## Rector's Comment

Mr Alabaster discusses some changes instituted at this school since his appointment as Rector.

When I was appointed to the Rector's position at Southland Boys' some two years ago, I was asked what changes I saw for the school, as a consequence of that appointment. I responded that I did not contemplate major change, because a school which had been established for one hundred years and was held in esteem by its community, had thus generated considerable momentum, which would take great force to alter; and because it was performing acceptable service to that community, great change was unwarranted.

However, I did say that I would "tinker with the fine-tuning", and change instituted in 1982 has been just that.

In instituting change, criticism of the previous administration is not intended, but unless the educational philosophies of two successive Rectors are very similar, the second will make changes that reflect the differences in their ideals.

The changes that are obvious and have had immediate affect on the pupils are: the changes in the assemblies; the change of period length; and the extension of the winter sports programme to an activities programme throughout the year.

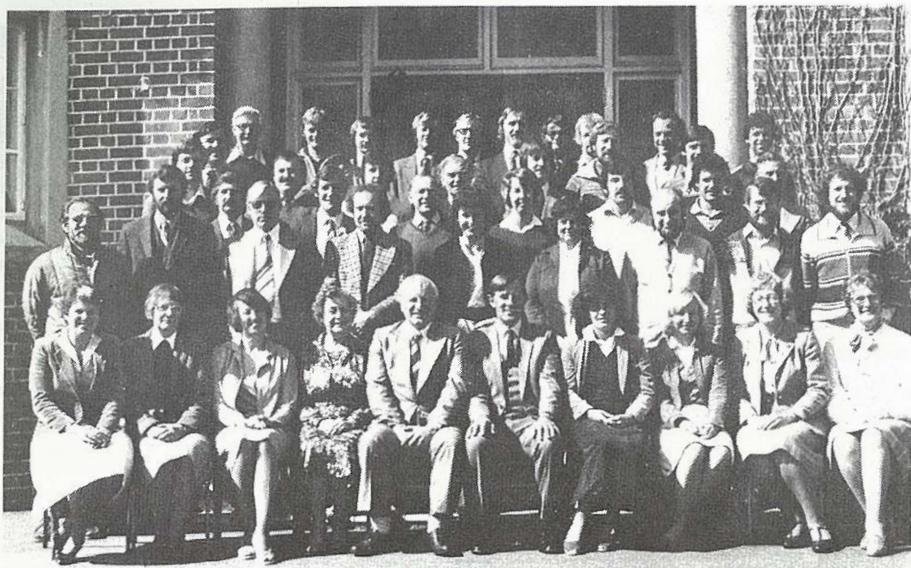

A school assembly provides three main functions. It helps inculcate a school's philosophy, its tone and its unity. It provides a vehicle for communication of school matters and community ones. It gives the Rector an opportunity of meeting the pupils directly and regularly. I do not believe we need an assembly each day to achieve these objects. Moving away from a Bible reading at every assembly was not done as a denegation of the Christian Faith but simply in an attempt to choose readings, from a variety of sources, which pupils might see to be relevant to events in their daily lives.

I think order and purpose are important at school and I also believe peace and quiet are essential conditions for successful study. A change to hour periods from forty minute ones provides fewer bells; less frequent changing of rooms, and hence promotes peace, quiet and order. In addition, a period of one hour gives an opportunity for a more varied lesson, with time for essential practice, and thus it should be more purposeful.

Schools are more than places for the dissemination of book learning and vocational skills and each of us needs to be able to purposefully occupy our leisure time. The activities period each Wednesday offers the opportunity for people to be involved in some pursuit which will help the attainment of skills for use in the increasing leisure time available to us all.

Other change envisaged is much more subtle and difficult to engender. I would like to encourage a greater emphasis on the human element in the school. I believe that people are more important than things, routines or timetables; and it is much more desirable to encourage people to think for themselves, discipline themselves, and make decisions for themselves, than force them into some pre-determined shape.

There it is. No great change effected or planned, but perhaps, in due course, those who look hard might just see that people and particularly pupils are the central and only essential resource of Southland Boys' High School.

## Staff Notes 1982

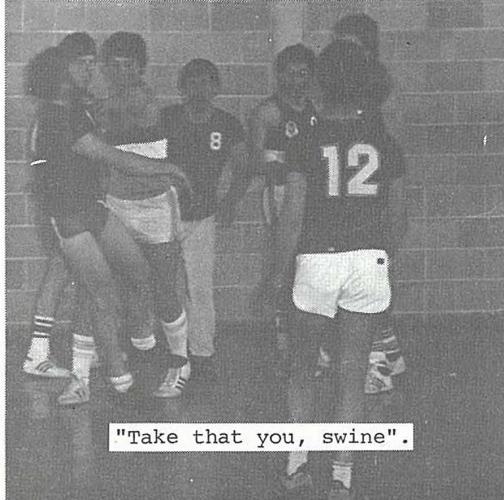

The end of the school year in 1981 saw the departure of Mr Armstrong back to his native Australia and a teaching position in Sydney; Mr Hamill for a year's leave to sail around the Pacific; and Mr Collins who left to take up a position with the Otago Daily Times.

In February of this year we again welcomed some new faces - Mr Rout from Teachers' College and Mr Rolfe from overseas to Maths positions; Mr Downey after a year's absence in Christchurch for study to the position of Guidance Counsellor. In Term II we welcomed Mr Ryken to the Languages Department to replace Mr Honders who decided to give up his linguistic and sporting activities in exchange for social work for his church. We wish him well in his new venture. In addition Mrs Boivin, Mrs Ward and Mrs Fletcher carried out part-time duties. The year, then, has been very stable as far as staff movements are concerned.

Among our ancillary staff we have seen some changes. Mrs Gormack replaced Mrs Petrie as the teachers' clerical assistant and the groundsman Mr King has been replaced by Mr Halwell. We thank these people for their valued contribution to the school.

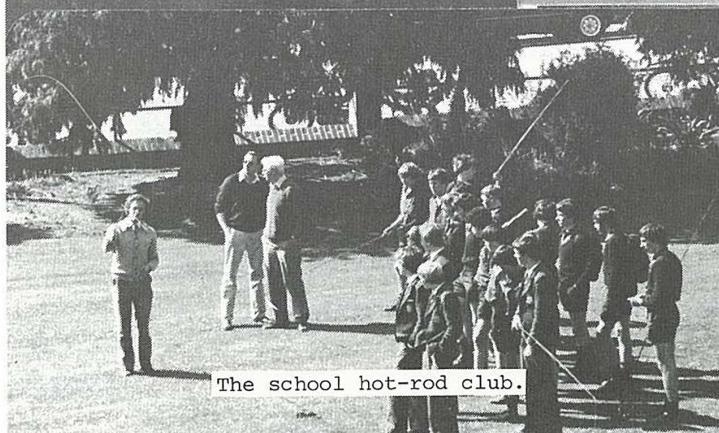

Mrs Boyd receives cup on behalf of the staff team winners of the city social Volleyball competition while Graeme Mourie looks on.

## 7th Form Expedition

This year it was head office's idea that the whole 7th form go on an expedition and not just the biologists and geographers. It turned out to be a fine idea, as some of us didn't have any work to do. Bad luck Phil. There were many threats of having to walk home if the work wasn't done, but who could take Mr Baldwin seriously.

The camp started in earnest on the 14 day of February, with our arrival at Borland Lodge, and following that a fascinating (really!) study of hydropsche, and drift velocities in a nearby river. Our enthusiasm got the better of us as most worked until 11.30 p.m., a feat that wasn't repeated until late November..

The second day of the camp was the one that sorted the men from the boys, as tiredness took its toll. The rock study was interesting, but that fatigue fostered by the last night's frivolousness was evident. The bio study on the wind blown summit of Burns Ridge was enjoyed by all, even though it took a while. This study was followed by a look at a genuine mountain tarn. One fearless and hardy soul thought it appropriate to go for a swim, but he did emerge from the murky depths thanking the Lord that he wasn't a brass monkey. It must have been cold. All retired early at the end of the day for a well earned rest.

Tuesday brought a shock, as some phantom scribbler had made libellous references to Mr Baldwin's nocturnal habits on the dining room blackboard. The finger was pointed at several people, and eventually the problem was solved, but not before much laughter. After this amusing interlude we set off down the road to attack the manuka scrub armed only with blunt hand-saws, except for P. J. Barker who had thought it fit to bring a chainsaw. Phil did an amazing impersonation of Luke Skywalker with a light sabre. So much for conservation. The manuka study finished at about 2 p.m. and our group adjourned to the lodge for a few quiet waters, poor old Bentley couldn't even hold that down. He must have had an upset stomach. The night was a relatively quiet one, as everyone was tired again.

Wednesday was the day that made the camp. It started with a six mile walk in the blistering Southland sun to see the Waiau River valley. Mr Baldwin and Mr Huntley flabbergasted the 7th form with stories of how the landscape was created, we believed them too. It appears that the history of the world is all to do with the slope of the mudstone and not the garden of Eden as we all thought. After two hours of learning it was time to return to the base camp. With the weather being as it was, Barker, Haywood, Seeto, Snegiriv and Savage thought a pity to waste it, so they went back to nature for  $\frac{1}{2}$  a mile. However, it was nothing that you wouldn't see at a cricket match. The day was topped off with Barker and MacNamara drinking 34 standard vegemite glasses full of water. Quite a feat. The night was a restless one though with certain people making frequent visits to the ablutions block (about 2 dozen).

Everything was in order on the 5th day of the camp, as JC himself made a visit, although it took us a while to recognise him in a green beret and an oilskin. (The first time since 1958 that he was seen wearing neither a suit nor cricket gear). The 5th day was also recreation day and everyone went to the canoe pond. The pond has lost some of its atmosphere with there being a distinct lack of wild-life. Bentley looked guilty all day. The orienteering, canoeing and rafting were eagerly done by all. though there were anxious moments when an eskimo roll turned into half an eskimo roll. Even Mr Baldwin expressed anxiety for the fool who took a ducking.

The journey back was a quick one with nearly everyone jogging. After the dishes the premiere sporting event of the decade took place. The 71 v 72 boat races. Southland rules, two hands flat on the table 10% spillage. 72 took out the championship in straight sets 10-7, 10-8. Mr Baldwin officiated, and said he could beat us all. He didn't put his money where his mouth was though as he wasn't rich enough. The last night was a real stir with many still awake into the early hours of the next morning.

Friday was our last day, and after cleaning we did a spot of venison recovery for Mr McDonald. Stephen Hall-Jones was the lucky finder of one severely dead deer. For his troubles he received a few pounds of meat. The packing was finished and it was followed by a fine game of soccer, in which Stephen Smith apparently did his prefect chances no good by getting Mr Baldwin in an invincible headlock. The game was frequently marred by violence, but eventually it had to end, as did a great week of semi-freedom and semi-relaxation. The bus left for the city at 12.17 p.m.

# THE ANZ STUDENT PACKAGE.

## Bursary advances and loans that'll help keep the wolf from the door.

For many, university or college can be quite an education.

And not an entirely academic one.

Because for some it can also be a brutal lesson in how to survive on a bursary that is often far from sufficient.

The cure for this type of financial headache (and a good many others) is little more than a stone's throw from campus.

For the ANZ has developed a student package that'll at least help you keep the wolf from the door.

### AN ANZ PERSONAL BANKER.

The human element is an ANZ personal banker.

Their services are free, and their job is to act as both your contact and financial advisor at the bank.

### A BURSARY ADVANCE FACILITY.

In many instances it won't be advice that you're after but hard cash.

In which case we can help tide you over with a bursary advance or student loan.

The bursary advance takes the form of an overdraft facility on your cheque account for which only a special concessionary student rate of interest is charged.

### A STUDENT LOAN FACILITY.

For rather more substantial financial help you can apply for a student loan of up to \$500 for each year of study, starting from year one, and up to a maximum of \$2000.

As with bursary advances, student loans are available at special concessionary rates, and full repayment needn't be made until 2 years after the completion of your study.

## **Inter-School Christian Fellowship**

ISCF this year began with quite a few members from last year back again - most of these being senior school members. Mr Rout came to our school this year and made his presence felt at our meetings throughout the year.

Throughout the year, a number of activities were undertaken. The games evenings were organised with other Invercargill ISCF groups. Each evening, a group of about twenty came, and all had a good time. Five interschool units were organised, three with Girls' High and two with James Hargest. Our numbers always improved when Girls' High visited us and when we visited them. During the year an evening with Scripture Union advisor Les Brighton was also organised.

During the second term, an evening to help us become better leaders was held by Les Brighton. Three of us went; Paul Campbell, Andrew Lang and Warren Frost. This was a good evening at which each person learned some more about being a leader.

Every week we had lunchtime meetings on Wednesdays and Thursdays. During these times we had Bible Studies, prayer times and sometimes just talked about topics that interested us.

Thanks to Mr Alabaster who allowed us to have interschool visits. Thanks also to Mr Riley and Mr Rout for their continued prayer support.

ISCF is not boring if you are willing to contribute something to it; so if you have ever looked into room P5 when we have had a meeting, and thought it looked pretty boring, come along and find out what it is really like for yourself.

## **Smac Maths**

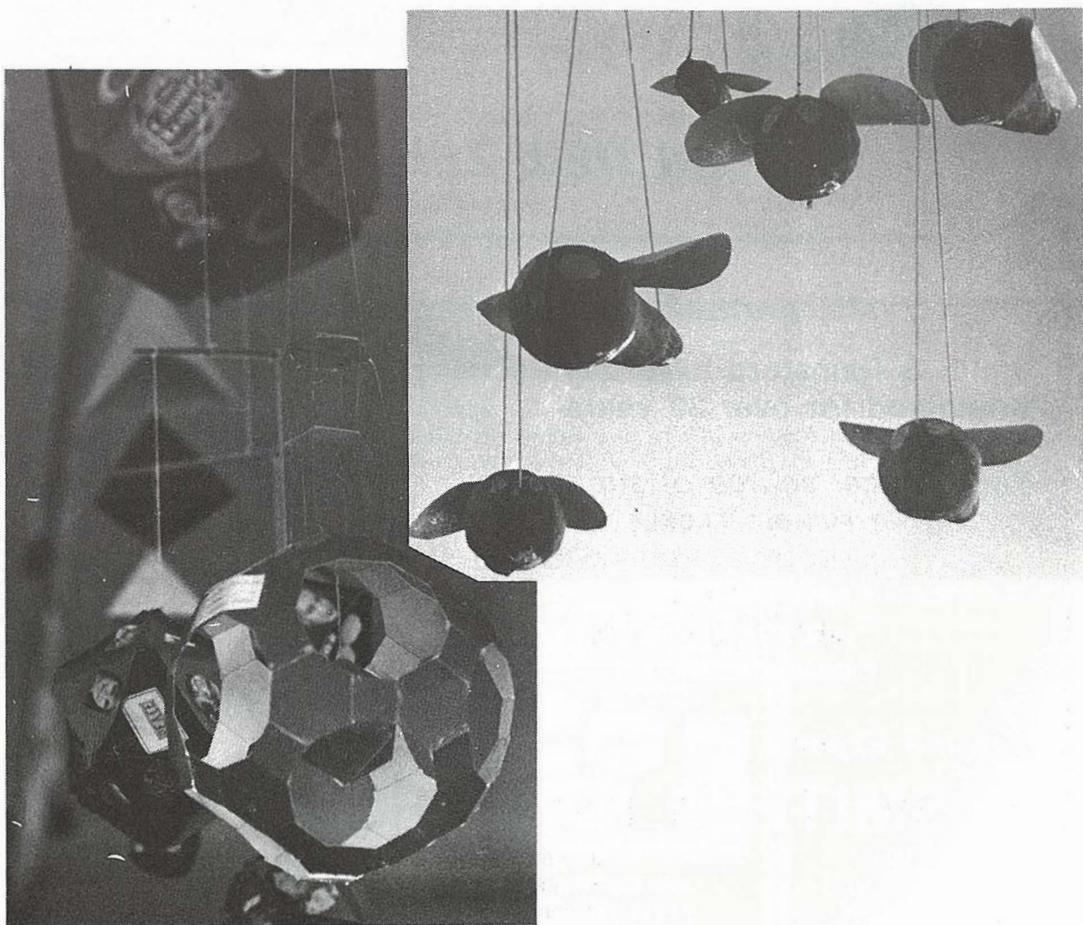

SMAC Maths '82 was held at SBHS with pupils from Forms 1 to 4 entering in poster, design, models, verse and project sections. The standard of entry in these sections was once again disappointing, but the team competition continued to create much excitement.

SBHS entered three teams in each of the Forms 3 and 4 team events and met with average success. The team of Rodney Tait, James McNaughton, Graeme Ward and Darryl Batchem finished a creditable third in the Form 3 event.

Congratulations to all winners in the various sections and to all who entered.

## **5th Form Smac Maths**

The 5th Form section of SMAC was held at Gore High School, with teams from each Southland School competing. Mr Rolfe took two teams from SBHS, and the strength of Mathematics at Southland Boys' was shown by the excellent win from the team of Rex Capil, Michael Drayton, Antony Deaker and Roy Ward.

## **Computing**

The computer has continued to be extensively used by boys of all forms, 8 hours each school day, as part of class work, and also as a hobby in the boys' own time. Regular Friday lunchtime meetings were held for instruction, program swapping, and demonstrations of new programs.

A second Apple computer was bought during the year, through an irresistible offer by the makers. During Term 3 this was used only by teaching and office staff, but will be available next year in classrooms.

Fifth form Liberal Studies incorporated a Computer Awareness course which appeared to be appreciated by the boys. 100 certificates were issued to those who demonstrated an awareness of the different facets of computers today.

The New Zealand Aluminium Smelters Ltd Award in Computer Programming was won by David Waldron 62.

## **Radio Club ZL4CT**

The club of a few enthusiasts met each Tuesday after school. Working mainly on the 20 metre band, we spoke with amateurs in New Zealand, Australia, USA, Bulgaria, Yugoslavia, and USSR.

Old Boy, Tom ZL4IJ, generously donated two 2 metre transceivers. These, in addition with the one we already had, are to be used more extensively next year.

Two boys gained their Grade 2 Amateur Radio Operator's Certificate this year, which entitled them to their new call signs.

Peter Dickie ZL4QR of 63, and Michael Drayton ZL4RA of 51.

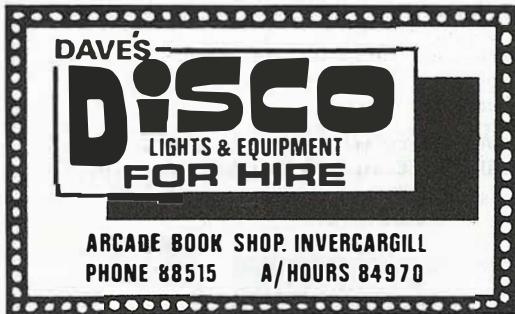

## **Australian Mathematics Competition**

Each year the school takes part in the Australian Mathematics Competition. It is open to all Form 1 to 7 students in Australia and the South Pacific.

This year the competition was held in June and boys from school took part. The competition consisted of a 75 minute paper sat at three levels. The boys were competing for prizes within the Southland area, and achieved the following results:

1 Prize won by Roy Ward (Awarded for 95th percentile and above)  
23 Distinctions (Awarded for 85th to 94th percentile)  
28 Credits (Awarded for 55th to 84th percentile)

In total 52 of the boys received awards which is an excellent all-round effort.

## The Spirit of Adventure

The brainchild of Auckland industrialist Mr L. J. Fisher, the Spirit of Adventure was built to give young people of N.Z. the opportunity to experience the pleasure and excitement of sailing.

The ship is 105 feet in length with a gross weight of 128 tons. The crew is made up of the Master (Captain), 1st Mate, 2nd Mate, Navigator, Engineer, Cook, a Voyage Leader (Younger person who has been a trainee some years before); and 25 young trainees.

I boarded the Spirit in Napier, on the 2nd of February, at about 1300 hrs. When all trainees had arrived, we were split into four watch groups - Port A & B and Starboard A & B. Voyage 193 was to sail from Napier to Wellington within the next 10 days, but because of the wind conditions (Sou' Westers) we were forced to spend the first two days around Hawke's Bay. During this time, we studied such things as safety, survival, sailing techniques, radio and radar operating. (It was during this period that the only Southlander aboard got his nickname - Swede Hamilton).

Every morning started at 0615 hrs with PT on deck and then over the side - to a born and bred Southlander, the water of the North Island is incredibly warm, strangely enough. There were only three people aboard that recognised this - the only three South Islanders; then came breakfast, the raising of the colours and afterwards scrubbing and polishing from stern to stern.

Day three and time to head south. It was now non-stop sailing from Napier to Wellington. We worked in shifts - the two Port and two Starboard watches combining. We sailed throughout the day and night with 4 hours on and 4 hours off.

Our two-day preparation period paid off, because when we rounded Cape Palliser on day four, we ran into a Cook Straight gale with winds up to 55-60 knots. Everyone was ordered below decks with the exception of a few of the more able trainees, who helped gather in ripped sails. After a night spent sheltering in Worser Bay (Wellington) we headed, or should I say set, a course for the Marlborough Sounds. The rest of the four or five days were spent in and around the "sounds". At the end of the trip every trainee had had the opportunity of learning and participating in all aspects of large-boat sailing.

Our last day aboard the Spirit was in Wellington (Port Nicholson), and was spent proving that we had learnt those aspects of seamanship. On this day I was fortunate enough to be elected skipper for the day by the other trainees. Also elected was a navigator and a 1st Mate. We then took complete control of the Spirit and sailed around the harbour for the day.

When looking back on my experience aboard the Spirit of Adventure, I would strongly recommend that if you ever get the chance of such a trip - take it!! For it is not only an exciting 10 days of sailing, but also 10 days of learning; learning of the sea and of sailing - and also learning about oneself and about others. Having to live in such close quarters with 24 other trainees for 10 days teaches you such things as tolerance, consideration and comradeship, to name but a few. I feel anyone who experiences such a trip is, afterwards, a better person both mentally and physically.

In concluding, I would very much like to thank Southland Boys' High for giving me the opportunity to take part in such an amazing experience.

Brett Hamilton

## 4th Form Outdoor Education

As in previous years, every 4th former had an opportunity to go to Borland Lodge for an adventure camp. During the second term this year, 4F was fortunate enough to have Mr Woodward, Mr Huntley, Mr Lawrence "Nev" and Margaret with us. The trip began with the loading of food, laughter, excitement and enthusiasm. The bus left the school gate after we had heard a short but very effective lecture from the rector, Mr Alabaster.

On our journey to the Lodge, we explored the Clifden caves. It was fascinating for some of us to note how wonderfully beautiful nature is.

We arrived at Borland Lodge around lunch time, and quickly disappeared into huts. Five minutes later, we were summoned to the dining-room where we learnt the Lodge's regulations and what work was expected from us - cooking meals, cleaning up and other duties. We were all asked to go to bed by ten that night. Everybody insisted that they go later, only to be rejected by the threatening voice of our physed instructor - Mr Woodward - which overpowered everybody's judgement.

Despite the cold weather, we managed to get most of the activities underway i.e. a nature walk, orienteering, survival exercises. However, the river crossing was postponed to the last day since the water was awfully cold for anybody to attempt the crossing.

The highlight of the trip was the so-called most adventurous seven miles voyage up Lake Monowai to Roger Inlet. We were organised into two groups so that half of us could canoe in and half walk in and the return trip was reversed. The tramping part of this trip was a real test on individual endurance ability. Although the track was muddy, difficult and uncomfortable to tramp, most of the guys did enjoy themselves very much.

The day of departure came finally. Everyone of us was happy to return to civilization and perhaps a bit surprised at how much we had learnt from this trip in such a short period, and some of us would probably have been a bit sad to leave after we had so much fun. The journey back was rather dull or should I say uneventful. The camp was overall a success, ignoring the cold weather and long muddy and tiring track.

The Borland adventure camp was a very memorable experience to me, not only from the diversion aspect, but also from the significant part of learning what life is like outside school and how we react in different situations.

## Socials

At the beginning of the year a social committee was selected consisting of Philip Barker, Meto Snegirev, Brad Boult, Milton Haig, Darryl Hawkes, Brett Hamilton and Ralph Gilmour. During the year we lost the services of Darryl Hawkes, Milton Haig and Ralph Gilmour, while gaining the services of Campbell Savage.

During the year we held seven socials with Girls' High all of which were successful. The Senior Formal was held at Girls' High on July the 30th, the theme being 42nd Street. Although numbers were down on past years, a good time was had by everyone.

The Social Committee would like to thank Mr and Mrs Pethig for teaching Ballroom Dancing. We would also like to thank Mr Bonney, the staff, and the ladies in the office. Without their support things would have been much harder. Finally, we would like to thank the pupils for having supported the socials this year.

## Murder in the Cathedral

"Murder in the Cathedral" the combined SBHS and SGHS dramatic production for 1982 was performed in the First Presbyterian Church for three nights during the first week of August. Although many weeks of rehearsals, both in the church and at school, had at times become a tiresome experience for all concerned, the general consensus of opinion among the cast after the final night was one of regret that the show was over.

The deadly serious nature of the play required striking changes of character for all the players. Many were the times that muffled curses were aimed at director Mr Roche by disgruntled actors angered by what seemed at the time to be no more than nitpicking. Yet everyone would agree that nobody contributed more to the play's success than he did. Under his guidance all members of the cast gave noteworthy and creditable performances.

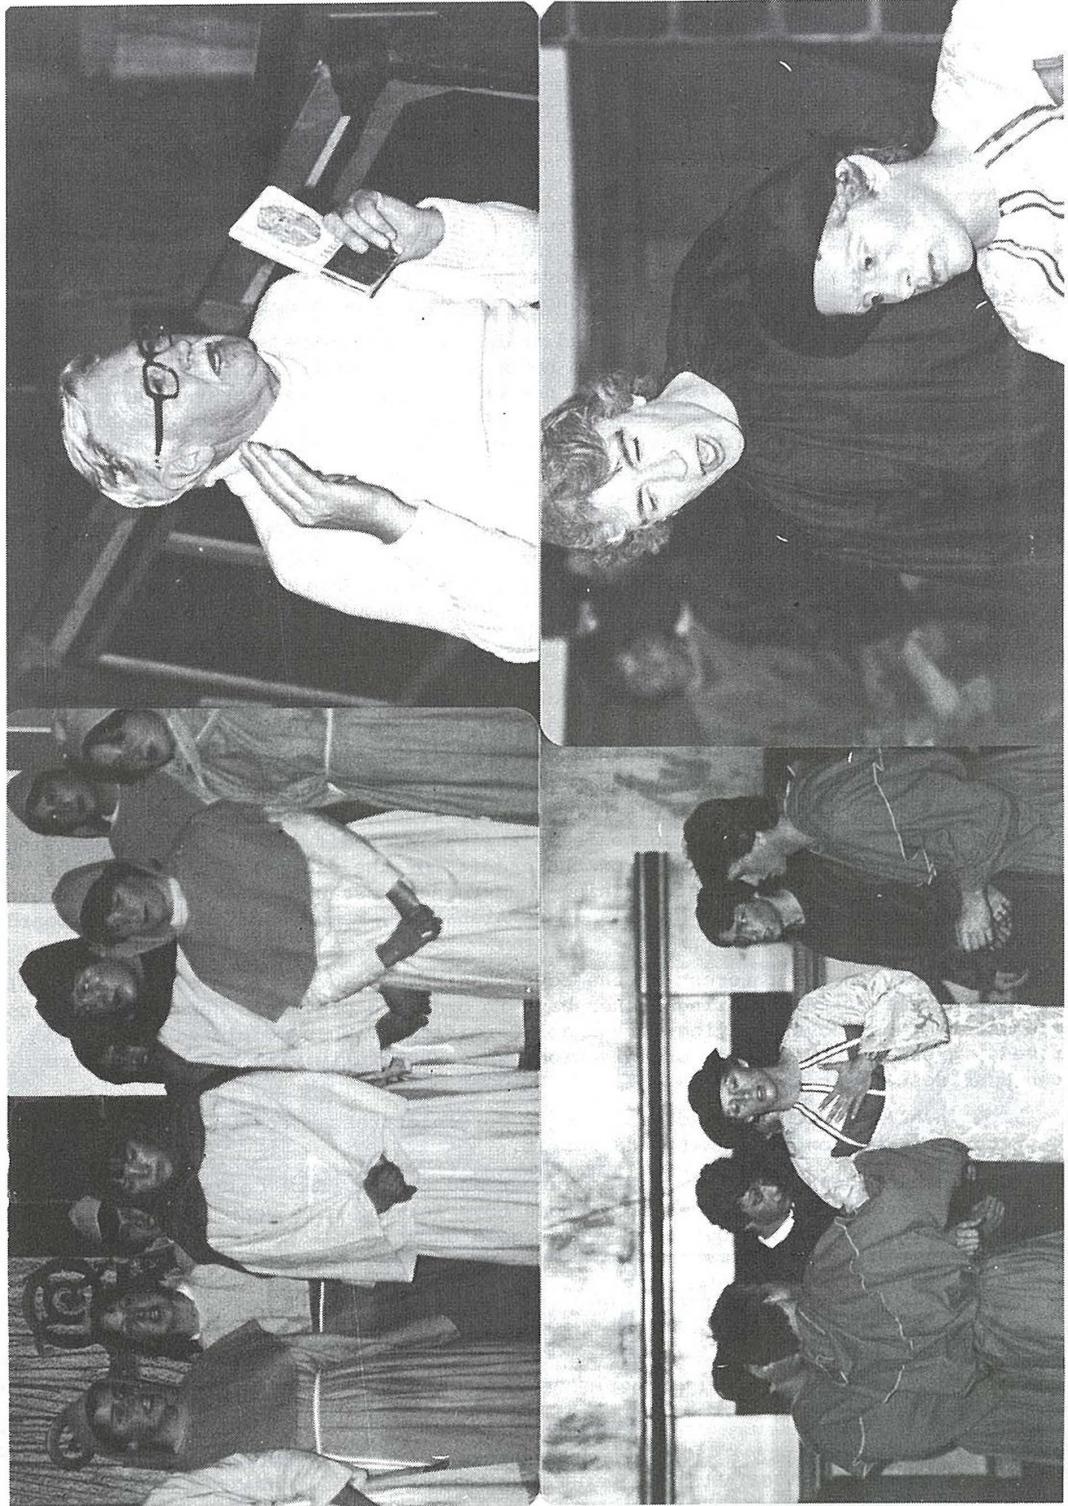

In particular, Barry McKenzie, who played the Archbishop, was faced with a staggering number of lines to learn but triumphing over adversity, he ultimately displayed both competence and flair in the major role.

T.S. Eliot's interpretation of the events leading to the murder of Thomas a Becket was originally performed in the Canterbury Cathedral. We couldn't manage that but Mr Sarson and the Art Department worked wonders to convert the interior of First Church into a memorable replica of the Cathedral.

Students of SBHS filled the roles of the Archbishop, the Priests, the Tempters, Knights, Attendants and the Messenger as well as a choir of monks singing a Gregorian Plain Chant in Latin under the direction of Mr James while our sister school provided the 17 strong chorus of the women of Canterbury - all of us suitably costumed by the unflappable Mrs Gumbley.

In the final analysis, all of those involved with the production of "Murder in the Cathedral" were justifiably, proud of their achievements in presenting a difficult play in a manner which no-one should be ashamed of.

## Coldstream Hostel

Coldstream, under the firm management of Mr and Mrs Ken Turner, started the year with determination and aggression. The first step in the right direction, (and a big boost to the boys' morale), was the appointment of Brett Hamilton, a senior hostel-boy, as head prefect "over the road".

From the start off the year, it was decided that things would change and for the better. Along with the usual prep studies there was, on Wednesday nights, a programme which included a video movie, followed by gyming and swimming until 9.00 o'clock. For this programme, the boys especially wish to thank Mr Clive Caine, our senior house master, who has throughout the year done a splendid job.

As far as house sport was concerned this year, the unity of Coldstream was again evident. The orange of Coldstream house was, as usual, out in force for the running of the 3000m.. This was possibly not one of our most successful campaigns but certainly one of our most valiant. The winter sports proved to be the highlight of our sporting year, with the senior rugby competition bagged after a win (finally) over Page house. Overall, however, wins were few, nevertheless "well done Coldstream!"

This year the hostel was well represented during the winter sports season with four senior boys, Rata Smith, Kelvin Deaker, Riki Murrell and Brett Hamilton representing the 1st XV while Braydon Murray, Bob Hume, Andrew Froude and Bobby Murrell representing the second XV. Special mention should also go to Rata Smith and Kelvin Deaker who were selected for the Southland Under 18 rugby team - well done guys.

This year's hostel prefects - Kurt Jensen, Brayden Murray, Robert Hume, Andrew Froude and Bradley Boult - were ably-headed by Rata Smith. Throughout the year these boys proved invaluable, as the shortage of supervising staff was again evident.

Undoubtedly the highlight of 1982 at Coldstream, was the re-establishment of the Hostel Formal Ball. This year's ball, due to lower numbers of seniors, was held at the hostel. The ball was a huge success and was a credit to staff and organising prefects. Mrs Turner deserves most of the credit for the exquisite meal which was prepared and served in the hostel dining-room-turned-restaurant. A pleasing feature of the night was the presence of Mr and Mrs Alabaster, members of the hostels' board, and a few parents.

This year, in the interest of the boys studies, Mr Turner with volunteered help, demolished half of the existing locker bays in order to provide a new study-area to accommodate those boys studying for School Certificate. When completed, this room proved a great asset to study organisation, which hopefully will be proven correct when exam results are known.

All in all, 1982 was a successful year for Coldstream - and once again we saw the return of the hostel's unity and spirit.

Congratulations to Mr and Mrs Ken Turner and the staff of Coldstream for a wonderfully successful year, and from those boys leaving this year, special thanks to the Turners, for making our last year a good one.

## Music Report

It has been a year of visits and visiting for the Music Department. This year commenced with a concert to Junior School arranged by our Itinerant Music Teachers. The concert was very well received. In April our own Concert Group visited North Invercargill Senior Citizens and presented a very pleasing entertainment. The home-made afternoon tea is always a great attraction. Later in April several boys attended a Rodger Fox Workshop for music students held at Cargill College.

In June work was well underway for the successful "O What a Lovely War", and Peter McDonald along with Helen White, and Elsbeth Gray came second in the Wales Chamber Music Contest. Because of sickness our choir was unable to compete. After mid-term break the major musical production became a reality. Another visit to Senior Citizens at North Presbyterian Hall brought the second term to a close.

With only a little over three weeks the boys worked very well giving up much of their spare time to present a concert of high standard and it was much appreciated by the Blind and their helpers.

150 boys attended the Rodger Fox Quintet Concert in the Civic Theatre later in October. Although many boys found the spoken commentary uninteresting their behaviour was very good.

As we end this year it is hoped to hold Junior Music Competitions.

Boys who have given of their time and talents - Tome Taleni, Adrian McDonald, John Tuckey, Derek Gilbertson, Nickie Haywood, Ian Logie, Chris Tansley, Chas Kelland, David Wilson, Mark Sexton, Ian Gray, Grant Ramsay, Tim Riley, John Moore, Glen Perkins, Allan Pay, Peter McDonald, Ian Duncan, John Baillie, Rod Smith, Richard Cawston and Geoffrey Wright.

Being able to use the old woodwork room has enabled many students to improve their practical musical abilities. 3F have had their own orchestra. The fourth electives have used the room once a week in group music-making and the Itinerant Teachers have been delighted to have such a large area to work in. As the year ends many students of Itinerant Teachers have handed in their hired instruments. I do hope next year we shall have a more dedicated group of young students who will avail themselves of this wonderful opportunity to learn instruments.

## **"Oh What a Lovely War"**

This year we were faced with the daunting task of living up to the standard set by the Southland Boys' most recent excursions into musical productions, that is, The Boyfriend 1980, Godspell 1981. However, we feel that this year's production Oh What a Lovely War did not diminish this standard. The combined Boys' High and Girls' High cast worked well together under the direction of Mr Ian Scott.

Oh What a Lovely War sets out, through a variety of mediums, to portray the 1st World War as it really was - a view undistorted by blind patriotism and war fervor. It demonstrates all sides of war: profiteers, incompetent leadership, drudgery, death and waste. Although it contained a modicum of humour, the play lacked the heroism and glory of many war stories. Slides, sketches, songs and the odd dance were used to lead the audience through the stages of World War I - the bumbling start, the propaganda of patriotism, then the disenchantment and waste.

The musical was entertaining on the surface level for there were many bright and vivid moments, however, a deeper analysis revealed the impact and futility of war. I am sure many people in the audience were moved by this underlying theme as much as the cast was.

Many thanks to Miss Black for her musical direction and encouragement of some of us who had less confidence in our talents than she did. Thanks also to Mrs France for her support and much welcomed refreshments; Miss Boyd for stage direction; Mrs Anderton and helpers for props; Mr Rodgers for the sets; and all who helped make Oh What a Lovely War a success.

Male Cast: Douglas Aiken, Richard Cawston, Ian Duncan, Thomas Giller, Nicholas Haywood, Geoffrey Hinton, Donald Jones, Adrian McDonald, Gary McNamara, Roderick Smith, Geoffrey Wright.

## Debating Team Report

It was a mixed year for the senior debating team which consisted of 1st speaker Nicholas Haywood, 2nd speaker Meto Snegirev and 3rd speaker Ross Blanch. There was a special guest appearance by John Gibson in the Waitaki Boys' debate. Ross, a newcomer to the sport, consistently produced devastating performances, pulverising the opposing team with his rebuttal, culminating with a score of 96 against Timaru Boys'. Meto proved a consistant performer, epitomised by his dry humour and the relaxed manner in which he prepared his speeches he showed real promise for the future. Nick always led off strongly but not spectacularly. A balanced, sound performance by him laid a solid foundation from which the other members of the team could branch off into more humorous oratory.

The year started on an excellent note with a decisive victory over Marist in the first round of the Jaycees Competition. The team streaked into an early lead over the girls who were perhaps hindered by an illogical and emotive argument. Our 2nd speaker ran rings around his counterpart and at the conclusion nobody was left in any doubt that "money is not Man's best friend". The adjudicator commented on SBHS "urbane style".

Although buoyed by our opening success we still approached Round 2 of the Jaycees Competition against Central Southland College cautiously. We eventually compromised our position and the girls squeaked past by a hairsbreadth margin of 3 points. Once again SBHS finished its Jaycees competition in the 2nd round.

Against Otago Boys' we faced an uphill struggle with an exceedingly partisan audience, an inept bell ringer and their experienced 3rd speaker. Notwithstanding the result was a close one. The unlikely topic "that all you need is love" provided Otago with a fair win.

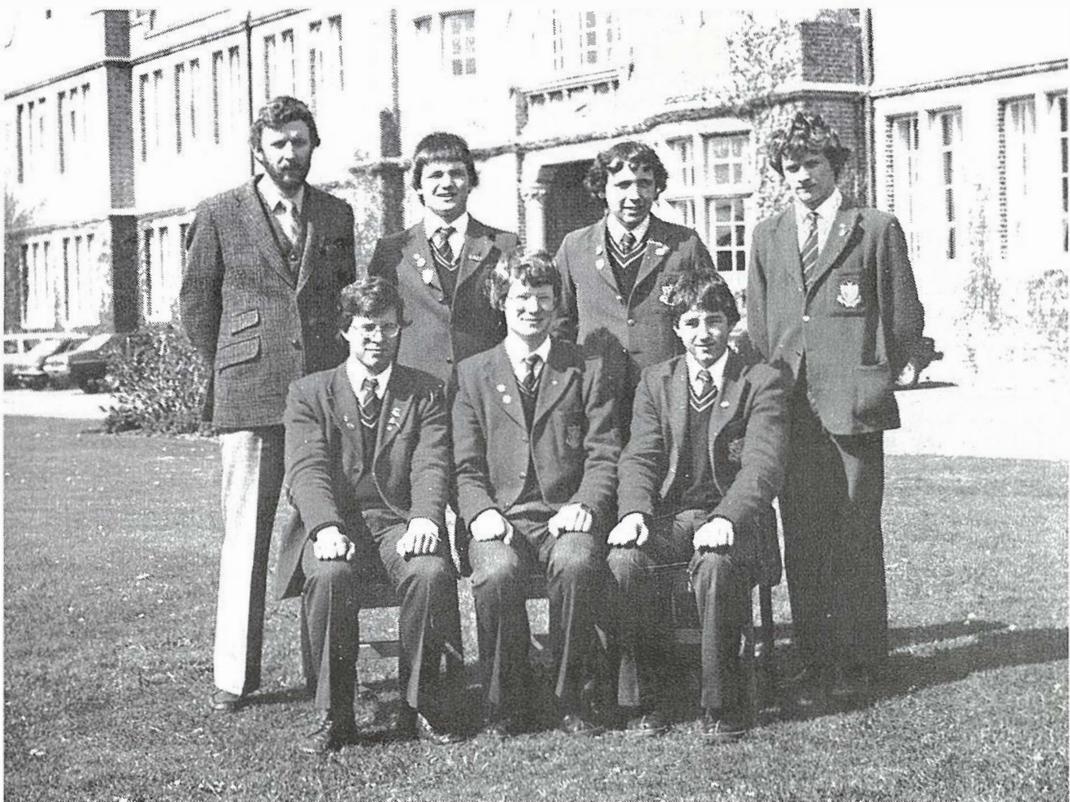

John joined our ranks for the Waitaki debate, becoming leader. Nick then became 2nd speaker (Meto played basketball) for a debate with the long winded title "that science has done more for the welfare of Mankind than has Religion". Disappointingly we lost after a valiant effort by the team. John debated well, unfortunately his mark didn't show the excellence of his speech. "Such is life".

And so we come to the last performance of the year, Timaru Boys'. Being the only home interschool debate the boys were fired up to show the school what they could do. In front of a good sized crowd in the Hall the Topic "that resources spent on Space Travel are wasted" was thrashed out. This debate was the highlight of the year; all those there will remember it for a long time. Each member of the team was at his best, each speaker scoring well. But as was becoming standard, Ross was once again announced best speaker with a speech which even had the most ardent Timaru Boys' supporter mocking his own team.

And so ended a most enjoyable year of debating, which provided so much for those taking part.

The team wishes to show its gratitude to Mr McIntosh who helped so much in the planning; preparation of speeches; and support he gave, so each team member could do his best.

Mention must be made of the talented 6th form team of Ian Duncan, Chris Hall and Antony Noble who did well in their respective competition. This was highlighted when they beat a confident but lacklustre SGHS team with a polished performance. They will undoubtedly be worthy bearers of the debating standard next year.

## Library Report

The library has had another successful year, which ended with the promise of new and exciting additions. Amongst these is a promise to add many new books to the library. This is the intention of the PTA which has the aim of raising 15,000 dollars for new books. As a result of the school fair, earlier on in the year, and a fashion parade, the PTA has so far, raised over 4000 dollars.

This year was also made notable by the major effort of the library staff in stocktaking, at the end of the second term. As a result of this undertaking the library was closed for a month. Unfortunately due to some foreseeable circumstances, common to large schools, we didn't have as many books as we thought!

Thanks must go to Mrs Anderton, for her considerable contribution to the library's functioning this year, and to Mr Lauren for his capable supervising of our activities. Also in this category are the librarians, who stuck to their task throughout the year - especially those who gave so much of their time to help the senior library staff in the stocktaking.

### 1ST XV RUGBY

Back Row: M. Dawson, A. Rance, G. Weir, V. Allison, W. Christie, R. Murray  
Middle Row: R. Smith, M. Smith, T. Smellie, D. Wait, D. Henderson, J. Mawhinny,

Front Row: C. McAulay, K. Deaker, M. Haig (Vice Captain), P. Henderson (Captain),  
M. Hunt, B. Hamilton, D. Miller, S. Tiata

### 1ST XV RUGBY

Captain: P. Henderson

Coach: Mr Williams

This year's 1st XV, although being one of the youngest to represent the school at this level, proved again that through pride in the school and its rugby tradition, plus the dedication of the coach Mr Clive Williams, players can perform well above one's expectations.

With an average age of 16½, young players had to mature quickly. First equal in the Under 20 competition with Bluff, and 3 interschool wins is a fine record.

The highlight of the year must be the North Island tour, and the 6-4 win over Bluff in the final at Rugby Park, which enabled us to be joint winners of the competition.

I am proud to have led the 1st XV this year and would like to thank Mr Clive Williams for his patience and time; the team for its efforts, and our loyal supporters. Thanks also go to the players from the 2nd XV and U16 teams who helped out during the year.

### NORTH ISLAND TOUR

Sunday May 30 - Thursday 10 June

Every player in the team would probably differ in his version of the highlights, but the overall impression was of hard rugby, mini skirts and tremendous hospitality.

Having stopped-off in Wellington, we obviously sought out the major interest spots. Mr Norman Jones and Mr Rex Austin escorted the touring party through Parliament Buildings and the Beehive, and, at the conclusion, a meal fit for the Prime Minister was enjoyed by all.

Next a visit to the NZRFU Headquarters, where we were hosted by the National Coaching Director, Mr Bill Freeman. He told us about some of the finer points of the game, and with some encouragement from former All-Black coach Ivan Vodanovich, the party was in high spirits as we left Wellington.

Taking part in New Plymouth Boys' Centennial was the highlight of the tour even considering the results. Looking back, the good times, together with the travelling and hard opposition, helped mature the team; and this maturity was evident in the latter part of the season.

As with every tour, the success of the trip is only as good as its management, and we were lucky to have had two of the best in Messrs Clive Williams and Ian Baldwin.

#### NORTH ISLAND GAMES

v Wellington College won 9-3 half time 0-3

Good team effort first time up. M. Haig scored all the points in a hard fought game. G. Weir demonstrated attack and defence.

Scorers: M. Haig try conversion and penalty.

v Palmerston North Boys' lost 6-28 half time 3-4

Freezing gale-force winds didn't favour school against much heavier opponents. The 3-4 score at half time was a fair indication of play, but with the wind Palmerston proved to be the better team. P. Henderson and M. Haig were the outstanding players for school.

Scorers: P. Henderson penalty. M. Haig penalty.

v New Plymouth Boys' lost 7-24 half time 0-12

Playing in fine conditions, the hosts gave an inspired performance and deserved to run-out the winners.

Scorers: G. Finnerty try. M. Haig penalty.

#### TRADITIONAL INTERSCHOOLS

v OBHS lost 10-16

This was a game which school should have won, but the team left its run too late. Injury to David Henderson (hooker) early in the match unsettled the scrum. School scored two tries to one, but overall a disappointing performance.

Scorers: M. Haig, P. Henderson tries. M. Haig, conversion.

v WBHS won 9-7 half time 0-0

Fine overhead and ground conditions allowed both teams to run the ball. School, still smarting over OBHS loss, played with vigour and enterprise. The crowd was excited as play see-sawed from one end to the other. School roared into action in the second half and was rewarded for its efforts with a late try, and, on full-time, a dropped-goal from M. Haig which gave school the game. The forward pack dominated the game with D. Wait giving a particularly outstanding performance in the lineouts. Scorers: P. Henderson try. M. Haig conversion and dropped goal.

v TBHS won 62-0 half time 48-0

The game was described by the Rector as the most complete first 30 minutes of first XV rugby, and equal to anything in the country. First-year players were the dominating force in the game. Won 62-0 with the match being cut short by 15 minutes. Timaru played with spirit but were completely out-classed. A feature of the match was V. Allison scoring a fine hat-trick.

The proposed match against Kings' High School was cancelled.

#### TEAM MEMBERS

Martin Smith - (LH Prop)	Matured quickly, developed aggression during the year.
Dave Henderson (Hooker)	A very good season, playing either No. 8, flanker or hooker. Excellent skills as a hooker. South Island selections just reward for consistently fine performances. A grand team-man and had no peer as striker of the ball.
Rata Smith (Prop)	The driving force of the forward pack, strong and very aggressive. Developed markedly throughout the year. Did not gain the honours he deserved. Could develop into an outstanding prop.
Duncan Wait (Lock)	Outstanding lineout forward, powerful scrummager. It will be a long time before the school sees the like of "Pakawa" again.
Tim Smellie (Lock)	Proved his selection by many fine performances. Aggressive in lineouts and scrums and particularly useful in loose play. Has been a tremendous asset this year.
Brett Hamilton (Flanker)	Exemplary tackling, totally dedicated in play. Showed worth by regaining his position after a mid-year break (broken jaw).
Chris McAulay (Flanker)	Small and fast, but gave nothing away to larger opponents in courage and determination. Impressive in support play.
John Mawhinney (Lock/Flanker)	Proved his value by gaining South Island U/16 selection. Although having had few chances to show it, he is a talented individual.
Mark Hunt (Prop/Flanker)	Played with vigour, developed into a useful prop and flanker. A good late-season developer.
Alister Rance (Hooker)	A quick striker. Turned in many useful performances.
Ross Murray (1st V eighth)	Backing-up and ball skills main attributes. Ross was also a fine tackler. Showed encouraging promise late in season. Good long-range goal kicker.
Kelvin Deaker (2nd V eighth)	Strongly built. Scored and created many memorable tries. Possesses a fine dummy.
Vaughan Allison (Centre)	A rags-to-riches season for "test-tube". Has speed, swerve, sidestep and an uncanny knowledge of a centre's game. His South Island U/18 selection was only a minimal reward for a fine season.
Wayne Christie (Wing)	"Danny's" outside swerve produced many tries. He has speed to burn and is dangerous on attack.
Sam Tiata (Wing)	Came back after a year's break from first fifteen rugby. Sam turned-in many powerful and aggressive performances.
Douglas Miller (Centre/1st V Eighth)	Deceptive runner with useful ball skills.
Mark Dawson (Fullback)	Promising full-back. Deceptive runner. Needs to develop ball skills.

Gregor Weir (Full-back)

A strong, aggressive player. With greater application could develop into a fine full-back.

Milton Haig (Half-back and Vice-Captain)

Talented in all areas of the game. Milton is fiercely competitive and reacts well to pressure. Has a promising future. Needs to persevere with his goal kicking (torpedo).

Paul Henderson (Loose forward and Captain)

Had an outstanding season. Excellent ball skills and vigorous. Proved to be a mature Captain. Has considerable potential in the game.

#### 2ND XV RUGBY

Captain: P. Barker

Coach: Mr Baldwin

Including non-competition games, (Pirates U/20, Southland U/16) (OBHS 2nd XV, Waitaki 2nd XV), the SBHS 2nd XV won 10 games, lost 5 and drew 1.

Although our record does not look impressive on paper, the SBHS 2nd XV had a good season. We were well satisfied with beating the JHHS 1st XV a number of times, beating CHS 1st XV once and drawing once, and thrashing Waitaki 26-6. Pirates U/20 also fell to us 20-0.

The team looked very strong at the start of the season, with fast, talented backs and some strong mobile forwards. However, defections, to the 1st XV and the touring squad, saw us considerably weakened. Mawhinney, Froude, Dawson, Jones, Duthie, Murray (B) and Wyeth were all away at the time of our draw with Cargill, as was Mr Baldwin acting as tour manager. That left us weakened both physically and morally and a draw to the strong Cargill side saw us well pleased.

Our bad patch was repetitive losses to the Marist College 1st XV. They beat us soundly three times, so our 3rd place in the competition in terms of teams better than us, was very good indeed.

We were particularly proud of our defeat of the Pirates U/20, the Southland U/16 and the Waitaki BHS 2nd XV. These wins were in the true style of rugby and some fine play was seen from the sideline.

Special mention must be made to the "Runts" of the team. Bobby Murell and Dean Hunt, both under 55 kilos, were among the "biggest" men of the team. Lessons were learnt time and time again about commitment and dedication, and guts by the more physically strong members of the team. Donald Jones, Nathan Walker, Bob Hume, Braden Murray and James Duthie proved invaluable, as did Michael Hogue, with some fine kicks.

The team wishes to thank Mr Baldwin for some fine coaching and lots of his family's precious time. All in all, we had a good season, with everybody involved having come away much more aware of commitment and team spirit (thanks to Mr Baldwin).

The team won all off its eleven games. This was the result of strong forward play, finished off by fast-moving backs.

The team ended its season with a clear lead in the competition and thus held the Challenge cup. Four members of the team were selected for the Town under 16 team. They were W. Evans, R. Casey, S. Millar and R. Capil.

From the squad a seven-a-side team entered the Balfour Sevens Tournament, and was the only SBHS team to attend. After winning three games it was knocked-out of the competition in the semi-final.

Many thanks go to Mr Downey for his coaching and continuous support.

This team possessed ability and tested all opponents throughout the season, however good first-half efforts often faltered in the second half, thus the team lost games it was capable of winning. However tremendous team spirit prevailed.

Mention must be made of the development of Derek Broomhall as a hard working prop who has the ability to go further, while Gary Adams was the most consistent forward, who showed great strength and pace, and was the team's top try scorer. Brendon Henderson directed proceedings well at first five, who was an exciting footballer and a reliable goal kicker, scoring 41 points. John Duston proved to be a hard-running second five and the team's most consistent tackler.

Special thanks go to Mr Cooper and Mr Shields for their dedicated coaching, and the support given by parents.

Captain: Nigel Cole

Played 12; Won 9, Lost 1, Drew 2 Points for: 283; Against 31

Coach: Mr Murcott

We began the season well, with some convincing wins, and it was well into the season before we conceded a try. With a hard-working forward pack, and a talented backline, the team produced a number of big scores; such as 36-0 and 56-0 against Hargest, and 41-4 against Kingswell. The team suffered a number of injuries in the forwards as the season drew to a close which resulted in Jeffrey Moreton and Graeme Watt being brought up into the side for the final games.

The highlight of the season was the playing of the curtain-raiser, for the Southland v West Coast game at Rugby Park, against Cargill, a team which we had met twice before (both times drawing 0-0). We lost this game however, 17-9, to end runners-up in the competition. With the score favouring Cargill 9-0 at half-time, we went into the second-half with the wind and posted early points, with a try to Dean Heydon and a penalty and conversion to N. Cole to tie the score; but we conceded two tries late in the game. Our performance was affected, in the main, by the absence of players due to the holidays.

To single out individuals would be unfair, but in the forwards the loose forward combination of Allan Barr, Roy Pankhurst and Antony Perkins was tireless and in our talented backline we had loads of pace with Dean Heydon and David Bragg, John McKenzie always sitting under the high ball, and Geoffery Scully, who was reserve for the 2nd XV in an inter-school fixture. The team would like to thank Mr Murcott for his time spent in coaching the team for a successful season.

Games played: 12 Won 1 Drew 2 Lost 9

According to the final result for the season we got 4th in the competition out of six teams.

We played all through the season with great team spirit, encouragement being given by Coach Brockbank. The team had sound forwards who gave the backs plenty to work with. Owen Eastwood was an allrounder in the backs and he was always dangerous wherever he played. Riki Thompson, a vital player for the team, was a quick thinker and a great tackler.

In the forwards we had Grant Johnstone, Tony Hamilton and Derek Gilbertson who set up good ball for the backs. Tony Hamilton, No. 8 was very fast at picking up the loose ball and was a good lineout jumper. Grant Johnstone and Simon Prendergast and Riki Thompson worked hard all season. Grant Johnstone was a great pack leader and whenever the forwards started getting lazy Johnstone would encourage them and most times encouraged them so much so, that they had to score. Most points scorer was Grant Johnstone, who bagged four tries and conversions from other players' tries, with a total of 28 points. Other outstanding players were R. Thompson, O. Eastwood, T. Hamilton and Simon Prendergast, who had a lot of determination while on the field. The team would like to thank Mr Brockbank for his expert and dedicated coaching throughout the season.

Goal kicking was done by Grant Johnstone and Jason Eade.

### 1ST XI HOCKEY

Middle Row: C. Herbison, I. Lines, J. Lines, W. Frost, C. Head

Front Row: G. Jackson, M. De Reeper (Vice Captain), B. Herbison (Captain), N. Mills, R. Johnson

### 1ST XI HOCKEY

Captain: B. Herbison

Coach: N. Riley

Retaining almost all of last year's members and with the addition of three new members, the team was reasonably experienced. All the same, it was still a relatively young team, with two 3rd formers, two 4th formers, five 5th formers and including one 6th former and two 7th formers.

With the team being placed in the senior reserve grade, it came up against tough opposition with each game just as hard as the first. It still had remarkable success, with eight wins, two draws and two losses which placed it one point behind the winner of the competition.

### INTERSCHOOL RECORD

#### v Otago Boys' High School - drawn 2-2

This was a hard-fought game lost with SBHS having the superior skills. It dominated the first half, resulting in a 2-1 lead at half time. The second half was dominated mainly by OBHS which was lucky to equalise the score with a goal in the last few minutes.

#### v Gore High School - lost 3-2

A disappointing game with SBHS forwards never really showing their true potential.

#### v Waitaki Boys' High School - lost 4-1

Played under excellent conditions SBHS played extremely well. Finding itself down 1-0 at half time. The team started the second half off with an early goal, to equalise the score. WBHS came back to dominate the game until SBHS succumbed to the pressure and collapsed, resulting in a 4-1 loss.

The Team:

The team had some weaknesses, due to its size, and sought to solve these by experimenting with different combinations.

I. Lines, G. Jackson, C. Herbison, W. Frost and J. Riley made up the forward line. With the addition of B. Herbison and C. Head this comprised a very capable and effective attack.

The half line was comprised of N. Milne, B. Herbison and C. Head. The addition of G. Jackson and J. Lines formed an adequate link between the forwards and backs.

The full-backs were R. Johnson and C. Brown who formed a generally consistent defence. The goalie M. de Reeper, provided many good saves which undoubtedly saved the team in difficult situations.

The high quality of players can be seen by the fact that all but one player were selected for Southland Representative teams, with: C. Head, R. Johnson, N. Milne and C. Brown being selected for Southland U15 team; B. Herbison, M. de Reeper, C. Herbison, G. Jackson, J. Riley and W. Frost being selected for the Southland U17 team; G. Jackson and M. de Reeper being selected for the Southland Colts team; and B. Herbison being selected for the Southland Mens' team. The potential for a strong team next year is very promising.

Thanks must also go to the coach Mr Riley and also to Mr Rolfe for their dedication and support.

2ND XI HOCKEY

Captain: A. Skene

Coach: Mr James

1982 was the most successful year for the second XI for many seasons, finishing second equal in our grade.

The team was stronger and more balanced during the season with strength in both defence and attack.

The team would like to thank Mr James for coaching the players this year.

The team: Alister Skene (Captain), Peter Dempster (Vice), Richard Harty, Darren Richardson, Wayne Allen, Paul Conway, Brett Hopgood, Mark Hopwood, Philip Jenkins, Craig Coffey, James Lines.

Although seconded to the 1st XI, Craig and James played frequently and well for us.

### 1ST XI SOCCER

Captain: Roderick Smith

Coach: Mr J. Gilroy

Once again it was a young and physically small squad which represented the school at soccer. Playing in the local Senior Reserve Competition, the team had the following record:

Played 18, Won 9, Drawn 2, Lost 7, Goals for 53, Goals against 42, Points 20.  
Our final placing was a creditable fourth.

The major attribute of this year's team was its tenacity and never-say-die fighting spirit; never better exemplified than in the match against Old Boys', when it fought back from being 0-2 down with 15 minutes to go to win 5-2. The team wishes to extend its thanks to coach Mr J. Gilroy for his invaluable contribution to the team's fortunes, and also to Mr Goodwill for ably handling all administrative duties.

### INTERSCHOOL RESULTS

#### v Otago Boys' High School - Drew 1-1

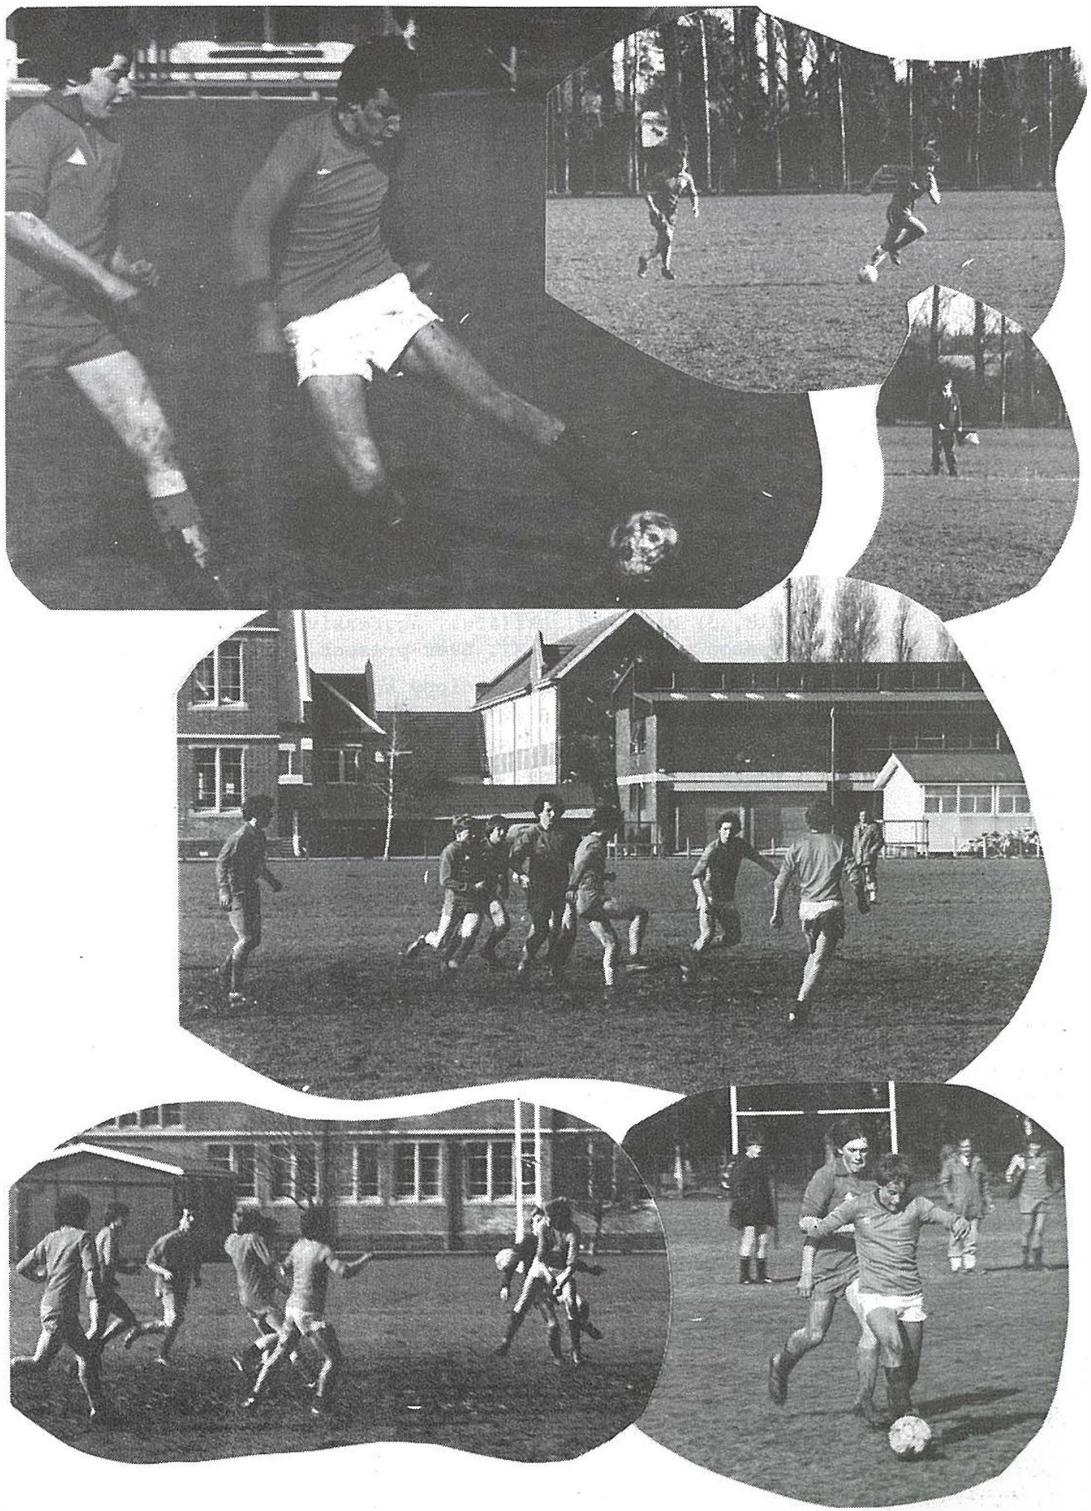

After conceding 7 goals in each of the two preceding encounters with this skilful team, this performance in ideal conditions is particularly meritorious. Dean Miller put the team ahead in the second half, and OBHS equalised with nine minutes to go with a penalty.

#### v Linwood High School - Lost 0-2

Linwood scored two goals in one minute in the second half to take this even contest. After going behind SBHS attacked well and unforgivingly squandered several chances in a match which it should have won.

#### v Timaru Boys' High School - Won 4-0

In front of an enthusiastic home crowd, SBHS absorbed some strong early pressure and then took control of the match. Simon Humphries scored a deserved hat-trick, and Darryl Hawkes completed the scoring.

#### PEN PORTRAITS

Roderick Smith	(18 appearances, 13 goals) Captain and Top Scorer. Central midfielder who switched readily from defence into attack. Ever present.
David White	(17, 0) Goalkeeper. Brave, agile last line of defence. Especially capable in one-on-one situations.
Stephen Smith	(17, 1) Right Back. Aggressive tackler who often won heading duels despite his size.
Darren White	(18, 3) Sweeper. Excellent reader of the game. Solid tackler who also scored some vital goals. Ever-present.
Graeme Gilroy	(17, 2) Centre-back. Top-class man-to-man marker. Another strong tackler and header of the ball.
Brent Guild	(8, 0) Left-back. Intelligent, skillful player with a cultured left foot.
Simon Humphries	(15, 4) Versatile. Began as a defender, but shifted to centre-forward. Fast, bustling striker with a good aim.
Barry McKenzie	(16, 3) Midfield. Tireless worker. Good control, combined with his pace made him a handy weapon.
Lawton Too	(18, 3) Midfield. Skillful, aggressive player in his 3rd season with the 1st XI. Ever-present.
Dean Miller	(15, 9) Striker. Small, nippy and skillful striker who takes goals well. Also played in midfield.
David Pay	(17, 7) Left-winger. Fast, tricky winger who went from strength to strength. Naturally left-footed.
Darryl Hawkes	(17, 8) Midfield/Striker. Our most experienced player. Excellent control and vision. Good long-range shooter.
Grant Cuff	(4, 0) Striker. Reserve who often injected life into the forward line when brought on.
David Frost	(6, 1) Midfield. Reserve. Skillful player with good passing skills who is disadvantaged by his size.
Mark Rainbow	(4, 0) Midfield. Reserve who was laid out with a back injury for most of the season. Pacy and skillful.

#### 2ND XI SOCCER

Captain: G.. Dollman

Coach: Mr Goodwill

This year we were entered in the 3rd Grade Competition. After struggling to get a team, members of under 16 teams agreed to play two games a day. Although the team played inconsistently we achieved a well-deserved 3rd place. We played much better during the 2nd round, which ultimately led to victories over the two leading teams, which left us 2 points behind the winning team.

Our thanks go to our coach Mr Goodwill.

Played 14, Drew 0, Lost 4.

The team: G. Dollman (Captain), R. Taylor (Vice Captain), R. Syme, S. Hall, C. Hall, B. Gaudin\*, G. Cuff, P. Dickie, D. McKenzie, G. O'Callaghan, B. Heydon, P. Lawrence, G. Scobie, G. Ward, F. Welsh, P. Braxton and two who joined half-way through the season B. Heywood and P. Paton.

## Book Week

In early July the school held its first Book Week. Visiting speakers Norman Jones and Fred Miller spoke to the senior and junior students respectively. Prizes were donated by firms in town and students competed in three main categories of original work.

The response from the school was overwhelming and over eleven hundred items of work were judged. The week was so successful that the English Department is planning to hold another along similar lines in 1983.

**NINE TOMORROWS**

BY  
ISAAC ASIMOV

These unique stories, written by a master of science fiction, are all designed to point us into the not too distant future of earth people. The world in the year 2000, the exciting machine that could solve every problem of man, the problems of its own existence. The "Nine Tomorrows" story in this fine collection was conceived, studied in terror - as a psychological experiment extrapolated out of the die reaches of the mind. It is a study of a brutal scientific experiment, however their soundly humorous or grimly serious, all nine tales all reflect Isaac Asimov's masterful ability to combine scientific fact with the unpredictable. And unpredictable it is. Just look at the titles! There are two superb satires in verse,

UNDER 16 "A" SOCCER TEAM

Captain: Gary Ward

Coach: Mr Goodwill

The team played to the best of its ability throughout the season and this was reflected in some of its results.

Although not winning the grade we were undoubtedly the most powerful striking team in our competition with wins like 29-0 against Riverton and 28-0 over Queens' Park B. In total we scored over ninety goals and conceded only 20. Philip Braxton with 24 goals and Grant Cuff with 21, were the teams top scorers, but they could not have achieved these results without the team's assistance.

The team enjoyed itself in all games and would like to thank Mr Goodwill for his time in managing it.

The team: Gary Ward (Captain), Brent Guild, David Frost, Lars Jensen, Gareth Williams, Brent Heydon, Greg Scobie, Grant Cuff, Philip Dickie, Philip Braxton, Jamie Wilson, Michael Tapper and Alan Poy.

### South Island Secondary Schools' Swimming Championships 20 March 1982

The involvement in this meet by SBHS turned out to be a remarkable success. The school chartered a bus in conjunction with other Southland Secondary Schools and went up to Christchurch for the competition on the Saturday.

This year we had one of the strongest swimming teams seen at the school for some time. This was proven by the results gained in fierce competition at a National level.

Richard Tapper gained two firsts in his age group and a second in the open. Mark Campbell, Philip Simpson and Simon Millar achieved notable results when competing against swimmers older than themselves.

The highlight of the trip was the winning of the open A x 50M Freestyle relay.

### 1ST V BASKETBALL

Captain: Meto Snegirev

Coach: Mr Baker

This year's team was a relatively new one, with only two players returning from last year. Faced with this rather inexperienced team, our coach, Mr Baker, has done well to achieve the standard of play we reached this season. As well, the dedication of the team members in practices, games and tournaments has been an important factor in the successes we have had this season.

On the homefront, the team did very well in the local A reserve competition. We suffered a bad spell at one stage, with our three tallest players unable to play because of injuries, but we managed to get into the semi-finals, where after 40 minutes of play and two extra five minute periods we lost by one basket to Cargill High School.

Our interschool record this year has been a favourable one. We lost to Otago Boys' 82-70, a game in which we were leading by one point at half time. However a half court press by Otago Boys' kept us from scoring much in the second half.

Against Waitaki Boys' we won 68-46. Throughout the game we controlled the ball, made our outside shots and rebounded well with Michael Stokes and Simon Millar dominating under the boards.

Our usual interschool with King's High School was cancelled because of the bad weather.

We also qualified for the Regional finals for the National Secondary schools final which was eventually won by King's High School and Otago Boys'.

In the Southland Secondary Schools' tournament we lost to Gore High School in the final match. At this stage, the team was feeling the effects of having played five games already that day. Striking trouble with the referees did nothing to help the team spirit either. Next year's team will have a better chance with over half the team returning.

Team members to achieve rep teams were:

Southland U/17: Paul Rewiri, Anthony Seeto, Stephen Jackson, Simon Millar  
Southland U/14: Glen Smith      Southland U/20: Michael Stokes

On behalf of the team, I would like to thank Mr Baker for his dedication as coach to the team, and wish him a good season with next year's team.

Team Report:

Meto Snegirev (Captain)	Played well throughout season, setting up some good play, as well as having a long shot which surprised the other team on many occasions.
Michael Stokes (V Captain)	The tallest and most experienced player in the team it was not unusual for him to high-score in games. His strength in rebounding made him a very valuable player.
Simon Millar	The next tallest member Simon was also a good rebounder, offensively and defensively.
Paul Rewiri	A very elusive player who was at times able to dribble through a zone to score. Had very good set shots as well.
Bentley Seeto	Bentley, a consistent player whose form picked up well near the end of the season.
Stephen Jackson	A good team player, valuable in a fast break. Did some good rebounding as well.
Anthony Seeto	Was able to put shots in from a long distance, as well as being a good ball-handler.
Glen Smith	The youngest member of the team Glen didn't have the same experience as some members but showed, on some occasions, enviable basketball skills.

Players coming back next year are Simon Millar, Stephen Jackson, Paul Rewiri, Anthony Seeto and Glen Smith.

1ST V SUMMER LEAGUE BASKETBALL

Summer league was initiated this year and all responsibilities rested with the team. The team was the first five and managed to win most games conceding only three losses. The majority of games were rough and scrappy, for opposition team members were off season freezing workers and rugby players.

The team's performance was aided by the rebounding ability of M. Stokes, S. Millar and S. Jackson, while points were scored by the keen accurate eyes of Forwards P. Rewiri, A. Seeto, M. Snegirev and B. Sutherland.

The team enjoyed this off season competition, which gave time to concentrate on all aspects of individual and team play, such as ball handling, shooting and defensive work.

Notable results were achieved when the winter season approached.

Team: M. Stokes, M. Snegirev, B. Sutherland, S. Millar, A. Seeto, P. Rewiri, S. Jackson, B. Seeto.

2ND V BASKETBALL

Captain: S. Tinnock

Coach: Mr Huntley

During the year we had our ups and downs. We all had our individual skills, but at most times failed to play as a team. When we did play as a team, we were virtually unstoppable.

The team has great potential, and showed this in a game against the 1st V earlier in the season.

At the end of the competition, we were placed fifth in the B grade Men's competition, after an unfortunate loss to Hargest's 1st V.

Overall we won 7, lost 6 and drew 1.

I thoroughly enjoyed the season and hope the rest of the team did.

Our best supporter was our coach Mr Huntley, many thanks to him.

Team members for the 1982 season were: S. Tinnock (Captain), P. Dickson, B. Smith, D. Hibbs, P. Baird, A. Chambers, J. Anderson, A. Noble.

### 3RD V BASKETBALL

Captain: J. Grandiek

Coach: Mr A. Deacc

The team competed in the B Grade and even though it came last in the competition it enjoyed the season. The team never fully exploited its full potential, and lost games because of basic mistakes. The major problem throughout the season was a lack of true desire to win. Some key players in the team were M. Broughton, D. Cross and R. Smith being exceptionally good at retrieving rebounds.

The team would like to thank loyal supporters, and Mr Deacon for doing as much for the team as he could.

Team: J. Grandiek, R. Smith, D. Cross, M. Broughton, L. Sargeant, J. Price, C. Shirley, T. Harwood, M. Drayton.

### 4TH FORM A BASKETBALL

Captain: Dean McIntosh

This year we played in the Friday Night competition, having an excellent season losing only one game out of twelve. But with some disappointment we came 2nd because of a protest over a trivial matter.

We won most of our games by more than 20 points and two by over 50.

Players to stand out were: Stephen Cockeram, a good rebounder and all-round player; and Glen Smith, a good player and shooter from all positions. These two were helped considerably by excellent backup play by Dean and Grant Gerken, Campbell Lyons, Wade Hoskins and Jeremy Clyma.

Players to gain Southland recognition were D. McIntosh, S. Cockeram, G. Smith, D. Gerken and W. Hoskins.

On behalf of the team I'd like to thank Mr Baker for sharing his knowledge with us this season.

### 4TH FORM B BASKETBALL

Captain: B. Philpot

Coach: S. Rout

This year Boys' High entered two 4th form teams in the Friday night competition at Surrey Park. Altogether 6 teams took part.

Although the team wasn't very successful in the first round by the time it reached the second round the team had improved and was able to win some of its games. The team played to the best of its ability, and enjoyed all the games regardless of winning or losing.

We would like to thank Mr Rout for his coaching, support and encouragement throughout the season.

Team members: B. Philpot (Captain), T. Buist, A. Pedler, P. Dawson, N. Somerville, A. Chambers, M. Noble, M. Yarnell and R. Clarke.

### 3RD FORM A BASKETBALL

Captain: R. Tapper

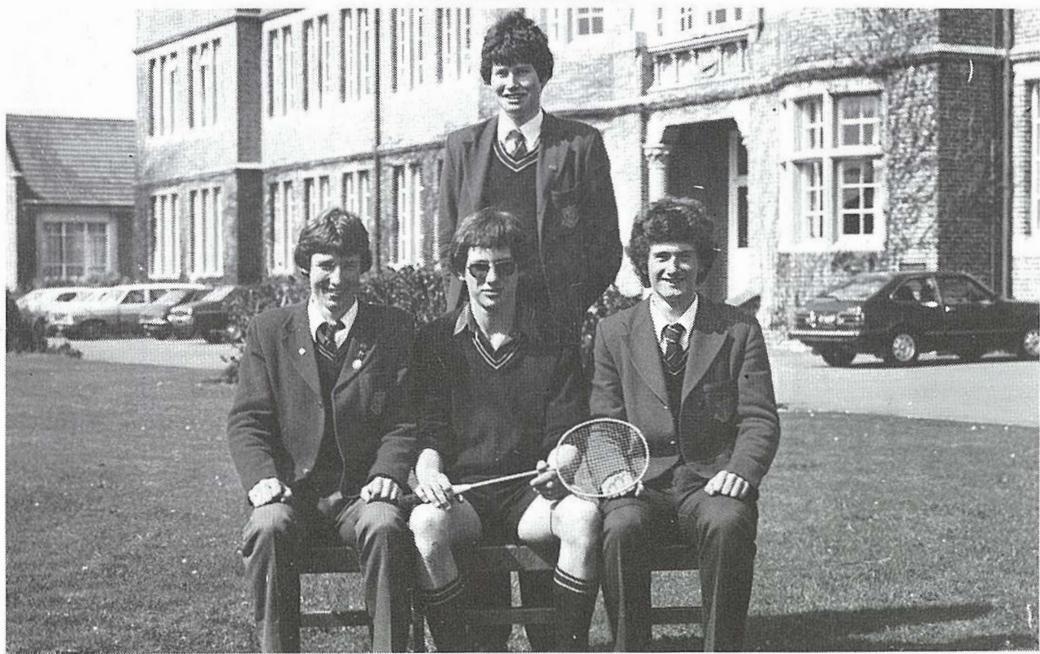

Coach: Mr Reid

The team's aggressive attitude possibly gave it the edge over other teams in the Friday night Junior B competition. During a two-round competition, the team won seven games and lost two. The tie-breaker final against Cargill was won comfortably, after superb play by all team members.

Team members:

R. Tapper	A good all-round player.	D. Jackson	Battled strongly against height disadvantage.
R. Dalhousie	A "go" player for fast breaks.	M. Tinnock	What he lacked in shooting ability he made up in defense.
M. Wells	A consistent player both on defense and offense.	G. Price	Always managed to get points.
R. Scobie	An aggressive defender.	S. May	Exceptional set-shot skill. Southland under 15 team.
C. Kura-Wharepouri	Allstar "seagull".		
A. McLean	Strong offensive player.		

## Badminton

### BADMINTON

D. Marshall, B. Sutherland, M. Southby, J. Tepana, Absent D. Paskell

Captain: D. Paskell

This year's School Badminton Team closely resembled those of previous years, by again proving to be very strong. The team consisted of: John Tepana, Bruce Sutherland, Donald Marshall, Michael Southby and Daryl Paskell.

Having played no interschools this season, the team members had to rely on their own ability gained in club competitions and also the team spirit which existed within them all, to pull them through to some good wins.

The first major competition of the season was the local Secondary Schools' Tournament. This was won very convincingly; with a score of 5-0; and shows the real depth of Badminton in the school. In winning this we secured ourselves a position in the South Island final.

However, not all went according to plan, and unfortunately lost to Christchurch Boys' High in the final - thereby forfeiting our chance to play against other North Island Schools in the New Zealand final.

My thanks must go to all team members who gave their best throughout every game; also to Mr Dear, for his constant support and organisation, and to Mr Edwards who provided the transportation to and from Dunedin.

Otago BHS at Dunedin - A decisive win for Otago, with the hills proving too much for both our senior and junior teams.

Waitaki BHS at Oamaru - A much closer contest, with school narrowly losing 37-35.

Timaru BHS at Invercargill - A good run by Alan Bunce in the juniors, but overall a narrow loss,  $36\frac{1}{2}$  -  $35\frac{1}{2}$ .

Gore HS at Invercargill - School finished the interschool series on a high note, with a 28-27 win over Gore.

### SECONDARY SCHOOLS COMPETITIONS

Throughout the season, the school harriers took part in a number of interschool competitions, culminating in the Championships at Oamaru. The team's performance in these events was nothing short of excellent:

Inaugural Otago/Southland 6 x 2000m Cross-Country Relay at Milton

After leading for almost the entire race, we were finally passed by OBHS and finished 2nd a mere 5 seconds behind the winners.

Southland Secondary Schools' Cross-Country Championships

A magnificent performance by SBHS, winning three out of the four teams' events.

1st Under 14 Teams Race      M. Henstock 3rd

1st Intermediate Teams Race      N. Britton 2nd, B. Smith 3rd

1st Senior Teams Race      C. Goodwill 2nd, D. Spencer 3rd

Alan Bunce finished 1st in the Junior Race.

Otago/Southland Secondary Schools' Cross-Country Championships

This was run over a much more demanding course than the Southland event, but the school again performed creditably.

2nd Under 14 Teams Race  
2nd Junior Teams Race A. Bunce 1st  
1st Intermediate Teams Race B. Smith 2nd, N. Britton 4th, G. Ward 8th,

The strength of the school harrier team throughout the year was the result of the efforts of a hard core of runners who turned out regularly, in all weather to compete. But two runners in particular deserve mention.

Chris Goodwill consistently staved-off opposition to dominate the senior team, while Alan Bunce was clearly in a class of his own in the juniors. Alan will certainly be a mainstay of any future teams.

Without doubt, 1982 has been our good year for the Harriers and nobody urges us on more effectively than Mr Lauren. The team thanks him for his coaching, support and encouragement.

### 1ST XI CRICKET

Captain: Stephen Jackson

Coach: Mr Dickson

The season began on a very creditable note, with the team notching up good wins against opposing teams in the Senior Reserve Competition. However due to the migration of all the senior team members over the Christmas break, to University or Employment prospects, the team was left to re-build itself.

The team performed extremely well with youthfulness often countering the opposition's experience.

We also played in the Senior 40 overs Competition which we all found to be a great experience, playing against much hardened opposition. In this we beat Georgetown; lost narrowly to Old Boys' and were beaten by the eventual winners - Central Western.

With virtually the same team returning next season we shall surely look forward with a little more confidence to better performances.

Many thanks to Mr Dickson for all the time he has given up coaching and looking after the team throughout the season, and to him, we all owe many thanks.

Southland U/18 reps - S. Jackson, M. Haig, P. McDonald, M. Hogue.

### INTERSCHOOLS

v St Andrews (in Christchurch) 7-8/12/81

School batted first on an immaculate pitch and was dismissed for 141 with A. Thompson and G. Pierce batting extremely confidently. St Andrew's then batted and was dismissed for 101 with G. Pierce bowling, perhaps the best he has ever bowled. This put school 40 runs ahead on the first innings. We then knocked up 223 before declaring leaving STAC needing 263 to win.

The match was headed for an exciting end and with two overs remaining we needed only one wicket for victory, however a catch was dropped in the last over and the match was drawn.

Scores: SBHS 1st inns 141 A. Thompson 48; G. Pierce 34  
2nd inns 223 for 4 declared D. Beale 81  
A. Thompson 50 not out  
M. Haig 39  
STAC 1st inns 101 G. Pierce 8 for 35  
M. Brown 2 for 31  
2nd inns 201 for 9 D. Beale 3 for 27  
G. Pierce 2 for 57  
R. Jackson 2 for 42

Result - a draw.

v Shirley Boys' High School (at Christchurch) 22-23/2/82

Shirley won the toss and elected to field on a very bouncy track. School made the most of the situation and knocked up 189 before being dismissed. Shirley then batted and declared 27 runs behind our total at 162 for 7, with M. Haig bowling extremely well. School didn't fair so well in the second innings being all out for 127. This left Shirley requiring 155 runs to win. Unfortunately rain stopped play late in the afternoon with Shirley being 3 for 56.

Scores: SBHS 1st inns 189 M. Haig 38; P. McDonald 36; S. Jackson 24  
2nd inns 127 M. Haig 37  
Shirley 1st inns 162 for 7 decl. M. Haig 5 for 46  
2nd inns 3 for 56

Result - Match abandoned.

v. Otago Boys' High School (in Invercargill) 15-16/3/82

OBHS won the toss and put SBHS into bat on a rather sodden pitch. This move paid off for OBHS, after School was dismissed for only 97, with only M. Haig and A. Bunce achieving any respect. We then dismissed OBHS for 156, with M. Haig, S. Jackson and D. Hawkes bowling well. This left us 59 runs behind on the first innings. There can be no excuse for school's abysmal showing in the second innings, being dismissed for only 41 runs.

Scores: SBHS 1st inns 97; M. Haig 27; A. Bunce 20  
2nd inns 41; D. Hawkes 11  
OBHS 1st inns 156; M. Haig 4 for 58  
S. Jackson 3 for 27  
D. Hawkes 2 for 24

Result - Win to OBHS by an innings and 18 runs.

v Kings' High School (in Dunedin) 23-4/3/82

School won the toss and sent Kings' into bat on a green, unreliable pitch, which gave the bowlers plenty of encouragement. Kings' declared at 132 for 8, with M. Hogue bowling extremely tightly, taking 4-10. School then easily performed the task of knocking-up 232, before being dismissed. Kings' responded to this with a notable improvement, scoring 201. We then needed to score 102 runs in 70 minutes to win, but at the close of play were 47 for 6.

Scores: SBHS 1st inns 232; M. Hogue 50, S. Jackson 45, D. Hawkes 27  
2nd inns 47 for 6 P. McDonald 16  
Kings' 1st inns 201; G. Hinton 5 for 41  
2nd inns 132 for 8 declared M. Hogue 4 for 10  
G. Hinton 2 for 39

Result - Draw.

The team:

S. Jackson (Captain)

- An all rounder. Batted with determination. Promising spinner with an easy action and useful medium pacer. L a young and largely inexperienced side with maturity.

M. Haig (Vice Captain)

- Enjoyed a good season - his aggressive approach in all aspects of the game was invaluable to the team.

P. McDonald - batsman

- Failed to capitalise on many good starts and score heavily. A containing bowler. An attacking batsman - expected to score well next season.

D. Hawkes

- Medium pace bowler - natural inswinger who developed t ability to move the ball away. Many good performances. Useful lower order batsman.

M. Hogue

- An all rounder. Medium pace bowler with nagging length and accuracy. Good performances with bat and ball.

G. Hinton

- Opening bowler - a potent weapon particularly on hard pitches where few batsmen played him with any confidence. Some useful scores with the bat.

J. Monteath

- Batsman - promising young player with a good technique. Should capitalise on his experience and ability to score heavily next season. Useful medium pace bowler.

A. Bunce

- Youngest member - developing into a fine wicket-keeper and attacking batsman. Highlight was a magnificent 81 late in the season.

J. Tait

- Batsman - Good technique but failed to capitalize on s good starts. Should score well next season.

B. Haywood

- Batsman - showed determination and willingness to develop his abilities. A good team man.

G. Scobie

- Batsman - as yet has a limited range of shots but showed determination and occupied the crease profitably for long periods of time.

M. Dawson

- A promising opening bowler with lively pace. Limited opportunities but should be good value in the seasons to come.

C. McAulay

- Came into the team late in the season. Limited opportunities but always tried hard for the team.

Coach: Mr Murcott

This year's 2nd XI consisted of mainly promising young players who have plenty of potential. While results were not always forthcoming, the team performed well near the end of the season.

J. Mawhinney and M. Southby formed a consistent opening bowling attack with sound back-up by E. McKenzie, C. Savage and S. Cundall. W. Hoskin and R. Murray showed much ability with the bat with support from A. Noble, G. Scully and R. Dore. The ability of each player to score runs produced some good batting performances, notably a century by A. Noble in the first game of the season. The fielding of the team was nearly always sharp.

With the all-round potential of the team members, next season should be a profitable one.

Special thanks to Mr Murcott for his support of the team.

### FIXTURES

#### Shirley Boys' (Away)

The match against Shirley Boys' was a new inter-school fixture. The team performed creditably, winning by a convincing margin of 17 rubbers to 6. There were many memorable matches especially in the doubles, where long matches were a feature of the play.

#### Otago Boys' (Home)

The "school" had high hopes of securing an upset victory against its traditional rival. However the team collapsed in what can only be described as the worst performance ever in the recent history of the two schools. Otago Boys' won by 21 rubbers to nil. Although the score was one sided, all matches were played in a competitive fashion.

#### King's High School (Away)

With this being our last inter-school we were keen to do well. All players performed to their true capabilities, and school had a narrow but well-deserved victory, winning by 11 rubbers to 8. Congratulations to the Junior team of John Cantrick and Mark Williams who both played well in their first inter-school.

## Table Tennis

Captain: Alister Gray

Competition started early in the second term, on Friday nights, being held at the STTA building in the Turnbull-Thomson park reserve. The first night saw 13 teams competing and our first game turned out to be our hardest - it was against Cargill's first team. After a lot of discussion, the match finally ended up in a draw. From then on throughout the term, we didn't lose a match, although we each suffered defeats to better players in other teams. While many of the teams in the competition were of a high standard of table tennis, most other teams were not entirely composed of good players. Although the whole session was very relaxed, all our skills and tactics were improved greatly. Blair Middlemass, especially, provided some excellent entertainment with some beautifully controlled shots. Michael Wong also played some very skillful balls on the table, getting the better of most of his opponents. Alister Gray backed the team up by being very consistent notwithstanding long aggressive rallies. All this resulted in the team retaining the trophy for SBHS's trophy cabinet once again.

Special thanks must go to Wayne Evans and Gareth Williams who fortunately filled in at short notice when a player couldn't be present.

Thanks must also go to the Rector Mr Alabaster, who permitted us to play and provided our entry fees, and to Mr Woodward, who gave us encouragement and got us organised in the first place.

Team members: Alister Gray (Captain), Blair Middlemass, Michael Wong.

## Softball

This year saw the re-introduction of softball to the school after an absence of many years. The school's senior side made an admirable debut in the Hansell's N.Z. Secondary Schools Championships, winning the Southland/North Otago regional competition and it went through to become runner-up in the South Island Championships in Timaru. There it was beaten by Burnside High School 8-4 and then in the finals 12-6. In a close-fought game it defeated Nayland College 8-7 to get through to the finals.

Being a relatively young side, this points the way to an enjoyable season in 1983.

Junior Softball also started well with 4 teams participating in a Wednesday afternoon competition.

Team: Neils Somerville, Rex Capil, Dean Hunt, Roy Pankhurst, Dean Heydon, Adrian Chambers, Daryl Fowler, Lars Jensen, Donald Jones, Martin Sparrow.
