EDITORIAL

The Secondary School in the 70s is a beleaguered institution; everybody is an expert these days, everybody knows what schools should be doing, everybody claims to know where schools are going wrong. Universities demand academics, tradesmen demand practical people, offices require neat literates, while everybody knows that sporting prowess is the hallmark of New Zealand. In the face of all these demands some schools have simply opted out, while others have continued in their traditional way, impervious to change. It is fitting at the end of this decade to assess our own performance. How has Southland Boys' High School coped with the pressures?

An impressive third of the yearly intake goes on to University, the majority of these people coming back to the province when qualified. Successful ex-pupils will be found in all quarters of business and industry and a very high proportion of the school has remained in sports, because altogether the school fields over 60 sporting teams in local competitions, ranging from rugby to tennis. In the last few years there have been curriculum changes, liberalising of uniforms and attitudes, and perhaps a greater involvement of the school with the community.

School leavers traditionally can't wait to get out into the world and probably this year's leavers are no exception. Even if at this time they cannot understand the efforts of the school on their behalf, in years to come they may well appreciate the ways in which their school tried to comply with the demands of this decade. But I suppose when all is said and done human beings of every generation are alike and in school as in life, the more things change the more they remain the same.

- Thurs 15 Accrediting and sunbathing proves not to be a rewarding pastime.
- Mon 19 School Certificate, U.E. and Bursary exams begin.
- Fri 30 Senior School returns to hand in textbooks and collect Leaving Certificates and many a tear flows marking a last day at SBHS.

December

- Mon 1 Mr Levick trapped in the mountains but manages to return to school.
- Fri 5 The school year reaches its climax with Junior Prize Giving.
Holidays at last.

Staff Notes

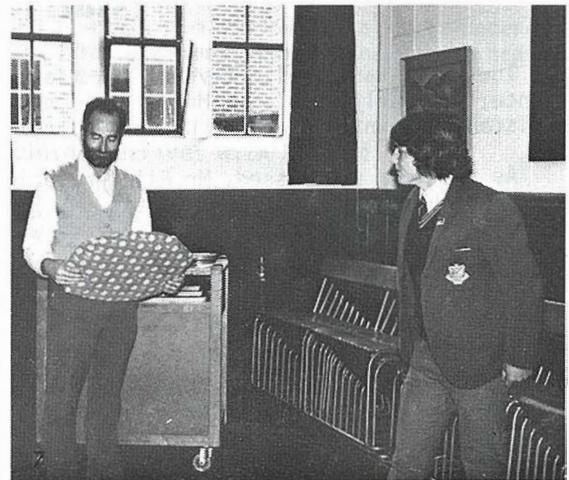

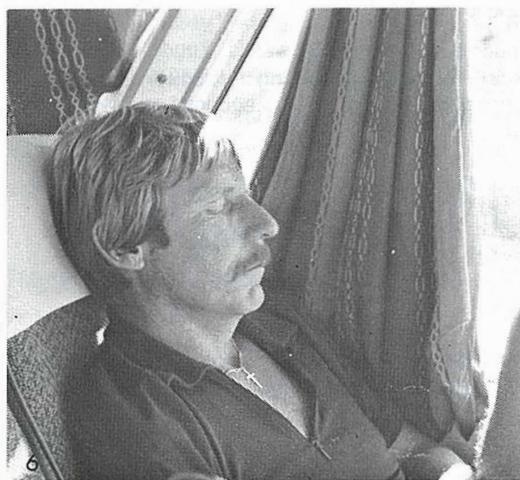

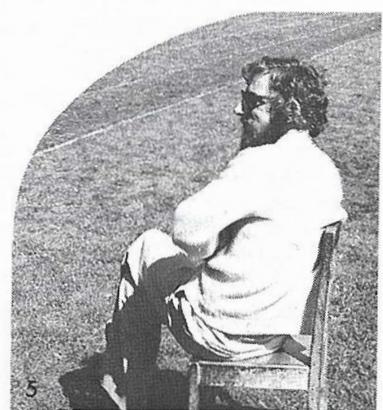

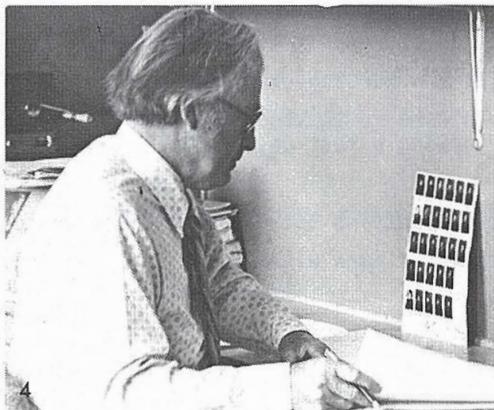

The year started with several new teachers arriving, including Mr Edwards, science; Mr Huntly, biology; Mr Richardson, geography; Mr Muncott, economics; Mrs Denniston, accounting; and Mr Honders, languages.

As the year progressed, Mr Fitzgerald left for an appointment at Christchurch Boys' High, Mr Basher left for Canada, Mr Long left for the City Council office and Mr Tiplady left to take up further duties with his church. We had a very short stay of about three weeks by Mr Coumans who got homesick for Australia and the other notable departure was Mrs McKenzie from the school office who departed for business reasons.

At the end of the year Mr Anderson left for overseas, Mr Lea retired after many years technical teaching and Mr Vercauteren left teaching for a job in Nelson that allowed him to further his interest in soccer.

The school has also been ably served by the following part-time teachers, Mrs Read, Mrs Fletcher, Mrs Hutchinson, Mrs Charlton and Miss Millar. We are grateful to them for their efforts.

Obituary

KEN McMILLAN I remember Ken as a classmate. He was an intelligent boy with a good sense of humour who loved to talk.

Ken was a keen librarian and enjoyed expressing himself in writing. He was also an active member of the ISCF and had future plans of working with missionary radio full time.

Why should the life of a young person with such potential be suddenly cut off?

This answer was suggested by the minister at Ken's funeral. "Indeed he was in the very small group of young people known as "gifted." The quality and powers of his thinking were such that few could fully appreciate them. Nor could we appreciate the extent of the frustrations and pressures to which Ken may have been subjected and from which at times he had to strive for release."

Our class will miss him.

G. Brinsley, 5A2

MR A. D. FYFFE

The sudden death of Mr A. D. Fyffe last September in Christchurch came as a great shock to us all, and we felt it even more keenly because he was just settling into his new home after advising us officially of his retirement at the end of 1979. The large number of boys, staff and Old Boys who attended the funeral in Invercargill was a measure of the regard and respect we had for him, and of the sympathy extended to Mrs Fyffe and the family.

A. D. Fyffe joined the staff of Southland Boys' High School in September 1963, teaching mainly agriculture, and the strength and status of agriculture in the school for many years, even after he was no longer teaching it, were due to his work. Shortly after he was appointed Careers Adviser in 1966, we began our own guidance counselling service, and Mr Fyffe's success in this field led to his appointment as P.R.A. Guidance Counsellor in 1969 after attending the first Department of Education course. The appointment was a school appointment, and it was not until 1973 that the position was included in the Department's allocation. The success and high reputation of our guidance counselling service has been due largely to Mr Fyffe's ability to think independently, and his boldness in meeting challenges, as well as his understanding and sympathy for others.

His background and his own experience, particularly in some of the buffettings of life, well qualified him for the responsibilities of advising and counselling young people. As a boy, Des Fyffe attended Southland Boys' High School during the depression years, 1932-37, being captain of the First Cricket XI, and of the First Rugby XV, Head Prefect, and winner of the Deschler Cup. Much of what he contributed as a staff member came from the love of the school he developed over those years. From university he joined the armed forces, and his active war service extended over five years, 1940-45, in the Royal Navy Fleet Air Arm as a pilot in both the Atlantic and Pacific theatres - service that saw more than the usual hazards. Then followed twenty years of farming in Southland before he entered teaching.

Thus he brought understanding, sympathy, and humanity to his teaching career, qualities so essential in a counselling position. And in his quiet supervision and leadership of the Crusaders and I.S.C.F. he showed the balance and sanity that enabled him to be such a positive influence on so many. His success was measured in the constant stream of young people who came to see him at home and at school, often years after leaving school. He joins that select group of long serving masters who have been responsible for establishing the character of Southland Boys' High School and enabling it to contribute so greatly to its students.

The School suffers a great loss in his death, and we extend to Mrs Fyffe and her family our sympathy in their loss.

Debating

In what must come close to a record year, the school has seen a total of nine senior debates involving school teams.

With the two teams depending heavily upon enthusiasm rather than experience, the fine debating record of SBHS was upheld far beyond expectations. The Senior team of Callum McKenzie, Gary Nixon and Mark Crowther was finally defeated by Christ's College in the South Island final of the National Air New Zealand competition, under the topic "That union with Australia would be in the best interests of New Zealand." Getting this far featured an accumulation of victories over Tokomariro High School, James Hargest, and Columba College as well as wins by default.

Meanwhile the sixth form team of Derek Mark, Warwick Duncan and Gregor McKenzie contested and won the local Jaycee competition defeating Marist, Cargill and then Hargest in the final.

Due to other debating commitments, the sixth form team were left to contest Otago Boys' High School and were unfortunate to go down by the extremely small margin of five points. Against Waitaki however, the Senior Team scored a resounding victory on the proposal "that technology is leading the world to disaster" which returned the Bridgemen Stubb's trophy to Southland, for the first time since 1975.

This season has seen consistently fine performances from all team members. Mark Crowther's inexhaustible wit and tireless dramatics kept many an audience reminiscing long after the event. Gary Nixon added a touch of class and sophistication which left countless opponents baffled, while Callum McKenzie was always on hand to provide a solid basis for the team's argument.

However a large slice of the credit must go to the man who did all the worrying and served as our inspiration in times of need, our coach, Mr McIntosh.

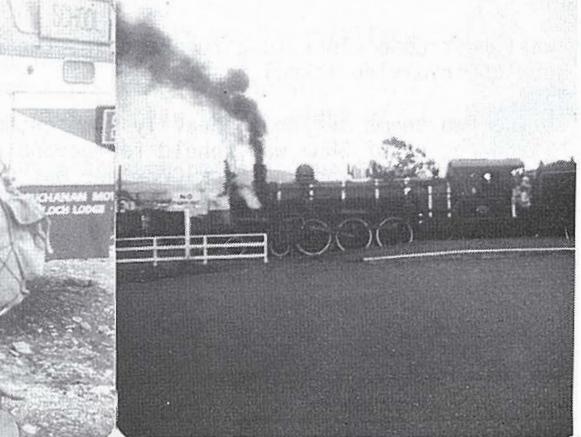

We have gained a lot of satisfaction from our efforts and hope that next year's team will derive the same enjoyment and success from theirs.

The Spirit of Adventure

Craig Smith 7C

The 'Spirit of Adventure' is a 105ft steel hulled schooner, given free of charge to the youth of New Zealand in 1973 by an Auckland Industrialist, Mr L. J. Fisher. Mr Fisher conceived the 'Spirit of Adventure' scheme as a chance to give young people throughout New Zealand an opportunity to experience sailing, the pleasure of the Hauraki Gulf and coastal waters, and the interest of meeting fellow pupils from all parts of New Zealand. I was very fortunate in being one of 27 trainees to cruise on the 'Spirit' in June on her 130th voyage.

During the ten day cruise the ship sailed around the Hauraki Gulf with stops at Kawara Island, Goat Island and Great Barrier Island. Unsettled weather gave us the opportunity to explore these islands with tramps to majestic waterfalls and historical Kauri Dam sites. After an initial period of sail training under navy-like discipline, the handling of the ship was carried out by the trainees. We decided where we wanted to go, we navigated the course, and under the Officers' supervision set sail for our destination. Light winds, a heavy swell, and 'green' North Island trainees prevented us from sailing to the Bay of Islands.

The skills of navigation, small boat handling and an understanding in the use of all navigation aids, radios, radars etc., were given to each trainee. Working aloft on the yardarms and taking the helm of the vessel gave trainees confidence both in themselves and in their fellow crew members.

The trainees were divided into three watches, each watch being responsible for the morning of their sail station and certain cleaning duties. P/T at 0630 hours started the day, followed by scrubbing the deck, a compulsory swim in freezing water, and a hearty breakfast. This was followed by cleaning the ship and general shipboard routine. So much for the chores but the compensations came with the exhilaration of sailing, all canvas up and filling, the ship heeling sharply in the breeze, and showers of spray flying as the bow cuts into the choppy seas of the Hauraki Gulf.

Along with the training of the sea, we were also taught how to tolerate and show consideration for other people. Living for ten days with twenty-seven trainees in a mess deck the size of the average livingroom demands this from every pupil. No matter how uncomfortable and miserable things may be, we were all taught through this experience to consider others.

I would like to take this opportunity to sincerely thank the school for allowing me to represent them on the 'Spirit' and I thoroughly recommend the experience of this once-in-a-lifetime opportunity to all pupils of the school, whether their interests be in the sea or not. It is an experience that one has to live to appreciate.

Outward Bound Report

During the May holidays, through the generous sponsorship of the Old Boys' Association, I was able to attend the Cobham Outward Bound Course. The course attempts to stretch your physical and mental abilities to the limit and in doing this to learn more about yourself. For the duration of the course you are in a watch with 13 other individuals.

The major activities on the course are tramping, sailing, canoeing, solo and service. The biggest thrill for me was winning the marathon which is run through the bush and around an inlet. The course is something that I found most challenging and I can't recommend strongly enough that if given the chance, fellow pupils take the course. It is the experience of a life time and again my thanks to the Southland Boys' High School Old Boys' Association.

Music Report

The School Music year commenced with a visit on 8th February with "Certain Sounds" which was enjoyed by those who attended. More competitors participated in the Third Form Competitions this year. Our thanks to Mr Max Stewart who adjudicated. In March and September we visited Vickery Court to help the Rev. Wallace with a service for the elderly.

Craig Rodmell, Grant Lemin, Morris Gilbertson, John Tuckey, Grant Ramsay and Matthew Frey helped provide music on Grasmere Cultural Day on 20th April.

Most of the Senior School enjoyed a visit from the Camarata Quartette in June. I am not sure that we enjoyed the Bank of New South Wales Contest but we were delighted when Craig Rodmell's original composition was highly commended for New Zealand and later recorded by Broadcasting. We provided items for members of the Blind Centre, Overseas League, and Walmsley House in July & also prepared a lunch time concert which was held during the Library Spring Festival.

In August, nearly thirty boys enjoyed a visit to "NECO" and shared their talents with this worthwhile organisation.

Several boys played at the August Ceilidh and in November the new band hopes to play there.

August, we enjoyed another visit to Gladstone Women's Club.

Strike day had a small ripple at school because unfortunately our preparation for the League of Mothers afternoon had to be cancelled. Some of the women could not travel to their venue because of the bus strike.

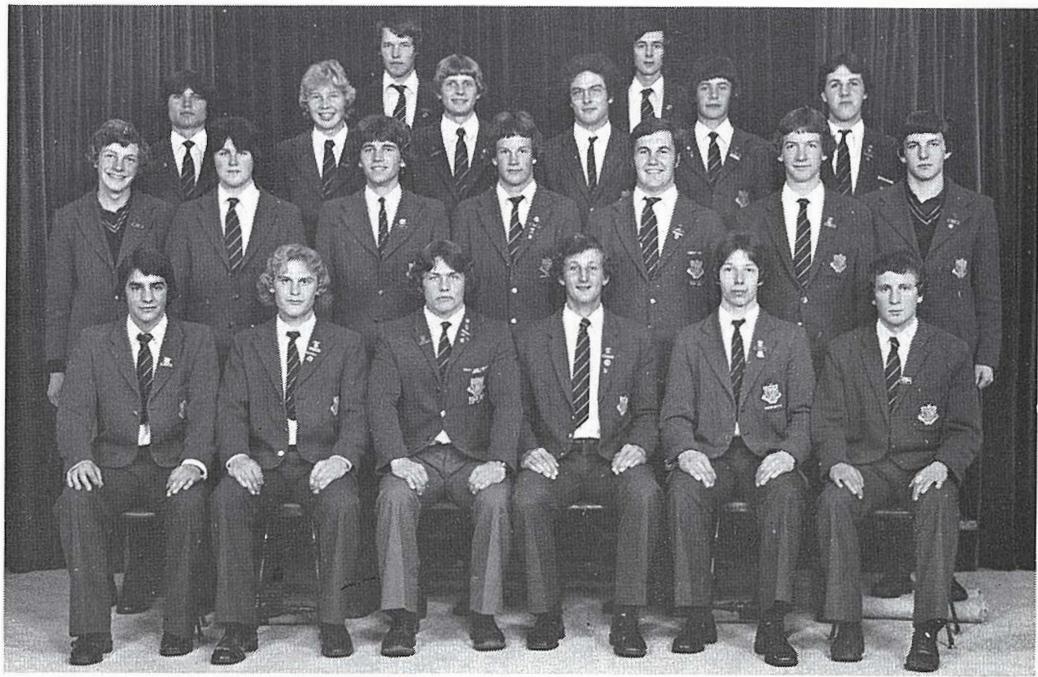

Craig Rodmell and Matthew Frey presented items at a morning tea when SGHS Old Girls' entertained Dominican Ex-pupils during September. The Junior School are to present a programme for APW First Church in November.

Each 3A2 boy enthusiastically participated in a class concert which they presented at the "Park Unit". They were delighted when the children reciprocated by singing, and acting a play.

The emergence of a Brass Band group within the school has been the most exciting aspect of the school year. Ralph Laing has been a great help in its formation and we anticipate a steady growth in its progress next year. These boys are drawn from boys who are members of the Junior or Senior Garrison and Salvation Army Bands.

All in all, a full and satisfying year.

Social Committee Report

The task of the Social Committee throughout the year is to provide relief from the rigours of school through dances held in conjunction with Southland Girls' High School. With this thought in mind we set out to include something for everyone. The first dance was the traditional sports dance, followed by a third form dance where the newcomers to the school were given a glimpse of things to come. During the year both Junior and Senior dances were held, mostly catered for by the various disco units from around Invercargill.

With a view to the approaching formal, the ice-breaker dance was held at Girls' High School. The ice was as thin as ever and an over abundance of willing partners made for some interesting contacts. With a great deal of help from Mrs France and Mr and Mrs Pethig, dancing classes were organised for those of us with clumsy techniques, to sharpen up for the approaching formal. Preparations for the formal were underway "long" before the big day drew closer. The theme for the evening was that of a Casino and the decorations were thus made. Finally the day arrived and Prefects and Social Committee members as well as interested on-lookers descended on the hall which was already decorated with a fantastic array of coloured streamers. There rose from a shabby dull hall, a masterpiece of interior decorating - here tribute must be made to the SBHS art department for the tremendous amount of effort put into the posters and decorations which wouldn't have shamed a real Casino. The Formal, needless to say, was a great success and on many accounts the best that the school has had. We hope that next year's committee will keep up the trend as a great night out was enjoyed by all. The "Rodenburgs" provided the music for the Formal and the art of ballroom dancing was once again revived. We would like to thank all those who assisted in the running of the Formal and indeed for the help throughout the whole of the year.

In reflection it has been a year of hard work with many problems to overcome, but we got a lot of enjoyment in seeing the dances go off without a hitch. We thank Mr Bonney for opening the show and to all those staff who gave up precious time to see how the other half lives by supervising the dances. A vote of thanks to Andrew Hitchcock and Co. for the excellent service as lighting/electrical crew.

Lastly we would like to thank all those pupils of both schools for their support and attendance.

We wish next year's social committee the best of luck in their undertaking.

Social committee this year: Philip Culling, Tim Mason, Philip Scott, David Hall-Jones, Peter Henderson.

Coldstream Hostel

For Coldstream, 1979 has been a relatively quiet year. Mr and Mrs Magrath again managed the Hostel in their typically efficient manner. It is also pleasing to note that many of the difficulties experienced in previous years with Housemasters may have been, at least temporarily, overcome. This year has seen the young married couple, Mr and Mrs Wilkes move in, and their youth and enthusiasm have undoubtedly been an asset and we can only hope that their stay will not be too short. They were ably assisted by Mr Price.

House athletic sports saw Coldstream take second place close behind Page, a particularly meritorious achievement considering the disadvantages of having by far the smallest house. For the first time in a number of years, Coldstream was not represented in the 1st XV, however we did have the 2nd XV Captain in James Moffitt. Basketball took over as the sport in which the greatest was achieved. Having three boarders in the 1st V, it was not surprising that we would win the interhouse basketball with ease.

Three disco's were held this year in conjunction with Enwood Hostel and were undoubtedly enjoyed by all. The greatest highlight of the social year was however, the Coldstream Hostel Ball, a huge success and a tribute to the organisers. Its success must ensure full support for its continuation.

The year concluded with the annual Parents and Boys meal before the Senior Prize Giving. During this, the Hostel became the recipients of a painting donated by the prefects as a reminder of the time which they have spent here as boarders.

Following a year of almost minimum operating capacity, the future looks bright with the 1980 intake coming close to a record, and ensuring that the Hostel remains an integral part of Southland Boys' High School.

Radio Transmitting Club ZL 4CT

The club was reformed in term two. A small but enthusiastic group met once a week after school. A Pye Cambridge set, converted for use via the amateur channel B Bluff Hill repeater was bought: thanks to Bing ZL4BZ for offering it to the club at half price.

As the club's trustee has only a grade 2 licence, the club was restricted to operating on the 80 metre band and Bluff repeater. Unfortunately, both these are very quiet after school (and completely dead during N.Z. Daylight Time) and so only a few contacts were made; these included the three boys at the school who have their licence. Hopefully next year, the trustee can gain his grade 1 licence and the club can use the more active radio bands and work overseas hams.

Several members of the club have expressed their intent to study for the amateur radio operator's certificate in 1980.

In term 3, a DX group was formed. Its purpose was to encourage the listening of radio stations of all types on the medium and short wave bands. Valuable information was exchanged amongst members on correct reporting procedures, how to improve reception with existing radios, and when and where to receive particular stations.

Computing Club

This year, the club consisted of boys from forms 3 to 7. The Algol W language was used and quite a number of programs were processed at Dunedin Databank, via the local Bank of New Zealand.

Twice during the year, boys at the school had the opportunity of seeing an Apple 2 minicomputer in operation. Their considerable interest lasted for many weeks.

Inter-School Christian Fellowship

It has been a quiet but progressive year with an increase in attendance especially from the junior school. This will form a strong basis from which growth may take place.

Activities during the lunch hour on Thursdays range from Bible Studies and discussion groups to singing and sharing about personal experiences of Christ. A notable feature of the year has been the increased interaction with other ISCF groups about the city by lunch hour visits. The formation of an ISCF Committee with representatives from each school should provide greater opportunity for interaction with other Christian students.

The group and the school grieved the sudden loss of both Mr Fyffe who had served the group faithfully for many years, and Ken McMillan who was an active member.

Again our thanks to Mrs France for the use of her room.

Library Report

This year has been another prosperous and successful year for the library. We have, throughout the year acquired in excess of three hundred books. These have been in both hard and paperback copies and represent a worthwhile addition to the library.

Our thanks go to Mr Stevens and his art people for some of the different paintings and "works of art" which decorate the library.

Mention should also be made of the pennants and shields of several Australian schools which were brought back from Australia by the sports teams who went over in the May holidays and which now hang on one of the library walls.

We should at this time, remember the efforts of the librarians without whose work throughout the year the library could not function.

Our thanks also go to Mrs Anderton the Library Assistant and Mr Lauren who has been the Master in Charge of the library this year. It is because of their efforts that the library is what it is today.

In conclusion one can only say that if the library has more years like this one it can only go on to better things.

How I enjoyed my year as an AFS student

As an exchange student of the American field service, I was asked to summarize my experiences at Boys' High; I found it difficult to select from a variety of happenings and so I decided to compare this school with my previous one in Switzerland.

After five years primary and four years intermediate school I had to decide either to get a job or to advance to a High School, because not everybody goes to High School in Switzerland as in New Zealand. There were also five different types of High Schools, each having a special tendency: one particularly on economics, one on modern languages, one on latin, one on science and one to prepare for teacher's Training College. I intend to become a doctor and entered the type with latin, because it prepares one the best for this profession. This decision doesn't need to be final because besides the special subject, there are still taught a variety of other subjects and if somebody changes his mind, he can still go to another type of university than originally intended.

When I arrived in New Zealand, little was known to me about the country and even less about schools. My first shock was the fact that a school uniform has to be worn, something which isn't practised in public Swiss schools anymore. But I must say, I got used to it quickly and approve of it now. I enjoyed a decrease in the number of subjects from thirteen beforehand to five and to really concentrate on what I'm interested in. But on the other hand I noticed that I became a bit narrow-minded.

The prefect system, which is unknown in Switzerland, and the approving attitudes of this school towards sports are to be welcomed and I learnt to value them.

Because 7th form isn't a compulsory year, the teachers leave it up to the students how much they want to do. They function more in assisting than in teaching and that is something I really enjoyed during this year. We weren't treated as children anymore, which of course, demanded some responsibility of us which not everybody seemed to be ready to cope with. The fact that a big number of students are at the same school and that there aren't any girls around, encouraged a few to slack and at times it seemed to be out of fashion to study seriously at school, which was a pity. But as a whole, I had a great year at Boys' High and if asked whether I would do it again, I wouldn't hesitate to say 'yes'. I hope many students from Boys' High will have an AFS experience either as a host-brother or as an AFS student.

"The Importance of Being Earnest"

After approximately ten weeks of rehearsing and practising, the combined Southland Boys' and Southland Girls' High play of "The Importance of Being Earnest" was performed before three near capacity audiences. Being only the second produced by Southland Girls' High School teacher Julian Mess, it was an honour to overcome the challenge that this play presented to him.

"The Importance of Being Earnest" is the best and by far the most performed of Oscar Wilde's plays. The failures of human nature and behaviour satirized by Wilde in this play are as prevalent now as they were in his day - and the fun he makes of them just as relevant. The values of property, wealth and position in society are still exaggerated and people are still at times less than honest in their relationships with others.

In producing this play the school was harking back to the golden era of drama and perhaps having more success in performing this play than with ones in other years. It was pleasant to see the great range of people in the audience from the

elderly to the young and all of them being able to enjoy a laugh somewhere during the course of the performance.

As Oscar Wilde stated the real charm of the play is in the dialogue as the characters are defined not so much by what they do, as by what they say. The cast of nine presented a consistently vivid picture of the surroundings and the applause of the audience was a recognition of the style, timing and unfailing clarity achieved by all the players. Not only the cast but also the many people who created three fine sets, charmingly in period, clothes equally in accord, and makeup and lighting which brought out the excellent expressions, contributed to this piece of first class theatre.

The cast was: John Worthing, Derek Mark; Algernon Moncrieff, Robert McDonald; The Rev. Canon Chasuble, Michael Baird; Merriman, Murray Gray; Line, Mark Lindsay; Lady Bracknell, Trudy Nuttal; Hon. Gwendolen Fairfax, Adrienne Skeggs; Cecily Cardew, Janet Thomson; Miss Prism, Ruth Linklater.

Art 1979

1979 has been an eventful and enjoyable year for the Art Department. 3rd and 4th form students have produced some imaginative work with a large number of 4th form students opting to continue art next year for School Certificate.

The Senior Students have made good use of our additional art room and they have produced work of a high standard. Fifteen 5th formers submitted work for School Certificate Art with eight 6th form students taking U.E. practical art and eight U.E. History of Art. One 7th form student submitted work for U.E. Bursary practical Art. Examples of the high standard achieved this year are: Timothy Mason who received the Senior Art Prize and Graham Brinsley who received the Fifth Form prize. Three senior students, Stephen Boyd, Graham Brinsley and Clark Gormack were awarded prizes in the 'Young Contemporaries' Exhibition with two of last year's students, Martin Muller and Stephen Swann also receiving awards. No less than twenty pieces of work from the school were exhibited in the exhibition. The Senior boys took full advantage of my week's absence at Borland Lodge, by using their initiative and imagination to transform our Assembly Hall into a realistic Casino for the School Formal Dance. This reflected the good spirit and mature attitude of the Senior Art Group this year.

AUSTRALIAN TOUR 1
Rugby...Sport and Culture in Australia

Rugby

1ST XV

Captain: M. Crowther

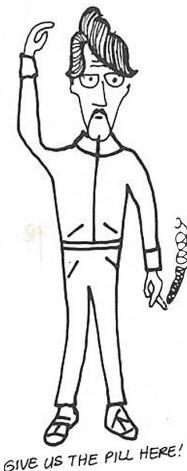

The honour of playing for a SBHS 1st XV has inspired many an individual to perform far above his normal capabilities. For many decades SBHS has been able to boast one of the most consistent and fruitful 1st XV of any comparable Secondary

School. Fruitful not only in terms of match success but I am certain also in character building and the development of many other individual qualities.

This year's 1st XV has done a great deal to enhance the school rugby tradition. The 1st XV this season was founded on 20 dedicated, loyal and spirited members who acquitted themselves admirably, which is reflected by the team's success in the local competition and inter-school fixtures.

A major contributing component in the success of this and all proceeding 1st XVs in the last decade has been the "Fanatical" coaching and expertise of Mr Clive Williams and I quote from a national weekly paper "It seems that coaches pit their skills against Clive Williams who has produced top SBHS sides for years".

Personally (although I know I also speak for many) I have been proud to have been associated with "Mr William's" 1st XV.

INTERSCHOOLS

6/6/79

v OTAGO BOYS' HIGH SCHOOL

Won 12-0 Halftime 4-0

Played in true wintry and rugby conditions, with a muddy and atrocious field and drizzle prior to the game, School was able to defeat a spirited 15 from Otago Boys' High School. The main highlights of the game were:

a pushover try to P. Culling, followed by
a backing up try to S. Moffitt and
a running try to P. Noble in the corner after G. Soper
came up in the backline.

4 tightheads were gained by Southland Boys'.

20/6/79

v WAITAKI BOYS' HIGH SCHOOL

Won 14-0 Halftime 4-0

On a badly cut up field in muddy condition, with driving rain and a strong wind, School defeated Waitaki Boys' High School. Probably the team's best effort to date with a fine 15 man performance, for 80 minutes.

11-1 tightheads to Southland Boys' High School reflects a tremendous forward effort.

M. Gilbertson scored the 1st try of the game following an attempted pushover, receiving the ball and forcing his way across the line.

S. Moffit after two of his tries being disallowed, was rewarded with two more with a good display of backing up and strong running.

G. Soper converted 1 try.

v KINGS HIGH SCHOOL
Won 56-0 Halftime 20-0

Rarely is any interschool won by such a decided margin. Unfortunately Kings High School was a young and inexperienced 15, obviously in the throes of rebuilding.

Conditions were fine and warm.

The team did not play its best and was suffering heavily from injuries.

Ten tries were the highlight of the game. Because of School's extreme forward dominance, the forwards were able to score six of the ten tries. Three tries were scored in the 1st half, G. Soper converted five tries and started the school's scoring with two penalties.

Scorers: M. Hall (2), S. Moffitt, M. Gilbertson, T. Mason, P. Culling, B. Fairweather, D. Nind, M. Crowther.

31/7/79

v TIMARU BOYS' HIGH SCHOOL
Won 24-3 Halftime 14-0

The final of the traditional interschools was played in the mud of Fraser Park.

School's strong forward dominance was a feature of the game.

9-2 tightheads to school. Despite conditions, backs handled and ran well creating three tries. Good performance by the whole team. This was to complete the "Grand Slam!" for the second consecutive season.

5 tries: G. Soper (2), M. Gilbertson, T. Winsloe, C. Atkinson.

Many thanks to Mark Sycamore our team reporter for his statistical accuracy on the team's season.

TEAM MEMBERS

Ian Welsh (prop)	Used his vast experience, power and size to outplay many who opposed him. Extremely effective at the front of the lineout.
Peter Henderson (prop)	Very mobile and aggressive when running with the ball. Ended the season well equipped in the skills of scrummaging.
Matthew Smellie (lock)	Used his height to full effect in the lineouts, supplying an endless stream of good ball. An aggressive leader on many occasions.
Tony Winsloe (lock)	Complemented Matthew in every aspect of the game. Excellent ball provider from the lineout.
David Nind (lock)	Excelled in the tight, very aggressive player.
Philip Culling (flanker)	Extremely fast off the side. Quite a handy flanker. Very conspicuous by being first to the breakdown.
Bill Dewar (flanker)	A fine scavenger of the ball, laying a platform for those memorable tries of the season.
Tim Mason (No. 8)	Tim used his speed and anticipation to save the team on many occasions. Very aggressive.

Brent Fairweather (flanker)	A tireless toiler, constantly 'hounding' the loose ball. Will be of great value for next season's side.
Morris Gilbertson (half back)	Provided quick, clean ball for the backs. Very strong around the base of the scrum.
Neil Dewar (half back)	Had the ability to beat his man with a tricky side-step. Equally a very good link. Needs to develop a long pass.
Mark Sycamore (first five)	Mark matured markedly as a five-eight. Has the potential to become the "king-pin" for next season's back-line.
Chris Atkinson (centre)	Chris completed his first year in the team with commendable praise. Although lacking in confidence on attack his tackling was of the highest quality.
Steve Moffitt (centre)	A big strong running centre. Equally at home in defence. Was missed in Australia.
Phillip Noble (wing)	His great speed and ability to beat his man saw Philip cross for many spectacular tries. An exemplary tackler.
Mark Hall (wing)	After a quiet start to the season Mark ended as an aggressive runner with the ball. An exciting attacking player.
Michael Smellie (wing)	Very good on his feet. Extremely quick off the mark and another exciting runner with the ball.
Grant Soper (full back)	Positional play and covering was of the highest quality. One of the finest attacking full backs ever to pass through SBHS. A deadly accurate boot. Possessed 238pts.
Mark Crowther (Captain and hooker)	Completed three outstanding seasons with the 1st XV. Set a splendid example both on and off the field. His strong leadership and aggressive play paved the way for the success of the team, particularly in Australia.
Chris Hook (Vice-captain and centre)	Probably the side's key attacking back. Had trouble with a series of injuries this season but on his day a fine inside back. Swift ball handler and deceptive runner.

AUSTRALIAN REPORT

What better way of completing a successful 1979 rugby season than with a five match sixteen day tour of the land of opportunity.

In high spirits we set out on Tuesday 14 August travelling in a party of 49 players and much needed supporters.

To summarise the tour is an extremely difficult task, but from the rugby point of view, the grounds were too hard and the temperature was excessive for the mud larks of Southland New Zealand. The net result was that many had grass burns and in two cases heat exhaustion but from the wide-eyed tourist point of view, the clear blue sky and golden beaches and ? had much to offer.

In short the tour took in Sydney, Brisbane, Rockhampton ranging from a true Metropolis (Sydney) with moderate weather conditions, bright lights and infinite resources for entertainment to Rockhampton, comparable to Invercargill in size and

population, but not climate!! Our first game on tour was against the Forest High School located as the name implies in French's Forest, a suburb of Sydney. School won 21-0. The most noticeable characteristic was the number of injuries because of the extremely hard grounds. A ground on which all codes were played the first injury of the game was the referee who fell in one of many 'ditches'.

The second game in Sydney: vs Warringah Zone XV, composed of six local secondary schools. School won in a fine team display 28-3. Without a doubt one of the most convincing displays on tour.

By plane we then travelled to Brisbane. First match in Brisbane was against De La - Sall College and Redcliffe a private school with a notable sporting history. School won 12-3 in a rugged encounter.

The game against Brisbane State High School was another hard fought battle and ended with a win to School 25-6.

The final game of the Australian tour was against Rockhampton Grammar. Played in intense heat and vigour, the final whistle saw another win to school 13-4.

While five games for five wins reflects the onfield success it can in no way report on the numerous other high points of the tour.

One cannot express in words the tremendous hospitality, warmth and friendship conveyed to the team by our Trans-Tasman neighbours. Many a new relationship and contact may have been reaped from such a tour and this is probably the most important factor.

Special thanks from the team .

The team would also like to take this opportunity to issue a special thanks for support from parents and friends on Tour, without whom success would have been difficult.

Also many thanks to friends, supporters and well-wishers throughout the season.

2ND XV RUGBY

Captain: J. Moffitt

Coach: I. M. Baldwin

The team began the season with a young side full of potential with a good sound forward pack and some pacey backs. We started off with two good wins over top sides, but then due to injuries and other teams finding our few weaknesses we lost a number of vital games. At the end of the round we managed to come back to form with good forward play presenting the backs with greater scoring opportunities. After the first round, the competition was then split up and unfortunately, we found ourselves in the bottom section. This, however, put an added determination into our game and as a result we finished first equal in that section

The highlights of the season were definitely the two interschools which were both played on the home grounds. In the first match we recorded a good win over Otago Boys' High School 12-0. Then against Waitaki Boys' High School we showed our true form in beating a much larger side than ourselves by 22-3.

The forwards were a small but very mobile pack and played with fire and vigour at all times. Special mention must be made of J. Christie who always gave his best and to P. Henderson who was continually on the hunt for loose ball.

The backs made a slow start to the season but soon developed into a cohesive line up, scoring some brilliant tries. Special mention here must go to S. Molloy who always ran strongly with the ball, and to M. Soper at first five who held the key to devastating back play with his fine tactical and accurate kicking.

The team would like to take this opportunity to thank Mr Baldwin for giving up his valuable time in coaching and supporting us.

The team: P. Tait, A. Hitchcock, S. Molloy, S. Farrant, D. Hall-Jones, G. Drummond, M. Soper, M. Haig, A. Crimp, P. Henderson, J. Moffit (Captain), J. Blue, W. Gumbley, G. Thomas, C. Todd, D. McKitterick, J. Christie, S. Mee, B. Welsh.

Captain: D. Rance Played 12 Won 6 Lost 5 Drew 1 Coach: Mr Cooper

This year's team was one of high potential (maybe this was why it was rumoured that we were the 'A' team) but it was a potential which was never fully utilized and this resulted in the team's alternating good and bad performances.

The most important asset of the team was the ability of the players, on a good day, to play as a team and work together. It is because of this ability that we were able to surprise many people and draw with the competition winners Cargill.

The forward pack was outweighed by many of the other packs in the competition but always fought hard and tried their best with outstanding players being M. Corkery, M. Dobbin and C. McKenzie. The trouble spot of the team was the backline with the half-back position vacant. W. Little filled in admirably. The backs, when playing well, could match any team in the competition thanks to S. Tiata and D. Hayes.

The team was plagued with injuries and a few difficulties appeared with some members having strong personalities, but all was smoothed out. The team thanks Mr Cooper for the time and effort he put into coaching the team.

Team Members: Forwards - D. Rance, T. Dimond, D. Grandiek, A. Smith, C. Dunlop, P. Scobie, B. Jackson, L. O'Brien, C. McKenzie, M. Dobbin, I. Baxter
Backs - D. Hayes (94 pts), C. Smith, W. Little, R. Smith, A. Reading, M. Sutton, S. Tiata, M. Lindsay, D. Hall-Jones (transferred to 2nd XV)

Team: Forwards - T. Bruce, M. Duff, G. Potter, W. Duncan, R. McDonald, H. Dowles, R. Keen, R. Blache, S. Hamilton Backs - I. Wilson, G. McKenzie, M. Brown, R. Panting, G. Billows, M. Baird, N. Martyn, K. Hart, S. McCoy

Although the team was young, it was a very determined side. This was proven in the team's first competition game when although lacking a coach for the first two games, the team took the field and defeated the Red team, picked as the 'A' team, by the margin of 19-14.

The highlights of the season would have to be the two out of three wins against the Red team, 19-14 and in the last round 7-6. Also the win over Marist 6-0 to become runners up in the competition behind Cargill High School first XV.

Outstanding players in the forwards for the season were R. Blache and S. Hamilton whose vigorous play was of benefit to the whole team. In the backs M. Brown at second five always gave his best and was a valuable asset to the team.

able to overcome the weight and height disadvantage through superior fitness and mobility round the field. The forwards were supported by probably the best set of backs in the competition. Overall, I would say the team succeeded through a great team spirit generated inside the team and a determination to do well. The team can also thank Mr Stevens and Ian Welsh for their dedicated coaching throughout the season.

6TH GRADE RED RUGBY

Captain: G. Hume

Coach: D. Murcott

Played 10 games, Won 7, Drew 2, Lost 1, Winners of Competition

This was a side full of potential that played extremely well all season, losing only one game. A fine team spirit coupled with an ability to strive under pressure, saw the team through some very close games.

The forward pack proved fast in the loose and this was the key to much of our success.

G. Hume led the team capably in all phases of play and was well supported by B. Wilson, W. Baxter and B. Kennedy in the forwards. The backs made effective breaks with good support from L. Murray, R. Coutts and R. McCulloch applied the finishing touches with some penetrating running.

The team played a full 80 minutes and all played as a team.

The team would like to thank the coach Mr Murgott for his expert coaching and his good support to the team and also the parents who supported the team full heartedly.

Team: Forwards - G. Molloy, B. Wilson, C. Elliott, W. Baxter, P. Barker, B. Kennedy, G. Hume, E. Matheson, N. Wrigley Backs - N. Lowe, D. Gibb, L. Murray, R. McCulloch, R. Coutts, M. Tressler, S. Mathews, M. Hunt, B. Mackenzie.

6TH GRADE BLUE RUGBY

Captain: D. Harper 2nd in the competition Coach: Mr D. Shields

The team played 11 games, for 7 wins, 2 losses and 2 drawn matches.

The team would like to thank Mr Shields for the time he gave up to coach the team and the time he spent on Saturdays supporting the team for most of its matches, especially the harder ones towards the end of the season.

The team worked well together especially on the field with the tight forwards working as a unit. The team lacked height but won some good ball in the lineouts from the locks P. Ellis and B. Smail.

Players to stand out during the season were: the front row, J. Stevenson, B. Fowell and J. Nind, also W. Christie and L. Cooper in the backs.

UNDER 15 RUGBY TEAM

Captain: D. Monteath

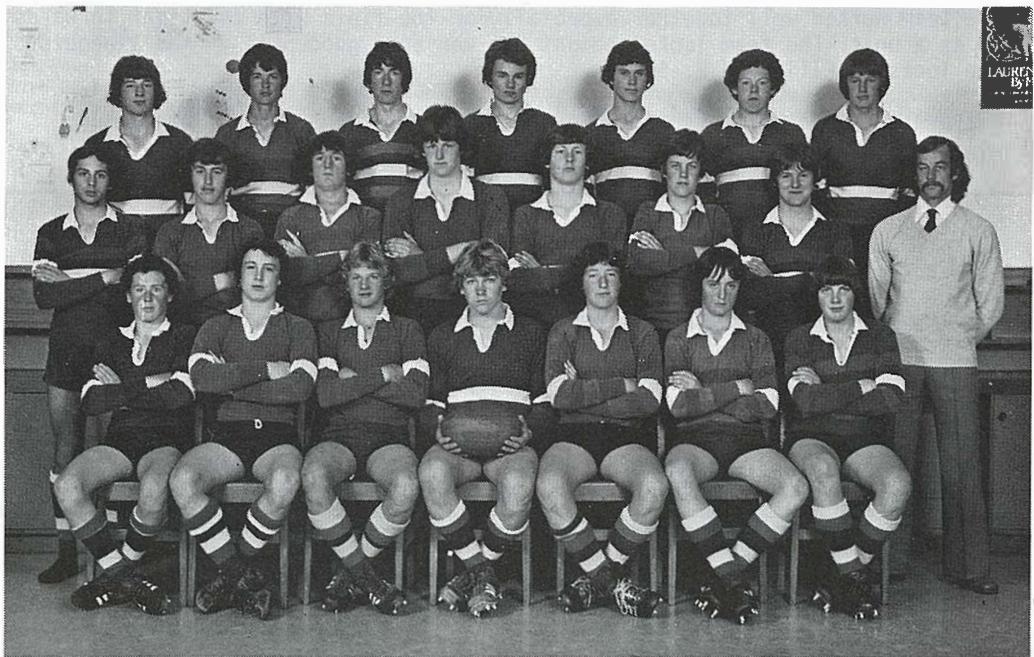

Coach: Mr Rankin

In August, the School sent an Under 15 rugby team to a National Tournament in Christchurch. 16 teams from all over the country took part in the tournament which was the first of its kind ever to be held in New Zealand.

We were the only team from Southland, and were unluckily knocked out in the third round by the eventual winners Napier Boys' High School. In fact, our team put up the best performance of the tournament against Napier, going down 12-7.

Other results were: beat St Thomas's 13-3, beat Aranui High 12-0, lost to Otago Boys' High 4-0, and beat Timaru Boys' High 14-3. The team finished seventh overall. Outstanding players were: P. Henderson, R. Blanch, and B. Hamilton with G. Weir also playing well. P. Henderson was top points scorer with 18 points.

The team wishes to thank Mr Rankin for the time and effort he put into coaching.

SEVENTH GRADE B RUGBY

Captain: Brent Haywood

Coach: Mr Rance

Seventh Grade B came 5th. The team played a little inconsistently through the season, but really got it all together in the last game against the School A team. On the day, all 15 members of the team played outstanding rugby but with luck being with the A team, we went down 4-6.

All players in the team wish to thank Mr Rance for the manner in which he coached and guided us during the season. Outstanding players were: Alister Rance who showed a fine display of hooking, prop Ian Duncan who set the ball up well, Barry Shields, Gavin Smith and Tony Low also showed great promise.

Games played 9, Won 1, Drew 1.

8TH GRADE 'A' RUGBY

Captain: J. Culling

Won 8, Drew 1, Lost 1

Coach: Mr L.J. Hamill

The team started the season extremely well narrowly overcoming Cargill 'A' to remain unbeaten in the first round.

The competition was then divided into two sections which saw the team draw with Cargill and later lose to Hargest 'A'. This did not prevent S.B.H.S. 'A' from winning the competition however. Thanks to Mr Hamill for expert coaching and advice.

The Team: Backs - J. Anderson, M. Brown, C. Thomson, T. Baglin, J. Blomfield, S. Stevenson, R. Murray, B. Murray Forwards - R. Burns, B. Henderson, J. Culling, J. Heywood, K. Jenson, S. Crosbie, P. Henderson.

FIRST XI SOCCER

Captain: R. Jackson

Coach: Mr Vercauteren

The early start to the season with the visit to Australia and the success achieved there, did not continue with the team for the local competition; although the experience gained by the younger members of the team will prove beneficial in forming the nucleus for next year's team. The team was unlucky to lose the services of A. Fraser through injury and his ability up front was greatly missed. The team played with a great deal of fire and spirit and on occasions the final score was not a true indication of the team's performance. During the season the forwards, M. Grey, A. Read, A. Vercauteren and N. Cook combined well to provide some entertaining football and score some well earned goals. The midfield players, D. Thornley, N. Fallow and B. Anderson proved to be hard working and determined players and made good use of the ball they won. The aggression shown by the defence R. Jackson, K. Love, N. Tansley, G. Lang proved to be a competent combination against the opposing attack and was able to show above their more older opposition.

The team's gratitude and thanks are extended to Mr Vercauteren for his valued time and experience which he has devoted to the team in the 1979 season.

ANNUAL INTERSCHOOL FIXTURES

v Otago B.H.S. (home) lost 1 - 3

After a successful Australian tour, school was confident and anxious to keep its long unbeaten record against O.B.H.S. Murray Gray opened the scoring early in the first half, but a controversial penalty decision against school made it 1 - 1 at half time. Another penalty and a goal to Otago in the second spell made it difficult for Southland to get back.

v Linwood H.S. (home) won 1 - 0

Not only was this a vital interschool match, it was the NZSS knockout competition quarter-finals and with this in mind, the team rose to the occasion and was rewarded through good team work, against a young skilful Linwood side who were unlucky not to capitalise on their chances. The only goal came late in the second half when Alan Fraser placed his shot wide of the goalkeeper and into the net. Murray Gray and Bill Anderson played especially well.

v Kings H.S. (away) drew 0 - 0

This game developed into a mid-field tussle with few scoring chances created. Neither team played to its utmost capabilities which resulted in a rather uneventful game.

v Timaru B.H.S. (away) won 5 - 1

Timaru was completely outclassed by Southland who were 4 - 0 ahead at half time, the goals coming from Neville Fallow, David Thornley (penalty), Andrew Read (2). The poor ground conditions in the second spell restricted any constructive play, with only one goal each being scored. Southland's goal coming from the boot of Murray Gray who pressurised well and picked up any loose balls from defensive errors.

UNDER 14 RED SOCCER TEAM

The team played consistently throughout the season. Whether we won or lost there was always a good team spirit. The team thanks Mr Love, our coach, for his support during the season and for turning up without fail on Saturdays and for practices. Players who were outstanding during the season were Paul Barry for his endless attacking and good leadership, Paul Cook for his remarkable defending and Peter van Duivenvoorde for his superb goalkeeping.

We played 11 games with 5 wins, no draws and 6 losses.

The team was: P. Barry (Captain), P. Cook (Vice Captain), R. Ross, D. Kellock, B. Eastwood, H. Allan, P. Jackson, P. van Duivenvoorde, P. Coburn, N. Northcoat, N. Clode, K. Shirley, C. Hall, J. Simms.

UNDER 14 BLUE SOCCER TEAM

After a slow start the 1979 soccer season ended with reasonable success for the Boys' High Blue Under 14 team. All credit must go to our coach Mr J. Gilroy for turning 14 unsure but keen boys into a team, confident of its skills and increasing team spirit. Congratulations to David White and Dean Millar on representing Southland Under 14s.

The Blues played 12 games for 8 wins, 2 losses and one draw. This resulted in the team being runners-up in the 14th grade competition.

In conclusion, I look forward to next year as this team improved with every game and particularly in skills due to concentrated practices in the gymnasium. The Blue squad for the season was: D. White, S. Smith, D. Roberts, G. Ward, G. Gilroy, S. Humphries, D. White, P. Ottley, T. Stewart, D. Pay, R. Taylor, R. Syme, I. Brokenshire (Captain).

Hockey

1ST XI HOCKEY TEAM REPORT

Captain: A. Herbison

Coach: Mr R. James

Retaining only four of last year's members, the team initially presented a young and inexperienced side, but through continual training and effort, it proved itself to be at least on par with previous years teams. Being placed in the Senior Pool section of the city's competition, the team found itself up against the Gore men's teams which meant travelling every second weekend to Gore. However, the team performed well by coming second in the competition with six wins, two draws and two losses. At the end of the season being placed in a somewhat lower grade, the school team easily won all its games recording good wins over other city High School teams.

THE INTERSCHOOL RECORD

v Otago Boys' High School - drew 1 - 1

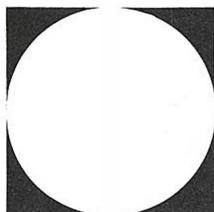

Played under muddy conditions, a draw was a good indication of this hard fought match with neither team having the upper hand, O.B.H.S. dominated the first half resulting in a 1 - 0 lead at half time, while S.B.H.S. equalised the score by controlling the game in the second half.

v Kings High School - lost 1 - 0

The team was unlucky to lose, with neither side having any real advantage over the other. Defence being the mainstrength of both teams, the Southland Boys' High attack was hindered by the close marking Kings side.

v Gore High School - won 5 - 1

Again played in difficult conditions, the team's forward line showed their true potential in providing four excellent field goals.

v Waitaki Boys' High School - lost 13 - 0

Circumstances beyond the team's control influenced this disastrous match. With the team's Captain unable to play and the left-half Derek Rankin having to be taken off to hospital in the first five minutes, the team's 'mechanics' broke down with many players playing in unfamiliar positions. However, credit must go to the extremely well drilled Waitaki Boys' team in their victory.

TOURNAMENT

In the August vacation, the team ventured to Dunedin to compete for the Johnson Cup. Having not entered in a Secondary School Tournament for ten years, the team was rather lowly rated by the tournament organisers. The team, however, surprised many with their constructive play and skill, and was placed 3rd in their pool. The results were:-

v O.B.H.S.	drew 1 - 1
v Hillmorton H.S. (ChCh)	drew 2 - 2
v Bayfield H.S.	won 6 - 1
v Taieri H.S.	lost 1 - 0
v Linwood (competition winners)	lost 6 - 0

Thanks must go to W. Ridder and R. de Silva for being part of the tournament team and to Bayfield High School for billeting the team in Dunedin.

THE TEAM

The team itself this year represented a side that has only achieved such good results through constant attendance at the four training sessions a week. This development of skill can be seen in that over half the team were chosen for Southland Representative sides, with C. Riley, J. Gee, P. Ridder, D. Dunlevey and T. Jasperse being selected for the Southland Under 17 team and J. Gee and A. Herbison being chosen for the Southland Colts' team. The potential for a strong team next year is present with many of the team's younger players having the ability to become good hockey players.

The team's forward line was particularly experienced, and with the addition of centre forward D. Dunlevey, C. Riley, B. Casey, J. Gee, and G. Nixon executed some fine field goals.

J. Valentine, D. Rankin and A. Herbison made up the half line, and although plagued by injury, their support both in defence and attack was a major element in the success of the team.

The team found some difficulties in defence this year with numerous combinations of full backs. However, M. McKellar, T. Jasperse and the later addition of B. Herbison provided a generally consistent defence. The goalie, P. Ridder, developed well throughout the year, providing many good saves which undoubtedly saved the team in difficult situations.

As with any team, the coach provides the essential element to success and as such we must thank Mr James for his constant support and dedication. Thanks must also go to him for supplying transport to Gore whenever it was required.

2ND XI HOCKEY

Captain: B. van Voornveld

Coach: Mr Riley

The team played well for the entire season, resulting in a win in our grade of the local competition. Our sincere thanks to Mr Riley for coaching us.

The team comprised B. van Voornveld (Captain), H. McLauchlan (Vice-captain), P. Carnahan, K. McMillan, B. Finn, R. de Silva, G. Broomhall, W. Ridder, R. Lange, N. Russel, S. Scott, T. Calvert.

3RD XI HOCKEY

Captain: B. Herbison

Coach: Mr Riley

Despite losing the majority of games, the 3rd eleven played extremely well throughout the season. Competition was fierce and many of the games were played without a full team. The team members were: S. Hopgood, W. Frost, P. Ballantyne, D. Hapgood, A. Ayto, P. McGimpsey, B. Priest, K. Lawney, J. Cole, B. Herbison (Captain), F. McNaughton.

All members of the team would like to thank the coach Mr Riley for his support throughout the season.

Badminton

Captain: A. Turrell

This year promised to prove a difficult one for our local C Grade squad with only one member being retained from last year's team. But bolstered by four capable girls from Southland Girls' High School, our High School team remained unbeaten after the first seven games. We flagged a little in the middle of the season but with a strong finishing burst ended up a creditable third.

Our interschool team this year retained two of last year's four members and the two gaps left were ably filled by S. Bartlett and L. Murray. Leigh, especially, will form the backbone of next year's team judging by his local and interschool performance.

The interschool against Kings High School this year saw us playing away and running out the winners 6 - 0 against a spirited but weak Kings team, but although the resulting score did not show it, our best interschool performance was against Waitaki Boys' High School whom we also defeated 6 - 0.

My thanks this year must go to two members: Prasana Gulasekharam whom we lose this year after only two seasons of outstanding play for school and club teams; and Suri Bartlett who also leaves us this year after two seasons for our local competition team. My thanks also go to the girls of Southland Girls' High School for their regular support and enervating effect on our game. Also our greatest thanks to Mr Dear who showed ability and interest throughout the year in his support of us.

Basketball

1ST V BASKETBALL

With the Australian tour approaching in May, the squad was selected and practice started in late March giving about eight weeks to get into competition standard. With four practices a week the team managed to peak for the tour. This was to be the high point of the season with all the players extending themselves and the season's best basketball being played. With the intensive timetable in Australia and the sheer quantity of games, all of which were taken seriously being interschool matches, the players' shooting was almost unrecognisable. This form was carried through into the first few club games; beating Marist 68 - 2 and Hargest 62 - 7. This works out to approximately a basket every 40 seconds because both games were short ones.

Though the team had great potential, it clicked for only brief moments in a few games and disappointing results in the matches resulted.

AUSTRALIAN TOUR MATCHES

French's Forest High School - win 36 - 32

This was the first game of the tour and our first day in Australia. The team was tired from transit and struggled to get into form. But after being down at half time, the boys scored a few quick breaks to squeeze home for a win at full time.

Cromer High School - lost 37 - 45

Cromer High School with an ex-pupil playing was the first hard game we had experienced all year. Being up at half time by ten points the second half was a disaster being unable to stop their 'star player's' long shoot who finally scored 22 points - a great effort.

Tournament

This was an all day fixture in which we played some of the surrounding schools. Boys' High was the only team to remain unbeaten.

Pittwater High School - won 29 - 27

A very close fought game against one of the better teams in the tournament but with some good rebounding, we managed to come through after being down at half time.

Narrabeen High School - won 36 - 12

This being a weaker school, it gave the other squad members a game. Taking their opportunity they played very well and built up a good score, proving their worth in the team.

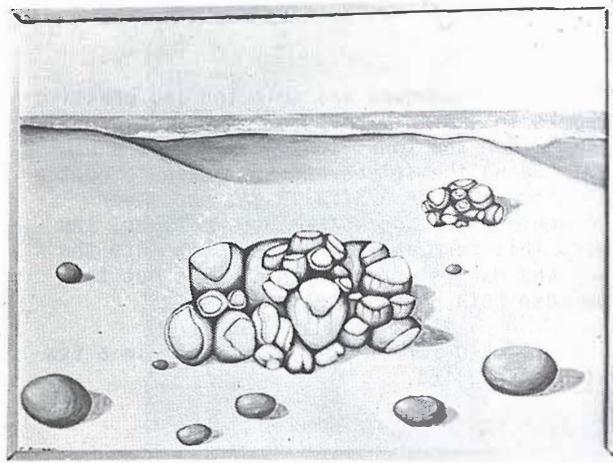

INTERSCHOOLS

Waitaki High School - lost 33 - 38

A very low scoring game as seen from score, and a lot of missed shots. No team work was seen at all. Little can be said about this rather unimpressive spectacle.

Kings High School - Lost

The team started poorly against a strong team and when the school did settle down we were unable to pull back their lead. Boys' High did control the play for a brief moment in the second half but did not sustain the effort.

2ND V BASKETBALL

Coach/Captain: Craig Urquhart

The 2nd V had an exceptionally good season this year, winning 9 out of the 10 games it played. Although the season got off to a slightly shaky start, a new offensive and defensive strategy was incorporated which provided many points for the team. These 'moves' developed well and at the end of the season the members were shaping up as a team. The team played at Surrey Park on Friday nights and won the Southland Basketball Association Cup. Cargill High School provided our greatest opposition during the season and were the only team to defeat us. As captain/coach I would like to thank all the members of the team for a very successful season.

Players: C. Carlaw, R. Chambers, M. Pearson, K. Lamb, S. Boyd, A. Buist, M. Corkery, A. Liddell, C. Urquhart.

3RD FORM "A" BASKETBALL

Third in Centennial Hall Competition.

We began the season with the majority of the team not knowing the rules of the games or even how to play and we were only getting single figure game scores. However our average score by the end of the competition had risen to 30s - 40s.

Team members: S. Jackson, A. Chambers, P. McNaughton, A. Fox, S. Millar, D. Waldron, D. Hagan, A. Noble.

Cricket

1ST XI CRICKET

Captain: Phillip Tait

Virtually the same team from last season was back to start off the 1978/79 season. Several members left at the end of 1978 and these were replaced with some promising young players.

The team had the best club season since the 1975/76 season, finishing second in the competition, being narrowly beaten in the final.

There can be no excuses for our poor showing in the Interschools. The team's lack of depth in the batting department, which was a feature of the season, was exploited by St Andrew's and Otago Boys' High to their benefit. The team relied heavily on the bowling attack where Grant and Murray Soper were instrumental in winning many games.

The team would like to thank Mr Boyd, who showed keen interest in the team after the departure of our Coach Mr Shirley from the School at the end of 1978.

The team:

- | | |
|----------|---|
| P. Tait | Batsman of class and polish but who sometimes lost his wicket unnecessarily. A forceful and effective Captain who demanded and got a good response. |
| G. Soper | Natural sportsman, can bat, bowl and field. Scored runs on a consistent basis and bowled his off-spinners with real skill and authority. |
| M. Soper | Opening bowler who quickly developed into a potent weapon. Very few batsmen played him with confidence. Also has the ability to bat well. |

R. Beale	Didn't score so many runs this season. Could bowl at a nagging length for a long spell depriving batsmen of runs.
I. Welsh	Speed rather than accuracy was the forte of this formidable opening bowler. If he made his mind up he could bat well combining power and skill. A good fieldsman.
D. Beale	A batsman with obvious talent who should score a lot of runs next season. Can be a handy slow bowler although his chances were few.
M. Sycamore	A hard hitting batsman with a touch of the unorthodox. He occasionally has kept wickets for the team but his services are better employed out in the field.
B. Welsh	One of this year's new recruits. He is always an exciting batsman to watch because of his attacking style of play. Good agility in the field.
M. Burnard	A leg spin bowler who unfortunately was restricted in his chances by the lack of runs made by our batsmen and also the immediate and constant success of our opening few bowlers. More confidence in his own ability should see his batting come right.
J. Christie	John was brought up from the 2nd XI to give Mark Sycamore a chance to concentrate on his batting. His ability behind the stumps has been of top quality and some remarkable saves and catches were made by him.
N. Tait	A new recruit who showed ability with the bat in the few games he played. Some practise on his bowling could make him useful next season.
R. Jackson	Shared the 12th man berth with Norris Tait at the end of the season. Ross has the temperament and technique to be a good batsman. His height also allows him to bowl with some zing and should be a good bowling prospect.

INTERSCHOOLS

v St Andrew 3-4/12/78

The school had a disastrous first innings making 96 with only I. Welsh making runs. He was ably supported by the tail. However St Andrew's scored well declaring 102 runs ahead at 198 for 7. The School could only reply with 158 leaving St Andrew's 57 runs to score, which they did.

Scores - School 96 (I. Welsh 27) and 158 (I. Welsh 29, P. Tait 24, M. Soper 21 not out).

St Andrews 198 - 7 declared (G. Soper 2-35, R. Beale 2-36, M. Soper 2-37) and 57-4.

Result - St Andrews won by six wickets.

v Kings High School 13-14/2/79

Kings were bundled out for 51 with Murray Soper bowling well. The School batted and made 201-6 declared with Mark Sycamore making 50 not out. Kings were 150 runs behind but when they were 13 without loss the rains came down and rarely stopped. A likely School win was thus lost.

Result - draw.

Scores - School 201-6 declared (M. Sycamore 50 not out, G. Soper 43, P. Tait 36). Kings 51 (M. Soper 6-14) and 13 without loss.

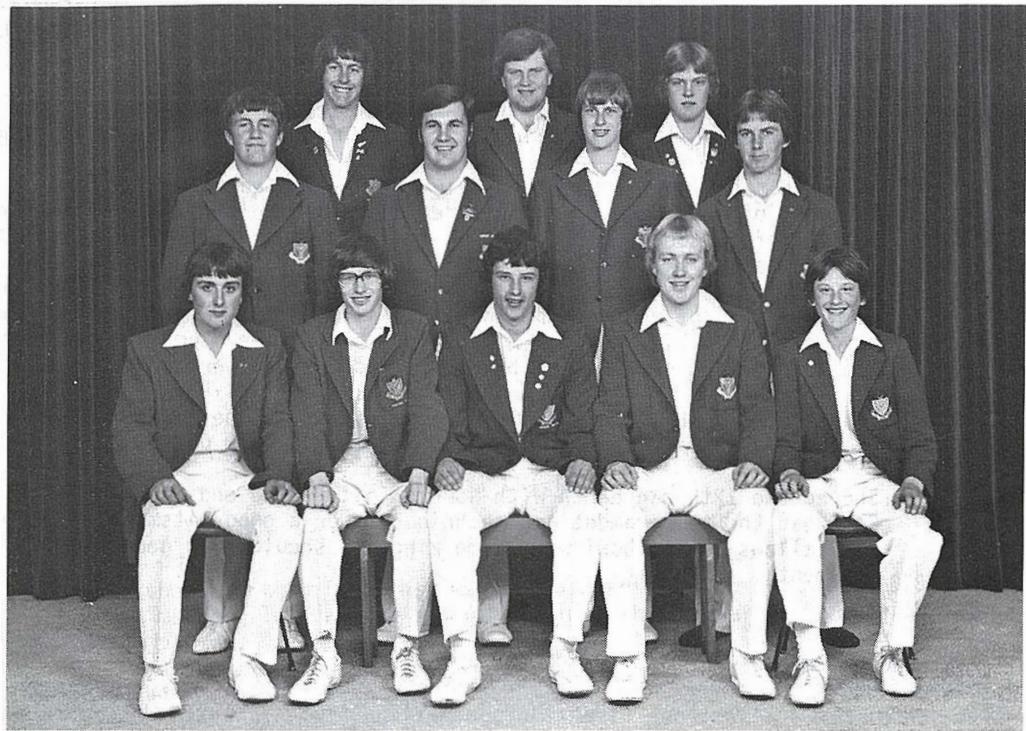

v Otago Boys' High School

The School batted first and after a good start slumped to be all out for 108, B. Welsh making 27. O.B.H.S. scored slowly at first but compiled a mammoth 261-8 declared. 153 runs behind, the School could only manage 104.

Result - O.B.H.S. won by an innings and 47 runs

Scores - School 108 (B. Welsh 24) and 104 (M. Sycamore 24 I. Welsh 19)

O.B.H.S. 261-8 declared (G. Soper 3-98 off 29 overs, M. Soper 2-57).

2ND XI CRICKET

Captain: A. Buist

The Second XI had a good season finishing first in its section of the Second Grade. The team had five new players this season who all turned in good solid performances. J. Goodsir and R. Bartlett were good consistent openers who always helped the team to score runs. A. Turrell and D. Kincs turned in good bowling performances.

The team was keen and enthusiastic and should do well in the coming season.

Many thanks to Simon who was a regular supporter.

SATURDAY COMPETITION TEAMS

UNDER 17 GRADE

The school entered seven teams in this grade with all players enjoying the Saturday competition.

The teams were: Team 1) Michael Taylor and Russel Taylor
2) Bently Seeto and Nicholas Haywood

- 3) Wayne Lang and Richard Lange
- 4) Kel McBeath and David Nieman
- 5) Robert Souness and Ralph Christopher
- 6) Bernard Morris and Jeffery Lang
- 7) Gary Lang and Stephen Forde

The number one team of Michael and Russel Taylor combined well throughout the season to win the competition. Thanks to all teams for a good effort.

MIXED "B" GRADE

Continuing last year's fine performance, this year's experienced team of Bill Dewar, Tony Snell, Nicholas Tansley, Grey Thomas, Noel Crosswell and from Girls' High School, S. McLeod, J. Sharman, K. Mason, J. Phillips and R. Baird once again combined well and practised hard to retain the "B" Grade cup for the second year running. The last game showed the team's experience by beating Makarewa in a hard fought match by 103 points to 101 and thereby clinched the competition.

Many thanks to the reserves who were always on hand when required. Special thanks to Mr Long for his dedication to the sport over the past years.

INTERSCHOOL TENNIS TEAM

Captain: Matthew Smellie

This year's team looked well balanced with four of last year's seasoned team members back and several young players with marked potential also in the line up.

This year's team was Matthew Smellie (Captain), Michael Smellie, Barry McAlister, Michael Taylor, Geoffrey McAlister, Suri Bartlett, Luke Heywood, Stephen Davies and Greg Thomas.

Early in the first term, the school team met the Kings High School team in Invercargill. The school team started strongly and may well have gained a victory, if it wasn't for the bad weather which interrupted the proceedings, when we were leading Kings by seven matches to twj after some good individual performances in the singles.

The second interschool fixture involved the school team travelling north to Dunedin to play the consistently strong Otago Boys' High School team. The fixture was played in fine weather and good spirits, with the Otago Boys' team dominating all facets of play, with the exception of Southland Boys' High School player Barry McAlister who produced some excellent tennis in both his singles and in partnership with his younger brother Geoff in the doubles. The final score was 19 rubbers to 2 in Otago's favour.

The team would like to thank Mr Jeff Long for the valuable time he spent in both organising and coaching the tennis this year and in previous years.

Harrier Team 1979

Otago B.H.S. at Invercargill: The school lost the competition overall but the Seniors returned a fine run beating Otago by one point.

Juniors - 1st J. Fokkens, 6th R. Blanch - Lost 49 - 29

Seniors - 2nd B. Smith, 3rd P. Henderson - Won 52 - 53 Lost overall 101 - 82

Waitaki B.H.S. at Invercargill: The Senior team were placed under considerable pressure when Waitaki were 1st, 2nd, 3rd in the Junior event. To win overall the Seniors had to finish 1st, 2nd, 3rd, 4th. This was achieved by running as a team.

Juniors lost 24 - 12

Seniors 1st = R. Osmond, 2nd P. Henderson, 3rd= B. Smith, 4th M. Journeaux

Kings H.S. at Dunedin: Kings proved to be too strong for the Seniors over the demanding hilly course. The Juniors however recorded a narrow win.

Juniors - 2nd J. Fokkens, 3rd R. Murrell - Won 10 - 11

Seniors - 4th M. Journeaux - Lost 6 - 15

CLUB RUNS

The highlights of the season were the excellent runs the school recorded in the Invercargill - Winton and Gore - Invercargill Relays. On both occasions the school entered two teams which was a great effort. The school A team took line honours in the Winton Relay with the B team second. The Gore Relay saw the school B team finish a creditable second. The A team recorded 6th fastest time out of fifteen teams from Otago and Southland.

JUNIORS

The future years should see the school harrier team very dominant in the local harrier events. Up and coming runners in this grade are: M. Russell, N. Britton and J. Fokkens.

G. White, R. Blanch, W. Christie, W. Goodwin and G. Ramsay were very valuable members for minor race placings and team races.

SENIORS

Once again the school had a strong Senior harrier team. Throughout the season the Seniors won the major teams events; these included Forest Hill C C and the Southland Cross Country U/18 title. P. Henderson, M. Journeaux, R. Osmond, B. Russell and B. Smith were always in the major placings in these events. Other seniors who contributed to the strength of the Seniors were: C. Gallie, R. de Silva, M. Ferns, E. Ireland, D. Hoffmann, D. Mathieson and M. Quail.

Overall it was a very successful season due to the help of Mr Lauren with his valuable coaching trips and time spent with the Harrier Team.

CROSS COUNTRY

Otago/Southland

The School Cross Country squad performed creditably at the Otago/Southland Intersecondary Schools' championships at Dunedin on Saturday, 6th October.

Fields were large; under 14 (250), under 15 (200+), intermediate (150), senior (100).
