden Hart:	1 for 29 off 24 overs
Jed Mockford:	2 for 17 off 14 overs
Jordan Tooby:	0 for 9 off 5 overs
Alec Mathieson:	1 for 14 off 8 overs

Batting in our first innings we struggled through to 137 runs, with Clark Sutherland 24, Benji Culhane 24, Ken Singleton 22, Hayden Hart 21 and Sean Withy 19, the best of the batsmen. Lots of starts, but nobody got the big score we needed to build a decent lead. We went into Shirley Boy's second innings with real determination and bowled them out for 109 runs, giving them a lead of 126 runs. Star of the show was Hayden Hart with figures of 6 for 23 off 21 overs. This was a great spell and means that Hayden gets on the cricket Honours' Board at school. Blair (2), Sean and Jed (1) also took wickets. Chasing the 126 to win was going to be tough on a wicket that was still playing tricks. At 53 for 6 the chase was not looking great. Shirley bowled extremely well and it took a great partnership from Benji Culhane (36) and Blake Harper (31) to get us close. Clark, Blair and Jed all did their bit at the end and it came down to Blair McKenzie hitting a four straight down the ground off the second last ball to give us the win. After feeling like we were behind the whole match, this was a brilliant effort by a relatively young side.

I believe there is a lot of character in the side and they will only get better with time. Sean Withy captained the side very well and looks to lead from the front. Well done to 'Harty' for getting on the Honours' Board and all the boys for their fight and determination. We look forward to our next inter-school with an experienced Kings' side.

Ian Mockford

Junior Sports Academy

This year saw 28 boys enter the Academy in Year 9 and 26 in Year 10. There was a wide range of sports that the boys excelled in. Term one saw the Year 9s take part in goal setting, athletics and summer striking while the Year 10s completed a fitness unit standard, to set them up for the winter sports. Term two saw the introduction of the students working on their own individual skills. We were lucky that the boys were able to get specialised coaching from the regional sport development officers. The cricketers were lucky that they got to train over the off season using the indoor facility at Queens Park. The benefit of this is already being seen with Stirling

Mckelvie picking up a century early on in the season. Another highlight in both years was travelling offsite to take part in some classes run by various fitness outlets.

The number of students who have made Southland representative teams is too large to mention, with 95% of students across both of classes achieving this.

Outstanding achievements in Year 10 include – Will Stodart being given an award for contribution and participation to sport at the Southland Secondary Sports awards. He also made the New Zealand top 20 U16 basketball squad along with Southland U16 rugby team, as a year 10 student. Aaron Withy also made the Southland U16 rugby team as a year 10 student, which is an impressive feat. Solomon Lewis was 4th at South Island Squash Champs and has been selected for New Zealand Emerging Squad for 2019. Jackson Herrick was first at the South Island Swimming Champs in 400m individual medley, 200m individual medley and 200m butterfly.

Outstanding achievements in Year 9 include – Josh Evans being named Southland U14 rugby player of the year and Ngarimu Paraki named most promising player. Lewis Telfer picked up Southland U13 rugby player of the year. Also in rugby, Jack Churstaing, Ngarimu and Caleb Williams made the Southland Boys' High School U15 tournament team that played at the South Island Tournament. Jack Taplin had a very successful year in Taekwondo, winning the New Zealand and Australian championships for U16 and being named Junior Sports Person of the year at the Southland Secondary School sports awards.

I would just like to thank the various sports for giving up their time to work with the boys on their training and skills throughout the year.

Chris McIlwrick

Teacher in charge of Junior Sports Academy

Rifle Target Shooting

Our team this year looked strong on paper with only one new shooter and four experienced shooters returning to the fold. However, the successes of previous years were not to be repeated. The Team was:

Flynn Longman (Team Captain)
Devin Watts
Kyle Beck
Jakeb Lawson
Erik Cahill

There was only one occasion, the interschool against traditional rivals Otago Boys' High School, where all of our team shot at or near their best to win by a good margin. We were soundly beaten by the nationally rated King's High School Team and came a close second to Waitaki Boys' (one of our shooters down due to illness).

Smallbore Team

The team came second to Menzies College in the Southland Secondary Schools' Rifle Target Shooting Competition. The better team won that contest and looks to be the one to beat over the next two to three years.

On reflection, this year's shooting development was hindered by the later than usual start to the Club season, competition with other sporting codes and ill health. In a year where the boys should have been shooting personal bests, most did not.

Despite these setbacks and gear complications the boys still managed to compete and show moments of brilliance and represented our School with a great deal of pride.

Thank you once again to the significant support of both the Invercargill and Collegiate Clubs and their coaches given to the Team. Till next year, "keep your powder dry".

Ian Welsh

Teacher in Charge Rifle Target Shooting

Rugby

SBHS 1ST XV RUGBY

Club Season

This year the 1st XV had an up and down season with some great wins and some narrow losses. We started the year full of confidence that we could better our 4th place finish in the Dunedin Premier Colts Grade from 2017. This started off positively, with a convincing win over last year's runners up, Taieri. As the season progressed we played some very good footy and were very competitive in all games.

While the Colts season was vitally important to do well in, our focus was developing our skill set and developing how we wanted to play as a team, winning all three inter-schools and making it back up to the Top 4 for the third time in a row. Our Colts season finished, seeing us in 5th position with 7 wins, 5 losses and 1 draw,

the team narrowly missing out on the semis by a points' differential. A good result as in most cases we were playing lads 2/3 years older than us.

Interschools

SBHS Vs Otago Boys' High School in Dunedin - (14 all draw)

Our first interschool of the season was against traditional foes up there at Littlebourne. Travelling up in mini vans with a bit of snow and sleet falling, the boys knew we were in for a tough contest on the traditionally muddy field of Littlebourne. The wet conditions played a part and on a heavy field, tight boring rugby was required. With the Hoops Army behind them, Otago Boys' crashed over for the first try, before Harry Taylor drove over from close range. First half score 7-7. The second half started with hard fought, tight rugby being played, and with Sean Withy crashing over for Southland to take a 14-7 lead. After many phases and some brave defence, Otago scored a nice try to level the score. The match ended in a tough fought, 14 all draw, with us feeling like we had missed a few opportunities after benefitting from majority of the possession. However, it was a fair result as both teams really bashed each other to bits. Hooker Jacob Payne put in a solid shift, carrying strong, along with Elliot Warrender.

SBHS Vs Waitaki Boys' High School in Invercargill - (Win 22-8)

With the home crowd advantage and a stellar Southland day, we started positively with two quick tries, firstly to Morgan Riordan, who finished a well worked set piece move, and secondly, Elliot Warrender, crashing over under the horns to take the early advantage. However, due to the frequent domination of the ref's whistle, we were unable to get any flow on. A further try to Sean Withy, who capitalised off a good lineout steal and a penalty to Jordan Maher, saw the final score at 22-8 in favour of us. Stand out players in this match were Morgan Riordan, who threw well and was busy throughout, and locks, Harry Taylor and Aleki Saili, getting through a power of work.

SBHS Vs King's High School in Invercargill - (Win 44-3)

King's was our final interschool of the year and one that the year 13s were keen to do well in, as it was our last one at home. That's exactly what we did! On an average day and a greasy field, the boys put together a dominant performance, showing good skill and offloading ability in the wet conditions, to run out 44-3 winners against a strong King's side. Tries were shared about the team, with Jacob Payne picking up two. Also, strong performances from Sala Kuresa on the left wing and Tim Price in the halves, wrapped up another unbeaten interschool season.

Top 4 playoff (Semi-Final)

SBHS Vs John McGlashan College - (Win 46-5)

With only finals footy left, the boys were back into the mahi leading up to a home semi-final against a strong John McGlashan

Zach Mirfin, Callum O'Connor, Luke O'Connor (coxswain), Hayden Milne and Shaun Nimo received a Bronze medal at the South Island Rowing Championships, 2018.

side, who had narrowly been beaten by Otago boys, the week before. Again, Invercargill put on a stellar day and the boys were keen to put together a strong performance in our last home game of the year. This started out as we raced out to an early lead, with two of our better team tries of the season finished off by Sala Kuresa and Sean Withy. Consistently dominating the stats, the points kept rolling in from the

boot of Jordan Maher. A number of well worked, set piece and team tries, meant that by the time the final whistle went, we had run out deserving winners 46-5. Jordan Maher arguably having his best game of the season, knocking them through the horns from all round the paddock. This win meant we would travel up to Littlebourne yet again to tackle rivals Otago boys' in the Highlanders' final.

Highlanders Final

SBHS Vs Otago Boys' High School - (Lost 26-7)

With the sun out and a heavy field to play on, we were confident we could come out of the match besting the Highlanders, for the third year in a row. Backing us on the terrace was a strong contingent of blue and the boys were raring to go. With more

SBHS RUGBY CLUB PRIZE-GIVING

The annual end of season prize-giving was held on Thursday 20 September in the school hall, at lunch time. Teams were able to celebrate the end of rugby season, with pizza, and award their deserved recipients. Thank you to Craig Hall, and Phil Halder from the Stags, who presented the trophies.

U14 Blue Team	Most Valuable Player – Jack Churstain (Jack was the captain of U14 Blue, and led by example, both on and off the field. He also never forgot that having fun was a big part of playing rugby, for everyone involved)	Most Improved Player – Nick Gray (Nick's improvement during the season was pleasing to see, as was his understanding of what was required from him around the field)
U14 Red Team	Player of the Year – Rico Fisher	Most Improved Player – Taylor Weir
U14 White Team	Most Valuable Player – JJ Fisher (A very uncompromising player who never took a backward step. He never missed a training and was dynamic on defence)	Most Improved Player – Daniel Lord (Being relatively new to Rugby, this young man has soaked up all opportunities on offer. He quickly became a valuable team member, who continually improved throughout the season. A pleasure to coach)
U14 Black Team	Best Forward – Jackson Ronald	Best Back – Caleb Williams
U15 Blue Team	Most Valuable Player – Will Stodart	Most Consistent Player – Max Milne
U15 Red Team	Best Back – Kaea Nikora-Balloch (A very talented playmaker in all areas. He set up a back line that involved all players. He was respected by team mates for his leadership, and a coach's dream, on and off the field)	Best Forward – Aaron Withy (He led the forwards from the front. A very strong and dedicated player, who gave his everything, every game. Well respected by team mates, and a coach's dream, on and off the field)
U15 Tournament Team	Most Valuable Player – Cameron Smith	Most Promising Player – Jack Churstain
U17 Blue Team	Most Valuable Player – Ian de Reuck	Most Improved Player – Callum Robertson
U17 Red Team	Most Valuable Player – Ethan Rougeux	Most Improved Player – Ben Symon
SBHS Development Team	Most Valuable Player – Drew Carter	Most Improved Player – Mitchell Ottley
'Dog of the Year' Trophy	Callum Nimmo (This trophy is presented to the player that always works hard, is tough and turns up week in and week out.)	
SBHS 2nd XV	Most Valuable Player – Hamish Gray (Hamish has a very high work rate, and is versatile with playing positions in the forwards)	Most Improved Player – Finn Burns (Finn became a dominant force in the lineout, and continually improved throughout the season, as a loose forward)
SBHS 1st XV	Most Valuable Player – Sean Withy	Most Improved Player – Harry Taylor

possession and a few opportunities missed in the first spell, we went into the break 5-0 down, knowing we had left some points out on the field. The second half started and so did a horror 8 minutes of footy, with Otago Boys' scoring 3 tries in this period to go up 26-0 and have all the momentum. However, we were able to get this momentum and possession back through some strong carries and good kicking, but again, due to poor execution and errors at the wrong time, this meant we could never quite finish our opportunities. A late try to Ryan Taylor was all we came away with, going down 26-7 in disappointing fashion. Ryan Taylor battled well and tested the Otago defensive line often, with Harry Taylor and Morgan Riordan getting through a lot of work, as they had all season.

Overall

Still a great season with lots of positives

to take out. Shout out to Derms, Skelty, and Daryl Thompson for the endless hours they put in prepping us for games, and also to Rangi for the hours he put in managing the team. With the Royal Blue's heading to South Africa for the world tournament, Year 14 could be on the cards for few, as it doesn't sound like a bad gig. Thanks for the great friendships and memories. The team of 2018 wish the troops all the best for next year to continue the proud Royal Blue legacy.

Sean Withy

SBHS 2ND XV RUGBY

The 2018 2nd XV had a slow start to the season on the winning front and after three games into the season were faced with a revised draw after the withdrawal of Te Anau U18.

This became the start of a progress-building platform as the season went on, and the wins started happening after the team showed some self-belief and resilience, clawing their way to the playoffs.

Gore High 1st XV were the form team to beat in the competition and after losing to them 45 to 5 in the last round robin play, we went on to meet them in the final. This game would have to be the team's best playing performance, with a very hard fought and tense finish. The 2nds never gave up but unfortunately fell short by two tries in the last 10 minutes, losing to Gore 38 to 24.

Congratulations to the following boys for making the Southland U16 Rugby Team: Mitchell Hamilton, Mitchell Thompson, Sam Hartmann, and Sam Clark.

A huge thanks also to our coaches Glenn Taylor, Greg Hart and Manager Craig Hall

Development XV

Back Row: Wilson Redding, Tim Smith, Harrison Dykes, Kruz Carter, Storm LeQuesne, Josh Murrell, Cody Mason (Coach/Manager)
Middle Row: Bryce Morgan (Coach), Clayton Payne, Mitch Ottley, Cameron Smith, Brynn Te Koro, Daniel Ruddenklau, Jakeb Lawson, Chris McIlwrick (Coach)

Front Row: Josh Davies, Drew Carter, Joseph Wynne, Callum Nimmo, Te Kaanu Te Huia (Captain), Bailey Rangi, Luca Burns (Vice Captain), Blair McKenzie. **Absent:** Kiri Hogan (Manager), Ross Teweti, Bwarerei Kaieti, Maru Raea, Ben Henderson, Caleb McKenzie

SBHS DEVELOPMENT XV RUGBY

Right from the outset, our intentions were clear: to become the 'real' 2nd XV. With the best team roster the 'Dogs of War' have seen in a decade, and a coaching staff including Bryce Morgan, Chris McIlwrick, Cody Mason and manager Kiri Hogan, we knew we were destined for glory. With a minimal amount of training under our belt, mainly consisting of speed touch, the boys were adamant we were going to rock some domes in the Southland U18 competition.

"If you can't get up for this game, you'll never get up for anything", a memorable quote by Galbraith Shield winner Bryce Morgan, moments before the 'Dogs' were set to take on arch rivals the 2nd XV; the most hyped game in Southland, as the 3rds had not beaten the 2nds since 1987. As relaxed as ever, the 'Dogs' were in the zone and ready to go to war. Up against 16 opposition players, we came out firing and it wasn't long before the 2nds were under their own sticks having a drink. A Drew Carter left foot step, Jonty Stirling's broken ankles, deft left foot kicking by Josh Murrell, a Te Kaanu late shoulder charge, a long-range Blair McKenzie nudge and some Cam Smith pace later, the 'Dogs' were up 29-10. Through exceptional composure, superior fitness, precision execution and some genuine 'Dogs' mongrel, we ran away with the game 41-22. History had been made!

After Rugby Southland's decision to restart

the competition saw us being stripped of our three bonus point victories, the 'Dogs' were gutted and outright fuming. Setting a new foundation for the season was always going to be a tough ask, after all that initial hard work and determination was down the drain.

We started the new competition as one of the favourites and arguably as one of the most talked about outfits in the rugby community. Knowing we had a 23 man roster full of quality, experienced players with the desire to perform, there was a belief in the group that we could go deep into the season and play finals footy. Coming up against tournament favourites Gore High in the first game and a 67-0 hiding wasn't an ideal way to start the new campaign. This was followed by a string of close losses against 1st XV's we felt we should be dominating and winning against. After taking a hard look at ourselves, these disappointing results hit the team hard. Next up was a Woodlands outfit, riddled with ex 'Dogs' and SBHS players. The boys were fizzing to right some wrongs and put on an exhibition of physicality and razzle dazzle rugby. This dogged determination resulted in a convincing victory where our potential was reached once more. Devastating tackles, tactical genius and outright pace were some of the many highlights. Nearing the business end of the season the Dogs hit their straps with a 75-12 annihilation of the JHC 1st XV, Kruz

Carter showing his classy elusiveness with four exceptional long-range individual tries.

With our 2018 season over, narrowly missing out on a semi's spot the 'Dogs of War' well and truly confirmed themselves as the real 2nd XV. With several outstanding performances, the season was mainly chat and good fun and we created a good foundation for the future as many players will go on to bigger and better things in their footy careers. Congratulations to our MVP, Drew Carter; Most Improved, Mitch Ottley; and our 'Dog of the Year', Callum Nimmo. Special mention needs to go to the 'Dogs' leaving this season as they played with pride and have left the jersey in a better place than when they started with it. A big thanks to the coaches, Cody 'the Mase Dog' Mason, Chris 'the Hundies Matua' McIlwrick, Bryce 'White Lightning' Morgan and our Manager, Kiri Hogan.

Blair McKenzie & Josh Murrell

U17 RED RUGBY

U17 Red had a very good season, with tough games and even teams resulting in a very tight competition. After struggling in the middle of the season with lots of injuries, we finished up third in the regular round robin. We then had a strong finish with convincing wins in our quarter over Verdon and semi-final over Central Southland College 2nd XVs.

The final was played against a very tough Riverton side who had led the competition all season and had easily beaten us last time we met. After being down 27-7 at one stage, halfway through the second half the boys made a huge comeback, and ended up just short, going down in the final 34-28. They played amazingly well, and we were very proud of their determination to not give up all game.

They have been a great bunch of boys who have worked hard all season.

Back Row: Benji Burns, Corey Wood, Ethan Rougeux, Seth Brown, Caleb Scobie, Regan Stratford, Tyrone Watkinson, Andrew Smith (Manager)

Absent: Adam McLeay (Medic), Noah Stratford, Zahn Leti, Alex Downey, Maui Smith, Charlie Forbes.

Rugby League

RUGBY LEAGUE 9'S

Day Boys Vs Hostel Boys

This year, a few of the other Year 13s and I decided to set up a league game, due to the high demand for league within the school. With hopes of raising awareness of the sport we planned a game that we knew would be exciting, the Day Boys vs Hostel Boys. With each team looking for bragging rights, a lot of passion was displayed in this fixture.

The game started off with a lot of aggression from the Hostels, led by Sean Withy's thumping tackle on Mitch Ottley off the first kick-off. This had both teams fired up from the very start. Day boys, Tim Price and Kenneth Singleton, led the pack strongly, with solid runs to gain vital metres towards the try-line, with hopes of winning. Throughout the whole game, it was obvious both teams did not want to lose this game. With the score being 10-8 to the Hostels at half-time, the Hostels knew they would have to use their speed to exploit the Day Boys' defence.

Day Boys fought back strongly to close the gap and were successful in getting over the line through Elisara Kuresa, but were not rewarded in their efforts, with it being called a 'no try', which really took its toll on the team. The Day Boys had seemingly given up to the Hostels, as they scored again, with the score now 16-8 to the Hostels, meaning they took out the first game of what we hope to be an annual game from now on.

Year 13s will carry our team's culture with enthusiasm and will look back on the game with pride in the future. Good luck to both teams for the years to come.

Maru Raeā

Softball

U17 SOUTHERN PRIDE 2018

During the last week of Term 2, 14 boys from around the South Island travelled to Brisbane, Australia to compete in the U19 International Friendship Softball Series. Of the 14 boys selected, 8 were from Southland (6 of them from Southland Boys' High School). The boys were Josh Richardson, Lachlan Springford, Ben Symon, Bray Dallas-Ormsby, Kiahn Johnson and Cameron Wallace.

Day 1: Our first game was against Australia Green. We went down 11-0, but it was good to play together for the first time. Our second game that day was against New Zealand U17 Emerging Sox. We lost 5-2, but it was a good battle and a big improvement compared to our first game.

Day 2: We were looking for a win. The first game we played was against Australia

Gold, but we lost 9-1. Our second game was against Queensland. We were nearing our first victory until a change of pitcher followed by multiple errors let Queensland win 10-4.

Day 3: Personally, I believe this was our best performance day. First up was U19 United South Island. We were in the game for most of it until USI put on their first-string pitcher and catcher. We went down 13-6. The last game of the round robin for us was facing Southside Stingers and we wanted a win. After a tough game and a player injury, we came out tied 8-8, leaving us 6th out of 7 on the table.

Day 4: The play offs were rained off, which meant unfortunately only the top four teams played on Day 5.

The tournament was a great learning experience for most of us as we hadn't played at such a level or against international teams before. While in Australia we were also lucky enough to go to Movie World and Australia Zoo. A big thank you also to the Mainland Softball management team, and Southland Softball Association.

Cameron Wallace

ISANZ DEVELOPMENT BOYS' SOFTBALL

In late Term Three I left New Zealand, bound for a 22-day tour of Canada as part of the ISA New Zealand Development Boys' Softball Team. Throughout my time over in Canada, I played about 26 games in three Canadian States, Saskatchewan, Manitoba and Alberta. I was constantly being put through my paces, playing a minimum of two games back to back each day, with very little down time to see the sights of a country on the other side of the world. However, when given the opportunity to represent my country for a second time in Canada I made the most of the opportunity and gave it my all. "I learned a lot over there and think it's an amazing experience to go overseas playing the sport you love and experience different cultures".

I plan to continue to work hard with my softball and possibly go back over to Canada next year to play for the Pimicikamak Thunder U19 team for a couple of months.

Braeden Heslip

2018 SISS DIVISION 2 SOFTBALL CHAMPIONSHIPS

In Week 8, Term 1, our senior softball team departed for Ashburton to compete in the South Island Secondary School Division 2 Softball Championships. The boys had trained hard and were ready to put their best effort in at the tournament.

Up first, on the first day, the boys faced Dunstan High School who were out to make their mark. Starting slowly in the

game, the boys woke up and put bat to ball with a strong hitting performance leading to a 14-0 win. Next up they faced Ashburton College. The team started strong and carried on with a dominant performance throughout the game, winning 19-0.

On the second day, the boys were excited to be coming up against strong opposition from St Thomas of Canterbury. The game was a hard-fought battle, with scores being locked at 0-0 going into the 6th innings. The boys kept focus, with senior boys leading the way and scoring important runs to end the game with a 7-0 victory. They then went on to face Timaru Boys', with another dominant performance and

younger players stepping up to take the team to a 15-0 win.

The third day was to be the hardest day of the tournament with the possibility of having three games in unpredictable weather. Up first was Rolleston College, where the boys were in great form and went to work early, getting out to a final score of 15-0. Burnside was the second game of the day where the boys were looking for another strong performance to set up for what would be their last game of the tournament, due to the cancellation of the last day. The boys led early and came out with a 16-1 win. The third and final game was a playoff as the winners of

ILT SOUTHLAND SECONDARY SCHOOLS' SOFTBALL CHAMPIONSHIPS

Congratulations to our team who won this event in February. Thank you to Jimmy Affleck and Jason Te Huia for coaching and managing this team.

Intermediate Section: The Intermediate grade only had two teams entered, both from Southland Boys' High School. In the final, SBHS Red won over SBHS Blue. Thank you to Ms Katie Tull for assisting this team.

Softball winners

Back Row (L to R): Jason Te Huia (Manager), Ben Symon, Eli Meuli, Lachlan Springford, Caden McCormack, Kiahn Johnson, Jim Affleck (Coach)

Front Row (L to R): Hunter Jennings, Te Kaanu Te Huia, Braeden Heslip, Josh Richardson, Blake Purdue, Cameron Wallace

this game would progress through to the final with the loser having to play off for a spot the next morning. In challenging conditions, the team knew they had to do the basics right to secure a spot in the final. Once again, they showed a strong hitting performance with everyone showing their skills, to take the team to a 13-2 win, becoming the South Island Division 2 Champions.

The team would like to thank Coach, Jim Affleck, and Manager, Jason Te Huia, for all of their hard work prior and during the tournament and Miss Tull, for all of her hard work behind the scenes.

Braeden Heslip

Surfing

Southland Primary and Secondary School Surfing Championships were held at Colac Bay in 2018. Results were as follows:

U12 Boys – Kohen Cairns 3rd

U14 Boys – Riley Smith 1st
– William Wisely 3rd

U16 Boys – Riley Smith 2nd
– Harry Wilson 4th

U18 Boys – Callum Hodges 1st

SUP Boys – Callum Hodges 1st
– Harry Wilson 3rd

Boys' Long Board – Callum Hodges 1st
– Harry Wilson 2nd

School Team
– Southland Boys' High School 1st

Swimming

SWIMMING SOUTHLAND AWARDS

Southland Boys' High School teams took out the Relay awards at the 2018 Swimming Southland Awards prize giving

ceremony recently ...3 out of 4 trophies! The teams were as follows:

Team 1 – (Matthew Speight, Isaac Smith, Magnus Jamison, Marcus Gray)

Team 2 – (Flynn Sinclair, Lachlan Springford, Jackson Herrick, Storm LeQuesne)

Table Tennis

Southland Boys' High School student, Carl Rodmell, was a member of the Southland U18 Boys' Table Tennis Team who competed recently in Timaru, winning the U18 South Island, title beating Otago 4 matches to 3. Tyler Hewton was also a member of the U15 Boys' Team winning the U15 team's event and taking Southland to a win in two South Island Boys' titles for the first time.

Tennis

SOUTHLAND SECONDARY SCHOOL TENNIS CHAMPIONSHIPS

On the 20th of February, Southland Boys' High School sent two teams to compete in the Southland Secondary School Tennis Championships, held in Winton. One team, consisting of Hamish Gray, Thomas Clark, Ryan Taylor and Riley Smith, proved to be very strong and went through undefeated. The boys qualified for the South Island championships held in Christchurch, but they did not attend. The second team, did not qualify to go further.

SOUTHLAND BOYS' HIGH SCHOOL TENNIS CHAMPS

These were held on Monday 12 February 2018. Our thanks go to Sheena Smith and Nicola Stevens for running these Championships. Parent help is an invaluable part of our school and very much appreciated.

Touch

SOUTH ISLAND SECONDARY SCHOOL TOUCH COMPETITION

On Friday 23 March the Southland Boys' High School Senior Touch Team travelled to Christchurch to compete in the South Island Secondary School Competition.

Team members: Ryan Taylor (Captain), Clark Sutherland, Elliot Warrender, Joshua Davies, Thomas Clark, Harry Taylor, Kruz Carter, Kapila Tohiariki, Thomas Wilcox, Jared Holland, Sam Clark, Jordy Smith, Josh

Murrell, Sam Hartmann, Malakhai Kahukura and Kaea Nikora-Balloch.

Results:

Versus: King's High School – Draw 7-7

Versus: Nelson College – Loss 5-4

Versus: Shirley Boys' High School – Win 7-2

Versus: St Andrew's College – Win 8-4

At the end of Day One the Team was second in their pool and were playing Otago Boys' High School in a Semi-Final on Sunday. We lost this game 8-7. The boys put up a big fight, but ran out of time to capitalise. The top try scorer over the 5 games the team played, was Jared Holland.

Over the Tournament the boys played well and did the school proud through their efforts and game etiquette. A big thank you to Wi-Richard Tohiariki for coaching the team and to the Parents for their support.

Our end result was 4th in the South Island, meaning that we have qualified to attend the National Tournament in Auckland in December.

Triathlon

JAXON TAYLOR

This Triathlon season has seen Jaxon Taylor compete in a variety of races throughout New Zealand, with the highlight being qualifying and competing in the Triathlon World Champs in September on the Gold Coast. Only 16, Jaxon has raced across older age groups for most of the year which helped prepare him for the World Champs. He was 1st place in the Southland U19 Tri

Champs, 1st in the South Island Champs, and finished 5th in his 1st year competing in the U19 age group at the New Zealand Secondary School Championships in Nelson earlier this year.

Jaxon competed in the Junior (U20) Oceania Championships in March this year and unfortunately didn't have his best race but came away with 13th place. Jaxon has worked hard over the winter months in preparation for the World Champs, training up to 18 hours/week with a combination of swimming, biking, running and strength and conditioning training. He was privileged enough to be selected as part of the Academy Southland Programme where he has been offered invaluable support around such things as nutrition, key mental skills and preparation, training/academic/life balance, strength and conditioning, and goal setting.

On September 13th Jaxon raced at the ITU World Age Group champs in the 16-19 category, competing against a variety of other countries including Australia, USA, Britain, Germany, Hungary, Mexico, Japan and more. Coming out of the swim in 10th place, his quick transition set him up to get into the lead group of 5 competitors on the bike. The group worked well together and held off the chase group, coming in to the second transition with a good position which set him up for the run. He held his own on the 5km run and ended up finishing in 6th place.

Not a lot of time to rest though, as he now heads into training for the start of the Southern Hemisphere season.

SOUTHLAND SECONDARY SCHOOLS' TRIATHLON

On Friday 23 February a team of Southland Boys' High School students, ventured out to Winton for the Southland Secondary Schools' Triathlon. The boys produced some great results.

Results:

Year 7

OTAGO SECONDARY SCHOOL TRIATHLON CHAMPS

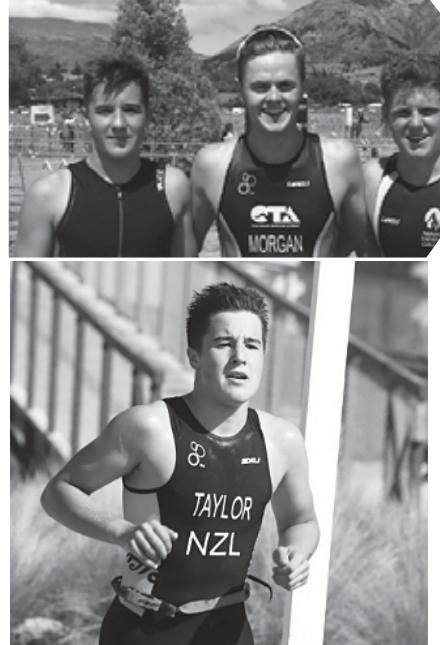

Jaxon Taylor raced in the Otago Secondary School Triathlon Champs on the 15th of February. This was incorporated as part of the Wanaka Challenge this year. He competed in the senior section of the Secondary Schools' race which brought together some of the top triathletes in the South Island. Jaxon raced well, and came away with a podium finish, taking out 3rd place.

Jaxon then went on to compete in the Wanaka Challenge Half Iron Man two days later as part of a team, completing the 90km bike ride for his team in 2 hours, 34 minutes. The team came home in 10th place.

These were good warm up events leading into the South Island Secondary School Championships in Oamaru and the National Secondary School Triathlon Championships in Nelson, as well as the Oceania Championship and U18 Youth Olympic Games Qualifier in New Plymouth. Jaxon placed 1st in the Under 19 section of the South Island Triathlon Championships held in Oamaru, March 2018. Well done!

Volleyball

The 2018 Year 7 and 8 Volleyball team started off in Terms 1 and 2 with a hiss

and roar, with eight boys playing every Wednesday against a variety of mixed and single sex intermediate teams. The team won more than they lost and had a great time improving their skills, thanks to Amanda Jarvie who helped with coaching. During Terms 3 and 4 the team was slightly different, however there was a noticeable improvement as the boys began playing more as a team, creating better volleys.

Thanks to all the parents who watched and supported the team each week. Special mention to Karl Frecklington for being a star server.

Miss Ward

Waterski

OTAGO/SOUTHLAND WATERSKI TOURNAMENT

This event was recently held on Perkins' Pond near Millers Flat. A number of schools from Southland and Otago compete in this annually. Two students from Southland Boys' High School competed in this event and achieved great results:

OLD BOYS

SBHS OLD BOYS' ASSOCIATION REPORT 2018

It is pleasing to report on another year of progress for the Old Boys' Association. At this year's AGM, we welcomed John Low, Neill Blackmore, and Karl Lamb to join the existing committee of Jim Watson (President), Brendan Copeland (Secretary), Rowly Currie, Trevor Oliver, Reece Oliver, Wayne Hulls, Russell Read, Bevan McNaughton, Alex Glennie, Peter Redpath, Roger Wilson, and Ken Bowie. Craig Smith was re-appointed as our Auditor.

Our first "catch-up" of the year was held in April, in Invercargill's Coldstream Club. Our guest speaker was Old Boy Jim Boult, currently Mayor of Queenstown/Lakes District Council. Jim has been involved in many companies and organisations at CEO and/or Directorship level, as well as having had success in the motor-sports arena in his spare time. Along with some interesting and surprising comparisons of Queenstown then and now, Jim provided an entertaining overview of his career. A very convivial evening ensued, with many new faces attending, and re-acquainting with old schoolmates.

At our second "catch-up" in September, our guest speaker was David Grant, whose father, Don Grant, was Rector from 1951 until his sudden death in 1963, when David was only 16. David's background as a teacher, author and historian, produced a thoroughly interesting story about his father, at times both frank and emotional, as well as humorous. I'm sure we all felt that we had a better understanding of the man we knew as a rather serious, yet respected, Rector. His nickname "Joe Grimm" actually originated during his WW2 army years, where he rose through the ranks to become a Lieutenant Colonel, and by the end of the war commanded the 23rd Battalion. He was held in high regard by those who fought alongside him, and/or served under his command. Thank you, David, for this very personal account.

Our regular "catch-ups" (6 to date) never fail to amaze us with the diversity and experiences of our fellow Old Boys.

Our Old Boys' database continues to grow, thanks mainly to the efforts of

Committee member, Wayne Hulls. We are very interested to hear from anyone who can advise us of more Old Boys' names and information for our records, as well as someone who can help us with entering these details to the database.

Our Museum Committee still meets regularly, and again assisted with the Year 7 students' first visit to the School Museum in February, as well as having a presence there at the annual Open Day. The ongoing contribution of Archivist Lynley Dear must again be acknowledged with thanks.

Last year the Old Boys' Committee resolved to continue the annual practice, over many years, of granting a Scholarship to both the Dux and Proxime Accessit. The amounts granted were increased to \$1500 and, \$1000 respectively, along with the congratulations of all Old Boys, in recognition of academic excellence.

As this is being written, we are in touch with some Christchurch Old Boys, and plan to revive regular activities there following the disruption caused by the devastating earthquakes of 2011.

We are also currently involved in publishing Old Boy Alex Glennie's book on the history of the Invercargill-Bluff Railway and Bluff School Train. We thank Alex for the offer to donate all proceeds as a fundraiser for the Old Boys' Association. We will be able to report more on this project next year.

We appreciate the ongoing support and assistance offered by our Rector Simon Coe, and also the many staff who help from time to time.

Jim Watson
President

Sgt Adrian Cheyne

Congratulations go to 'Old Boy', Sergeant Adrian Cheyne, a Dunedin police prosecutor, who was admitted to the bar in 2018. He left Otago University in 2004, after taking science and physiology before moving on to study law.

Of his ten years as a police officer, he had spent three years as prosecutor in the District Court.

Robert McDonald

Congratulations go to 'Old Boy', Robert McDonald, who is studying Law at Otago University and won the 2018 cup for the Witness Examination Competition, run by the Law Society. This entitles him to compete in the New Zealand Final of this prestigious competition and then on to compete in Adelaide in the Australian final.

Lee Richardson

Recent SBHS student Lee Richardson's Ilam School of Fine Art award.

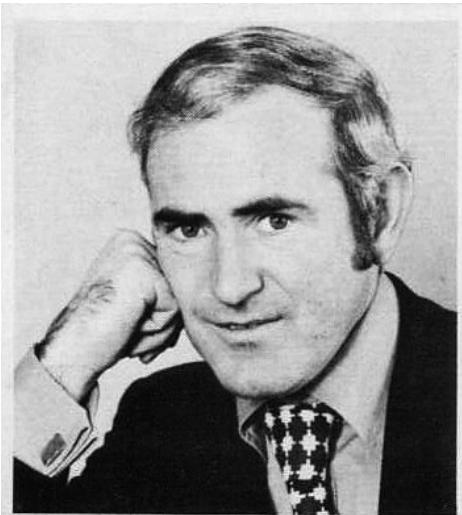

Congratulations to Lee for being awarded one of three final year University Honours or Masters Select Awards. Selected students' work goes into the collection at the University. Previous names to be included feature Shane Cotton, Rita Angus, Graham Sydney and many more celebrated NZ artists.

This year Fine Arts and Design students were judged by the Director of the Christchurch Art Gallery. Lee's design work titled Take Back the Bollard investigates paste-up art culture and font from 60's and 70's matchbooks. His final work is made from MDF and pine structures that have been screen printed on.

Lee Richardson with his design installation

BELOW: Derek Keane in 1972, aged 38, when he was Director of Media and Development in Sydney for multinational advertising agency, Hansen Rubensohn McCann Erickson, where he became Vice-Chairman.

OUR COVER: Derek Keane, Director of Media and Development for Hansen Rubensohn-McCann Erickson, spearheads the agency's in house training programme for up-and-coming media people. See story beginning on Page 14.

Derek Keane

I left Southland Boys' High School in 1951, then gained my degree in Arts from Otago University. During this time, I spent my holidays as a reporter for the Otago Daily Times. I then moved to Auckland as Sales Manager of John Court department store, before crossing the Tasman to settle in Sydney. Here I worked for a couple of boutique advertising agencies, before joining Hansen Rubensohn McCann Erickson for ten years, spending time in New York at the headquarters of Interpublic, which was the number one advertising agency in size internationally. I then started my own Sydney agency, Derek Keane & Company, with long term clients such as Holden, Isuzu, Breville, Australand (previously Hooker Homes and Home Units) etc.

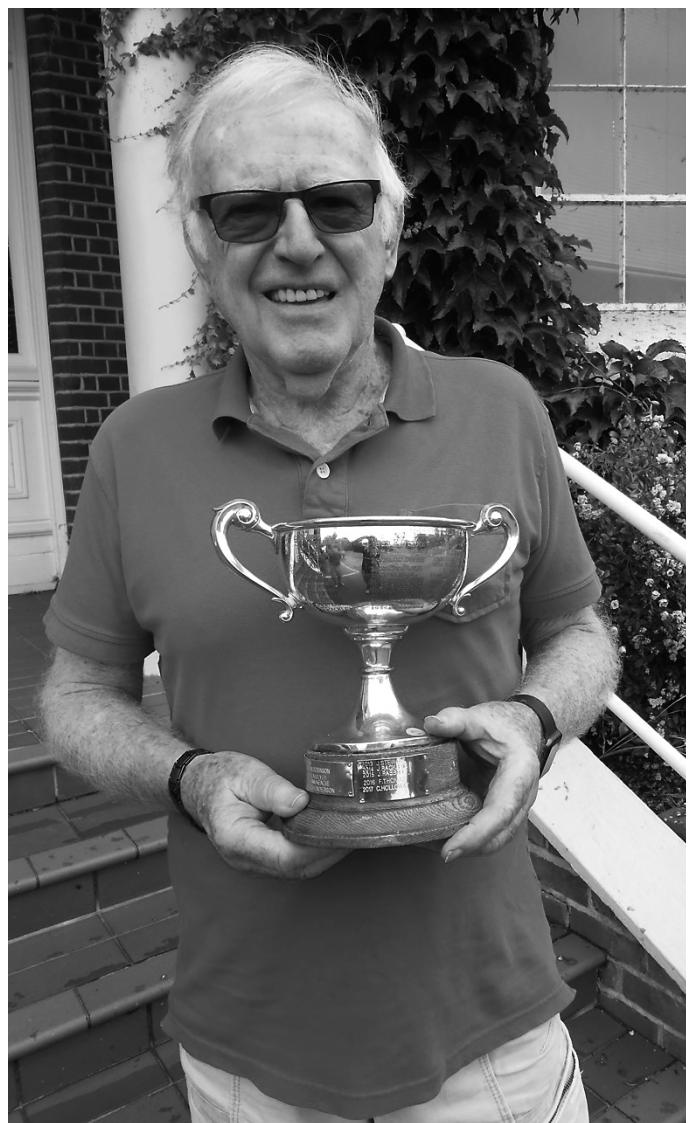

My wife, Julie, and I have owned investment/holiday properties in Queenstown, New Zealand and Denarau, Fiji, as well as properties in the inner east of Sydney. We no longer own our overseas properties, but gain an excellent retirement income from our Sydney properties. I have three grown children, Jason, a solicitor and lecturer at the College of Law, Nicole, a commercial interior designer and Philippa, a gold and silversmith. I also have five grandchildren aged ten and younger.

ABOVE: Derek Keane (centre), with two fellow SBHS friends, John Heenan and Peter Boyd. The year they left school, they decided to walk to Milford Sound, only to be hit with extreme weather. Rather than walk over the mountain, they decided to crawl through the uncompleted Homer Tunnel. They emerged on the other side to find an Otago Daily Times photographer, extremely surprised to see them. The centre of the tunnel was so tight, it was impossible to turn back, even if they had wanted to.

RIGHT: This photo was taken on Derek's recent visit to Southland Boys' High School, with the Deschler cup, that he was awarded in sixth form (Year 12).

I am a very proud 'old boy' of Southland Boys' High School, and remember my teachers, and days there, with extreme fondness and gratitude, always calling by when I am in Invercargill visiting family. At SBHS I gained an excellent education and love of sports, giving me the foundation for what has been a wonderful, rewarding and successful life.'

Back Row: Jacob Willis, Alec Mathieson, Cameron Smith, Tahna Ryan, Ben Dickson, Navarh Brotherston
Second Row: Jenny Adamson (Teacher), Izak Kahukura, Callum Robertson, Joseph Ford, George Hopcroft
Front Row: Josh Murrell, Barnaby Bird, Josh Cooper, Bradley Cade, Rawiri Tipuna, Riley Anderson
Absent: Kavarn Pettigrew, Dominic Stirling, Iqbal Mohammad, Ian de Reuck

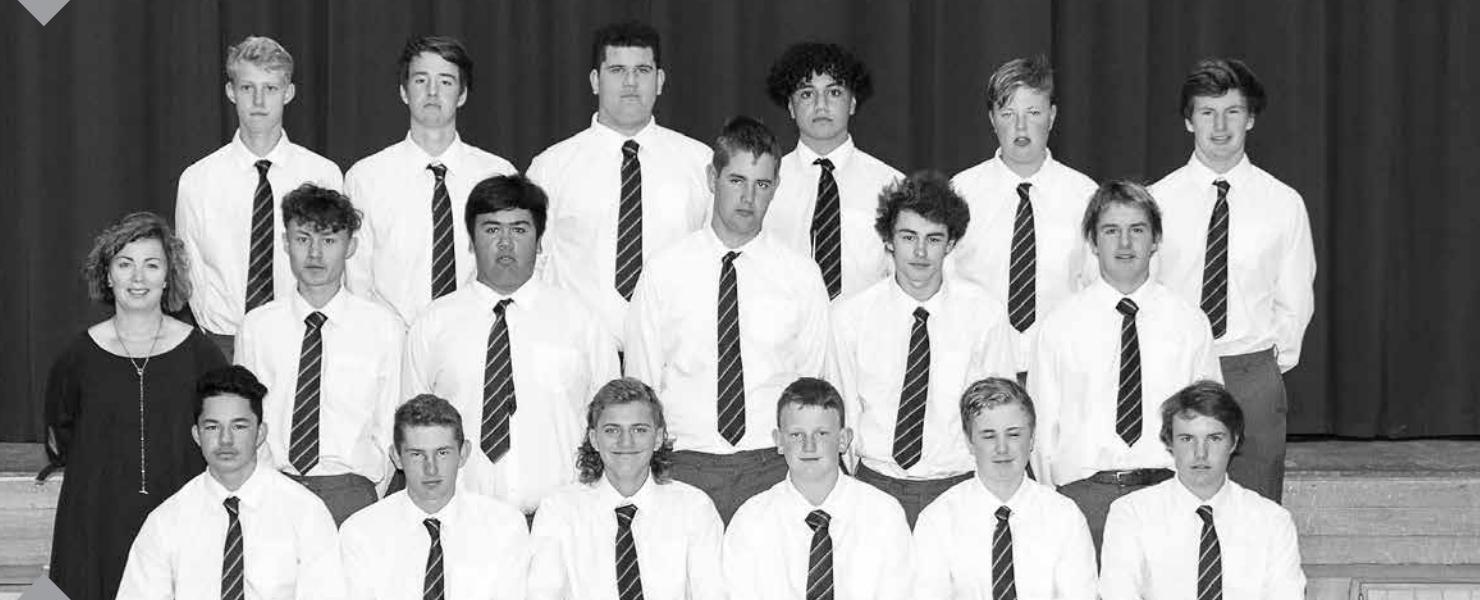

11
KML

Back Row: Sam Pearsey, Alex Wright, Luke Bickley, Rhys Cook, Angus Crombie
Second Row: Kay McKinnel (Teacher), Luke Harris, Luke Harvey, Liam Johnston, Shea Small, Nick Mason
Front Row: Josiah Murphy, Brad Dickey, Jordan Taylor-Turnbull, Raphael Meurier, Sean Davis, Solomon Findlay'Huffstutler, Benji Burns
Absent: Alexander Stewart, Samuel Ryan

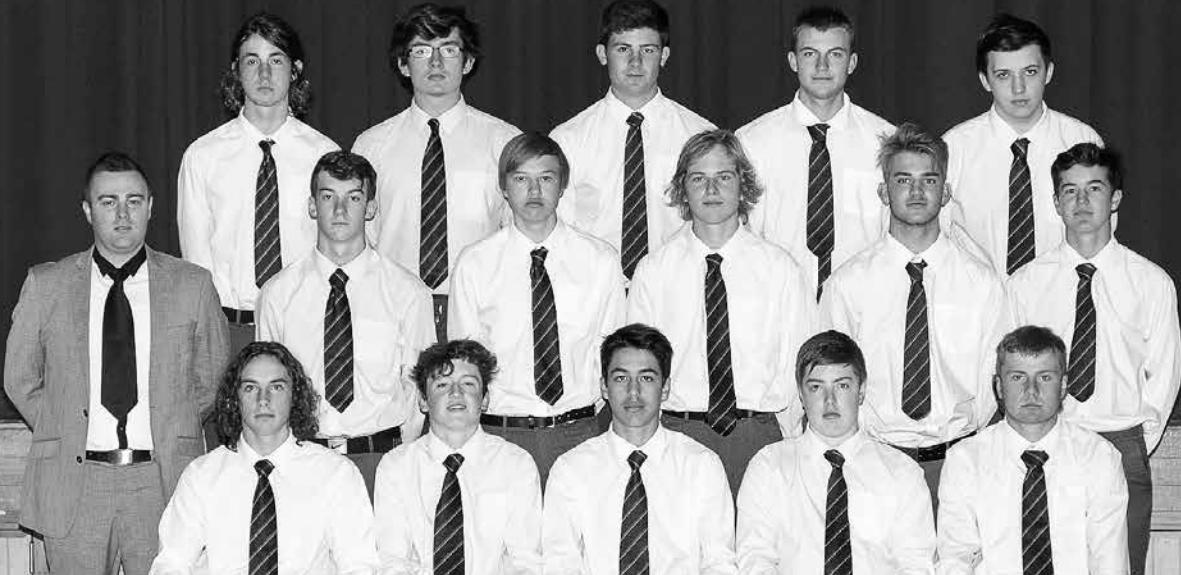

11
SCN

Back Row: Leeym Thompson, Kaleb Bruce, Shaun Wilks, Trent Hogg, Reuben Davis, Sam Unahi, Carlos Tawhai
Second Row: Simone Cameron (Teacher), Kiahn Johnson, Clayton Payne, Josh Steele, George Peek, Hayden Mullins
Front Row: Jamie Connell, Gareth Reid, Justus Morgan-Rattray, Jake Ryan, Dylan Mahon, Eli Meuli, Ethan Hair
Absent: Michael Woodrow

11
SJG

Back Row: Braydon Crawford, Reuben Taylor, Santana Te Awhe, Gabrial Siolo, Luke Molloy, Callum Nimmo
Second Row: Sonia Johnson (Teacher), Caleb Lee, Levi Gage, Josh Miller, Thomas Winder, George Heenan
Front Row: Jayden Robin, Mitchel Fitzsimons, Blake McKenzie, Regan Stratford, Jordan Shaw-Turner, Ashton Smith
Absent: Ethan Tuffley, Aidan Doublet

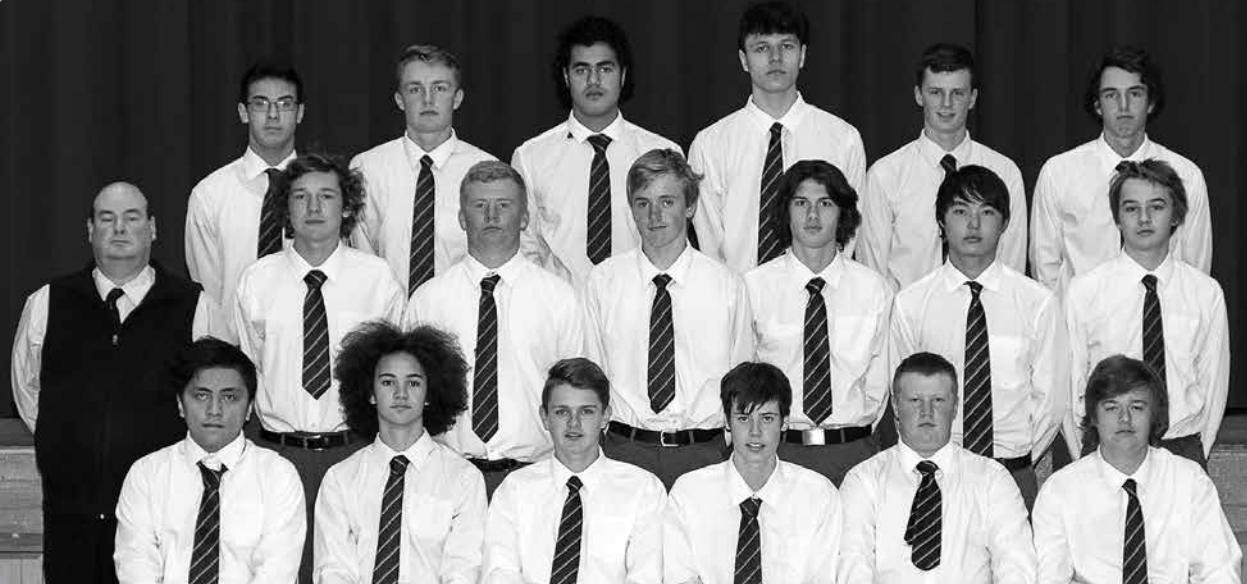

DGD

Back Row: Keegan Knipe, Sam Grant, Ben Henderson, Matt Hall, Justice Blomfield
Second Row: Daniel Greenwood (Teacher), Kent Lines, Lucas Ramsay, Scott Munro, Luca Burns, Jordan Smith
Front Row: Ryan Taylor, Harrison Dodd, Kruz Carter, Devin Watts, Mitchell Thompson
Absent: Allan Gillies, Caleb Parata, Cameron Horton, Claude Tianoa, Sam Menzies

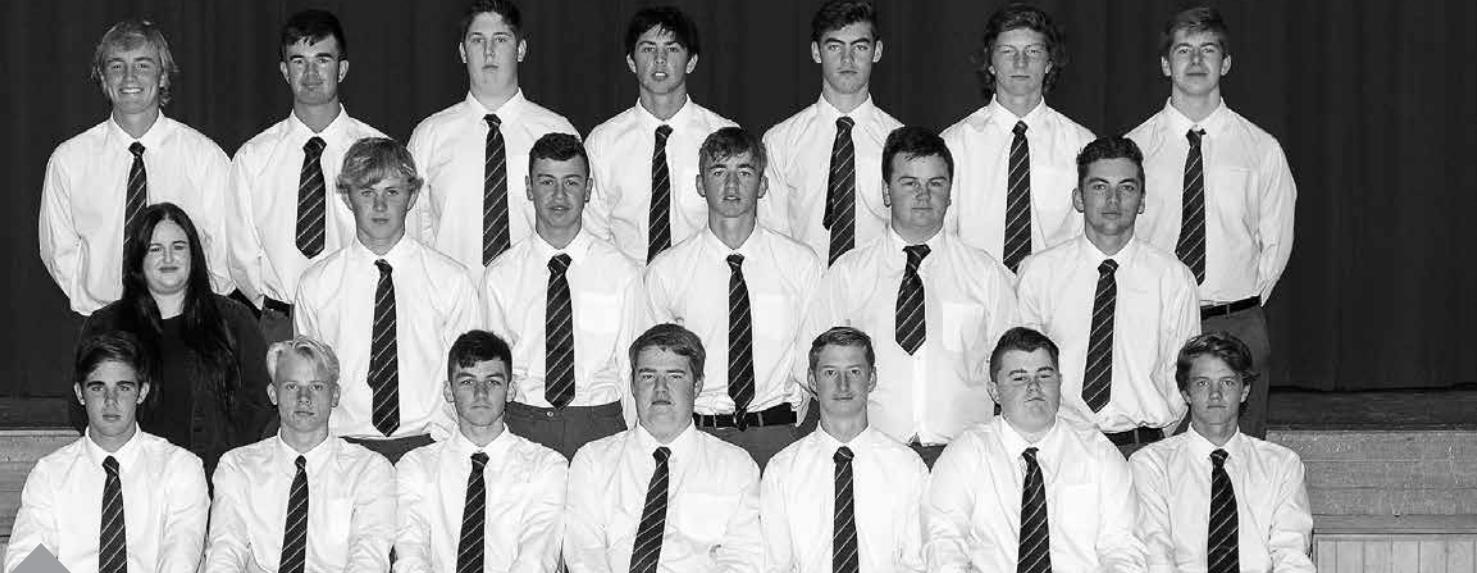

IWH

Back Row: Jared Holland, Jimmy-Lee Wilson, Ross Teweti, Archie Burgess, Jackson Affleck, Thomas Wilcox
Second Row: Ian Welsh (Teacher), Dominic McKenzie, Konrad Ward, Jared Gilbertson, Daniel Ruddenklau
Front Row: Trey Mitchell, Sam Potter, Hayden Hart, Andrew Darragh, Sagun Khattri Chattri, Kyle Beck
Absent: Aister Bellen, Douglas Tupoutoa, Harry Taylor, Zak Dudley

JME

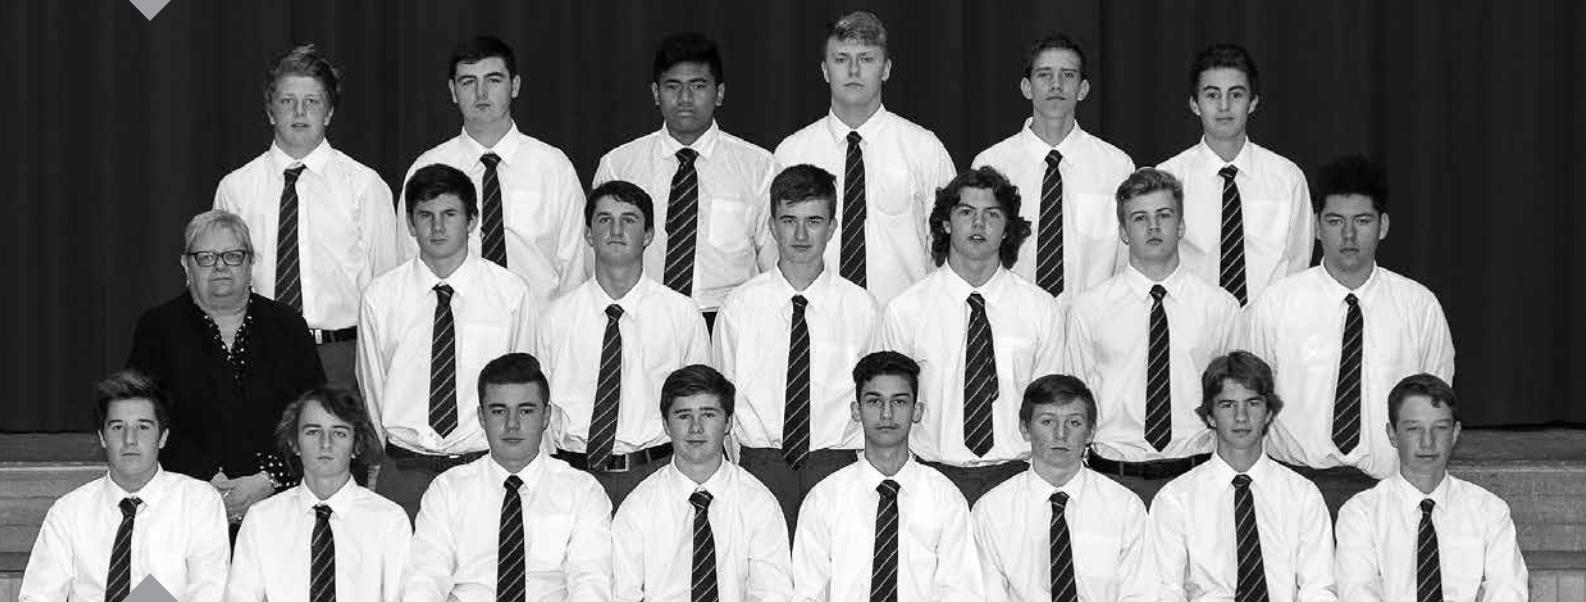

Back Row: David Weatherall, Cody Parkhill, Harison Nelson, Noah Maheno, Alex Bower, Elliot Menlove
Second Row: John Moore (Teacher), Bailee Brown, Mitchell Hamilton, Jack Dobbins, Sam Walker, Alex Kang, Izaih Richards
Front Row: Kaea Edwin, Xavier Thompson, Thomas Clark, Erik Cahill, Matthew Boyle, James Goodall
Absent: Harry Wilson, Itinibina Teuauaa, Kaya Symon

12

JPL

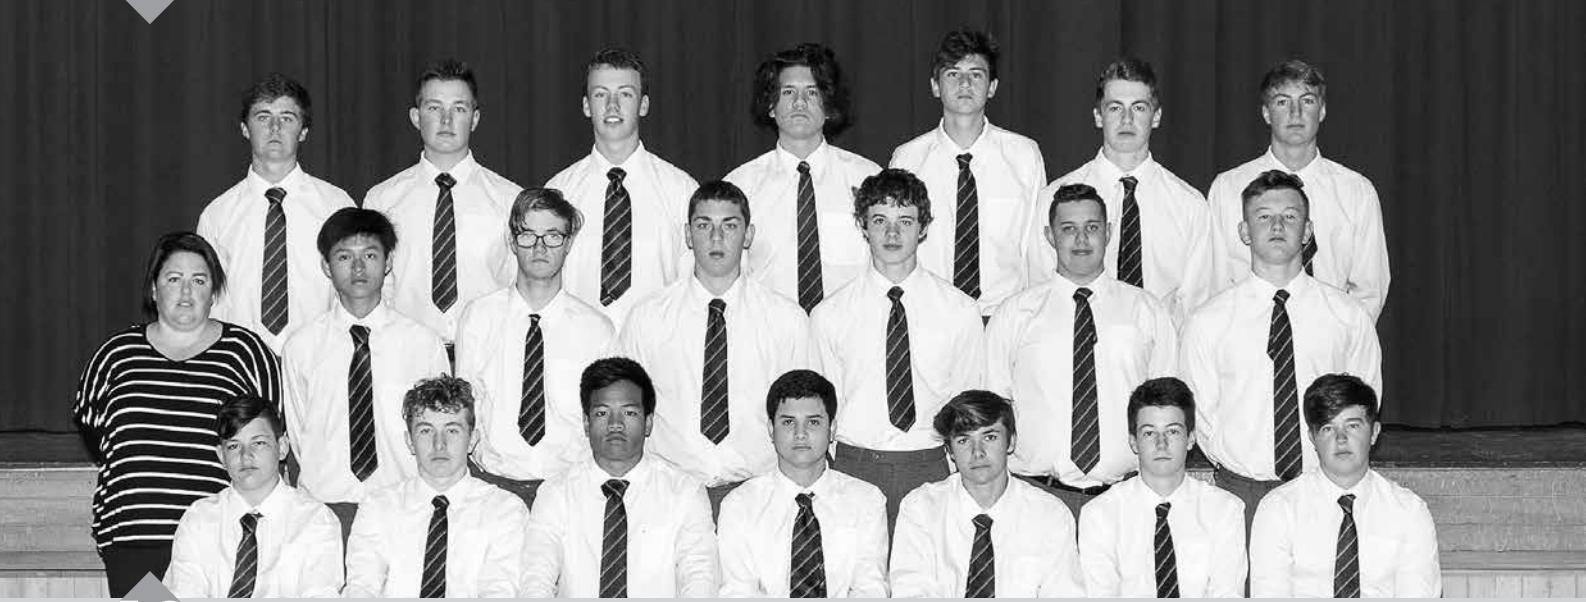

Back Row: Hamish Gray, James Hogan, Kane Pickett, Shaun Nimo, Sam Colyer, Oliver Stevens, Justin Calvert
Second Row: Jordan Paskell (Teacher), Joseph Wynne, Leighton White, Harry Milligan, Thomas Langford, Kapila Tohiariki
Front Row: Matthew Stratford, Reagan Lang, Jason Hargest, Jack Ritchie, Keanu Hodges, Connor Donnelly, Callum Hodges
Absent: Austin Johnston, Dillon Cooper, Seiyan Thompson-Tonga

12

LHN

Back Row: George Hall, Max Radka, Aleki Saili, Joshua Kingsbury, Matthew Ellis, Matthew Stewart
Second Row: Laurel Hepburn (Teacher), Finn Burns, Jack Thompson, Thomas Dempsey, Matthew Gilder, Sam Hartmann, Timu Moxham
Front Row: Jaxon Taylor, Harrison Dykes, Brayden Thomas, Drew Carter, Ibrahim Uzun, Vinnie McLean, Jack Hoogeveen, Corbyn Williamson
Absent: Cameron Blackley, Chase Whatson-Driver, Dylan Johnson, Jaron Alexander

12

NAW

Back Row: Callum O'Connor, Cameron Wallace, Max Baird, Emanuel Stuart, Ryan Calder, Jack Wilcox, Hayden Milne
Second Row: Nikki Armishaw (Teacher), Jupiter Mukri, John O'Neill, Caleb Scobie, Shannon Kerr, Tane Froude, Jacob Lapthorne-Hewitson
Front Row: Kylos Brett, Brad Thompson, Bwarerei Kaieti, Daniel Tuna, Ethan Rougeux, Callum Copeland, Alex Armstrong
Absent: Dillain Canning, Jamahl Aerepo, Jamie Bray

13**IMD**

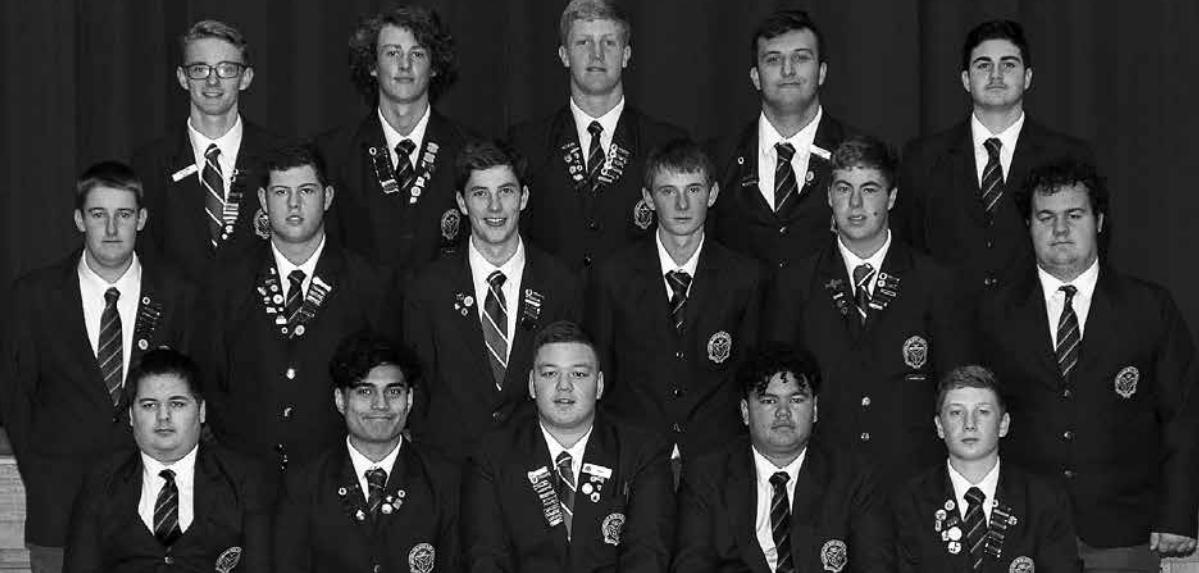

Back Row: Brayden Ward, Mota Hogg-Kingi, T J Smith, Jayson Collett, Daniel Cocker, William McDonald
Second Row: Ian Mockford (Teacher), Blake Harper, Hayden Arthur, Cameron Smith, Sam Bodger
Front Row: Bradley Corbett, Nico McMurdo, Damon Fife, Ben Scobie, James Guise-Ward, Wilson Redding
Absent: Robbie Kyle, Soul Tipu

13**JRL**

Back Row: Vega Mukri, Darnell Pihema-Laing, Sydney Ashton, Kees Herrick, Flynn Longman, Brayden Johnston
Second Row: Jacque Russell (Teacher), Luka Williams, Isaac Myron, Calem Castle, Jakeb Lawson, Tim Price, Corbin Strong
Front Row: Torben Sullivan, Devin Ledington, Morgan Riordan, Luke Connell, Lachlan Mair, Keoni Arnesen
Absent: Josh Davies, Joshua Richardson, Pace Dylan, Stephen Harris-MacAskill

13**JTA**

Back Row: Troy McIvor, Mitchell Ottley, Elliot Warrender, Samuel Harris, Joshua Burnett
Second Row: Junior Tonga (Teacher), Zack Fowle, Rhajan Kupenga, Kenneth Singleton, Jordan Maher, Martin Cole
Front Row: James Riordan, Cameron Miller, Antonio Dos-Santos, Samuel Hair, Edward Langlands
Absent: Awatea Nicholas, Flynn Sinclair, Jewel Joby Paul, Joshua White, Matt Maginn

13

PPN

Back Row: William Murrell, Zach Mirfin, Sean Withy, Niko Manaena, Leon Koufis
 Second Row: Blake Purdue, Braeden Heslip, Will Scully, Buddy-Joe Small, Luke Gilchrist, Ronan Ferguson
 Front Row: Caleb Trainor, Josh Hansen, Maru Raea, Te Kaanu Te Huia, Clark Sutherland
 Absent: Hayden Douglas, Carl Rodmell, Jeremy Cole, Josh Chirnside

13

WRU

Back Row: Caleb McKenzie, Slade Smith, Liam Shepherd, Ollie Patu, Ezekiel Maheno, Mark Gill, Oliver McKenzie
 Second Row: Warren Ruwhiu (Teacher), Jacob Hewton, Xavier Meurier, Timothy Smith, Angus Wyatt, Junior Lafoga
 Front Row: Lance Aya, Josh Pullar, Jacob Myron, Jacob Payne, Connor Warnock, Elisara Kuresa, Sandeep Dhirwan
 Absent: Caleb Young, Liam Lines

PRIZES 2018

Sports Prizes

ATHLETICS

- Senior 800 metres Champion [Sutherland Cup] **Harry Taylor**
 Senior 400 metres Champion [Jim Gerken Memorial Cup] **Jakeb Lawson**

Cameron Smith

DUX OF THE SCHOOL

Timothy Smith

Timothy gained General Excellence in Physics, Chemistry, Calculus, History and Accounting.

He was also awarded the J S Dickson Memorial Prize for Senior Geography, the NZAS Prize for Chemistry, the NZAS Prize for Physics and the ILT Prize for Senior Mathematics. Timothy was also the recipient of the Elman and Alfred Poole University of Canterbury – College of Engineering Scholarship and the ILT Tertiary Scholarship.

Timothy is an active participant in the co-curricular life of the school through his participation in the senior choir Momentum and the school's U18 Rugby team. He has also played Basketball for the school.

In 2019 Timothy plans to study Engineering at Canterbury University.

The camera never lies... :)

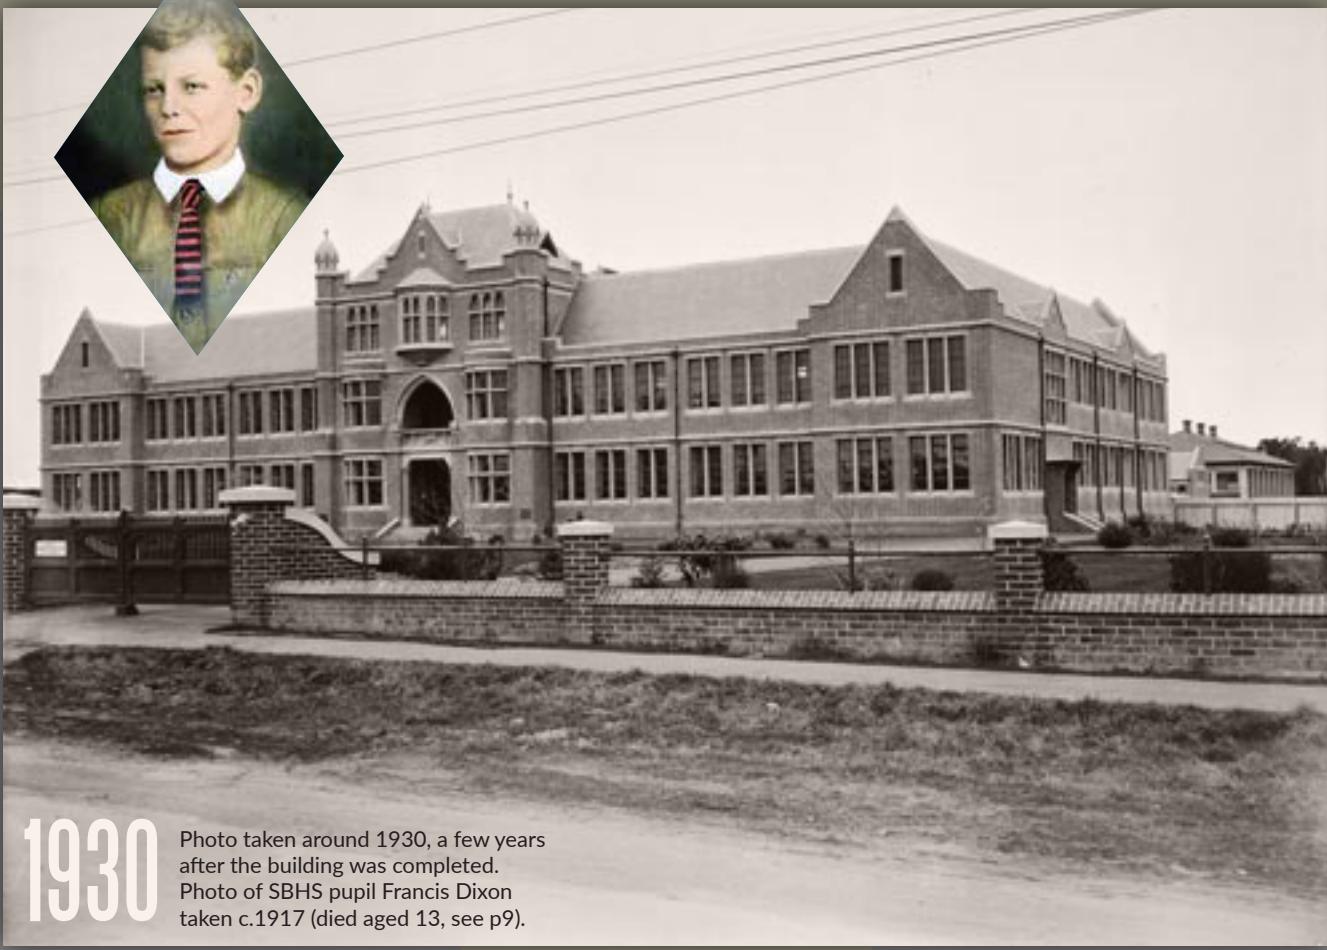

Photo taken around 1930, a few years
after the building was completed.
Photo of SBHS pupil Francis Dixon
taken c.1917 (died aged 13, see p9).

Today's school: photo by
Darryl Winter Photography.
Photo of SBHS Dux
Tim White taken 2018.
